Some of the statements in this prospectus constitute forward-looking statements. Our Company

Recognizing the convergence of software and payments, i3 Verticals was founded in 2012 with the purpose of delivering seamless integrated payment and software solutions to small- and medium-sized businesses (“SMBs”) and organizations in strategic vertical markets. Since commencing operations, we have built a broad suite of payment and software solutions that address the specific needs of SMBs and other organizations in our strategic vertical markets, and we believe our suite of solutions differentiates us from our competition. Our primary strategic vertical markets include education, non-profit, public sector, property management and healthcare. These vertical markets are large, growing and tend to have increasing levels of electronic payments adoption compared to other industries. In addition to our strategic vertical markets, we also have a growing presence in the business-to-business (“B2B”) payments market. Our executive management team has a proven track record of successfully building publicly-traded payments companies, generating growth both organically and through acquisitions. We processed approximately $10.3 billion in total payment volume in 2017, growing at a compound annual growth rate (“CAGR”) of 67% since 2014.

We distribute our payment technology and proprietary software solutions to our clients through our direct sales force as well as through a growing network of distribution partners, including independent software vendors (“ISVs”), value-added resellers (“VARs”), independent sales organizations (“ISOs”) and other referral partners, including financial institutions. Our ISV partners represent a significant distribution channel and enable us to accelerate our market penetration through a cost effective one-to-many distribution model that tends to result in high retention and faster growth. From September 30, 2016 to September 30, 2017, we increased our network of ISVs from 13 to 22, which produced an increase in average monthly payment volume of 155%.

Our integrated payment and software solutions feature embedded payment capabilities tailored to the specific needs of our clients in strategic vertical markets. Our configurable payment technology solutions integrate seamlessly into clients’ third-party business management systems, provide security that complies with Payment Card Industry Data Security Standards (“PCI DSS”) and include extensive reporting tools. In addition to integrations with third party software, we deliver our own proprietary software solutions that increase the productivity of our clients by streamlining their business processes, particularly in the education, property management and public sector markets. We believe our proprietary software further differentiates us from our competitors in these strategic verticals and enables us to maximize our payment-related revenue. Through our proprietary gateway, we offer our clients a single point of access for a broad suite of payment and software solutions, enabling omni-channel point of sale (“POS”), spanning brick and mortar and electronic and mobile commerce, including app-based payments.

We primarily focus on strategic vertical markets where we believe we can be a leader in vertically-focused, integrated payment and software solutions. Our strategic vertical markets include education, non-profit, public sector, property management and healthcare. We have a longer term goal of being a leader in six to ten strategic vertical markets. We target vertical markets where businesses and organizations tend to lack integrated payment functionality within their business management systems and where we face less competition for our solutions. In many cases, we deliver our proprietary software solutions to strategic vertical markets through the Payment Facilitator (“PayFac”) model, where we maintain a master merchant account, enabling clients to accept electronic payments through a sub-merchant contract. As more ISVs seek to differentiate their offerings by seamlessly integrating payment functionality into their software solutions, the PayFac model has gained significant...
momenum. Before PayFacs were an option, any business looking to accept credit cards was required to establish an individual merchant account, which is often costly and time-consuming for small merchants. Our PayFac solution streamlines and simplifies client onboarding, delivers ease of reporting and reconciliation and enables superior data management.

In addition to our vertical markets, we have a growing presence in the B2B payments sector, which is among the fastest-growing segments within payments. Compared with business-to-consumer payments where, according to The Nilson Report, approximately 75% of payment volume was processed through electronic methods in 2016, the B2B payments market is significantly less penetrated by electronic payments. According to PayStream Advisors’ 2017 Electronic Payments Report, checks account for more than 45% of B2B payments, presenting an opportunity for further adoption of card-based and other electronic payments.

An important part of our long-term strategy is acquisition-driven growth. To date, we have completed nine “platform” acquisitions and twelve “tuck-in” acquisitions. Our platform acquisitions have opened new strategic vertical markets, broadened our technology and solutions suite and expanded our client base, while our tuck-in acquisitions have augmented our existing payment and software solutions and added clients. Our growth strategy is to continue to build our company through a disciplined combination of organic growth and growth through platform and tuck-in acquisitions. With more than 3,500 U.S. payments companies registered with Visa and over 10,000 ISVs doing business in the United States, we are confident that we will continue to be successful in finding acquisition targets to supplement our organic growth.

We have built a deep and experienced executive-level management team. Greg Daily, our Chairman and Chief Executive Officer, and Clay Whitson, our Chief Financial Officer, have each previously served in similar roles with PMT Services, Inc. and iPayment, Inc. Our President, Rick Stanford, who is responsible for mergers and acquisitions, has a 30-year professional relationship with Mr. Daily and Mr. Whitson, including working together at PMT Services, Inc. Rob Bertke, our Chief Technology Officer, has over 20 years of experience in the payment technology and B2B commerce industries. Importantly, many of our acquisitions have added managers with extensive knowledge of their vertical markets and deep client relationships.

We generate revenue primarily from payment processing services, which principally include but are not limited to volume-based fees, provided to clients throughout the United States. Our payment processing services enable clients to accept electronic payments, facilitating the exchange of funds and transaction data between clients, financial institutions and payment networks. Our payment processing services include merchant onboarding, risk and underwriting, authorization, settlement, chargeback processing and other merchant support. We also generate revenue from software licensing subscriptions, ongoing support, and other POS-related solutions that we provide to our clients directly and through our distribution partners.

For the six month period ended March 31, 2018, we generated $154.9 million in revenue, $(7.2) million of net loss and $14.6 million of adjusted EBITDA, compared to $124.5 million in revenue, $(0.4) million of net loss and $9.1 million of adjusted EBITDA for the comparable period in 2017, an increase of 24% and 60% for revenue and adjusted EBITDA, respectively. In fiscal year 2017, we generated $262.6 million in revenue, $0.9 million of net income and $19.3 million of adjusted EBITDA, compared to $199.6 million in revenue, $(2.1) million of net loss and $17.6 million of adjusted EBITDA in fiscal year 2016, an increase of 32% and 10% for revenue and adjusted EBITDA, respectively. See “Summary Historical and Pro Forma Consolidated Financial and Other Data” for a discussion of adjusted EBITDA and a reconciliation of adjusted EBITDA to net income (loss), the most directly comparable measure under accounting principles generally accepted in the United States of America (“GAAP”).

Industry Background

Overview of the Electronic Payments Industry

The electronic payments industry is massive, with growth fueled by powerful long-term trends that continue to increase the acceptance and use of electronic-based payments compared to paper-based payments. The industry is serviced by a variety of providers, including issuers, payment networks and merchant acquirers. According to The Nilson Report, purchase volume on credit, debit and prepaid cards in the United States was approximately $6.2 trillion in 2016 and is estimated to reach nearly $8.5 trillion by 2021, a CAGR of 6.6%. Additionally, B2B payments represent a large, high growth opportunity, with card-based payments gaining momentum in a market
where checks still account for more than 45% of supplier-related payments according to PayStream Advisors' 2017 Electronic Payments Report.

**Convergence of Payments, Software and Integrated Technology**

The electronic payments industry is undergoing a transformation fueled by rapid advancements in technology over the past decade, including the proliferation of application programming interfaces ("APIs") that facilitate seamless integration between various software programs and payment technology. This transformation is empowering businesses and organizations to benefit from the increased utility associated with embedding payment solutions within software. Increasingly, payment solutions are embedded within the software that merchants use for other critical business functions, such as POS, accounting, inventory management, drawer reconciliation, customer relationship management ("CRM") and order entry.

SMBs and other organizations are increasingly demanding bundled payment and software solutions. To deliver more value to clients, ISVs and payment companies are partnering to meet this demand, often entering into revenue sharing arrangements related to payment processing revenue. More recently, some ISVs are bundling proprietary payment capabilities with software offerings to create a comprehensive, integrated solution for clients and to optimize the revenue opportunity associated with payments.

As more ISVs seek to differentiate their offerings by seamlessly integrating payment capabilities into their software solutions, the PayFac model has gained significant momentum. The PayFac model provides companies not traditionally in the business of delivering payment services (e.g., ISVs) with a master merchant account, enabling SMB clients to accept electronic payments through a sub-merchant contract. In addition to rapid, efficient onboarding, PayFacs offer various tools and services, including streamlined reporting and client support. PayFac transaction volume is projected to grow at a CAGR of 88% from 2016 to 2021, reaching $513 billion in annual processing volume in 2021, according to a 2016 report from Double Diamond Payments Research titled "Why Software Vendors Should Be Payment Facilitators."

**Overview of the Traditional Merchant Acquiring Industry**

Historically, to facilitate the acceptance of card-based payments at the POS, banks began providing payment services to their local merchants. Providers of these services, both divisions of banks and independent companies, became known as merchant acquirers. The merchant acquiring industry has grown significantly as more and more merchants and organizations accept card-based payments in response to their growing adoption by consumers. More than 3,500 payments service providers are registered with Visa in the United States. These acquirers include non-bank merchant acquirers, banks, ISOs and other less established vendors seeking to offer new payment methods and devices.

**Overview of the Merchant Client Base**

Many traditional merchant acquirers sell their payment processing services to various sizes of merchants and organizations, from SMBs to large enterprises. As potential customers, we believe SMBs have many attractive characteristics. SMBs generally lack the resources of large enterprises to invest heavily in technology and therefore are more dependent on service providers, such as merchant acquirers, to handle critical functions, including payment acceptance and other support services. Technology needs for SMBs are increasingly complex. As electronic and mobile commerce continues to grow as a percentage of purchase volume, businesses and organizations require additional capabilities to serve their customers in an increasingly omni-channel world. In addition, SMBs are seeking software solutions for a variety of their business functions, including marketing, inventory management, invoicing and other industry-specific applications. Merchant acquirers can better serve SMBs by working with ISVs or offering proprietary software that helps meet the requirements of these businesses and organizations. A wide variety of merchants and organizations make up the SMB market segment. As a result, there is less risk of client concentration. While the size of the market opportunity is considerable, the needs of potential clients in different segments vary significantly, benefiting those providers that deliver integrated payment solutions tailored to their specific needs.

**Our Competitive Strengths**

We believe we have attributes that differentiate us from our competitors and provide us with significant competitive advantages. Our key competitive strengths include:

---

3
Innovative Payment and Software Solutions Tailored for Strategic Verticals

We believe our ability to deliver innovative payment and software solutions tailored to the specific needs of businesses and organizations in our strategic vertical markets differentiates us from our competitors. We focus on providing value-add, flexible, scalable and innovative electronic payment and software solutions to clients in attractive, high growth strategic vertical markets such as education, non-profit, public sector, property management and healthcare. We target vertical markets that are large and growing, where businesses and other organizations typically lack integrated payment functionality within their business management system, there is potential for significant market penetration of our solutions and competition for our solutions is fragmented. We have built, through strategic acquisitions and internal development, a specialized and tailored payment and software solutions business, powered by a broad network of distribution partners that allows us to integrate and cross-sell our solutions to businesses and organizations in these strategic vertical markets. We believe our deep domain knowledge in each of our strategic vertical markets provides us unique insight into our clients' needs, and enables us to deliver high-quality traditional and PayFac solutions with vertical-specific client support.

Additionally, we provide a comprehensive suite of horizontal solutions that complement our vertically focused solutions and enable us to further penetrate each vertical market. Our horizontal solutions include virtual terminals, POS technology, mobile solutions, countertop and wireless terminals, electronic invoice presentation and payment, event registration, online reporting, expedited funding, PCI validation, integrated forms and client analytics.

Expertise in ISV Distribution

We distribute our payment technology and proprietary software solutions to our clients through our direct sales force as well as through a growing network of distribution partners, including ISVs. We embed our payment technology into our proprietary vertical software solutions, or into solutions developed by ISVs, empowering our clients to benefit from the seamless integration of payments and software. We currently have approximately 25 ISV distribution partners. Our ISV partner strategy represents a significant distribution channel and enables us to accelerate our market penetration through a cost effective one-to-many distribution model that tends to result in high retention and faster growth.

Robust Gateway and Technology Platform Delivering Sophisticated Payment and Software Solutions

We have developed a suite of technology solutions that can be deployed on a variety of platforms. Our technology includes proprietary software that serves our verticals and offers a unified suite of APIs that provide streamlined payment integration. Our defined project development processes enable us to deploy initial downloads and upgrades in a quick and efficient manner via the cloud.

In addition, through our proprietary gateway, we provide our clients a single point of access for a broad suite of payment and software solutions, spanning POS, e-commerce and mobile devices. Leveraging our technology, we are able to provide our clients with solutions that are highly secure, scalable and available. In certain vertical markets such as education, property management and public sector, we offer proprietary software solutions that increase the productivity of our clients by streamlining their business processes. Our payment solutions, including PCI DSS-compliant security, integrate seamlessly into a client's business management system and can be tailored to the client's needs, with extensive reporting tools.

Attractive Operating Model

We have grown rapidly since our founding, with payment volume growth over the prior year of 26% in 2017, 138% in 2016 and 55% in 2015. We believe our deep domain knowledge within our strategic vertical markets, the embedded nature of our integrated payment and proprietary software solutions and our strong client relationships drive improved client retention and revenue growth. The relationships we have developed with a significant number of distribution partners, including ISVs and VARs, contribute to efficient client acquisition, high retention and lifetime value and, ultimately, strong revenue and earnings growth. Given that we predominantly generate transaction-based revenue, we can confidently predict at the beginning of each fiscal year our recurring revenue and cash flow, excluding the effects of acquisitions, for that fiscal year. Further, we have minimal client and vertical market concentration, which insulates us from fluctuations within any given vertical market.
Proven Acquisition and Integration Strategy

A core component of our growth strategy includes a disciplined approach to acquisitions of companies and technology, evidenced by nine platform acquisitions and twelve tuck-in acquisitions since our inception in 2012. Our acquisitions have opened new strategic vertical markets, increased the number of businesses and organizations to whom we provide solutions and augmented our existing payment and software solutions and capabilities. Our management team has significant experience acquiring and integrating providers of payment processing services and providers of vertical market software that complement our existing suite of products and solutions. Due to our management team’s longstanding relationships and domain expertise, we have developed a strong pipeline of acquisition targets and are constantly evaluating businesses against our acquisition criteria.

Experienced Team with Strong Execution Track Record

We have built a deep and experienced executive-level management team. Greg Daily, our Chairman and Chief Executive Officer, and Clay Whitson, our Chief Financial Officer, have each previously served in similar roles with iPayment, Inc. and PMT Services, Inc. Our President, Rick Stanford, who is responsible for mergers and acquisitions, has a 30-year professional relationship with Mr. Daily and Mr. Whitson, including working together at PMT Services, Inc. Substantial value was created at both PMT Services, Inc. and iPayment, Inc. through organic and acquisition-based growth. From PMT Services’ IPO on August 12, 1994 until its sale on September 24, 1998, PMT Services’ cumulative stock return was 713%, compared to the 126% cumulative stock return of the S&P 500 during the same period, excluding dividends. From iPayment’s IPO on May 12, 2003 until it was taken private on May 10, 2006, iPayment’s cumulative stock return was 172%, compared to the 40% cumulative stock return of the S&P 500 during the same period, excluding dividends. There can be no assurance, however, that these executives will be able to create similar increases in the value of i3 Verticals, Inc. Rob Bertke, our Chief Technology Officer, has over 20 years of experience in the payment technology and B2B commerce industries.

Many of our acquisitions have added key members of management with extensive knowledge of their vertical markets and deep distribution partner and client relationships. We typically structure acquisitions with the goal of retaining and incentivizing key members of management, through equity incentives and earn-outs that align their interests with those of our shareholders.

Our Growth Strategy

Expand Our Network of Distribution Partners

We have experienced significant growth through our network of distribution partners, particularly within integrated channels. We have approximately 25 ISV distribution partners and intend to continue expanding our distribution network to reach new ISVs as well as other new partners within our strategic vertical markets. We believe that our differentiated payments platform, combined with our vertical expertise, will enable us to methodically engage new distribution partners.

Continue to Enhance Our Suite of Technology Solutions

We intend to strengthen our position in our various vertical markets through continuous product innovation and enhancement. We have a strong track record of introducing to our clients new products and solutions that increase convenience, enhance ease of use, improve integration with their other business management systems and offer greater functionality. In addition, we plan to take advantage of our proprietary, integrated gateway and service capabilities to provide PayFac services in our strategic vertical markets. Through continued product innovation and enhancement, we believe we can increase client retention and improve our ability to win new business.

Grow With Our Existing Distribution Partners and Clients

We focus on strategic vertical markets where there is a large addressable market, the client base is highly fragmented and penetration of electronic payments is below that of the overall economy. We intend to grow organically with our existing distribution partners by providing compelling integrated payment technology and proprietary software solutions to clients. We believe that by cross-selling new and value-added services and promoting our omni-channel capabilities to our existing clients, we will help our clients succeed and grow their payment volume.
Further Penetrate the Installed Merchant Base of Our Distribution Partners

We intend to continue to actively pursue the merchant base of our distribution partners. A significant number of businesses and other organizations within these channels are not currently using our solutions and have not yet been proactively approached. Many already have their electronic payments processed through another provider, while others are not yet accepting electronic payments. We intend to continue to capitalize on this significant opportunity by leveraging our relationships with our distribution partners, our extensive marketing capabilities, our vertically-focused sales force and our innovative payment technology.

Selectively Pursue Platform and Tuck-in Acquisitions

We intend to pursue platform acquisitions of vertically-focused integrated payment and software solution providers in new vertical markets. We also intend to continue to complement our organic expansion with accretive tuck-in acquisitions that enhance our market position within our existing strategic vertical markets. We expect that these acquisitions will expand our integrated platform, existing payment solutions and client reach. Since our formation in 2012, we have completed a total of nine platform and twelve tuck-in acquisitions that enabled us to enter new, or expand within existing, vertical markets. We have demonstrated the ability to execute and integrate acquisitions that augment our products and services and enhance the solution set we offer to our clients.

We intend to continue to funnel acquisition targets through our strong pipeline, while we also engage new candidates. We target companies that have a strong management team with significant expertise in a particular vertical market and that offer attractive growth potential. Once we have completed an acquisition, we monitor the acquired company’s performance and seek to improve its operations. Our corporate structure enables us to provide financial and strategic support, including capital, recruitment, back-office and IT functions to the companies we acquire. This decentralized management structure allows us to create management teams positioned to maximize the growth potential in existing and new vertical markets.

Reorganization Transactions

i3 Verticals, Inc., a Delaware corporation, was formed on January 17, 2018 to serve as the issuer of the Class A common stock offered by this prospectus. We conduct all of our business operations through i3 Verticals, LLC and its subsidiaries. We will consummate the following reorganizational transactions in connection with this offering. Certain defined terms are provided below. Some of the members of our management and members of our board of directors (the “Board of Directors”) will receive cash and shares of our Class B common stock in the transactions described below. See “Certain Relationships and Related Party Transactions—Purchase of Common Units from Members of Management and Directors” and “Principal Stockholders.” Unless otherwise indicated, this prospectus assumes the shares of Class A common stock are offered at $ per share (the midpoint of the price range listed on the cover page of this prospectus).

- We will amend and restate the existing limited liability company agreement of i3 Verticals, LLC to, among other things, (1) convert all existing Class A units, common units (including common units issued upon the exercise of existing warrants held by the existing Warrant Holders) and Class P units (“profits interests”) of ownership interest in i3 Verticals, LLC into either Class A voting common units of i3 Verticals, LLC (such holders of Class A voting common units referred to herein as the “Continuing Equity Owners”) or Class B non-voting common units of i3 Verticals, LLC (such holders of Class B non-voting common units referred to herein as the “Former Equity Owners”) (collectively, the “Initial Recapitalization”), and (2) appoint i3 Verticals, Inc. as the sole managing member of i3 Verticals, LLC upon its acquisition of common units in connection with this offering.

- We will amend and restate i3 Verticals, Inc.’s certificate of incorporation to provide for, among other things, Class A common stock and Class B common stock. Each share of Class A common stock and Class B common stock will entitle its holder to one vote on all matters to be voted on by stockholders. Shares of our Class B common stock, however, may be held only by the Continuing Equity Owners and their permitted transferees in proportion to the number of outstanding common units of i3 Verticals, LLC they hold as described in “Description of Capital Stock—Class B Common Stock.” Class B common stock has no economic rights.

- Immediately following the Initial Recapitalization, we will consummate a merger by and among i3 Verticals, LLC, i3 Verticals, Inc. and a to-be-formed wholly-owned subsidiary of i3 Verticals, LLC (“MergerSub”) whereby: (1) MergerSub will merge with and into i3 Verticals, LLC, with i3 Verticals, LLC as the surviving entity; (2) Class A voting common units will be converted into newly issued common units in i3 Verticals, LLC together with an equal number of shares of Class B common stock of i3 Verticals, Inc., and (3) Class B common units will be converted into Class A common stock of i3 Verticals, Inc.

- We will issue shares of our Class A common stock pursuant to a voluntary private conversion of certain subordinated notes (the “Junior Subordinated Notes”) by certain related and unrelated creditors of i3 Verticals, LLC. In this conversion, certain eligible holders of Junior Subordinated Notes have elected to convert approximately $ in aggregate indebtedness into Class A common stock.

- We will issue shares of our Class A common stock to the purchasers in this offering (or shares if the underwriters exercise in full their option to purchase additional shares of Class A common stock, or the “overallotment option”) in exchange for net proceeds of approximately $ million (or approximately $ million if the underwriters exercise the overallotment option in full).

- We will use all of the net proceeds from this offering to purchase (1) newly issued common units (or common units if the underwriters exercise their overallotment option in full) directly from i3 Verticals, LLC at a price per unit equal to the initial public offering price per share of Class A common stock in this offering less the underwriting discounts and commissions, and (2) common units directly from certain of the Continuing Equity Owners at the initial public offering price of Class A common stock in this offering less underwriting discounts and commissions. We will own % of i3 Verticals, LLC’s outstanding common units following this offering (or % if the underwriters exercise their overallotment option in full).

- i3 Verticals, LLC intends to use the net proceeds from the sale of common units to i3 Verticals, Inc. to repay as described under “Use of Proceeds” a total of approximately $ in outstanding debt under (a) the Junior Subordinated Notes, (b) notes payable in the aggregate principal amount of $10.5
million (the "Mezzanine Notes") to three related creditors and (c) the senior secured credit facility of i3 Verticals, LLC (the "Senior Secured Credit Facility"), which includes a term loan and a revolving loan facility. i3 Verticals, LLC intends to repay the Junior Subordinated Notes and the Mezzanine Notes in full.

- i3 Verticals, Inc. will enter into (1) a tax receivable agreement, which we refer to as the Tax Receivable Agreement, with i3 Verticals, LLC and each of the Continuing Equity Owners and (2) a registration rights agreement, which we refer to as the Registration Rights Agreement, with certain Continuing Equity Owners. For a description of the terms of the Tax Receivable Agreement and the Registration Rights Agreement, see "Certain Relationships and Related Party Transactions."

We collectively refer to the foregoing organizational transactions as the "Reorganization Transactions."

Immediately following the consummation of the Reorganization Transactions (including this offering):

- i3 Verticals, Inc. will be a holding company and its principal asset will consist of common units it purchased from i3 Verticals, LLC and certain of the Continuing Equity Owners and common units it acquired from the Former Equity Owners.
- i3 Verticals, Inc. will be the sole managing member of i3 Verticals, LLC and will control the business and affairs of i3 Verticals, LLC and its subsidiaries. We will have a board of directors and executive officers, but will have no employees. The functions of all of our employees are expected to reside at i3 Verticals, LLC or its subsidiaries.
- i3 Verticals, Inc. will own, directly or indirectly, common units of i3 Verticals, LLC, representing approximately % of the economic interest in i3 Verticals, LLC (or common units, representing approximately % of the economic interest in i3 Verticals, LLC, if the underwriters exercise their over-allotment option in full).

The purchasers in this offering (1) will own shares of Class A common stock of i3 Verticals, Inc. (or shares of Class A common stock of i3 Verticals, Inc. if the underwriters exercise their over-allotment option in full), representing approximately % of the combined voting power of all of the common stock of i3 Verticals, Inc. and approximately % of the economic interest in i3 Verticals, Inc. (or approximately % of the combined voting power and approximately % of the economic interest if the underwriters exercise their over-allotment option in full), and (2) through i3 Verticals, Inc.’s ownership of i3 Verticals, LLC’s common units, indirectly will hold approximately % of the economic interest in i3 Verticals, LLC (or approximately % if the underwriters exercise their over-allotment option in full).

The Continuing Equity Owners (1) will own common units of i3 Verticals, LLC, representing approximately % of the economic interest in i3 Verticals, LLC (or approximately % of the economic interest in i3 Verticals, LLC if the underwriters exercise their over-allotment option in full), and (2) will own shares of Class B common stock of i3 Verticals, Inc., representing approximately % of the combined voting power of all of the common stock of i3 Verticals, Inc. (or approximately % if the underwriters exercise their over-allotment option in full).

The Former Equity Owners (1) will own shares of Class A common stock of i3 Verticals, Inc., representing approximately % of the combined voting power of all of the common stock of i3 Verticals, Inc. and approximately % of the economic interest in i3 Verticals, Inc. (or approximately % of the combined voting power and approximately % of the economic interest if the underwriters exercise their over-allotment option in full), and (2) through i3 Verticals, Inc.’s ownership of i3 Verticals, LLC’s common units, indirectly will hold approximately % of the economic interest in i3 Verticals, LLC.

As the sole managing member of i3 Verticals, LLC, we will operate and control all of the business and affairs of i3 Verticals, LLC and, through i3 Verticals, LLC and its subsidiaries, conduct the business.

Our Corporate Information

i3 Verticals, Inc., the issuer of the Class A common stock in this offering, was incorporated as a Delaware corporation on January 17, 2018. i3 Verticals, LLC (formerly known as Charge Payment, LLC) was organized as a Delaware limited liability company on September 7, 2012. Our corporate headquarters are located at 40 Burton Hills Blvd., Suite 415, Nashville, TN 37215. Our telephone number is (615) 465-4487, and our principal website address is www.i3verticals.com. The information on any of our websites is deemed not to be incorporated in this prospectus or to be part of this prospectus.

Relationships and Related Party Transactions—Certain Interests of Management and Directors in the Reorganization Transactions.” We intend to purchase common units (or common units if the underwriters exercise their overallotment option in full) from certain of our Continuing Equity Owners at a price per common unit equal to the price paid by the underwriters for shares of our Class A common stock in this offering. See “Use of Proceeds” and “Principal Stockholders.”

Implications of Being an Emerging Growth Company

We qualify as an “emerging growth company” as defined in the Jumpstart Our Business Startups Act of 2012, or the “JOBS Act.” An emerging growth company may take advantage of certain reduced reporting and other requirements that are otherwise generally applicable to public companies. As a result:

- we are required to have only two years of audited financial statements and only two years of related selected financial data and related Management’s Discussion and Analysis of Financial Condition and Results of Operations disclosure;
- we are not required to engage an auditor to report on our internal control over financial reporting pursuant to Section 404(b) of the Sarbanes-Oxley Act of 2002, or the Sarbanes-Oxley Act;
- we are not required to comply with any requirement that may be adopted by the Public Company Accounting Oversight Board, or the PCAOB, regarding mandatory audit firm rotation or a supplement to the auditor’s report providing additional information about the audit and the financial statements (i.e., an auditor discussion and analysis);
- we are not required to submit certain executive compensation matters to stockholder advisory votes, such as “say-on-pay,” “say-on-frequency” and “say-on-golden parachutes”; and
- we are not required to comply with certain disclosure requirements related to executive compensation, such as the requirement to disclose the correlation between executive compensation and performance and the requirement to present a comparison of our Chief Executive Officer’s compensation to our median employee compensation.

We may take advantage of these reduced reporting and other requirements until the last day of our fiscal year following the fifth anniversary of the completion of this offering, or such earlier time that we are no longer an emerging growth company. However, if certain events occur before the end of such five-year period, including if we have more than $1.07 billion in annual revenue, have more than $700 million in market value of our common stock held by non-affiliates, or issue more than $1.0 billion of non-convertible debt over a three-year period, we will cease to be an emerging growth company prior to the end of such five-year period. We may choose to take advantage of some but not all of these reduced burdens. We have elected to adopt the reduced requirements with respect to our financial statements and the related selected financial data and Management’s Discussion and Analysis of Financial Condition and Results of Operations disclosure. As a result, the information that we provide to stockholders may be different than the information you may receive from other public companies in which you hold equity.

As mentioned above, the JOBS Act permits an emerging growth company like us to take advantage of an extended transition period to comply with new or revised accounting standards applicable to public companies. We have elected not to opt out of the extended transition period which means that when a standard is issued or revised and it has different application dates for public or private companies, we, as an emerging growth company,
company, can adopt the new or revised standard at the time private companies adopt the new or revised standard. This may make a comparison of our financial statements with the financial statements of a public company that is not an emerging growth company, or the financial statements of an emerging growth company that has opted out of using the extended transition period, difficult or impossible because of the potential differences in accounting standards used.
The Offering

Class A common stock offered: shares
Overallotment option: shares
Class A common stock to be outstanding after this offering: shares, representing approximately % of the combined voting power of all of the common stock of i3 Verticals, Inc. (or shares, representing approximately % of the combined voting power of all of the common stock of i3 Verticals, Inc. if the underwriters exercise their overallotment option in full) and 100% of the economic interest in i3 Verticals, Inc.

Class B common stock to be outstanding after this offering: shares, representing approximately % of the combined voting power of all of the common stock of i3 Verticals, Inc. Use of proceeds

We estimate that the net proceeds to us from this offering will be approximately $, or approximately $ if the underwriters exercise their overallotment option in full, assuming an initial public offering price of $ per share (which is the midpoint of the range set forth on the cover page of this prospectus), after deducting estimated underwriting discounts and commissions and estimated offering expenses. Each $1 increase (decrease) in the public offering price per share would increase (decrease) our net proceeds, after deducting estimated underwriting discounts and commissions, by $ (assuming no exercise of the underwriters’ overallotment option).

We intend to use the net proceeds of this offering to purchase (1) common units (or common units if the underwriters exercise their overallotment option in full) directly from i3 Verticals, LLC at a price per common unit equal to the price paid by the underwriters for shares of our Class A common stock in this offering, and (2) common units (or common units if the underwriters exercise their overallotment option in full) from certain of our Continuing Equity Owners at a price per common unit equal to the price paid by the underwriters for shares of our Class A common stock in this offering. i3 Verticals, LLC intends to use the proceeds to repay approximately $ of the indebtedness outstanding under the Junior Subordinated Notes, the Mezzanine Notes and the Senior Secured Credit Facility. See “Use of Proceeds” and “Certain Relationships and Related Party Transactions.”

Voting rights

Each share of our Class A common stock and Class B common stock will entitle its holder to one vote on all matters to be voted on by stockholders. Holders of Class A common stock and holders of Class B common stock will vote together as a single class on all matters presented to stockholders for their vote or approval, except as otherwise required by law or our amended and restated certificate of incorporation. Class B common stock has no economic rights. See “Description of Capital Stock.”

(1) Payment volume is the net dollar value of both 1) Visa, Mastercard and other payment network transactions processed by our clients and settled to clients by us and 2) Automated Clearing House ("ACH") transactions processed by our clients and settled to clients by us.

(2) Number of clients represents an approximate number of our clients who are actively processing payment volume as of the end of the period.

(3) Payment volume is the net dollar value of both 1) Visa, Mastercard and other payment network transactions processed by our clients and settled to clients by us and 2) Automated Clearing House ("ACH") transactions processed by our clients and settled to clients by us.

Net revenue is calculated as revenue less certain network fees and other costs described below. Adjusted net income is calculated as net income before certain non-cash changes in the fair value of contingent consideration, non-cash changes in the fair value of warrant liabilities, other non-core cash items and the other items described below. Adjusted EBITDA is equal to adjusted net income before interest, income taxes, depreciation and amortization. Net revenue, adjusted net income and adjusted EBITDA eliminate the effects of items that we do not consider indicative of our core operating performance. As a result, we consider net revenue, adjusted net income and adjusted EBITDA to be important indicators of our operational strength and the performance of our business. Management believes the use of net revenue, adjusted net income and adjusted EBITDA are appropriate to provide additional information to investors about certain material non-cash items and about unusual items that we do not expect to continue at the same level in the future. By providing these non-GAAP financial measures, together with a reconciliation to GAAP results, we believe investors use net revenue, adjusted net income and adjusted EBITDA as supplemental measures to evaluate the overall operating performance of companies in our industry. The way we present net revenue, adjusted net income and adjusted EBITDA may not be comparable to similarly titled measures reported by other companies.

Net revenue, adjusted net income and adjusted EBITDA are not intended as alternatives to revenue or net income (loss), as applicable, as indicators of our operating performance, or as alternatives to any other measure of performance in conformity with GAAP. You should therefore not place undue reliance on net revenue, adjusted net income and adjusted EBITDA or ratios calculated using those measures. Our GAAP-based measures can be found in our consolidated financial statements and related notes included elsewhere in this prospectus. In particular, adjusted EBITDA has significance limitations as an analytical tool because it excludes certain material costs. For example, it does not include interest expense, which has been a necessary element of our costs. In addition, the exclusion of amortization expense associated with our intangible assets further limits the usefulness of this measure. Because adjusted EBITDA does not account for these expenses, its utility as a measure of our operating performance has material limitations. Accordingly, management does not view adjusted EBITDA in isolation and also uses other measures, such as cost of services and goods and net income (loss) to measure operating performance.
The reconciliation of our revenues to net revenue is as follows:

Risks Related to Our Business and Industry

We have a history of operating losses and will need to generate significant revenues to maintain profitability and positive cash flow.

Since inception in 2012, we have been engaged in growth activities and have made a significant number of acquisitions in an effort to grow our business. This acquisition activity requires substantial capital and other expenditures. As a result, 2017 was the first fiscal year for which we attained profitability, and we may incur losses again in the future. Although we had net income of $0.9 million for the year ended September 30, 2017, we had a net loss of $2.1 million for the year ended September 30, 2016. Further, for the six month period ended March 31, 2018, we had a net loss of $7.2 million and a net loss of $0.4 million for the comparable six month period ended March 31, 2017. A substantial portion of our historical revenue growth has resulted from acquisitions. For the year ended September 30, 2017, revenues attributable to the acquisitions we completed in 2016 and 2017 were $91.2 million, or 34.7% of our total revenues. We expect our cash needs to increase significantly for the next several years as we:

- make additional acquisitions;
- market our products and services;
- expand our client support and service operations;
- hire additional marketing, client support and administrative personnel; and
- implement new and upgraded operational and financial systems, procedures and controls.

As a result of these continuing expenses, we need to generate significant revenues to maintain profitability and positive cash flow. To date, our operations have been supported by equity and debt financings. We currently intend to use $ million of the estimated net proceeds from this offering to repay a portion of our outstanding debt. If we do not continue to increase our revenues, our business, results of operations and financial condition could be materially and adversely affected.

The payment processing industry is highly competitive. Such competition could adversely affect the fees we receive, and as a result, our margins, business, financial condition and results of operations.

The market for payment processing services is highly competitive and has relatively low barriers to entry. Other providers of payment processing services have established a sizable market share in the merchant acquiring sector and service more clients than we do. Our growth will depend, in part, on a combination of the continued growth of the electronic payment market and our ability to increase our market share.

Our payment and software solutions compete against many forms of financial services and payment systems, including electronic, mobile and integrated payment platforms as well as cash and checks. Our competitors include traditional merchant acquirers such as financial institutions, affiliates of financial institutions and well-established payment processing companies that target our existing clients and potential clients directly, including Bank of America Merchant Services, Chase Paymentech, Elavon, Inc. (a subsidiary of U.S. Bancorp), First Data Corporation, Global Payments, Inc., WorldPay, Inc. and Total Systems Services, Inc. In addition, we compete with vendors that are specifically targeting ISVs and VARs as distribution partners for their merchant acquiring services, such as Stripe, Inc., Square, Inc., PayPal Holdings, Inc., Braintree (owned by PayPal), Adyen, Ltd., and OpenEdge (a division of Global Payments).
Many of our competitors have substantially greater financial, technological, management and marketing resources than we have. Accordingly, if these competitors specifically target our business model, they may be able to offer more attractive fees or payment terms and advances to our clients and more attractive compensation to our distribution partners. They also may be able to offer and provide products and services that we do not offer. There are also a large number of small providers of processing services that provide various ranges of services to our clients and our potential clients. This competition may effectively limit the prices we can charge and requires us to control costs aggressively in order to maintain acceptable profit margins. Further, if the use of payment cards other than Visa or Mastercard grows, or if there is increased use of certain debit cards, our average profit per transaction could be reduced. Competition could also result in a loss of existing distribution partners and clients and greater difficulty attracting new distribution partners and clients. One or more of these factors could have a material adverse effect on our business, financial condition and results of operations.

To acquire and retain clients, we depend in part on distribution partners that generally do not serve us exclusively, may not aggressively market our products and services, are subject to attrition and are not under our control.

We rely heavily on the efforts of our distribution partners to market our products and services to existing clients and potential clients. Generally, our agreements with distribution partners are not exclusive and these partners retain the right to refer potential clients to other merchant acquirers. Gaining and maintaining loyalty or exclusivity may require financial concessions to maintain current distribution partners or to lure potential distribution partners from our competitors who may be offering significantly more attractive pricing terms, such as increased signing bonuses or residuals payable to our referral partners, which could have a negative impact on our results of operations. If these distribution partners switch to another merchant acquirer, focus more heavily on promoting the products and services of one or more other merchant acquirers, cease operations or become insolvent, we may no longer receive new referrals from them or receive fewer new referrals from them, and we also risk losing existing clients with whom the distribution partner has a relationship. Additionally, some of our distribution partners are subject to the requirements imposed by our bank sponsors, which may result in fines to them for non-compliance and may, in some cases, result in these entities ceasing to market our products and services. If we are unable to maintain our existing base of distribution partners or develop relationships with new distribution partners, our business, financial condition and results of operations would be materially adversely affected. Further, we may be named in legal proceedings in connection with the actions of our distribution partners where it is alleged that our distribution partners have intentionally or negligently misrepresented pricing or other contractual terms to clients or potential clients related to our operations. If these distribution partners switch to another merchant acquirer, focus more heavily on promoting the products and services of one or more other merchant acquirers, cease operations or become insolvent, we may no longer receive new referrals from them or receive fewer new referrals from them, and we also risk losing existing clients with whom the distribution partner has a relationship. Additionally, some of our distribution partners are subject to the requirements imposed by our bank sponsors, which may result in fines to them for non-compliance and may, in some cases, result in these entities ceasing to market our products and services. If we are unable to maintain our existing base of distribution partners or develop relationships with new distribution partners, our business, financial condition and results of operations would be materially adversely affected. Further, we may be named in legal proceedings in connection with the actions of our distribution partners where it is alleged that our distribution partners have intentionally or negligently misrepresented pricing or other contractual terms to clients or potential clients related to our processing solutions or related products. Our distribution partners are independent businesses and we have no control over their day-to-day business activities, including their client marketing and solicitation practices. While in some cases we may have indemnification rights against our distribution partners for these activities, there is no guarantee that we will be able to successfully enforce those indemnification rights or that our distribution partners are adequately capitalized in a manner necessary to satisfy their indemnification obligations to us. If one or more judgments or settlements in any litigation or other investigation, plus related defense and investigation costs, significantly exceed our insurance coverage and we are unable to enforce our indemnification rights against a distribution partner or partners, our business, financial condition and results of operations could materially suffer.

If we cannot keep pace with rapid developments and changes in our industry, the use of our products and services could decline, causing a reduction in our revenues.

The electronic payments market is subject to constant and significant changes. This market is characterized by rapid technological evolution, new product and service introductions, evolving industry standards, changing client needs and the entrance of non-traditional competitors, including products and services that enable card networks and banks to transact with consumers directly. To remain competitive, we continually pursue initiatives to develop new products and services to compete with these new market entrants. These projects carry risks, such as cost overruns, delays in delivery, performance problems and lack of client acceptance. In addition, new products and offerings may not perform as intended or generate the business or revenue growth expected. Additionally, we look for acquisition opportunities, investments and alliance relationships with other businesses that will increase our market penetration and enhance our technological capabilities, product offerings and distribution capabilities. Any delay in the delivery of new products and services or the failure to differentiate our products and services or to accurately predict and address market demand could render our products and services less desirable, or even obsolete, to our clients and to our distribution partners. Furthermore, even though
the market for integrated payment processing products and services is evolving, it may develop too rapidly or not rapidly enough for us to recover the costs we have incurred in developing new products and services targeted at this market. Any of the foregoing could have a material and adverse effect on our operating results and financial condition.

The continued growth and development of our payment processing activities will depend on our ability to anticipate and adapt to changes in consumer behavior. For example, consumer behavior may change regarding the use of payment card transactions, including the relative increased use of cash, crypto-currencies, other emerging or alternative payment methods and payment card systems that we or our processing partners do not adequately support or that do not provide adequate commissions to parties like us. Any failure to timely integrate emerging payment methods into our software, to anticipate consumer behavior changes or to contract with processing partners that support such emerging payment technologies could cause us to lose traction among our customers or referral sources, resulting in a corresponding loss of revenue, if those methods become popular among end-users of their services.

The products and services we deliver are designed to process complex transactions and provide reports and other information on those transactions, all at very high volumes and processing speeds. Our technology offerings must also integrate with a variety of network, hardware, mobile and software platforms and technologies, and we need to continuously modify and enhance our products and services to adapt to changes and innovation in these technologies. Any failure to deliver an effective, reliable and secure service or any performance issue that arises with a new product or service could result in significant processing or reporting errors or other losses. If we do not deliver a promised new product or service to our clients or distribution partners in a timely manner or the product or service does not perform as anticipated, our development efforts could result in increased costs and a loss in business that could reduce our earnings and cause a loss of revenue. We also rely in part on third parties, including some of our competitors and potential competitors, for the development of and access to new technologies, including software and hardware. Our future success will depend in part on our ability to develop or adapt to technological changes and evolving industry standards. If we are unable to develop, adapt to or access technological changes or evolving industry standards on a timely and cost-effective basis, our business, financial condition and results of operations would be materially adversely affected.

Unauthorized disclosure, destruction or modification of data or disruption of our services could expose us to liability, protracted and costly litigation and damage our reputation.

We are responsible both for our own business and to a significant degree for certain of our distribution partners and third-party vendors under the rules and regulations established by the payment networks, such as Visa and Mastercard, Discover and American Express, and the debit networks. We and other third parties collect, process, store and transmit sensitive data, such as names, addresses, social security numbers, credit or debit card numbers and expiration dates, drivers’ license numbers and bank account numbers, and we have ultimate liability to the payment networks and member financial institutions that register us with the payment networks for our failure, or the failure of certain distribution partners and third parties with whom we contract, to protect this data in accordance with payment network requirements. The loss, destruction or unauthorized modification of client or cardholder data could result in significant fines, sanctions and proceedings or actions against us by the payment networks, governmental bodies, consumers or others, which could have a material adverse effect on our business, financial condition and results of operations. Any such proceeding or action could damage our reputation, force us to incur significant expenses in defense of these proceedings, distract our management, increase our costs of doing business and may result in the imposition of monetary liability.

We could be subject to breaches of security by hackers. Although we proactively employ multiple measures to defend our systems against intrusions and attacks and to protect the data we collect, our measures may not prevent unauthorized access or use of sensitive data. A breach of our system or a third-party system upon which we rely may subject us to material losses or liability, including payment network fines, assessments and claims for unauthorized purchases with misappropriated credit, debit or card information, impersonation or other similar fraud claims. A misuse of such data or a cybersecurity breach could harm our reputation and deter our clients and potential clients from using electronic payments generally and our products and services specifically, thus reducing our revenue. In addition, any such misuse or breach could cause us to incur costs to correct the breaches or failures, expose us to uninsured liability, increase our risk of regulatory scrutiny, subject us to lawsuits and result in the imposition of material penalties and fines under state and federal laws or by the payment networks.
networks. While we maintain insurance coverage that may, subject to policy terms and conditions, cover certain aspects of cyber risks, such insurance coverage may be insufficient to cover all losses. A significant cybersecurity breach could also result in payment networks prohibiting us from processing transactions on their networks or the loss of our financial institution sponsorship that facilitates our participation in the payment networks, either of which could materially impede our ability to conduct business.

Although we generally require that our agreements with our distribution partners and service providers who have access to client and customer data include confidentiality obligations that restrict these parties from using or disclosing any client or customer data except as necessary to perform their services under the applicable agreements, we cannot assure you that these contractual measures will prevent the unauthorized disclosure of business or client data, nor can we be sure that such third parties would be willing or able to satisfy liabilities arising from their breach of these agreements. Any failure to adequately take these protective measures could result in protracted or costly litigation.

In addition, our agreements with our bank sponsors (as well as payment network requirements) require us to take certain protective measures to ensure the confidentiality of business and consumer data. Any failure to adequately comply with these protective measures could result in fees, penalties, litigation or termination of our bank sponsor agreements.

Any significant unauthorized disclosure of sensitive data entrusted to us would cause significant damage to our reputation, and impair our ability to attract new integrated technology and distribution partners, and may cause parties with whom we already have such agreements to terminate them.

If we fail to comply with the applicable requirements of the Visa and Mastercard payment networks, those payment networks could seek to fine us, suspend us or terminate our registrations through our bank sponsors.

We do not directly access the payment card networks, such as Visa and Mastercard, that enable our acceptance of credit cards and debit cards, including some types of prepaid cards. Accordingly, we must rely on banks or other payment processors to process transactions and must pay fees for the services. To provide our merchant acquiring services, we are registered through our bank sponsors with the Visa and Mastercard networks as service providers for member institutions. Approximately 99% of our $10.3 billion in payment volume in fiscal year 2017 was attributable to transactions processed on the Visa and Mastercard networks. As such, we, our bank sponsors and many of our clients are subject to complex and evolving payment network rules. The payment networks routinely update and modify requirements applicable to merchant acquirers, including rules regulating data integrity, third-party relationships (such as those with respect to bank sponsors and ISOs), merchant chargeback standards and Payment Card Industry Data Security Standards (PCI DSS). The rules of the card networks are set by their boards, which may be influenced by card issuers, some of which offer competing transaction processing services.

If we or our bank sponsors fail to comply with the applicable rules and requirements of the Visa or Mastercard payment networks, Visa or Mastercard could suspend or terminate our registration. Further, our transaction processing capabilities, including with respect to settlement processes, could be delayed or otherwise disrupted, and recurring non-compliance could result in the payment networks seeking to fine us, or suspend or terminate our registrations which allow us to process transactions on their networks, which would make it impossible for us to conduct our business on its current scale.

Under certain circumstances specified in the payment network rules, we may be required to submit to periodic audits, self-assessments or other assessments of our compliance with the PCI DSS. Such activities may reveal that we have failed to comply with the PCI DSS. In addition, even if we comply with the PCI DSS, there is no assurance that we will be protected from a security breach. The termination of our registration with the payment networks, or any changes in payment network or issuer rules that limit our ability to provide merchant acquiring services, could have an adverse effect on our payment processing volumes, revenues and operating costs. If we are unable to comply with the requirements applicable to our settlement activities, the payment networks may no longer allow us to provide these services, which would require us to spend additional resources to obtain settlement services from a third-party provider. In addition, if we were precluded from processing Visa and Mastercard electronic payments, we would lose substantially all of our revenues.
We are also subject to the operating rules of the National Automated Clearing House Association (“NACHA”). NACHA is a self-regulatory organization which administers and facilitates private-sector operating rules for ACH payments and defines the roles and responsibilities of financial institutions and other ACH network participants. The NACHA Rules and Operating Guidelines impose obligations on us and our partner financial institutions. These obligations include audit and oversight by the financial institutions and the imposition of mandatory corrective action, including termination, for serious violations. If an audit or self-assessment under PCI DSS or NACHA identifies any deficiencies that we need to remediate, the remediation efforts may distract our management team and be expensive and time consuming.

**If our bank sponsorships are terminated and we are not able to secure or successfully migrate client portfolios to new bank sponsors, we will not be able to conduct our business.**

If the banks that sponsor us with the Visa and Mastercard networks stop sponsoring us, we would need to find other financial institutions to provide those services, which could be difficult and expensive. If we are unable to find a replacement financial institution to provide sponsorship, we may no longer be able to provide processing services to affected clients, which would negatively impact our revenues and earnings. Furthermore, some agreements with our bank sponsors give them substantial discretion in approving certain aspects of our business practices, including our solicitation, application and qualification procedures for clients and the terms of our agreements with clients. Our bank sponsors’ discretionary actions under these agreements could have a material adverse effect on our business, financial condition, and results of operations.

We have faced, and may in the future face, significant chargeback liability if our clients refuse or cannot reimburse chargebacks resolved in favor of their customers, and may not accurately anticipate these liabilities.

We have potential liability for chargebacks associated with our clients' processing transactions. If a billing dispute between a client and a cardholder is not ultimately resolved in favor of our client, the disputed transaction is “charged back” to the client’s bank and credited to the account of the cardholder. Anytime our client is unable to satisfy a chargeback, we are responsible for that chargeback.

If we are unable to collect the chargeback from the client’s account or reserve account (if applicable), or if the client refuses or is financially unable due to bankruptcy or other reasons to reimburse us for the chargeback, we bear the loss for the amount of the refund paid to the cardholder's bank. We incurred chargeback losses of $0.2 million, or less than 0.1% of revenues, in our 2017 fiscal year and $0.3 million, or 0.1% of revenues, in our 2016 fiscal year. Any increase in chargebacks not paid by our clients could have a material adverse effect on our business, financial condition and results of operations.

We are potentially liable for losses caused by fraudulent credit card transactions. Card fraud occurs when a client's customer uses a stolen card (or a stolen card number in a card-not-present transaction) to purchase merchandise or services. In a traditional card-present transaction, if the client swipes the card, receives authorization for the transaction from the card issuing bank and verifies the signature on the back of the card against the paper receipt signed by the customer, the card issuing bank remains liable for any loss. In a fraudulent card-not-present transaction, even if the client receives authorization for the transaction, the client is liable for any loss arising from the transaction. Many of the SMB clients that we serve are small and transact a substantial percentage of their sales over the Internet or in response to telephone or mail orders. Because their sales are card-not-present transactions, these clients are more vulnerable to customer fraud than larger clients. Because we target these SMB clients, we experience chargebacks arising from cardholder fraud more frequently than providers of payment processing services that service larger businesses and organizations.

Business fraud occurs when a business or organization, rather than a cardholder, knowingly uses a stolen or counterfeit card or card number to record a false sales transaction, or intentionally fails to deliver the merchandise or services sold in an otherwise valid transaction. Business fraud also occurs when employees of businesses change the business demand deposit accounts to their personal bank account numbers, so that payments are improperly credited to the employee’s personal account. We have established systems and procedures to detect and reduce the impact of business fraud, but we cannot assure you that these measures are or will be effective. Incidents of fraud could increase in the future. Failure to effectively manage risk and prevent fraud could increase our chargeback liability and other liability.
On occasion, we experience increases in interchange and sponsorship fees; if we cannot pass these increases along to our clients, our profit margins will be reduced.

We pay interchange fees or assessments to issuing banks through the card associations for each transaction that is processed using their credit and debit cards. From time to time, the card associations increase the interchange fees that they charge processors and the sponsoring banks. At their sole discretion, our sponsoring banks have the right to pass any increases in interchange fees on to us. In addition, our sponsoring banks may seek to increase their sponsorship fees to us, all of which are based upon the dollar amount of the payment transactions we process. If we are not able to pass these fee increases along to clients through corresponding increases in our processing fees, our profit margins will be reduced.

Our systems and our third-party providers' systems may fail or our third-party providers may discontinue providing their services or technology generally or to us specifically, which in either case could interrupt our business, cause us to lose business and increase our costs.

We rely on third parties for specific services, software and hardware used in providing our products and services. Some of these organizations and service providers are our competitors or provide similar services and technology to our competitors, and we may not have long-term contracts with them. If these contracts are canceled or we are unable to renew them on commercially reasonable terms, or at all, our business, financial condition and results of operation could be adversely impacted. The termination by our service or technology providers of their arrangements with us or their failure to perform their services efficiently and effectively may adversely affect our relationships with our clients and, if we cannot find alternate providers quickly, may cause those clients to terminate their processing agreements with us.

We also rely in part on third parties for the development and access to new technologies, or for updates to existing products and services for which they provide ongoing support. Failure by these third-party providers to devote an appropriate level of attention to our products and services could result in delays in introducing new products or services, or delays in resolving any issues with existing products or services for which third-party providers provide ongoing support.

Our systems and operations or those of our third-party technology vendors could be exposed to damage or interruption from, among other things, fire, natural disaster, power loss, telecommunications failure, unauthorized entry, computer viruses, denial-of-service attacks, acts of terrorism, human error, vandalism or sabotage, financial insolvency and similar events. Our property and business interruption insurance may not be adequate to compensate us for all losses or failures that may occur. Likewise, while we have disaster recovery policies and arrangements in place, they have not been tested under actual disasters or similar events. Defects in our systems or those of third parties, errors or delays in the processing of payment transactions, telecommunications failures or other difficulties could result in:

- loss of revenues;
- loss of clients;
- loss of client and cardholder data;
- fines imposed by payment networks;
- harm to our business or reputation resulting from negative publicity;
- exposure to fraud losses or other liabilities;
- additional operating and development costs; or
- diversion of management, technical and other resources, among other consequences.

We are subject to economic and political risk, the business cycles of our clients and distribution partners and the overall level of consumer and commercial spending, which could negatively impact our business, financial condition and results of operations.

The electronic payment industry depends heavily on the overall level of consumer and commercial spending. We are exposed to general economic conditions that affect consumer confidence, consumer spending, consumer discretionary income and changes in consumer purchasing habits. A sustained deterioration in general economic conditions, particularly in the United States, or increases in interest rates, could adversely affect our financial
performance by reducing the number or aggregate volume of transactions made using electronic payments. A reduction in the amount of consumer or commercial spending could result in a decrease in our revenue and profits. If our clients make fewer purchases or sales of products and services using electronic payments, or consumers spend less money through electronic payments, we will have fewer transactions to process at lower dollar amounts, resulting in lower revenue.

A weakening in the economy could have a negative impact on our clients, as well as their customers who purchase products and services using the payment processing systems to which we provide access, which could, in turn, negatively affect our business, financial condition and results of operations. In addition, a weakening in the economy could force SMBs to close at higher than historical rates in part because many of them are not as well capitalized as larger organizations, which could expose us to potential credit losses and future transaction declines. Further, credit card issuers may reduce credit limits and become more selective in their card issuance practices. We also have a certain amount of fixed and semi-fixed costs, including rent, debt service and salaries, which could limit our ability to quickly adjust costs and respond to changes in our business and the economy.

A decline in the use of cards and ACH as payment mechanisms for consumers and businesses or adverse developments in the electronic payment industry in general could adversely affect our business, financial condition and operating results.

If consumers and businesses do not continue to use cards or ACH as payment mechanisms for their transactions or if the mix of payments among the types of cards and ACH changes in a way that is adverse to us, it could have a material adverse effect on our business, financial condition and results of operations. Regulatory changes may also result in our clients seeking to charge their customers additional fees for use of credit or debit cards. Additionally, in recent years, increased incidents of security breaches have caused some consumers to lose confidence in the ability of businesses to protect their information, causing certain consumers to discontinue use of electronic payment methods. Security breaches could result in financial institutions canceling large numbers of credit and debit cards, or consumers or businesses electing to cancel their cards following such an incident.

We may not be able to continue to expand our share of our existing vertical markets or expand into new vertical markets, which would inhibit our ability to grow and increase our profitability.

Our future growth and profitability depend, in part, upon our continued expansion within the vertical markets in which we currently operate, the emergence of other vertical markets for electronic payments and our integrated solutions, and our ability to penetrate new vertical markets and our current distribution partners’ customer base. As part of our strategy to expand into new vertical markets, we look for acquisition opportunities and partnerships with other businesses that will allow us to increase our market penetration, technological capabilities, product offerings and distribution capabilities. We may not be able to successfully identify suitable acquisition or partnership candidates in the future, and if we do, they may not provide us with the benefits we anticipated.

Our expansion into new vertical markets also depends upon our ability to adapt our existing technology or to develop new technologies to meet the particular needs of each new vertical market. We may not have adequate financial or technological resources to develop effective and secure services or distribution channels that will satisfy the demands of these new vertical markets. Penetrating these new vertical markets may also prove to be more challenging or costly or take longer than we may anticipate. If we fail to expand into new vertical markets and increase our penetration into existing vertical markets, we may not be able to continue to grow our revenues and earnings.

We may not be able to successfully execute our strategy of growth through acquisitions.

A significant part of our growth strategy is to enter into new vertical markets through platform acquisitions of vertically-focused integrated payment and software solutions providers and to expand within our existing vertical markets through selective tuck-in acquisitions. Since our formation in 2012, we have completed a total of nine platform and twelve tuck-in acquisitions that enabled us to enter new, or expand within existing, vertical markets.
Although we expect to continue to execute our acquisition strategy:

- we may not be able to identify suitable acquisition candidates or acquire additional assets on favorable terms;
- we may compete with others to acquire assets, which competition may increase, and any level of competition could result in decreased availability or increased prices for acquisition candidates;
- we may compete with others for select acquisitions and our competition may consist of larger, better-funded organizations with more resources and easier access to capital;
- we may experience difficulty in anticipating the timing and availability of acquisition candidates;
- we may not be able to obtain the necessary financing, on favorable terms or at all, to finance any of our potential acquisitions; and
- we may not be able to generate cash necessary to execute our acquisition strategy.

The occurrence of any of these factors could adversely affect our growth strategy.

Revenues and profits generated via acquisition may be less than anticipated and we may fail to uncover all liabilities of acquisition targets through the due diligence process prior to an acquisition, resulting in unanticipated costs, losses or a decline in profits, as well as potential impairment charges.

In evaluating and determining the purchase price for a prospective acquisition, we estimate the future revenues and profits from that acquisition based largely on historical financial performance. Following an acquisition, we may experience some attrition in the number of clients serviced by an acquired provider of payment processing services or included in an acquired portfolio of merchant accounts. Should the rate of post-acquisition client attrition exceed the rate we forecasted, the revenues and profits from the acquisition may be less than we estimated, which could result in losses or a decline in profits, as well as potential impairment charges.

We perform a due diligence review of each of our acquisition partners. This due diligence review, however, may not adequately uncover all of the contingent or undisclosed liabilities we may incur as a consequence of the proposed acquisition, exposing us to potentially significant, unanticipated costs, as well as potential impairment charges.

We may encounter delays, operational difficulties and non-recurring costs in completing the necessary transfer of data processing functions and connecting systems links required by an acquisition, resulting in increased costs for, and a delay in the realization of revenues from, that acquisition.

The acquisition of a provider of payment processing services, as well as a portfolio of merchant accounts, requires the transfer of various data processing functions and connecting links to our systems and those of our third-party service providers. If the transfer of these functions and links does not occur rapidly and smoothly, payment processing delays and errors may occur, resulting in a loss of revenues, increased client attrition and increased expenditures to correct the transitional problems, which could preclude our attainment of, or reduce, our anticipated revenue and profits.

In connection with some acquisitions, we may incur non-recurring severance expenses, restructuring charges or change of control payments. These expenses, charges or payments, as well as the initial costs of integrating the personnel and facilities of an acquired business with those of our existing operations, may adversely affect our operating results during the initial financial periods following an acquisition. In addition, the integration of newly acquired companies may lead to diversion of management attention from other ongoing business concerns.

A decrease in the quality of the products and services we offer, including support services, could adversely impact our ability to attract and retain clients and distribution partners.

Our clients expect a consistent level of quality in the provision of our products and services. The support services that we provide are also a key element of the value proposition to our clients. If the reliability or functionality of our products and services is compromised or the quality of those products or services is otherwise
Changes in tax laws or their interpretations, or becoming subject to additional U.S., state or local taxes that cannot be passed through to our clients, could negatively affect our business, financial condition and results of operations.

We are subject to extensive tax liabilities, including federal and state and transactional taxes such as excise, sales/use, payroll, franchise, withholding, and ad valorem taxes. Changes in tax laws or their interpretations could decrease the amount of revenues we receive, the value of any tax loss carryforwards and tax credits recorded on our balance sheet and the amount of our cash flow, and have a material adverse impact on our business, financial condition and results of operations. Some of our tax liabilities are subject to periodic audits by the respective taxing authority which could increase our tax liabilities. Furthermore, companies in the payment processing industry, including us, may become subject to incremental taxation in various tax jurisdictions. Taxing jurisdictions have not yet adopted uniform positions on this topic. If we are required to pay additional taxes and are unable to pass the tax expense through to our clients, our costs would increase and our net income would be reduced, which could have a material adverse effect on our business, financial condition and results of operations.

On December 22, 2017, President Trump signed into law H.R. 1, originally known as the “Tax Cuts and Jobs Act,” which includes significant changes to the taxation of business entities. These changes include, among others, a reduction in the corporate income tax rate. We continue to examine the impact this tax reform legislation may have on our business. Notwithstanding the reduction in the corporate income tax rate, the overall impact of this tax reform is uncertain, and our business and financial condition could be adversely affected. This prospectus does not discuss such tax legislation or the manner in which it might affect purchasers of our common stock. We urge our stockholders, including purchasers of Class A common stock in this offering, to consult with their legal and tax advisors with respect to any such legislation and the potential tax consequences of investing in our common stock.

Many of our clients are SMBs, which can be more difficult and costly to retain than larger enterprises and may increase the effect of economic fluctuations on us.

Many of our clients are SMBs. To continue to grow our revenue, we must add new SMB clients, sell additional products and services to existing SMB clients and encourage existing SMB clients to continue doing business with us. However, retaining SMB clients can be more difficult than retaining large enterprises because SMBs often have higher rates of business failures and more limited resources and are typically less able to make technology-related decisions based on factors other than price.

SMBs are typically more susceptible to the adverse effects of economic fluctuations. Adverse changes in the economic environment or business failures of our SMB clients may have a greater impact on us than on our competitors who do not focus on SMBs to the extent that we do. As a result, we may need to onboard new clients at an accelerated rate or decrease our expenses to reduce negative impacts on our business, financial condition and results of operations.

We may not be able to successfully manage our intellectual property.

Our intellectual property is critical to our future success, particularly in our strategic verticals where we may offer proprietary software solutions to our clients. We rely on a combination of contractual license rights and copyright, trademark and trade secret laws to establish and protect our proprietary technology. Third parties may challenge, invalidate, circumvent, infringe or misappropriate our intellectual property or the intellectual property of our third party licensors, or such intellectual property may not be sufficient to permit us to take advantage of current market trends or otherwise to provide competitive advantages, which could result in costly redesign efforts, discontinuance of certain service offerings or other competitive harm. Others, including our competitors, may independently develop similar technology, duplicate our products and services, design around or reverse engineer our intellectual property, and in such cases neither we nor our third-party licensors may be able to assert intellectual property rights against such parties. Further, our contractual license arrangements may be subject to termination or renegotiation with unfavorable terms to us, and our third-party licensors may be subject to bankruptcy, insolvency and other adverse business dynamics, any of which might affect our ability to use and
exploit the products licensed to us by these third-party licensors. We may have to litigate to enforce or determine the scope and enforceability of our intellectual property rights (including litigation against our third-party licensors), which is expensive, could cause a diversion of resources and may not prove successful. The loss of intellectual property protection or the inability to obtain third-party intellectual property could harm our business and ability to compete.

We may be subject to infringement claims.

We may be subject to costly litigation if our products or services are alleged to infringe upon or otherwise violate a third party's proprietary rights. Third parties may have, or may eventually be issued, patents that could be infringed by our products and services. Any of these third parties could make a claim of infringement against us with respect to our products and services. We may also be subject to claims by third parties for patent infringement, breach of copyright, trademark, license usage or other intellectual property rights. Any claim from third parties may result in a limitation on our ability to use the intellectual property subject to these claims. Additionally, in recent years, individuals and groups have been purchasing intellectual property assets for the sole purpose of making claims of infringement and attempting to extract settlements from companies like ours. Even if we believe that intellectual property related claims are without merit, defending against such claims is time consuming and expensive and could result in the diversion of the time and attention of our management and employees. Claims of intellectual property infringement also might require us to redesign affected products or services, enter into costly settlement or license agreements, pay costly damage awards for which we may not have insurance, or face a temporary or permanent injunction prohibiting us from marketing or selling certain of our products or services. Even if we have an agreement for indemnification against such costs, the indemnifying party, if any in such circumstances, may be unable to uphold its contractual obligations. If we cannot or do not license the infringed technology on reasonable terms or substitute similar technology from another source, our revenue and earnings could be adversely affected.

If we lose key personnel, or if their reputations are damaged, our business, financial condition and results of operations may be adversely affected, and proprietary information of our company could be shared with our competitors.

We depend on the ability and experience of a number of our key personnel, particularly Messrs. Daily, Whitson, Stanford and Bertke, who have substantial experience with our operations, the rapidly changing payment processing industry and the vertical markets in which we offer our products and services. Many of our key personnel have worked for us for a significant amount of time or were recruited by us specifically due to their experience. Our success depends in part upon the reputation and influence within the industry of our senior managers who have, over the years, developed long standing and favorable relationships with our vendors, card associations, bank sponsors and other payment processing and service providers. For example, Mr. Daily filed for personal bankruptcy protection under Chapter 11 in 2009. While Mr. Daily’s bankruptcy has been closed and a final decree was issued in 2011, there can be no assurance that unfavorable publicity arising from it will not have an adverse effect on our business. See “Management—Certain Legal Proceedings.” It is possible that the loss of the services of one or a combination of our senior executives or key managers could have a material adverse effect on our business, financial condition and results of operations. In addition, contractual obligations related to confidentiality and assignment of intellectual property rights may be ineffective or unenforceable, and departing employees may share our proprietary information with competitors in ways that could adversely impact us.

In a dynamic industry like ours, our success and growth depend on our ability to attract, recruit, retain and develop qualified employees.

Our business functions at the intersection of rapidly changing technological, social, economic and regulatory developments that require a wide-ranging set of expertise and intellectual capital. For us to continue to successfully compete and grow, we must attract, recruit, develop and retain the necessary personnel who can provide the needed expertise across the entire spectrum of our intellectual capital needs. While we have a number of key personnel who have substantial experience with our operations, we must also develop our personnel to provide succession plans capable of maintaining continuity in the midst of the inevitable unpredictability of human capital. The market for qualified personnel is competitive, and we may not succeed in recruiting additional personnel or may fail to effectively replace current personnel who depart with qualified or effective successors. Our effort to retain and develop personnel may also result in significant additional expenses,
which could adversely affect our profitability. We can make no assurances that qualified employees will continue to be employed or that we will be able to attract and retain qualified personnel in the future. Failure to retain or attract key personnel could have a material adverse effect on our business, financial condition and results of operations.

**Our operating results and operating metrics are subject to seasonality and volatility, which could result in fluctuations in our quarterly revenues and operating results or in perceptions of our business prospects.**

We have experienced in the past, and expect to continue to experience, seasonal fluctuations in our revenues as a result of consumer spending patterns. Historically our revenues have been strongest in our first, third and fourth fiscal quarters and weakest in our second fiscal quarter. This is due to the increase in the number and amount of electronic payment transactions related to seasonal retail events, such as holiday and vacation spending. The number of business days in a month or quarter also may affect seasonal fluctuations. We also experience volatility in certain other metrics, such as clients, transactions and dollar volume. Volatility in our key operating metrics or their rates of growth could have a negative impact on our financial results and investor perceptions of our business prospects.

**We are a decentralized company, which presents certain risks, including the risk that we may be slower or less able to identify or react to problems affecting a key business than we would in a more centralized environment, which could materially and adversely affect our business, financial condition and results of operations.**

We are a decentralized company. While we believe this structure has catalyzed our growth and enabled us to remain responsive to opportunities and to our clients' needs, it necessarily places significant control and decision-making powers in the hands of local management. This presents various risks, including the risk that we may be slower or less able to identify or react to problems affecting a key business than we would in a more centralized environment. In addition, it means that we may be slower to detect compliance related problems and that "company-wide" business initiatives, such as the integration of disparate information technology systems, are often more challenging and costly to implement, and their risk of failure higher, than they would be in a more centralized environment. Depending on the nature of the problem or initiative in question, such failure could materially and adversely affect our business, financial condition or results of operations.

**We are the subject of various claims and legal proceedings and may become the subject of claims, litigation or investigations which could have a material adverse effect on our business, financial condition or results of operations.**

In the ordinary course of business, we are the subject of various claims and legal proceedings and may become the subject of claims, litigation or investigations, including commercial disputes and employee claims, such as claims of age discrimination, sexual harassment, gender discrimination, immigration violations or other local, state and federal labor law violations, and from time to time may be involved in governmental or regulatory investigations or similar matters arising out of our current or future business. Any claims asserted against us or our management, regardless of merit or eventual outcome, could harm our reputation or the reputation of our management and have an adverse impact on our relationship with our clients, distribution partners and other third parties and could lead to additional related claims. In light of the potential cost and uncertainty involved in litigation, we have in the past and may in the future settle matters even when we believe we have a meritorious defense. Certain claims may seek injunctive relief, which could disrupt the ordinary conduct of our business and operations or increase our cost of doing business. Our insurance or indemnities may not cover all claims that may be asserted against us. Furthermore, there is no guarantee that we will be successful in defending ourselves in pending or future litigation or similar matters under various laws. Any judgments or settlements in any pending litigation or future claims, litigation or investigation could have a material adverse effect on our business, financial condition and results of operations.
Risks Related to Regulation

We are subject to extensive government regulation, and any new laws and regulations, industry standards or revisions made to existing laws, regulations or industry standards affecting the electronic payments industry, or our actual or perceived failure to comply with such obligations, may have an unfavorable impact on our business, financial condition and results of operations.

We are subject to numerous federal and state regulations that affect the electronic payments industry. Regulation of our industry has increased significantly in recent years and is constantly evolving. Changes to statutes, regulations or industry standards, including interpretation and implementation of statutes, regulations or standards, could increase our cost of doing business or affect the competitive balance. We are also subject to U.S. financial services regulations, numerous consumer protection laws, escheat regulations and privacy and information security regulations, among other laws, rules and regulations. Failure to comply with regulations may have an adverse effect on our business, including the limitation, suspension or termination of services provided to, or by, third parties, and the imposition of penalties or fines. To the extent these regulations negatively impact the business, operations or financial condition of our clients, our business and results of operations could be materially and adversely affected because, among other matters, our clients could have less capacity to purchase products and services from us, could decide to avoid or abandon certain lines of business, or could seek to pass on increased costs to us by negotiating price reductions. We could be required to invest a significant amount of time and resources to comply with additional regulations or oversight or to modify the manner in which we contract with or provide products and services to our clients; and those regulations could directly or indirectly limit how much we can charge for our services. We may not be able to update our existing products and services, or develop new ones, to satisfy our clients' needs. Any of these events, if realized, could have a material adverse effect on our business, results of operations and financial condition.

These and other laws and regulations, even if not directed at us, may require us to make significant efforts to change our products and services and may require that we incur additional compliance costs and change how we price our products and services to our clients and distribution partners. Implementing new compliance efforts is difficult because of the complexity of new regulatory requirements, and we are devoting and will continue to devote significant resources to ensure compliance. Furthermore, regulatory actions may cause changes in business practices by us and other industry participants which could affect how we market, price and distribute our products and services, and which could materially adversely affect our business, financial condition and results of operations. In addition, even an inadvertent failure to comply with laws and regulations, as well as rapidly evolving social expectations of corporate fairness, could damage our business or our reputation.

Compliance with the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) and other federal and state regulations may increase our compliance costs, limit our revenues and otherwise negatively affect our business.

Since the enactment of the Dodd-Frank Act, there have been substantial reforms to the supervision and operation of the financial services industry, including numerous new regulations that have imposed compliance costs and, in some cases, limited revenue sources for us and our financial institution partners and clients. Among other things, the Dodd-Frank Act established the Consumer Financial Protection Bureau (the “CFPB”), which is empowered to conduct rule-making and supervision related to, and enforcement of, federal consumer financial protection laws. The CFPB has issued guidance that applies to “supervised service providers,” which the CFPB has defined to include service providers, like us, to CFPB supervised banks and nonbanks. In addition, federal and state agencies have recently proposed or enacted cybersecurity regulations, such as the Cybersecurity Requirements for Financial Services Companies issued by the New York State Department of Financial Services and the Advance Notice of Proposed Rulemaking on Enhanced Cyber Risk Management Standards issued by The Board of Governors of the Federal Reserve System, the Office of the Comptroller of the Currency and the Federal Deposit Insurance Corporation in October 2016. Such cybersecurity regulations are applicable to large bank holding companies and their subsidiaries, as well as to service providers to those organizations. Any new rules and regulations implemented by the CFPB, state or other authorities or in connection with the Dodd-Frank Act could, among other things, slow our ability to adapt to a rapidly changing industry, require us to make significant additional investments to comply with them, redirect time and resources to compliance obligations, modify our products or services or the manner in which they are provided, or limit or change the amount or types of revenue we are able to generate.
Interchange fees, which the payment processor typically pays to the card issuer in connection with credit and debit card transactions, are subject to increasingly intense legal, regulatory and legislative scrutiny. In particular, the Dodd-Frank Act regulates and limits debit card fees charged by certain card issuers, allowing businesses and organizations to set minimum dollar amounts for the acceptance of credit cards. Specifically, under the so-called “Durbin Amendment” to the Dodd-Frank Act, the interchange fees that certain issuers charge businesses and organizations for debit transactions are regulated by the Federal Reserve and must be “reasonable and proportional” to the cost incurred by the issuer in authorizing, clearing and settling the transactions. Rules released by the Federal Reserve in July 2011 to implement the Durbin Amendment mandate a cap on debit transaction interchange fees for card issuers with assets of $10 billion or greater. Since October 2011, a payment network may not prohibit a card issuer from contracting with any other payment network for the processing of electronic debit transactions involving the card issuer’s debit cards, and card issuers and payment networks may not inhibit the ability of businesses and organizations to direct the routing of debit card transactions over any payment networks that can process the transactions.

Rules implementing the Dodd-Frank Act also contain certain prohibitions on payment network exclusivity and merchant routing restrictions. These restrictions could negatively affect the number of debit transactions, and prices charged per transaction, which would negatively affect our business.

If we violate the Family Educational Rights and Privacy Act (“FERPA”) and the Protection of Pupil Rights Amendment (“PPRA”), it could result in a material breach of contract with one or more of our clients in our education vertical and could harm our reputation. Further, if we disclose student information in violation of FERPA or PPRA, our access to student information could be suspended.

Our systems and solutions must also comply, in certain circumstances, with FERPA and PPRA, as well as rapidly emerging state student data privacy laws that require schools to protect student data and to adopt privacy policies which can significantly vary from one state to another. FERPA generally prohibits an educational institution from disclosing personally identifiable information from a student's education records without the parent's consent unless certain statutory exceptions apply. Our school clients and their students disclose to us, and we may store, certain information that originates from or comprises a student education record under FERPA. PPRA puts limits on “survey, analysis or evaluations” that may come into play when schools employ internet-based educational services. Schools are required to develop policies that address, among other things, the collection, disclosure or use of personal information collected from students for the purpose of marketing or selling that information, and can place restrictions on third parties’ use of that data. As an entity that provides services to educational institutions, we are indirectly subject to FERPA’s and PPRA’s privacy requirements, and we may not transfer or otherwise disclose or use any personally identifiable information from a student record to another party other than on a basis and in a manner permitted under the statutes. If we violate FERPA or PPRA, it could result in a material breach of contract with one or more of our clients and could harm our reputation. Further, if we disclose student information in violation of FERPA or PPRA, our access to student information could be suspended.

We must comply with laws and regulations prohibiting unfair or deceptive acts or practices, and any failure to do so could materially and adversely affect our business.

We and many of our clients are subject to Section 5 of the Federal Trade Commission Act prohibiting unfair or deceptive acts or practices. In addition, provisions of the Dodd-Frank Act that prohibit unfair, deceptive or abusive acts or practices (“UDAAP”), the Telemarketing Sales Act and other laws, rules and or regulations, may directly impact the activities of certain of our clients, and in some cases may subject us, as the electronic payment processor or provider of certain services, to investigations, fees, fines and disgorgement of funds if we were deemed to have improperly aided and abetted or otherwise provided the means and instrumentalities to facilitate the illegal or improper activities of the client through our services. Various federal and state regulatory enforcement agencies including the Federal Trade Commission and state attorneys general have authority to take action against non-banks that engage in unfair or deceptive acts or practices or UDAAP, or violate other laws, rules and regulations. To the extent we are processing payments or providing products and services for a client that may be in violation of laws, rules and regulations, we may be subject to enforcement actions and as a result may incur losses and liabilities that may adversely affect our business.
Numerous other federal laws affect our business, and any failure to comply with those laws could harm our business.

Our PayFac solutions present certain regulatory challenges, principally those relating to money transmitter issues. To address these challenges we, along with our third-party service providers, use structural arrangements designed to prevent us from receiving or controlling our client's funds and therefore remove our activities from the scope of money transmitter regulation. There can be no assurance that these structural arrangements will remain effective as money transmitter laws continue to evolve or that the applicable regulatory bodies, particularly state agencies, will view our PayFac activities as compliant.

Our business may also be subject to the Fair Credit Reporting Act (the "FCRA"), which regulates the use and reporting of consumer credit information and also imposes disclosure requirements on entities that take adverse action based on information obtained from credit reporting agencies. We could be liable if our practices under the FCRA do not comply with the FCRA or regulations under it.

The Housing Assistance Tax Act of 2008 included an amendment to the Internal Revenue Code of 1986, as amended, or the "Code," that requires information returns to be made for each calendar year by payment processing entities and third-party settlement organizations with respect to payments made in settlement of electronic payment transactions and third-party payment network transactions occurring in that calendar year. Reportable transactions are also subject to backup withholding requirements. We could be liable for penalties if our information returns are not in compliance with these regulations.

Our solutions may be required to conform, in certain circumstances, to requirements set forth in the Health Insurance Portability and Accountability Act of 1996, which governs the privacy and security of "protected health information."

Depending on how our products and services evolve, we may be subject to a variety of additional laws and regulations, including those governing money transmission, gift cards and other prepaid access instruments, electronic funds transfers, anti-money laundering, counter-terrorist financing, restrictions on foreign assets, gambling, banking and lending, U.S. Safe Harbor regulations, and import and export restrictions. Additionally, we are contractually required to comply with certain anti-money laundering regulations in connection with our payment processing activities. These regulations are generally governed by the Financial Crimes Enforcement Network of the U.S. Department of the Treasury ("FinCEN") and the Office of Foreign Assets Control ("OFAC"). Our efforts to comply with these laws and regulations could be costly and result in diversion of management time and effort and may still not guarantee compliance. Regulators continue to increase their scrutiny of compliance with these obligations, which may require us to further revise or expand our compliance program, including the procedures we use to verify the identity of our clients and our clients' customers, and to monitor transactions. If we are found to be in violation of any such legal or regulatory requirements, we may be subject to monetary fines or other penalties such as a cease and desist order, or we may be required to make product changes, any of which could have an adverse effect on our business and financial results.

Governmental regulations designed to protect or limit access to or use of consumer information could adversely affect our ability to effectively provide our products and services.

In addition to those regulations discussed previously that are imposed by the card networks and NACHA, governmental bodies in the United States have adopted, or are considering the adoption of, laws and regulations restricting the use, collection, storage, transfer and disposal of, and requiring safeguarding of, non-public personal information. Our operations are subject to certain provisions of these laws. Relevant federal privacy laws include, in addition to FERPA and PPRA described above, the Gramm-Leach-Bliley Act of 1999, which applies directly to a broad range of financial institutions and indirectly, or in some instances directly, to companies that provide services to financial institutions. The U.S. Children's Online Privacy Protection Act (COPPA) also regulates the collection of information by operators of websites and other electronic solutions that are directed to children under 13 years of age. These laws and regulations restrict the collection, processing, storage, use and disclosure of personal information, require notice to individuals of privacy practices and provide individuals with certain rights to prevent the use and disclosure of protected information. These laws also impose requirements for safeguarding and proper destruction of personal information through the issuance of data security standards or guidelines. In addition, there are state laws restricting the ability to collect and utilize certain types of information such as Social...
Security and driver’s license numbers. Certain state laws impose similar privacy obligations as well as obligations to provide notification of security breaches of computer databases that contain personal information to affected individuals, state officers and consumer reporting agencies and businesses and governmental agencies that own data.

In connection with providing products and services to our clients, we are required by regulations and by our contracts with them and with our financial institution distribution partners to provide assurances regarding the confidentiality and security of non-public consumer information. These contracts may require periodic audits by independent companies regarding our compliance with applicable standards. The compliance standards relate to the security of our infrastructure, and include components and operational procedures designed to safeguard the confidentiality and security of individuals’ non-public personal information that our clients share with us. Our ability to maintain compliance with these standards and satisfy these audits will affect our ability to attract, grow and maintain business in the future. If we fail to comply with the laws and regulations relating to data privacy and information security, we could be exposed to suits for breach of contract or to regulatory enforcement proceedings. In addition, our relationships and reputation could be harmed, which could inhibit our ability to retain existing clients and distribution partners and obtain new clients and distribution partners.

If more restrictive privacy laws or rules are adopted by authorities in the future on the federal or state level, our compliance costs may increase and our ability to perform due diligence on, and monitor the risk of, our current and potential clients may decrease, which could create liability for us. Additionally, if we suffer compliance failures or a data breach, or any similar event causing reputational harm, our opportunities for growth may be curtailed, and our potential liability for security breaches may increase, all of which could have a material adverse effect on our business, financial condition and results of operations.

Risks Related to Our Indebtedness

Our indebtedness could adversely affect our financial health and competitive position.

As of , 2018, as adjusted to reflect the application of the proceeds from this offering, we had $ million of indebtedness outstanding under our Senior Secured Credit Facility, consisting of $ million outstanding under our term loan and $ million outstanding under our revolving loan, of which approximately $ million bears interest at a floating rate. Although we may enter into interest rate swap agreements in the future, we and our subsidiaries are exposed to interest rate increases on the floating portion of our Senior Secured Credit Facility that are not covered by interest rate swaps. See “Management's Discussion and Analysis of Financial Condition and Results of Operations—Quantitative and Qualitative Disclosure About Market Risk.”

To service this debt and any additional debt we may incur in the future, we need to generate cash. Our ability to generate cash is subject, to a certain extent, to our ability to successfully execute our business strategy, including acquisition activity, as well as general economic, financial, competitive, regulatory and other factors beyond our control. We cannot assure you that our business will be able to generate sufficient cash flow from operations or that future borrowings or other financing will be available to us in an amount sufficient to enable us to service our debt and fund our other liquidity needs. To the extent we are required to use our cash flow from operations or the proceeds of any future financing to service our debt instead of funding working capital, capital expenditures, acquisition activity or other general corporate purposes, we will be less able to plan for, or react to, changes in our business, industry and in the economy generally. This will place us at a competitive disadvantage compared to our competitors that have less debt. We cannot assure you that we will be able to refinance any of our debt on commercially reasonable terms or at all, or that the terms of that debt will allow any of the above alternative measures or that these measures would satisfy our scheduled debt service obligations. If we are unable to generate sufficient cash flow to repay or refinance our debt on favorable terms, it could significantly adversely affect our financial condition and the value of our outstanding debt. Our ability to restructure or refinance our debt will depend on the condition of the capital markets and our financial condition. Any refinancing of our debt could be at higher interest rates and may require us to comply with more onerous covenants, which could further restrict our business operations.
In addition, the credit agreement governing our Senior Secured Credit Facility contains, and any agreements evidencing or governing other future debt may contain, certain restrictive covenants that limit our ability, among other things, to engage in certain activities that are in our long-term best interests, including our ability to:

- incur liens on property, assets or revenues;
- incur or guarantee additional debt or amend our debt and other material agreements;
- declare or make distributions and redeem or repurchase equity interests or issue preferred stock;
- prepay, redeem or repurchase debt;
- make loans and investments;
- enter into any sale-and-leaseback of property;
- engage in certain business activities; and
- engage in mergers and asset sales.

The restrictive covenants in the credit agreement governing our Senior Secured Credit Facility also require us to maintain specified financial ratios. See “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources—Senior Secured Credit Facility.” While we have not previously breached and are not in breach of any of these covenants, there can be no guarantee that we will not breach these covenants in the future. Our ability to comply with these covenants and restrictions may be affected by events and factors beyond our control. Our failure to comply with any of these covenants or restrictions could result in an event of default under our Senior Secured Credit Facility. An event of default would permit the lending banks under the facility to take certain actions, including terminating all outstanding commitments and declaring all amounts outstanding under our credit facility to be immediately due and payable, including all outstanding borrowings, accrued and unpaid interest thereon, and all other amounts owing or payable with respect to such borrowings and any terminated commitments. In addition, the lenders would have the right to proceed against the collateral we granted to them, which includes substantially all of our assets.

We may not be able to secure additional financing on favorable terms, or at all, to meet our future capital needs.

In the future, we may require additional capital to respond to business opportunities, challenges, acquisitions or unforeseen circumstances, and may determine to engage in equity or debt financings or enter into credit facilities or refinance existing debt for other reasons. We may not be able to timely secure additional debt or equity financing on favorable terms, or at all. As discussed above, the credit agreement governing our Senior Secured Credit Facility contains restrictive covenants that limit our ability to incur additional debt and engage in other capital-raising activities. Any debt financing we obtain in the future could involve covenants that further restrict our capital raising activities and other financial and operational matters, which may make it more difficult for us to operate our business, obtain additional capital and pursue business opportunities, including potential acquisitions. Furthermore, if we raise additional funds by issuing equity or convertible debt or other equity-linked securities, our existing stockholders could suffer significant dilution. If we are unable to obtain adequate financing or financing on terms satisfactory to us, when we require it, our ability to continue to grow or support our business and to respond to business challenges could be significantly limited.

Disruptions in the financial and credit markets may materially and adversely impact consumer spending patterns and affect the availability and cost of credit.

Our ability to make scheduled payments or to refinance our debt and to obtain financing for acquisitions or other general corporate and commercial purposes will depend on our operating and financial performance, which in turn is subject to prevailing economic conditions and to financial, business and other factors beyond our control, including global credit markets and the financial services industry. These factors may adversely impact the availability of credit already arranged, and the availability and cost of credit in the future. There can be no assurance that we will be able to arrange credit on terms we believe are acceptable or that permit us to finance our business with historical margins.
Despite our current level of debt, we may be able to incur more debt, including secured debt, and undertake additional financial obligations. Incurring such debt or undertaking such additional financial obligations could further exacerbate the risk our indebtedness poses to our financial condition.

We may be able to incur significant additional debt, including secured debt, in the future. Although the credit agreement governing our Senior Secured Credit Facility restricts our ability to incur additional debt, these restrictions are subject to a number of significant qualifications and exceptions, and debt we incur in compliance with these restrictions could be substantial. These restrictions also do not prevent us from incurring obligations that do not constitute “indebtedness” or “debt” under the various instruments governing our debt, may be waived by certain votes of lenders and, if we refinance existing debt, such refinanced debt may contain fewer restrictions on our activities. To the extent we increase our debt above our currently anticipated debt levels, the related risks that we face could intensify.

Risks Related to Our Organizational Structure and Our Company

We are a holding company with no operations of our own, and our principal asset after completion of the Reorganization Transactions and this offering will be our membership interest in i3 Verticals, LLC. Accordingly, we depend on distributions from i3 Verticals, LLC to pay our taxes and other expenses.

We are a holding company with no operations of our own and currently have no significant assets other than our ownership of common units of i3 Verticals, LLC. We currently have no independent means of generating revenue. Consequently, our ability to obtain operating funds depends upon distributions from i3 Verticals, LLC. Furthermore, i3 Verticals, LLC will be treated as a partnership for U.S. federal income tax purposes and, as such, will not itself be subject to U.S. federal income tax. Instead, its net taxable income will generally be allocated to its members, including us, pro rata according to the number of membership interests each member owns. Accordingly, we will incur income taxes on our proportionate share of any net taxable income of i3 Verticals, LLC in addition to expenses related to our operations, and our ability to obtain funds to pay these income taxes currently depends upon distributions from i3 Verticals, LLC. We intend to cause i3 Verticals, LLC to distribute cash to us in an amount at least equal to the amount necessary to cover our respective tax liabilities, if any, with respect to our allocable share of the net income of i3 Verticals, LLC and to cover dividends, if any, we declare, as well as any payments due under the Tax Receivable Agreement. See the detailed discussion under “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources—Senior Secured Credit Facility” for a discussion of the restrictive covenants, including i3 Verticals, LLC’s obligations to maintain specified financial ratios, that may limit its ability to make certain distributions to us.

To the extent that we need funds to pay our taxes or other liabilities or to fund our operations, and i3 Verticals, LLC is restricted from making distributions to us under applicable agreements under which it is bound, including its financing agreements, laws or regulations, does not have sufficient cash to make these distributions or is otherwise unable to provide such funds, we may have to borrow funds to meet these obligations and operate our business, and our liquidity and financial condition could be materially adversely affected. To the extent that we are unable to make payments under the Tax Receivable Agreement for any reason, such payments will be deferred and will accrue interest until paid.

The interests of our other Continuing Equity Owners in our business may conflict with yours.

The Continuing Equity Owners, who collectively will hold approximately % of the combined voting power of our common stock immediately after the consummation of this offering, may receive payments from us under the Tax Receivable Agreement in connection with our purchase of common units of i3 Verticals, LLC directly from some of the Continuing Equity Owners in connection with this offering as described under “Use of Proceeds,” and upon a later redemption or exchange of their common units in i3 Verticals, LLC, including the issuance of shares of our Class A common stock upon any such redemption or exchange. As a result, the interests of the Continuing Equity Owners may conflict with the interests of holders of our Class A common stock. For example, the Continuing Equity Owners may have different tax positions from us which could influence their decisions regarding whether and when to dispose of assets, whether and when to incur new or refinance existing indebtedness, and whether and when we should terminate the Tax Receivable Agreement and accelerate our obligations thereunder. In addition, the structuring of future transactions may take into consideration tax or other considerations of the Continuing Equity Owners even in situations where no similar considerations are relevant to
Any payments made under the Tax Receivable Agreement to our equity holders that are parties to such agreement could be significant and will reduce the amount of overall cash flow that would otherwise be available to us.

As a result of our purchase of any common units from some of the Continuing Equity Owners and of any redemptions or exchanges of common units with us for shares of our Class A common stock or, at our option, cash to be paid from i3 Verticals, LLC, we expect to become entitled to the tax benefits attributable to the tax basis adjustments involving an amount generally equal to the difference between the value of the shares of Class A common stock we issue in such redemption or exchange and the cash purchase price for the acquired Class A units, and the equity holder’s share of the tax basis in i3 Verticals, LLC’s tangible and intangible assets that is attributable to the acquired Class A units. We have agreed in the Tax Receivable Agreement entered into with i3 Verticals, LLC and certain of our Continuing Equity Owners to pay to each such holder (either directly or indirectly by contributing such payment to i3 Verticals, LLC for remittance to the Continuing Equity Owners) with respect to a redemption or exchange by that holder approximately 85% of the amount, if any, by which our U.S. federal and state income tax payments are reduced as a result of the tax benefits attributable to the redemption or exchange by that holder for the period beginning with the remainder of the tax year in which the applicable redemption or exchange occurs and continuing for each succeeding tax year beginning on or before the anniversary of the date of such redemption or exchange.

See “Certain Relationships and Related Party Transactions.”

The tax basis adjustments, as well as the amount and timing of any payments under the Tax Receivable Agreement, will vary depending upon a number of factors, including the timing of any redemptions or exchanges between us and each holder, the amount and timing of our income and the amount and timing of the amortization and depreciation deductions and other tax benefits attributable to the tax basis adjustments. The payment obligations under the Tax Receivable Agreement are obligations of i3 Verticals, Inc., and we expect that the payments required under the Tax Receivable Agreement will be substantial. Assuming no material changes in the relevant tax law and that we earn sufficient taxable income to realize all tax benefits that are subject to the Tax Receivable Agreement, we expect that the reduction in tax payments for us associated with sales of the corresponding common units as described above would aggregate to approximately $ over years from the date of this offering based on an initial public offering price of $ per share, and assuming all future sales would occur one year after this offering. Under such scenario, we would be required to pay the other parties to the Tax Receivable Agreement 85% of such amount, or $ over the -year period from the date of this offering. The actual amounts may materially differ from these hypothetical amounts, as potential future reductions in tax payments for us, and payments under the Tax Receivable Agreement by us, will be calculated using the market value of our Class A common stock at the time of the sale and the prevailing tax rates applicable to us over the life of the Tax Receivable Agreement and will be dependent on us generating sufficient future taxable income to realize the benefit.

We may not be able to realize all or a portion of the tax benefits that are expected to result from future redemptions or exchanges of common units by holders.

Our organizational structure, including the Tax Receivable Agreement, confers certain benefits upon the Continuing Equity Owners that will not benefit the holders of our Class A common stock to the same extent as it will benefit the Continuing Equity Owners. Under the Tax Receivable Agreement, we are entitled to retain (a) 15% of the U.S. federal and state income tax savings we realize as a result of increases in tax basis created by any future redemptions or exchanges of common units held by our equity holders that are parties to the Tax Receivable Agreement for shares of our Class A common stock, and (b) all of the U.S. federal and state income tax savings we realize from such redemptions or exchanges for tax periods ending after those covered by the Tax Receivable Agreement. Our ability to realize, and benefit from, these tax savings depends on several assumptions, including that we will earn sufficient taxable income each year during the period over which the deductions arising from any such basis increases and payments are available and that there are no adverse changes in applicable law or regulations. If our actual taxable income were insufficient or there were adverse
changes in applicable law or regulations, we may be unable to realize all or a portion of these expected benefits, and our cash flows and stockholders’ equity could be
negatively affected.

In certain cases, payments under the Tax Receivable Agreement to the Continuing Equity Owners may be accelerated or significantly exceed the actual
benefits we realize in respect of the tax attributes subject to the Tax Receivable Agreement.

The Tax Receivable Agreement provides that upon certain mergers, asset sales, other forms of business combinations or other changes of control or if, at any time,
we elect an early termination of the Tax Receivable Agreement, then our obligations, or our successor's obligations, under the Tax Receivable Agreement to make
payments thereunder would be based on certain assumptions, including an assumption that we would have sufficient taxable income to fully use all potential future tax
benefits that are subject to the Tax Receivable Agreement.

As a result of the foregoing, (a) we could be required to make payments under the Tax Receivable Agreement that are greater than the specified percentage of the
actual benefits we ultimately realize in respect of the tax benefits that are subject to the Tax Receivable Agreement and (b) if we elect to terminate the Tax Receivable
Agreement early, we would be required to make an immediate cash payment equal to the present value of the anticipated future tax benefits that are the subject of the
Tax Receivable Agreement, which payment may be made significantly in advance of the actual realization, if any, of such future tax benefits. In these situations, our
obligations under the Tax Receivable Agreement could have a substantial negative impact on our liquidity and could have the effect of delaying, deferring or preventing
certain mergers, asset sales, other forms of business combinations or other changes of control. There can be no assurance that we will be able to fund or finance our
obligations under the Tax Receivable Agreement.

In certain circumstances, i3 Verticals, LLC will be required to make distributions to us and the Continuing Equity Owners, and the distributions that i3
Verticals, LLC will be required to make may be substantial.

Funds used by i3 Verticals, LLC to satisfy its tax distribution obligations will not be available for reinvestment in our business. Moreover, the tax distributions that i3
Verticals, LLC will be required to make may be substantial, and will likely exceed (as a percentage of i3 Verticals, LLC’s net income) the overall effective tax rate
applicable to a similarly situated corporate taxpayer.

As a result of potential differences in the amount of net taxable income allocable to us and to the Continuing Equity Owners, as well as the use of an assumed tax
rate in calculating i3 Verticals, LLC's distribution obligations, we may receive distributions significantly in excess of our tax liabilities and obligations to make payments
under the Tax Receivable Agreement. To the extent, as currently expected, we do not distribute such cash balances as dividends on our Class A common stock and
instead, for example, hold such cash balances or lend them to i3 Verticals, LLC, the Continuing Equity Owners would benefit from any value attributable to such
accumulated cash balances as a result of their ownership of Class A common stock following a redemption or exchange of their common units.

We will not be reimbursed for any payments made to the Continuing Equity Owners under the Tax Receivable Agreement if any tax benefits are disallowed.

Payments under the Tax Receivable Agreement will be based on the tax reporting positions that we determine, and the Internal Revenue Service (the “IRS”) or
another tax authority may challenge all or part of the tax basis increases, as well as other related tax positions we take, and a court could sustain such challenge. If the
outcome of any such challenge would reasonably be expected to materially affect a recipient's payments under the Tax Receivable Agreement, then we will not be
permitted to settle or fail to contest such challenge without the consent (not to be unreasonably withheld or delayed) of each Continuing Equity Owner that directly or
indirectly owns at least 37% of the outstanding i3 Verticals, LLC interests. We will not be reimbursed for any cash payments previously made to the Continuing Equity
Owners under the Tax Receivable Agreement if any tax benefits we initially claimed and for which we made a payment to a Continuing Equity Owner are subsequently
challenged by a taxing authority and are ultimately disallowed. Instead, any excess cash payments we make to a Continuing Equity Owner will be netted against any
future cash payments that we might otherwise be required to make to such Continuing Equity Owner under the terms of the Tax Receivable Agreement. However, we
might not
determine that we have effectively made an excess cash payment to a Continuing Equity Owner for a number of years following the initial time of such payment and, if any of our tax reporting positions are challenged by a taxing authority, we will not be permitted to reduce any future cash payments under the Tax Receivable Agreement until any such challenge is finally settled or determined. As a result, we could make payments under the Tax Receivable Agreement in excess of the tax savings that we realize in respect of the tax attributes with respect to the Continuing Equity Owners that are the subject of the Tax Receivable Agreement.

The requirements of being a public company may strain our resources, divert management’s attention and affect our ability to attract and retain qualified board members.

As a public company, we will be subject to the reporting requirements of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the Sarbanes-Oxley Act and Nasdaq rules. The requirements of these rules and regulations will increase our legal and financial compliance costs, make some activities more difficult, time-consuming or costly and increase demand on our systems and resources. The Exchange Act requires, among other things, that we file annual, quarterly and current reports with respect to our business and financial condition. The Sarbanes-Oxley Act requires, among other things, that we maintain effective disclosure controls and procedures and internal controls for financial reporting. To maintain and improve the effectiveness of our disclosure controls and procedures, we will need to commit significant resources, hire additional staff and provide additional management oversight. As a publicly-traded company, we will be required to develop and implement substantial control systems, policies and procedures to satisfy requirements applicable to public companies, including periodic reporting with the Securities and Exchange Commission (“SEC”) and Nasdaq obligations. We cannot assure you that management’s past experience will be sufficient to successfully develop and implement these systems, policies and procedures and to operate our company and execute our business strategy. Failure to do so, either as a result of our inability to effectively manage our business in a public company environment or of any other reason, could jeopardize our status as a public company, and the loss of such status may materially and adversely affect us and our stockholders. In addition, failure to comply with any laws or regulations applicable to us as a public company may result in legal proceedings and/or regulatory investigations, and may cause reputational damage.

We expect to incur significant additional annual expenses related to these steps associated with, among other things, director fees, reporting requirements, transfer agent fees, additional accounting, legal and administrative personnel, increased auditing and legal fees and similar expenses. We also expect that the new rules and regulations to which we will be subject as a result of being a public company will make it more expensive for us to obtain director and officer liability insurance, and we may be required to accept reduced coverage for such directors and officers. Any of these factors could make it more difficult for us to attract and retain qualified members of our Board of Directors.

Our internal control over financial reporting may not be effective and our independent registered public accounting firm may not be able to certify as to their effectiveness, which could have a significant and adverse effect on our business, financial condition, results of operations and reputation.

Prior to the completion of this offering, we are not required to comply with SEC rules that implement Section 404 of the Sarbanes-Oxley Act, and we are therefore not required to make a formal assessment of the effectiveness of our internal control over financial reporting for that purpose. Upon completion of this offering, we will be required, pursuant to Section 404 of the Sarbanes-Oxley Act, to conduct an annual review and evaluation of our internal control and furnish a report by management on, among other things, the effectiveness of our internal control over financial reporting each fiscal year beginning with the year following our first annual report required to be filed with the SEC. However, because we will be an emerging growth company, our independent registered public accounting firm will not be required to formally attest to the effectiveness of our internal control over financial reporting pursuant to Section 404 until the later of the year following our first annual report required to be filed with the SEC or the date we are no longer an emerging growth company. Ensuring that we have adequate internal financial and accounting controls and procedures in place so that we can produce accurate financial statements on a timely basis is a costly and time-consuming effort that will need to be evaluated frequently. Establishing these internal controls will be costly and may divert management’s attention.

When evaluating our internal control over financial reporting, we may identify material weaknesses that we may not be able to remediate in time to meet the applicable deadline imposed upon us for compliance with the
requirements of Section 404 of the Sarbanes-Oxley Act. In addition, if we fail to achieve and maintain the adequacy of our internal control, as such standards are modified, supplemented or amended from time to time, we may not be able to ensure that we can conclude, on an ongoing basis, that we have effective internal control over financial reporting in accordance with Section 404 of the Sarbanes-Oxley Act. We cannot be certain as to the timing of completion of our evaluation, testing and any remediation actions or the impact of the same on our operations. If we are not able to implement the requirements of Section 404 of the Sarbanes-Oxley Act in a timely manner or with adequate compliance, we may be subject to sanctions or investigation by regulatory authorities, such as the SEC, or suffer other adverse regulatory consequences, including violation of Nasadq rules. As a result, there could be a negative reaction in the financial markets due to a loss of confidence in the reliability of our financial statements. A loss of confidence in the reliability of our financial statements also could occur if we or our independent registered public accounting firm were to report a material weakness in our internal control over financial reporting. In addition, we may be required to incur costs in improving our internal control system, including the costs of the hiring of additional personnel. Any such action could negatively affect our business, financial condition, results of operations and cash flows and could also lead to a decline in the price of our Class A common stock.

Certain provisions of Delaware law and anti-takeover provisions in our organizational documents could delay or prevent a change of control.

Certain provisions of Delaware law and our amended and restated certificate of incorporation and amended and restated bylaws may have an anti-takeover effect and may delay, defer, or prevent a merger, acquisition, tender offer, takeover attempt, or other change of control transaction that a stockholder might consider in its best interest, including those attempts that might result in a premium over the market price for the shares held by our stockholders.

These provisions will provide for, among other things:

• prohibiting the use of cumulative voting for the election of directors;
• advance notice for nominations of directors by stockholders and for stockholders to include matters to be considered at our annual meetings; and
• certain limitations on convening special stockholder meetings.

In addition, while we expect to opt out of Section 203 of the Delaware General Corporation Law, or the “DGCL,” our amended and restated certificate of incorporation will contain similar provisions providing that we may not engage in certain “business combinations” with any “interested stockholder” for a three-year period following the time that the stockholder became an interested stockholder, unless:

• prior to such time, our Board of Directors approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder;
• upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the votes of our voting stock outstanding at the time the transaction commenced, excluding certain shares; or
• at or subsequent to that time, the business combination is approved by our Board of Directors and by the affirmative vote of holders of at least 66 2/3% of the votes of our outstanding voting stock that is not owned by the interested stockholder.

Generally, a “business combination” includes a merger, asset or stock sale or other transaction resulting in a financial benefit to the interested stockholder. Subject to certain exceptions, an “interested stockholder” is a person who, together with that person’s affiliates and associates, owns, or within the previous three years owned, 15% or more of the votes of our outstanding voting stock. For purposes of this provision, “voting stock” means any class or series of stock entitled to vote generally in the election of directors.

Under certain circumstances, this provision will make it more difficult for a person who would be an “interested stockholder” to effect various business combinations with our company for a three-year period. This provision may encourage companies interested in acquiring our company to negotiate in advance with our Board of Directors because the stockholder approval requirement would be avoided if our Board of Directors approves either the
business combination or the transaction that results in the stockholder becoming an interested stockholder. These provisions also may have the effect of preventing changes in our Board of Directors and may make it more difficult to accomplish transactions that stockholders may otherwise deem to be in their best interests.

These provisions in our amended and restated certificate of incorporation and amended and restated bylaws may discourage, delay or prevent a transaction involving a change in control of our company that is in the best interest of our minority stockholders. Even in the absence of a takeover attempt, the existence of these provisions may adversely affect the prevailing market price of our Class A common stock if they are viewed as discouraging future takeover attempts. These provisions could also make it more difficult for stockholders to nominate directors for election to our Board of Directors and take other corporate actions.

We may issue shares of preferred stock in the future, which could make it difficult for another company to acquire us or could otherwise adversely affect holders of our Class A common stock, which could depress the price of our Class A common stock.

Our amended and restated certificate of incorporation will authorize us to issue one or more series of preferred stock. Our Board of Directors will have the authority to determine the preferences, limitations and relative rights of the shares of preferred stock and to fix the number of shares constituting any series and the designation of such series, without any further vote or action by our stockholders. Our preferred stock could be issued with voting, liquidation, dividend and other rights superior to the rights of our Class A common stock. The potential issuance of preferred stock may delay or prevent a change in control of us, discourage bids for our Class A common stock at a premium to the market price, and materially and adversely affect the market price and the voting and other rights of the holders of our Class A common stock.

We may issue shares of preferred stock in the future, which could make it difficult for another company to acquire us or could otherwise adversely affect holders of our Class A common stock, which could depress the price of our Class A common stock.

Risks Related to this Offering and Ownership of Our Class A Common Stock

Immediately following the consummation of this offering, the Continuing Equity Owners will own common units in i3 Verticals, LLC, and the Continuing Equity Owners will have the right to redeem their common units in i3 Verticals, LLC pursuant to the terms of the i3 Verticals LLC Agreement for shares of Class A common stock or cash.

After this offering, we will have an aggregate of shares of Class A common stock authorized but unissued (or if the underwriters exercise their overallotment option in full), including approximately shares of Class A common stock issuable, at our election, upon redemption of i3 Verticals, LLC common units that will be held by the Continuing Equity Owners. i3 Verticals, LLC will enter into the i3 Verticals LLC Agreement, and subject to certain restrictions in that agreement and as described elsewhere in this prospectus, the Continuing Equity Owners will be entitled to have their common units redeemed from time to time at each of their options (subject in certain circumstances to time-based and service-based vesting requirements and limitations on the common units that will be converted from Class P units in connection with the Reorganization Transactions) for, at our election, newly-issued shares of our Class A common stock on a one-for-one basis or a cash payment equal to a volume weighted average market price of one share of Class A common stock for each common unit redeemed, in each case, in accordance with the terms of the i3 Verticals LLC Agreement. At our election, however, we may effect a direct exchange by i3 Verticals, LLC of such Class A common stock or such cash, as applicable, for such common units in lieu of redemption. The Continuing Equity Owners may exercise such redemption right for as long as their common units remain outstanding. See “Certain Relationships and Related Party Transactions—i3 Verticals LLC Agreement.” We also intend to enter into a Registration Rights Agreement pursuant to which the shares of Class A common stock issued to certain Continuing Equity Owners upon such redemption and the shares of Class A common stock issued to certain Continuing Equity Owners in connection with the Reorganization Transactions will be eligible for resale registration, subject to certain limitations set forth in the Registration Rights Agreement. See “Certain Relationships and Related Party Transactions—Registration Rights Agreement.”

We cannot predict the size of future issuances of our Class A common stock or the effect, if any, that future issuances and sales of shares of our Class A common stock may have on the market price of our Class A common stock. Sales or distributions of substantial amounts of our Class A common stock, including shares issued in connection with an acquisition, or the perception that such sales or distributions could occur, may cause the market price of our Class A common stock to decline.
You may be diluted by future issuances of preferred stock or additional Class A common stock or common units in connection with our incentive plans, acquisitions or otherwise; future sales of such shares in the public market, or the expectations that such sales may occur, could lower our stock price.

Our amended and restated certificate of incorporation will authorize us to issue shares of our Class A common stock and options, rights, warrants and appreciation rights relating to our Class A common stock for the consideration and on the terms and conditions established by our Board of Directors in its sole discretion. We could issue a significant number of shares of Class A common stock in the future in connection with investments or acquisitions. Any of these issuances could dilute our existing stockholders, and such dilution could be significant. Moreover, such dilution could have a material adverse effect on the market price for the shares of our Class A common stock.

The future issuance of shares of preferred stock with voting rights may adversely affect the voting power of the holders of shares of our Class A common stock, either by diluting the voting power of our Class A common stock if the preferred stock votes together with the common stock as a single class, or by giving the holders of any such preferred stock the right to block an action on which they have a separate class vote, even if the action were approved by the holders of our shares of our Class A common stock.

The future issuance of shares of preferred stock with dividend or conversion rights, liquidation preferences or other economic terms favorable to the holders of preferred stock could adversely affect the market price for our Class A common stock by making an investment in the Class A common stock less attractive. For example, investors in the Class A common stock may not wish to purchase Class A common stock at a price above the conversion price of a series of convertible preferred stock because the holders of the preferred stock would effectively be entitled to purchase Class A common stock at the lower conversion price, causing economic dilution to the holders of Class A common stock.

We intend to file one or more registration statements on Form S-8 under the Securities Act to register all shares of Class A common stock issued or issuable under our stock plans. Any such Form S-8 registration statements will automatically become effective upon filing. Accordingly, shares registered under such registration statements will be available for sale in the open market following the expiration of the applicable lock-up period. We expect that the initial registration statement on Form S-8 will cover ___ shares of our Class A common stock.

A significant portion of our total outstanding shares are restricted from immediate resale but may be sold into the market in the near future. This could cause the market price of our Class A common stock to drop significantly, even if our business is doing well.

We and our officers and directors, subject to certain exceptions, will agree that, without the prior written consent of Cowen and Company, LLC and Raymond James & Associates, Inc., the representatives of the underwriters (the "Representatives"), on behalf of the underwriters, we and they will not, during the period ending 180 days after the date of this prospectus: (1) offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise transfer or dispose of, directly or indirectly, any shares of Class A common stock or any securities convertible into, exchangeable for or that represent the right to receive shares of Class A common stock; (2) file any registration statement with the SEC relating to the offering of any shares of Class A common stock or any securities convertible into or exercisable for Class A common stock; or (3) enter into any swap or other arrangement that transfers, in whole or in part, any of the economic consequences of ownership of Class A common stock, subject to certain exceptions. The Representatives, in their sole discretion, may release the Class A common stock and other securities subject to the lock-up agreements described above in whole or in part at any time with or without notice. See "Underwriting."

The market price of our Class A common stock may decline significantly when the restrictions on resale by our existing stockholders lapse. A decline in the market price of our Class A common stock might impede our ability to raise capital through the issuance of additional shares of Class A common stock or other equity securities.
Sales of shares of our Class A common stock in connection with the Registration Rights Agreement, or the prospect of any such sales, could materially affect the market price of our Class A common stock and could impair our ability to raise capital through future sales of equity securities.

In connection with the completion of this offering, we intend to enter into a Registration Rights Agreement with certain Continuing Equity Owners. Any sales in connection with the Registration Rights Agreement, or the prospect of any such sales, could materially impact the market price of our Class A common stock and could impair our ability to raise capital through future sales of equity securities. For a further description of our Registration Rights Agreement, see “Certain Relationships and Related Party Transactions—Registration Rights Agreement.”

See “Shares Eligible for Future Sale” for a more detailed description of the restrictions on selling shares of our Class A common stock after this offering.

In the future, we may also issue additional securities if we need to raise capital, including, but not limited to, in connection with acquisitions, which could constitute a material portion of our then-outstanding shares of Class A common stock.

We do not anticipate paying any cash dividends on our Class A common stock in the foreseeable future.

We currently intend to retain our future earnings, if any, for the foreseeable future, to repay indebtedness and to fund the development and growth of our business. We do not intend to pay any dividends to holders of our Class A common stock in the foreseeable future. Any decision to declare and pay dividends in the future will be made at the discretion of our Board of Directors taking into account various factors, including our business, operating results and financial condition, current and anticipated cash needs, plans for expansion, any legal or contractual limitations on our ability to pay dividends under our Senior Secured Credit Facility or otherwise. As a result, if our Board of Directors does not declare and pay dividends, the capital appreciation in the price of our Class A common stock, if any, will be your only source of gain on an investment in our Class A common stock, and you may have to sell some or all of your Class A common stock to generate cash flow from your investment.

In addition, even if we decide in the future to pay any dividends, we are a holding company with no independent operations of our own, and we will depend on distributions from i3 Verticals, LLC to pay taxes, make payments under the Tax Receivable Agreement or pay any cash dividends on our Class A common stock. Deterioration in the financial conditions, earnings or cash flow of i3 Verticals, LLC and its subsidiaries for any reason could limit or impair its ability to pay cash distributions or other distributions to us, thereby rendering us unable to pay dividends.

An active market for our Class A common stock may not develop.

Before this offering, there has not been a public market for our Class A common stock. We cannot assure you that a regular trading market of our Class A common stock will develop on the Nasdaq Global Select Market or elsewhere or, if developed, that any such trading market will be sustained or how liquid such trading market will become. If an active trading market does not develop, you may have difficulty selling any shares of our Class A common stock that you purchase. The initial public offering price for the shares of our Class A common stock will be determined by negotiations between us and the Representatives and may not be indicative of prices that will prevail in the open market following this offering. The market price of shares of our Class A common stock may decline below the initial public offering price, and you may not be able to resell your shares of our Class A common stock at or above the initial public offering price. Accordingly, we cannot assure you of your ability to sell your Class A common stock when desired, or at all, or the prices that you may obtain for such Class A common stock.

If securities or industry analysts do not publish research or reports about our business, or if they downgrade their recommendations regarding our Class A common stock, its trading price and volume could decline.

We expect the trading market for our Class A common stock to be influenced by the research and reports that industry or securities analysts publish about us, our business or our industry. As a new public company, we do not
currently have and may never obtain research coverage by securities and industry analysts. If no securities or industry analysts commenced coverage of our company, the trading price for our stock may be negatively impacted. If we obtain securities or industry analyst coverage and if one or more of these analysts cease coverage of our company or fail to publish reports on us regularly, we could lose visibility in the financial markets, which in turn could cause our stock price or trading volume to decline and our Class A common stock to be less liquid. Moreover, if one or more of the analysts who cover us downgrades our stock or publishes inaccurate or unfavorable research about our business, or if our results of operations do not meet their expectations, our stock price could decline.

Our stock price could be extremely volatile and may decline substantially from the initial public offering price. As a result, you may not be able to resell your shares at or above the price you paid for them.

Even if a trading market develops, the market price of our Class A common stock may be highly volatile and could be subject to wide fluctuations. Volatility in the market price of our Class A common stock, as well as general economic, market or political conditions, may prevent you from being able to sell your shares at or above the price you paid for your shares and may otherwise negatively affect the liquidity of our Class A common stock. You may experience a decrease, which could be substantial, in the value of your stock, including decreases unrelated to our operating performance or prospects, and you could lose part or all of your investment. The price of our Class A common stock could be subject to wide fluctuations in response to a number of factors, including those described elsewhere in this prospectus and others such as:

- our ability to generate revenues sufficient to maintain profitability and positive cash flow;
- competition in our industry and our ability to compete effectively;
- our dependence on non-exclusive distribution partners to market our products and services;
- our ability to keep pace with rapid developments and changes in our industry and provide new products and services;
- liability and reputation damage from unauthorized disclosure, destruction or modification of data or disruption of our services;
- technical, operational and regulatory risks related to our information technology systems and third-party providers’ systems;
- reliance on third parties for significant services;
- exposure to economic conditions and political risks affecting consumer and commercial spending, including the use of credit cards;
- our ability to increase our existing vertical markets, expand into new vertical markets and execute our growth strategy;
- our ability to successfully complete acquisitions and effectively integrate those acquisitions into our services;
- degradation of the quality of our products, services and support;
- our ability to retain clients, many of which are SMBs, which can be difficult and costly to retain;
- our ability to successfully manage our intellectual property;
- our ability to attract, recruit, retain and develop key personnel and qualified employees;
- risks related to laws, regulations and industry standards;
- our indebtedness and potential increases in our indebtedness;
- operating and financial restrictions imposed by our Senior Secured Credit Facility; and
- the other factors described in “Risk Factors.”

In response to any one or more of these events, the market price of shares of our Class A common stock could decrease significantly. In the past, securities class action litigation has often been initiated against companies following periods of volatility in their stock price. This type of litigation could result in substantial costs and divert our management’s attention and resources, and could also require us to make substantial payments to satisfy judgments or to settle litigation.
Taking advantage of the reduced disclosure requirements applicable to "emerging growth companies" may make our Class A common stock less attractive to investors.

We qualify as an “emerging growth company” as defined in the JOBS Act. An emerging growth company may take advantage of certain reduced reporting and other requirements that are otherwise generally applicable to public companies, as described above. We currently intend to take advantage of each of these exemptions. We have elected not to opt out of such extended transition period, which means that when a standard is issued or revised and it has different application dates for public or private companies, we, as an emerging growth company, can adopt the new or revised standard at the time private companies adopt the new or revised standard. This may make a comparison of our financial statements with the financial statements of a public company that is not an emerging growth company, or the financial statements of an emerging growth company that has opted out of using the extended transition period, difficult or impossible because of the potential differences in accounting standards used. We could be an emerging growth company until the last day of the fiscal year following the fifth anniversary of this offering. We cannot predict if investors will find our Class A common stock less attractive if we elect to rely on these exemptions, or if taking advantage of these exemptions would result in less active trading or more volatility in the price of our Class A common stock.
This prospectus includes statements that express our opinions, expectations, beliefs, plans, objectives, assumptions or projections regarding future events or future results and therefore are, or may be deemed to be, “forward-looking statements.” All statements other than statements of historical facts contained in this prospectus may be forward-looking statements. These forward-looking statements can generally be identified by the use of forward-looking terminology, including the terms “believes,” “estimates,” “pro forma,” “continues,” “anticipates,” “expects,” “seeks,” “projects,” “intends,” “plans,” “may,” “will,” “would” or “should” or, in each case, their negative or other variations or comparable terminology. They appear in a number of places throughout this prospectus, including in our unaudited pro forma consolidated financial statements, and include statements regarding our intentions, beliefs or current expectations concerning, among other things, our results of operations, financial condition, liquidity, prospects, growth, strategies, future acquisitions and the industries in which we operate.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We believe that these risks and uncertainties include, but are not limited to, those described in the “Risk Factors” section of this prospectus, which include, but are not limited to, the following:

- our ability to generate revenues sufficient to maintain profitability and positive cash flow;
- competition in our industry and our ability to compete effectively;
- our dependence on non-exclusive distribution partners to market our products and services;
- our ability to keep pace with rapid developments and changes in our industry and provide new products and services;
- liability and reputation damage from unauthorized disclosure, destruction or modification of data or disruption of our services;
- technical, operational and regulatory risks related to our information technology systems and third-party providers' systems;
- reliance on third parties for significant services;
- exposure to economic conditions and political risks affecting consumer and commercial spending, including the use of credit cards;
- our ability to increase our existing vertical markets, expand into new vertical markets and execute our growth strategy;
- our ability to successfully complete acquisitions and effectively integrate those acquisitions into our services;
- degradation of the quality of our products, services and support;
- our ability to retain clients, many of which are SMBs, which can be difficult and costly to retain;
- our ability to successfully manage our intellectual property;
- our ability to attract, recruit, retain and develop key personnel and qualified employees;
- risks related to laws, regulations and industry standards;
- our indebtedness and potential increases in our indebtedness;
- operating and financial restrictions imposed by our Senior Secured Credit Facility; and
- the other factors described in “Risk Factors.”

Those factors should not be construed as exhaustive and should be read with the other cautionary statements in this prospectus.

Although we base these forward-looking statements on assumptions that we believe are reasonable when made, we caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and industry developments may differ materially from statements made in or suggested by the forward-looking statements contained in this prospectus. The matters summarized under “Prospectus Summary,” “Risk Factors,” “Management's Discussion and Analysis of Financial Condition and Results of Operations,” “Business” and elsewhere in this prospectus could cause our actual results to differ significantly from those contained in our forward-looking statements. In addition, even if our results of operations, financial condition and liquidity, and industry developments are consistent with the forward-looking
statements contained in this prospectus, those results or developments may not be indicative of results or developments in subsequent periods.

In light of these risks and uncertainties, we caution you not to place undue reliance on these forward-looking statements. Any forward-looking statement that we make in this prospectus speaks only as of the date of such statement, and we undertake no obligation to update any forward-looking statement or to publicly announce the results of any revision to any of those statements to reflect future events or developments, except as required by applicable law. Comparisons of results for current and any prior periods are not intended to express any future trends or indications of future performance, unless specifically expressed as such, and should only be viewed as historical data.
OUR ORGANIZATIONAL STRUCTURE

i3 Verticals, Inc., a Delaware corporation, was formed on January 17, 2018 to serve as the issuer of the Class A common stock offered by this prospectus. Before this offering, we conducted all of our business operations through i3 Verticals, LLC and its subsidiaries. We will consummate the Reorganization Transactions (excluding this offering) on or before the consummation of this offering.

Existing Organization

i3 Verticals, LLC is treated as a partnership for U.S. federal income tax purposes and, as such, is generally not subject to any U.S. federal entity-level income taxes. Taxable income or loss of i3 Verticals, LLC is included in the U.S. federal income tax returns of the members of i3 Verticals, LLC. Prior to the consummation of this offering, the Original Equity Owners were the only members of i3 Verticals, LLC, and included certain of our current and former executive officers, employees and directors.

Reorganization Transactions

We will consummate the following reorganizational transactions in connection with this offering:

• We will amend and restate the existing limited liability company agreement of i3 Verticals, LLC to, among other things, (1) convert all existing Class A units, common units (including common units issued upon the exercise of existing warrants held by the existing Warrant Holders) and Class P units of ownership interest in i3 Verticals, LLC into either Class A voting common units of i3 Verticals, LLC or Class B non-voting common units of i3 Verticals, LLC, and (2) appoint i3 Verticals, Inc. as the sole managing member of i3 Verticals, LLC upon its acquisition of common units in connection with this offering.

• We will amend and restate i3 Verticals, Inc.’s certificate of incorporation to provide for, among other things, Class A common stock and Class B common stock. Each share of Class A common stock and Class B common stock will entitle its holder to one vote on all matters to be voted on by stockholders. Shares of our Class B common stock, however, may be held only by the Continuing Equity Owners and their permitted transferees in proportion to the number of outstanding common units of i3 Verticals, LLC they hold as described in “Description of Capital Stock—Class B Common Stock.” Class B common stock has no economic rights.

• Immediately following the Initial Recapitalization, we will consummate a merger by and among i3 Verticals, LLC, i3 Verticals, Inc. and MergerSub whereby: (1) MergerSub will merge with and into i3 Verticals, LLC, with i3 Verticals, LLC as the surviving entity; (2) Class A voting common units will be converted into newly issued common units in i3 Verticals, LLC together with an equal number of shares of Class B common stock of i3 Verticals, Inc., and (3) Class B common units will be converted into Class A common stock of i3 Verticals, Inc.

• We will issue shares of our Class A common stock pursuant to a voluntary private conversion of Junior Subordinated Notes by certain related and unrelated creditors of i3 Verticals, LLC. In this conversion, certain eligible holders of Junior Subordinated Notes have elected to convert approximately $ in aggregate indebtedness into Class A common stock.

• We will issue shares of our Class A common stock to the purchasers in this offering (or shares if the underwriters exercise their over-allotment option in full) in exchange for net proceeds of approximately $ million (or approximately $ million if the underwriters exercise the over-allotment option in full).

• We will use all of the net proceeds from this offering to purchase (1) newly issued common units (or common units if the underwriters exercise their over-allotment option in full) directly from i3 Verticals, LLC at a price per unit equal to the initial public offering price per share of Class A common stock in this offering less the underwriting discounts and commissions, and (2) common units directly from certain of the Continuing Equity Owners at the initial public offering price of Class A common stock in this offering less underwriting discounts and commissions. We will own % of i3 Verticals, LLC’s outstanding common units following this offering (or % if the underwriters exercise their over-allotment option in full).

• i3 Verticals, LLC intends to use the net proceeds from the sale of common units to i3 Verticals, Inc. to repay as described under “Use of Proceeds” a total of approximately $ in outstanding debt
under (a) the Junior Subordinated Notes, (b) the Mezzanine Notes and (c) the Senior Secured Credit Facility. i3 Verticals, LLC intends to repay the Junior Subordinated Notes and the Mezzanine Notes in full.

• i3 Verticals, Inc. will enter into (1) the Tax Receivable Agreement with i3 Verticals, LLC and each of the Continuing Equity Owners and (2) the Registration Rights Agreement with certain Continuing Equity Owners. For a description of the terms of the Tax Receivable Agreement and the Registration Rights Agreement, see “Certain Relationships and Related Party Transactions.”

• The Former Equity Owners (1) will own shares of Class A common stock of i3 Verticals, Inc., representing approximately % of the combined voting power of all of the common stock of i3 Verticals, Inc. and approximately % of the economic interest in i3 Verticals, Inc. (or approximately % of the combined voting power and approximately % of the economic interest if the underwriters exercise their overallotment option in full), and (2) through i3 Verticals, Inc.’s ownership of i3 Verticals, LLC’s common units, indirectly will hold approximately % of the economic interest in i3 Verticals, LLC.

We collectively refer to the foregoing organizational transactions as the “Reorganization Transactions.”

**Organizational Structure Following this Offering**

- **i3 Verticals, Inc.** will be a holding company and its principal asset will consist of common units it purchased from i3 Verticals, LLC and certain of the Continuing Equity Owners and common units it acquired from the Former Equity Owners.

- **i3 Verticals, Inc.** will be the sole managing member of i3 Verticals, LLC and will control the business and affairs of i3 Verticals, LLC and its subsidiaries. We will have a board of directors and executive officers, but will have no employees. The functions of all of our employees are expected to reside at i3 Verticals, LLC or its subsidiaries.

- **i3 Verticals, Inc.** will own, directly or indirectly, common units of i3 Verticals, LLC, representing approximately % of the economic interest in i3 Verticals, LLC (or common units, representing approximately % of the economic interest in i3 Verticals, LLC, if the underwriters exercise their overallotment option in full).

- The purchasers in this offering:
  - will own shares of Class A common stock of i3 Verticals, Inc. (or shares of Class A common stock of i3 Verticals, Inc. if the underwriters exercise their overallotment option in full), representing approximately % of the economic interest in i3 Verticals, Inc. and approximately % of the combined voting power of all of the common stock of i3 Verticals, Inc. (or approximately % of the economic interest and approximately % of the combined voting power if the underwriters exercise their overallotment option in full), and
  - will indirectly hold approximately % of the economic interest in i3 Verticals, LLC (or approximately % if the underwriters exercise their overallotment option in full).

- The Continuing Equity Owners:
  - will own common units of i3 Verticals, LLC, representing approximately % of the economic interest in i3 Verticals, LLC (or approximately % of the economic interest in i3 Verticals, LLC if the underwriters exercise their overallotment option in full), and
  - will own shares of Class B common stock of i3 Verticals, Inc., representing approximately % of the combined voting power of all of the common stock of i3 Verticals, Inc. (or approximately % if the underwriters exercise their overallotment option in full).

- The Former Equity Owners:
  - will own shares of Class A common stock of i3 Verticals, Inc., representing approximately % of the economic interest in i3 Verticals, Inc. and approximately % of the combined voting power of all of the common stock of i3 Verticals, Inc. (or approximately % of the economic interest and approximately % of the combined voting power if the underwriters exercise their overallotment option in full), and
  - will indirectly hold approximately % of the economic interest of i3 Verticals, LLC through i3 Verticals, Inc.’s ownership of i3 Verticals, LLC’s common units.
As the sole managing member of i3 Verticals, LLC, we will operate and control all of the business and affairs of i3 Verticals, LLC and, through i3 Verticals, LLC and its subsidiaries, conduct the business. Following the Reorganization Transactions, including this offering, we will record a significant non-controlling interest in our consolidated subsidiary, i3 Verticals, LLC relating to the ownership interest of the Continuing Equity Owners. Accordingly, i3 Verticals, Inc. will hold % of the economic interest in i3 Verticals, LLC, and will control the management of i3 Verticals, LLC as the sole managing member. As a result, i3 Verticals, Inc. will consolidate i3 Verticals, LLC and record a non-controlling interest in consolidated entity for the economic interest in i3 Verticals, LLC held by the Continuing Equity Owners.

Incorporation of i3 Verticals, Inc.

i3 Verticals, Inc., the issuer of the Class A common stock offered by this prospectus, was incorporated as a Delaware corporation on January 17, 2018. i3 Verticals, Inc. has not engaged in any material business or other activities except in connection with its formation. The amended and restated certificate of incorporation of i3 Verticals, Inc. that will become effective immediately before the consummation of this offering will authorize two classes of common stock, Class A common stock and Class B common stock, each having the terms described in "Description of Capital Stock."

Reclassification and Amendment and Restatement of the i3 Verticals LLC Agreement

Prior to or substantially concurrently with the consummation of this offering, the existing limited liability company agreement of i3 Verticals, LLC will be amended and restated to, among other things, modify its capital structure by creating a single new class of units that we refer to as "common units" and providing for a right of
redemption of common units (subject in certain circumstances to time-based and service-based vesting requirements) in exchange for, at our election, shares of our Class A common stock or cash. See “Certain Relationships and Related Party Transactions—i3 Verticals LLC Agreement.”
USE OF PROCEEDS

We estimate that the net proceeds to us from this offering will be approximately $ million, or approximately $ million if the underwriters exercise their overallotment option in full, assuming an initial public offering price of $ per share (which is the midpoint of the range set forth on the cover page of this prospectus), after deducting estimated underwriting discounts and commissions and estimated offering expenses that we expect to pay.

We intend to use the net proceeds of this offering to purchase (1) common units (or common units if the underwriters exercise their overallotment option in full) directly from i3 Verticals, LLC at a price per common unit equal to the price paid by the underwriters for shares of our Class A common stock in this offering, and (2) common units (or common units if the underwriters exercise their overallotment option in full) from certain of the Continuing Equity Owners at a price per common unit equal to the price paid by the underwriters for shares of our Class A common stock in this offering.

i3 Verticals, LLC intends to use the $ million in net proceeds it receives from the sale of common units to i3 Verticals, Inc. (together with any additional proceeds it may receive if the underwriters exercise their overallotment option) as follows:

• to repay the Mezzanine Notes in full;
• to repay the outstanding Junior Subordinated Notes in full; and
• to repay approximately $ million of the revolving loan of our Senior Secured Credit Facility.

As of 2018, we owed $ under the Mezzanine Notes, which bear a fixed interest rate of 12.0% per annum and mature on November 29, 2020. We used the proceeds from the issuance of the Mezzanine Notes to fund certain of our acquisitions and for working capital. See “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources.”

As of 2018, we owed $ under the Junior Subordinated Notes, which bear a fixed interest rate of 10.0% per annum and mature on the later of (a) February 14, 2019, or (b) the maturity date of the later to mature of (i) the Mezzanine Notes and (ii) the Senior Secured Credit Facility. We used the proceeds from the issuance of the Junior Subordinated Notes to fund an acquisition. See “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources.”

As of 2018, under our Senior Secured Credit Facility, we owed $ million under our term loan and $ million under our revolving loan. Our Senior Secured Credit Facility matures on the earlier of October 30, 2022 or 181 days before the maturity date of the Mezzanine Notes. As of , 2018, the interest rate on the borrowings outstanding under our term loan was % per annum and under our revolving loan was % per annum. See “Management's Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources.”

As a result of the repayment of all indebtedness outstanding under the Junior Subordinated Notes and the Mezzanine Notes, our affiliates will receive approximately $ million of the net proceeds from this offering, based on amounts outstanding under the Junior Subordinated Notes and the Mezzanine Notes, in each case as of , 2018. See “Certain Relationships and Related Party Transactions.”

Assuming no exercise of the underwriters’ overallotment option, each $1.00 increase (decrease) in the assumed initial public offering price of $ per share (which is the midpoint of the price range set forth on the cover page of this prospectus) would increase (decrease) the net proceeds to us from this offering by approximately $ million, assuming the number of shares offered, as set forth on the cover page of this prospectus, remains the same, and after deducting estimated underwriting discounts and commissions and estimated offering expenses that we expect to pay.

Each 1,000,000 share increase (decrease) in the number of shares offered in this offering would increase (decrease) the net proceeds to us from this offering by approximately $ million, assuming no change in the assumed initial public offering price per share, which is the midpoint of the price range set forth on the front cover.
of this prospectus, and after deducting the estimated underwriting discounts and commissions and estimated offering expenses that we expect to pay.
DIVIDEND POLICY

We currently anticipate that we will retain all available funds for use in the operation and expansion of our business and to repay indebtedness, and we do not anticipate paying any cash dividends on our Class A common stock in the foreseeable future. To the extent that we elect to pay dividends in the future, Class B common stock will not be entitled to any dividend payments. Additionally, our ability to pay any cash dividends on our Class A common stock is limited by restrictions on the ability of i3 Verticals, LLC and our other subsidiaries to pay dividends or make distributions under the terms of our Senior Secured Credit Facility. See “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources—Senior Secured Credit Facility.”

We are a holding company and our principal asset immediately following this offering will be our membership interest in i3 Verticals, LLC. We will be the sole managing member of i3 Verticals, LLC and intend to cause i3 Verticals, LLC to make distributions to us in an amount sufficient to cover cash dividends, if any, our Board of Directors declares in the future. If i3 Verticals, LLC makes those distributions to us, the other members of i3 Verticals, LLC will be entitled to receive proportionately equivalent distributions.
The following table sets forth the cash and cash equivalents and capitalization as of March 31, 2018 of:

- i3 Verticals, LLC and its subsidiaries on an actual basis;
- i3 Verticals, Inc. and its subsidiaries on a pro forma basis after giving effect to the Reorganization Transactions, excluding this offering; and
- i3 Verticals, Inc. and its subsidiaries on a pro forma basis after giving effect to the Reorganization Transactions, and further adjusted to include the sale of shares of Class A common stock in this offering at an assumed initial public offering price of $\_\_ per share (which is the midpoint of the range set forth on the cover page of this prospectus), after deducting the estimated underwriting discounts and commissions and estimated offering expenses that we expect to pay, and the application of the net proceeds from this offering as described under “Use of Proceeds.”

This table should be read in conjunction with “Our Organizational Structure,” “Use of Proceeds,” “Unaudited Pro Forma Consolidated Financial Information,” “Selected Historical Consolidated Financial and Other Data,” “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and the financial statements and notes thereto appearing elsewhere in this prospectus.

(1) On a pro forma basis and a pro forma as adjusted basis, includes the ownership interests not owned by i3 Verticals, Inc., which represents % and % of the outstanding common units of i3 Verticals, LLC, respectively. The Continuing Equity Owners will hold the % and % non-controlling interest in i3 Verticals, LLC on a pro forma and pro forma as adjusted basis, respectively.

(2) Each $1.00 increase or decrease in the assumed initial public offering price of $ per share (which is the midpoint of the price range set forth on the cover page of this prospectus) would increase or decrease each of cash, additional paid-in capital, total members’/stockholders’ equity and total capitalization on a pro forma as adjusted basis by approximately $ million, assuming the number of shares offered, as set forth on the cover page of this prospectus, remains the same, and after deducting the estimated underwriting discounts and commissions and estimated offering expenses that we expect to pay.
The Continuing Equity Owners will own common units in i3 Verticals, LLC after the Reorganization Transactions. Because the Continuing Equity Owners do not own any Class A common stock or have any right to receive distributions from i3 Verticals, Inc., we have presented dilution in pro forma net tangible book value per share both before and after this offering assuming that all of the holders of common units (other than i3 Verticals, Inc.) had their common units redeemed or exchanged for newly-issued shares of Class A common stock on a one-for-one basis (rather than for cash) and the cancellation for no consideration of all of their shares of Class B common stock (which are not entitled to receive distributions or dividends, whether cash or stock from i3 Verticals, Inc.) in order to more meaningfully present the dilutive impact on the investors in this offering. We refer to the assumed redemption or exchange of all common units for shares of Class A common stock as described in the previous sentence as the “Assumed Redemption.”

Dilution is the amount by which the offering price paid by the purchasers of the Class A common stock in this offering exceeds the pro forma net tangible book value per share of Class A common stock after the offering. i3 Verticals, LLC’s pro forma net tangible book value as of March 31, 2018 prior to this offering and after the Assumed Redemption was $\ldots$ . Pro forma net tangible book value per share prior to this offering is determined by subtracting our total liabilities from the total book value of our tangible assets and dividing the difference by the number of shares of Class A common stock deemed to be outstanding. Pro forma net tangible book value per share after this offering is determined by subtracting our total liabilities from the total book value of our tangible assets and dividing the difference by the number of shares of Class A common stock deemed to be outstanding after giving effect to the Assumed Redemption.

If you invest in our Class A common stock in this offering, your ownership interest will be immediately diluted to the extent of the difference between the initial public offering price per share and the pro forma net tangible book value per share of our Class A common stock after this offering.

Pro forma net tangible book value per share after this offering is determined by subtracting our total liabilities from the total book value of our tangible assets and dividing the difference by the number of shares of Class A common stock deemed to be outstanding, after giving effect to the Reorganization Transactions, including this offering and the application of the proceeds from this offering as described in “Use of Proceeds,” and the Assumed Redemption. Our pro forma net tangible book value as of March 31, 2018 after this offering would have been approximately $\ldots$ million, or $\ldots$ per share of Class A common stock. This amount represents an immediate increase in pro forma net tangible book value of $\ldots$ per share to our existing stockholders and an immediate dilution in pro forma net tangible book value of approximately $\ldots$ per share to new investors purchasing shares of Class A common stock in this offering. We determine dilution by subtracting the pro forma net tangible book value per share after this offering from the amount of cash that a new investor paid for a share of Class A common stock. The following table illustrates this dilution:

| Assumed initial public offering price per share | $\ldots$ |
| Pro forma net tangible book value per share as of March 31, 2018 after giving effect to the Reorganization Transactions | $\ldots$ |
| Increase per share attributable to investors in this offering | $\ldots$ |
| Pro forma net tangible book value per share after this offering | $\ldots$ |
| Dilution per share to new Class A common stock investors | $\ldots$ |

If the underwriters exercise their overallotment option in full, the pro forma net tangible book value after the offering would be $\ldots$ per share, the increase in pro forma net tangible book value per share to existing stockholders would be $\ldots$ per share and the dilution in pro forma net tangible book value to new investors would be $\ldots$ per share, in each case assuming an initial public offering price of $\ldots$ per share, which is the midpoint of the price range listed on the cover page of this prospectus.

The following table sets forth, on a pro forma basis after giving pro forma effect to the Reorganization Transactions, as of March 31, 2018, the number of shares of Class A common stock purchased from us, the total consideration paid, or to be paid, and the average price per share paid, or to be paid, by existing owners and by the new investors, assuming all common units are redeemed or exchanged for an equal number of shares of Class A common stock pursuant to the i3 Verticals LLC Agreement, at an assumed initial public offering price of
$ per share, the midpoint of the range set forth on the cover page of this prospectus, before deducting estimated underwriting discounts and commissions and offering expenses that we expect to pay:

The foregoing tables assume no exercise of the underwriters’ overallotment option. If the underwriters exercise their overallotment option, there will be further dilution to new investors.

A $1.00 increase (decrease) in the assumed initial public offering price of $ per share, which is the midpoint of the price range listed on the cover page of this prospectus, would increase (decrease) the pro forma net tangible book value per share after this offering by approximately $ , and dilution in pro forma net tangible book value per share to new investors by approximately $ , assuming that the number of shares we offer, as set forth on the cover page of this prospectus, remains the same and after deducting estimated underwriting discounts and commissions and estimated offering expenses that we expect to pay.

If the underwriters exercise their overallotment option to in full, our existing stockholders would own shares, or %, in the aggregate, and our new investors would own shares, or %, in the aggregate, of the total number of shares of our Class A common stock outstanding upon completion of this offering.
We have derived the unaudited pro forma consolidated statement of operations for the year ended September 30, 2017 set forth below by the application of pro forma adjustments to the unaudited consolidated financial statements of i3 Verticals, LLC and subsidiaries included elsewhere in this prospectus. We have derived the unaudited pro forma condensed consolidated statement of operations for the six months ended March 31, 2018 and the unaudited pro forma condensed consolidated balance sheet as of March 31, 2018 set forth below by the application of pro forma adjustments to the unaudited condensed consolidated financial statements of i3 Verticals, LLC and subsidiaries included elsewhere in this prospectus.

The unaudited pro forma consolidated statement of operations for the year ended September 30, 2017 and for the six months ended March 31, 2018, and the unaudited pro forma consolidated balance sheet as of March 31, 2018, present our unaudited pro forma consolidated results of operations and financial position to give pro forma effect to all of the Reorganization Transactions (excluding this offering) described in “Our Organizational Structure,” the sale of shares of Class A common stock in this offering (excluding shares issuable upon exercise of the underwriters’ overallotment option), and the application of the net proceeds by us and i3 Verticals, LLC from this offering and the other transactions described elsewhere in this section, as if all such transactions had been completed as of October 1, 2016 with respect to the unaudited pro forma consolidated statement of operations, and as of March 31, 2018, with respect to the unaudited pro forma consolidated balance sheet. The unaudited pro forma consolidated financial statements reflect pro forma adjustments that are described in the accompanying notes and are based on available information and certain assumptions we believe are reasonable, but are subject to change. We have made, in our opinion, all adjustments that are necessary to present fairly the pro forma financial information.

The unaudited pro forma consolidated financial information presented assumes no exercise by the underwriters of their overallotment option.

As described in greater detail under “Certain Relationships and Related Party Transactions—Tax Receivable Agreement,” in connection with the closing of this offering, we will enter into the Tax Receivable Agreement with i3 Verticals, LLC and the Continuing Equity Owners. The Tax Receivable Agreement will require us to pay the Continuing Equity Owners 85% of the amount of tax benefits, if any, that i3 Verticals, Inc. actually realizes (or in some circumstances is deemed to realize) as a result of (1) increases in tax basis resulting from our purchase of common units of i3 Verticals, LLC directly from some of the Continuing Equity Owners in connection with any future redemptions we fund or exchanges of common units for our Class A common stock and (2) certain additional tax benefits attributable to payments under the Tax Receivable Agreement. Regarding clause (1) of the
preceding sentence, see “Certain Relationships and Related Party Transactions—i3 Verticals LLC Agreement—Agreement in Effect Upon Consummation of this Offering—Common Unit Redemption Right.” Due to the uncertainty in the amount and timing of future redemptions or exchanges of common units by the Continuing Equity Owners, the unaudited pro forma consolidated financial information assumes that no future redemptions or exchanges of common units have occurred other than as described in the “Use of Proceeds” section with respect to the intention to use the net proceeds of this offering to purchase common units from certain of the Continuing Equity Owners at a price per common unit equal to the price paid by the underwriters for shares of our Class A common stock in this offering.

As described in “Our Organizational Structure,” the unaudited pro forma consolidated financial statements reflect the acquisition of the equity interests in i3 Verticals, LLC and do not reflect any change in the recorded book basis of i3 Verticals, LLC, because those transactions are between entities under common control.

As a public company, we will implement additional procedures and processes to address the standards and requirements applicable to public companies. We expect to incur additional annual expenses related to, among other things, additional directors’ and officers’ liability insurance, director fees, reporting requirements of the SEC, transfer agent fees, additional accounting, legal and administrative personnel, increased auditing and legal fees and similar expenses. We have not included any pro forma adjustments relating to these costs. i3 Verticals, Inc. was formed on January 17, 2018 and will have no material assets or results of operations until the completion of this offering and therefore its historical financial position and results of operations are not shown in a separate column in the unaudited pro forma consolidated financial statements.

The unaudited pro forma consolidated financial information is presented for informational purposes only and should not be considered indicative of actual results of operations that would have been achieved had the Reorganization Transactions, including this offering, been consummated on the dates indicated, and does not purport to be indicative of statements of financial condition data or results of operations as of any future date or for any future period. You should read our unaudited pro forma consolidated financial information and the accompanying notes in conjunction with all of the historical financial statements and related notes included elsewhere in this prospectus and the financial and other information appearing elsewhere in this prospectus, including information contained in “Risk Factors,” “Use of Proceeds,” “Capitalization,” “Selected Historical Consolidated Financial and Other Data” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations.”

(a) i3 Verticals, Inc. was formed on January 17, 2018, and will have no material assets or results of operations until the completion of this offering and therefore its historical financial position is not shown in a separate column in this unaudited pro forma condensed consolidated balance sheet.

(b) In connection with the Reorganization Transactions, we will convert all existing Class A units, common units (including common units issued upon the exercise of existing warrants held by the existing Warrant Holders) and Class P units (profits interests) of ownership interest in i3 Verticals, LLC into either (i) Class A voting common units of i3 Verticals, LLC (such holders of Class A voting common units, the Continuing Equity Owners) or (ii) Class B non-voting common units of i3 Verticals, LLC (such holders of Class B non-voting common units, the Former Equity Owners) (collectively, the Initial Recapitalization).

The Company expects to record compensation expense of $ million related to the modification of existing Class P units as part of the Reorganization Transactions. The compensation expense is excluded from the unaudited pro forma interim condensed consolidated statement of operations because it does not have a continuing impact, but it is reflected as a decrease in retained earnings on the unaudited pro forma condensed consolidated balance sheet.

(c) Immediately following the Initial Recapitalization and prior to this offering, we will consummate a merger by and among i3 Verticals, LLC, i3 Verticals, Inc. and a to-be-formed wholly-owned subsidiary of i3 Verticals, Inc. (MergerSub) whereby:

(1) MergerSub will merge with and into i3 Verticals, LLC, with i3 Verticals, LLC as the surviving entity.

(2) The Class A voting common units held by the Continuing Equity Holders will be converted into newly issued common units in i3 Verticals, LLC together with an equal number of shares of Class B common stock of i3 Verticals, Inc. Holders of our Class B common stock along with the holders of our Class A common stock will have certain voting rights as described under “Description of Capital Stock,” but holders of our Class B common stock will not be entitled to receive any distributions from or participate in any dividends declared by our Board of Directors.

(3) The Class B common units held by Former Equity Owners will be converted into shares of Class A common stock of i3 Verticals, Inc.

(d) Upon completion of the Reorganization Transactions, we will become the sole managing member of i3 Verticals, LLC. As a result, we will consolidate the financial results of i3 Verticals, LLC and will report a non-controlling interest related to the Class B common stock held by the Continuing Equity Owners on our consolidated balance sheet. The computation of the non-controlling interest following the consummation of this offering is as follows:

<table>
<thead>
<tr>
<th>Interest in i3 Verticals, LLC by i3 Verticals, Inc.</th>
<th>Units</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Non-controlling interest in i3 Verticals, LLC by Continuing Equity Owners</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

If the underwriters were to exercise their option to purchase additional shares of our Class A common stock in full, i3 Verticals, Inc. would own % of the common units of the i3 Verticals, LLC and the Continuing Equity Owners would own the remaining % of the common units of i3 Verticals, LLC.

Following the consummation of this offering, the common units of i3 Verticals, LLC held by the Continuing Equity Owners will represent the non-controlling interest. Each Continuing Equity Owner may redeem at such Continuing Equity Owner’s option such owner’s common units for, at our election either (i) cash or (ii) newly-issued shares of our Class A common stock as described in “Certain Relationships and Related Party Transactions—i3 Verticals, LLC Agreement—Agreement in Effect Upon Consummation of this Offering.”

The Reorganization Transactions adjustments include adjustments to transfer pro forma i3 Verticals, LLC members’ deficit to accumulated deficit and report a non-controlling interest equal to the Continuing Equity Owners’ economic interest in i3 Verticals, LLC of after giving effect to the Former Equity Owners’
conversion of their ownership interest in units of i3 Verticals, LLC for shares of Class A common stock of i3 Verticals, Inc. The following table describes such Reorganization Transactions adjustments ($ in thousands):

</table>

Offering adjustments include adjustments to report a non-controlling interest equal to the Continuing Equity Owners’ economic interest in i3 Verticals, LLC of %, after giving effect to the issuance of shares of Class A common stock in this offering and the Former Equity Owners’ conversion of their ownership interest in common units of i3 Verticals, LLC for shares of Class A common stock, based on the pro forma i3 Verticals, LLC members’ deficit adjusted for the net proceeds received from the sale of common units to i3 Verticals, Inc., less offering expenses paid by i3 Verticals, LLC that are included in additional paid-in capital, and the loss on debt repayment.

(e) We estimate that the net proceeds from this offering will be approximately $ million. This amount has been determined based on the assumption that the underwriters’ option to purchase additional shares in our Class A common stock is not exercised. A reconciliation on the gross proceeds from this offering to the net proceeds is set forth below:

| Assumed initial public offering price per share | $ |
| Shares of Class A common stock issued in this offering | $ |
| Gross proceeds | $ |
| Less: underwriting discounts and commissions | $ |
| Less: offering expenses | $ |
| Net proceeds | $ |

(f) We will issue shares of our Class A common stock pursuant to a voluntary private conversion of Junior Subordinated Notes by certain related and unrelated creditors of i3 Verticals, LLC. In this conversion, certain eligible holders of Junior Subordinated Notes have elected to convert $ in aggregate indebtedness into Class A common stock.

(g) i3 Verticals, LLC intends to use the $ million in net proceeds it receives from the sale of common units to i3 Verticals, Inc. as follows:

- to repay the Mezzanine Notes in full in the amount of $;
- to repay the outstanding Junior Subordinated Notes in full in the amount of $; and
- to repay approximately $ million of the outstanding borrowings under the revolving loan of our Senior Secured Credit Facility.

(h) We expect to obtain an increase in the tax basis of our share of the assets of i3 Verticals, LLC when common units are redeemed or exchanged by the Continuing Equity Owners. This increase in tax basis may have the
effect of reducing the amounts that we would otherwise pay in the future to various tax authorities. The increase in tax basis may also decrease gains (or increase losses) on future dispositions of certain capital assets to the extent tax basis is allocated to those capital assets. In connection with the consummation of this offering, we will enter into the Tax Receivable Agreement with i3 Verticals, LLC and each of the Continuing Equity Owners that will require us to pay to the Continuing Equity Owners 85% of the amount of tax benefits, if any, that we actually realize, or in some cases are deemed to realize, as a result of (i) increases in the tax basis of the assets of i3 Verticals, LLC resulting from the purchase of common units in exchange for Class A common stock in connection with the consummation of this offering and any future redemptions or exchanges of common units or any prior sales of interests in i3 Verticals, LLC and (ii) certain other tax benefits related to payments we make under the Tax Receivable Agreement. See “Certain Relationships and Related Party Transactions—Tax Receivable Agreement.”

The net impact of the adjustments to net deferred taxes and the Tax Receivable Agreement liability of $ has been recorded as an increase to additional paid-in capital, as these adjustments arise from equity transactions of the Company.

The amounts to be recorded for both the net deferred tax assets and the liability for our obligations under the Tax Receivable Agreement have been estimated. All of the effects of changes to both the net deferred tax assets and our obligations under the Tax Receivable Agreement after the date of the purchase will be included in net income. Similarly, the effect of subsequent changes in the enacted tax rates will be included in net income.

(a) i3 Verticals, Inc. was formed on January 17, 2018 and will have no results of operations until the completion of this offering. Therefore, its historical results of operations are not shown in a separate column in this unaudited pro forma interim condensed consolidated statement of operations.

(b) SDCR, Inc.’s financial statements presented in the accompanying unaudited pro forma interim condensed consolidated statement of operations reflect the historical results of operations for the one month ended October 31, 2017. The operating results of SDCR, Inc. since the date of acquisition have been included in our historical results of operations for the six months ended March 31, 2018.

(c) In accordance with the rules of Article 11 of Regulation S-X, the following adjustments were made for the acquisition of SDCR, Inc. (amounts in thousands):

(1) Adjusted executive compensation is based on arrangements negotiated in conjunction with the acquisitions. The adjustments account for market-based compensation considerations and the actual historical compensation of specific executives who were offered new employment arrangements in connection with the acquisitions. We adjusted such compensation to reflect amounts they are expected to receive under their respective employment arrangements post-acquisition.

(2) Increased amortization expense reflects identified intangible assets in the acquisition of SDCR, Inc. The weighted-average amortization period for all intangibles acquired is eleven years.

(3) Direct, incremental transaction costs, which are reflected in our interim condensed consolidated results of operations for the six months ended March 31, 2018, are removed.

(4) Interest has been adjusted to reflect the increased borrowings to fund the acquisition using a 6.25% interest rate, which represents our incremental borrowing rate as of October 31, 2017. If the interest rate were increased or decreased by 0.125%, it would result in a $6,000 change in net interest expense for the six months ended March 31, 2018.

(5) Income tax expense has been adjusted to reflect the increased pre-tax income for SDCR, Inc., a C corporation subject to an estimated federal and state blended tax rate of 30.9%.

(d) Represents the increase in compensation expense we expect to incur following the completion of this offering. We expect to grant options to purchase approximately 66 shares of our Class A common stock to certain of our directors, executive officers and other employees in connection with this offering. This amount was calculated assuming the stock options were granted on October 1, 2017 with the stock options having an exercise price equal to $           per share, the assumed initial public offering price based on the midpoint of the price range set forth on the cover page of this prospectus. The grant date fair values of the stock options were determined using the Black-Scholes valuation model using the following assumptions:

- **Expected volatility**
- **Expected dividend yield**
- **Expected term (in years)**
- **Risk-free interest rate**

(e) i3 Verticals, LLC has been, and will continue to be, treated as a partnership for U.S. federal and state income tax purposes. As such, income generated by i3 Verticals, LLC will flow through to its partners, including us,
and is generally not subject to tax at the i3 Verticals, LLC level. Following the Reorganization Transactions, we will be subject to U.S. federal income taxes, in addition to state and local income taxes with respect to our allocable share of any taxable income of i3 Verticals, LLC. As a result, the unaudited pro forma consolidated statements of income reflect adjustments to our income tax expense to reflect an effective income tax rate of % for the six months ended March 31, 2018, which was calculated assuming the U.S. federal rates currently in effect and the highest statutory rates apportioned to each applicable state, local and foreign jurisdiction.

The income tax expense for the offering adjustments is determined using the Continuing Equity Owners’ economic interest in i3 Verticals, LLC of % after giving effect to the issuance of shares of Class A common stock in this offering and the Former Equity Owners’ conversion of their ownership interest in common units of i3 Verticals, LLC for shares of Class A common stock, based on the pro forma i3 Verticals, LLC income before income taxes adjusted for stock option expense and the reduction in interest expense as a result of the repayment of our Mezzanine Notes in full in the amount of $ million, our Junior Subordinated Notes in full in the amount of $ million, and $ million of outstanding borrowings under our Senior Secured Credit Facility. The effective tax rate derived from the face of the unaudited pro forma consolidated statement of income will be lower than the stated effective tax rate because the effective tax rate is applied to only % of the income before taxes based on i3 Verticals, Inc.’s economic interest in i3 Verticals, LLC. Our pro forma allocable share of taxable income from i3 Verticals, LLC was $ million, and our income tax was $ million for the six months ended March 31, 2018.

(f) Upon completion of the Reorganization Transactions, i3 Verticals, Inc. will become the sole managing member of i3 Verticals, LLC. As a result, we will consolidate the financial results of i3 Verticals, LLC and will report a non-controlling interest related to the common units of i3 Verticals, LLC held by the Continuing Equity Owners on our consolidated statements of income. Following this offering, assuming the underwriters do not exercise their option to purchase additional shares of Class A common stock, i3 Verticals, Inc. will own % of the common units of i3 Verticals, LLC and the Continuing Equity Owners will own the remaining % of the common units of i3 Verticals, LLC. Net income attributable to non-controlling interest will represent % of the income before income taxes of i3 Verticals, Inc. These amounts have been determined based on the assumption that the underwriters’ option to purchase additional shares of Class A common stock is not exercised. If the underwriters exercise their option to purchase additional shares of Class A common stock in full, i3 Verticals Inc. will own % of the common units of i3 Verticals, LLC, the Continuing Equity Owners will own the remaining % of the common units of i3 Verticals, LLC and net income attributable to non-controlling interest will represent % of the income before income taxes of i3 Verticals, Inc.

The Reorganization Transaction adjustments include adjustments to report pro forma i3 Verticals, LLC net income attributable to non-controlling interests equal to the Continuing Equity Owners’ economic interest in i3 Verticals, LLC of % after giving effect to the Former Equity Owners’ conversion of Class B common units for shares of Class A common stock.

The offering adjustments include adjustments to report a non-controlling interest equal to the Continuing Equity Owners’ economic interest in i3 Verticals, LLC of %, after giving effect to the issuance of shares of Class A common stock in this offering and the Former Equity Owners’ conversion of their ownership interest in common units of i3 Verticals, LLC for shares of Class A common stock based on the pro forma i3 Verticals, LLC net income, adjusted for (i) equity-based compensation expense and (ii) the reduction in interest expense as a result of the repayment of our Mezzanine Notes in full, our Junior Subordinated Notes in full and $ of outstanding borrowings under our Senior Secured Credit Facility.

(g) As described in “Use of Proceeds,” we intend to use a portion of the net proceeds from this offering (assuming that the underwriters’ option to purchase additional shares of our Class A common stock is not exercised) to purchase common units directly from i3 Verticals, LLC at a price per unit equal to the initial public offering price per share of Class A common stock in this offering less the underwriting discounts and commissions. i3 Verticals, LLC intends to use the $ million in net proceeds it receives from the sale of
common units to i3 Verticals, Inc. to repay our Mezzanine Notes in full in the amount of $ million, our Junior Subordinated Notes in full in the amount of $ million and approximately $ million of outstanding borrowings under the revolving loan of our Senior Secured Credit Facility. Accordingly, pro forma adjustments have been made to reflect a reduction in interest expense of $ million for the six months ended March 31, 2018, computed at weighted-average interest rate of %, as if the outstanding borrowings had been repaid on October 1, 2017.
(h) Pro forma basic net income per share is computed by dividing the net income available to Class A common stockholders by the weighted-average shares of Class A common stock outstanding during the period. Pro forma diluted net income per share is computed by adjusting the net income available to Class A common stockholders and the weighted-average shares of Class A common stock outstanding to give effect to potentially dilutive securities. Shares of our Class B common stock are not entitled to receive any distributions or dividends and have no rights to convert into Class A common stock. When a common unit is exchanged for, at our election, cash or Class A common stock by a Continuing Equity Owner who holds shares of our Class B common stock, such Continuing Equity Owner will be required to surrender a share of Class B common stock, which we will cancel for no consideration. Therefore, we did not include shares of our Class B common stock in the computation of pro forma basic or diluted net loss per share. The following table sets forth a reconciliation of the numerators and denominators used to compute pro forma basic and diluted net loss per share (in thousands, except per share data):

\(^{(1)}\) We plan to use a portion of the net proceeds from this offering (assuming that the underwriters' option to purchase additional shares of our Class A common stock is not exercised) to purchase common units directly from i3 Verticals, LLC at a price per unit equal to the offering price per share of Class A common stock in this offering less the underwriting discounts and commissions and, in turn, i3 Verticals, LLC intends to use the $\ldots$ million in net proceeds it receives from the sale of common units to i3 Verticals, Inc. to repay our Mezzanine Notes in full, our Junior Subordinated Notes in full and $\ldots$ million of outstanding borrowings under our Senior Secured Credit Facility.

\(^{(2)}\) In calculating pro forma basic net income per share for the six months ended March 31, 2018, unvested options to purchase approximately shares of our Class A common stock that we expect to grant to certain of our directors, executive officers and other employees in connection with this offering that would have vested as of September 30, 2017 have not been included because
their exercise price is equal to the initial public offering price per share of our Class A common stock in this offering and therefore they have no effect on pro forma diluted net income per share.

(3) The reallocation of net income (loss) assuming conversion of common units represents the tax effected net income (loss) attributable to non-controlling interest using the effective income tax rates described in footnote (c) above and assuming all common units of i3 Verticals, LLC were exchanged for Class A common stock at the beginning of the period. The common units of i3 Verticals, LLC held by the Continuing Equity Owners are potentially dilutive securities, and the computations of pro forma diluted net income (loss) per share assume that all common units of i3 Verticals, LLC were exchanged for shares of Class A common stock at the beginning of the period. This adjustment was made only for purposes of calculating pro forma diluted net income per share and does not necessarily reflect the amount of exchanges that may occur subsequent to this offering.

(4) Includes outstanding shares of Class A common stock issuable upon the exchange of common units to be held by the Continuing Equity Owners prior to this offering and shares of unvested common units and options.

(1) Adjusted executive compensation is based on arrangements negotiated in conjunction with the acquisitions. The adjustments account for market-based compensation considerations and the actual historical compensation of specific executives who were offered new employment arrangements in connection with the acquisitions. We adjusted such compensation to reflect amounts they are expected to receive under their respective employment arrangements post-acquisition.

(2) Increased amortization expense reflects identified intangible assets in the acquisitions. For Fairway, the weighted-average amortization period for all intangibles acquired is fifteen years. For SDCR, Inc., the weighted-average amortization period for all intangibles acquired is eleven years.

(3) Direct, incremental transaction costs of the respective acquisition, which are reflected in our consolidated results of operations for the year ended September 30, 2017, are removed.

(4) Interest has been adjusted to reflect the increased borrowings to fund the acquisitions using a 5.73% and a 6.25% interest rate, which represents our incremental borrowing rate as of the date of the Fairway and SDCR, Inc. acquisitions, respectively. If the interest rate were increased or decreased by 0.125%, it would result in a $41,000 and $25,000 change in net interest expense for Fairway and SDCR, Inc., respectively.

(5) Income tax expense has been adjusted to reflect the increased pre-tax income for SDCR, Inc., a C corporation subject to an estimated federal and state blended tax rate of 39.6%.

(e) Represents the increase in compensation expense we expect to incur following the completion of this offering. We expect to grant options to purchase approximately 4,038 shares of our Class A common stock to certain of our directors, executive officers and other employees in connection with this offering. This amount was calculated assuming the stock options were granted on October 1, 2016 with the stock options having an exercise price equal to $44,789 per share, the assumed initial public offering price based on the midpoint of the price range set forth on the cover page of this prospectus. The grant date fair values of the stock options were determined using the Black-Scholes valuation model using the following assumptions:

- **Expected volatility**
- **Expected dividend yield**
- **Expected term (in years)**
- **Risk-free interest rate**
(f) i3 Verticals, LLC has been, and will continue to be, treated as a partnership for U.S. federal and state income tax purposes. As such, income generated by i3 Verticals, LLC will flow through to its partners, including us, and is generally not subject to tax at the i3 Verticals, LLC level. Following the Reorganization Transactions, we will be subject to U.S. federal income taxes, in addition to state and local income taxes with respect to our allocable share of any taxable income of i3 Verticals, LLC. As a result, the unaudited pro forma consolidated statements of income reflect adjustments to our income tax expense to reflect an effective income tax rate of % for the year ended September 30, 2017, which was calculated assuming the U.S. federal rates currently in effect and the highest statutory rates apportioned to each applicable state, local and foreign jurisdiction.

The income tax expense for the offering adjustments is determined using the Continuing Equity Owners’ economic interest in i3 Verticals, LLC of % after giving effect to the issuance of shares of Class A common stock in this offering and the Former Equity Owners’ conversion of their ownership interest in common units of i3 Verticals, LLC for shares of Class A common stock, based on the pro forma i3 Verticals, LLC income before income taxes adjusted for stock option expense and the reduction in interest expense as a result of the repayment of our Mezzanine Notes in full in the amount of $ million, our Junior Subordinated Notes in full in the amount of $ million, and $ million of outstanding borrowings under our Senior Secured Credit Facility. The effective tax rate derived from the face of the unaudited pro forma consolidated statement of income will be lower than the stated effective tax rate because the effective tax rate is applied to only % of the income before taxes based on i3 Verticals, Inc.’s economic interest in i3 Verticals, LLC. Our pro forma allocable share of taxable income from i3 Verticals, LLC was $ million and our income tax was $ million for the year ended September 30, 2017.

(g) Upon completion of the Reorganization Transactions, i3 Verticals, Inc. will become the sole managing member of i3 Verticals, LLC. As a result, we will consolidate the financial results of i3 Verticals, LLC and will report a non-controlling interest related to the common units of i3 Verticals, LLC held by the Continuing Equity Owners on our consolidated statements of income. Following this offering, assuming the underwriters do not exercise their option to purchase additional shares of Class A common stock, i3 Verticals, Inc. will own % of the common units of i3 Verticals, LLC and the Continuing Equity Owners will own the remaining % of the common units of i3 Verticals, LLC. Net income attributable to non-controlling interest will represent % of the income before income taxes of i3 Verticals, Inc. These amounts have been determined based on the assumption that the underwriters’ option to purchase additional shares of Class A common stock is not exercised. If the underwriters exercise their option to purchase additional shares of Class A common stock in full, i3 Verticals Inc. will own % of the common units of i3 Verticals, LLC, the Continuing Equity Owners will own the remaining % of the common units of i3 Verticals, LLC and net income attributable to non-controlling interest will represent % of the income before income taxes of i3 Verticals, Inc.

The Reorganization Transaction adjustments include adjustments to report pro forma i3 Verticals, LLC net income attributable to non-controlling interests equal to the Continuing Equity Owners’ economic interest in i3 Verticals, LLC of % after giving effect to the Former Equity Owners’ conversion of Class B common units for shares of Class A common stock.

The offering adjustments include adjustments to report a non-controlling interest equal to the Continuing Equity Owners’ economic interest in i3 Verticals, LLC of %, after giving effect to the issuance of shares of Class A common stock in this offering and the Former Equity Owners’ conversion of their ownership interest in common units of i3 Verticals, LLC for shares of Class A common stock based on the pro forma i3 Verticals, LLC net income, adjusted for (i) equity-based compensation expense and (ii) the reduction in interest expense as a result of the repayment of our Mezzanine Notes in full, our Junior Subordinated Notes in full and $ of outstanding borrowings under our Senior Secured Credit Facility.

(h) As described in “Use of Proceeds,” we intend to use a portion of the net proceeds from this offering (assuming that the underwriters’ option to purchase additional shares of our Class A common stock is not exercised) to purchase common units directly from i3 Verticals, LLC at a price per unit equal to the initial
public offering price per share of Class A common stock in this offering less the underwriting discounts and commissions. i3 Verticals, LLC intends to use the $ million in net proceeds it receives from the sale of common units to i3 Verticals, Inc. to repay our Mezzanine Notes in full in the amount of $ million, our Junior Subordinated Notes in full in the amount of $ million and approximately $ million of outstanding borrowings under the revolving loan of our Senior Secured Credit Facility. Accordingly, pro forma adjustments have been made to reflect a reduction in interest expense of $ million for the year ended September 30, 2017, computed at a weighted-average interest rate of %, as if the outstanding borrowings had been repaid on October 1, 2016.
Pro forma basic net income per share is computed by dividing the net income available to Class A common stockholders by the weighted-average shares of Class A common stock outstanding during the period. Pro forma diluted net income per share is computed by adjusting the net income available to Class A common stockholders and the weighted-average shares of Class A common stock outstanding to give effect to potentially dilutive securities. Shares of our Class B common stock are not entitled to receive any distributions or dividends and have no rights to convert into Class A common stock. When a common unit is exchanged for, at our election, cash or Class A common stock by a Continuing Equity Owner who holds shares of our Class B common stock, such Continuing Equity Owner will be required to surrender a share of Class B common stock, which we will cancel for no consideration. Therefore, we did not include shares of our Class B common stock in the computation of pro forma basic or diluted net loss per share. The following table sets forth a reconciliation of the numerators and denominators used to compute pro forma basic and diluted net loss per share (in thousands, except per share data):

(1) We plan to use a portion of the net proceeds from this offering (assuming that the underwriters' option to purchase additional shares of our Class A common stock is not exercised) to purchase common units directly from i3 Verticals, LLC at a price per unit equal to the offering price per share of Class A common stock in this offering less the underwriting discounts and commissions and, in turn, i3 Verticals, LLC intends to use the $ million in net proceeds it receives from the sale of common units to i3 Verticals, Inc. to repay our Mezzanine Notes in full, our Junior Subordinated Notes in full and $ million of outstanding borrowings under our Senior Secured Credit Facility.

(2) In calculating pro forma basic net income per share for the year ended September 30, 2017, unvested options to purchase approximately shares of our Class A common stock that we expect to grant to certain of our directors, executive officers and other employees in connection with this offering that would have vested as of September 30, 2017 have not been included because

77
their exercise price is equal to the initial public offering price per share of our Class A common stock in this offering and therefore they have no effect on pro forma diluted net income per share. 

(3) The reallocation of net income (loss) assuming conversion of common units represents the tax effected net income (loss) attributable to non-controlling interest using the effective income tax rates described in footnote (c) above and assuming all common units of i3 Verticals, LLC were exchanged for Class A common stock at the beginning of the period. The common units of i3 Verticals, LLC held by the Continuing Equity Owners are potentially dilutive securities, and the computations of pro forma diluted net income (loss) per share assume that all common units of i3 Verticals, LLC were exchanged for shares of Class A common stock at the beginning of the period. This adjustment was made only for purposes of calculating pro forma diluted net income per share and does not necessarily reflect the amount of exchanges that may occur subsequent to this offering.

(4) Includes outstanding shares of Class A common stock issuable upon the exchange of common units to be held by the Continuing Equity Owners prior to this offering and shares of unvested common units and options.
The following summary consolidated financial data of i3 Verticals, LLC should be read in conjunction with "Our Organizational Structure," "Capitalization," "Management’s Discussion and Analysis of Financial Condition and Results of Operations," and our audited consolidated financial statements and the related notes included elsewhere in this prospectus. i3 Verticals, LLC will be considered our predecessor for accounting purposes, and its consolidated financial statements will be our historical financial statements following this offering.

The statement of operations data set forth below for the fiscal years ended September 30, 2017 and 2016 and the balance sheet data as of September 30, 2017 and 2016 are derived from the audited consolidated financial statements of i3 Verticals, LLC that are included elsewhere in this prospectus. The summary condensed consolidated statement of operations data for the six months ended March 31, 2018 and 2017 and the condensed consolidated balance sheet data as of March 31, 2018 are derived from unaudited interim condensed consolidated financial statements included elsewhere in this prospectus. The summary unaudited condensed consolidated statements of operations data for the twelve months ended March 31, 2018 and 2017 are derived from management’s records. The unaudited interim condensed consolidated financial statements, and the condensed consolidated statements of operations data for the twelve months ended March 31, 2018 and 2017, have been prepared on the same basis as the audited consolidated financial statements and reflect, in the opinion of management, all adjustments of a normal, recurring nature that are necessary for the fair presentation of the unaudited interim condensed consolidated financial statements and the condensed consolidated statements of operations data for the twelve months ended March 31, 2018 and 2017.

The historical results presented below are not necessarily indicative of financial results to be achieved in future periods.

1. Payment volume is the net dollar value of both 1) Visa, Mastercard and other payment network transactions processed by our clients and settled to clients by us and 2) ACH transactions processed by our clients and settled to clients by us.
2. Number of clients represents an approximate number of our clients who are actively processing payment volume as of the end of the period.
3. Net revenue is calculated as revenue less certain network fees and other costs described below. Adjusted net income is calculated as net income before certain non-cash changes in the fair value of contingent consideration, non-cash changes in the fair value of warrant liabilities, other non-core cash items and the other items described below. Adjusted EBITDA is equal to adjusted net income before interest, income taxes, depreciation and amortization. Net revenue, adjusted net income and adjusted EBITDA eliminate the effects of items that we do not consider indicative of our core operating performance. As a result, we consider net revenue, adjusted net income and adjusted EBITDA to be important indicators of our operational strength and the performance of our business. Management believes the uses of net revenue, adjusted net income and adjusted EBITDA are appropriate to provide additional information to investors about certain material non-cash items and about unusual items that we do not expect to continue at the same level in the future. By providing these non-GAAP financial measures, together with a reconciliation to GAAP results, we believe we are enhancing investors’ understanding of our business and our results of operations, as well as assisting investors in evaluating how well we are executing our business strategies. We believe investors use net revenue, adjusted net income and adjusted EBITDA as supplemental measures to evaluate the overall operating performance of companies in our industry. The way we present net revenue, adjusted net income and adjusted EBITDA may not be comparable to similarly titled measures reported by other companies.

#### Net revenue, adjusted net income and adjusted EBITDA

Net revenue, adjusted net income and adjusted EBITDA are not intended as alternatives to revenue or net income (loss), as applicable, as indicators of our operating performance, or as alternatives to any other measure of performance in conformity with GAAP. You should therefore not place undue reliance on net revenue, adjusted net income and adjusted EBITDA or ratios calculated using those measures. Our GAAP-based measures can be found in our consolidated financial statements and related notes included elsewhere in this prospectus. In particular, adjusted EBITDA has significant limitations as an analytical tool because it excludes certain material costs. For example, it does not include interest expense, which has been a necessary element of our costs. In addition, the exclusion of amortization expense associated with our intangible assets further limits the usefulness of this measure. Because adjusted EBITDA does not account for these expenses, its utility as a measure of our operating performance has material limitations. Accordingly, management does not view adjusted EBITDA in isolation and also uses other measures, such as cost of services and goods and net income to measure operating performance.

The following discussion and analysis of our financial condition and results of operations should be read together with “Selected Historical Consolidated Financial and Other Data” and the financial statements and related notes included elsewhere in this prospectus. Such discussion and analysis reflects the historical results of operations and financial position of i3 Verticals, LLC, and, except as otherwise indicated below, does not give effect to the Reorganization Transactions or to the completion of this offering. See “Our Organizational Structure.” This discussion contains forward-looking statements based upon current expectations that involve risks and uncertainties. Our actual results may differ materially from those anticipated in these forward-looking statements as a result of various factors, including those set forth under “Risk Factors” and “Cautionary Note Regarding Forward-Looking Statements” and elsewhere in this prospectus.

Executive Overview

Recognizing the convergence of software and payments, i3 Verticals was founded in 2012 with the purpose of delivering seamless integrated payment and software solutions to SMBs and organizations in strategic vertical markets. Since commencing operations, we have built a broad suite of payment and software solutions that address the specific needs of SMBs and other organizations in our strategic vertical markets, and we believe our suite of solutions differentiates us from our competition. Our primary strategic vertical markets include education, non-profit, public sector, property management and healthcare. These vertical markets are large, growing and tend to have increasing levels of electronic payments adoption compared to other industries. In addition to our strategic vertical markets, we also have a growing presence in the B2B payments market. We processed approximately $10.3 billion in total payment volume in 2017, growing at a CAGR of 67% since 2014.

We distribute our payment technology and proprietary software solutions to our clients through our direct sales force as well as through a growing network of distribution partners, including ISVs, VARs, ISOs and other referral partners, including financial institutions. Our ISV partners represent a significant distribution channel and enable us to accelerate our market penetration through a cost effective one-to-many distribution model that tends to result in high retention and faster growth. From September 30, 2016 to September 30, 2017, we increased our network of ISVs from 13 to 22, which produced an increase in average monthly payment volume of 155%.

Our integrated payment and software solutions feature embedded payment capabilities tailored to the specific needs of our clients in strategic vertical markets. Our configurable payment technology solutions integrate seamlessly into clients’ third-party business management systems, provide security that complies with PCI DSS and include extensive reporting tools. In addition to integrations with third party software, we deliver our own proprietary software solutions that increase the productivity of our clients by streamlining their business processes, particularly in the education, property management and public sector markets. We believe our proprietary software further differentiates us from our competitors in these strategic verticals and enables us to maximize our payment-related revenue. Through our proprietary gateway, we offer our clients a single point of access for a broad suite of payment and software solutions, enabling omni-channel POS, spanning brick and mortar and electronic and mobile commerce, including app-based payments.

We primarily focus on strategic vertical markets where we believe we can be a leader in vertically-focused, integrated payment and software solutions. Our strategic vertical markets include education, non-profit, public sector, property management and healthcare. We have a longer term goal of being a leader in six to ten strategic vertical markets. We target vertical markets where businesses and organizations tend to lack integrated payment functionality within their business management systems and where we face less competition for our solutions. In many cases, we deliver our proprietary software solutions to strategic vertical markets through the PayFac model, where we maintain a master merchant account, enabling clients to accept electronic payments through a sub-merchant contract. As more ISVs seek to differentiate their offerings by seamlessly integrating payment functionality into their software solutions, the PayFac model has gained significant momentum. Before PayFacs were an option, any business looking to accept credit cards was required to establish an individual merchant account, which is often costly and time-consuming for small merchants. Our PayFac solution streamlines and simplifies client onboarding, delivers ease of reporting and reconciliation and enables superior data management.
In addition to our vertical markets, we have a growing presence in the B2B payments sector, which is among the fastest-growing segments within payments. Compared with business-to-consumer payments where, according to The Nilson Report, approximately 75% of payment volume was processed through electronic methods in 2016, the B2B payments market is significantly less penetrated by electronic payments. According to PayStream Advisors’ 2017 Electronic Payments Report, checks account for more than 45% of B2B payments, presenting an opportunity for further adoption of card-based and other electronic payments.

An important part of our long-term strategy is acquisition-driven growth. To date, we have completed nine “platform” acquisitions and twelve “tuck-in” acquisitions. Our platform acquisitions have opened new strategic vertical markets, broadened our technology and solutions suite and expanded our client base, while our tuck-in acquisitions have augmented our existing payment and software solutions and added clients. Our growth strategy is to continue to build our company through a disciplined combination of organic growth and growth through platform and tuck-in acquisitions. With more than 3,500 U.S. payments companies registered with Visa and over 10,000 ISVs doing business in the United States, we are confident that we will continue to be successful in finding acquisition targets to supplement our organic growth.

We generate revenue primarily from payment processing services, which principally include but are not limited to volume-based fees, provided to clients throughout the United States. Our payment processing services enable clients to accept electronic payments, facilitating the exchange of funds and transaction data between clients, financial institutions and payment networks. Our payment processing services include merchant onboarding, risk and underwriting, authorization, settlement, chargeback processing and other merchant support. We also generate revenue from software licensing subscriptions, ongoing support, and other POS-related solutions that we provide to our clients directly and through our distribution partners. For the six month period ended March 31, 2018, we generated $154.9 million in revenue, $(7.2) million of net loss and $14.6 million of adjusted EBITDA, compared to $124.5 million in revenue, $(0.4) million of net loss and $9.1 million of adjusted EBITDA for the comparable period in 2017, an increase of 24% and 60% for revenue and adjusted EBITDA, respectively. In fiscal year 2017, we generated $262.6 million in revenue, $0.9 million of net income and $19.3 million of adjusted EBITDA, compared to $199.6 million in revenue, $2.1 million of net loss and $17.6 million of adjusted EBITDA in fiscal year 2016, an increase of 32% and 10% for revenue and adjusted EBITDA, respectively. See “Summary Historical and Pro Forma Consolidated Financial and Other Data” for a discussion of adjusted EBITDA and a reconciliation of adjusted EBITDA to net income (loss), the most directly comparable GAAP measure.

Recent Developments

New Senior Secured Credit Facility

On October 30, 2017, we refinanced our then existing senior secured credit facility (the “2016 Senior Secured Credit Facility”) with a new syndicated credit agreement, with Bank of America serving as administrative agent (the Senior Secured Credit Facility). The new Senior Secured Credit Facility consists of a $40.0 million term loan and a $110.0 million revolving line of credit. The Senior Secured Credit Facility accrues interest, payable monthly, at an annual rate equal to the prime rate plus a margin of 0.50% to 2.00% or at the 30-day LIBOR rate plus a margin of 2.75% to 4.00%, in each case depending on the ratio of consolidated debt to EBITDA, as defined in the agreement. Additionally, the Senior Secured Credit Facility requires us to pay unused commitment fees of up to 0.30% on any undrawn amounts under the revolving line of credit. The maturity date of the Senior Secured Credit Facility is the earlier of October 30, 2022 or 181 days before the maturity date of the Mezzanine Notes. Principal payments of $1.3 million are due on the last day of each calendar quarter until the maturity date, when all outstanding principal and accrued and unpaid interest are due. We used proceeds from the Senior Secured Credit Facility to complete the acquisition of SDCR, Inc. discussed below. As of March 31, 2018 we had $37.5 million of term loans outstanding with $70.8 million outstanding and $39.3 million of available capacity under our revolving line of credit.

For additional information, see “—Liquidity and Capital Resources—Senior Secured Credit Facility” in this section.

Our Revenue and Expenses

Revenues

We generate revenue primarily from payment processing services provided to clients, which principally include but are not limited to volume-based fees ("discount fees"), and to a lesser extent, software licensing subscriptions, ongoing support and other POS-related solutions we provide to our clients directly and through our distribution partners. Volume-based fees represent a percentage of the dollar amount of each credit or debit transaction processed. Revenues are also derived from a variety of fixed transaction or service fees, including authorization fees, convenience fees, statement fees, annual fees and fees for other miscellaneous services, such as handling chargebacks.

Expenses

Interchange and network fees. Interchange and network fees consist primarily of pass-through fees that make up a portion of discount fee revenue. These include assessment fees payable to card associations, which are a percentage of the processing volume we generate from Visa and Mastercard.

Other costs of services. Other costs of services include costs directly attributable to processing and bank sponsorship costs. These also include related costs such as residual payments to our distribution partners, which are based on a percentage of the net revenues generated from client referrals. Losses resulting from excessive chargebacks against a client are included in other cost of services. The cost of equipment sold is also included in cost of services. Interchange and other costs of services are recognized at the time the client's transactions are processed.

Selling, general and administrative. Selling, general and administrative expenses include salaries and other employment costs, professional services, rent and utilities and other operating costs.

Depreciation and amortization. Depreciation expense consists of depreciation on our investments in property, equipment and computer hardware and software. Depreciation expense is recognized on a straight-line basis over the estimated useful life of the asset. Amortization expense for acquired intangible assets and internally developed software is recognized using a proportional cash flow method. Amortization expense for internally developed software is recognized over the estimated useful life of the asset. The useful lives of contract-based intangible assets are equal to the terms of the agreement.

Interest expense, net. Our interest expense consists of interest on our outstanding indebtedness under our Senior Secured Credit Facility, Mezzanine Notes and Junior Subordinated Notes.
How We Assess Our Business

Merchant Services
Our Merchant Services segment provides comprehensive payment solutions to businesses and organizations. Our Merchant Services segment includes third-party integrated payment solutions as well as traditional payment services across our strategic vertical markets.

Proprietary Software and Related Payments
Our Proprietary Software and Related Payments business delivers embedded payment solutions to our clients through company-owned software. Payments are delivered through both the PayFac model and the traditional merchant processing model. Our Proprietary Software and Related Payments clients are primarily in the education, property management and public sector markets. Our Proprietary Software and Related Payments business is included, along with corporate overhead expenses, in our "Other" category.

For additional information, see Note 11 to our unaudited interim condensed consolidated financial statements and Note 16 in our audited consolidated financial statements included elsewhere in this prospectus.

Key Operating Metrics
We evaluate our performance through key operating metrics, including:

- the dollar volume of payments our clients process through us ("payment volume");
- the portion of our payment volume that is produced by integrated transactions; and
- period-to-period payment volume attrition.

Our payment volume for the six months ended March 31, 2018 and 2017 was $5.6 billion and $4.9 billion, respectively, representing a period-to-period growth rate of 14%. For the years ended September 30, 2017 and 2016, our payment volume was $10.3 billion and $8.1 billion, respectively, representing a period-to-period growth rate of 27%. We focus on volume, because it is a reflection of the scale and economic activity of our client base and because a significant part of our revenue is derived as a percentage of our clients' dollar volume receipts. Payment volume reflects the addition of new clients and same store payment volume growth of existing clients, partially offset by client attrition during the period.

Integrated payments represents payment transactions that are generated in situations where payment technology is embedded within our own proprietary software, a client's software or critical business process. We evaluate the portion of our payment volume that is produced by integrated transactions because we believe the convergence of software and payments is a significant trend impacting our industry. We believe integrated payments create stronger client relationships with higher payment volume retention and growth. Integrated payments grew to 41% of our payment volume for the six months ended March 31, 2018 from 34% for the six months ended March 31, 2017 and from 23% for the six months ended March 31, 2016, representing period-to-period growth rates of 18% and 48%, respectively. For the years ended September 30, 2017 and 2016, integrated payments were 36% and 28% of our payment volume, respectively, representing a period-to-period growth rate of 28%.

We measure period-to-period payment volume attrition as the change in card-based payment volume for all clients that were processing with us for the same period in the prior year. We exclude from our calculations payment volume from new clients added during the period. We experience attrition in payment volume as a result of several factors, including business closures, transfers of clients' accounts to our competitors and account closures that we initiate due to heightened credit risks. During the six months ended March 31, 2018 and the years ended September 30, 2017 and 2016, we experienced approximately 1% net volume attrition per month.

**Revenue**

Revenue increased $30.5 million, or 24.5%, to $154.9 million for the six months ended March 31, 2018 from $124.5 million for the six months ended March 31, 2017. This increase was principally driven by acquisitions. Acquisitions completed after March 31, 2017 contributed $26.3 million of our revenue and $0.5 billion of our payment volume for the six months ended March 31, 2018. The remaining $4.2 million of increased revenue was due primarily to a $0.1 billion increase in payment volume.

Revenue within Merchant Services increased $28.1 million, or 24.0%, to $145.2 million for the six months ended March 31, 2018 from $117.0 million for the six months ended March 31, 2017. Revenue related to a subset of merchant contracts purchased in 2014 and 2017 (“Purchased Portfolios”), which have a higher rate of revenue attrition and payment volume attrition than the rest of our business, decreased $2.3 million, or 19.1%, to $9.8 million for the six months ended March 31, 2018 from $12.1 million for the six months ended March 31, 2017. Excluding revenues from the Purchased Portfolios, revenue within Merchant Services grew $30.4 million, or 29.0%, for the six months ended March 31, 2018 from the six months ended March 31, 2017.

Revenue within our Other business, comprised primarily of our Proprietary Software and Related Payments, increased $2.3 million, or 31.4%, to $9.8 million for the six months ended March 31, 2018 from $7.4 million for the six months ended March 31, 2017.
Payment volume increased $0.7 billion, or 14.7%, to $5.6 billion for the six months ended March 31, 2018 from $4.9 billion for the six months ended March 31, 2017. Revenues as a percentage of payment volume increased to 2.8% for the six months ended March 31, 2018 from 2.6% for the six months ended March 31, 2017, as acquisitions completed after March 31, 2017 had a greater revenue to payment volume profile than our existing businesses.

Interchange and Network Fees
Interchange and network fees increased $13.8 million, or 15.4%, to $102.9 million for the six months ended March 31, 2018 from $89.1 million for the six months ended March 31, 2017. This increase was driven primarily by a 14.1% increase in payment volume.

Interchange and network fees within Merchant Services increased $13.3 million, or 15.3%, to $100.3 million for the six months ended March 31, 2018 from $87.0 million for the six months ended March 31, 2017. Interchange and network fees related to the Purchased Portfolios decreased $1.1 million, or 18.7%, to $4.7 million for the six months ended March 31, 2018 from $5.7 million for the six months ended March 31, 2017. Excluding revenues from these Purchased Portfolios, interchange and network fees within Merchant Services grew $14.4 million, or 17.7%, for the six months ended March 31, 2018 from the six months ended March 31, 2017.

Interchange and network fees within our Other business, comprised primarily of our Proprietary Software and Related Payments, increased $0.5 million, or 22.2%, to $2.5 million for the six months ended March 31, 2018 from $2.1 million for the six months ended March 31, 2017.

Other Costs of Services
Other costs of services increased $5.4 million, or 40.0%, to $19.1 million for the six months ended March 31, 2018 from $13.6 million for the six months ended March 31, 2017. Increased payment volume resulted in greater third-party processing costs of $1.3 million and an increase in residuals paid to our distribution partners of $1.1 million. The cost of equipment and software also rose $2.6 million, as the acquisitions of SDCR, Inc. and EMS, Inc. contributed $2.5 million of the increase in equipment and software costs.

Other costs of services within Merchant Services increased $5.6 million, or 43.5%, to $18.5 million for the six months ended March 31, 2018 from $12.9 million for the six months ended March 31, 2017. Other costs of services related to the Purchased Portfolios decreased $0.3 million, or 18.2%, to $1.2 million for the six months ended March 31, 2018 from $1.4 million for the six months ended March 31, 2017. Excluding revenues from these Purchased Portfolios, other costs of services within Merchant Services grew $5.9 million, or 51.1%, for the six months ended March 31, 2018 from the six months ended March 31, 2017.

Other costs of services within our Other business, comprised primarily of our Proprietary Software and Related Payments, decreased $0.2 million, or 22.7%, to $0.6 million for the six months ended March 31, 2018 from $0.7 million for the six months ended March 31, 2017. The decrease was due to reduced processing costs and residual expense.

Selling, General and Administrative Expenses
Selling, general and administrative expenses increased $6.1 million, or 47.2%, to $19.0 million for the six months ended March 31, 2018 from $12.9 million for the six months ended March 31, 2017. This increase was primarily driven by an increase in employment costs of $5.2 million due to an increase in headcount from acquisitions. Increases in software and technological services, rent, telecommunication costs, advertising and marketing expenses comprised the remainder of the increase.

Depreciation and Amortization
Depreciation and amortization increased $0.8 million, or 15.9%, to $5.9 million for the six months ended March 31, 2018 from $5.1 million for the six months ended March 31, 2017. Amortization expense increased $0.8 million to $5.5 million for the six months ended March 31, 2018 from $4.7 million for the six months ended March 31, 2017, primarily due to greater amortization expense resulting from acquisitions such as Fairway and SDCR, Inc., which was partially offset by lower amortization expense for historical acquisitions due to our accelerated method of amortization. Depreciation expense remained consistent at $0.4 million for the six months ended March 31, 2018 and 2017.
Change in Fair Value of Contingent Consideration
Change in fair value of contingent consideration to be paid in connection with acquisitions was a charge of $2.1 million for the six months ended March 31, 2018 primarily due to the strong performance of the EZ-Pay and CSC, LLC acquisitions. The change in fair value of contingent consideration for the six months ended March 31, 2017 was a charge of $0.9 million, primarily due to the strong performance of the Infintech acquisition.

Interest Expense, net
Interest expense, net, increased $1.8 million, or 54.4%, to $5.0 million for the six months ended March 31, 2018 from $3.2 million for the six months ended March 31, 2017. The increase reflects additional borrowings on our Senior Secured Credit Facility used to fund our acquisition activity subsequent to March 31, 2017.

Change in Fair Value of Warrant Liability
The change in fair value of our warrant liabilities corresponds to the value of the warrants issued in connection with our Mezzanine Notes. The fair value of these warrant liabilities increased $8.2 million for the six months ended March 31, 2018. The change in the fair value of the warrants was due to increased estimated enterprise value resulting from our acquisitions and growth. The change in fair value of the warrant liabilities was nominal for the six months ended March 31, 2017.

Benefit for Income Taxes
Income taxes remained a benefit of $0.1 million for both the six months ended March 31, 2018 and 2017, respectively. Our effective tax rate was 1.9% for the six months ended March 31, 2018. Our effective tax rate differs from the federal statutory rate because i3 Verticals, LLC is taxed as a partnership and we do not pay federal income taxes. After consummation of the Reorganization Transactions and this offering, i3 Verticals, Inc. will become subject to federal, state and local income taxes with respect to its allocable share of any taxable income of i3 Verticals, LLC and will be taxed at the prevailing corporate tax rates.

**Revenue**

Revenue increased $62.9 million, or 31.5%, to $262.6 million for the year ended September 30, 2017 from $199.6 million for the year ended September 30, 2016. This increase was principally driven by acquisitions. Acquisitions completed during 2017 contributed $14.8 million of our revenue and $0.6 billion of our payment volume for the year ended September 30, 2017. Acquisitions completed during 2016 contributed $38.4 million revenue and $1.4 billion payment volume for the year ended September 30, 2017, primarily due to our Axia acquisition. The remaining $9.8 million in revenue growth was due to an increase in payment volume at our existing businesses.

Revenue within Merchant Services increased $60.3 million, or 32.1%, to $248.0 million for the year ended September 30, 2017 from $187.7 million for the year ended September 30, 2016. Revenue related to the Purchased Portfolios acquired in 2014, which have a higher rate of revenue attrition and payment volume attrition than the rest of our business, decreased $0.3 million, or 1.4%, to $23.5 million for the year ended September 30, 2017 from $23.8 million for the year ended September 30, 2016. The decrease was only 1.4% due to our ability to recognize additional revenues beginning February 2016 pursuant to a one-time change in the contractual terms of the Purchased Portfolios acquired in 2014. For the first four months of the year ended September 30, 2016, we recognized $1.0 million of revenue each month, or $4.0 million of revenue in total, whereas from February 2016 to September 2016, we recognized $19.8 million of revenue produced by the payment volume from the Purchased...
Portfolios acquired in 2014. The change in contractual terms continued for all of 2017. Excluding revenues from the Purchased Portfolios acquired in 2014, revenue within Merchant Services grew $60.6 million, or 37.0%, for the year ended September 30, 2017 from $11.9 million for the year ended September 30, 2016.

Revenue within our Other business, comprised primarily of our Proprietary Software and Related Payments, increased $2.6 million, or 22.1%, to $14.6 million for the year ended September 30, 2017 from $11.9 million for the year ended September 30, 2016.

Payment volume increased $2.1 billion, or 26.1%, to $10.3 billion for the year ended September 30, 2017 from $8.1 billion for the year ended September 30, 2016. The $2.1 billion increase in payment volume reflects the $1.9 billion increase in payment volume from acquisitions and a $0.2 billion increase in the payment volume of our existing businesses. Revenue as a percentage of payment volume remained relatively consistent at 2.5% for the year ended September 30, 2017 and 2016.

**Interchange and Network Fees**

Interchange and network fees increased $48.1 million, or 34.1%, to $189.1 million for the year ended September 30, 2017 from $141.0 million for the year ended September 30, 2016. This increase was driven primarily by increased payment volume as discussed above.

Interchange and network fees within Merchant Services increased $47.3 million, or 34.4%, to $185.1 million for the year ended September 30, 2017 from $137.8 million for the year ended September 30, 2016. Interchange and network fees related to the Purchased Portfolios increased $1.0 million, or 9.2%, to $11.4 million for the year ended September 30, 2017 from $10.4 million for the year ended September 30, 2016. Although the Purchased Portfolios experienced higher payment volume attrition than the rest of our business, interchange and network fees increased due to the change in contractual terms discussed above. For the first four months of the year ended September 30, 2016, we recognized zero interchange and network fees related to the purchased merchant contracts. For the last eight months of the year ended September 30, 2016, we recognized $10.4 million of interchange and network fees related to the Purchased Portfolios. Excluding revenues from the Purchased Portfolios, interchange and network fees within Merchant Services grew $46.4 million, or 36.4%, for the year ended September 30, 2017 from the year ended September 30, 2016.

Interchange and network fees within our Other business, comprised primarily of our Proprietary Software and Related Payments, increased $0.8 million, or 24.2%, to $4.0 million for the year ended September 30, 2017 from $3.2 million for the year ended September 30, 2016.

**Other Costs of Services**

Other costs of services grew in line with revenue as it increased $6.9 million, or 31.3%, to $28.8 million for the year ended September 30, 2017 from $21.9 million for the year ended September 30, 2016. The principal cause of the increase was increased payment volume, which resulted in increased residuals paid to our distribution partners of $3.2 million and an increase in third-party processing costs of $2.6 million. Growth in new clients resulted in an increase in the cost of equipment of $0.6 million and an increase in other customer product costs of $0.3 million.

Other costs of services within Merchant Services increased $7.0 million, or 34.6%, to $27.4 million for the year ended September 30, 2017 from $20.3 million for the year ended September 30, 2016. Other costs of services related to the Purchased Portfolios increased $0.3 million, or 11.6%, to $2.8 million for the year ended September 30, 2017 from $2.5 million for the year ended September 30, 2016. Although the Purchased Portfolios experienced higher payment volume attrition than the rest of our business, other costs of services increased due to the change in contractual terms discussed above. For the first four months of the year ended September 30, 2016, we recognized zero other costs of services related to the Purchased Portfolios. For the last eight months of the year ended September 30, 2016, we recognized $2.5 million of other costs of services related to the Purchased Portfolios. Excluding revenues from the Purchased Portfolios, other costs of services within Merchant Services grew $6.7 million, or 37.8%, for the year ended September 30, 2017 from the year ended September 30, 2016.
Other costs of services within our Other business, comprised primarily of our Proprietary Software and Related Payments, decreased $0.2 million, or 22.7%, to $0.6 million for the year ended September 30, 2017 from $0.5 million for the year ended September 30, 2016. The decrease was due to reduced processing costs and residual expense.

**Selling, General and Administrative Expenses**

Selling, general and administrative expenses increased $6.8 million, or 33.3%, to $27.2 million for the year ended September 30, 2017 from $20.4 million for the year ended September 30, 2016. This increase was primarily driven by an increase in employment costs of $3.2 million due to an increase in headcount from acquisitions. We expensed $1.0 million of a legal settlement that was accrued during the year ended September 30, 2017. We also experienced an increase in professional services and insurance of $0.7 million. Increases in software and technological services, rent, telecommunication costs, advertising and marketing expenses comprised the remainder of the change.

**Depreciation and Amortization**

Depreciation and amortization increased $0.2 million, or 1.9%, to $10.1 million for the year ended September 30, 2017 from $9.9 million for the year ended September 30, 2016. Amortization expense remained consistent at $9.2 million for the years ended September 30, 2017 and 2016. We experienced greater amortization expense resulting from acquisitions such as Axia and Fairway, which was offset by lower amortization expense for historical acquisitions resulting from our accelerated method of amortization. Depreciation expense increased $0.2 million to $0.9 million in the year ended September 30, 2017 from $0.7 million in the year ended September 30, 2016, primarily due to an increase in the amount of POS equipment provided to our clients that we capitalize and depreciate over the expected life of the merchant contract.

**Change in Fair Value of Contingent Consideration**

Change in fair value of contingent consideration was a gain of $0.2 million in the year ended September 30, 2017 compared to a charge of $2.5 million in the year ended September 30, 2016. During 2016, management increased its estimates of contingent consideration to be paid for acquisitions, primarily due to the strong performance of the Infintech and PBS acquisitions. Management estimates of future contingent consideration to be paid remained relatively flat during 2017.

**Interest Expense, net**

Interest expense, net, increased $1.0 million, or 17.6%, to $6.9 million for the year ended September 30, 2017 from $5.9 million for the year ended September 30, 2016. The increase reflects additional borrowings on our 2016 Senior Secured Credit Facility due to debt used to fund our acquisition activity in 2017 and 2016.

**Change in Fair Value of Warrant Liability**

The change in fair value of our warrant liabilities corresponds to the value of the warrants issued in connection with our Mezzanine Notes. The fair value of these warrant liabilities decreased $0.4 million for the year ended September 30, 2017. The Class A units issued in July 2017 in conjunction with the Fairway Payments, LLC acquisition increased our total number of equity units outstanding which decreased the fair value of the warrants. The change in fair value of the warrant liabilities was less than $0.1 million for the year ended September 30, 2016.

**Provision for Income Taxes**

The provision for income taxes decreased $0.1 million, or 27.2%, to less than $0.2 million for the year ended September 30, 2017 from more than $0.2 million for the year ended September 30, 2016. Our effective tax rate was 16.4% for the year ended September 30, 2017. Our effective tax rate differs from the federal statutory rate because i3 Verticals, LLC is taxed as a partnership and we do not pay federal income taxes. We use an accelerated method of amortization for our intangible assets as compared to straight-line amortization required for tax purposes, which results in greater pretax income for tax purposes after we complete acquisitions. These amortization differences caused us to have current tax expense of $0.2 million on a pretax loss of $1.9 million for the year ended September 30, 2016. After consummation of the Reorganization Transactions and this offering, i3 Verticals, Inc. will become subject to federal, state and local income taxes with respect to its allocable share of any taxable income of i3 Verticals, LLC and will be taxed at the prevailing corporate tax rates.
Seasonality

We have experienced in the past, and may continue to experience, seasonal fluctuations in our revenues as a result of consumer spending patterns. Revenues during the first quarter of the calendar year, which is our second fiscal quarter, tend to decrease in comparison to the remaining three quarters of the calendar year on a same store basis. This decrease is due to the increase in the number and amount of electronic payment transactions related to seasonal retail events, such as holiday and vacation spending. The number of business days in a month or quarter also may affect seasonal fluctuations. Revenue in our education vertical fluctuates with the school calendar. Revenue for our education customers is strongest in August, September, October, January and February, at the start of each semester, and generally weakens throughout the semester, with little revenue in the summer months of June and July. Operating expenses show less seasonal fluctuation, with the result that net income is subject to the same seasonal factors as our revenues. The growth in our business may have partially overshadowed seasonal trends to date, and seasonal impacts on our business may be more pronounced in the future.

Liquidity and Capital Resources

We have historically financed our operations and working capital through net cash from operating activities. As of March 31, 2018, we had $0.8 million of cash and cash equivalents and available borrowing capacity of $39.3 million under our Senior Secured Credit Facility. We usually minimize cash balances by making payments on our revolving credit facility to minimize borrowings and interest expense. As previously discussed in “Recent Developments,” our new Senior Secured Credit Facility closed on October 30, 2017 and includes a $40.0 million term loan and a $110.0 million revolving credit facility.

Our primary cash needs are to fund working capital requirements, invest in our technology infrastructure, fund acquisitions and related contingent consideration, make scheduled principal payments and interest payments on our outstanding indebtedness and pay tax distributions to members. We consistently have positive cash flow provided by operations and planned capital expenditures and to service our debt obligations for at least the next twelve months. As a holding company, we depend on distributions or loans from i3 Verticals, LLC to access funds earned by our operations. The covenants contained in the Senior Secured Credit Facility may restrict i3 Verticals, LLC’s ability to provide funds to i3 Verticals, Inc. See “Risk Factors—Risks Related to Our Indebtedness—Our indebtedness could adversely affect our financial health and competitive position.”

Cash Flow from Operating Activities

Net cash provided by operating activities increased $6.0 million to $9.9 million for the six months ended March 31, 2018 from $3.9 million for the six months ended March 31, 2017. The increase in net cash provided by operating activities included an increase in net loss of $6.8 million, offset by a $8.2 million increase in change in fair value of warrant liability. Depreciation and amortization expense increased $0.8 million and non-cash contingent consideration expense from an increase in the original estimate increased $1.2 million. These increases were offset by a $0.5 million in benefit from income taxes from the revaluation of deferred taxes related to the newly enacted federal tax reform and an increase in the change in contingent consideration paid in excess of original estimates of $0.8 million. Working capital increased $3.5 million, driven by a $2.3 million reduction in
accounts receivable and a $2.1 million increase in accrued liabilities, offset by a $1.6 million decrease in other assets, for the six months ended March 31, 2018 compared to the six months ended March 31, 2017.

**Cash Flow from Investing Activities**

Net cash used in investing activities increased $24.1 million to $30.1 million for the six months ended March 31, 2018 from $6.0 million for the six months ended March 31, 2017. In the six months ended March 31, 2018, we used $18.7 million of cash for the acquisition of SDCR, Inc. We used $9.9 million of cash for other acquisitions, including the acquisition of EMS, Inc. and CS, LLC, the acquisition of residual buyouts and other intangibles. We also used $0.5 million of cash for capitalized software costs and $1.0 million of cash for property and equipment expenditures. In the six months ended March 31, 2017, we used $4.0 million of cash to acquire CSC, LLC and $1.1 million to acquire a payment portfolio. In the six months ended March 31, 2017, we used $0.6 million for capitalized software costs, and $0.3 million for property and equipment expenditures.

**Cash Flow from Financing Activities**

Net cash provided by financing activities increased $21.5 million to $20.0 million for the six months ended March 31, 2018 from a use of $1.5 million for the six months ended March 31, 2017. The increase in net cash provided by financing activities was primarily the result of increased borrowing from long-term debt to fund acquisitions and contingent consideration.

**Cash Flow from Operating Activities**

Net cash provided by operating activities decreased to $7.7 million for the year ended September 30, 2017 from $10.0 million for the year ended September 30, 2016. The decrease in net cash provided by operating activities was the result of a $1.6 million increase in contingent consideration paid in excess of original estimates and a decrease of $1.1 million in working capital driven by increased accounts receivable from our acquisitions. Net income also increased $3.0 million, which was offset by $2.6 million of non-cash charges such as depreciation and amortization and the change in fair value of warrant liabilities and contingent consideration estimates.

**Cash Flow from Investing Activities**

Net cash used in investing activities increased to $47.9 million for the year ended September 30, 2017 from $35.2 million for the year ended September 30, 2016. In 2017, the largest driver of cash used in investing activities related to our $39.0 million cash payment for the acquisition of Fairway. We also used $6.8 million of cash for other acquisitions, including purchases of merchant portfolios and residual buyouts, $1.5 million of cash for capitalization of software costs and $0.6 million of cash for property and equipment expenditures. In 2016, the largest driver of cash used in investing activities was $27.9 million used to acquire Axia. In 2016, we also used $4.4 million of cash for other acquisitions, $2.0 million of cash for capitalized software costs, and $0.9 million of cash for property and equipment expenditures.

**Cash Flow from Financing Activities**

Net cash provided by financing activities increased to $37.4 million for the year ended September 30, 2017 from $28.9 million for the year ended September 30, 2016. The increase in net cash provided by financing activities was primarily the result of increased borrowing from long-term debt to fund acquisitions and contingent consideration, in addition to increased proceeds for Class A unit issuances.
Senior Secured Credit Facility

In April and July 2016, we entered into the 2016 Senior Secured Credit Facility, for which First Bank served as the administrative agent. The 2016 Senior Secured Credit Facility consisted of term loans in the total principal amount of $20.0 million and an $80.0 million revolving line of credit. The 2016 Senior Secured Credit Facility accrued interest, payable monthly, at the prime rate per annum plus a margin of 0.50% to 2.00% (1.50% at September 30, 2017) or at the 30-day LIBOR rate plus a margin of 3.50% to 5.00% (4.50% at September 30, 2017), in each case depending on our ratio of consolidated debt to EBITDA, as defined in the agreement. Additionally, the 2016 Senior Secured Credit Facility required us to pay unused commitment fees of up to 0.30% (0.25% at September 30, 2017) on any undrawn amounts under the revolving line of credit. Through the April and July 2016 amendments, the maturity date of the 2016 Senior Secured Credit Facility was extended to April 29, 2020. Principal payments of $1.0 million were due on the last day of each calendar quarter until the maturity date, when all outstanding principal and accrued and unpaid interest were scheduled to be due.

The 2016 Senior Secured Credit Facility was further amended in July 2017 to enable us to purchase Fairway and increase our maximum senior secured debt-to-EBITDA ratio to 3.25 to 1.0 through the fiscal quarter ended June 30, 2016. The maximum senior secured debt-to-EBITDA ratio was scheduled to decrease to 3.0 to 1.0 for the fiscal quarter ended September 30, 2018 and thereafter.

The 2016 Senior Secured Credit Facility was secured by substantially all of our assets. The lenders under the facility held senior rights to collateral and principal repayment over all other creditors.

The provisions of 2016 Senior Secured Credit Facility restricted our ability to make additional borrowings and capital expenditures and required us to maintain certain financial ratios and meet certain non-financial covenants pertaining to our activities during the period covered. We were in compliance with those covenants as of September 30, 2017 and 2016.

As previously discussed, on October 30, 2017, we replaced our 2016 Senior Secured Credit Facility with the Senior Secured Credit Facility. Bank of America serves as administrative agent with Bank of America, Wells Fargo and Fifth Third serving as joint lead arrangers and joint bookrunners. The Senior Secured Credit Facility consists of $40.0 million in term loans and a $110.0 million revolving line of credit. The Senior Secured Credit Facility accrues interest, payable monthly, at the prime rate per annum plus a margin of 0.50% to 2.00% (currently 2.00%) or at the 30-day LIBOR rate plus a margin of 2.75% to 4.00% (currently 4.00%), in each case depending on the ratio of consolidated debt to EBITDA, as defined in the agreement. Additionally, the Senior Secured Credit Facility requires us to pay unused commitment fees of up to 0.30% on any undrawn amounts under the revolving line of credit. Principal payments of $1.3 million are due on the last day of each calendar quarter until the maturity date, when all outstanding principal and accrued and unpaid interest will be due. The maturity date of the Senior Secured Credit Facility is the earlier of October 30, 2022 or 181 days before the maturity date of the Mezzanine Notes. The Senior Secured Credit Facility contains customary affirmative and negative covenants, including financial covenants requiring maintenance of a senior secured debt-to-EBITDA ratio (as defined in the governing agreement), not exceeding the amounts reflected in the schedule below.

The Senior Secured Credit Facility contains provisions detailing a leverage increase period during which the required debt-to-EBITDA ratios set forth above will be increased by 0.25 for each of the four fiscal quarters immediately following a “Qualified Acquisition,” as defined therein, commencing with the fiscal quarter during which the acquisition was completed. We used proceeds from the Senior Secured Credit Facility to complete the SDCR, Inc., CS, LLC, and EMS, Inc. acquisitions. With the completion of the SDCR, Inc. acquisition, we received a step-up for the purposes of calculating our debt-to-EBITDA ratio; as of March 31, 2018, our maximum senior secured debt-to-EBITDA ratio is 3.75 to 1.0 and our maximum consolidated debt-to-EBITDA ratio is 4.75 to 1.0. As of March 31, 2018, we had $37.5 million of term loans outstanding, with $70.8 million outstanding and $39.3 million of available capacity under our revolving line of credit.

All obligations under the Senior Secured Credit Facility are fully and unconditionally secured by pledged equity interests and security interests in substantially all of our assets.

The provisions of the Senior Secured Credit Facility place certain restrictions and limitations upon the Company. These include, among others, restrictions on liens, investments, indebtedness, fundamental changes and dispositions; maintenance of certain financial ratios; and certain non-financial covenants pertaining to the activities of the Company during the period covered. The Company was in compliance with such covenants as of March 31, 2018. In addition, the Senior Secured Credit Facility restricts our ability to make dividends or other distributions to the holders of our equity. We are permitted to:

a. make cash distributions to the holders of our equity in order to pay taxes incurred by owners of equity in i3 Verticals, LLC, by reason of such ownership,

b. move intercompany cash between subsidiaries that are joined to the Senior Secured Credit Facility,

c. use up to $1.5 million per year to repurchase equity from employees, directors, officers or consultants after the restructuring of the Company in connection with this offering, and

d. make other dividends or distributions in an aggregate amount not to exceed 5% of the net cash proceeds received from any additional common equity issuance after our initial public offering.

We are also permitted to make noncash dividends in the form of additional equity issuances. The Senior Secured Credit Facility prohibits all other forms of dividends or distributions.

**Mezzanine Notes**

During 2013, we issued notes payable in the aggregate principal amount of $10.5 million (the Mezzanine Notes) to three related creditors (the Mezzanine Lenders). The Mezzanine Notes accrue interest at a fixed annual rate of 12.0%, payable monthly, and initially were due to mature in February 2018. In April 2016, the Mezzanine Notes were amended and restated and the maturity date was extended to November 29, 2020, when all outstanding principal and accrued and unpaid interest will be due. The Mezzanine Notes are secured by substantially all of our assets in accordance with the terms of the security agreement and are subordinate to the Senior Secured Credit Facility. In connection with the issuance of the Mezzanine Notes, we issued 1,424 warrants to purchase common units of i3 Verticals, LLC (the “Mezzanine Warrants”).

96
The provisions of the Mezzanine Notes restrict our ability to make additional borrowings and capital expenditures and require us to maintain certain financial ratios and meet certain non-financial covenants pertaining to our activities during the period covered. We were in compliance with those covenants as of March 31, 2018. The Mezzanine Lenders participated in the June 2016 and July 2017 Class A unit offerings described below. For additional information, see Note 13 in our audited consolidated financial statements included elsewhere in this prospectus.

We intend to cause i3 Verticals, LLC to use a portion of the net proceeds from this offering to repay all amounts outstanding under the Mezzanine Notes. See “Certain Relationships and Related Party Transactions—Certain Interests of Management and Directors in the Reorganization Transactions.”

Junior Subordinated Notes
During 2014, we issued the Junior Subordinated Notes payable in the aggregate principal amount of $17.6 million to unrelated and related creditors. The Junior Subordinated Notes accrue interest, payable monthly, at a fixed rate of 10.0% per annum and mature on February 14, 2019, when all outstanding principal and accrued and unpaid interest will be due. However, the Junior Subordinated Notes are subordinated to the Mezzanine Notes and the Senior Secured Credit Facility, which both are scheduled to mature after the Junior Subordinated Notes are scheduled to mature. Because the provisions of the Mezzanine Notes and Senior Secured Credit Facility do not permit the payment of any subordinated debt before their maturity, the maturity date of the Junior Subordinated Notes will (if not repaid earlier as described below) be extended beyond the maturity dates of the Mezzanine Notes and the Senior Secured Credit Facility. In June 2016, $1.0 million of the Junior Subordinated Notes held by Greg Daily were retired and exchanged for 309,598 Class A units. In July 2017, $0.5 million of the Junior Subordinated Notes held by Greg Daily were retired and exchanged for 147,929 Class A units.

At March 31, 2018, $16.1 million of the Junior Subordinated Notes remained outstanding.

We intend to cause i3 Verticals, LLC to use a portion of the net proceeds from this offering to repay all amounts outstanding under the Junior Subordinated Notes. See “Certain Relationships and Related Party Transactions—Certain Interests of Management and Directors in the Reorganization Transactions.”

Class A Units Offerings
As noted above, during March 2016, an existing $1.0 million unsecured convertible note payable to Mr. Daily was converted into 1,000,000 Class A units of i3 Verticals, LLC at a price of $1.00 per unit pursuant to the provisions of the note.

During June 2016, we raised $9.0 million from the issuance of a total of 2,786,378 Class A units at a price of $3.23 per unit in a private offering. As noted above, during June 2016, $1.0 million of the Junior Subordinated Notes held by Mr. Daily were retired and converted into 309,598 Class A units at a price of $3.23 per unit. The fair value of the Class A units we issued approximated the carrying amount of the Junior Subordinated Notes, and we recognized no extinguishment gain or loss.

During July 2017, we raised $12.5 million from the issuance of a total of 3,698,225 Class A units at a price of $3.38 per unit in a private offering. As noted above, during July 2016, $0.5 million of the Junior Subordinated Notes held by Mr. Daily were converted into 147,929 Class A units at a price of $3.38 per unit. The fair value of the Class A units we issued approximated the carrying amount of the Junior Subordinated Notes, and we recognized no extinguishment gain or loss.

Contractual Obligations
There are no contractual commitments other than leases and borrowings that amount to, individually or in the aggregate, more than 3% of revenue earned in the year ended September 30, 2017.
We estimated interest payments through the maturity of our Junior Subordinated Notes by applying the applicable interest rate of 10.0%.

We estimated interest payments through the maturity of our Mezzanine Notes by applying the applicable interest rate of 12.0%. As of September 30, 2017, there were 1,424 Mezzanine Warrants outstanding.

In connection with certain of our acquisitions, we may be obligated to pay the seller of the acquired entity certain amounts of contingent consideration as set forth in the relevant purchasing documents. i3 Verticals, Inc. subsequently reassesses such fair value based on probability estimates with respect to the acquired entity’s likelihood of achieving the respective financial performance targets.

We have non-exclusive agreements with several processors to provide us services related to transaction processing and transmittal, transaction authorization and data capture, and access to various reporting tools. Certain of these agreements require us to submit a minimum monthly number of transactions for processing. If we submit a number of transactions that is lower than the minimum, we are required to pay to the processor the fees it would have received if we had submitted the required minimum number of transactions.

We estimated interest payments through the maturity of our 2016 Senior Secured Credit Facility by applying the interest rate of 5.75% in effect on our revolver as of September 30, 2017, plus an unused fee rate of 0.25%. On October 30, 2017, we replaced our 2016 Senior Secured Credit Facility with the Senior Secured Credit Facility.

We estimated interest payments through the maturity of our Mezzanine Notes by applying the applicable interest rate of 12.0%. As of September 30, 2017, there were 1,424 Mezzanine Warrants outstanding and exercisable to purchase common units in i3 Verticals, LLC. The intrinsic value of the Mezzanine Warrants was $767 as of September 30, 2017. For additional information, see Note 5 in our audited consolidated financial statements included elsewhere in this prospectus.

Potential payments under the Tax Receivable Agreement are not reflected in this table. See “—Tax Receivable Agreement” below and “Certain Relationships and Related Party Transactions—Tax Receivable Agreement.”

### Tax Receivable Agreement

Upon the closing of this offering, we will be a party to the Tax Receivable Agreement with i3 Verticals, LLC and each of the Continuing Equity Owners, as described under "Certain Relationships and Related Party Transactions—Tax Receivable Agreement." As a result of the Tax Receivable Agreement, we may be required to establish a liability in our consolidated financial statements. That liability, which will increase upon the redemptions or exchanges of common units for our Class A common stock, generally represents 85% of the estimated future tax benefits, if any, relating to the increase in tax basis associated with the common units we receive as a result of the Reorganization Transactions and other redemptions or exchanges by holders of common units. If this election is made, the accelerated payment will be based on the present value of 100% of the estimated future tax benefits and, as a result, the associated liability reported on our consolidated financial statements may be increased. We expect that the payments required under the Tax Receivable Agreement will be substantial. The actual increase in tax basis, as well as the amount and timing of any payments under the Tax Receivable Agreement, will vary depending upon a number of factors, including the timing of redemptions or exchanges by the holders of common units, the price of our Class A common stock at the time of the redemption or exchange, whether such redemptions or exchanges are taxable, the amount and timing of the taxable income we generate in the future and the tax rate then applicable as well as the portion of our payments under the Tax Receivable Agreement constituting imputed interest. We intend to fund the payment of the amounts due under the Tax Receivable Agreement by entering into agreements with processors to provide us services related to transaction processing and transmittal, transaction authorization and data capture, and access to various reporting tools.

(a) We have non-exclusive agreements with several processors to provide us services related to transaction processing and transmittal, transaction authorization and data capture, and access to various reporting tools. Certain of these agreements require us to submit a minimum monthly number of transactions for processing. If we submit a number of transactions that is lower than the minimum, we are required to pay to the processor the fees it would have received if we had submitted the required minimum number of transactions.

(b) We estimated interest payments through the maturity of our 2016 Senior Secured Credit Facility by applying the interest rate of 5.75% in effect on our revolver as of September 30, 2017, plus an unused fee rate of 0.25%. On October 30, 2017, we replaced our 2016 Senior Secured Credit Facility with the Senior Secured Credit Facility.

(c) We estimated interest payments through the maturity of our Junior Subordinated Notes by applying the applicable interest rate of 10.0%.

(d) We estimated interest payments through the maturity of our Mezzanine Notes by applying the applicable interest rate of 12.0%. As of September 30, 2017, there were 1,424 Mezzanine Warrants outstanding and exercisable to purchase common units in i3 Verticals, LLC. The intrinsic value of the Mezzanine Warrants was $767 as of September 30, 2017. For additional information, see Note 5 in our audited consolidated financial statements included elsewhere in this prospectus.

(e) In connection with certain of our acquisitions, we may be obligated to pay the seller of the acquired entity certain amounts of contingent consideration as set forth in the relevant purchasing documents, whereby additional consideration may be due upon the achievement of certain specified financial performance targets. i3 Verticals, Inc. accounts for the fair values of such contingent payments in accordance with the Level 3 financial instrument fair value hierarchy at the close of each subsequent reporting period. The acquisition-date fair value of contingent consideration is valued using a Monte Carlo simulation. i3 Verticals, Inc. subsequently reassesses such fair value based on probability estimates with respect to the acquired entity’s likelihood of achieving the respective financial performance targets.

Critical Accounting Policies

Our discussion and analysis of our financial condition and results of operations are based upon our financial statements, which have been prepared in accordance with GAAP. The preparation of these financial statements requires us to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses. On an ongoing basis, we evaluate our estimates including those related to revenue recognition, goodwill and intangible assets, derivative financial instruments, and equity-based compensation. We base our estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances. Actual results may differ from these estimates under different assumptions or conditions.

The accounting policies we believe to be most critical to understanding our financial condition and results of operations are discussed below.

Emerging Growth Company

We are an “emerging growth company,” as defined in Section 2(a) of the Securities Act, as modified by the JOBS Act, and we intend to take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies, including not being required to comply with the auditor attestation requirements of Section 404 of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and stockholder approval of any golden parachute payments not previously approved. Further, Section 102(b)(1) of the JOBS Act exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies (that is, those that have not had a Securities Act registration statement declared effective or do not have a class of securities registered under the Exchange Act) are required to comply with the new or revised financial accounting standards. The JOBS Act provides that an emerging growth company can elect to opt out of the extended transition period and comply with the requirements that apply to non-emerging growth companies but any such election to opt out is irrevocable. We have elected not to opt out of such extended transition period which means that when a standard is issued or revised and it has different application dates for public or private companies, we, as an emerging growth company, can adopt the new or revised standard at the time private companies adopt the new or revised standard. This may make a comparison of our financial statements with the financial statements of a public company that is not an emerging growth company, or the financial statements of an emerging growth company that has opted out of using the extended transition period, difficult or impossible because of the potential differences in accounting standards used.

Accounts Receivable and Credit Policies

Accounts receivable consist primarily of uncollateralized credit card processing residual payments due from processing banks requiring payment within thirty days following the end of each month. Accounts receivable also include amounts due from the sales of our technology solutions to our clients. The carrying amount of accounts receivable is reduced by an allowance for doubtful accounts, if necessary, which reflects management’s best estimate of the amounts that will not be collected. The allowance is estimated based on management’s knowledge of our clients, historical loss experience and existing economic conditions. Accounts receivable and the allowance were written-off when, in management’s opinion, all collection efforts have been exhausted. Our allowance for doubtful accounts was $461,000 and $244,000 as of September 30, 2017, and 2016, respectively, however, actual write-offs may exceed estimated amounts.

Settlement Assets and Obligations

Settlement assets and obligations result when we temporarily hold or owe funds on behalf of our clients. Timing differences, interchange expense, merchant reserves and exceptional items cause differences between the amount received from the card networks and the amount funded to counterparties. These balances arising in the settlement process are reflected as settlement assets and obligations on the accompanying consolidated balance sheets. With the exception of merchant reserves, settlement assets or settlement obligations are generally

99
collected and paid within one to four days. As of September 30, 2017, and 2016, settlement assets and settlement obligations were both $5.2 million and $4.4 million, respectively.

Property and Equipment

Property and equipment are stated at cost or, if acquired through a business acquisition, fair value at the date of acquisition. Depreciation and amortization are provided over the assets’ estimated useful lives (or if obtained in connection with a business acquisition, over the estimated remaining useful lives) using the straight-line method, except for leasehold improvements, which are depreciated over the shorter of the estimated useful lives of the assets or the lease term.

Expenditures for maintenance and repairs are expensed when incurred. Expenditures for renewals or betterments are capitalized. Management reviews long-lived assets for impairment when events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. We recognize impairment when the sum of undiscounted estimated future cash flows expected to result from the use of the asset is less than the carrying value of the asset. There were no impairment charges during the years ended September 30, 2017 and 2016.

Capitalized Software

Development costs for software to be sold or leased to customers are capitalized once technological feasibility of the software product has been established. Costs incurred prior to establishing technological feasibility are expensed as incurred. Technological feasibility is established when we have completed a detailed program design and has determined that a product can be produced to meet its design specifications, including functions, features and technical performance requirements. Capitalization of costs ceases when the product is generally available to clients. Software development costs are amortized using the greater of the straight-line method or the usage method over its estimated useful life, which is estimated to be three years.

Software development costs may become impaired in situations where development efforts are abandoned due to the viability of a planned project becoming doubtful or due to technological obsolescence of a planned software product. Management evaluates the remaining useful lives and carrying values of capitalized software at least annually or when events and circumstances warrant such a review, to determine whether significant events or changes in circumstances indicate that impairment in value may have occurred. To the extent the estimated net realizable values, which is estimated to equal future undiscounted cash flows, exceed the carrying value, no impairment is necessary. If the estimated net realizable values are less than the carrying value, an impairment charge is recorded. Impairment charges during the year ended September 30, 2017 were nominal and there were no impairment charges during the year ended September 30, 2016.

Identifiable software technology intangible assets resulting from acquisitions are amortized using the straight-line method over periods not exceeding their remaining estimated useful lives. GAAP requires that intangible assets with estimated useful lives be amortized over their respective estimated useful lives to their residual values, and reviewed for impairment. Acquisition technology intangibles’ net book values are included in Capitalized software, net in the accompanying consolidated balance sheets.

Acquisitions

Business acquisitions have been recorded using the acquisition method of accounting in accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 805, Business Combinations, and, accordingly, the purchase price has been allocated to the assets acquired and liabilities assumed based on their estimated fair value as of the date of acquisition. Where relevant, the fair value of contingent consideration included in an acquisition is calculated using a Monte Carlo simulation. For a discussion of the estimate methodology and the significance of various inputs, please see the subheading below titled “Use of Estimates.” The fair value of merchant relationships and non-compete assets acquired is identified using the Income Approach. The fair value of trade names acquired is identified using the Relief from Royalty Method. After the purchase price has been allocated, goodwill is recorded to the extent the total consideration paid for the acquisition, including the acquisition date fair value of contingent consideration, if any, exceeds the sum of the fair values of the separately identifiable acquired assets and assumed liabilities. Acquisition costs for business combinations are expensed when incurred and recorded in selling general and administrative expenses in the accompanying consolidated statements of operations.
Acquisitions not meeting the accounting criteria to be accounted for as a business combination are accounted for as an asset acquisition. An asset acquisition is recorded at its purchase price, inclusive of acquisition costs, which are allocated among the acquired assets and assumed liabilities based upon their relative fair values at the date of acquisition.

The operating results of an acquisition are included in our consolidated statements of operations from the date of such acquisition. Acquisitions completed during the year ended September 30, 2017 contributed $14.8 million and $2.2 million of revenue and net income, respectively, to the results in our consolidated statements of operations for the year then ended. Acquisitions completed during the year ended September 30, 2016 contributed $38.0 million and $2.2 million of revenue and net income, respectively, to the results in our consolidated statements of operations for the year then ended.

Goodwill

In January 2014, the FASB issued Accounting Standards Update ("ASU") 2014-02 related to the accounting for goodwill by private companies. Under this guidance, private companies may elect to amortize goodwill over 10 years, or less than 10 years if the entity can demonstrate that another useful life is more appropriate, and to test goodwill for impairment only upon occurrence of a triggering event that indicates that the book value of the entity may exceed the fair value of the entity, as opposed to testing goodwill for impairment at least annually under prior accounting guidance. The accounting guidance is effective for fiscal years beginning after December 15, 2014 and early adoption is permitted.

On January 1, 2013, we adopted ASU 2014-02 related to the accounting for goodwill by private companies. However, as we now meet the definition of a public business entity and are precluded from accounting for our goodwill under ASU 2014-02, we have revised our consolidated financial statements and now apply the provisions of ASC 350, Intangibles—Goodwill and Other in accounting for goodwill.

Our goodwill represents the excess of the purchase price over the fair value of the net identifiable assets acquired in business combinations. The goodwill generated from the business combinations is primarily related to the value placed on the employee workforce and expected synergies. Goodwill is tested for impairment at least annually in the fourth quarter and between annual tests if there are indicators of impairment that suggest a decline in the fair value of a reporting unit. Judgment is involved in determining if an indicator or change in circumstances relating to impairment has occurred. Such changes may include, among others, a significant decline in expected future cash flows, a significant adverse change in the business climate, and unforeseen competition. No goodwill impairment charges were recognized during the years ended September 30, 2017 and 2016.

We have the option of performing a qualitative assessment of impairment to determine whether any further quantitative testing for impairment is necessary. The option of whether or not to perform a qualitative assessment is made annually and may vary by reporting unit. Factors we consider in the qualitative assessment include general macroeconomic conditions, industry and market conditions, cost factors, overall financial performance of our reporting units, events or changes affecting the composition or carrying amount of the net assets of our reporting units, sustained decrease in our share price, and other relevant entity specific events. If we determine not to perform the qualitative assessment or if we determine, on the basis of qualitative factors, that the fair value of the reporting unit is more likely than not less than the carrying value, then we perform a quantitative test for that reporting unit. The fair value of each reporting unit is compared to the reporting unit's carrying value, including goodwill. Subsequent to the adoption on January 1, 2017 of ASU No. 2017-04, Intangibles—Goodwill and Other: Simplifying the Test for Goodwill Impairment, if the fair value of a reporting unit is less than its carrying value, we recognize an impairment equal to the excess carrying value, not to exceed the total amount of goodwill allocated to that reporting unit.

For a discussion of the estimate methodology and the significance of various inputs, please see the subheading below titled "Use of Estimates."

We have determined that we have eight reporting units. For the years ended September 30, 2017 and 2016, we performed a quantitative assessment for each of our reporting units. We determined that none of the reporting units were impaired. Material goodwill does not exist at reporting units that are at risk of failing our quantitative test of their fair value.
Intangible Assets

Intangible assets include acquired merchant relationships, residual buyouts, trademarks, tradenames, website development costs and non-compete agreements. Merchant relationships represent the fair value of customer relationships we purchased. Residual buyouts represent the right to not have to pay a residual to an independent sales agent related to certain future transactions of the agent’s referred merchants.

We amortize definite lived identifiable intangible assets using a method that reflects the pattern in which the economic benefits of the intangible asset are expected to be consumed or otherwise utilized. The estimated useful lives of our customer-related intangible assets approximate the expected distribution of cash flows, whether straight-line or accelerated, generated from each asset. The useful lives of contract-based intangible assets are equal to the terms of the agreement.

Management evaluates the remaining useful lives and carrying values of long lived assets, including definite lived intangible assets, at least annually or when events and circumstances warrant such a review, to determine whether significant events or changes in circumstances indicate that a change in the useful life or impairment in value may have occurred. There were no impairment charges during the years ended September 30, 2017 and 2016.

Income Taxes

i3 Verticals, LLC and its subsidiaries are limited liability companies and have elected to be taxed as a partnership for income tax purposes. As such, any income (losses) flow through to the individual members of i3 Verticals, LLC and they are taxed accordingly. Some states have enacted statutes that treat partnerships as taxable entities for state income tax purposes. Thus, partnerships formed in these states or operating in these states may be subject to taxation on income generated within the states’ boundaries.

The amount provided for state income taxes is based upon the amounts of current and deferred taxes payable or refundable at the date of the consolidated financial statements as a result of all events recognized in the financial statements as measured by the provisions of enacted tax laws.

Under GAAP, a tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded. We have no uncertain tax positions that qualify for either recognition or disclosure in the consolidated financial statements.

Valuation of Contingent Consideration

On occasion, we may have acquisitions which include contingent consideration. Accounting for business combinations requires us to estimate the fair value of any contingent purchase consideration at the acquisition date. For a discussion of the estimate methodology and the significance of various inputs, please see the subheading below titled "Use of Estimates." Changes in estimates regarding the fair value contingent purchase consideration are reflected as adjustments to the related liability and recognized within operating expenses in the consolidated statements of operations. Short and long-term contingent liabilities are presented within accrued expenses and other current liabilities and other long-term liabilities on our consolidated balance sheets, respectively.

Classification of Financial Instruments

We classify certain financial instruments issued as either equity or as liabilities. Determination of classification is based upon the underlying properties of the instrument. See specific discussion regarding the nature of instruments issued, the presentation on the consolidated financial statements and the related valuation method applied in Notes 9, 11, 12 and 13 in our audited consolidated financial statements included elsewhere in this prospectus.

Revenue Recognition and Deferred Revenue

Revenue is recognized when it is realized or realizable and earned, in accordance with ASC 605, Revenue Recognition ("ASC 605"). Recognition occurs when all of the following criteria are met: (1) persuasive evidence of an arrangement exists; (2) delivery has occurred or services have been performed; (3) the seller’s price to the
buyer is fixed or determinable; and (4) collectability is reasonably assured. We accrue for rights of refund, processing errors or penalties, or other related allowances based on historical experience.

More than 85% of our gross revenue for the years ended September 30, 2017 and 2016 is derived from volume-based payment processing fees ("discount fees") and other related fixed transaction or service fees. The remainder is comprised of sales of software licensing subscriptions, ongoing support, and other POS-related solutions we provide to our clients directly and through our processing bank relationships.

Discount fees represent a percentage of the dollar amount of each credit or debit transaction processed. Discount fees are recognized at the time the clients' transactions are processed. We follow the requirements of ASC 605-45 Revenue Recognition—Principal Agent Considerations ("ASC 605-45"), in determining our client processing services revenue reporting. Generally, where we have control over client pricing, merchant portability, credit risk and ultimate responsibility for the client, revenues are reported at the time of sale on a gross basis equal to the full amount of the discount charged to the client. This amount includes interchange fees paid to card issuing banks and assessments payable to card associations, which are a percentage of the processing volume we generate from Visa and Mastercard, as well as fees charged by interchange and network fees consist primarily of fees that are directly related to discount fee revenue. These include interchange fees paid to issuers and assessment fees payable to card associations, which are a percentage of the processing volume we generate from Visa and Mastercard, as well as fees charged by card-issuing banks. Other costs of services include costs directly attributable to processing and bank sponsorship costs, which may not be based on a percentage of volume. These costs also include related costs such as residual

payments to sales groups, which are based on a percentage of the net revenues generated from client referrals. In certain client processing bank relationships we are liable for chargebacks against a client equal to the volume of the transaction. Losses resulting from chargebacks against a client are included in other cost of services on the accompanying consolidated statement of operations. We evaluate our risk for such transactions and estimate our potential loss from chargebacks based primarily on historical experience and other relevant factors. The reserve for client losses is included within accrued expenses and other current liabilities on the accompanying consolidated balance sheets. The cost of equipment sold is also included in other cost of services. Interchange and other costs of services are recognized at the time the client's transactions are processed.

We account for all governmental taxes associated with revenue transactions on a net basis.

**Equity-based Compensation**

We account for grants of equity awards to employees in accordance with ASC 718, Compensation—Stock Compensation. This standard requires compensation expense to be measured based on the estimated fair value of the share-based awards on the date of grant and recognized as expense on a straight-line basis over the requisite service period, which is generally the vesting period.

For the six months ended March 31, 2018 and 2017, and the years ended September 30, 2017 and 2016, we recognized no equity-based compensation.

**Use of Estimates**

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Such estimates include, but are not limited to, the value of purchase consideration paid and identifiable assets acquired and assumed in acquisitions, goodwill and intangible asset impairment review, warrant valuation, revenue recognition for multiple element arrangements, loss reserves, assumptions used in the calculation of equity-based compensation and in the calculation of income taxes, and certain tax assets and liabilities as well as the related valuation allowances. Actual results could differ from those estimates.

Below is a summary of our critical accounting estimates for which the nature of management's assumptions are material due to the levels of subjectivity and judgment necessary to account for highly uncertain matters or the susceptibility of such matters to change, and for which the impact of the estimates and assumptions on our financial condition or operating performance is material.

**Contingent Consideration in Acquisitions**

On occasion, we may have acquisitions that include contingent consideration. Accounting for business combinations requires us to estimate the fair value of any contingent purchase consideration at the acquisition date. Where relevant, the fair value of contingent consideration included in an acquisition is calculated using a Monte Carlo simulation.

The contingent consideration is revalued each period until it is settled. Management reviews the historical and projected performance of each acquisition with contingent consideration and uses an income probability method to revalue the contingent consideration. The revaluation requires management to make certain assumptions and represent management's best estimate at the valuation date. The probabilities are determined based on a management review of the expected likelihood of triggering events that would cause a change in the contingent consideration paid.

**Goodwill**

We test goodwill for impairment using a fair value approach at least annually, absent some triggering event that would require an interim impairment assessment. Absent any impairment indicators, we perform our goodwill impairment testing as of July 1 each year.

In our goodwill impairment review, we use significant estimates and assumptions that include the identification of reporting units, assigning assets and liabilities to reporting units, assigning goodwill to reporting units and
determining the fair value of each reporting unit. Our assessment of qualitative factors involves significant judgments about expected future business performance and general market conditions. In a quantitative assessment, the fair value of each reporting unit is determined based on a combination of techniques, including the present value of future cash flows, applicable multiples of competitors and multiples from sales of like businesses, and requires us to make estimates and assumptions regarding discount rates, growth rates and our future long-term business plans. Changes in any of these estimates or assumptions could materially affect the determination of fair value and the associated goodwill impairment charge for each reporting unit.

**Warrant Valuation**

As of March 31, 2018, there were 1,424 Mezzanine Warrants outstanding and exercisable to purchase common units of i3 Verticals, LLC. The Mezzanine Warrants are mandatorily redeemable and embody a conditional obligation to redeem the instrument by a transfer of assets. The Mezzanine Warrants are remeasured at each reporting date through the settlement of the instrument and changes in value are reflected in earnings.

We use the Black-Scholes option pricing model to determine the fair market value of the Mezzanine Warrants at each reporting date. The option pricing model requires the input of highly subjective assumptions, including our estimated enterprise value, expected term of the warrants, expected volatility, risk-free interest rates and discount for lack of marketability. To determine the fair value of the Mezzanine Warrants, we engage an outside consultant to prepare a valuation of the unit price at each reporting period, using information provided by management and information obtained from private and public sources. The fair market value of the Mezzanine Warrants was $9.0 million as of March 31, 2018 and $0.8 million as of September 30, 2017.

We use an expected volatility based on the historical volatilities of a group of guideline companies and estimated a liquidity event in June 2018 to determine the term of the Mezzanine Warrants. The risk-free interest rates are obtained from publicly available U.S. Treasury yield curve rates. The discount for lack of marketability was determined using the Finnerty Model.

Based on our analysis, the most highly sensitive input in our option pricing model relates to management’s forecasted earnings. For example, if management’s forecasted earnings increases, we would record additional losses from the change in fair value of warrant liability. Conversely, if management’s forecasted earnings decreases, we would record a gain from change in fair value of warrant liability. Other inputs such as expected volatility and the risk free interest rate will have a less material impact of the valuation of the warrant liability.

**Related Parties**

Transactions involving related parties cannot be presumed to be carried out on an arm’s-length basis, as the requisite conditions of competitive, free-dealing markets may not exist. A description of related-party transactions is provided in Note 20 in our audited consolidated financial statements included elsewhere in this prospectus.

**Recently Issued Accounting Pronouncements**

In January 2017, the FASB issued ASU No. 2017-04, Intangibles—Goodwill and Other: Simplifying the Test for Goodwill Impairment (Topic 350), which removes step two of the goodwill impairment test. A goodwill impairment will now be the amount by which a reporting unit’s carrying value exceeds its fair value, not to exceed the carrying amount of goodwill. For public companies, this ASU is effective for annual or any interim goodwill impairment tests in fiscal years beginning after December 15, 2019, but early adoption is permitted for impairment tests after January 1, 2017. We have adopted this standard as of January 1, 2017. There was no impact on our 2017 consolidated financial statements.

In January 2017, the FASB issued ASU No. 2017-01, Business Combinations: Clarifying the Definition of a Business (Topic 805). This ASU clarifies the definition of a business when evaluating whether transactions should be accounted for as acquisitions (or disposals) of assets or businesses. For public companies, this ASU is effective for annual periods beginning after December 15, 2017, including interim periods within those periods. Early adoption is permitted. We have adopted this standard for the year ended September 30, 2017. There was no impact on our 2017 consolidated financial statements.

In August 2016, the FASB issued ASU No. 2016-18, Statement of Cash Flows: Restricted Cash (Topic 230). The amendments in ASU 2016-18 require that a statement of cash flows explain the change during the period in the total of cash, cash equivalents, and amounts generally described as restricted cash or restricted cash
equivalents. Therefore, amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the statement of cash flows. The amendments in this ASU are effective for public business entities for fiscal years beginning after December 15, 2017, and interim periods within those fiscal years. Early adoption is permitted, including adoption in an interim period. As an emerging growth company, we will not be required to adopt this ASU until October 1, 2019. If an entity early adopts the amendments in an interim period, any adjustments should be reflected as of the beginning of the fiscal year that includes that interim period. The amendments in this ASU should be applied using a retrospective transition method to each period presented. We are currently evaluating the impact of the adoption of this principle on our consolidated financial statements.

In August 2016, the FASB issued ASU No. 2016-15, Statement of Cash Flows: Classification of Certain Cash Receipts and Cash Payments (Topic 230). The update clarifies how cash receipts and cash payments in certain transactions are presented and classified in the statement of cash flows. The effective date of this update is for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2017, with early adoption permitted. As an emerging growth company, the Company will not be required to adopt this ASU until October 1, 2019. The update requires retrospective application to all periods presented but may be applied prospectively if retrospective application is impracticable. We are currently evaluating the impact of the adoption of this principle on our consolidated financial statements.

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842). This ASU amends the existing guidance by recognizing all leases, including operating leases, with a term longer than twelve months on the balance sheet and disclosing key information about the lease arrangements. The effective date of this update is for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2018, with early adoption permitted. As a public business entity, we are an emerging growth company and have elected to use the extended transition period provided for such companies. As a result, we will not be required to adopt this ASU until October 1, 2020. The update requires modified retrospective transition, which requires application of the ASU at the beginning of the earliest comparative period presented in the year of adoption. We are currently evaluating the impact of the adoption of this principle on our consolidated financial statements.

In September 2015, the FASB issued ASU No. 2015-16, Simplifying the Accounting for Measurement—Period Adjustments (Topic 805), which eliminates the requirement for an acquirer to retrospectively adjust the financial statements for measurement-period adjustments that occur in periods after the business combination is consummated. We have adopted this standard for the year ended September 30, 2016. There was no impact on our 2016 or 2017 consolidated financial statements.

In May 2014, the FASB issued ASU No. 2014-09, Revenue From Contracts With Customers (Topic 606). The ASU supersedes the revenue recognition requirements in ASC 605. The new standard provides a five-step analysis of transactions to determine when and how revenue is recognized, based upon the core principle that revenue is recognized to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The new standard also requires additional disclosures regarding the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. The new standard, as amended, is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2017, with early adoption permitted. As an emerging growth company, we will not be required to adopt this ASU until October 1, 2019. The amendment allows companies to use either a full retrospective or a modified retrospective approach to adopt this ASU. We have formed a project team and are currently assessing the impact of the adoption of this principle on our consolidated financial statements.

Off-Balance Sheet Arrangements

We have no off-balance sheet financing arrangements.

Effects of Inflation

While inflation may impact our revenues and cost of services, we believe the effects of inflation, if any, on our results of operations and financial condition have not been significant. However, there can be no assurance that our results of operations and financial condition will not be materially impacted by inflation in the future.
Quantitative and Qualitative Disclosure About Market Risk

**Interest Rate Risk**

As of September 30, 2017, we had borrowings outstanding of $85.6 million under the 2016 Senior Secured Credit Facility. The 2016 Senior Secured Credit Facility accrued interest, payable monthly, at prime plus a margin of 0.50% to 2.00% or at the 30-day LIBOR rate plus a margin of 3.50% to 5.00%, in each case depending on the ratio of consolidated debt to EBITDA, as defined in the agreement. Additionally, the Senior Secured Credit Facility required us to pay unused commitment fees of up to 0.30% on any undrawn amounts under the revolving line of credit. A 1.0% increase or decrease in the interest rate applicable to the 2016 Senior Secured Credit Facility (which is the LIBOR rate) would have had a $0.9 million impact on the results of the business.

We have outstanding borrowings under our Senior Secured Credit Facility and may incur additional borrowings from time to time for general corporate purposes, including working capital and capital expenditures. As of March 31, 2018, the interest rate applicable to the senior secured term loan is, at our option, equal to either (1) the Eurocurrency option with an effective rate of LIBOR plus a margin of 2.75% to 4.00% or (2) the alternative base rate with an effective rate of the prime rate plus a margin of 0.50% to 2.00%. In the case of both the LIBOR borrowings or base rate borrowings, the margin rate is determined by a ratio of our consolidated debt to EBITDA.

As of March 31, 2018, we had borrowings outstanding of $108.3 million under the Senior Secured Credit Facility. A 1.0% increase or decrease in the interest rate applicable to such borrowing (which is the LIBOR rate) would have a $1.1 million impact on the results of the business.

**Foreign Currency Exchange Rate Risk**

Invoices for our services are denominated in U.S. dollars. We do not expect our future operating results to be significantly affected by foreign currency transaction risk.
Our Company

Recognizing the convergence of software and payments, i3 Verticals was founded in 2012 with the purpose of delivering seamless integrated payment and software solutions to SMBs and organizations in strategic vertical markets. Since commencing operations, we have built a broad suite of payment and software solutions that address the specific needs of SMBs and other organizations in our strategic vertical markets, and we believe our suite of solutions differentiates us from our competition.

Our primary strategic vertical markets include education, non-profit, public sector, property management and healthcare. These vertical markets are large, growing and tend to have increasing levels of electronic payments adoption compared to other industries. In addition to our strategic vertical markets, we also have a growing presence in the B2B payments market. We processed approximately $10.3 billion in total payment volume in 2017, growing at a CAGR of 67% since 2014.

We distribute our payment technology and proprietary software solutions to our clients through our direct sales force as well as through a growing network of distribution partners, including ISVs, VARs, ISOs and other referral partners, including financial institutions. Our ISV partners represent a significant distribution channel and enable us to accelerate our market penetration through a cost-effective one-to-many distribution model that tends to result in high retention and faster growth. From September 30, 2016 to September 30, 2017, we increased our network of ISVs from 13 to 22, which produced an increase in average monthly payment volume of 155%. We believe our model is highly effective at reaching new potential clients.

Our integrated payment and software solutions feature embedded payment capabilities tailored to the specific needs of our clients in strategic vertical markets. Our configurable payment technology solutions integrate seamlessly into clients’ third-party business management systems, provide security that complies with PCI DSS and include extensive reporting tools. In addition to integrations with third-party software, we deliver our own proprietary software solutions that increase the productivity of our clients by streamlining their business processes, particularly in the education, property management and public sector markets. We believe our proprietary software further differentiates us from our competitors in these strategic verticals and enables us to maximize our payment-related revenue. Through our proprietary gateway, we offer our clients a single point of access for a broad suite of payment and software solutions, enabling omni-channel POS, spanning brick and mortar and electronic and mobile commerce, including app-based payments.

We primarily focus on strategic vertical markets where we believe we can be a leader in vertically-focused, integrated payment and software solutions. Our strategic vertical markets include:

- **Education**—We assist schools in completing payment processing functions such as accepting payments for school lunches (online, at school, or at the POS), school activities, selling products from the online student store while managing inventory, ticket sales and attendance at athletic and other events, enabling parents and students to complete forms electronically and enabling parents to make installment payments on higher-priced items.

- **Non-profit**—We simplify the payment process for donations, charity auctions, church contributions and tickets to fundraising events, among others, empowering our clients to increase both their revenues and the time they devote to their core activities.

- **Public Sector**—We assist public entities by efficiently collecting taxes, fines and certain fees; providing customer service responses to customer calls; and increasing the means available to make payments (online, in person or via mobile).

- **Property Management**—We assist landlords and property managers in the rent collection process by providing centralized reporting for card and ACH payments, bank-level PCI DSS compliant security and solutions that integrate with third-party accounting software. This solution is becoming a popular option in the fast-growing shared workspace industry.

- **Healthcare**—We enable clients in our healthcare vertical to accept payments through mobile and POS solutions; to use consumer-facing payment devices that allow receptionists and clerical staff to focus their attention elsewhere; and to use revenue cycle management tools to help shrink the volume of accounts that they turn over to collection agencies.

We have a longer-term goal of being a leader in six to ten strategic vertical markets. We target vertical markets where businesses and organizations tend to lack integrated payment functionality within their business.
management systems and where we face less competition for our solutions. In many cases, we deliver our proprietary software solutions to strategic vertical markets through the PayFac model, where we:

- enable superior data management by aggregating multiple small merchants under our “master” account, resulting in the collection and management of data not historically readily available;
- streamline and simplify merchant onboarding, often resulting in client approval in minutes or hours rather than days or weeks; and
- provide ease of reporting and reconciliation, allowing our clients to accept electronic payments in a faster, more convenient fashion.

As more ISVs seek to differentiate their offerings by seamlessly integrating payment functionality into their software solutions, the PayFac model has gained significant momentum. Before PayFacs were an option, any business looking to accept credit cards was required to establish an individual merchant account, which is often costly and time-consuming for small merchants.

In addition to our vertical markets, we have a growing presence in the B2B payments sector, where we provide value-added solutions that enhance card capabilities and payment processing technology that integrates with our client’s accounting systems. The B2B payment market is among the fastest-growing segments within payments. Compared with business-to-consumer payments where, according to The Nilson Report, approximately 75% of payment volume was processed through electronic methods in 2016, the B2B payments market is significantly less penetrated by electronic payments. According to PayStream Advisors’ 2017 Electronic Payments Report, checks account for more than 45% of B2B payments, presenting an opportunity for further adoption of card-based and other electronic payments.

An important part of our long-term strategy is acquisition-driven growth. To date, we have completed nine “platform” acquisitions and twelve “tuck-in” acquisitions. Our platform acquisitions—including Axia, PaySchools, SDCR, Inc., Fairway and Infintech—have opened new strategic vertical markets, broadened our technology and solutions suite and expanded our client base, while our tuck-in acquisitions have augmented our existing payment and software solutions and added clients. Our growth strategy is to continue to build our company through a disciplined combination of organic growth and growth through platform and tuck-in acquisitions. With more than 3,500 U.S. payments companies registered with Visa and over 10,000 ISVs doing business in the United States, we are confident that we will continue to be successful in finding acquisition targets to supplement our organic growth.

We have built a deep and experienced executive-level management team. Greg Daily, our Chairman and Chief Executive Officer, and Clay Whitson, our Chief Financial Officer, have each previously served in similar roles with PMT Services, Inc. and iPayment, Inc. Our President, Rick Stanford, who is responsible for mergers and acquisitions, has a 30-year professional relationship with Mr. Daily and Mr. Whitson, including working together at PMT Services, Inc. Rob Bertke, our Chief Technology Officer, has over 20 years of experience in the payment technology and B2B commerce industries. Importantly, many of our acquisitions have added managers with extensive knowledge of their vertical markets and deep client relationships.

We generate revenue primarily from payment processing services, which principally include but are not limited to volume-based fees, provided to clients throughout the United States. Our payment processing services enable clients to accept electronic payments, facilitating the exchange of funds and transaction data between clients, financial institutions and payment networks. Our payment processing services include merchant onboarding, risk and underwriting, authorization, settlement, chargeback processing and other merchant support. We also generate revenue from software licensing subscriptions, ongoing support, and other POS-related solutions that we provide to our clients directly and through our distribution partners. Due to our integrated payment and software solutions and our distribution network, we are able to drive significant scale and operating efficiencies, which enable us to generate strong operating margins and profitability. For the six month period ended March 31, 2018, we generated $154.9 million in revenue, $(7.2) million of net loss and $14.6 million of adjusted EBITDA, compared to $124.5 million in revenue, $(0.4) million of net loss and $(9.1) million of adjusted EBITDA for the comparable period in 2017, an increase of 24% and 60% for revenue and adjusted EBITDA, respectively. In fiscal year 2017, we generated $262.6 million in revenue, $0.9 million of net income and $19.3 million of adjusted EBITDA, compared to $199.6 million in revenue, $(2.1) million of net loss and $17.6 million of adjusted EBITDA in fiscal year 2016, an increase of 32% and 10% for revenue and adjusted EBITDA, respectively. See “Summary Historical and Pro Forma
Consolidated Financial and Other Data” for a discussion of adjusted EBITDA and a reconciliation of adjusted EBITDA to net income (loss), the most directly comparable GAAP measure.

Industry Background

Overview of the Electronic Payments Industry

The electronic payments industry is massive, with growth fueled by powerful long-term trends that continue to increase the acceptance and use of electronic-based payments compared to paper-based payments. The industry is serviced by a variety of providers, including issuers, payment networks and merchant acquirers. According to The Nilson Report, purchase volume on credit, debit and prepaid cards in the United States was approximately $6.2 trillion in 2016 and is estimated to reach nearly $8.5 trillion by 2021, a CAGR of 6.6%. Additionally, B2B payments represent a large, high growth opportunity, with card-based payments gaining momentum in a market where checks still account for more than 45% of supplier-related payments according to PayStream Advisors’ 2017 Electronic Payments Report.

Convergence of Payments, Software and Integrated Technology

The electronic payments industry is undergoing a transformation fueled by rapid advancements in technology over the past decade, including the proliferation of APIs that facilitate seamless integration between various software programs and payment technology. This transformation is empowering businesses and organizations to benefit from the increased utility associated with embedding payment solutions within software. Increasingly, payment solutions are embedded within the software that merchants use for other critical business functions, such as POS, accounting, inventory management, drawer reconciliation, CRM and order entry.

SMBs and other organizations are increasingly demanding bundled payment and software solutions. To deliver more value to clients, ISVs and payment companies are partnering to meet this demand, often entering into revenue sharing arrangements related to payment processing revenue. More recently, some ISVs are bundling proprietary payment capabilities with software offerings to create a comprehensive, integrated solution for clients and to optimize the revenue opportunity associated with payments.

As more ISVs seek to differentiate their offerings by seamlessly integrating payment capabilities into their software solutions, the PayFac model has gained significant momentum. The PayFac model provides companies not traditionally in the business of delivering payment services (e.g., ISVs) with a master merchant account, enabling SMB clients to accept electronic payments through a sub-merchant contract. In addition to rapid, efficient onboarding, PayFacs offer various tools and services, including streamlined reporting and client support. PayFac transaction volume is projected to grow at a CAGR of 88% from 2016 to 2021, reaching $513 billion in annual processing volume in 2021, according to a 2016 report from Double Diamond Payments Research titled “Why Software Vendors Should Be Payment Facilitators.”

Overview of the Traditional Merchant Acquiring Industry

Historically, to facilitate the acceptance of card-based payments at the POS, banks began providing payment services to their local merchants. Providers of these services, both divisions of banks and independent companies, became known as merchant acquirers. The merchant acquiring industry has grown significantly as more and more merchants and organizations accept card-based payments in response to their growing adoption by consumers. More than 3,500 payments service providers are registered with Visa in the United States. These acquirers can be categorized as follows:

- Non-Bank Merchant Acquirers—These providers use their own proprietary platforms to sell merchant acquiring solutions delivering fully integrated end-to-end capabilities. Examples include Global Payments, First Data and WorldPay. These providers typically generate revenue based on dollar volume processed as well as transaction and other ancillary service fees (e.g., PCI compliance fees).
- Banks—A few banks in the United States, such as JPMorgan Chase and U.S. Bancorp, possess in-house processing functions, but most outsource their merchant acquiring services to non-bank merchant acquirers. Banks typically sell merchant acquiring services in combination with other commercial banking products (e.g., bank accounts, loans, treasury services).
- Independent Sales Organizations (ISOs)—These providers typically use a sales force to sell payment services to businesses and organizations at a retail price in a specific market segment or geographic region. ISOs typically outsource merchant acquiring functions and some back office support functions to a bank or non-bank merchant acquirer (at a wholesale price).
• Other Acquirers—These providers are typically less established and early-stage vendors seeking to offer new payment methods and devices, such as healthcare organizations creating their own technology for electronic payments.

The services provided directly to businesses and organizations and the fees collected from them for those services can vary depending on each provider’s in-house technology capabilities and the number of services that they outsource to other providers. Typically, merchant acquirers can earn more revenue if they provide more services in-house; however, only a few providers in the U.S. have the capability to provide all of these solutions, and even fewer provide bundled payment and software solutions.

**Overview of the Merchant Client Base**

According to First Annapolis, there are over 25 million merchants in the United States that can potentially accept electronic payments at a POS. As shown in the following diagram, the majority of these merchants are SMBs:

Many traditional merchant acquirers sell their payment processing services to various sizes of merchants and organizations, from SMBs to large enterprises. As potential customers, we believe SMBs have many attractive characteristics. SMBs generally lack the resources of large enterprises to invest heavily in technology and therefore are more dependent on service providers, such as merchant acquirers, to handle critical functions, including payment acceptance and other support services. Technology needs for SMBs are increasingly complex. As electronic and mobile commerce continues to grow as a percentage of purchase volume, businesses and organizations require additional capabilities to serve their customers in an increasingly omni-channel world. In addition, SMBs are seeking software solutions for a variety of their business functions, including marketing, inventory management, invoicing and other industry-specific applications. Merchant acquirers can better serve SMBs by working with ISVs or offering proprietary software that helps meet the requirements of these businesses and organizations. A wide variety of merchants and organizations make up the SMB market segment. As a result, there is less risk of client concentration. While the size of the market opportunity is considerable, the needs of potential clients in different segments vary significantly, benefiting those providers that deliver integrated payment solutions tailored to their specific needs.
Our Competitive Strengths

We believe we have attributes that differentiate us from our competitors and provide us with significant competitive advantages. Our key competitive strengths include:

**Innovative Payment and Software Solutions Tailored for Strategic Verticals**

We believe our ability to deliver innovative payment and software solutions tailored to the specific needs of businesses and organizations in our strategic vertical markets differentiates us from our competitors. Our seamlessly integrated payment and software solutions can be used across multiple channels and industry verticals through our gateway and through our PayFac model and permit us to tailor our solutions to specific needs of individual vertical markets. We focus on providing value-add, flexible, scalable and innovative electronic payment and software solutions to clients in attractive, high growth strategic vertical markets such as education, non-profit, public sector, property management and healthcare. We target vertical markets that are large and growing, where businesses and other organizations typically lack integrated payment functionality within their business management system, there is potential for significant market penetration of our solutions and competition for our solutions is fragmented. We have built, through strategic acquisitions and internal development, a specialized and tailored payment and software solutions business, powered by a broad network of distribution partners that allows us to integrate and cross-sell our solutions to businesses and organizations in these strategic vertical markets. We believe our deep domain knowledge in each of our strategic vertical markets provides us unique insight into our clients’ needs, and enables us to deliver high-quality traditional and PayFac solutions with vertical-specific client support.

Additionally, we provide a comprehensive suite of horizontal solutions that complement our vertically focused solutions and enable us to further penetrate each vertical market. Our horizontal solutions include virtual terminals, POS technology, mobile solutions, countertop and wireless terminals, electronic invoice presentment and payment, event registration, online reporting, expedited funding, PCI validation, integrated forms and client analytics.

**Expertise in ISV Distribution**

We distribute our payment technology and proprietary software solutions to our clients through our direct sales force as well as through a growing network of distribution partners, including ISVs. We embed our payment technology into our proprietary vertical software solutions, or into solutions developed by ISVs, empowering our clients to benefit from the seamless integration of payments and software. We currently have approximately 25 ISV distribution partners. Our ISV partner strategy represents a significant distribution channel and enables us to accelerate our market penetration through a cost effective one-to-many distribution model that tends to result in high retention and faster growth. We sell our services to our ISV partners’ customer base, effectively broadening our target base. We consider our expertise in integrating our payment processing solutions into our distribution partners’ software to be a key competitive advantage that has enabled us to construct a highly diversified customer base with relatively high retention rates. We have also acquired ISVs in certain strategic vertical markets, which we believe further differentiates us from our competitors and improves our results of operations.

**Robust Gateway and Technology Platform Delivering Sophisticated Payment and Software Solutions**

We have developed a suite of technology solutions that can be deployed on a variety of platforms. Our solutions include a range of traditional and innovative products, and our technology includes proprietary software that serves our verticals and offers a unified suite of APIs that provide streamlined payment integration. Our defined project development processes enable us to deploy initial downloads and upgrades in a quick and efficient manner via the cloud. Our centralized development process and the broad compatibility of our products permit us to quickly respond to changing market trends, which competitors who rely on third-party providers for their technological needs are less equipped to do. Our solutions provide redundancy, scalability, high availability and PCI Service Level Provider Level 1 Security.

Through our proprietary gateway, we provide our clients a single point of access for a broad suite of payment and software solutions, spanning POS, e-commerce and mobile devices. Leveraging our technology, we are able to provide our clients with solutions that are highly secure, scalable and available. In addition, our broad suite of payment and software solutions can evolve to meet the needs of our clients as their complexity, size or requirements change, providing sophisticated reporting and intelligence tools embedded within each client's existing business management systems. In certain vertical markets such as education, property management and public sector, we offer proprietary software solutions that increase the productivity of our clients by streamlining their business processes. Our payment solutions, including PCI DSS-compliant security, integrate seamlessly into a client's business management system and can be tailored to the client's needs, with extensive reporting tools.
Attractive Operating Model
We have grown rapidly since our founding, with payment volume growth over the prior year of 26% in 2017, 138% in 2016 and 55% in 2015. We believe our deep domain knowledge within our strategic vertical markets, the embedded nature of our integrated payment and proprietary software solutions and our strong client relationships drive improved client retention and revenue growth. We have invested significantly in our software solutions to increase the usability, functionality and capacity of our integrated solutions, and with the continued growth of our business, we have been able to benefit from economies of scale. By leveraging our technology, we have grown our client portfolio at a rate exceeding our other non-processing expenses. The relationships we have developed with a significant number of distribution partners, including ISVs and VARs, contribute to efficient client acquisition, high retention and lifetime value and, ultimately, strong revenue and earnings growth. Given that we predominantly generate transaction-based revenue, we can confidently predict at the beginning of each fiscal year our recurring revenue and cash flow, excluding the effects of acquisitions, for that fiscal year. Further, we have minimal client and vertical market concentration, which insulates us from fluctuations within any given vertical market.

Proven Acquisition and Integration Strategy
A core component of our growth strategy includes a disciplined approach to acquisitions of companies and technology, evidenced by nine platform acquisitions and twelve tuck-in acquisitions since our inception in 2012. Our acquisitions have opened new strategic vertical markets, increased the number of businesses and organizations to whom we provide solutions and augmented our existing payment and software solutions and capabilities. For example, our platform acquisition of Infintech in July 2015 opened the B2B market for our solutions. Our management team has significant experience acquiring and integrating providers of payment processing services and providers of vertical market software that complement our existing suite of products and solutions. Given that we predominantly generate transaction-based revenue, we can confidently predict at the beginning of each fiscal year our recurring revenue and cash flow, excluding the effects of acquisitions, for that fiscal year. Further, we have minimal client and vertical market concentration, which insulates us from fluctuations within any given vertical market.

Experienced Team with Strong Execution Track Record
We have built a deep and experienced executive-level management team. Greg Daily, our Chairman and Chief Executive Officer, and Clay Whitson, our Chief Financial Officer, have each previously served in similar roles with iPayment, Inc. and PMT Services, Inc. Our President, Rick Stanford, who is responsible for mergers and acquisitions, has a 30-year professional relationship with Mr. Daily and Mr. Whitson, including working together at PMT Services, Inc. Substantial value was created at both PMT Services, Inc. and iPayment, Inc. through organic and acquisition-based growth. From PMT Services’ IPO on August 12, 1994 until its sale on September 24, 1998, PMT Services’ cumulative stock return was 713%, compared to the 126% cumulative stock return of the S&P 500 during the same period, excluding dividends. From iPayment’s IPO on May 12, 2003 until it was taken private on May 10, 2006, iPayment’s cumulative stock return was 172%, compared to the 40% cumulative stock return of the S&P 500 during the same period, excluding dividends. There can be no assurance, however, that these executives will be able to create similar increases in the value of i3 Verticals, Inc. Rob Bertke, our Chief Technology Officer, has over 20 years of experience in the payment technology and B2B commerce industries.

Our Growth Strategy
Expand Our Network of Distribution Partners
We have experienced significant growth through our network of distribution partners, particularly within integrated channels. We have approximately 25 ISV distribution partners and intend to continue expanding our distribution network to reach new ISVs as well as other new partners within our strategic vertical markets. Further, we intend to expand into new verticals as our current distribution partners and clients expand their own businesses. We believe that our differentiated payments platform, combined with our vertical expertise, will enable us to methodically engage new distribution partners.

Continue to Enhance Our Suite of Technology Solutions
We intend to strengthen our position in our various vertical markets through continuous product innovation and enhancement. We have a strong track record of introducing to our clients new products and solutions that increase convenience, enhance ease of use, improve integration with their other business management systems and offer

113
greater functionality. For example, we have introduced our online forms technology to our education vertical, which allows parents and students to complete forms electronically and integrate them with general ledger platforms in a centralized database while seamlessly accepting payment for those activities, where applicable. In addition, we plan to take advantage of our proprietary, integrated gateway and service capabilities to provide PayFac services in our strategic vertical markets. Through continued product innovation and enhancement, we believe we can increase client retention and improve our ability to win new business. Further, we will continue to invest in our technology and proprietary software that drives our competitiveness and position within our verticals.

**Grow With Our Existing Distribution Partners and Clients**

We focus on strategic vertical markets where there is a large addressable market, the client base is highly fragmented and penetration of electronic payments is below that of the overall economy. Our potential clients are in continual search of payment solutions and software to help them offer multiple value-added services and sell through various channels to provide a convenient customer experience, increase sales and create business efficiencies. We intend to grow organically with our existing distribution partners by providing compelling integrated payment technology and proprietary software solutions to clients. We believe that by cross-selling new and value-added services and promoting our omni-channel capabilities to our existing clients, we will help our clients succeed and grow their payment volume. We believe a subset of our client base uses integrated payment solutions, and we intend to promote the adoption of these technologies.

Certain of our specific growth strategies include:

- **Cross-sell Opportunities:** We provide our distribution partners with the opportunity to market new products as they become available, making available new content that enhances the value of our distribution partners to their members.
- **Event Participation:** We identify opportunities to engage with client opportunities through event participation, including by sponsoring luncheons, attending tradeshows, and presenting at user conferences.
- **Electronic Marketing:** Our marketing team utilizes a variety of marketing techniques to enhance the awareness of our offerings to the distribution partner network, which align with our outbound sales effort and are intended to monitor the level of client engagement.
- **Content Development:** Our sales and marketing team partners with our distribution network to identify key topics of interest to their members, and we intend to continue work to craft new content covering popular topics related to the electronic payment industry.
- **Incentive Programs:** Our sales and marketing team works directly with our distribution partners to launch incentive programs intended to increase new referral activity through a variety of competitions and programs implemented each year.

**Further Penetrate the Installed Merchant Base of Our Distribution Partners**

We intend to continue to actively pursue the merchant base of our distribution partners. A significant number of businesses and other organizations within these channels are not currently using our solutions and have not yet been proactively approached or have not faced a reason to switch, such as contract expiration or a customer service issue. Many already have their electronic payments processed through another provider, while others are not yet accepting electronic payments. We intend to continue to capitalize on this significant opportunity by leveraging our relationships with our distribution partners, our extensive marketing capabilities, our vertically-focused sales force and our innovative payment technology. This focus allows us to expand within these markets and benefit from our clients’ organic growth.

**Selectively Pursue Platform and Tuck-in Acquisitions**

We intend to pursue platform acquisitions of vertically-focused integrated payment and software solution providers in new vertical markets. We also intend to continue to complement our organic expansion with accretive tuck-in acquisitions that enhance our market position within our existing strategic vertical markets. We expect that these acquisitions will expand our integrated platform, existing payment solutions and client reach. Since our formation in 2012, we have completed a total of nine platform and twelve tuck-in acquisitions that enabled us to enter new, or expand within existing, vertical markets. We have demonstrated the ability to execute and integrate acquisitions that augment our products and services and enhance the solution set we offer to our clients. For example, our platform acquisition of Fairway in August 2017 significantly enhanced our internal expertise and payment capabilities in the non-profit and healthcare verticals.
We intend to continue to funnel acquisition targets through our strong pipeline, while we also engage new candidates. We target companies that have a strong management team with significant expertise in a particular vertical market and that offer attractive growth potential. Once we have completed an acquisition, we monitor the acquired company’s performance and seek to improve its operations. Our corporate structure enables us to provide financial and strategic support, including capital, recruitment, back-office and IT functions to the companies we acquire. This decentralized management structure allows us to create management teams positioned to maximize the growth potential in existing and new vertical markets.

Our Products, Solutions and Technology

We deliver to our clients and distribution partners a comprehensive suite of integrated payment technology and software solutions to address the needs of SMBs and organizations in our strategic vertical markets. Our products and solutions are strategically aligned to support new client growth and promote customer retention.

We have developed a suite of payment technology solutions that:

- integrate with a broad number of client business management systems;
- perform a broad range of risk management, transaction processing and value-added services beneficial to our clients;
- increase convenience to our clients;
- provide ease of use and greater functionality for our clients; and
- offer PCI-compliant security and extensive reporting tools.

We offer our clients a single point of access through our powerful, simple and capable proprietary core platform ("Burton Platform"). Combining a centralized environment for scalability, PCI SLP Level 1 security and redundancy, Burton Platform offers a broad suite of payment and software solutions, enabling omni-channel POS, spanning brick and mortar locations and electronic- and mobile-commerce, including app-based payments. We employ project management, release management and product development lifecycle methodologies that enable us to deploy initial downloads and upgrades in a quick and efficient manner via the cloud.
Our Technology Framework

We have a suite of proprietary solutions designed around horizontal and vertical market needs. This software suite includes eleven vertical software solutions and our core platform, Burton Platform. The following image shows the relationship between these technologies as well as interaction with third-party processing systems, clients and distribution partners.

Our Core Platform

Burton Platform is the core of our technology suite. A platform designed to be highly scalable, built for minimal downtime and high transaction volume, Burton Platform brings together common components of our vertical software technologies as well as several historically disparate solutions.

Burton Platform includes the following key components:

• i3 Portal: i3 Portal is a web-based application with the ability to process payment card, ACH and check sales, schedule recurring payments and report on transactions processed.
• i3 API Suite: i3 API Suite is a robust set of APIs available through a developer portal allowing ISVs to easily integrate traditional merchant processing, check and ACH as well as PayFac processing.
• Traditional Merchant Processing: Burton Platform supports the routing of transactions in real-time to the appropriate back-end processing system for authorization and settlement, while our front-end API supports
more traditional “Merchant of Record” processing. The system communicates with the payment networks and processors to calculate appropriate pricing for settlement and funding.

- **ACH Processing:** Burton Platform supports ACH as well as remote deposit capture and Check 21 capability. This system communicates with check processors and originating depository financial institutions (ODFIs) to handle payment submission from account information, check MICR scanners and Check 21 image scanners.
- **PayFac Merchant Processing:** Burton Platform enables our PayFac solution to allow ISVs to quickly onboard new accounts, use dynamic pay-out to handle complex payment models and provide enhanced reconciliation reporting to their customers.

**Burton Platform Components Under Development**

In addition to the components already included on Burton Platform, we continue to invest in our platform to add greater feature functionality. Our three-year plan is to centralize multiple services into a single unified API accessible by our vertical software solutions as well as third-party software vendors, to include:

- **i3 Microservices:** The i3 Microservices subsystem is intended to be a suite of tools to help ISVs bring incremental functionality to their applications including tokenization, recurring payment and hosted application with digital signature, automated onboarding and fraud protection. These components remain under development, but many are available already on Burton Platform.
- **i3 Tool Set:** We expect our i3 Tool Set within Burton Platform to permit ISVs to add complete sub-systems to their software to bring additional value to their customers. We expect these components to include invoice/bill presentment and payment, event management and forms management all using Single Sign On (SSO) and centralized identity management.
- **i3 Enterprise:** We intend i3 Enterprise to integrate the operational components of our business and to provide a comprehensive proprietary system designed to strengthen client accounts sales with (a) faster account onboarding, (b) new management features, and (c) enhanced reporting. We expect this solution to include:
  - CRM: A lead / opportunity tracking system for internal sales and agent partners to increase the volume of new client accounts and maintain existing accounts;
  - Automated Account Boarding: Automated boarding (including KYC and OFAC checks) on the Burton Platform system as well as third-party processors and gateways;
  - Client Support and Retention: Sophisticated reporting to enable troubleshooting of client issues;
  - Risk Management and Fraud Monitoring: Advanced tools which will use activity rules for both pre-authorization and pre-settlement transactions;
  - Dispute and Chargeback Monitoring: An online system for logging disputes and tracking status; and
  - Residual Reporting: Calculations and financial reporting to track commissions.

**Strategic Vertical Markets**

We target vertical markets in which businesses and organizations tend to lack integrated payment functionality within their business management system. Additional attributes of these verticals often include a fragmented competitive environment, a large and increasing addressable market and an opportunity for significant market penetration and growth. We enter select vertical markets where we believe we can be a leader in vertically-focused, integrated payment technology and software solutions. We deliver all of our vertical software solutions as software-as-a-service (SaaS) solutions for web and mobile application.

**Education**—We serve K-12 school district leaders and staff members who need to collect and manage parent and community data and payments for supplementing budgets, quick reference, and reporting. Our education solution, which utilizes the PayFac model, is a self-serve payment and data collection software platform that manages critical parent and student information via web, mobile, and on-site transaction processing. We help schools with every aspect of payments including online payments, on-campus POS and data collection functionality for tracking, reporting and collecting funds. Ancillary value-add options enable our school districts to manage event, program and sports registrations. Using our convenience-fee payment technology, our school clients in this vertical often receive the full principal amount which alleviates reconciliation issues and processing costs.

**Non-Profit**—We deliver an integrated solution for processing payments from donors to non-profit organizations. These solutions assist non-profit organizations with ordinary course fundraising along with special one-time or
“giving day” promotions that may include many separate organizations seeking donations as a result of a single marketing campaign. Our integrated solutions seamlessly integrate into the business management system for each respective non-profit to allow for efficient data capture and reporting.

Public Sector—We deliver integrated payment solutions in our public-sector vertical. These solutions allow our clients to process court, tax, utility, bail, and other public-sector payments, typically utilizing the PayFac model. Convenience-fee payment technology is also available to our public sector clients.

Healthcare—We provide businesses in our healthcare vertical with an integrated solution for processing payments from patients for various healthcare-related costs and fees. These payment solutions seamlessly integrate into our distribution partner ISV software to provide clients and their customers a bundled card payment solution. These ISV relationships promote our integrated payment solutions in a one-to-many fashion to prospective clients.

Property Management—We provide payment solutions for the residential property management and fast-growing workspace industry. Our products deliver a fully integrated payment solution for rent payments, including a branded mobile payment application as part of a software suite provided by our distribution partner ISVs. Our instruction-based funding model, enabled by our PayFac platform, accommodates complex fund distribution to multiple depository accounts, which is important to property managers and landlords. Property managers can use our convenience fee payment capabilities to reduce card processing costs by nearly 90%.

History of Our Education Vertical
Since our founding, we have invested heavily in our integrated solutions within our verticals markets. For example, in April 2014 we acquired PaySchools, an integrated software and payments provider, in our education vertical. At the time of acquisition, PaySchools was a limited software payments platform with 24 employees, no direct salesforce and limited customer service systems.

Our goal in our education vertical has been to create an easy-to-use and powerful software platform to integrate payments and data for a variety of school needs—including student meal activity, student fees, student forms, ticketing and school administration. Since 2014, we have continued to invest in our education vertical through tuck-in acquisitions and internal developments. We have augmented our software and added clients through the acquisitions of EZ-Pay, Local Level, Fullerton, Inc. and CCP, Inc. In addition to our acquisitions, we have redesigned many of the pieces of software acquired, integrated each under the PaySchools platform and embedded within the platform our proprietary integrated payments solutions, enabling students, parents and other customers of our clients to make school payments through a variety of channels, including online, mobile and in-person. These payments are completely embedded within our software platform, which enables us to update the related student records in real-time and streamline the reconciliation process for the school. In addition, we have added a more robust back-end processing tool and a direct customer service hotline, permitting parents or other individuals experiencing difficulty with their payment to speak to a customer service representative.

Today, all revenue from our education vertical is enabled by our proprietary software solutions. Further, we believe the ease of use of our integrated payment solution of PaySchools, combined with the ability to link school data with the related payments, has created high levels of satisfaction of our school districts, which include public school districts, private school consortiums, stand-alone private schools and charter schools, among others.

118
We believe PaySchools reduces the administrative burden previously experienced by our client school districts, and also provides convenience and customer support to parents and students. We believe the success of our PaySchools solution is demonstrated by our stable client base and an annual district retention rate of 96% for both 2017 and 2016. Further, our same store sales (which we define as our sales per school district) have increased annually in this segment, and most recently increased 9% for the fiscal year ended September 30, 2017 as compared to 2016, and our revenue per school district has increased a total of 31% during the three years from October 1, 2014 to September 30, 2017. We believe our ability to acquire a software platform, make tuck-in acquisitions and improve the performance of the education vertical is reflected in our financial results. In the education vertical during 2017, we generated a $0.1 million net loss and $2.1 million of adjusted EBITDA, compared to a $0.3 million net loss and $0.5 million of adjusted EBITDA in fiscal year 2015 as presented in the following table:

Horizontally-Integrated and Other Solutions
We also provide a comprehensive suite of horizontal solutions to our clients and distribution partners that complement our vertically-integrated solutions and enable us to further penetrate within each vertical market while cross-selling additional solutions across our client base. In the B2B market, we provide payment solutions to clients in industries that include professional services (including law firms), manufacturing, contractor services, construction, and other industries where a significant percentage of payments are received using a commercial, business, purchasing, or virtual card. Our B2B payment solutions offer clients secure processing technology to authorize and settle transactions at reasonable card rates, automate the pass-through of line item details, and enhance the automation of the accounts receivable process. Our distribution partners include card issuers and industry association, providing a predictable source of new client leads.

In addition, we provide payment processing solutions to many retail establishments using both an integrated and traditional merchant account approach. In addition, we have reseller arrangements with National Cash Register (NCR), pursuant to which we re-sell integrated POS solutions that consist of both hardware and software. We provide support services to these NCR POS clients, most of which are in the restaurant and hospitality markets, and we also cross-sell our payment processing solutions into this client base.
Our solutions are positioned to support new client growth and promote client retention both within and outside our existing verticals, but most importantly to provide a stable and secure payment experience. Our comprehensive range of payment solutions include:

Our Sales and Marketing

Our sales strategy leverages a broad network of distribution partners, comprised of ISVs, VARs, ISOs and our referral partners which include financial institutions, trade associations, chambers of commerce and card issuers. These distribution partners are a consistent and scalable source for new client acquisition. Leveraging our vertically focused suite of products and services, we are able to maximize the performance and retention of current distribution partners while attracting new partners. These one-to-many distribution partners accelerate penetration within our vertical markets in a cost-effective manner.

We focus on recruiting and retaining our distribution partners by providing them with financial incentives and support tools that enable them to be more successful in attracting new clients. We utilize our distribution partner sales force to identify new distribution partner relationships. These partner relationships are intended to expand our presence in existing strategic verticals, or extend into new industry verticals. The distribution partner sales team engages new opportunities, negotiates economic terms, and coordinates with marketing and direct sales to launch the partnership.

Our sales force includes both outside and inside representatives to manage each distribution partner relationship and deliver optimal response times to new client referrals. Our product and partner marketing is
delivered through a shared-services model which is coordinated with each business unit. Marketing is tightly aligned with our sales efforts by providing event coordination, demand generation resources, physical and electronic marketing campaigns and partner marketing collateral.

Our direct sales team is responsible for selling our proprietary software and payment technology solutions to clients primarily through our distribution and referral partner networks. The assigned sales team is the primary liaison for managing the partner relationship, coordinating with marketing team efforts and engaging new client referral opportunities. We utilize our direct sales team to sell our proprietary software and payment technology solutions directly to clients in our education, property management and public sector markets.

**Distribution Partners**

**Integrated Software Vendors.** Our ISV partners are software companies that integrate our payment technology into their software and market our acquiring services to their clients in a one-to-many fashion. The integration streamlines the onboarding of new clients, provides a consistent support structure for our joint client, and delivers a bundled payment offering that clients find attractive. An integrated payment and software solution enhances client satisfaction and increases client retention. From September 30, 2016 to September 30, 2017, we increased our network of ISVs from 13 to 22, which produced an increase in average monthly payment volume of 155%. As of March 31, 2018, we had 23 ISV partners.

**Value Added Resellers.** We partner with VARs to sell our proprietary software products in conjunction with the services that the VAR is able to provide to our client. This type of relationship allows us to expand our sales of software licensing subscriptions by allowing a VAR to bundle our software product with other value-add services provided by the VAR.

**Independent Sales Organizations.** We partner with ISOs to market our broad offering of payment solutions. The majority of our ISOs will market under our brand which allows them to promote our suite of products and payment solutions. We provide valuable support, training, and portfolio management tools to our ISOs.

**Referral Partners**

**Financial Institutions.** We partner with financial institutions to offer our suite of products and services to their commercial banking clients. Through our partner bank program, our sales team works directly with treasury management, business banking, and retail banking centers to promote our products and services to current or prospective clients. We receive the merchant referral, establish pricing and manage the ongoing support of that client relationship. Many referral bank relationships will actively market to clients who receive merchant acquiring deposits through another provider. We can also deliver simplified pricing programs and online sign-up capabilities to enable clients to self-enroll into the program. Many of our services can be private-labeled or co-branded for that specific financial institution. Our active financial institution relationships represent over 200 retail banking centers and 30,000 commercial banking clients.

**Trade Associations.** We partner with a broad and diverse network of industry associations and business alliances to promote our products and services both within and outside our strategic verticals. Our association partners are trusted within their specific industry and their membership is comprised of notable businesses and vendors who support that industry. Our participation within the association varies by relationship but often involves tradeshow participation, member benefit offerings, and other engagement opportunities intended to attract new clients and strengthen our brand awareness. We are actively engaged with over 50 industry associations and trade groups, representing over 80,000 prospective client relationships.

**Chambers of Commerce.** Our chamber referral partner network serves to benefit both the chamber and chamber member. Our sales and marketing team works closely with the chamber to establish a group rate program for the members of that specific chamber. The chamber then promotes our processing solutions as a membership benefit and in many cases the cost savings we can deliver that member will offset their chamber dues. The chamber receives a portion of our revenue which acts as a non-dues revenue source for the chamber and helps offset the costs incurred by the chamber to promote the program. Depending on the size and geographic location of the chamber, we assign either inside or outside sales representatives to manage the relationship and engage each referred chamber member. Our current network of 70 chambers represents a combined membership of over 65,000 businesses.
Card Issuers. Our growth in the B2B market is largely attributable to partnerships with commercial card issuers. Our card issuing partner will work with a business
client to convert outgoing supplier/vendor payments from check, ACH, or cash to a card network-based product. These products can be in the form of a physical
purchasing card, one-time use virtual card, or a dynamically loaded card on file. Our B2B sales team supports the client to maximize vendor enrollment rates by
negotiating better card processing fees or optimizing the interchange qualification of the card network payment. Our card issuing partners currently pay over 500,000
unique vendors each month using a card network-based product, representing over $2 billion in card payment volume. These vendors further represent a new client
opportunity when we are introduced to the relationship.

i3 Verticals Sales Force

Distribution and Referral Partner Sales. Our distribution and referral partner sales function is responsible for identifying new distribution and referral partner
relationships. These partner relationships are intended to expand our presence in existing strategic verticals, or extend into new industry verticals. The distribution and
referral partner sales team engages new opportunities, negotiates economic terms and coordinates with marketing and direct sales to launch the partnership.

Direct Sales. Our direct sales team is responsible for selling our proprietary software and payment technology solutions to clients primarily through our distribution
and referral partner networks. The assigned sales team is the primary liaison for managing the partner relationship, coordinating with marketing team efforts and
engaging new client referral opportunities. We also utilize our direct sales team to sell our proprietary software and payment technology solutions directly to clients in our
education, property management and public sector markets.

Marketing

Our enterprise marketing function serves as a shared-services team to coordinate corporate communications and support the sales team. The marketing team
establishes our overall corporate marketing strategy to enhance brand awareness and demand generation. We use a broad variety of traditional and digital marketing
mediums to engage prospective clients. These include:

Corporate Communications and Public Relations. The corporate communications and public relations team manages press releases, industry announcements and
overall external corporate messaging.

Product Marketing. The product marketing function is responsible for coordinating communications related to our software solutions.

Distribution Partner Marketing. Our distribution partner marketing team partners with sales to promote our services to prospective clients through our distribution
partner network. This includes email marketing campaigns, sales promotions, client testimonials and product cross-sell opportunities.

Digital Marketing. Our digital marketing efforts include client and partner newsletters, email campaigns, search engine optimization and digital advertising.

Our Operations

Our operations team is uniquely structured to optimize the experience of our clients and distribution partners. These regionally distributed and vertically focused
business support teams allow us to establish a level of expertise that delivers a scalable support structure and enables us to align with the economic goals and specific
expectations of the respective business unit. Each operations team is positioned to support the functions of their respective client base and key performance indicators
mark their progress toward achieving the goals established by each business unit. Our client and partner databases provide visibility into the overall client relationship,
tracking the status of the relationship from initial contact through the lifecycle of that client or partner relationship. Our centralized technology department is structured to
rapidly enhance and effectively maintain our products and services.

Business Operations

Our operations team is structured to effectively support the individual needs of our clients and distribution partners. This support includes:

Client Onboarding. Our onboarding process is streamlined to deliver shortened activation timelines, ensuring our clients and those of our distribution partners can
quickly begin transaction processing. Real-time account
approval for low-risk customer profiles expedites onboarding and allows our underwriting team to focus on more complex client activations. Onboarding under our PayFac model is even more efficient because less information must be gathered from the merchant, reducing the time required to create a merchant account.

**Client Support and Retention.** Our client support team is structured to serve our business units through a central client support center and strategically located support centers. Each support team is trained to serve the specific needs of those clients and is positioned to serve as redundancy to other business units as necessary. This provides us the flexibility to scale our operations as needs arise. Our client support team is also involved in retention efforts and have direct lines of communication to sales and management to resolve client matters in a timely manner.

**Client Training and Activations.** Our client activation teams handle the setup, testing, deployment, and configuration of client installations. These team members are distributed across our business units and trained to specialize in the client profile of that business unit. Product-specific training and certifications are often required for certain POS and processing systems. The training and activation team works directly with client sales and support to enhance the client experience.

**Billing and Financial Review.** Our billing and financial review function is responsible for the billing of fees related to merchant acquiring, products, and services. The team also monitors the accuracy of merchant billing, network processing costs and third-party partner costs.

**Credit Underwriting and Risk Management.** Our credit underwriting and risk management operations are designed to efficiently manage new account approvals and establish profiles to effectively manage the ongoing monitoring of client accounts. Once an account is actively processing, our risk systems are configured to monitor and flag activity requiring additional research, minimizing losses attributable to client fraud or default. Our processes are established to align with card brand and sponsor bank guidelines. Pending transactions are efficiently managed to minimize funding disruptions while limiting risk exposure.

**Dispute and Chargeback Processing.** Our dispute and chargeback team provides clients and partners an efficient support structure to manage the dispute resolution process. We work directly with the client, payment card networks and card issuing brands to collect and analyze the data provided to determine liability and resolve open dispute claims.

**Distribution Partner Support.** Our distribution partner support is designed to offer partners single access to the tools, products and services to ensure they can effectively attract new clients and support existing client portfolios.

**Customer Support.** Our customer support team resides within our client support team and is often staffed by cross-trained team members. The customer support team provides transaction processing support to customers attempting to make payments through our payment systems. This service is offered through a subset of our vertical product offerings such as education and public-sector payments, where live customer-level support is deemed necessary. Bi-lingual support is also offered in certain business units.

**Technology Operations**
Our technical operations team oversees the execution of development, quality control, delivery and support for our payment processing applications and the hosted user applications. Applications are developed and tested according to the software development lifecycle, composed of iterative development and testing with a dedicated focus on planning and execution. Releases are modeled on continuous deployment and added to the live environment on a routine basis. Each application stack is built with redundancy to foster resiliency and built to be easily managed during a disaster recovery scenario. The entire solution is hosted within a managed, dedicated environment that is certified PCI-compliant to protect all personal and transactional data.

**Network and Security.** Our network and security team is responsible for ensuring that our processing technology is secure, stable and aligns to the current standards set forth by the payment card networks. This includes PCI Level 1 and PA-DSS security requirements.

**Product Development, Testing and Deployment.** We follow a very strict product development methodology from concept to release. This methodology includes testing as well as security review for each development sprint to ensure our products are stable and secure. This shared-services team works directly with our business units
and distribution partners to gather business requirements, manage product release schedules, schedule product development and testing and coordinate the release schedules.

Developer Integration. Our developer integration team works directly with our business units and ISVs to accept new integration inquiries and support activities related to integrating business applications into our payment technology platform.

Technical Support. Our technical support team is responsible for technical inquiries related to our merchant acquiring and software products. The team is trained to resolve most technical inquiries and will engage third party partners where additional assistance is required.

Our Competition

We compete with a variety of merchant acquirers that have different business models, go-to-market strategies and technical capabilities. We believe the most significant competitive factors in our markets are:

1. trust, including a strong reputation for quality service and trusted distribution partners;
2. convenience, such as speed in approving applications, client onboarding and dispute resolution;
3. service, including product functionality, value-added solutions and strong customer support; and
4. economics, including fees charged to clients and residuals and incentives offered to distribution partners.

Our competitors range from large and well established companies to smaller, earlier-stage businesses. See “Risk Factors—Risks Related to Our Business and Industry—The payment processing industry is highly competitive. Such competition could adversely affect the fees we receive, and as a result, our margins, business, financial condition and results of operations.”

Government Regulation

We operate in an increasingly complex legal and regulatory environment. Our business and the products and services that we offer are subject to a variety of federal, state and local laws and regulations and the rules and
standards of the payment networks that we utilize to provide our electronic payment services, as more fully described below.

**Dodd-Frank Act**

The Dodd-Frank Act and the related rules and regulations have resulted in significant changes to the regulation of the financial services industry. Changes impacting the electronic payment industry include providing merchants with the ability to set minimum dollar amounts for the acceptance of credit cards and to offer discounts or incentives to entice consumers to pay with cash, checks, debit cards or credit cards, as the merchant prefers. New rules also contain certain prohibitions on payment network exclusivity and merchant routing restrictions of debit card transactions. Additionally, the Durbin Amendment to the Dodd-Frank Act provides that the interchange fees that certain issuers charge merchants for debit transactions will be regulated by the Federal Reserve and must be “reasonable and proportional” to the cost incurred by the issuer in authorizing, clearing and settling the transactions. Rules released by the Federal Reserve in July 2011 to implement the Durbin Amendment mandate a cap on debit transaction interchange fees for issuers with assets of $10 billion or greater.

The Dodd-Frank Act also created the CFPB, which has assumed responsibility for most federal consumer protection laws, and the Financial Stability Oversight Council, which has the authority to determine whether any non-bank financial company, such as us, should be supervised by the Board of Governors of the Federal Reserve System because it is systemically important to the U.S. financial system. Any new rules or regulations implemented by the CFPB or the Financial Stability Oversight Council or in connection with Dodd-Frank Act that are applicable to us, or any changes that are adverse to us resulting from litigation brought by third parties challenging such rules and regulations, could increase our cost of doing business or limit permissible activities.

**Privacy and Information Security Regulations**

We provide services that may be subject to privacy laws and regulations of a variety of jurisdictions. Relevant federal privacy laws include the Gramm-Leach-Bliley Act of 1999, which applies directly to a broad range of financial institutions and indirectly, or in some instances directly, to companies that provide services to financial institutions. These laws and regulations restrict the collection, processing, storage, use and disclosure of personal information, require notice to individuals of privacy practices and provide individuals with certain rights to prevent the use and disclosure of certain nonpublic or otherwise legally protected information. These laws also impose requirements for safeguarding and proper destruction of personal information through the issuance of data security standards or guidelines. Our business may also be subject to the Fair Credit Reporting Act and the Fair and Accurate Credit Transactions Act of 2003, which regulate the use and reporting of consumer credit information and also imposes disclosure requirements on entities who take adverse action based on information obtained from credit reporting agencies. In addition, there are state laws restricting the ability to collect and utilize certain types of information such as Social Security and driver's license numbers. Certain state laws impose similar privacy obligations as well as obligations to provide notification of security breaches of computer databases that contain personal information to affected individuals, state officers and consumer reporting agencies and businesses and governmental agencies that possess data.

**Anti-Money Laundering and Counter-Terrorism Regulation**

Our business is subject to U.S. federal anti-money laundering laws and regulations, including the Bank Secrecy Act of 1970, as amended by the USA PATRIOT Act of 2001, which we refer to collectively as the “BSA.” The BSA, among other things, requires money services businesses to develop and implement risk-based anti-money laundering programs, report large cash transactions and suspicious activity and maintain transaction records. We are also subject to certain economic and trade sanctions programs that are administered by OFAC that prohibit or restrict transactions to or from (or transactions dealing with) specified countries, their governments and, in certain circumstances, their nationals, narcotics traffickers and terrorists or terrorist organizations. Similar anti-money laundering, counter terrorist financing and proceeds of crime laws apply to movements of currency and payments through electronic transactions and to dealings with persons specified on lists maintained by organizations similar to OFAC in several other countries and which may impose specific data retention obligations or prohibitions on intermediaries in the payment process. We have developed and continue to enhance compliance programs and policies to monitor and address related legal and regulatory requirements and developments.

**Unfair or Deceptive Acts or Practices**

We and many of our clients are subject to Section 5 of the Federal Trade Commission Act prohibiting unfair or deceptive acts or practices. In addition, laws prohibiting these activities and other laws, rules and or regulations, including the Telemarketing Sales Act, may directly impact the activities of certain of our clients, and in some cases
may subject us, as the client’s payment processor or provider of certain services, to investigations, fees, fines and disgorgement of funds if we are deemed to have aided
and abetted or otherwise provided the means and instrumentalities to facilitate the illegal or improper activities of the client through our services. Various federal and state
regulatory enforcement agencies including the Federal Trade Commission and the states attorneys general have authority to take action against non-banks that engage
in unfair or deceptive acts or practices or violate other laws, rules and regulations and to the extent we are processing payments or providing services for a client that
may be in violation of laws, rules and regulations, we may be subject to enforcement actions and as a result may incur losses and liabilities that may impact our business.

In addition, the CFPB has recently attempted to extend certain provisions of the Dodd-Frank Act that prevent the employment of UDAAP to payment processors.
Though there is still litigation involving whether payment processing companies are subject to these requirements (and the extent of its application), these requirements
may apply or be applicable in the future. UDAAPs could involve omissions or misrepresentations of important information to consumers or practices that take advantage
of vulnerable consumers, such as elderly or low-income consumers.

Stored Value Services

Stored value cards, store gift cards and electronic gift certificates are subject to various federal and state laws and regulations, which may include laws and
regulations related to consumer and data protection, licensing, consumer disclosures, escheat, anti-money laundering, banking, trade practices and competition and
wage and employment. The clients who utilize the gift card processing products and services that we may sell may be subject to these laws and regulations. In the future,
if we seek to expand these stored value card products and services, or as a result of regulatory changes, we may be subject to additional regulation and may be required
to obtain additional licenses and registrations which we may not be able to obtain.

The Credit Card Accountability Responsibility and Disclosure Act of 2009 (the “Card Act”) created new requirements applicable to general-use prepaid gift cards,
store gift cards and electronic gift certificates. The Card Act, along with the Federal Reserve’s amended Regulation E, created new requirements with respect to these
cards and electronic certificates. These include certain prohibited features and revised disclosure obligations. Prepaid services may also be subject to the rules and
regulations of Visa, Mastercard, Discover and American Express and other payment networks with which our clients and the card issuers do business. The clients who
utilize the gift card processing products and services that we may sell are responsible for compliance with all applicable rules and requirements relating to their gift
product program.

Additionally, the Financial Crimes Enforcement Network of the U.S. Department of the Treasury, or FinCEN, issued a final rule in July 2011 regarding the applicability
of the Bank Secrecy Act’s regulations to “prepaid access” products and services. This rulemaking clarifies the anti-money laundering obligations for entities engaged in
the provision and sale of prepaid services, such as prepaid gift cards. We are not registered with FinCEN based on our determination that our current products and
services do not constitute a “prepaid program” as defined in the Bank Secrecy Act and we are not a “provider” of prepaid access. We may in the future need to register
with FinCEN as a “money services business-provider of prepaid access” in accordance with the rule based on changes to our products or services.

Indirect Regulatory Requirements

Certain of our distribution partners are financial institutions that are directly subject to various regulations and compliance obligations issued by the CFPB, the Federal
Reserve System, the Office of the Comptroller of the Currency, the Federal Deposit Insurance Corporation, the National Credit Union Administration and other agencies
responsible for regulating financial institutions, which includes state financial institution regulators. While these regulatory requirements and compliance obligations do not
apply directly to us, many of these requirements materially affect the services we provide to our clients and us overall. The financial institution regulators have imposed
requirements on regulated financial institutions to manage their third-party service providers. Among other things, these requirements include performing appropriate due
diligence when selecting third-party service providers; evaluating the risk management, information security, and information management systems of third-party service
providers; imposing contractual protections in agreements with third-party service providers (such as performance measures, audit and remediation rights,
indemnification, compliance requirements, confidentiality and information security obligations, insurance requirements, and limits on liability); and conducting ongoing
monitoring, diligence and audit of the performance of third-party service providers. Accommodating these requirements applicable to our clients imposes additional costs
and risks in connection with our financial institution
relationships. We expect to expend significant resources on an ongoing basis in an effort to assist our clients in meeting their legal requirements.

Payment Network Rules and Standards

Payment networks establish their own rules and standards that allocate liabilities and responsibilities among the payment networks and their participants. These rules and standards, including the Payment Card Industry Data Security Standards, govern a variety of areas including how consumers and clients may use their cards, the security features of cards, security standards for processing, data security and allocation of liability for certain acts or omissions including liability in the event of a data breach. The payment networks may change these rules and standards from time to time as they may determine in their sole discretion and with or without advance notice to their participants. These changes may be made for any number of reasons, including as a result of changes in the regulatory environment, to maintain or attract new participants, or to serve the strategic initiatives of the networks and may impose additional costs and expenses on or be disadvantageous to certain participants. Participants are subject to audit by the payment networks to ensure compliance with applicable rules and standards. The networks may fine, penalize or suspend the registration of participants for certain acts or omissions or the failure of the participants to comply with applicable rules and standards.

An example of a recent standard is the “chip and pin” or “chip and signature” card requirement, known as EMV, which was mandated by Visa, Mastercard, American Express and Discover to be supported by payment processors by April 2013 and by merchants by October 2015. This mandate set new requirements and technical standards, including requiring POS systems to be capable of accepting the more secure “chip” cards that utilize the EMV standard and setting new rules for data handling and security. Processors and clients that do not comply with the mandate or do not use systems that are EMV compliant risk fines and liability for fraud-related losses. We have invested significant resources to ensure our systems’ compliance with the mandate, and to assist our clients in becoming compliant.

To provide our electronic payment services, we must be registered either indirectly or directly as service providers with the payment networks that we utilize. Because we are not a bank, we are not eligible for primary membership in certain payment networks, including Visa and Mastercard, and are therefore unable to directly access these networks. The operating regulations of certain payment networks, including Visa and Mastercard, require us to be sponsored by a member bank as a service provider. We are registered with certain payment networks, including Visa and Mastercard, through various sponsor banks. The agreements with our bank sponsors give them substantial discretion in approving certain aspects of our business practices including our solicitation, application and qualification procedures for clients and the terms of our agreements with clients. We are also subject to network operating rules and guidelines promulgated by the NACHA relating to payment transactions we process using the Automated Clearing House Network. Like the card networks, NACHA may update its operating rules and guidelines at any time and we will be subject to these changes. These operating rules and guidelines allocate responsibility and liabilities to the various participants in the payment network. Recently, NACHA has focused upon data security and privacy responsibilities. We are subject to audit by our partner financial institutions for compliance with the rules and guidelines. Our sponsor financial institutions have substantial discretion in approving certain aspects of our business practices including the terms of our agreements with our ACH processing clients.

Money Transmitter Regulation

We are subject to various U.S. federal, state, and foreign laws and regulations governing money transmission and the issuance and sale of payment instruments, including some of the prepaid products we may sell.

In the United States, most states license money transmitters and issuers of payment instruments. These states not only regulate and control money transmitters, but they also license entities engaged in the transmission of funds. Many states exercise authority over the operations of our services related to money transmission and payment instruments and, as part of this authority, subject us to periodic examinations. Many states require, among other things, that proceeds from money transmission activity and payment instrument sales be invested in high-quality marketable securities before the settlement of the transactions or otherwise restrict the use and safekeeping of such funds. Such licensing laws also may cover matters such as regulatory approval of consumer forms, consumer disclosures and the filing of periodic reports by the licensee, and require the licensee to demonstrate and maintain specified levels of net worth. Many states also require money transmitters, issuers of payment instruments, and their agents to comply with federal and/or state anti-money laundering laws and regulations.
Other Regulation

We are subject to U.S. federal and state unclaimed or abandoned property (escheat) laws which require us to turn over to certain government authorities the property of others we hold that has been unclaimed for a specified period of time such as account balances that are due to a distribution partner or client following discontinuation of its relationship with us. The Housing Assistance Tax Act of 2008 requires certain merchant acquiring entities and third-party settlement organizations to provide information returns for each calendar year with respect to payments made in settlement of electronic payment transactions and third-party payment network transactions occurring in that calendar year. Reportable transactions are also subject to backup withholding requirements.

The foregoing is not an exhaustive list of the laws and regulations to which we are subject and the regulatory framework governing our business is changing continuously. See “Risk Factors—Risks Related to Our Business and Industry.”

Our Intellectual Property

Certain of our products and services are based on proprietary software and related payment systems solutions. We rely on a combination of copyright, trademark, and trade secret laws, as well as employee and third-party non-disclosure, confidentiality, and contractual arrangements to establish, maintain, and enforce our intellectual property rights in our technology, including with respect to our proprietary rights related to our products and services. In addition, we license technology from third parties who are integrated into some of our solutions.

We own a number of registered federal service marks, including i3 Verticals®, PaySchools® and Axia®. We also own a number of domain names, including www.i3verticals.com.

We believe our existing facilities are adequate to support our existing operations and, as needed, we will be able to obtain suitable additional facilities on commercially reasonable terms.

Legal Proceedings

From time to time, we are involved in various litigation matters arising in the ordinary course of our business. We do not believe that any of these matters, individually or in the aggregate, are currently material to us.

On June 14, 2016, Expert Auto Repair, Inc. and Jeff Straight initiated a class action lawsuit against us, as a successor to Merchant Processing Solutions, LLC, in the Los Angeles County Superior Court of California, seeking damages, restitution and declaratory and injunctive relief (the “Expert Auto Litigation”). The plaintiffs alleged that our purported predecessor engaged in unfair business practices in the merchant services sector including unfairly inducing merchants to obtain credit and debit card processing services and thereafter assessing them with improper fees. Subject to preliminary and final court approval, we have entered into a settlement agreement to settle the plaintiffs’ claims for $1.0 million. On April 10, 2018, the Court granted conditional class certification and preliminary approval of the agreed settlement, and scheduled the final fairness hearing and final approval of the settlement for December 2018.

In connection with the Expert Auto Litigation, on November 3, 2016 our insurance carrier, Starr Indemnity and Liability Company, Inc. (“Starr”), filed a complaint against us in the United States District Court for the Middle District of Tennessee, seeking a declaration that our insurance policies with Starr did not cover a settlement or award granted to the Expert Auto Litigation plaintiffs. This action was subsequently dismissed for lack of subject matter jurisdiction, prompting Starr to move the court to reconsider and on February 15, 2017 to file a complaint against us in the Twentieth Judicial District of the Davidson County Chancery Court of Tennessee repeating its federal court claims (although Starr has since dismissed the complaint in the Davidson County Chancery Court). Thereafter, after reconsidering its dismissal for lack of subject matter jurisdiction, the United States District Court for the Middle District of Tennessee revived Starr’s complaint, allowing Starr’s action to continue in federal court. On April 13, 2018, the court issued an order that continued the stay on discovery in the matter, required Starr to file a motion for judgment on the pleadings (which Starr filed on May 21, 2018), and required us to respond to such motion by June 8, 2018. On April 23, 2018, i3 Verticals, LLC filed its answer and counterclaim to Starr’s complaint. We intend to vigorously defend against Starr’s claims.

Corporate Governance
Composition of our Board of Directors

Our business and affairs are managed under the direction of our Board of Directors. The number of directors will be fixed by our Board of Directors, subject to the terms of our amended and restated certificate of incorporation and amended and restated bylaws, which will include a requirement that the number of directors be fixed exclusively by a resolution adopted by directors constituting a majority of the total number of authorized
directors, whether or not there exist any vacancies in previously authorized directorships. Our Board of Directors currently consists of eight directors.

When considering whether directors and nominees have the experience, qualifications, attributes or skills, taken as a whole, to enable our Board of Directors to satisfy its oversight responsibilities effectively in light of our business and structure, the Board of Directors focuses primarily on each person's background and experience as reflected in the information discussed in each of the directors' individual biographies set forth above. We believe that our directors provide an appropriate mix of experience and skills relevant to the size and nature of our business.

Corporate Governance Profile
We intend to structure our corporate governance in a manner we believe closely aligns our interests with those of our stockholders. Notable features of our corporate governance structure will include the following:

- our Board of Directors will not be classified, with each of our directors subject to re-election annually;
- we expect that a majority of our directors will satisfy the Nasdaq listing standards for independence;
- generally, all matters to be voted on by stockholders will be approved by a majority (or, in the case of election of directors, by a plurality) of the votes entitled to be cast by all stockholders present in person or represented by proxy, voting together as a single class;
- we intend to comply with the requirements of the Nasdaq marketplace rules, including having committees comprised solely of independent directors; and
- we do not have a stockholder rights plan.

Our directors will stay informed about our business by attending meetings of our Board of Directors and its committees and through supplemental reports and communications. Our independent directors will meet regularly in executive sessions without the presence of our corporate officers or non-independent directors.

Role of the Board in Risk Oversight
One of the key functions of our Board of Directors is to provide informed oversight of our risk management process. Upon completion of this offering, our Board of Directors will administer this oversight function directly, with support from its two standing committees, the Audit Committee and the Compensation Committee, each of which will address risks specific to its respective areas of oversight. In particular, our Audit Committee will have the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including creating guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee will also monitor compliance with legal and regulatory requirements in addition to oversight of the performance of our internal audit function. Our Compensation Committee will assess and monitor whether any of our compensation policies and programs have the potential to encourage excessive risk-taking.

Director Independence
The Nasdaq marketplace rules require that, subject to specified exceptions, each member of a listed company’s audit, compensation and nominations committees be independent, or, if a listed company has no nominations committee, that director nominees be selected or recommended for the board's selection by independent directors constituting a majority of the board’s independent directors. The Nasdaq marketplace rules further require that audit committee members satisfy independence criteria set forth in Rule 10A-3 under the Exchange Act and that compensation committee members satisfy the independence criteria set forth in Rule 10C-1 under the Exchange Act.

Prior to the completion of this offering, our Board of Directors undertook a review of the independence of our directors and considered whether any director has a material relationship with us that could compromise that director’s ability to exercise independent judgment in carrying out that director’s responsibilities. Our Board of Directors has affirmatively determined that each of Ms. Courtney and Messrs. Harrison, McKenna, Morgan and Wilds qualify as an independent director, as defined under the applicable corporate governance standards of Nasdaq. These rules require that our Audit Committee be composed of at least three members, one of whom must be independent on the date of listing on the Nasdaq, a majority of whom must be independent within 90
days of the effective date of the registration statement containing this prospectus, and all of whom must be independent within one year of the effective date of the registration statement containing this prospectus.

Lead Independent Director

In connection with this offering, we will adopt corporate governance guidelines that will provide that one of our independent directors should serve as a lead independent director at any time when our Chief Executive Officer serves as the Chairman of our Board of Directors, or if the Chairman is not otherwise independent. Because Mr. Daily is our Chairman and is not an “independent director” as defined the Nasdaq marketplace rules, our Board of Directors has appointed Mr. Wilds as lead independent director to preside over periodic meetings of our independent directors, serve as a liaison between our Chairman and the independent directors and perform additional duties as our Board of Directors may otherwise determine or delegate from time to time.

Committees of the Board

Prior to the completion of this offering, our Board of Directors will establish an Audit Committee and a Compensation Committee. Each committee will operate under a charter approved by our Board of Directors. Following this offering, copies of each committee’s charter will be posted on the Corporate Governance section of our website, www.i3verticals.com. Information contained on our website is not a part of this prospectus and the inclusion of our website address in this prospectus is an inactive textual reference only.

Audit Committee. Upon completion of this offering, our Audit Committee will be comprised of Messrs. Morgan, Harrison and Wilds, each of whom is an independent director. Mr. Morgan will serve as the chair of our Audit Committee. Prior to the completion of this offering, we expect to adopt an Audit Committee Charter, which will detail the functions of the Audit Committee, including, among other things:

- evaluating the performance, independence and qualifications of our independent auditors and determining whether to retain our existing independent auditors or engage new independent auditors;
- reviewing and approving the engagement of our independent auditors to perform audit services and any permissible non-audit services;
- reviewing our annual and quarterly financial statements and reports and discussing the statements and reports with our independent auditors and management;
- reviewing with our independent auditors and management significant issues that arise regarding accounting principles and financial statement presentation, and matters concerning the scope, adequacy and effectiveness of our financial controls;
- reviewing with management and our auditors any earnings announcements and other public announcements regarding material developments;
- establishing procedures for the receipt, retention and treatment of complaints we receive regarding accounting, internal accounting controls or auditing matters and other matters;
- preparing the report of the Audit Committee that the SEC requires in our annual proxy statement;
- overseeing risks associated with financial matters such as accounting, internal controls over financial reporting and financial policies;
- reviewing and providing oversight with respect to any related party transactions and monitoring compliance with our code of ethics; and
- reviewing and evaluating, at least annually, the performance of the Audit Committee, including compliance of the Audit Committee with its charter.

Our Board of Directors has determined that Mr. Morgan qualifies as an “audit committee financial expert” within the meaning of SEC rules and regulations. In making its determination that Mr. Morgan qualifies as an “audit committee financial expert,” our Board of Directors has considered the formal education and nature and scope of Mr. Morgan’s previous experience, coupled with past and present service on various audit committees. Upon completion of this offering, both our independent registered public accounting firm and management personnel periodically will meet privately with our Audit Committee.

Compensation Committee. Upon completion of this offering, our Compensation Committee will be comprised of Mr. McKenna and Ms. Courtney, with Mr. McKenna serving as chair of the Compensation Committee. Prior to
the completion of this offering, we expect to adopt a Compensation Committee Charter, which will detail the functions of the Compensation Committee, including, among other things:

- reviewing and recommending to our Board of Directors the compensation and other terms of employment of our executive officers;
- reviewing and recommending to our Board of Directors performance goals and objectives relevant to the compensation of our executive officers;
- evaluating and approving the equity incentive plans, compensation plans and similar programs advisable for us, as well as modification or termination of existing plans and programs;
- evaluating and recommending to our Board of Directors the type and amount of compensation to be paid or awarded to Board members;
- administering our equity incentive plans;
- reviewing and recommending to our Board of Directors policies with respect to incentive compensation and equity compensation arrangements;
- reviewing the competitiveness of our executive compensation programs and evaluating the effectiveness of our compensation policy and strategy in achieving expected benefits to us;
- evaluating and overseeing risks associated with compensation policies and practices;
- reviewing and recommending to our Board of Directors the terms of any employment agreements, severance arrangements, change in control protections and any other compensatory arrangements for our executive officers and other members of senior management;
- preparing the report of the Compensation Committee that the SEC requires in our annual proxy statement;
- reviewing the adequacy of its charter on an annual basis; and
- reviewing and evaluating, at least annually, the performance of the Compensation Committee, including compliance of the Compensation Committee with its charter.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serves or has served as a member of the Board of Directors or Compensation Committee (or other committee performing similar functions) of any entity that has one or more executive officers serving on our Board of Directors or Compensation Committee.

Code of Business Conduct and Ethics

Upon completion of this offering, our Board of Directors will establish a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, and persons performing similar functions. A current copy of the code will be posted on our website, which is located at www.i3verticals.com. Any amendments to our code of conduct will be disclosed on our Internet website promptly following the date of such amendment or waiver. The information on any of our websites is deemed not to be incorporated in this prospectus or to be part of this prospectus.

Certain Legal Proceedings

In 2002, Mr. Daily was personally named in a lawsuit in the Superior Court of Los Angeles, California related to a purported contractual relationship between a third party and iPayment, Inc., a company for which he served as its Chairman and Chief Executive Officer until his departure in 2011. Mr. Daily was alleged to have interfered with such contract. In 2003, a jury rendered a $350 million judgment against Mr. Daily in this lawsuit. As a result of this judgment, Mr. Daily filed for personal bankruptcy protection under Chapter 11 of the Bankruptcy Code in May 2009. The claims in the bankruptcy proceeding relating to this judgment were settled through the redemption of Mr. Daily’s ownership in iPayment, Inc. for $118.5 million. Mr. Daily received a full discharge and the final decree was issued in December 2011.

Mr. Harrison has served as a director of HMC since 2004 and may be deemed a control person of HMC. Prior to March 2009, HMC was affiliated with entities that acted as the general partners of funds related to Harbinger Capital Partners LLC (“Harbinger”) managed by Philip Falcone. In June 2012, the SEC filed civil fraud charges against Mr. Falcone and Harbinger related to, among other things, its trading in certain corporate bonds in 2006 to
2008 that the SEC alleged to have been “manipulative” in violation of Section 10(b) of the Exchange Act. The SEC also sought to hold HMC derivatively liable as a “control person” under Section 20(A) of the Exchange Act. Mr. Harrison was not named as an individual defendant in the SEC proceeding. In June 2012, HMC settled with the SEC without admitting or denying liability. In connection with the settlement, HMC agreed to pay a civil fine of $1 million and consented to an injunction restraining future violations of Section 10(b). In August 2013, Mr. Falcone and Harbinger settled with the SEC, resulting in civil penalties and, for Mr. Falcone, restrictions on practicing in the securities industry.

(1) The salary paid to Mr. Daily equals the employee cost of Mr. Daily’s health insurance premium.
(2) Represents discretionary cash incentive bonuses paid to each of our named executive directors in May 2017.
(3) In fiscal year 2017, Mr. Whitson and Mr. Stanford were each granted an aggregate of 135,113 Class P units (35,113 units were granted on November 29, 2016, and 100,000 units were granted on August 10, 2017), and no Class P units were granted to Mr. Daily. The Class P units cliff vest three years from the anniversary of the applicable grant date, subject to the individual's continued employment with i3 Verticals, LLC. The Class P units represent a right to a fractional portion of the profits and distributions of i3 Verticals, LLC in excess of a "participation threshold" that is set equal to an amount, as determined by the Board, that would be distributable to the members if immediately prior to the grant of the Class P units, i3 Verticals, LLC sold all of its assets for fair market value, paid all of its liabilities, and liquidated. As the Class P units issued to Messrs. Whitson and Stanford were issued at a participation threshold above the valuation of i3 Verticals, LLC on the grant date, the grant date fair value computed in accordance with ASC Topic 718 is zero.
(4) Represents health insurance premiums paid by i3 Verticals, LLC.

Narrative to Summary Compensation Table

Each of our named executive officers was provided with the following material elements of compensation in the year ended September 30, 2017:

Base Salaries

Since i3 Verticals, LLC’s founding in 2012, the compensation program for the named executive officers has reflected that of a privately-held, high growth company. In this regard, while cash compensation in the form of base salaries has been set generally below market for senior management, since 2012 management has been incentivized through increasing the valuation of their equity ownership in i3 Verticals, LLC. For example, during fiscal year 2017, Mr. Daily elected to receive only a nominal salary that was equivalent to the employee cost of his health insurance premium.
Annual Cash Incentive Awards

Annual cash bonuses are a key component of our executive compensation strategy and represented approximately 25% of the total compensation paid to our named executive officers in fiscal 2017. The compensation committee of i3 Verticals, LLC retained the right to award cash bonuses to the named executive officers in its sole discretion and sound business judgment, if the committee determined that a named executive officer made a significant contribution to i3 Verticals, LLC's success. Although the Company's fiscal year ends September 30, the compensation committee has historically awarded cash incentive awards following each calendar year. The annual incentive bonuses actually awarded to each named executive officer in March 2017 were ultimately based on a discretionary performance evaluation conducted by our compensation committee and Chief Executive Officer, in consultation with other executive officers. The determination involved an analysis of both (i) the Company's overall performance, including significant growth in fiscal year 2016 and (ii) the performance of the individual officer and his contributions to the Company. The compensation committee decided, in consultation with Mr. Daily, to award no bonus to Mr. Daily due to his considerable ownership share in our Company.

Equity Compensation

Profits Interests. Pursuant to the i3 Verticals LLC Agreement, certain of our employees, including each of our named executive officers, currently hold profits interests in i3 Verticals, LLC in the form of Class P units. In fiscal year 2017, Messrs. Whitson and Stanford were each granted an aggregate of 135,113 Class P units (100,000 units each were granted on August 10, 2017 and 35,113 units each were granted on November 29, 2016). The Class P units cliff vest three years from the anniversary of the applicable grant date, subject to the individual's continued employment with i3 Verticals, LLC. The Class P units represent a right to a fractional portion of the profits and distributions of i3 Verticals, LLC in excess of a "participation threshold" that is set equal to an amount, as determined by the Board of Directors, that would be distributable to i3 Verticals, LLC's members if immediately prior to the grant of the Class P units, i3 Verticals, LLC sold all of its assets for fair market value, paid all of its liabilities, and liquidated.

Other Elements of Compensation

Retirement Plans. We currently maintain a 401(k) savings plan for eligible employees, including our named executive officers. We will provide discretionary matching contributions to 401(k) plan participants beginning January 1, 2018. We do not maintain a defined benefit pension plan.

Employee Benefits. Eligible employees, including our named executive officers, participate in broad-based and comprehensive employee benefit programs, including medical, dental, vision, life and disability insurance. Our named executive officers participate in these programs on the same basis as eligible employees.

No Tax Gross-Ups. We do not make gross-up payments to cover our named executive officers' personal income taxes that may pertain to any of the compensation or perquisites paid or provided by our company.

Employment Agreements. Other than Mr. Whiston's employment agreement, we currently do not have any employment agreements with our named executive officers. Pursuant to Mr. Whiston's employment agreement, he receives an annual base salary of $200,000, reviewed annually by the Compensation Committee, and is eligible to participate in standard benefit plans. Mr. Whiston is also eligible to receive an annual performance bonus payment equal to 50% of his base salary for achieving performance criteria established by the board of directors.

Under Mr. Whiston's employment agreement, if we terminate his employment without "Cause" or Mr. Whiston terminates his employment for "Good Reason" (as such terms are defined therein), then in addition to any accrued amounts of base salary and bonuses earned but not yet paid, Mr. Whiston is entitled to receive (1) employee and fringe benefits under any and all employee benefit plans which are from time to time made available to the executive officers of i3 Verticals, LLC, for a period of twelve months after the date of termination, (2) a pro-rata portion of his annual bonus payment for the fiscal year in which termination occurs, assuming achievement of any applicable performance objectives, paid in a lump sum within 60 days of Mr.
Whitson's termination, and (3) twelve months of his base salary. If Mr. Whitson's employment is terminated within six months of a Change in Control (as defined in the agreement), Mr. Whitson is entitled to a lump sum payment equal to (1) a year of his annual base salary at the time of the Change in Control, (2) his annual bonus for the previous year, and (3) one year of benefits which he was receiving at time of the termination.

For purposes of this disclosure, we have valued the Class P units using a third-party valuation of the value per share of Class P units as of September 30, 2017. The amount reported above under the heading “Market Value of Profits Interests That Have Not Vested” reflects the intrinsic value of the profits interests as of September 30, 2017.

Fiscal Year 2018 Executive Compensation Elements

The Compensation Committee determined the following with respect to our fiscal year 2018 executive compensation program, which includes the compensation of our named executive officers:

- **Base Salaries:** There were no salary changes for Messrs. Daily, Whitson and Stanford for fiscal year 2018. Mr. Daily will continue to receive a nominal salary to cover the cost of health insurance. Messrs. Whitson and Stanford will continue to receive base salaries of $200,000 and $240,000, respectively. Upon completion of the offering, Mr. Daily's nominal salary will remain unchanged and the salaries for Messrs. Whitson and Stanford will increase to $225,000 and $275,000, respectively.

- **Annual Cash Incentive Awards:** Consistent with its historical practice of awarding cash incentive awards following each calendar year, in March 2018, the compensation committee of i3 Verticals, LLC determined it appropriate to approve the following cash incentive bonuses to the named executive officers: no bonus for Mr. Daily; $50,000 for Mr. Whitson and $60,000 for Mr. Stanford. The annual incentive bonuses awarded to each named executive officer in March 2018 were ultimately based on a discretionary performance evaluation conducted by our compensation committee and Chief Executive Officer, in consultation with other executive officers. The determination involved an analysis of both (i) the Company's overall performance, including significant growth in fiscal year 2017 and (ii) the performance of the individual officer and his contributions to the Company. The compensation committee decided, in consultation with Mr. Daily, to award no bonus to Mr. Daily due to his considerable ownership share in our Company.

Equity Incentive Plans

i3 Verticals, LLC Amended and Restated Equity Incentive Plan

We adopted our Amended and Restated Equity Incentive Plan, or the Equity Plan, to promote the profitability of and growth of i3 Verticals, LLC by providing equity-based incentives to encourage certain key members of management and other service providers to i3 Verticals, LLC to contribute to i3 Verticals, LLC’s growth and financial success. Of the 3,283,808 Class P units that were eligible for issuance pursuant to awards made under the Equity Plan, 2,222,060 Class P units were subject to outstanding unvested awards as of March 31, 2018. Although the Equity Plan remains in effect for awards granted under the Equity Plan, we will not make any additional awards under the Equity Plan.
2018 Equity Incentive Plan

In connection with this offering, we intend to adopt the 2018 Equity Incentive Plan, or 2018 Plan. The purpose of the 2018 Plan will be to attract and retain key officers, employees, directors and consultants, motivate such individuals by means of performance-related incentives to achieve long-range performance goals, enable such individuals to participate in our long-term growth and financial success, encourage ownership of our stock by such individuals, and link such individuals' compensation to the long-term interests of us and our stockholders.

The material terms of the 2018 Plan, as it is currently contemplated, are summarized below. Our Board of Directors is still in the process of developing, approving and implementing the 2018 Plan and, accordingly, this summary is subject to change.

Eligibility. Awards will be granted under the 2018 Plan to employees (including current and prospective officers), directors (including non-employee directors) and certain consultants of our company or of our subsidiaries or other affiliates. Only employees of us or any of our subsidiaries or other affiliates will be eligible to receive incentive stock options.

Administration, Amendment and Termination. Our Compensation Committee will have the power and authority to administer the 2018 Plan. The Compensation Committee will have the authority to interpret the terms and intent of the 2018 Plan, determine eligibility for and terms of awards for participants and make all other determinations necessary or advisable for the administration of the 2018 Plan. To the extent to be permitted by the terms of the 2018 Plan, the Compensation Committee charter, and applicable law, our Compensation Committee may delegate certain authority under the 2018 Plan to one or more officers or managers of us or any affiliate, or to a committee of such officers or managers under terms and limitations the Compensation Committee may establish.

Our Board of Directors will have the authority to amend, alter, suspend, discontinue or terminate the 2018 Plan at any time. No such action may be taken without the approval of stockholders if such approval is necessary to comply with any tax or regulatory requirement for which or with which the Board of Directors deems it necessary or desirable to comply. Furthermore, subject to the 2018 Plan’s repricing restrictions, the Compensation Committee will be enabled to waive any conditions or rights under, amend any terms of or alter, suspend, discontinue, cancel or terminate, any award granted under the 2018 Plan, prospectively or retroactively, provided that any such action that would materially and adversely affect the rights of any participant or any holder or beneficiary of any such award will not to that extent be effective without consent.

Awards. Awards under the 2018 Plan may be made in the form of options, stock appreciation rights, restricted stock awards, restricted stock units, performance awards, other stock-based awards or any other rights, interests or options relating to shares or other property (including cash), whether singly, in combination, or in tandem.

Shares Subject to the Plan. Following this offering, the aggregate number of shares of our Class A common stock that may be issued initially pursuant to awards under the 2018 Plan is  shares. The maximum number of shares that may be issued pursuant to the exercise of incentive stock options under the 2018 Plan is  shares. The number of shares of Class A common stock available for issuance under the 2018 Plan also will include an annual increase on the first day of each year beginning with the 2019 calendar year, equal to 4.0% of the outstanding shares of all classes of our common stock as of the last day of the immediately preceding calendar year, unless the Board of Directors determines prior to the last trading day of December of the immediately preceding calendar year that the increase shall be less than 4%.

Shares issued under the 2018 Plan may be authorized but unissued shares or treasury shares. Any shares covered by an award, or portion of an award, granted under the 2018 Plan that are forfeited or canceled, expired or are settled in cash and shares used to pay the exercise price of an award or to satisfy the tax withholding obligations related to an award shall again be available for issuance under the 2018 Plan. If we satisfy withholding tax liabilities arising from an award other than an option or stock appreciation right by tendering or withholding shares, the shares so tendered or withheld shall again be available for issuance under the 2018 Plan. Shares that are issued in connection with substitute awards will not reduce the shares available for awards under the 2018 Plan or count against any limits otherwise set forth in the 2018 Plan.

Non-Employee Director Awards. The Board of Directors will be authorized to provide that all or a portion of a nonemployee director’s annual retainer, meeting fees and/or other awards or compensation as determined by the
Board of Directors, be payable (either automatically or at the election of a non-employee director) in the form of non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units and/or other stock-based awards under the 2018 Plan, including unrestricted shares. The Board of Directors will determine the terms and conditions of any such awards, including the terms and conditions which will apply upon a termination of the non-employee director's service as a member of the Board of Directors, and will have full power and authority in its discretion to administer such awards, subject to the terms of the 2018 Plan and applicable law.

Adjustment of Shares Subject to the Plan. In the event of certain changes in our capitalization, the Compensation Committee will adjust, among other award terms, the number and class of shares, other securities or other property that may be delivered in connection with awards and the exercise price, grant price or purchase price relating to any award in such manner as the Compensation Committee determines to be appropriate in an equitable and proportionate manner. Furthermore, the Compensation Committee will adjust the aggregate number and class of shares or other securities (or the number and kind of other property) with respect to which awards may be granted under the 2018 Plan.

Effect of a Change in Control. The discussion below of the effects of a change in control (as defined in the 2018 Plan) applies to outstanding awards unless otherwise to be provided in an award agreement. Our 2018 Plan will provide that in the event of a change in control, as defined in our 2018 Plan, outstanding awards acquired under the 2018 Plan shall be subject to the agreement evidencing the change in control, which need not treat all outstanding awards in an identical manner. If the successor entity in the change in control continues, assumes or issues a substitute award for an award outstanding under the 2018 Plan, the award must provide that if, within twelve months after the Company obtains actual knowledge that a change in control has occurred, a participant's service relationship is actually or constructively involuntarily terminated by the Company or an affiliate (or any of their successors), all continued, assumed and substituted awards of such participant shall vest, become immediately exercisable and have all restrictions lifted. In addition, the agreement evidencing the change in control may provide for the full or partial acceleration of exercisability or vesting and accelerated expiration of an outstanding award, the lapse of the Company's right to repurchase or re-acquire shares acquired under an award, the lapse of forfeiture rights with respect to shares acquired under an award, and/or the settlement of the full value of such outstanding award (whether or not then vested or exercisable) in cash, cash equivalents, or securities of the successor entity (or its parent, if any). With respect to awards granted to non-employee directors, in the event of a change in control, the participant will fully vest in options and SARs, all restrictions on his or her restricted stock and restricted stock units will lapse, and all other terms and conditions of such awards will be deemed to be met.

Director Compensation

During fiscal year 2017, none of our directors received cash compensation for their services as directors and none of our directors were granted Class P units. Each of our non-employee directors received a one-time initial grant of 83,722 Class P units at the time such director joined the Board of Directors of i3 Verticals, LLC, with the exception of Mr. Harvey who received 42,000 Class P units. As of September 30, 2017, there are no unvested profits interests held by non-employee directors.

Commencing with fiscal year 2018, each non-employee director that was a member of the board of directors of i3 Verticals, LLC prior to this initial public offering will be eligible to receive annually options to purchase 10,000 shares of Class A common stock pursuant to the 2018 Plan, with the first grant to occur in connection with this offering. With respect to any non-employee director that was not a member of the board of directors of i3 Verticals, LLC prior to this initial public offering (e.g., Mr. Morgan and Ms. Courtney), such non-employee director will be entitled to receive a $30,000 annual cash retainer and a one-time grant of options to purchase 40,000 shares of Class A common stock pursuant to the 2018 Plan, with the grant to occur at the later of (i) the time of the offering or (ii) the director's appointment to the Board. The options granted to the non-employee directors will vest equally over a three-year period. When the one-time grant of options to purchase 40,000 shares of Class A common stock has fully vested, the director will be eligible to receive annually options to purchase 10,000 shares of Class A common stock pursuant to the 2018 Plan consistent with those non-employee directors that were members of the board of directors of i3 Verticals, LLC prior to this initial public offering. In addition, under the 2018 non-employee director compensation program, we will also pay an annual cash retainer of $10,000 for serving as the chair of the Audit Committee or Compensation Committee. Additionally, all directors will be reimbursed for

142
their out-of-pocket expenses arising from attendance at meetings of the Board and its committees. Management directors do not receive any additional compensation for their service on the Board.
In connection with the Reorganization Transactions, we will engage in certain transactions with certain of our directors, executive officers and other persons and entities which are or will become holders of 5% or more of our voting securities upon the consummation of the Reorganization Transactions. These transactions are described in “Our Organizational Structure.”

#### Junior Subordinated Notes

In February 2014 and July 2014, i3 Verticals, LLC issued notes payable in the total aggregate principal of $17.6 million to unrelated and related creditors. The Junior Subordinated Notes accrue interest, payable monthly, at a fixed rate of 10.0% and mature on February 14, 2019, when all outstanding principal and accrued and unpaid interest are due. However, the unsecured notes are subordinated to the Mezzanine Notes and the Senior Secured Credit Facility, which both have maturities beyond the Junior Subordinated Notes. Should the Junior Subordinated Notes reach maturity and the current terms of the Mezzanine Notes and Senior Secured Credit Facility remain in place, the term of the Junior Subordinated Notes would be extended until after the maturity of the Mezzanine Notes and Senior Secured Credit Facility, in accordance with the terms of the Junior Subordinated Notes. For every $1.0 million of Junior Subordinated Notes, the purchasers received warrants to purchase 81,436 common units of i3 Verticals, LLC at $2.095 per unit. As of March 31, 2018, the outstanding principal amount of the Junior Subordinated Notes was $16.1 million. The amount of interest paid from October 1, 2014 to March 31, 2018 with respect to these Junior Subordinated Notes was $2.4 million, and no principal payments were made during this period.

In June 2016, Mr. Daily converted $1.0 million of the Junior Subordinated Notes into 309,580 Class A units of i3 Verticals, LLC at a rate of $3.23 per unit. In July 2017, Mr. Daily converted $500,000 of the Junior Subordinated Notes into 147,929 Class A units of i3 Verticals, LLC at a rate of $3.38 per unit. These transactions were in each case approved by the Board of Directors of i3 Verticals, LLC and its Class A unitholders.

As previously disclosed, in connection with the Reorganization Transactions we will issue shares of our Class A common stock (based on the midpoint of the estimated public offering price range set forth on the cover page of this prospectus) pursuant to a voluntary private note conversion with certain eligible holders of the Junior Subordinated Notes who have elected to convert approximately in aggregate indebtedness into Class A common stock. Of this indebtedness, approximately is attributable to the Continuing Equity Owners. We intend to cause i3 Verticals, LLC to use a portion of the proceeds from this offering to repay in full the remaining

balance of the Junior Subordinated Notes. For additional information, see "Management's Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources" and "Use of Proceeds."

**Daily Note**

In May 2013, i3 Verticals, LLC issued an unsecured convertible note, as amended, in the total aggregate principal amount of $1.0 million to Greg Daily, our CEO (the "Daily Note"). The Daily Note accrued interest at a fixed rate of 10.0%, payable monthly, and was set to mature on February 14, 2019, when all outstanding principal and accrued and unpaid interest was due. The Daily Note contained a conversion option into i3 Verticals, LLC’s Class A units until the maturity date. On March 31, 2016, the Daily Note was converted according to its terms into 1,000,000 Class A units in i3 Verticals, LLC pursuant to the provisions of the note. The amount of interest paid with respect to the Daily Note from October 31, 2015 to March 31, 2016 was $150,000.

**Purchase of Common Units from Members of Management and Directors**

We intend to use the net proceeds from this offering (including any net proceeds from any exercise of the underwriters’ overallotment option) to purchase:

1. common units (or common units if the underwriters exercise their overallotment option in full) directly from i3 Verticals, LLC at a price per unit equal to the initial public offering price per share of Class A common stock in this offering less the underwriting discounts and commissions, and

| i3 Verticals LLC Agreement**Agreement in Effect Before Consummation of this Offering**

i3 Verticals, LLC and the Original Equity Owners are parties to the Third Amended and Restated Limited Liability Company Agreement of i3 Verticals, LLC, dated as of January 15, 2014, as amended by Amendment No. 1 dated as of November 14, 2014 and Amendment No. 2 dated as of June 30, 2016. This agreement, as amended (the "Existing LLC Agreement") governs the business operations of i3 Verticals, LLC and defines the relative rights and privileges associated with the existing units of i3 Verticals, LLC. Under the Existing LLC Agreement, the Board of Directors of i3 Verticals, LLC has the full, complete and exclusive authority to manage, direct and control the business, affairs and properties of i3 Verticals, LLC, and officers of i3 Verticals, LLC oversee the day-to-day business operations of i3 Verticals, LLC. Each Original Equity Owner’s rights under the Existing LLC Agreement continue until the effective time of the i3 Verticals LLC Agreement to be adopted in connection with this offering, as described below, when the Continuing Equity Owners will continue as members that hold common units in i3 Verticals, LLC with the respective rights thereunder under the i3 Verticals LLC Agreement.
Agreement in Effect Upon Consummation of this Offering

In connection with the consummation of this offering, we and the Continuing Equity Owners will enter into an amended and restated i3 Verticals, LLC Limited Liability Company Agreement, which we refer to as the i3 Verticals LLC Agreement.

Appointment as Manager. Under the i3 Verticals LLC Agreement, i3 Verticals, Inc. will become a member and the sole manager of i3 Verticals, LLC. As the sole manager, we will be able to control all of the day-to-day business affairs and decision-making of i3 Verticals, LLC without the approval of any other member. Through our officers and directors, we will be responsible for all operational and administrative decisions of i3 Verticals, LLC and the day-to-day management of i3 Verticals, LLC’s business. Under the i3 Verticals LLC Agreement, we cannot, under any circumstances, be removed or replaced as the sole manager of i3 Verticals, LLC except by our resignation, which may be given at any time by written notice to the members.

Appointment as Partnership Representative. We will be the “Partnership Representative” with respect to i3 Verticals, LLC. As such, we will represent i3 Verticals, LLC in connection with all examinations of its affairs by tax authorities.

Compensation, Fees and Expenses. We will not be entitled to compensation for our services as manager. We will be entitled to reimbursement by i3 Verticals, LLC for reasonable fees and expenses incurred on behalf of i3 Verticals, LLC, including all expenses associated with this offering, any subsequent offering of our Class A common stock, redemptions or exchanges of common units for Class A common stock, being a public company and maintaining our corporate existence.

Distributions. The i3 Verticals LLC Agreement will require “tax distributions” to be made by i3 Verticals, LLC to its members, as that term is used in the agreement, except to the extent such distributions would render i3 Verticals, LLC insolvent or are otherwise prohibited by law, by our Senior Secured Credit Facility or by any of our future debt agreements. Tax distributions will be made on a quarterly basis, to each member of i3 Verticals, LLC, including us, based on such member’s allocable share of the taxable income of i3 Verticals, LLC and an assumed tax rate that we will determine. For this purpose, i3 Verticals, Inc.’s allocable share of i3 Verticals, LLC’s taxable income shall be net of its share of taxable losses of i3 Verticals, LLC and shall be determined without regard to any Basis Adjustments (as described below under “—Tax Receivable Agreement”). The tax rate used to determine tax distributions will apply regardless of the actual final tax liability of any such members. Tax distributions will also be made only to the extent all distributions from the Company for the relevant period were otherwise insufficient to enable each member to cover its tax liabilities as calculated in the manner described above. The i3 Verticals LLC Agreement will also allow for cash distributions to be made by i3 Verticals, LLC (subject to our sole discretion as the sole manager of i3 Verticals, LLC) to its members on a pro rata basis out of “distributable cash,” as that term is defined in the agreement. We expect i3 Verticals, LLC may make distributions out of distributable cash periodically and as necessary to enable us to cover our operating expenses and other obligations, including our tax liability and obligations under the Tax Receivable Agreement, except to the extent such distributions would render i3 Verticals, LLC insolvent or are otherwise prohibited by law, by our Senior Secured Credit Facility or by any of our future debt agreements.

Transfer Restrictions. The i3 Verticals LLC Agreement generally does not permit transfers of common units by members, except for transfers to permitted transferees, transfers pursuant to the participation right described below and transfers we approve in writing, as manager, and other limited exceptions. In the event of a permitted transfer under the i3 Verticals LLC Agreement, the transferring member will be required to simultaneously transfer shares of Class B common stock to such transferee equal to the number of common units that the member transferred to such transferee in the permitted transfer.

The i3 Verticals LLC Agreement provides that, if a tender offer, share exchange offer, issuer bid, take-over bid, recapitalization or similar transaction with respect to our Class A common stock, each of which we refer to as a Pubco Offer, is approved by our Board of Directors or otherwise effected or to be effected with the consent or approval of our Board of Directors, each holder of common units of i3 Verticals, LLC shall be permitted to participate in such Pubco Offer by delivering a redemption notice, which shall be effective immediately prior to, and contingent upon, the consummation of such Pubco Offer. If a Pubco Offer is proposed by i3 Verticals, Inc., then i3 Verticals, Inc. is required to use its reasonable best efforts expeditiously and in good faith to take all such actions and do all such things as are necessary or desirable to enable and permit the holders of such common

146
units to participate in such Pubco Offer to the same extent as or on an economically equivalent basis with the holders of shares of Class A common stock, provided that
in no event shall any holder of common units of i3 Verticals, LLC be entitled to receive aggregate consideration for each common unit that is greater than the
consideration payable in respect of each share of Class A common stock pursuant to the Pubco Offer.

Except for certain exceptions, any transferee of common units must assume, by operation of law or executing a joinder to the i3 Verticals LLC Agreement, all of the
obligations of a transferring member with respect to the transferred units, and such transferee shall be bound by any limitations and obligations under the i3 Verticals LLC
Agreement even if the transferee is not admitted as a member of i3 Verticals, LLC. A member shall remain as a member with all rights and obligations until the transferee
is accepted as substitute member in accordance with the i3 Verticals LLC Agreement.

Maintenance of One-to-one Ratio between Shares of Class A Common Stock and Common Units Owned by i3 Verticals, Inc. and One-to-one Ratio between Shares
of Class B Common Stock and Common Units Owned by the Continuing Equity Owners. In connection with this offering, we will issue to each Continuing Equity Owner
for nominal consideration one share of Class B common stock for each common unit of i3 Verticals, LLC that such Continuing Equity Owner owns. The i3 Verticals LLC
Agreement requires i3 Verticals, LLC to take all actions with respect to its common units, including issuances, reclassifications, distributions, divisions or recapitalizations,
such that:

(1) we at all times maintain a ratio of one common unit we own, directly or indirectly, for each share of Class A common stock we issue, and

(2) i3 Verticals, LLC at all times maintains (a) a one-to-one ratio between the number of shares of Class A common stock we issue and the number of common units
we own and (b) a one-to-one ratio between the number of shares of Class B common stock owned by the Continuing Equity Owners and the number of common
units owned by the Continuing Equity Owners.

The ratio requirement disregards (1) shares of our Class A common stock under unvested options we issue, (2) treasury stock and (3) preferred stock or other debt or
equity securities (including warrants, options or rights) we issue that are convertible into or redeemable or exchangeable for shares of Class A common stock, except to
the extent we have contributed the net proceeds from such other securities, including any exercise or purchase price payable upon conversion, redemption or exchange
thereof, to the equity capital of i3 Verticals, LLC. In addition, the Class A common stock ratio requirement disregards all common units at any time held by any other
person, including the Continuing Equity Owners and the holders of any options over common units. If we issue, transfer or deliver from treasury stock or repurchase
shares of Class A common stock in a transaction not contemplated by the i3 Verticals LLC Agreement, we as manager have the authority to take all actions such that,
that after giving effect to all such issuances, transfers, deliveries or repurchases, the number of outstanding common units we own equals, on a one-for-one basis, the number
of outstanding shares of Class A common stock. If we issue, transfer or deliver from treasury stock or repurchase or redeem any of our preferred stock in a transaction
not contemplated by the i3 Verticals LLC Agreement, we as manager have the authority to take all actions such that, after giving effect to all such issuances, transfers,
deliveries repurchases or redemptions, we hold, in the case of any issuance, transfer or delivery) or cease to hold, in the case of any repurchase or redemption) equity
interests in i3 Verticals, LLC which (in our good faith determination) are in the aggregate substantially equivalent to our preferred stock so issued, transferred, delivered,
repurchased or redeemed. i3 Verticals, LLC is prohibited from undertaking any subdivision (by any split of units, distribution of units, reclassification, recapitalization or
similar event) or combination (by reverse split of units, reclassification, recapitalization or similar event) of the common units that is not accompanied by an identical
subdivision or combination of (1) our Class A common stock to maintain at all times a one-to-one ratio between the number of common units we own and the number of
outstanding shares of our Class A common stock, or (2) our Class B common stock to maintain at all times a one-to-one ratio between the number of common units
owned by the Continuing Equity Owners and the number of outstanding shares of our Class B common stock, as applicable, in each case, subject to exceptions.

Issuance of Common Units upon Exercise of Options or Issuance of Other Equity Compensation. Upon the exercise of options we issue (as opposed to options
issued by i3 Verticals, LLC), or our issuance of other types of equity compensation (such as the issuance of restricted or non-restricted stock, payment of bonuses in
stock or settlement of stock appreciation rights in stock), we will have the right to acquire from i3 Verticals, LLC a number
of common units equal to the number of our shares of Class A common stock being issued in connection with the exercise of such options or issuance of other types of equity compensation. When we issue shares of Class A common stock in settlement of stock options granted to persons who are not officers or employees of i3 Verticals, LLC or its subsidiaries, we will make, or be deemed to make, a capital contribution in i3 Verticals, LLC equal to the aggregate value of such shares of Class A common stock, and i3 Verticals, LLC will issue to us a number of common units equal to the number of shares we issued. When we issue shares of Class A common stock in settlement of stock options granted to persons who are officers or employees of i3 Verticals, LLC or its subsidiaries, then we will be deemed to have sold directly to the person exercising such award a portion of the value of each share of Class A common stock equal to the exercise price per share, and we will be deemed to have sold directly to i3 Verticals, LLC (or the applicable subsidiary of i3 Verticals, LLC) the difference between the exercise price and market price per share for each such share of Class A common stock. In cases where we grant other types of equity compensation to employees of i3 Verticals, LLC or its subsidiaries, on each applicable vesting date (a) we will be deemed to have sold to i3 Verticals, LLC (or such subsidiary) the number of vested shares at a price equal to the market price per share, (b) i3 Verticals, LLC (or such subsidiary) will deliver the shares to the applicable person, and (c) we will be deemed to have made a capital contribution in i3 Verticals, LLC equal to the purchase price for such shares in redemption or exchange for an equal number of common units of i3 Verticals, LLC.

Dissolution. The i3 Verticals LLC Agreement will provide that the consent of i3 Verticals, Inc. as the managing member of i3 Verticals, LLC and members holding a majority of the voting units will be required to voluntarily dissolve i3 Verticals, LLC. In addition to a voluntary dissolution, i3 Verticals, LLC will be dissolved upon the entry of a decree of judicial dissolution or other circumstances in accordance with Delaware law. Upon a dissolution event, the proceeds of a liquidation will be distributed in the following order: (1) first, to pay the expenses of winding up i3 Verticals, LLC; (2) second, to pay debts and liabilities owed to creditors of i3 Verticals, LLC, other than members; and (3) third, to the members pro-rata in accordance with their respective percentage ownership interests in i3 Verticals, LLC (as determined based on the number of common units held by a member relative to the aggregate number of all outstanding common units).

Confidentiality. We, as manager, and each member agree to maintain the confidentiality of i3 Verticals, LLC’s confidential information. This obligation excludes: (1) information independently obtained or developed by the members; and (2) information that is in the public domain or otherwise disclosed to a member; provided that such information was not obtained in violation of a confidentiality obligation included in the i3 Verticals LLC Agreement or such information was approved for release by written authorization of the Chief Executive Officer, the Chief Financial Officer or the General Counsel of either i3 Verticals, Inc. or i3 Verticals, LLC.

Indemnification. The i3 Verticals LLC Agreement will provide for indemnification of the manager, directors and officers of i3 Verticals, LLC and their respective subsidiaries or affiliates.

Common Unit Redemption Right. The i3 Verticals LLC Agreement will provide a redemption right to the Continuing Equity Owners that will entitle them to have their common units redeemed (subject in certain circumstances to time-based and service-based vesting requirements and limitations on the common units that will be converted from Class P units in connection with the Reorganization Transactions) for, at our option, newly-issued shares of our Class A common stock on a one-for-one basis or a cash payment equal to a volume weighted average market price of one share of Class A common stock for each common unit redeemed, in each case in accordance with the terms of the i3 Verticals LLC Agreement; provided that, at our election, we may effect a direct exchange by i3 Verticals, Inc. of such Class A common stock or such cash, as applicable, for such common units. The Continuing Equity Owners may exercise such redemption right for as long as their common units remain outstanding. In connection with the exercise of the redemption or exchange of common units (1) the Continuing Equity Owners will be required to surrender a number of shares of our Class B common stock registered in the name of such redeeming or exchanging Continuing Equity Owner, which we will cancel for no consideration on a one-for-one basis with the number of common units so redeemed or exchanged and (2) all redeeming members will surrender common units to i3 Verticals, LLC for cancellation.

Each Continuing Equity Owner’s redemption rights will be subject to certain customary limitations, including the expiration of any contractual lock-up period relating to the shares of our Class A common stock that may be applicable to such Continuing Equity Owner and the absence of any liens or encumbrances on such common units redeemed. Additionally, in the case we elect a cash settlement, such Continuing Equity Owner may rescind
its redemption request within a specified period of time. Moreover, in the case of a settlement in Class A common stock, such redemption may be conditioned on the closing of an underwritten distribution of the shares of Class A common stock that may be issued in connection with such proposed redemption. In the case of a settlement in Class A common stock, such Continuing Equity Owner may also revoke or delay its redemption request if the following conditions exist:

1. any registration statement pursuant to which the resale of the Class A common stock to be registered for such Continuing Equity Owner at or immediately following the consummation of the redemption shall have ceased to be effective pursuant to any action or inaction by the SEC or no such resale registration statement has yet become effective;

2. we failed to cause any related prospectus to be supplemented by any required prospectus supplement necessary to effect such redemption;

3. we exercised our right to defer, delay or suspend the filing or effectiveness of a registration statement and such deferral, delay or suspension shall affect the ability of such Continuing Equity Owner to have its Class A common stock registered at or immediately following the consummation of the redemption;

4. such Continuing Equity Owner is in possession of any material non-public information concerning us, the receipt of which results in such Continuing Equity Owner being prohibited or restricted from selling Class A common stock at or immediately following the redemption without disclosure of such information (and we do not permit disclosure);

5. any stop order relating to the registration statement pursuant to which the Class A common stock was to be registered by such Continuing Equity Owner at or immediately following the redemption shall have been issued by the SEC;

6. there shall have occurred a material disruption in the securities markets generally or in the market or markets in which the Class A common stock is then traded;

7. there shall be in effect an injunction, a restraining order or a decree of any nature of any governmental entity that restrains or prohibits the redemption;

8. we shall have failed to comply in all material respects with our obligations under the Registration Rights Agreement, and such failure shall have affected the ability of such Continuing Equity Owner to consummate the resale of the Class A common stock to be received upon such redemption pursuant to an effective registration statement, as applicable; or

9. the redemption date would occur three business days or less prior to, or during, a black-out period.

Moreover, common units received in exchange for unvested profits interests in connection with the Reorganization Transactions will remain subject to their existing time-based and service-based vesting requirements. As such, the former Class P unit profits interests holders who hold these common units will not be able to exercise their redemption rights until the applicable vesting date.

The i3 Verticals LLC Agreement will require that in the case of a redemption by a Continuing Equity Owner we contribute cash or shares of our Class A common stock, as applicable, to i3 Verticals, LLC in exchange for an amount of newly-issued common units in i3 Verticals, LLC that will be issued to us equal to the number of common units redeemed from the Continuing Equity Owner. i3 Verticals, LLC will then distribute the cash or shares of our Class A common stock, as applicable, to such Continuing Equity Owner to complete the redemption. If a Continuing Equity Owner elects to redeem such owner’s common units, we may, at our option, effect a direct exchange by i3 Verticals, Inc. of cash or our Class A common stock, as applicable, for such common units in lieu of such a redemption. Whether by redemption or exchange, we are obligated to ensure that at all times the number of common units that we own equals the number of our outstanding shares of Class A common stock (subject to certain exceptions for treasury shares and shares underlying certain convertible or exchangeable securities).
Amendments. In addition to certain other requirements, our consent, as manager, and the consent of a majority of the common units then outstanding and entitled to vote (excluding common units we hold directly or indirectly) will generally be required to amend or modify the i3 Verticals LLC Agreement.

**Tax Receivable Agreement**

As described in “Our Organizational Structure,” we intend to use the net proceeds from this offering to purchase common units of i3 Verticals, LLC directly from i3 Verticals, LLC and from some of the Continuing Equity Owners. We expect to obtain an increase in our share of the tax basis of the assets of i3 Verticals, LLC in connection with the purchase of common units directly from some of the Continuing Equity Owners. In addition, we may obtain an increase in our share of the tax basis of the assets of i3 Verticals, LLC in the future, when a Continuing Equity Owner redeems such owner’s common units (or we effect a direct exchange) and such owner thereby receives Class A common stock or cash, as applicable, from us, subject in certain circumstances to time-based and service-based vesting requirements and limitations on the common units that will be converted from Class P units in connection with the Reorganization Transactions. We intend to treat any such exchange as a direct purchase by us of common units from such Continuing Equity Owner for U.S. federal income and other applicable tax purposes, regardless of whether such common units are surrendered by a Continuing Equity Owner to i3 Verticals, LLC for redemption or sold to us upon the exercise of our election to acquire such common units directly. We refer to such basis increases, together with the basis increases in connection with the purchase of common units of i3 Verticals, LLC directly from certain of the Continuing Equity Owners in the Reorganization Transactions, as the “Basis Adjustments.” Any Basis Adjustment may have the effect of reducing the amounts that we would otherwise pay in the future to various tax authorities. The Basis Adjustments may also decrease gains (or increase losses) on future dispositions of certain assets to the extent tax basis is allocated to those assets.

In connection with the Reorganization Transactions described above, we will enter into a Tax Receivable Agreement with i3 Verticals, LLC and each of the Continuing Equity Owners that will provide for the payment by us to the Continuing Equity Owners (either directly or indirectly by contributing such payment to i3 Verticals, LLC for remittance to the Continuirng Equity Owners) of 85% of the amount of certain tax benefits, if any, that we actually realize, or in some circumstances are deemed to realize in our tax reporting, as a result of the Reorganization Transactions described above, including the Basis Adjustments and certain other tax benefits attributable to payments made under the Tax Receivable Agreement. Assuming no material changes in the relevant tax law and that we earn sufficient taxable income to realize all tax benefits that are subject to the Tax Receivable Agreement, we expect that the total reduction in tax payments for us would be approximately $              over           years from the date of this offering based on an initial public offering price of $      per share, and assuming all future sales would occur one year after this offering. Under that scenario, we would be required to pay the Continuing Equity Owners 85% of such amount, or $              over the              -year period from the date of this offering. The actual amounts may materially differ from these hypothetical amounts, as potential future reductions in tax payments for us, and payments under the Tax Receivable Agreement by us, will be calculated using the market value of our Class A common stock at the time of the sale and the prevailing tax rates applicable to us over the life of the Tax Receivable Agreement and will depend on whether we generate sufficient future taxable income to realize the benefit. i3 Verticals, LLC intends to have in effect an election under Section 754 of the Code effective for each taxable year in which a redemption or exchange of i3 Verticals, LLC common units for Class A common stock or cash occurs. Such a redemption or exchange would include a deemed exchange, and would include for this purpose the purchase of common units of i3 Verticals, LLC directly from certain Continuing Equity Owners described above. These tax benefit payments are not conditioned upon one or more of the Continuing Equity Owners maintaining a continued ownership interest in i3 Verticals, LLC. If a Continuing Equity Owner transfers common units but does not assign to the transferee of such units its rights under the Tax Receivable Agreement, such Continuing Equity Owner generally will continue to be entitled to receive payments under the Tax Receivable Agreement arising in respect of a subsequent exchange of such common units. In general, the Continuing Equity Owners’ rights under the Tax Receivable Agreement may not be assigned, sold, pledged or otherwise alienated to any person, other than certain permitted transferees, without (a) our prior written consent, which should not be unreasonably withheld, conditioned or delayed, and (b) such person's becoming a party to the Tax Receivable Agreement and agreeing to succeed to the applicable Continuing Equity Owner’s interest therein.
The actual Basis Adjustments, as well as any amounts paid to the Continuing Equity Owners under the Tax Receivable Agreement, will vary depending on a number of factors, including:

- the timing of any future redemptions or exchanges—for instance, the increase in any tax deductions will vary depending on the fair value, which may fluctuate over time, of the depreciable or amortizable assets of i3 Verticals, LLC at the time of each redemption or exchange;
- the price of shares of our Class A common stock when we purchase common units from the Continuing Equity Owners in connection with this offering and when redemptions or exchanges of common units occur in the future—the Basis Adjustments, as well as any related increase in any tax deductions, are directly related to the price of shares of our Class A common stock at the time of such purchases or future redemptions or exchanges;
- the extent to which such redemptions or exchanges are taxable—if a redemption or exchange is not taxable for any reason, increased tax deductions will not be available; and
- the amount and timing of our income—the Tax Receivable Agreement generally will require us to pay 85% of the tax benefits as and when those benefits are treated as realized under the terms of the Tax Receivable Agreement. If i3 Verticals, Inc. does not have taxable income, we generally will not be required (absent a change of control or other circumstances requiring an early termination payment and treating any outstanding common units held by members other than i3 Verticals, Inc. as having been exchanged for Class A common stock for purposes of determining such early termination payment) to make payments under the Tax Receivable Agreement for that taxable year because no tax benefits will have been actually realized. However, any tax benefits that do not result in realized taxable income in a given taxable year will likely generate tax attributes that may be used to generate tax benefits in future taxable years. The use of any such tax attributes will result in payments under the Tax Receivable Agreement.

For purposes of the Tax Receivable Agreement, cash savings in income tax will be computed by comparing our actual income tax liability to the amount of such taxes that we would have been required to pay had there been no Basis Adjustments, had the Tax Receivable Agreement not been entered into and had there been no tax benefits to us as a result of any payments made under the Tax Receivable Agreement; provided that for purposes of determining cash savings with respect to state and local income taxes we will use an assumed tax rate. There is no maximum term for the Tax Receivable Agreement, although we may terminate the Tax Receivable Agreement under an early termination procedure that requires us to pay the Continuing Equity Owners an agreed-upon amount equal to the estimated present value of the remaining payments to be made under the agreement (calculated with certain assumptions).

Although the actual timing and amount of any payments that may be made under the Tax Receivable Agreement will vary, we expect that the payments that we may be required to make (directly or indirectly) to the Continuing Equity Owners could be substantial. Any payments made to the Continuing Equity Owners under the Tax Receivable Agreement generally will reduce the amount of overall cash flow that might have otherwise been available to us or to i3 Verticals, LLC. To the extent that we are unable to make payments under the Tax Receivable Agreement for any reason, the unpaid amounts will be deferred and will accrue interest until paid; provided that nonpayment for a specified period may constitute a material breach of a material obligation under the Tax Receivable Agreement and therefore may result in the acceleration of payments due under the Tax Receivable Agreement. We anticipate funding ordinary course payments under the Tax Receivable Agreement from cash flow from operations of our subsidiaries, available cash or available borrowings under our Senior Secured Credit Facility or any future debt agreements. See "Unaudited Pro Forma Consolidated Financial Information." Decisions we make in the course of running our business, such as with respect to mergers, asset sales, other forms of business combinations or other changes in control, may influence the timing and amount of payments that a redeeming Continuing Equity Owner receives under the Tax Receivable Agreement. For example, the earlier disposition of assets following an exchange or acquisition transaction will generally accelerate payments under the Tax Receivable Agreement and increase the present value of such payments.

The Tax Receivable Agreement provides that if certain mergers, asset sales, other forms of business combination or other changes of control were to occur, if we fail to make any payment pursuant to the Tax Receivable Agreement when due or if, at any time, we elect an early termination of the Tax Receivable Agreement, then the Tax Receivable Agreement will terminate and our obligations, or our successor's obligations, under the Tax Receivable Agreement would accelerate and become due and payable, based on certain
assumptions, including an assumption that we would have sufficient taxable income to fully use all potential future tax benefits that are subject to the Tax Receivable Agreement. In those circumstances, members of i3 Verticals, LLC would be deemed to exchange any remaining outstanding common units for Class A common stock and would generally be entitled to payments under the Tax Receivable Agreement resulting from such deemed exchanges. We may elect to completely terminate the Tax Receivable Agreement early only with the written approval of a majority of i3 Verticals, Inc.'s "independent directors" (within the meaning of Rule 10A-3 promulgated under the Exchange Act and the Nasdaq rules).

As a result of the foregoing, we could be required to make an immediate cash payment equal to the present value of the anticipated future tax benefits that are the subject of the Tax Receivable Agreement, which payment may be made significantly in advance of the actual realization, if any, of such future tax benefits. We also could be required to make cash payments (directly or indirectly) to the Continuing Equity Owners that are greater than the specified percentage of the actual benefits we ultimately realize in respect of the tax benefits that are subject to the Tax Receivable Agreement. In these situations, our obligations under the Tax Receivable Agreement could have a substantial negative impact on our liquidity and could have the effect of delaying, deferring or preventing certain mergers, asset sales, other forms of business combination, or other changes of control. There can be no assurance that we will be able to finance our obligations under the Tax Receivable Agreement.

Payments under the Tax Receivable Agreement will be based on the tax reporting positions that we determine. We will not be reimbursed for any cash payments previously made to the Continuing Equity Owners pursuant to the Tax Receivable Agreement if any tax benefits we initially claim are subsequently challenged by a taxing authority and ultimately disallowed. Instead, any excess cash payments we make to a Continuing Equity Owner will be netted against any future cash payments that we might otherwise be required to make under the terms of the Tax Receivable Agreement. However, a challenge to any tax benefits we initially claim may not arise for a number of years following the initial time of such payment or, even if challenged early, such excess cash payment may be greater than the amount of future cash payments that we might otherwise be required to make under the terms of the Tax Receivable Agreement and, as a result, there might not be future cash payments against which to net. The applicable federal income tax rules are complex and factual in nature, and there can be no assurance that the IRS or a court will not disagree with our tax reporting positions. As a result, it is possible that cash payments could be made under the Tax Receivable Agreement that are substantially greater than our actual cash tax savings. Although we are not currently aware of any potential challenge, if we subsequently determine that any Basis Adjustments or other tax benefits may be subjected to a reasonable challenge by a taxing authority, we may withhold payments to the Continuing Equity Owners under the Tax Receivable Agreement related to such Basis Adjustments or other tax benefits in an interest-bearing escrow account until such a challenge is no longer possible.

If we receive a formal notice or assessment from a taxing authority with respect to any cash savings covered by the Tax Receivable Agreement, we will place certain subsequent tax benefit payments that would otherwise be made to the Continuing Equity Owners into an interest-bearing escrow account until there is a final determination. We will have full responsibility for, and sole discretion over, all i3 Verticals, Inc. tax matters, including the filing and amendment of all tax returns and claims for refund and defense of all tax contests, subject to certain participation and approval rights held by the Continuing Equity Owners.

Under the Tax Receivable Agreement, we are required to provide the Continuing Equity Owners with a schedule showing the calculation of payments that are due under the Tax Receivable Agreement for each taxable year with respect to which a payment obligation arises within 90 days after filing our federal income tax return for such taxable year. This calculation will be based upon the advice of our tax advisors. Payments under the Tax Receivable Agreement will generally be made to the Continuing Equity Owners within three business days after this schedule becomes final pursuant to the procedures set forth in the Tax Receivable Agreement, although interest on such payments will begin to accrue at a rate of 100 basis points from the due date (without extensions) of such tax return. Any late payments that may be made under the Tax Receivable Agreement will continue to accrue interest at a rate equal to the sum of the highest rate applicable at the time under the Senior Secured Credit Facility (or any replacement thereof), plus 200 basis points (or, if there is no Senior Secured Credit Facility at such time, LIBOR plus 500 basis points), until such payments are made, generally including any late payments that we may subsequently make because we did not have enough available cash to satisfy our payment obligations at the time at which they originally arose.
Registration Rights Agreement

We intend to enter into a Registration Rights Agreement with certain of the Continuing Equity Owners, including Greg Daily and certain of his affiliates, entities affiliated with First Avenue Partners L.P., entities affiliated with Harbert Management Corporation, entities affiliated with Capital Alignment Partners, James Stephen Turner, Jr. and certain of his affiliates and Clay Whitson, in connection with this offering. The Registration Rights Agreement will provide certain of the parties the right, at any time after 180 days following our initial public offering and the expiration of any related lock-up period, to require us to register under the Securities Act the offer and sale of shares of Class A common stock issuable to them, at our election, upon redemption or exchange of their common units in i3 Verticals, LLC. The Registration Rights Agreement will also provide for customary “piggyback” registration rights for all parties to the agreement. The Registration Rights Agreement will provide that we will pay certain expenses of the registration rights holders in connection with the exercise of their registration rights, and that we will indemnify the registration rights holders against certain liabilities which may arise under the Securities Act or other federal or state securities laws.

Director and Officer Indemnification and Insurance

Prior to the consummation of this offering, we intend to enter into separate indemnification agreements with each of our directors and executive officers. We also intend to purchase directors' and officers' liability insurance. See “Description of Capital Stock—Limitation of Liability and Indemnification of Directors and Officers.”

Agreement with Axia Technologies, LLC

In April 2016, we entered into a purchase agreement to purchase certain assets of Axia. As part of the purchase, i3 Verticals, LLC entered into a Processing Services Agreement (the “Axia Tech Agreement”) with Axia Technologies, LLC (“Axia Tech”). Under the Axia Tech Agreement, we agreed to provide processing services for certain merchants as designated by Axia Tech from time to time. In fiscal year 2017, and for the six months ended March 31, 2018, we earned net revenues of $27,000 and $11,000, respectively, related to the Axia Tech Agreement. i3 Verticals, LLC, Greg Daily and Clay Whitson own 3%, 11% and 1%, respectively, of the outstanding equity of Axia Tech.

Policies and Procedures for Related Party Transactions

Our Board of Directors will adopt a written related person transaction policy, to be effective upon the closing of this offering, setting forth the policies and procedures for the review and approval or ratification of related person transactions. This policy will cover any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant and a related person had or will have a direct or indirect material interest, as determined by the Audit Committee of our Board of Directors, including, purchases of goods or services by or from the related person or entities in which the related person has a material interest, and indebtedness, guarantees of indebtedness or our employment of a related person. In reviewing any such proposal, our Audit Committee will be tasked to consider all relevant facts and circumstances, including the commercial reasonableness of the terms, the benefit or perceived benefit, or lack thereof, to us, opportunity costs of alternate transactions, the materiality and character of the related person's direct or indirect interest and the actual or apparent conflict of interest of the related person.

All related party transactions described in this section occurred prior to adoption of this policy and as such, these transactions were not subject to the approval and review procedures set forth in the policy.

In addition to the compensation arrangements with directors and executive officers described under “Executive Compensation,” the foregoing is a description of each transaction since October 1, 2014, and each currently proposed transaction in which:

- we have been or are to be a participant;
- the amount involved exceeded or will exceed $120,000; and
- any of our directors, executive officers, beneficial holders of more than 5% of our capital stock, or any member of their immediate family or person sharing their household had or will have a direct or indirect material interest.
The following table sets forth information regarding beneficial ownership of our Class A common stock and Class B common stock (1) immediately following the consummation of the Reorganization Transactions (excluding this offering), as described in "Our Organizational Structure" and (2) as adjusted to give effect to this offering, for:

- each person, or group of affiliated persons, who is known by us to own more than 5% of our Class A or Class B common stock;
- each of the directors, director nominees and named executive officers individually; and
- all directors, director nominees and executive officers as a group.

As described in "Our Organizational Structure" and "Certain Relationships and Related Party Transactions," each common unit (other than common units we hold) is redeemable from time to time at each holder's option (subject in certain circumstances to time-based and service-based vesting requirements and limitations on the common units that will be converted from Class P units in connection with the Reorganization Transactions) for, at our election, newly-issued shares of our Class A common stock on a one-for-one basis or a cash payment equal to a volume weighted average market price of one share of Class A common stock for each common unit redeemed, in each case, in accordance with the terms of the i3 Verticals LLC Agreement; provided that, at our election, we may effect a direct exchange by i3 Verticals, Inc. of such Class A common stock or such cash, as applicable, for such common units. The Continuing Equity Owners may exercise such redemption right for as long as their common units remain outstanding. See "Certain Relationships and Related Party Transactions—i3 Verticals LLC Agreement." In connection with this offering, we will issue to each Continuing Equity Owner for nominal consideration one share of Class B common stock for each common unit of i3 Verticals, LLC it owns. As a result, the number of shares of Class B common stock listed in the table below correlates to the number of common units of i3 Verticals, LLC each such Continuing Equity Owner will own immediately after this offering. Although the number of shares of Class A common stock being offered hereby to the public and the total number of i3 Verticals, LLC common units outstanding after the offering will remain fixed regardless of the initial public offering price in this offering, the shares of Class B common stock held by the beneficial owners set forth in the table below after the consummation of the Reorganization Transactions will vary, depending on the initial public offering price in this offering. The table below assumes the shares of Class A common stock are offered at $ per share (the midpoint of the price range listed on the cover page of this prospectus).

The number of shares beneficially owned by each stockholder as described in this prospectus is determined under rules issued by the SEC. Under these rules, beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power. In computing the number of shares beneficially owned by an individual or entity and the percentage ownership of that person, shares of common stock subject to options, or other rights, including the redemption right described above with respect to each common unit, held by such person that are currently exercisable or will become exercisable within 60 days of the date of this prospectus, are considered outstanding, although these shares are not considered outstanding for purposes of computing the percentage ownership of any other person. The percentage ownership of each individual or entity after giving effect to the Reorganization Transactions and before this offering is computed on the basis of shares of our Class A common stock outstanding and shares of our Class B common stock outstanding. Unless otherwise indicated, the address of all listed stockholders is 40 Burton Hills Blvd., Suite 415, Nashville, TN 37215.
Each of the stockholders listed has sole voting and investment power with respect to the shares beneficially owned by the stockholder unless noted otherwise, subject to community property laws where applicable.

*Represents beneficial ownership of less than 1% of our outstanding common stock.

1. Each common unit (other than common units we hold and common units held by certain of the former Class P unit profits interests holders that are initially subject to time-based or service-based vesting requirements) is redeemable from time to time at each holder’s option for, at our election, newly-issued shares of our Class A common stock on a one-for-one basis or a cash payment equal to a volume weighted average market price of one share of Class A common stock for each common unit redeemed, in each case, in accordance with the terms of the i3 Verticals LLC Agreement; provided that, at our election, we may effect a direct exchange by i3 Verticals, Inc. of such Class A common stock or such cash, as applicable, for such common units. The Continuing Equity Owners may exercise such redemption right for as long as their common units remain outstanding. Subject to preferences that may be applicable to any outstanding preferred stock, the holders of shares of Class A common stock are entitled to receive dividends, if any, as may be declared from time to time by the Board of Directors out of funds legally available therefor. All shares of Class B common stock to be issued upon completion of this offering will be fully paid and non-assessable.

Shares of Class B common stock will be issued in the future only to the extent necessary to maintain a one-to-one ratio between the number of common units of i3 Verticals, LLC held by the Continuing Equity Owners and the number of shares of Class B common stock issued to the Continuing Equity Owners. Shares of Class B common stock are transferable only together with an equal number of common units of i3 Verticals, LLC. Only permitted transferees of common units held by the Continuing Equity Owners will be permitted transferees of Class B common stock. Holders of shares of our Class B common stock will vote together with holders of our Class A common stock as a single class on all matters presented to our stockholders for their vote or approval, except for certain amendments to our amended and restated certificate of incorporation described below or as otherwise required by applicable law or the amended and restated certificate of incorporation. Preferred Stock

Our Board of Directors has the authority to direct us to issue shares of preferred stock in one or more series without stockholder approval. Our Board of Directors has the discretion to determine the rights, preferences, privileges and restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences, of each series of preferred stock.

The issuance of preferred stock may have the effect of delaying, deferring or preventing a change in control of i3 Verticals, Inc. without further action by the stockholders. Additionally, the issuance of preferred stock may adversely affect the holders of our Class A common stock by restricting dividends on the Class A common stock, diluting the voting power of the Class A common stock or subordinating the liquidation rights of the Class A common stock. As a result of these or other factors, the issuance of preferred stock could have an adverse impact on the market price of our Class A common stock. At present, we have no shares of preferred stock issued and outstanding and we have no plans to issue any preferred stock.

Anti-Takeover Effects of Our Amended and Restated Certificate of Incorporation, Amended and Restated Bylaws and Certain Provisions of Delaware Law

Our amended and restated certificate of incorporation, amended and restated bylaws and the DGCL contain provisions, which are summarized in the following paragraphs, that are intended to enhance the likelihood of continuity and stability in the composition of our Board of Directors and to discourage certain types of transactions that may involve an actual or threatened acquisition of our company. These provisions are intended to avoid costly takeover battles, reduce our vulnerability to a hostile change of control or other unsolicited acquisition proposal, and enhance the ability of our Board of Directors to maximize stockholder value in connection with any unsolicited offer to acquire us. However, these provisions may have the effect of delaying, deterring or preventing a merger or acquisition of our company by means of a tender offer, a proxy contest or other takeover attempt that a stockholder might consider in its best interest, including attempts that might result in a premium over the prevailing market price for the shares of Class A common stock held by stockholders. Our amended and restated certificate of incorporation provides that any action required or permitted to be taken by our stockholders must be effected at a duly called annual or special meeting of such stockholders and may not be effected by any consent in writing by such stockholders.

Authorized but Unissued Capital Stock

Delaware law does not require stockholder approval for any issuance of authorized shares. However, the listing requirements of Nasdaq, which would apply if and so long as our Class A common stock remains listed on Nasdaq, require stockholder approval of certain issuances equal to or exceeding 20% of the then outstanding voting power or then outstanding number of shares of Class A common stock.
in the future may be used for a variety of corporate purposes, including future public offerings, to raise additional capital or to facilitate acquisitions.

One of the effects of the existence of unissued and unreserved common stock may be to enable our Board of Directors to issue shares to persons friendly to current management, which issuance could render more difficult or discourage an attempt to obtain control of our company by means of a merger, tender offer, proxy contest or otherwise and thereby protect the continuity of our management and possibly deprive our stockholders of opportunities to sell their shares of Class A common stock at prices higher than prevailing market prices.

**Election of Directors and Vacancies**

Our amended and restated certificate of incorporation will provide that our Board of Directors will consist of between three and 15 directors. The exact number of directors will be fixed from time to time by a majority of our Board of Directors. Each director will be elected for a one-year term. There will be no limit on the number of terms a director may serve on our Board of Directors.

In addition, our amended and restated certificate of incorporation will provide that any vacancy on the Board of Directors, including a vacancy that results from an increase in the number of directors or a vacancy that results from the removal of a director with cause, may be filled only by a majority of the directors then in office.

**Business Combinations**

We intend to opt out of Section 203 of the DGCL; however, our amended and restated certificate of incorporation will contain similar provisions providing that we may not engage in certain “business combinations” with any “interested stockholder” for a three-year period following the time that the stockholder became an interested stockholder, unless:

- prior to such time, our Board of Directors approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder;
- upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the votes of our voting stock outstanding at the time the transaction commenced, excluding certain shares; or
- at or subsequent to that time, the business combination is approved by our Board of Directors and by the affirmative vote of holders of at least 66 2/3% of the votes of our outstanding voting stock that is not owned by the interested stockholder.

Generally, a “business combination” includes a merger, asset or stock sale or other transaction resulting in a financial benefit to the interested stockholder. Subject to certain exceptions, an “interested stockholder” is a person who, together with that person’s affiliates and associates, owns, or within the previous three years owned, 15% or more of the votes of our outstanding voting stock. For purposes of this provision, “voting stock” means any class or series of stock entitled to vote generally in the election of directors.

Under certain circumstances, this provision will make it more difficult for a person who would be an “interested stockholder” to effect various business combinations with our company for a three-year period. This provision may encourage companies interested in acquiring our company to negotiate in advance with our Board of Directors because the stockholder approval requirement would be avoided if our Board of Directors approves either the business combination or the transaction that results in the stockholder becoming an interested stockholder. These provisions also may have the effect of preventing changes in our Board of Directors and may make it more difficult to accomplish transactions that stockholders may otherwise deem to be in their best interests.

**Quorum**

Our amended and restated certificate of incorporation will provide that at any meeting of the Board of Directors, a majority of the total number of directors then in office constitutes a quorum for all purposes.

**No Cumulative Voting**

Under Delaware law, the right to vote cumulatively does not exist unless the amended and restated certificate of incorporation specifically authorizes cumulative voting. Our amended and restated certificate of incorporation will not authorize cumulative voting.
Special Stockholder Meetings

Our amended and restated certificate of incorporation will provide that special meetings of our stockholders may be called at any time only by or at the direction of the chairman of our Board of Directors, our chief executive officer, or by our Board of Directors, and not by our stockholders. Our amended and restated bylaws will prohibit the conduct of any business at a special meeting other than as specified in the notice for such meeting.

Requirements for Advance Notification of Director Nominations and Stockholder Proposals

Our amended and restated bylaws will establish an advance notice procedure for stockholder proposals to be brought before an annual meeting of our stockholders, including proposed nominations of persons for election to our Board of Directors. Stockholders at an annual meeting will only be able to consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of our Board of Directors or by a stockholder who is a stockholder of record who is entitled to vote at the meeting, or who is a stockholder that holds such stock through a nominee or "street name" holder of record and can demonstrate to us that such indirect ownership of such stock and such stockholder's entitlement to vote such stock on such business, and who has given our secretary timely written notice, in proper form, of the stockholder's intention to bring that business before the meeting. To be timely, such notice must be delivered to our secretary:

- in the case of an annual meeting of stockholders, not earlier than the close of business on the 120th day and not later than the close of business on the 90th day prior to the first anniversary of the preceding year’s annual meeting; provided, however, that in the event the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the 120th day prior to the date of such annual meeting and not later than the close of business on the later of the 90th day prior to the date of such annual meeting or, if the first public announcement of the date of such annual meeting is less than 100 days prior to the date of such annual meeting, the 10th day following the day on which we first make a public announcement of the date of such meeting; and

- in the case of a special meeting of stockholders called for the purpose of electing directors, not earlier than the close of business on the 120th day prior to such special meeting and not later than the close of business on the later of the 90th day prior to such special meeting or the 10th day following the date on which notice of the date of the special meeting was mailed or public disclosure of the date of the special meeting was made, whichever first occurs.

Amendment of Certificate of Incorporation and Bylaws

The DGCL provides generally that the affirmative vote of a majority of the shares entitled to vote on any matter is required to amend a corporation's certificate of incorporation or bylaws, unless a corporation's certificate of incorporation or bylaws, as the case may be, requires a greater percentage. Upon consummation of this offering, our bylaws may be amended or repealed by a majority vote of our board of directors or by the affirmative vote of a majority of the votes which all our stockholders would be eligible to cast in an election of directors.

Conflicts of Interest

Delaware law permits corporations to adopt provisions renouncing any interest or expectancy in certain opportunities that are presented to the corporation or its officers, directors or stockholders. Our amended and restated certificate of incorporation will, to the maximum extent permitted from time to time by Delaware law, renounce any interest, expectancy that we have in, or right to be offered an opportunity to participate in, specified business opportunities that are from time to time presented to certain of our officers, directors or stockholders or their respective affiliates, other than those officers, directors, stockholders or affiliates who are our or our subsidiaries’ employees. Our amended and restated certificate of incorporation will provide that, to the fullest extent permitted by law, any director or stockholder who is not employed by us (including any non-employee director who serves as one of our officers in both his director and officer capacities) or his or her affiliates will not have any duty to refrain from (1) engaging in a corporate opportunity in the same or similar lines of business in which we or our affiliates now engage or propose to engage or (2) otherwise competing with us or our affiliates. In addition, to the fullest extent permitted by law, if any director or stockholder, other than a director or stockholder who is not employed by us or our affiliates acquires knowledge of a potential transaction or other business opportunity which may be a corporate opportunity for itself or himself or its or his affiliates or for us or our affiliates, such person will have no duty to communicate or offer such transaction or business opportunity to us or any of our affiliates and they may take any such opportunity for themselves or offer it to another person or entity.
unless such opportunity was expressly offered to them solely in their capacity as a director, executive officer or employee of us or our affiliates. To the fullest extent permitted by Delaware law, no potential transaction or business opportunity may be deemed to be a corporate opportunity of the corporation or its subsidiaries unless (1) we or our subsidiaries would be permitted to undertake such transaction or opportunity in accordance with the amended and restated certificate of incorporation, (2) we or our subsidiaries at such time have sufficient financial resources to undertake such transaction or opportunity, (3) we have an interest or expectancy in such transaction or opportunity and (4) such transaction or opportunity would be in the same or similar line of our or our subsidiaries’ business in which we or our subsidiaries are engaged or a line of business that is reasonably related to, or a reasonable extension of, such line of business. Our amended and restated certificate of incorporation will not renounce our interest in any business opportunity that is expressly offered to an employee director or employee in his or her capacity as a director or employee of i3 Verticals, Inc. To the fullest extent permitted by law, no business opportunity will be deemed to be a potential corporate opportunity for us unless we would be permitted to undertake the opportunity under our amended and restated certificate, we have sufficient financial resources to undertake the opportunity and the opportunity would be in line with our business.

Limitation of Liability and Indemnification of Directors and Officers

The DGCL authorizes corporations to limit or eliminate the personal liability of directors to corporations and their stockholders for monetary damages for breaches of directors’ fiduciary duties, subject to certain exceptions. Our amended and restated certificate of incorporation will include a provision that eliminates the personal liability of directors for monetary damages for any breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL. The effect of these provisions will be to eliminate the rights of us and our stockholders, through stockholders’ derivative suits on our behalf, to recover monetary damages from a director for breach of fiduciary duty as a director, including breaches resulting from grossly negligent behavior. However, exculpation will not apply to any director if the director has acted in bad faith, knowingly or intentionally violated the law, authorized illegal dividends or redemptions or derived an improper benefit from his or her actions as a director.

Our amended and restated bylaws will provide that we must indemnify and advance expenses to our directors and officers to the fullest extent authorized by the DGCL. We intend to carry directors’ and officers’ liability insurance providing indemnification for our directors, officers and certain employees for some liabilities. We believe that these indemnification and advancement provisions and insurance will be useful to attract and retain qualified directors and officers.

The limitation of liability, indemnification and advancement provisions that will be included in our amended and restated certificate of incorporation and amended and restated bylaws may discourage stockholders from bringing a lawsuit against directors for breaches of their fiduciary duty. These provisions also may have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. In addition, your investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions.

We intend to enter into indemnification agreements with each of our directors and executive officers. These agreements will require us to indemnify these individuals to the fullest extent permitted under the DGCL against expenses, losses and liabilities that may arise in connection with actual or threatened proceedings in which they are involved by reason of their service to us and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified.

There is currently no pending material litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought.

Dissenters’ Rights of Appraisal and Payment

Under the DGCL, with certain exceptions, our stockholders will have appraisal rights in connection with a merger or consolidation of us. Pursuant to the DGCL, stockholders who properly request and perfect appraisal rights in connection with such merger or consolidation will have the right to receive payment of the fair value of their shares as determined by the Delaware Court of Chancery.
Stockholders’ Derivative Actions

Under the DGCL, any of our stockholders may bring an action in our name to procure a judgment in our favor, also known as a derivative action, provided that the stockholder bringing the action is a holder of our shares at the time of the transaction to which the action relates or such stockholder's stock thereafter devolved by operation of law.

Stockholder Registration Rights

We intend to enter into a Registration Rights Agreement with the Continuing Equity Owners in connection with this offering pursuant to which such parties will have specified rights to require us to register all or a portion of their shares under the Securities Act. See “Certain Relationships and Related Party Transactions—Registration Rights Agreement.”

Listing on the Nasdaq Global Select Market

We have applied to list the Class A common stock on the Nasdaq Global Select Market under the symbol “IIIIV.”

Transfer Agent and Registrar

The transfer agent and registrar for the Class A common stock is ComputerShare Trust Company, N.A. Its address is 250 Royall Street, Canton, Massachusetts 02021, and its telephone number is (781) 575-3951.
SHARES ELIGIBLE FOR FUTURE SALE

Prior to this offering, there has been no public market for our Class A common stock. Future sales of substantial amounts of our Class A common stock in the public market or the perception that such sales might occur could adversely affect market prices prevailing from time to time. Furthermore, because only a limited number of shares will be available for sale shortly after this offering due to existing contractual and legal restrictions on resale as described below, there may be sales of substantial amounts of our Class A common stock in the public market after the restrictions lapse. This may adversely affect the prevailing market price and our ability to raise equity capital in the future.

After completion of this offering and after giving effect to the Reorganization Transactions, we will have [redacted] shares of Class A common stock outstanding (or a maximum of [redacted] Class A common stock if the underwriters exercise their overallotment option in full). All of the shares of Class A common stock sold in this offering will be freely tradable without restrictions or further registration under the Securities Act, unless the shares are owned by our “affiliates” as that term is defined in Rule 144 under the Securities Act and except certain shares that will be subject to the lock-up period described in the next succeeding paragraph after completion of this offering. Any shares owned by our affiliates may not be resold except in compliance with Rule 144 volume limitations, manner of sale and notice requirements, pursuant to another applicable exemption from registration or pursuant to an effective registration statement. The shares of Class A common stock issuable to holders of our common units will be “restricted securities” as that term is defined in Rule 144 under the Securities Act. These restricted securities may be sold in the public market only if they are registered or if they qualify for an exemption from registration under Rule 144 under the Securities Act. This rule is summarized below.

In addition, at our request, the underwriters have reserved up to [redacted] shares of the [redacted] shares of Class A common stock offered for sale pursuant to this prospectus for sale to some of our directors, executive officers, employees, members of i3 Verticals, LLC and business associates in a directed shares program. Any of these directed shares purchased by our executive officers, directors and members of i3 Verticals, LLC, will be subject to the 180-day lock-up restriction described under “Underwriting.” Accordingly, the number of shares freely transferable upon completion of this offering will be reduced by the number of directed shares purchased by our executive officers, directors and members of i3 Verticals, LLC, and there will be a corresponding increase in the number of shares that become eligible for sale after 180 days from the date of this prospectus.

Each common unit held by our Continuing Equity Owners will be redeemable, at the election of each Continuing Equity Owner (subject in certain circumstances to time-based and service-based vesting requirements and limitations on the common units that will be converted from Class P units in connection with the Reorganization Transactions), for, at our election, newly-issued shares of our Class A common stock on a one-for-one basis or a cash payment equal to a volume weighted average market price of one share of Class A common stock for each common unit redeemed, in each case, in accordance with the terms of the i3 Verticals LLC Agreement; provided that, at our election, we may effect a direct exchange by i3 Verticals, Inc. of such Class A common stock or such cash, as applicable, for such common units. The Continuing Equity Owners may exercise such redemption right for as long as their common units remain outstanding. See “Certain Relationships and Related Party Transactions—i3 Verticals LLC Agreement.” Upon consummation of this offering, our Continuing Equity Owners will hold common units, all of which will be redeemable or exchangeable for shares of our Class A common stock. The shares of Class A common stock we issue upon such redemptions or exchanges will be “restricted securities” as defined in Rule 144 unless we register such issuances. However, we will enter into a Registration Rights Agreement with certain Continuing Equity Owners that will require us to register under the Securities Act these shares of Class A common stock if the conditions of the Registration Rights Agreement are met. See “Certain Relationships and Related Party Transactions—Registration Rights Agreement.”

Rule 144

In general with Rule 144 as currently in effect, a person who has beneficially owned restricted shares of our Class A common stock for at least six months, including the holding period of any prior owner other than our affiliates, would be entitled to sell such securities without complying with the manner of sale, volume limitation or notice provisions of Rule 144, provided that (i) such person is not deemed to have been one of our affiliates at the time of, or at any time during the 90 days preceding, a sale and (ii) we are subject to the Exchange Act periodic reporting requirements for at least 90 days before the sale. If such person has beneficially owned the shares

163
proposed to be sold for at least one year, including the holding period of any prior owner than our affiliates, then that person is entitled to sell those shares without complying with any of the requirements of Rule 144. Persons who have beneficially owned restricted shares of our Class A common stock for at least six months but who are our affiliates at the time of, or any time during the 90 days preceding, a sale, would be subject to additional restrictions, by which such person would be entitled to sell within any three-month period, upon expiration of the lock-up agreements described below, only a number of securities that does not exceed the greater of either of the following:

- 1% of the number of shares of our Class A common stock then outstanding, which will equal approximately \( \frac{\text{shares immediately after this offering}}{100} \) shares;
- the average weekly trading volume of our Class A common stock on the Nasdaq Global Select Market during the four calendar weeks preceding the filing of a notice on Form 144 with respect to the sale;

provided, in each case, that we are subject to the Exchange Act periodic reporting requirements for at least 90 days before the sale. Such sales by affiliates must also comply with the manner of sale, current public information and notice provisions of Rule 144.

We are unable to estimate the number of shares that will be sold under Rule 144 since this will depend on the market price for our common stock, the personal circumstances of the stockholder and other factors.

Lock-up Agreements

Our executive officers, directors and certain of our other stockholders will agree, subject to certain exceptions, not to offer, sell, assign, transfer, pledge, contract to sell, or otherwise dispose of or announce the intention to otherwise dispose of, or enter into any swap, hedge or similar agreement or arrangement that transfers, in whole or in part, the economic consequence of ownership of, directly or indirectly, or make any demand or request or exercise any right with respect to the registration of, or file with the SEC a registration statement under the Securities Act relating to, any common stock or securities convertible into or exchangeable or exercisable for any common stock without the prior written consent of the Representatives, for a period of 180 days after the date of the pricing of the offering. See “Underwriting.”

Equity Incentive Plan

We intend to file one or more registration statements on Form S-8 under the Securities Act to register the offer and sale of all shares of Class A common stock subject to outstanding stock options and Class A common stock issued or issuable under our 2018 Plan. We expect to file the registration statement covering shares offered pursuant to our 2018 Plan shortly after the date of this prospectus, permitting the resale of such shares by non-affiliates in the public market without restriction under the Securities Act and the sale by affiliates in the public market subject to compliance with the resale provisions of Rule 144.

Registration Rights

We intend to enter into a Registration Rights Agreement with certain Continuing Equity Owners in connection with this offering pursuant to which such parties will have specified rights to require us to register all or a portion of their shares under the Securities Act. See “Certain Relationships and Related Party Transactions—Registration Rights Agreement.”
The following is a discussion of the material U.S. federal income and estate tax consequences of the ownership and disposition of our Class A common stock by a beneficial owner that is a “non-U.S. holder.” For purposes of this discussion, a “non-U.S. holder” is a person or entity that, for U.S. federal income tax purposes, is:

- a non-resident alien individual, other than certain former citizens and residents of the United States subject to tax as expatriates;
- a corporation, or other entity treated as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of a jurisdiction other than the United States or any state or political subdivision thereof or the District of Columbia;
- a trust if it (1) is not subject to the primary supervision of a court within the United States, or no United States persons have the authority to control all substantial decisions of the trust, and (2) does not have a valid election in effect under applicable United States Treasury regulations to be treated as a United States person; or
- an estate, other than an estate the income of which is subject to U.S. federal income taxation regardless of its source.

This discussion is based on the Internal Revenue Code of 1986, as amended (the “Code”), and administrative pronouncements, judicial decisions and final, temporary and proposed Treasury Regulations, changes to any of which subsequent to the date of this prospectus may affect the tax consequences described herein. This discussion does not address all aspects of U.S. federal income and estate taxation that may be relevant to non-U.S. holders in light of their particular circumstances (including a non-U.S. holder who is a United States expatriate, foreign pension fund, “controlled foreign corporation,” “passive foreign investment company” or a partnership or other pass-through entity for U.S. federal income tax purposes or who does not hold Class A common stock as a capital asset within the meaning of Section 1221 of the Code) and it does not address the Medicare contribution tax on net investment income pursuant to the Health Care and Education Reconciliation Act of 2010 or any tax consequences arising under the laws of any state, local or foreign jurisdiction.

If a partnership holds our Class A common stock, the tax treatment of a partner will generally depend upon the status of the partner and the activities of the partnership. If you are a partnership holding Class A common stock, or a partner in such a partnership, you should consult your tax advisors.

Prospective holders are urged to consult their tax advisors with respect to the particular tax consequences to them of owning and disposing of the Class A common stock, including the consequences under the laws of any state, local or foreign jurisdiction.

Dividends

As discussed under “Dividend Policy,” we do not currently expect to pay dividends. If we do make any distributions with respect to shares of Class A common stock, such distributions generally will constitute dividends for U.S. federal income tax purposes to the extent paid out of our current or accumulated earnings and profits, as determined under U.S. federal income tax principles. If a distribution exceeds our current and accumulated earnings and profits as determined under U.S. federal income tax principles, the excess will be treated first as a tax-free return of capital, causing a reduction in the non-U.S. holder’s adjusted tax basis in the Class A common stock, and to the extent the amount of the distribution exceeds a non-U.S. holder’s adjusted tax basis in the Class A common stock, the excess will be treated as gain from the disposition of our common stock, subject to the tax treatment described below in “Gain on Disposition of the Class A Common Stock.” Dividends paid to a non-U.S. holder of the Class A common stock generally will be subject to withholding of U.S. federal income tax at a 30% rate or a reduced rate specified by an applicable income tax treaty. In order to obtain a reduced rate of withholding, a non-U.S. holder will be required to provide to the applicable withholding agent an Internal Revenue Service Form W-8BEN or W-8BEN-E (or other applicable form), certifying under penalty of perjury that such holder is not a U.S. person as defined under the Code and is eligible for treaty benefits. Additional certification requirements apply if a non-U.S. holder holds the Class A common stock through a foreign partnership or a foreign intermediary.
The withholding tax does not apply to dividends paid to a non-U.S. holder who provides a Form W-8ECI, certifying that the dividends are effectively connected with the non-U.S. holder’s conduct of a trade or business within the United States (and, if required by an applicable income tax treaty, are attributable to a United States permanent establishment). Instead, the effectively connected dividends will be subject to regular U.S. federal income tax as if the non-U.S. holder were a United States person (as defined in the Code) unless an applicable income tax treaty provides otherwise. A non-U.S. corporation receiving effectively connected dividends may also be subject to an additional “branch profits tax” imposed at a rate of 30% (or a lower treaty rate) with respect to its effectively-connected earnings and profits attributable to such dividends and other income.

If you are a non-U.S. holder, you may obtain a refund of any excess amounts withheld by timely filing an appropriate claim for a refund with the Internal Revenue Service. Non-U.S. holders should consult their tax advisors regarding their entitlement to benefits under an appropriate income tax treaty and the specific manner of claiming the benefits of the treaty.

Gain on Disposition of the Class A Common Stock

Subject to the discussion of backup withholding and FATCA below, a non-U.S. holder generally will not be subject to U.S. federal income tax on gain realized on a sale or other disposition of the Class A common stock unless:

• the gain is effectively connected with a trade or business of the non-U.S. holder in the United States, (and, if required by an applicable income tax treaty, is attributable to a United States permanent establishment of the non-U.S. holder);
• the non-U.S. holder is an individual who is present in the United States for 183 days or more in the taxable year of that disposition, and certain other conditions are met; or
• we are or have been a U.S. real property holding corporation, as defined in the Code, and the non-U.S. holder held, directly or indirectly, more than 5% of our common stock at any time within the shorter of the five-year period ending on the date of the disposition and the non-U.S. holder’s holding period, and certain other conditions are met.

Generally, a corporation is a “United States real property holding corporation” if the fair market value of its U.S. real property interests equals or exceeds 50% of the sum of the fair market value of its worldwide real property interests and its other assets used or held for use in a trade or business (all as determined for U.S. federal income tax purposes). We believe that we are not, and we do not anticipate becoming, a U.S. real property holding corporation.

Gain that is effectively connected with a U.S. trade or business will be subject to regular U.S. income tax as if the non-U.S. holder were a U.S. person, subject to an applicable treaty providing otherwise. A non-U.S. corporation with effectively connected gains may also be subject to an additional “branch profits tax” imposed at a rate of 30% (or a lower treaty rate) with respect to its effectively-connected earnings and profits attributable to such gains and other income.

Information Reporting and Backup Withholding

Information returns will be filed with the Internal Revenue Service in connection with payments of dividends. This information also may be made available under a specific treaty or agreement with the tax authorities in the country in which the non-U.S. holder resides or is established. A non-U.S. holder may have to comply with certification procedures to establish that it is not a United States person in order to avoid information reporting and backup withholding with respect to payments of dividends and the proceeds from a sale or other disposition of the Class A common stock. The amount of any backup withholding from a payment to a non-U.S. holder will be allowed as a credit against such holder’s U.S. federal income tax liability and may entitle such holder to a refund, provided that the required information is timely furnished to the Internal Revenue Service.

FATCA

Pursuant to Code provisions commonly referred to as “FATCA,” additional withholding is generally imposed at a rate of 30% on payments to certain foreign entities of dividends on and the gross proceeds of dispositions of U.S. common stock, unless various U.S. information reporting and due diligence requirements (generally relating
to ownership by U.S. persons of interests in or accounts with those entities) have been satisfied. Under regulations and related guidance issued by the Treasury Department, this withholding will apply to payments of dividends on the Class A common stock that are made and will apply to payments of gross proceeds from a sale or other disposition of the Class A common stock made on or after December 31, 2018. Any intergovernmental agreement between the United States and an applicable foreign country, or future Treasury regulations, may modify the FATCA reporting rules and withholding obligations.

Non-U.S. holders should consult their tax advisors regarding the possible implications of FATCA on their investment in the Class A common stock.

Federal Estate Tax

Individual non-U.S. holders and entities the property of which is potentially includible in such an individual's gross estate for U.S. federal estate tax purposes (for example, a trust funded by such an individual and with respect to which the individual has retained certain interests or powers) should note that, absent an applicable treaty benefit, the Class A common stock will be treated as U.S. situs property subject to U.S. federal estate tax.
UNDERWRITING

We and the underwriters for the offering named below have entered into an underwriting agreement with respect to the common stock being offered. Subject to the terms and conditions of the underwriting agreement, each underwriter has severally agreed to purchase from us the number of shares of our common stock set forth opposite its name below. Cowen and Company, LLC and Raymond James & Associates, Inc. are the representatives of the underwriters (the Representatives).

The underwriting agreement provides that the obligations of the underwriters are subject to certain conditions precedent and that the underwriters have agreed, severally and not jointly, to purchase all of the shares sold under the underwriting agreement if any of these shares are purchased, other than those shares covered by the overallotment option described below. If an underwriter defaults, the underwriting agreement provides that the purchase commitments of the non-defaulting underwriters may be increased or the underwriting agreement may be terminated.

We have agreed to indemnify the underwriters against specified liabilities, including liabilities under the Securities Act, and to contribute to payments the underwriters may be required to make in respect thereof.

The underwriters are offering the shares, subject to prior sale, when, as and if issued to and accepted by them, subject to approval of legal matters by their counsel and other conditions specified in the underwriting agreement. The underwriters reserve the right to withdraw, cancel or modify offers to the public and to reject orders in whole or in part.

**Overallotment Option to Purchase Additional Shares.** We have granted to the underwriters an option to purchase up to additional shares of common stock at the public offering price, less the underwriting discount. This option is exercisable for a period of 30 days. The underwriters may exercise this option solely for the purpose of covering overallotments, if any, made in connection with the sale of common stock offered hereby. To the extent that the underwriters exercise this option, the underwriters will purchase additional shares from us in approximately the same proportion as shown in the table above.

**Discounts and Commissions.** The following table shows the public offering price, underwriting discount and proceeds, before expenses to us. These amounts are shown assuming both no exercise and full exercise of the underwriters’ overallotment option.

We estimate that the total expenses of the offering, excluding underwriting discount, will be approximately . We will pay those expenses.

The underwriters propose to offer the shares of common stock to the public at the public offering price set forth on the cover of this prospectus. The underwriters may offer the shares of common stock to securities dealers at the public offering price less a concession not in excess of $ per share. If all of the shares are not sold at the public offering price, the underwriters may change the offering price and other selling terms.
Discretionary Accounts. The underwriters do not intend to confirm sales of the shares to any accounts over which they have discretionary authority.

Market Information. Prior to this offering, there has been no public market for shares of our common stock. The initial public offering price will be determined by negotiations between us and the Representatives. In addition to prevailing market conditions, the factors to be considered in these negotiations will include:

- the history of, and prospects for, our company and the industry in which we compete;
- our past and present financial information;
- an assessment of our management; its past and present operations, and the prospects for, and timing of, our future revenues;
- the present state of our development;
- the above factors in relation to market values and various valuation measures of other companies engaged in activities similar to ours.

An active trading market for the shares may not develop. It is also possible that after the offering the shares will not trade in the public market at or above the initial public offering price.

We have applied to list the Class A common stock on the Nasdaq Global Select Market under the symbol "IIIV."

Stabilization. In connection with this offering, the underwriters may engage in stabilizing transactions, overallotment transactions, syndicate covering transactions, penalty bids and purchases to cover positions created by short sales.

- Stabilizing transactions permit bids to purchase shares of common stock so long as the stabilizing bids do not exceed a specified maximum, and are engaged in for the purpose of preventing or retarding a decline in the market price of the common stock while the offering is in progress.
- Overallotment transactions involve sales by the underwriters of shares of common stock in excess of the number of shares the underwriters are obligated to purchase. This creates a syndicate short position which may be either a covered short position or a naked short position. In a covered short position, the number of shares over-allotted by the underwriters is not greater than the number of shares that they may purchase in the overallotment option. In a naked short position, the number of shares involved is greater than the number of shares in the overallotment option. The underwriters may close out any short position by exercising their overallotment option and/or purchasing shares in the open market.
- Syndicate covering transactions involve purchases of common stock in the open market after the distribution has been completed in order to cover syndicate short positions. In determining the source of shares to close out the short position, the underwriters will consider, among other things, the price of shares available for purchase in the open market as compared with the price at which they may purchase shares through exercise of the overallotment option. If the underwriters sell more shares than could be covered by exercise of the overallotment option and, therefore, have a naked short position, the position can be closed out only by buying shares in the open market. A naked short position is more likely to be created if the underwriters are concerned that after pricing there could be downward pressure on the price of the shares in the open market that could adversely affect investors who purchase in the offering.
- Penalty bids permit the Representatives to reclaim a selling concession from a syndicate member when the common stock originally sold by that syndicate member is purchased in stabilizing or syndicate covering transactions to cover syndicate short positions.

These stabilizing transactions, syndicate covering transactions and penalty bids may have the effect of raising or maintaining the market price of our common stock or preventing or retarding a decline in the market price of our common stock. As a result, the price of our common stock in the open market may be higher than it would otherwise be in the absence of these transactions. Neither we nor the underwriters make any representation or prediction as to the effect that the transactions described above may have on the price of our common stock. These transactions may be effected on the Nasdaq Stock Market, in the over-the-counter market or otherwise and, if commenced, may be discontinued at any time.
Passive Market Making. In connection with this offering, underwriters and selling group members may engage in passive market making transactions in our common stock on the Nasdaq Stock Market in accordance with Rule 103 of Regulation M under the Securities Exchange Act of 1934, as amended, during a period before the commencement of offers or sales of common stock and extending through the completion of the distribution. A passive market maker must display its bid at a price not in excess of the highest independent bid of that security. However, if all independent bids are lowered below the passive market maker’s bid, such bid must then be lowered when specified purchase limits are exceeded.

Lock-Up Agreements. Pursuant to certain “lock-up” agreements, we and our executive officers, directors and certain of our other stockholders, have agreed, subject to certain exceptions, not to offer, sell, assign, transfer, pledge, contract to sell, or otherwise dispose of or announce the intention to otherwise dispose of, or enter into any swap, hedge or similar agreement or arrangement that transfers, in whole or in part, the economic consequence of ownership of, directly or indirectly, or make any demand or request or exercise any right with respect to the registration of, or file with the SEC a registration statement under the Securities Act relating to, any common stock or securities convertible into or exchangeable or exercisable for any common stock without the prior written consent of the Representatives, for a period of 180 days after the date of the pricing of the offering.

This lock-up provision applies to common stock and to securities convertible into or exchangeable or exercisable for common stock. The exceptions permit us, among other things and subject to restrictions, to: (a) issue common stock or options pursuant to employee benefit plans; (b) issue common stock upon exercise of outstanding options or warrants; (c) issue securities in connection with acquisitions or similar transactions; and (d) file registration statements on Form S-8. The exceptions permit parties to the "lock-up" agreements, among other things and subject to restrictions, to: (a) make certain gifts; (b) if the party is a corporation, partnership, limited liability company or other business entity, make transfers to any shareholders, partners, members of, or owners of similar equity interests in, the party, or to an affiliate of the party, if such transfer is not for value; and (c) if the party is a corporation, partnership, limited liability company or other business entity, make transfers in connection with the sale or transfer of all of the party’s capital stock, partnership interests, membership interests or other similar equity interests, as the case may be, or all or substantially all of the party’s assets, in any such case not undertaken for the purpose of avoiding the restrictions imposed by the "lock-up" agreement. In addition, the lock-up provision will not restrict broker-dealers from engaging in market making and similar activities conducted in the ordinary course of their business.

The Representatives, in their sole discretion, may jointly release our common stock and other securities subject to the lock-up agreements described above in whole or in part at any time. When determining whether or not to release our common stock and other securities from lock-up agreements, the Representatives will consider, among other factors, the holder’s reasons for requesting the release, the number of shares for which the release is being requested and market conditions at the time of the request. The event of such a release or waiver for one of our directors or officers, the Representatives shall provide us with notice of the impending release or waiver at least three business days before the effective date of such release or waiver and we will announce the impending release or waiver by issuing a press release at least two business days before the effective date of the release or waiver.

Directed Share Program. At our request, the underwriters have reserved up to shares of our common stock for sale, at the initial public offering price, through a directed share program to our directors, executive officers, employees, members of i3 Verticals, LLC and business associates. There can be no assurance that any of the reserved shares will be so purchased. The number of shares available for sale to the general public in the offering will be reduced to the extent the reserved shares are purchased in the directed share program. Any reserved shares of common stock not purchased through the directed share program will be offered to the general public on the same basis as the other common stock offered hereby.

Canada. The common stock may be sold only to purchasers purchasing, or deemed to be purchasing, as principal that are accredited investors, as defined in National Instrument 45-106 Prospectus Exemptions or subsection 73.3(1) of the Securities Act (Ontario), and are permitted clients, as defined in National Instrument 31-103 Registration Requirements, Exemptions and Ongoing Registrant Obligations. Any resale of the common stock must be made in accordance with an exemption from, or in a transaction not subject to, the prospectus requirements of applicable securities laws.
Securities legislation in certain provinces or territories of Canada may provide a purchaser with remedies for rescission or damages if this prospectus (including any amendment thereto) contains a misrepresentation, provided that the remedies for rescission or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser’s province or territory. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser’s province or territory for particulars of these rights or consult with a legal advisor.

Pursuant to section 3A.3 of National Instrument 33-105 Underwriting Conflicts (NI 33-105), the underwriters are not required to comply with the disclosure requirements of NI 33-105 regarding underwriter conflicts of interest in connection with this offering.

United Kingdom. Each of the underwriters has represented and agreed that:

• it has not made or will not make an offer of the securities to the public in the United Kingdom within the meaning of section 102B of the Financial Services and Markets Act 2000 (as amended) (FSMA) except to legal entities which are authorized or regulated to operate in the financial markets or, if not so authorized or regulated, whose corporate purpose is solely to invest in securities or otherwise in circumstances which do not require the publication by us of a prospectus pursuant to the Prospectus Rules of the Financial Services Authority (FSA);
• it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of FSMA) to persons who have professional experience in matters relating to investments falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 or in circumstances in which section 21 of FSMA does not apply to us; and
• it has complied with and will comply with all applicable provisions of FSMA with respect to anything done by it in relation to the securities in, from or otherwise involving the United Kingdom.

Switzerland. The securities will not be offered, directly or indirectly, to the public in Switzerland and this prospectus does not constitute a public offering prospectus as that term is understood pursuant to article 652a or 1156 of the Swiss Federal Code of Obligations.

European Economic Area. In relation to each Member State of the European Economic Area which has implemented the European Prospectus Directive (each, a “Relevant Member State”), an offer of our shares may not be made to the public in a Relevant Member State other than:

• to any legal entity which is a qualified investor, as defined in the European Prospectus Directive;
• to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150 natural or legal persons (other than qualified investors as defined in the European Prospectus Directive), subject to obtaining the prior consent of the relevant dealer or dealers nominated by us for any such offer; or
• in any other circumstances falling within Article 3(2) of the European Prospectus Directive,

provided that no such offer of our shares shall require us or any underwriter to publish a prospectus pursuant to Article 3 of the European Prospectus Directive or supplement prospectus pursuant to Article 16 of the European Prospectus Directive.

1. NATURE OF OPERATIONS

i3 Verticals, LLC, a Delaware limited liability company (collectively the “Company,” “we,” “us,” or “our”) was founded in 2012 and delivers seamless integrated payment and software solutions to small- and medium-sized businesses (“SMBs”) and organizations in strategic vertical markets.

The Company’s headquarters are in Nashville, Tennessee, with operations throughout the United States.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“GAAP”) for interim financial information and pursuant to the reporting and disclosure rules and regulations of the Securities and Exchange Commission. Accordingly, they do not include all of the information and footnotes required by GAAP for complete financial statements. In the opinion of management, such statements include all adjustments (consisting only of normal recurring items) which are considered necessary for fair presentation of the unaudited condensed consolidated financial statements of the Company and its subsidiaries as of March 31, 2018 and for the six months ended March 31, 2018 and 2017. The results of operations for the six months ended March 31, 2018 and 2017 are not necessarily indicative of the operating results for the full year. It is recommended that these interim condensed consolidated financial statements be read in conjunction with the consolidated financial statements and related footnotes for the years ended September 30, 2017 and 2016 included elsewhere herein beginning on page F-22.

All amounts are presented in thousands.

Principles of Consolidation

These interim condensed consolidated financial statements include the accounts of the Company’s and its wholly-owned subsidiary companies. All significant intercompany accounts and transactions have been eliminated in consolidation.

Inventories

Inventories consist of point-of-sale equipment to be sold to customers and are stated at the lower of cost, determined on a weighted average basis, or net realizable value. Inventories were $1,737 and $454 at March 31, 2018 and September 30, 2017, respectively, and are included within prepaid expenses and other current assets on the accompanying condensed consolidated balance sheets.

Acquisitions

Business acquisitions have been recorded using the acquisition method of accounting in accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 805, Business Combinations (“ASC 805”), and, accordingly, the purchase price has been allocated to the assets acquired and liabilities assumed based on their estimated fair value as of the date of acquisition. Where relevant, the fair value of contingent consideration included in an acquisition is calculated using a Monte Carlo simulation. The fair value of merchant relationships and non-compete assets acquired is identified using the Income Approach. The fair value of trade names acquired is identified using the Relief from Royalty Method. The fair value of deferred revenue is identified using the Adjusted Fulfillment Cost Method. After the purchase price has been allocated, goodwill is recorded to the extent the total consideration paid for the acquisition, including the acquisition date fair value of contingent consideration, if any, exceeds the sum of the fair values of the separately identifiable acquired assets and assumed liabilities. Acquisition costs for business combinations are expensed when incurred and recorded in selling general and administrative expenses in the accompanying condensed consolidated statements of operations.
Acquisitions not meeting the accounting criteria to be accounted for as a business combination are accounted for as an asset acquisition. An asset acquisition is recorded at its purchase price, inclusive of acquisition costs, which are allocated among the acquired assets and assumed liabilities based upon their relative fair values at the date of acquisition.

The operating results of an acquisition are included in the Company’s condensed consolidated statements of operations from the date of such acquisition. Acquisitions completed during the six months ended March 31, 2018 contributed $9,332 and $2,172 of revenue and net income, respectively, to the results in our condensed consolidated statements of operations for the six months then ended.

**Revenue Recognition and Deferred Revenue**

Revenue is recognized when it is realized or realizable and earned, in accordance with ASC 605, Revenue Recognition (“ASC 605”). Recognition occurs when all of the following criteria are met: (1) persuasive evidence of an arrangement exists; (2) delivery has occurred or services have been performed; (3) the seller’s price to the buyer is fixed or determinable; and (4) collectability is reasonably assured. The Company accrues for rights of refund, processing errors or penalties, or other related allowances based on historical experience.

More than 85% of our gross revenue for the six months ended March 31, 2018 and 2017 is derived from volume-based payment processing fees (“discount fees”) and other related fixed transaction or service fees. The remainder is comprised of sales of software licensing subscriptions, ongoing support, and other POS-related solutions the Company provides to its clients directly and through its processing bank relationships.

Discount fees represent a percentage of the dollar amount of each credit or debit transaction processed. Discount fees are recognized at the time the merchants’ transactions are processed. The Company follows the requirements of ASC 605-45 Revenue Recognition—Principal Agent Considerations, in determining its merchant processing services revenue reporting. Generally, where the Company has control over merchant pricing, merchant portability, credit risk and ultimate responsibility for the merchant relationship, revenues are reported at the time of sale on a gross basis equal to the full amount of the discount charged to the merchant. This amount includes interchange fees paid to card issuing banks and assessments paid to payment card networks pursuant to which such parties receive payments based primarily on processing volume for particular groups of merchants. Revenues generated from merchant portfolios where the Company does not have control over merchant pricing, liability for merchant losses or credit risk or rights of portability are reported net of interchange and other fees.

Revenues are also derived from a variety of fixed transaction or service fees, including authorization fees, convenience fees, statement fees, annual fees, and fees for other miscellaneous services, such as handling chargebacks.

Revenues from sales of the Company’s software licensing subscriptions are recognized when they are realized or realizable and earned. Revenue is considered realized and earned when persuasive evidence of an arrangement exists, delivery has occurred or services have been rendered, the price to the buyer is fixed or determinable and collection of the resulting receivable is reasonably assured. Contractual arrangements are evaluated for indications that multiple element arrangements may exist including instances where more-than-incidental software deliverables are included. Arrangements may contain multiple elements, such as hardware, software products, maintenance, and professional installation and training services. Revenues are allocated to each element based on the selling price hierarchy. The selling price for a deliverable is based on vendor specific objective evidence of selling price, if available, third party evidence, or estimated selling price. The Company establishes estimated selling price, based on the judgment of the Company’s management, considering internal factors such as margin objectives, pricing practices and controls, customer segment pricing strategies and the product life cycle. In arrangements with multiple elements, the Company determines allocation of the transaction price at inception of the arrangement based on the relative selling price of each unit of accounting.

In multiple element arrangements where more-than-incidental software deliverables are included, the Company applied the residual method to determine the amount of software license revenues to be recognized.
Under the residual method, if fair value exists for undelivered elements in a multiple-element arrangement, such fair value of the undelivered elements is deferred with the remaining portion of the arrangement consideration recognized upon delivery of the software license or services arrangement. The Company allocates the fair value of each element of a software related multiple-element arrangement based upon its fair value as determined by vendor specific objective evidence of selling price, with any remaining amount allocated to the software license. If evidence of the fair value cannot be established for the undelivered elements of a software arrangement, then the entire amount of revenue under the arrangement is deferred until these elements have been delivered or objective evidence can be established. These amounts, if any, are included in deferred revenue in the condensed consolidated balance sheets. Revenues related to software licensing subscriptions, maintenance or other support services with terms greater than one month are recognized ratably over the term of the agreement.

Revenues from sales of the Company’s combined hardware and software element are recognized when they are realized or realizable and earned which has been determined to be upon the delivery of our product. Revenues derived from service fees are recognized at the time the services are performed and there are no further performance obligations. The Company's training, installation, and repair services are billed and recognized as revenue as these services are performed.

Deferred revenue represents amounts billed to customers by the Company for services contracts. The initial prepaid contract agreement balance is deferred. The balance is then recognized as the services are provided over the contract term. Deferred revenue that is expected to be recognized as revenue within one year is recorded as short-term deferred revenue and the remaining portion is recorded as other long-term liabilities in the condensed consolidated balance sheets.

Use of Estimates

The preparation of condensed consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the condensed consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Such estimates include, but are not limited to, the value of purchase consideration paid and identifiable assets acquired and assumed in acquisitions, goodwill and intangible asset impairment review, warrant valuation, revenue recognition for multiple element arrangements, loss reserves, assumptions used in the calculation of equity-based compensation and in the calculation of income taxes, and certain tax assets and liabilities as well as the related valuation allowances. Actual results could differ from those estimates.

Recently Issued Accounting Pronouncements

In August 2016, the FASB issued ASU No. 2016-18, Statement of Cash Flows: Restricted Cash (Topic 230). The amendments in ASU 2016-18 require that a statement of cash flows explain the change during the period in the total of cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents. Therefore, amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the statement of cash flows. The amendments in this ASU are effective for public business entities for fiscal years beginning after December 15, 2017, and interim periods within those fiscal years. Early adoption is permitted, including adoption in an interim period. As an emerging growth company, the Company will not be required to adopt this ASU until October 1, 2019. If an entity early adopts the amendments in an interim period, any adjustments should be reflected as of the beginning of the fiscal year that includes that interim period. The amendments in this ASU should be applied using a retrospective transition method to each period presented. The Company is currently evaluating the impact of the adoption of this principle on the Company’s interim condensed consolidated financial statements.

In August 2016, the FASB issued ASU No. 2016-15, Statement of Cash Flows: Classification of Certain Cash Receipts and Cash Payments (Topic 230). The update clarifies how cash receipts and cash payments in certain transactions are presented and classified in the statement of cash flows. The effective date of this update is for
fiscal years, and interim periods within those fiscal years, beginning after December 15, 2017, with early adoption permitted. As an emerging growth company, the
Company will not be required to adopt this ASU until October 1, 2019. The update requires retrospective application to all periods presented but may be applied
prospectively if retrospective application is impracticable. The Company is currently evaluating the impact of the adoption of this principle on the Company's interim
condensed consolidated financial statements.

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842). This ASU amends the existing guidance by recognizing all leases, including operating
leases, with a term longer than twelve months on the balance sheet and disclosing key information about the lease arrangements. The effective date of this update is for
fiscal years, and interim periods within those fiscal years, beginning after December 15, 2018, with early adoption permitted. As a public business entity, the Company is
an emerging growth company and has elected to use the extended transition period provided for such companies. As a result, the Company will not be required to adopt
this ASU until October 1, 2020. The update requires modified retrospective transition, which requires application of the ASU at the beginning of the earliest comparative
period presented in the year of adoption. The Company is currently evaluating the impact of the adoption of this principle on the Company's interim condensed
consolidated financial statements.

In May 2014, the FASB issued ASU No. 2014-09, Revenue From Contracts With Customers (Topic 606). The ASU supersedes the revenue recognition requirements
in ASC 605. The new standard provides a five-step analysis of transactions to determine when and how revenue is recognized, based upon the core principle that
revenue is recognized to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in
exchange for those goods or services. The new standard also requires additional disclosures regarding the nature, amount, timing, and uncertainty of revenue and cash
flows arising from contracts with customers. The new standard, as amended, is effective for fiscal years, and interim periods within those fiscal years, beginning after
December 15, 2017, with early adoption permitted. As an emerging growth company, the Company will not be required to adopt this ASU until October 1, 2019. The
amendment allows companies to use either a full retrospective or a modified retrospective approach to adopt this ASU. The Company has formed a project team and is
currently assessing the impact of the adoption of this principle on the Company's interim condensed consolidated financial statements.

3. ACQUISITIONS

During the six months ended March 31, 2018, the Company acquired the following intangible assets and businesses:

Residual Buyouts

From time to time, the Company acquires future commission streams from sales agents in exchange for an upfront cash payment. This results in an increase in
overall gross volume to the Company. The residual buyouts are treated as asset acquisitions, resulting in recording a residual buyout intangible asset at cost on the date
of acquisition. These assets are amortized using a method of amortization that reflects the pattern in which the economic benefits of the intangible asset are expected to
be utilized over their estimated useful lives.

During the six months ended March 31, 2018, the Company purchased $954 in residual buyouts using a mixture of cash on hand and borrowings on our revolving
line of credit. The acquired residual buyout intangible assets have an estimated amortization period of two years.

Referral Agreement

On February 21, 2018, the Company entered into a referral agreement with an agent bank. Under the agreement, the bank exclusively refers its customers to the
Company for credit card processing services. Because the Company paid an up-front fee to compensate the bank, the amount is treated as an asset acquisition in which
the Company has acquired an intangible stream of referrals. This asset is amortized over a straight-line period over the initial five year term of the referral agreement.
Total consideration paid for the referral agreement was $800, paid for with cash on hand.

**Purchase of San Diego Cash Register Company, Inc.**

On October 31, 2017, the Company closed an agreement to purchase all of the outstanding stock of San Diego Cash Register Company, Inc. ("SDCR, Inc."). The acquisition was completed to expand our revenue within the integrated POS market. Total purchase consideration was $20,834 which includes $104 of common units in i3 Verticals, LLC ("Common Units") issued to the seller. The acquisition was funded using $20,000 in proceeds from the issuance of long-term debt from the Senior Secured Credit Facility and $730 of contingent consideration. The preliminary purchase consideration of the acquired assets and assumed liabilities was allocated based on fair values as follows:

(1) This debt matures on the earlier of October 30, 2022 or 181 days before the maturity date of the Company's notes payable in aggregate principal amount of $10,500 (the "Mezzanine Notes").

New Senior Secured Credit Facility

On October 30, 2017 the Company replaced its existing credit facility with a new credit agreement ("the Senior Secured Credit Facility"). The Company concluded that the Senior Secured Credit Facility should be accounted for as a debt modification based on the guidance in ASC 470-50. The Senior Secured Credit Facility consists of term loans in the original principal amount of $40,000 and a $110,000 revolving line of credit. The Senior Secured Credit Facility accrues interest, payable monthly, at prime plus a margin of 0.50% to 2.00% (2.00% as of March 31, 2018) or at the 30-day LIBOR rate plus a margin of 2.75% to 4.00% (4.00% as of March 31, 2018), in each case depending on the ratio of consolidated debt to EBITDA, as defined in the agreement. Additionally, the Senior Secured Credit Facility requires the Company to pay unused commitment fees of up to 0.15% to 0.30% (0.30% as of March 31, 2018) on any undrawn amounts under the revolving line of credit. The maturity date of the Senior Secured Credit Facility is the earlier of October 30, 2022 or 181 days before the maturity date of the Mezzanine Notes. Principal payments of $1,250 are due on the last day of each calendar quarter until the maturity date, when all outstanding principal and accrued and unpaid interest are due. At March 31, 2018 there was $39,250 available for borrowing under the revolving line of credit.

The Senior Secured Credit Facility is secured by substantially all assets of the Company. The notes payable to banks and revolving line of credit to banks hold senior rights to collateral and principal repayment over all other creditors.

The provisions of the Senior Secured Credit Facility place certain restrictions and limitations upon the Company. These include, among others, restrictions on liens, investments, indebtedness, fundamental changes and dispositions; maintenance of certain financial ratios; and certain non-financial covenants pertaining to the activities of the Company during the period covered. The Company was in compliance with such covenants as of March 31, 2018. In addition, the Senior Secured Credit Facility restricts our ability to make dividends or other distributions to the holders of our equity. We are permitted to (i) make cash distributions to the holders of our equity in order to pay taxes incurred by owners of equity in i3 Verticals, LLC, by reason of such ownership, (ii) move intercompany cash between subsidiaries that are joined to the Senior Secured Credit Facility, (iii) repurchase equity from employees, directors, officers or consultants after the restructuring of the Company in connection with the initial public offering of our equity in an aggregate amount not to exceed $1.5 million per year, and (iv) make other dividends or distributions in an aggregate amount not to exceed 5% of the net cash proceeds received from any additional common equity issuance after an initial public offering. We are also permitted to make noncash dividends in the form of additional equity issuances. All other forms of dividends or distributions are prohibited under the Senior Secured Credit Facility.
Mezzanine Warrants

As of March 31, 2018 and September 30, 2017, there were in the aggregate 1,424 warrants outstanding and exercisable to purchase Common Units related to the issuance of the Mezzanine Notes. The intrinsic value of the Mezzanine warrants was $9,012 and $767 as of March 31, 2018 and September 30, 2017, respectively.

The Mezzanine warrants are mandatorily redeemable and embody a conditional obligation to redeem the instrument by a transfer of assets. The Company uses the Black-Scholes option pricing model to determine the fair market value of the Mezzanine warrants at each reporting period. The option pricing model requires the input of highly subjective assumptions, including the estimated enterprise value of the Company, expected term of the warrants, expected volatility, risk-free interest rates and discount for lack of marketability. See additional disclosures in Note 7. To determine the fair value of the Mezzanine warrants, the Company engages an outside consultant to prepare a valuation of the unit price for each reporting date, using information provided by management and information obtained from private and public sources. We use an expected volatility based on the historical volatilities of a group of guideline companies and estimated a liquidity event in June 2018 to determine the term of the warrants. The risk-free interest rates are obtained from publicly available U.S. Treasury yield curve rates. The discount for lack of marketability was determined using the Finnerty Model. The Mezzanine warrants are remeasured at each reporting date through the settlement of the instrument and changes in value are reflected in earnings. The fair market value of the warrants was $9,012 and $767 as of March 31, 2018 and September 30, 2017, respectively, and is reflected within other long-term liabilities within the accompanying condensed consolidated balance sheets.

6. INCOME TAXES

The Company's tax provision for interim periods is determined using an estimate of its annual effective tax rate, adjusted for discrete items, if any, that are taken into account in the relevant period. Each quarter, the Company updates its estimate of the annual effective tax rate, and if the Company's estimated tax rate changes, it makes a cumulative adjustment in that period. The Company's benefit for income taxes was $139 and $70 for the six months ended March 31, 2018 and 2017, respectively.

On December 22, 2017, the Tax Cuts and Jobs Acts was enacted into law. The new legislation contains several key tax provisions, including the reduction of the federal corporate income tax rate to 21% effective January 1, 2018, as well as a variety of other changes, including limitation of the tax deductibility of interest expense, acceleration of expensing of certain business assets and reductions in the amount of executive pay that could qualify as a tax deduction. The Company is assessing the impact of the enacted tax law on its business and its consolidated financial statements and recorded a provisional discrete tax benefit related to the re-measurement of its deferred tax assets and liabilities at SDCR, Inc. of $504 for the reduced federal tax rates during the six-month period ended March 31, 2018.

7. FAIR VALUE MEASUREMENTS

The Company applies the provisions of ASC 820, Fair Value Measurement, which defines fair value, establishes a framework for its measurement and expands disclosures about fair value measurements. Fair value is the price that would be received to sell an asset or the price paid to transfer a liability as of the measurement date. A three-tier, fair-value reporting hierarchy exists for disclosure of fair value measurements based on the observability of the inputs to the valuation of financial assets and liabilities. The three levels are:

Level 1 — Quoted prices for identical instruments in active markets.
Level 2 — Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations in which all significant inputs and significant value drivers are observable in active markets.

Level 3 — Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable in active exchange markets.

The carrying value of the Company's financial instruments, including cash and cash equivalents, restricted cash, settlement assets and obligations, accounts receivable, other assets, accounts payable, and accrued expenses, approximated their fair values as of March 31, 2018 and September 30, 2017, because of the relatively short maturity dates on these instruments. The carrying amount of debt approximates fair value as of March 31, 2018 and September 30, 2017, because interest rates on these instruments approximate market interest rates.

The Company has no Level 1 or Level 2 financial instruments. The following tables present the changes in our Level 3 financial instruments that are measured at fair value on a recurring basis.

8. MEMBER’S EQUITY (DEFICIT)

As of March 31, 2018, the Company has authorized the issuance of Class A Units, Class P Units and Common Units. Any offering costs associated with the issuance of units are presented net within equity.

Restricted Class P Units

As of March 31, 2018 and September 30, 2017, respectively, there were 4,823 and 4,771 vested, and 3,433 and 2,876 non-vested, restricted Class P Units issued and outstanding to certain Board members and employees.
The Class P Units are subject to restrictions which establish forfeiture provisions, limit the transferability, encumbrance and disposition of units, and establish vesting
provisions.

All Class P Units are issued at a participation threshold above the valuation of the Company at the grant date. As a result, they have a nominal value, individually and
in the aggregate, at the grant date. Using an option-pricing model and considering liquidation preferences of the Class P Units, as well as the lack of marketability,
management has determined that any compensation expense related to the restricted units is immaterial to the interim condensed consolidated financial statements.

9. COMMITMENTS AND CONTINGENCIES
Leases
The Company utilizes office space and equipment under operating leases. Rent expense under these leases amounted to $686 and $482 during the six months
ended March 31, 2018 and 2017, respectively. A summary of approximate future minimum payments under these leases as of March 31, 2018 is as follows:

Minimum Processing Commitments
We have non-exclusive agreements with several processors to provide us services related to transaction processing and transmittal, transaction authorization and
data capture, and access to various reporting tools. Certain of these agreements require us to submit a minimum monthly number of transactions for processing. If we
submit a number of transactions that is lower than the minimum, we are required to pay to the processor the fees it would have received if we had submitted the required
minimum number of transactions. As of March 31, 2018, such minimum fee commitments were as follows:

<table>
<thead>
<tr>
<th>Years ending September 30:</th>

<tr>

</table>

The Company met all minimum fee commitments for the six months ended March 31, 2018 and 2017.

Litigation
With respect to all legal, regulatory and governmental proceedings, and in accordance with ASC 450-20, Contingencies—Loss Contingencies, the Company
considers the likelihood of a negative outcome. If the Company determines the likelihood of a negative outcome with respect to any such matter is probable and the
amount of the loss can be reasonably estimated, the Company records an accrual for the estimated amount of

F-18
loss for the expected outcome of the matter. If the likelihood of a negative outcome with respect to material matters is reasonably possible and the Company is able to
determine an estimate of the amount of possible loss or a range of loss, whether in excess of a related accrued liability or where there is no accrued liability, the Company
discloses the estimate of the amount of possible loss or range of loss. However, the Company in some instances may be unable to estimate an amount of possible loss
or range of loss based on the significant uncertainties involved in, or the preliminary nature of, the matter, and in these instances the Company will disclose the nature of
the contingency and describe why the Company is unable to determine an estimate of possible loss or range of loss.

In addition, the Company is involved in ordinary course legal proceedings, which include all claims, lawsuits, investigations and proceedings, including unasserted
claims, which are probable of being asserted, arising in the ordinary course of business and otherwise not described below. The Company has considered all such
ordinary course legal proceedings in formulating its disclosures and assessments.

In June 2016, Expert Auto Repair, Inc., for itself and on behalf of a class of additional plaintiffs, and Jeff Straight initiated a class action lawsuit against us, as
successor to Merchant Processing Solutions, LLC, seeking damages, restitution and declaratory and injunctive relief (the “Expert Auto Litigation”). The plaintiffs alleged
that our predecessor engaged in unfair business practices in the merchant services sector including unfairly inducing merchants to obtain credit and debit card
processing services and thereafter assessing them with improper fees. Subject to preliminary and final court approval, we have entered into a settlement agreement to
settle the plaintiffs’ claims for $995, pending court approval of the settlement. On April 10, 2018, the Court granted conditional class certification and preliminary approval
of the agreed settlement, and scheduled the final fairness hearing and final approval of the settlement for December 14, 2018. The reserved amount is reflected in
accrued expenses and other current liabilities as of March 31, 2018. The amount was included in general and administrative expenses in our consolidated statement of
operations for the year ended September 30, 2017.

In connection with the Expert Auto Litigation, in November 2016 our insurance carrier, Starr Indemnity and Liability Company, Inc. (“Starr”), filed a complaint against
us seeking a declaration that our insurance policies with Starr would not cover a settlement or award granted to the Expert Auto Litigation plaintiffs. The Company intends
to vigorously defend against Starr’s claims.

Other

Our subsidiary CP-PS, LLC has certain indemnification obligations in favor of FDS Holdings, Inc. related to the acquisition of certain assets of Merchant Processing
Solutions, LLC in February 2014. We have incurred expenses related to these indemnification obligations in prior periods and may have additional expenses in the
future. However, after taking into consideration the evaluation of such matters by the Company’s legal counsel, the Company’s management believes at this time that the
anticipated outcome of any existing or potential indemnification liabilities related to this matter will not have a material impact on the Company’s consolidated financial
position, results of operations or cash flows.

10. RELATED PARTY TRANSACTIONS

Related parties held $6,158 of our Company’s Junior Subordinated Notes as of March 31, 2018 and September 30, 2017. Interest expense to related parties for the
Company’s Junior Subordinated Notes amounted to $311 and $302 during the six months ended March 31, 2018 and 2017, respectively.

All lenders party to the Company’s Mezzanine Notes are considered related parties, through their ownership interest in the Company and affiliated director
relationships. Outstanding Mezzanine Notes payable to related parties amounted to $10,500 as of March 31, 2018 and September 30, 2017. Interest expense to related
parties for the Company’s Mezzanine Notes amounted to $637 during the six months ended March 31, 2018 and 2017, respectively.
In April, 2016, we entered into a purchase agreement to purchase certain assets of Axia, LLC, pursuant to which we acquired certain legacy agreements with Merrick Bank Corporation. On April 29, 2016, the Company entered into a Processing Services Agreement (the "Axia Tech Agreement") with Axia Technologies, LLC ("Axia Tech"), an entity controlled by the previous owner of Axia, LLC. Under the Axia Tech Agreement, we agreed to provide processing services for certain merchants as designated by Axia Tech from time to time. In accordance with ASC 605-45, revenue is recognized net of interchange, residual expense and other fees. We earned net revenues of $24 and $8 related to the Axia Tech Agreement during the six months ended March 31, 2018 and 2017, respectively. i3 Verticals, LLC, our CEO and our CFO each own 3%, 11% and 1%, respectively, of the outstanding equity of Axia Tech.

11. SEGMENTS

The Company determines its operating segments based on how the chief operating decision making group monitors and manages the performance of the business. The Company’s operating segments are strategic business units that offer different products and services.

Our core business is delivering seamless integrated payment and software solutions to small- and medium-sized businesses (“SMBs”) and organizations in strategic vertical markets. This is primarily accomplished through Merchant Services, which constitutes an operating segment. We also provide integrated payment services with proprietary owned software. The proprietary owned software operating segments do not meet applicable materiality thresholds for separate segment disclosure or aggregation, but are included as the primary components of an “all other” category under GAAP as set forth below. The other category also includes corporate overhead expenses.

We primarily use processing margin to measure operating performance. The following is a summary of reportable segment operating performance for the six months ended March 31, 2018 and 2017.

### 12. SUBSEQUENT EVENTS

The Company has evaluated events through May 10, 2018, the date the interim condensed consolidated financial statements were available to be issued.
Board of Directors and Members
i3 Verticals, LLC
Nashville, Tennessee

We have audited the accompanying consolidated balance sheets of i3 Verticals, LLC and subsidiaries as of September 30, 2017 and 2016 and the related consolidated statements of operations, changes in members' equity (deficit), and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of i3 Verticals, LLC at September 30, 2017 and 2016, and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

As discussed in Notes 2 and 12 to the consolidated financial statements, the Company has changed its method of accounting for goodwill and has reclassified amounts related to its Class A units with certain redemption features in its consolidated balance sheets. As the Company meets the definition of a public business entity, the Company removed the effects of applying Accounting Standards Update No. 2014-02, Accounting for Goodwill, a consensus of the Private Company Council, and applied the provisions of Accounting Standards Codification (“ASC”) Topic 350 applicable to public business entities. Additionally, amounts related to the Class A units with redemption features that are outside of the control of the Company were reclassified to temporary equity in accordance with ASC Topic 480-10-S99-3A, Distinguishing Liabilities from Equity.

See Notes to the Consolidated Financial Statements
1. NATURE OF OPERATIONS

i3 Verticals, LLC, a Delaware limited liability company (collectively the “Company,” “we,” “us,” or “our”), was founded in 2012 and delivers seamless integrated payment and software solutions to small- and medium-sized businesses (“SMBs”) and organizations in strategic vertical markets.

The Company’s headquarters are in Nashville, Tennessee, with operations throughout the United States.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“GAAP”) and pursuant to the accounting and disclosure rules and regulations of the Securities and Exchange Commission (“SEC”).

All amounts are presented in thousands.

Principles of Consolidation

These consolidated financial statements include the accounts of the Company and its wholly-owned subsidiary companies. All significant intercompany accounts and transactions have been eliminated in consolidation.

Cash and Cash Equivalents

For purposes of reporting cash flows, the Company considers cash on hand, checking accounts, and savings accounts to be cash and cash equivalents. At times, the balance in these accounts may exceed federal insured limits. Cash equivalents are defined as financial instruments readily transferrable into cash with an original maturity less than 90 days.

Restricted Cash

Restricted cash represents funds held-on-deposit with processing banks pursuant to agreements to cover potential merchant losses. It is presented as long-term assets on the accompanying consolidated balance sheets since the related agreements extend beyond the next twelve months.

Accounts Receivable and Credit Policies

Accounts receivable consist primarily of uncollateralized credit card processing residual payments due from processing banks requiring payment within thirty days following the end of each month. Accounts receivable also include amounts due from the sales of the Company’s technology solutions to its customers. The carrying amount of accounts receivable is reduced by an allowance for doubtful accounts, if necessary, which reflects management’s best estimate of the amounts that will not be collected. The allowance is estimated based on management’s knowledge of its customers, historical loss experience and existing economic conditions. Accounts receivable and the allowance are written-off when, in management’s opinion, all collection efforts have been exhausted. The Company’s allowance for doubtful accounts was $461 and $244 as of September 30, 2017, and 2016, respectively, however, actual write-offs may exceed estimated amounts.

Settlement Assets and Obligations

Settlement assets and obligations result when funds are temporarily held or owed by the Company on behalf of merchants, consumers, schools, and other institutions. Timing differences, interchange expense, merchant reserves and exceptional items cause differences between the amount received from the card networks and the amount funded to counterparties. These balances arising in the settlement process are reflected as settlement assets and obligations on the accompanying consolidated balance sheets. With the exception of merchant reserves, settlement assets or settlement obligations are generally collected and paid within one to four days. As
Inventories consist of point-of-sale equipment to be sold to customers and are stated at the lower of cost, determined on a weighted average basis, or net realizable value. Inventories were $454 and $513 at September 30, 2017 and 2016, respectively, and are included within prepaid expenses and other current assets on the accompanying consolidated balance sheets.

Property and Equipment

Property and equipment are stated at cost or, if acquired through a business acquisition, fair value at the date of acquisition. Depreciation and amortization are provided over the assets’ estimated useful lives (or if obtained in connection with a business acquisition, over the estimated remaining useful lives) using the straight-line method, except for leasehold improvements, which are depreciated over the shorter of the estimated useful lives of the assets or the lease term.

Expenditures for maintenance and repairs are expensed when incurred. Expenditures for renewals or betterments are capitalized. Management reviews long-lived assets for impairment when events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. The Company recognizes impairment when the sum of undiscounted estimated future cash flows expected to result from the use of the asset is less than the carrying value of the asset. There were no impairment charges during the years ended September 30, 2017 and 2016.

Capitalized Software

Development costs for software to be sold or leased to customers are capitalized once technological feasibility of the software product has been established. Costs incurred prior to establishing technological feasibility are expensed as incurred. Technological feasibility is established when the Company has completed a detailed program design and has determined that a product can be produced to meet its design specifications, including functions, features and technical performance requirements. Capitalization of costs ceases when the product is generally available to clients. Software development costs are amortized using the greater of the straight-line method or the usage method over its estimated useful life, which is estimated to be three years.

Software development costs may become impaired in situations where development efforts are abandoned due to the viability of a planned project becoming doubtful or due to technological obsolescence of a planned software product. Management evaluates the remaining useful lives and carrying values of capitalized software at least annually or when events and circumstances warrant such a review, to determine whether significant events or changes in circumstances indicate that impairment in value may have occurred. To the extent the estimated net realizable values, which is estimated to equal future undiscounted cash flows, exceed the carrying value, no impairment is necessary. If the estimated net realizable values are less than the carrying value, an impairment charge is recorded. Impairment charges during the year ended September 30, 2017 were nominal and there were no impairment charges during the year ended September 30, 2016.

Identifiable software technology intangible assets resulting from acquisitions are amortized using the straight-line method over periods not exceeding their remaining estimated useful lives. GAAP requires that intangible assets with estimated useful lives be amortized over their respective estimated useful lives to their residual values, and reviewed for impairment. Acquisition technology intangibles' net book values are included in Capitalized software, net in the accompanying consolidated balance sheets.

Acquisitions

Business acquisitions have been recorded using the acquisition method of accounting in accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 805, *Business Combinations* ("ASC 805"), and, accordingly, the purchase price has been allocated to the assets acquired and
liabilities assumed based on their estimated fair value as of the date of acquisition. Where relevant, the fair value of contingent consideration included in an acquisition is calculated using a Monte Carlo simulation. For a discussion of the estimate methodology and the significance of various inputs, please see the subheading below titled “Use of Estimates.” The fair value of merchant relationships and non-compete assets acquired is identified using the Income Approach. The fair value of trade names acquired is identified using the Relief from Royalty Method. After the purchase price has been allocated, goodwill is recorded to the extent the total consideration paid for the acquisition, including the acquisition date fair value of contingent consideration, if any, exceeds the sum of the fair values of the separately identifiable acquired assets and assumed liabilities. Acquisition costs for business combinations are expensed when incurred and recorded in selling general and administrative expenses in the accompanying consolidated statements of operations.

Acquisitions not meeting the accounting criteria to be accounted for as a business combination are accounted for as an asset acquisition. An asset acquisition is recorded at its purchase price, inclusive of acquisition costs, which are allocated among the acquired assets and assumed liabilities based upon their relative fair values at the date of acquisition.

The operating results of an acquisition are included in the Company’s consolidated statements of operations from the date of such acquisition. Acquisitions completed during the year ended September 30, 2017 contributed $14,758 and $2,182 of revenue and net income, respectively, to the results in our consolidated statements of operations for the year then ended. Acquisitions completed during the year ended September 30, 2016 contributed $38,028 and $2,599 of revenue and net income, respectively, to the results in the Company’s consolidated statements of operations for the year then ended.

Goodwill

In January 2014, the FASB issued Accounting Standards Update (“ASU”) 2014-02 related to the accounting for goodwill by private companies. Under this guidance, private companies may elect to amortize goodwill over 10 years, or less than 10 years if the entity can demonstrate that another useful life is more appropriate, and to test goodwill for impairment only upon occurrence of a triggering event that indicates that the book value of the entity may exceed the fair value of the entity, as opposed to testing goodwill for impairment at least annually under prior accounting guidance. The accounting guidance is effective for fiscal years beginning after December 15, 2014 and early adoption is permitted.

On January 1, 2013, the Company adopted ASU 2014-02 related to the accounting for goodwill by private companies. However, as the Company now meets the definition of a public business entity and is precluded from accounting for its goodwill under ASU 2014-02, the Company has revised its consolidated financial statements and now applies the provisions of ASC 350, Intangibles—Goodwill and Other in accounting for goodwill.

The Company’s goodwill represents the excess of the purchase price over the fair value of the net identifiable assets acquired in business combinations. The goodwill generated from the business combinations is primarily related to the value placed on the employee workforce and expected synergies. Goodwill is tested for impairment at least annually in the fourth quarter and between annual tests if there are indicators of impairment that suggest a decline in the fair value of a reporting unit. Judgment is involved in determining if an indicator or change in circumstances relating to impairment has occurred. Such changes may include, among others, a significant decline in expected future cash flows, a significant adverse change in the business climate, and unforeseen competition. No goodwill impairment charges were recognized during the years ended September 30, 2017 and 2016.

The Company has the option of performing a qualitative assessment of impairment to determine whether any further quantitative testing for impairment is necessary. The option of whether or not to perform a qualitative assessment is made annually and may vary by reporting unit. Factors the Company considers in the qualitative assessment include general macroeconomic conditions, industry and market conditions, cost factors, overall financial performance of the Company’s reporting units, events or changes affecting the composition or carrying amount of the net assets of its reporting units, sustained decrease in its share price, and other relevant entity
specific events. If the Company determines not to perform the qualitative assessment or if it determines, on the basis of qualitative factors, that the fair value of the reporting unit is more likely than not less than the carrying value, then the Company performs a quantitative test for that reporting unit. The fair value of each reporting unit is compared to the reporting unit’s carrying value, including goodwill. Subsequent to the adoption on January 1, 2017 of ASU No. 2017-04, Intangibles—Goodwill and Other: Simplifying the Test for Goodwill Impairment, if the fair value of a reporting unit is less than its carrying value, the Company recognizes an impairment equal to the excess carrying value, not to exceed the total amount of goodwill allocated to that reporting unit.

For a discussion of the estimate methodology and the significance of various inputs, please see the subheading below titled “Use of Estimates.”

The Company has determined that it has eight reporting units. For the years ended September 30, 2017 and 2016, the Company performed a quantitative assessment for each of its reporting units. The Company determined that none of the reporting units were impaired.

Intangible Assets
Intangible assets include acquired merchant relationships, residual buyouts, trademarks, tradenames, website development costs and non-compete agreements. Merchant relationships represent the fair value of customer relationships purchased by the Company. Residual buyouts represent the right to not have to pay a residual to an independent sales agent related to certain future transactions of the agent’s referred merchants.

The Company amortizes definite lived identifiable intangible assets using a method that reflects the pattern in which the economic benefits of the intangible asset are expected to be consumed or otherwise utilized. The estimated useful lives of the Company’s customer-related intangible assets approximate the expected distribution of cash flows, whether straight-line or accelerated, generated from each asset. The useful lives of contract-based intangible assets are equal to the terms of the agreement.

Management evaluates the remaining useful lives and carrying values of long lived assets, including definite lived intangible assets, at least annually or when events and circumstances warrant such a review, to determine whether significant events or changes in circumstances indicate that a change in the useful life or impairment in value may have occurred. There were no impairment charges during the years ended September 30, 2017 and 2016.

Income Taxes
i3 Verticals, LLC and its subsidiaries are limited liability companies and have elected to be taxed as a partnership for income tax purposes. As such, any income (losses) flow through to the individual members of the Company and they are taxed accordingly. Some states have enacted statutes that treat partnerships as taxable entities for state income tax purposes. Thus, partnerships formed in these states or operating in these states may be subject to taxation on income generated within the states’ boundaries.

The amount provided for state income taxes is based upon the amounts of current and deferred taxes payable or refundable at the date of the consolidated financial statements as a result of all events recognized in the financial statements as measured by the provisions of enacted tax laws.

Under GAAP, a tax position is recognized as a benefit only if it is “more likely than not” that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the “more likely than not” test, no tax benefit is recorded. The Company has no uncertain tax positions that qualify for either recognition or disclosure in the consolidated financial statements.
Valuation of Contingent Consideration

On occasion, the Company may have acquisitions which include contingent consideration. Accounting for business combinations requires the Company to estimate the fair value of any contingent purchase consideration at the acquisition date. For a discussion of the estimate methodology and the significance of various inputs, please see the subheading below titled “Use of Estimates.” Changes in estimates regarding the fair value contingent purchase consideration are reflected as adjustments to the related liability and recognized within operating expenses in the consolidated statements of operations. Short and long-term contingent liabilities are presented within accrued expenses and other current liabilities and other long-term liabilities on our consolidated balance sheets, respectively.

Classification of Financial Instruments

The Company classifies certain financial instruments issued as either equity or as liabilities. Determination of classification is based upon the underlying properties of the instrument. See specific discussion regarding the nature of instruments issued, the presentation on the consolidated financial statements and the related valuation method applied in Notes 9, 11, 12 and 13.

Revenue Recognition and Deferred Revenue

Revenue is recognized when it is realized or realizable and earned, in accordance with ASC 605, Revenue Recognition (“ASC 605”). Recognition occurs when all of the following criteria are met: (1) persuasive evidence of an arrangement exists; (2) delivery has occurred or services have been performed; (3) the seller’s price to the buyer is fixed or determinable; and (4) collectability is reasonably assured. The Company accrues for rights of refund, processing errors or penalties, or other related allowances based on historical experience.

More than 85% of our gross revenue for the years ended September 30, 2017 and 2016 is derived from volume-based payment processing fees ("discount fees") and other related fixed transaction or service fees. The remainder is comprised of sales of software licensing subscriptions, ongoing support, and other POS-related solutions the Company provides to its clients directly and through its processing bank relationships.

Discount fees represent a percentage of the dollar amount of each credit or debit transaction processed. Discount fees are recognized at the time the merchants' transactions are processed. The Company follows the requirements of ASC 605-45 Revenue Recognition—Principal Agent Considerations (“ASC 605-45”), in determining its merchant processing services revenue reporting. Generally, where the Company has control over merchant pricing, merchant portability, credit risk and ultimate responsibility for the merchant relationship, revenues are reported at the time of sale on a gross basis equal to the full amount of the discount charged to the merchant. This amount includes interchange fees paid to card issuing banks and assessments paid to payment card networks pursuant to which such parties receive payments based primarily on processing volume for particular groups of merchants. Revenues generated from merchant portfolios where the Company does not have control over merchant pricing, liability for merchant losses or credit risk or rights of portability are reported net of interchange and other fees.

Revenues are also derived from a variety of fixed transaction or service fees, including authorization fees, convenience fees, statement fees, annual fees, and fees for other miscellaneous services, such as handling chargebacks. Revenues derived from service fees are recognized at the time the services are performed and there are no further performance obligations. Revenue from the sale of equipment is recognized upon transfer of ownership and delivery to the customer, after which there are no further performance obligations.

Revenues from sales of the Company’s software licensing subscriptions are recognized when they are realized or realizable and earned. Revenue is considered realized and earned when persuasive evidence of an arrangement exists, delivery has occurred or services have been rendered, the price to the buyer is fixed or determinable and collection of the resulting receivable is reasonably assured. Contractual arrangements are evaluated for indications that multiple element arrangements may exist including instances where more-than-incidental software deliverables are included. Arrangements may contain multiple elements, such as hardware,
software products, maintenance, and professional installation and training services. Revenues are allocated to each element based on the selling price hierarchy. The selling price for a deliverable is based on vendor specific objective evidence of selling price, if available, third party evidence, or estimated selling price. The Company establishes estimated selling price, based on the judgment of the Company's management, considering internal factors such as margin objectives, pricing practices and controls, customer segment pricing strategies and the product life cycle. In arrangements with multiple elements, the Company determines allocation of the transaction price at inception of the arrangement based on the relative selling price of each unit of accounting.

In multiple element arrangements where more-than-incidental software deliverables are included, the Company applied the residual method to determine the amount of software license revenues to be recognized. Under the residual method, if fair value exists for undelivered elements in a multiple-element arrangement, such fair value of the undelivered elements is deferred with the remaining portion of the arrangement consideration recognized upon delivery of the software license or services arrangement. The Company allocates the fair value of each element of a software related multiple-element arrangement based upon its fair value as determined by vendor specific objective evidence of selling price, with any remaining amount allocated to the software license. If evidence of the fair value cannot be established for the undelivered elements of a software arrangement, then the entire amount of revenue under the arrangement is deferred until these elements have been delivered or objective evidence can be established. These amounts, if any, are included in deferred revenue in the consolidated balance sheets. Revenues related to software licensing subscriptions, maintenance or other support services with terms greater than one month are recognized ratably over the term of the agreement.

Interchange and Network Fees and Other Cost of Services
Interchange and network fees consist primarily of fees that are directly related to discount fee revenue. These include interchange fees paid to issuers and assessment fees payable to card associations, which are a percentage of the processing volume we generate from Visa and Mastercard, as well as fees charged by card-issuing banks. Other costs of services include costs directly attributable to processing and bank sponsorship costs, which may not be based on a percentage of volume. These costs also include related costs such as residual payments to sales groups, which are based on a percentage of the net revenues generated from merchant referrals. In certain merchant processing bank relationships the Company is liable for chargebacks against a merchant equal to the volume of the transaction. Losses resulting from chargebacks against a merchant are included in other cost of services on the accompanying consolidated statement of operations. The reserve for merchant losses is included within accrued expenses and other current liabilities on the accompanying consolidated balance sheets. The cost of equipment sold is also included in other cost of services. Interchange and other costs of services are recognized at the time the merchant's transactions are processed.

Advertising and Promotion Costs
Advertising and promotion costs are expensed as incurred. Advertising expense was $920 and $558 for the years ended September 30, 2017 and 2016, respectively, and is included in selling, general and administrative expenses in the Consolidated Statements of Operations.

Equity-based Compensation
The Company accounts for grants of equity awards to employees in accordance with ASC 718, Compensation—Stock Compensation. This standard requires compensation expense to be measured based on the estimated fair value of the share-based awards on the date of grant and recognized as expense on a straight-line basis over the requisite service period, which is generally the vesting period.

For the years ended September 30, 2017 and 2016, the Company recognized no equity-based compensation.
Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Such estimates include, but are not limited to, the value of purchase consideration paid and identifiable assets acquired and assumed in acquisitions, goodwill and intangible asset impairment review, warrant valuation, revenue recognition for multiple element arrangements, loss reserves, assumptions used in the calculation of equity-based compensation and in the calculation of income taxes, and certain tax assets and liabilities as well as the related valuation allowances. Actual results could differ from those estimates.

Below is a summary of the Company’s critical accounting estimates for which the nature of management’s assumptions are material due to the levels of subjectivity and judgment necessary to account for highly uncertain matters or the susceptibility of such matters to change, and for which the impact of the estimates and assumptions on financial condition or operating performance is material.

Contingent Consideration in Acquisitions

On occasion, the Company may have acquisitions that include contingent consideration. Accounting for business combinations requires us to estimate the fair value of any contingent purchase consideration at the acquisition date. Where relevant, the fair value of contingent consideration included in an acquisition is calculated using a Monte Carlo simulation.

The contingent consideration is revalued each period until it is settled. Management reviews the historical and projected performance of each acquisition with contingent consideration and uses an income probability method to revalue the contingent consideration. The revaluation requires management to make certain assumptions and represent management’s best estimate at the valuation date. The probabilities are determined based on a management review of the expected likelihood of triggering events that would cause a change in the contingent consideration paid.

Goodwill

The Company tests goodwill for impairment using a fair value approach at least annually, absent some triggering event that would require an interim impairment assessment. Absent any impairment indicators, the Company performs its goodwill impairment testing as of July 1 each year.

Significant estimates and assumptions are used in the Company’s goodwill impairment review and include the identification of reporting units, assigning assets and liabilities to reporting units, assigning goodwill to reporting units and determining the fair value of each reporting unit. The Company’s assessment of qualitative factors involves significant judgments about expected future business performance and general market conditions. In a quantitative assessment, the fair value of each reporting unit is determined based on a combination of techniques, including the present value of future cash flows, applicable multiples of competitors and multiples from sales of like businesses, and requires us to make estimates and assumptions regarding discount rates, growth rates and the Company’s future long-term business plans. Changes in any of these estimates or assumptions could materially affect the determination of fair value and the associated goodwill impairment charge for each reporting unit.

Warrant Valuation

As of September 30, 2017 and 2016, there were in the aggregate 1,424 warrants outstanding and exercisable to purchase Common Units related to the issuance of the Mezzanine Notes. The Mezzanine Warrants are mandatorily redeemable and embody a conditional obligation to redeem the instrument by a transfer of assets.
The Mezzanine Warrants are remeasured at each reporting date through the settlement of the instrument and changes in value are reflected in earnings.

The Company uses the Black-Scholes option pricing model to determine the fair market value of the Mezzanine Warrants at each reporting period. The option pricing model requires the input of highly subjective assumptions, including the estimated enterprise value of the Company, expected term of the warrants, expected volatility, risk-free interest rates and discount for lack of marketability. To determine the fair value of the Mezzanine Warrants, the Company engages an outside consultant to prepare a valuation of the unit price at each reporting date, using information provided by management and information obtained from private and public sources. The fair market value of the warrants was $767 and $1,182 as of September 30, 2017 and 2016, respectively.

The Company uses an expected volatility based on the historical volatilities of a group of guideline companies and estimated a liquidity event in June 2018 to determine the term of the warrants. The risk-free interest rates are obtained from publicly available U.S. Treasury yield curve rates. The discount for lack of marketability was determined using the Finnerty Model.

Based on the Company's analysis, the most highly sensitive input in our option pricing model relates to management's forecasted earnings. For example, if management's forecasted earnings increases, the Company would record additional losses from the change in fair value of warrant liability. Conversely, if management's forecasted earnings decreases, the Company would record a gain from change in fair value of warrant liability. Other inputs such as expected volatility and the risk free interest rate will have a less material impact of the valuation of the warrant liability.

Subsequent Events

The Company has evaluated events through February 6, 2018, the date the consolidated financial statements were available to be issued. The Company concluded that other than as disclosed in Note 17, there were no material subsequent events to disclose.

Recently Issued Accounting Pronouncements

In January 2017, the FASB issued ASU No. 2017-04, Intangibles—Goodwill and Other: Simplifying the Test for Goodwill Impairment (Topic 350), which removes step two of the goodwill impairment test. A goodwill impairment will now be the amount by which a reporting unit's carrying value exceeds its fair value, not to exceed the carrying amount of goodwill. For public companies, this ASU is effective for annual or any interim goodwill impairment tests in fiscal years beginning after December 15, 2019, but early adoption is permitted for impairment tests after January 1, 2017. The Company has adopted this standard as of January 1, 2017. There was no impact on the Company's 2017 consolidated financial statements.

In January 2017, the FASB issued ASU No. 2017-01, Business Combinations: Clarifying the Definition of a Business (Topic 805). This ASU clarifies the definition of a business when evaluating whether transactions should be accounted for as acquisitions (or disposals) of assets or businesses. For public companies, this ASU is effective for annual periods beginning after December 15, 2017, including interim periods within those periods. Early adoption is permitted. The Company has adopted this standard for the year ended September 30, 2017. There was no impact on its 2017 consolidated financial statements.

In August 2016, the FASB issued ASU No. 2016-18, Statement of Cash Flows: Restricted Cash (Topic 230). The amendments in ASU 2016-18 require that a statement of cash flows explain the change during the period in the total of cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents. Therefore, amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the statement of cash flows. The amendments in this ASU are effective for public business entities for fiscal years beginning after December 15, 2017, and interim periods within those fiscal years. Early adoption is permitted, including adoption in an interim period. As an emerging growth company, the Company will...
not be required to adopt this ASU until October 1, 2019. If an entity early adopts the amendments in an interim period, any adjustments should be reflected as of the beginning of the fiscal year that includes that interim period. The amendments in this ASU should be applied using a retrospective transition method to each period presented. The Company is currently evaluating the impact of the adoption of this principle on the Company’s consolidated financial statements.

In August 2016, the FASB issued ASU No. 2016-15, Statement of Cash Flows: Classification of Certain Cash Receipts and Cash Payments (Topic 230). The update clarifies how cash receipts and cash payments in certain transactions are presented and classified in the statement of cash flows. The effective date of this update is for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2017, with early adoption permitted. As an emerging growth company, the Company will not be required to adopt this ASU until October 1, 2019. The update requires retrospective application to all periods presented but may be applied prospectively if retrospective application is impracticable. The Company is currently evaluating the impact of the adoption of this principle on the Company’s consolidated financial statements.

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842). This ASU amends the existing guidance by recognizing all leases, including operating leases, with a term longer than twelve months on the balance sheet and disclosing key information about the lease arrangements. The effective date of this update is for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2018, with early adoption permitted. As a public business entity, the Company is an emerging growth company and has elected to use the extended transition period provided for such companies. As a result, the Company will not be required to adopt this ASU until October 1, 2020. The update requires modified retrospective transition, which requires application of the ASU at the beginning of the earliest comparative period presented in the year of adoption. The Company is currently evaluating the impact of the adoption of this principle on the Company’s consolidated financial statements.

In September 2015, the FASB issued ASU No. 2015-16, Simplifying the Accounting for Measurement—Period Adjustments (Topic 805), which eliminates the requirement for an acquirer to retrospectively adjust the financial statements for measurement-period adjustments that occur in periods after the business combination is consummated. The Company has adopted this standard for the year ended September 30, 2016. There was no impact on its 2016 or 2017 consolidated financial statements.

In May 2014, the FASB issued ASU No. 2014-09, Revenue From Contracts With Customers (Topic 606). The ASU supersedes the revenue recognition requirements in ASC 605. The new standard provides a five-step analysis of transactions to determine when and how revenue is recognized, based upon the core principle that revenue is recognized to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The new standard also requires additional disclosures regarding the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. The new standard, as amended, is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2017, with early adoption permitted. As an emerging growth company, the Company will not be required to adopt this ASU until October 1, 2019. The amendment allows companies to use either a full retrospective or a modified retrospective approach to adopt this ASU. The Company has formed a project team and is currently assessing the impact of the adoption of this principle on the Company’s consolidated financial statements.

3. CREDIT RISK AND OTHER CONCENTRATIONS

The Company places its cash with high credit quality financial institutions which provide FDIC insurance. The Company performs periodic evaluations of the relative credit standing of these institutions and does not expect any losses related to such concentrations.

The Company’s revenues are earned by processing transactions for merchant businesses and other institutions under contract with the Company. The Company utilizes the funds settlement services of primarily six processing banks, from which most accounts receivable are remitted monthly.
No single merchant accounted for more than 1.0% of our revenue during the years ended 2017 and 2016. The Company believes that the loss of any single merchant would not have a material adverse effect on our financial condition or results of operations.

4. ACQUISITIONS

During the years ended September 2017 and 2016, the Company acquired the following intangible assets and businesses:

**Asset Acquisitions**

**Residual Buyouts**
From time to time, the Company acquires future commission streams from sales agents in exchange for an upfront cash payment. This results in an increase in overall gross volume to the Company. The residual buyouts are treated as asset acquisitions, resulting in recording a residual buyout intangible asset at cost on the date of acquisition. These assets are amortized using a method of amortization that reflects the pattern in which the economic benefits of the intangible asset are expected to be utilized over their estimated useful lives.

During the year ended September 30, 2017, the Company purchased $476 in residual buyouts using a mixture of cash on hand and borrowings on our revolving line of credit. The acquired residual buyout intangible assets have an estimated amortization period of two years.

Notes payable to Mezzanine Lenders

During 2013, the Company issued notes payable in the aggregate principal amount of $10,500 (the “Mezzanine Notes”) to three creditors (“Mezzanine Lenders”). The Mezzanine Notes accrue interest at a fixed rate of 12.0%, payable monthly, and initially were due to mature in February 2018. In April 2016, the Mezzanine Notes were amended and restated and the maturity dates were extended to November 29, 2020, when all outstanding principal and accrued and unpaid interest is due. The amendment was accounted for as a modification under the guidance at ASC 470-50, Debt — Modifications and Extinguishments (“ASC 470-50”). The Mezzanine Notes are secured by substantially all assets of the Company in accordance with the terms of the security agreement and are subordinate to the term loans to banks and revolving lines of credit to banks.

In connection with the issuance of the Mezzanine Notes, the Company granted detachable warrants (“Mezzanine Warrants”) to purchase 1,424 Common Units. The warrants were determined to have no material value as of the grant date, and are further described below.

The provisions of the Mezzanine Notes place certain restrictions and limitations upon the Company. These include restrictions on additional borrowings, capital expenditures, maintenance of certain financial ratios, and certain non-financial covenants pertaining to the activities of the Company during the period covered. The Company was in compliance with such covenants as of September 30, 2017 and 2016. The Mezzanine Lenders participated in the June 2016 and July 2017 Class A Unit offerings (see Note 13).

Unsecured convertible notes payable to related party

During 2013, the Company obtained proceeds of $1,000 from the issuance of an unsecured convertible note payable to a related party. The note accrued interest at a fixed rate of 10.0%, payable monthly, and was set to mature on February 14, 2019, when all outstanding principal and accrued and unpaid interest was due. The note contained a conversion option into the Company’s Class A Units until the maturity date. In March 2016 the note was converted into 1,000 Class A units in the Company pursuant to the provisions of the note. See additional disclosures in Note 13 and Note 15.

Term loans payable to banks and revolving lines of credit payable to banks

In April and July 2016, the Company amended its existing syndicated credit facility (the “2016 Senior Secured Credit Facility”) with certain banks. The 2016 Senior Secured Credit Facility consists of term loans in the principal amount of $19,000 and an $80,000 revolving line of credit. The 2016 Senior Secured Credit Facility accrues interest, payable monthly, at prime plus a margin of 0.50% to 2.00% (1.50% as of September 30, 2017) or at the 30-day LIBOR rate plus a margin of 3.50% to 5.00% (4.50% as of September 30, 2017), in each case depending on our ratio of consolidated debt to EBITDA, as defined in the agreement. Additionally, the 2016 Senior Secured Credit Facility requires the Company to pay unused commitment fees of up to 0.30% (0.30% as of September 30, 2017) on any undrawn amounts under the revolving line of credit. Through the April and July 2016 amendments, the maturity date of the 2016 Senior Secured Credit Facility was extended to April 29, 2020. The amendments were accounted for as a modification under the guidance at ASC 470-50. Principal payments of $1,000 are due on the last day of each calendar quarter until the maturity date, when all outstanding principal and accrued and unpaid interest are due. At September 30, 2017 and 2016, respectively, there was $8,400 and $41,000 available for borrowing under the revolving line of credit.

The 2016 Senior Secured Credit Facility was amended in July 2017 to enable the purchase of Fairway, LLC and to amend certain covenant requirements.

The 2016 Senior Secured Credit Facility is secured by substantially all assets of the Company. The banks hold senior rights to collateral and principal repayment over all other creditors.

The provisions of the 2016 Senior Secured Credit Facility place certain restrictions and limitations upon the Company. These include, among others, restrictions on liens, investments, indebtedness, fundamental changes and dispositions; maintenance of certain financial ratios; and certain non-financial covenants pertaining to the
activities of the Company during the period covered. The Company was in compliance with such covenants as of September 30, 2017 and 2016. In addition, the 2016 Senior Secured Credit Facility restricts our ability to make dividends or other distributions to the holders of our equity. We are permitted to (i) make distributions to the holders of our equity in order to pay taxes incurred by owners of equity in i3 Verticals, LLC by reason of such ownership, (ii) move intercompany cash between subsidiaries that are joined to the 2016 Senior Secured Credit Facility, (iii) repurchase equity from employees, directors, officers or consultants after an initial public offering of our equity in an aggregate total not to exceed $1.5 million per year, and (iv) make other dividends or distributions in an aggregate amount not to exceed 5% of the net cash proceeds received from any additional common equity issuance after an initial public offering. We are also permitted to make noncash dividends in the form of additional equity issuances. All other forms of dividends or distributions are prohibited under the 2016 Senior Secured Credit Facility.

The 2016 Senior Secured Credit Facility was modified on October 30, 2017 and replaced by a new credit agreement. See additional disclosures in Note 17.

Unsecured notes payable to related and unrelated creditors
During 2014, the Company issued notes payable ("Junior Subordinated Notes") in the aggregate principal of $17,608 to unrelated and related creditors. The notes accrue interest, payable monthly, at a fixed rate of 10.0% and mature on February 14, 2019, when all outstanding principal and accrued and unpaid interest are due. However, the unsecured notes are subordinated to the Mezzanine Notes and the Senior Secured Credit Facility, which both have maturities beyond the Junior Subordinated Notes, and the provisions of the Mezzanine Notes and Senior Secured Credit Facility do not permit the payment of any subordinated debt prior to its maturity. Should the Junior Subordinated Notes reach maturity and the current terms of the Mezzanine Notes and Senior Secured Credit Facility remain in place, the term of the Junior Subordinated Notes would be extended until after the maturity of the Mezzanine Notes and Senior Secured Credit Facility, in accordance with the terms of the Junior Subordinated Notes.

In connection with the issuance of the Junior Subordinated Notes, the Company granted detachable warrants ("Junior Subordinated Notes Warrants") to purchase 1,434 Common Units. Management determined that the warrants had no material stand-alone fair value, and none of the proceeds from the notes was attributed to the warrants. The warrants are accounted for as equity. See additional disclosures in Note 13.

In June 2016, $1,000 of the Junior Subordinated Notes were retired and exchanged for 310 Class A Units of the Company. The fair value of the Class A Units issued approximated the carrying amount of the Junior Subordinated Notes, so no extinguishment gain or loss was recognized. See additional disclosures in Note 13 and Note 15.

In July 2017, $500 of the Junior Subordinated Notes were retired and exchanged for 148 Class A Units of the Company. The fair value of the Class A Units issued approximated the carrying amount of the Junior Subordinated Notes, so no extinguishment gain or loss was recognized. See additional disclosures in Note 13 and Note 15.

At September 30, 2017, $16,108 of the Junior Subordinated Notes remain outstanding.

Debt issuance costs
During the year ended September 30, 2017 and 2016, the Company incurred debt issuance costs totaling $254 and $876, respectively, in connection with the issuance of long-term debt. The debt issuance costs are being amortized over the related term of the debt using the straight-line method and are presented net against long-term debt in the consolidated balance sheets. As part of the April 2016 amendment to the 2016 Senior Secured Credit Facility, the Company expensed a nominal amount of unamortized debt issuance costs related to the exit of a participating bank from the 2016 Senior Secured Credit Facility. The amortization of deferred debt issuance costs is included in interest expense and amounted to approximately $453 and $443 during the years ended September 30, 2017 and 2016, respectively.

F-48
Mezzanine Warrants

As of September 30, 2017 and 2016, there were in the aggregate 1,424 warrants outstanding and exercisable to purchase Common Units related to the issuance of the Mezzanine Notes. The intrinsic value of the Mezzanine warrants was $767 and $1,182 as of September 30, 2017 and 2016, respectively.

The Mezzanine Warrants are mandatorily redeemable and embody a conditional obligation to redeem the instrument by a transfer of assets. The Company uses the Black-Scholes option pricing model to determine the fair market value of the Mezzanine Warrants at each reporting date. The option pricing model requires the input of highly subjective assumptions, including the estimated enterprise value of the Company, expected term of the warrants, expected volatility, risk-free interest rates and discount for lack of marketability. See additional disclosures in Note 11. To determine the fair value of the Mezzanine Warrants, the Company engages an outside consultant to prepare a valuation of the unit price for each reporting period, using information provided by management and information obtained from private and public sources. We use an expected volatility based on the historical volatilities of a group of guideline companies and estimated a liquidity event in June 2018 to determine the term of the warrants. The risk-free interest rates are obtained from publicly available U.S. Treasury yield curve rates. The discount for lack of marketability was determined using the Finnerty Model. The Mezzanine Warrants are remeasured at each reporting date through the settlement of the instrument and changes in value are reflected in earnings. The fair market value of the warrants was $767 and $1,182 at September 30, 2017 and 2016, respectively, and is reflected within other long-term liabilities within the accompanying consolidated balance sheets.

10. INCOME TAXES

The Company files U.S. Federal and various state income tax returns. The returns are generally open to audit under the statutes of limitations for three years following the later of the initial due date of the return or the date filed. The Company's tax years 2014-2017 remain subject to examination. The Company is not a taxable entity for federal income tax purposes. The Company's aggregate tax basis in its net assets exceeds its aggregate book basis in its net assets by approximately $26,209 at September 30, 2017. While most states do not impose an entity level tax on partnership income, the Partnership is subject to entity level tax in both Tennessee and Texas.

As of September 30, 2017 and 2016, the Company has accrued no interest and no penalties related to uncertain tax positions. It is the Company's policy to recognize interest and/or penalties related to income tax matters in income tax expense.

11. FAIR VALUE MEASUREMENTS

The Company applies the provisions of ASC 820, Fair Value Measurement, which defines fair value, establishes a framework for its measurement and expands disclosures about fair value measurements. Fair value is the price that would be received to sell an asset or the price paid to transfer a liability as of the measurement date. A three-tier, fair-value reporting hierarchy exists for disclosure of fair value measurements based on the observability of the inputs to the valuation of financial assets and liabilities. The three levels are:

Level 1 — Quoted prices for identical instruments in active markets.

Level 2 — Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations in which all significant inputs and significant value drivers are observable in active markets.

Level 3 — Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable in active exchange markets.

The carrying value of the Company's financial instruments, including cash and cash equivalents, restricted cash, settlement assets and obligations, accounts receivable, other assets, accounts payable, and accrued expenses approximated their fair values as of September 30, 2017 and 2016, because of the relatively short maturity dates on these instruments. The carrying amount of debt approximates fair value as of September 30, 2017 and 2016, because interest rates on these instruments approximate market interest rates.
The Company has no Level 1 or Level 2 financial instruments. The following tables present the changes in our Level 3 financial instruments that are measured at fair value on a recurring basis.

12. REDEEMABLE CLASS A UNITS

In December of 2012 the Company issued 4,900 Redeemable Class A Units. Upon receipt of a redemption request following the termination of employment of the current Chief Executive Officer of the Company (the redemption event), the Company is required to redeem all of the outstanding Redeemable Class A Units held by certain members. The redemption price of the Redeemable Class A Units is equal to the greater of (i) the fair value of the Redeemable Class A Unit or (ii) original issue price per Redeemable Class A Unit plus any preferred returns through the date of the redemption request. The redemption event was not probable as of September 30, 2017 and 2016.

The Company previously classified the Redeemable Class A Units containing the redemption features described above as permanent equity, as permitted by the accounting standards applicable to companies that do not file financial statements with the SEC. As required by the SEC’s rules, amounts related to these instruments have been classified as temporary equity in the accompanying consolidated balance sheets.

As of September 30, 2017 and 2016, there were 4,900 Redeemable Class A Units issued and outstanding.

Preferred Returns

Holders of Redeemable Class A Units have preferred return rights in preference to any declaration or distribution to holders of Class P Units or Common Units, and equal to other Class A Units. Preferred returns on the Redeemable Class A Units accrue at an amount equal to 10.0% per unit per annum of the original issue price, compounded annually, whether or not declared by the board of directors, and are cumulative. After preferential payment to the holder of Redeemable Class A Units and other Class A Units, any additional distributions declared will be distributed pro-rata to the holders of Class A Units, Common Units and Class P Units, in proportion to their respective units. Total cumulative preferred returns included within the carrying amount of the Redeemable Class A Units amounted to $2,823 and $2,122 as of September 30, 2017 and 2016, respectively.
Liquidation

In the event of a deemed liquidation, the holders of Redeemable Class A Units and other Class A Units will be entitled to receive a liquidation amount prior to and in preference to any distribution of any of the assets of the Company to all other holders of the Company’s securities. The Redeemable Class A Unit liquidation preference is equal to original issue price per Redeemable Class A Unit plus any accrued but unpaid returns thereon. After preferential payment to the holders of Class A Units and Redeemable Class A Units, the remaining assets of the Company will be distributed pro-rata to the holders of Class A Units, Redeemable Class A Units, Class P Units, and Common Units, in proportion to their respective units. As of September 30, 2017 and 2016, the aggregate liquidation preference of Redeemable Class A Units totaled $7,723 and $7,022, respectively.

During 2017 and 2016 as obligated under the provisions of its member agreements, the Company declared distributions of approximately $131 and $354, respectively, to its Redeemable Class A Unit holders in connection with the members’ estimated tax liabilities.

13. MEMBER’S EQUITY (DEFICIT)

As of September 30, 2017, the Company has authorized the issuance of Class A Units, Class P Units and Common Units. Any offering costs associated with the issuance of units are presented net within equity.

Valuation

As necessary, when the Company issues Class A Units, Common Units or Class P Units it obtains a valuation based on the Option Pricing Method, using an EBITDA multiple. The Company considers liquidation preferences and marketability in its valuation of the respective Unit classes.

Voting

The holders of Class A Units, voting together as a single class, are entitled to cast the number of votes equal to the number of Class A Units held by such holder. Class P Units and Common Units are non-voting.

The Class P Units are subject to restrictions which establish forfeiture provisions, limit the transferability, encumbrance and disposition of units, and establish vesting provisions.

All Class P Units are issued at a participation threshold above the valuation of the Company at the grant date. As a result, they have a nominal value, individually and in the aggregate, at the grant date. Using an option-pricing model and considering liquidation preferences of the Class P Units, as well as the lack of marketability, management has determined that any compensation expense related to the restricted units is immaterial to the consolidated financial statements.

**Litigation**

With respect to all legal, regulatory and governmental proceedings, and in accordance with ASC 450-20, *Contingencies—Loss Contingencies*, the Company considers the likelihood of a negative outcome. If the Company determines the likelihood of a negative outcome with respect to any such matter is probable and the amount of the loss can be reasonably estimated, the Company records an accrual for the estimated amount of loss for the expected outcome of the matter. If the likelihood of a negative outcome with respect to material matters is reasonably possible and the Company has the ability to determine an estimate of the amount of possible loss or a range of loss, whether in excess of a related accrued liability or where there is no accrued liability, the Company discloses the estimate of the amount of possible loss or range of loss. However, in some instances the Company in ordinary course legal proceedings, which include all claims, lawsuits, investigations and proceedings, including unasserted claims, which are probable of being asserted, arising in the ordinary course of business and otherwise not described below. The Company has considered all such ordinary course legal proceedings in formulating its disclosures and assessments.

In June 2016, Expert Auto Repair, Inc., for itself and on behalf of a class of additional plaintiffs, and Jeff Straight initiated a class action lawsuit against us, as successor to Merchant Processing Solutions, LLC, seeking damages, restitution and declaratory and injunctive relief (the “Expert Auto Litigation”). The plaintiffs alleged that our predecessor engaged in unfair business practices in the merchant services sector including unfairly inducing merchants to obtain credit and debit card processing services and thereafter assessing them with improper fees. Subject to preliminary and final court approval, we have entered into a settlement agreement to settle the plaintiffs’ claims for $995, pending court approval of the settlement, which is reflected in general and administrative expenses and accrued expenses and other current liabilities as of and for the year ended September 30, 2017.

In connection with the Expert Auto Litigation, in November 2016 our insurance carrier, Starr Indemnity and Liability Company, Inc. ("Starr"), filed a complaint against us seeking a declaration that our insurance policies with Starr would not cover a settlement or award granted to the Expert Auto Litigation plaintiffs. The Company intends to vigorously defend against Starr’s claims.

**Other**

Our subsidiary CP-PS, LLC has certain indemnification obligations in favor of FDS Holdings, Inc. related to the acquisition of certain assets of Merchant Processing Solutions, LLC in February 2014. We have incurred
expenses related to these indemnification obligations in prior periods and may have additional expenses in the future. However, after taking into consideration the evaluation of such matters by the Company's legal counsel, the Company's management believes at this time that the anticipated outcome of any existing or potential indemnification liabilities related to this matter will not have a material impact on the Company's consolidated financial position, results of operations or cash flows.

15. RELATED PARTY TRANSACTIONS

On April 29, 2016, the Company entered into a Processing Services Agreement (the “Axia Tech Agreement”) with Axia Technologies, LLC (“Axia Tech”), an entity controlled by the previous owner of Axia, LLC. Under the Axia Tech Agreement, we agreed to provide processing services for certain merchants as designated by Axia Tech from time to time. In accordance with ASC 605-45, revenue is recognized net of interchange, residual expense and other fees. We earned net revenues of $27 and $5 related to the Axia Tech Agreement during the years ended September 30, 2017 and 2016, respectively. i3 Verticals, LLC, our CEO and our CFO each own 3%, 11% and 1%, respectively, of the outstanding equity of Axia Tech.

16. SEGMENTS

The Company determines its operating segments based on how the chief operating decision making group monitors and manages the performance of the business. The Company’s operating segments are strategic business units that offer different products and services.

Our core business is delivering seamless integrated payment and software solutions to small- and medium-sized businesses (“SMBs”) and organizations in strategic vertical markets. This is primarily accomplished through Merchant Services, which constitutes an operating segment. We also provide integrated payment services with proprietary owned software. The proprietary owned software operating segments do not meet applicable materiality thresholds for separate segment disclosure or aggregation, but are included as the primary components of an “all other” category under GAAP as set forth below. The other category also includes corporate overhead expenses.
We primarily use processing margin to measure operating performance. The following is a summary of reportable segment operating performance for the years ended September 30, 2017 and 2016.

17. SUBSEQUENT EVENTS

New Senior Secured Credit Facility

On October 30, 2017 the Company replaced its existing 2016 Senior Secured Credit Facility with a new credit agreement (the “Senior Secured Credit Facility”). The Senior Secured Credit Facility consists of term loans in the principal amount of $40,000 and an $110,000 revolving line of credit. The Senior Secured Credit Facility accrues interest, payable monthly, at prime plus a margin of 0.50% to 2.00% or at the 30-day LIBOR rate plus a margin of 2.75% to 4.00%, in each case depending on the ratio of consolidated debt to EBITDA, as defined in the agreement. Additionally, the Senior Secured Credit Facility requires the Company to pay unused commitment fees of up to 0.30% on any undrawn amounts under the revolving line of credit. The maturity date of the Senior Secured Credit Facility is the earlier of October 30, 2022 or 181 days before the maturity date of the Mezzanine Notes. Principal payments of $1,250 are due on the last day of each calendar quarter until the maturity date, when all outstanding principal and accrued and unpaid interest are due.

The Senior Secured Credit Facility is secured by substantially all assets of the Company. The notes payable to banks and revolving line of credit to banks hold senior rights to collateral and principal repayment over all other creditors.

The provisions of the Senior Secured Credit Facility place certain restrictions and limitations upon the Company. These include, among others, restrictions on liens, investments, indebtedness, fundamental changes and dispositions; maintenance of certain financial ratios; and certain non-financial covenants pertaining to the activities of the Company during the period covered. In addition, the Senior Secured Credit Facility restricts our ability to make dividends or other distributions to the holders of our equity. We are permitted to (i) make cash distributions to the holders of our equity in order to pay taxes incurred by owners of equity in i3 Verticals, LLC, by reason of such ownership, (ii) move intercompany cash between subsidiaries that are joined to the Senior Secured Credit Facility (iii) repurchase equity from employees, directors, officers or consultants after the restructuring of the Company in connection with an initial public offering of our equity in an aggregate amount not to exceed $1.5 million per year, and (iv) make other dividends or distributions in an aggregate amount not to exceed 5% of the net cash proceeds received from any additional common equity issuance after an initial public offering. We are also permitted to make noncash dividends in the form of additional equity issuances. All other forms of dividends or distributions are prohibited under the Senior Secured Credit Facility.

See Notes to the Financial Statements
1. NATURE OF OPERATIONS

Fairway Payments, Inc. (the "Company," "we," or "our") was founded in 2009 with a focus on providing integrated payment solutions to small- and medium-sized business and other organizations.

The Company is headquartered in Alexandria, Virginia, with operations throughout the United States.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") and pursuant to the accounting and disclosure rules and regulations of the Securities and Exchange Commission.

All dollar amounts are presented in thousands.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosure of assets and liabilities and timing of revenues and expenses at the date of the financial statements and the accompanying notes. Such estimates include, but are not limited to, assumptions used in the calculation of defined benefit plan obligations. Actual results could differ materially from those estimates.

Cash and Cash Equivalents

For purposes of reporting cash flows, the Company considers cash on hand, checking accounts, and savings accounts to be cash and cash equivalents. At times, the balance in these accounts may exceed federal insured limits.

Accounts Receivable and Credit Policies

Accounts receivable consist primarily of uncollateralized credit card processing residual payments due from processing banks requiring payment within thirty days following the end of each month. The carrying amount of accounts receivable is reduced by an allowance for doubtful accounts, if necessary, which reflects management’s best estimate of the amounts that will not be collected. The allowance is estimated based on management’s knowledge of its customers, historical loss experience and existing economic conditions. Accounts receivable and the allowance are written-off when, in management's opinion, all collection efforts have been exhausted. Management has determined an allowance for doubtful accounts is not necessary as of July 31, 2017 and December 31, 2016.

Property and Equipment

Property and equipment are stated at cost. Depreciation and amortization are provided over the assets' estimated useful lives using the straight-line method.

Expenditures for maintenance and repairs are expensed when incurred. Expenditures for renewals or betterments are capitalized. Management reviews long-lived assets for impairment when events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. The Company recognizes impairment when the sum of undiscounted estimated future cash flows expected to result from the use of the asset is less than the carrying value of the asset. There were no impairment charges during the seven months ended July 31, 2017 or the year ended December 31, 2016.

Acquisitions

Acquisitions are accounted for in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 805, Business Combinations.
During the seven months ended July 31, 2017 and the year ended December 31, 2016, the Company purchased two portfolios of merchant relationships which did not meet the accounting criteria to be accounted for as business combinations and have been accounted for as asset acquisitions. An asset acquisition is recorded at its purchase price, inclusive of acquisition costs, which are allocated among the acquired assets and assumed liabilities based upon their relative fair values at the date of acquisition.

Intangible Assets
Intangible assets consist of acquired merchant relationships. Merchant relationships represent the fair value of customer relationships purchased by the Company and are amortized over the estimated benefit periods on a straight-line basis. Estimated useful lives are determined for merchant relationships based on the life of the expected cash flows from the merchant relationships.

Management evaluates the remaining useful lives and carrying values of long lived assets, including definite lived intangible assets, at least annually or when events and circumstances warrant such a review, to determine whether significant events or changes in circumstances indicate that a change in the useful life or impairment in value may have occurred. There were no impairment charges during the seven months ended July 31, 2017 or the year ended December 31, 2016.

Income Taxes
The Company, with consent of its shareholders, has elected under the Internal Revenue Code to be taxed as an S-Corporation. In lieu of corporation income taxes, the shareholders are taxed on their proportionate share of the Company's taxable income. Therefore, no provision or liability for federal income or state income taxes has been included in the financial statements.

Revenue Recognition
Revenue is recognized when it is realized or realizable and earned, in accordance with ASC Topic 605, Revenue Recognition ("Topic 605"). Recognition occurs when all of the following criteria are met: (1) persuasive evidence of an arrangement exists; (2) delivery has occurred or services have been performed; (3) the seller's price to the buyer is fixed or determinable; and (4) collectability is reasonably assured.

Approximately 99% of our gross revenue for the seven months ended July 31, 2017 and the year ended December 31, 2016 is derived from volume based payment processing fees ("discount fees"). The remainder is derived from sales of equipment and other payment related services the Company provides to its clients directly and through its processing bank relationships.

Discount fees represent a percentage of the dollar amount of each credit or debit transaction processed. Discount and other fees are recognized at the time the merchants' transactions are processed. The Company follows the requirements of Topic 605–45, Revenue Recognition—Principal Agent Consideration, in determining its merchant processing services revenue reporting. Generally, where the Company has control over merchant pricing, merchant portability and ultimate responsibility for the merchant relationship, revenues are reported at the time of sale on a gross basis equal to the full amount of the discount charged to the merchant. This amount includes interchange fees paid to card issuing banks and assessments paid to payment card networks pursuant to which such parties receive payments based primarily on processing volume for particular groups of merchants.

Interchange and Network Fees and Other Cost of Services
Interchange and network fees consist primarily of fees that are directly related to discount fee revenue. These include assessment fees payable to card associations, which are a percentage of the processing volume we generate from Visa and Mastercard. Other costs of services include costs directly attributable to processing and bank sponsorship costs. These also include related costs such as residual payments to sales groups, which are based on a percentage of the net revenues generated from merchant referrals. The cost of equipment sold is also included in cost of services. Interchange and other costs of services are recognized at the time the merchant's transactions are processed.
Advertising and Promotion Costs
Advertising and promotion costs are expensed as incurred. Advertising expense was nominal for the seven months ended July 31, 2017 and the year ended December 31, 2016, and are included in selling, general and administrative expenses in the Statements of Operations.

Pensions
The Company accounts for its pension benefit obligations using actuarial models. A measurement of plan obligations and assets was made at July 31, 2017 and December 31, 2016. Effective July 31, 2017, the benefit plan was frozen to all participants. No accrual of future benefits is earned or calculated beyond this date. Accordingly, our obligation estimate is based on benefits earned at that time discounted using an estimate of the single equivalent discount rate determined by matching the plan’s future expected cash flows to spot rates from a yield curve comprised of high quality corporate bond rates of various durations. The Company recognizes the funded status of its pension plan obligations on its Balance Sheet, and pension expense is recognized in selling general and administrative expenses.

Subsequent Events
The Company has evaluated events through February 6, 2018, the date the financial statements were available to be issued. The Company concluded that other than as disclosed in note 10, there were no material subsequent events to disclose.

Recently Issued Accounting Pronouncements
In August 2016, the FASB issued ASU No. 2016-15, Statement of Cash Flows: Classification of Certain Cash Receipts and Cash Payments (Topic 230). The update clarifies how cash receipts and cash payments in certain transactions are presented and classified in the statement of cash flows. The update requires retrospective application to all periods presented but may be applied prospectively if retrospective application is impracticable. The Company is currently evaluating the impact of the adoption of this principle on the Company’s financial statements.

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842). This ASU amends the existing guidance by recognizing all leases, including operating leases, with a term longer than twelve months on the balance sheet and disclosing key information about the lease arrangements. The update requires modified retrospective transition, which requires application of the ASU at the beginning of the earliest comparative period presented in the year of adoption. The Company is currently evaluating the impact of the adoption of this principle on the Company’s financial statements.

In May 2014, the FASB issued ASU No. 2014-09, Revenue From Contracts With Customers (Topic 606). The ASU supersedes the revenue recognition requirements in ASC 605. The new standard provides a five-step analysis of transactions to determine when and how revenue is recognized, based upon the core principle that revenue is recognized to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The new standard also requires additional disclosures regarding the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. The standard, as amended, allows companies to use either a full retrospective or a modified retrospective approach to adopt this ASU. The Company is currently evaluating the impact of the adoption of this principle on the Company’s financial statements.

3. CREDIT RISK AND OTHER CONCENTRATIONS
The Company places its cash with high credit quality financial institutions which provide FDIC insurance. The Company performs periodic evaluations of the relative credit standing of these institutions and does not expect any losses related to such concentrations.
The Company's revenues are earned by processing transactions for merchant businesses and other institutions under contract with the Company. For the seven months ended July 31, 2017 and the year ended December 31, 2016, the Company utilized the funds settlement service of one bank, from which accounts receivable were remitted monthly.

One merchant accounted for 13.7% and 4.3% of our revenue during the seven months ended July 31, 2017 and the year ended December 31, 2016, respectively. The Company believes that the loss of any single merchant would not have a material adverse effect on our financial condition or results of operations.

4. MERCHANT PORTFOLIO PURCHASE

Effective March 1, 2016, the Company acquired a payment portfolio in an asset acquisition. The acquisition was completed to expand the Company’s merchant base. Net purchase consideration was $1,027, which was funded using borrowings from a note payable (see Note 6). The purchase consideration of the acquired assets was allocated based on fair values to the merchant relationships intangible asset. The acquired merchant relationships intangible asset has an estimated amortization period of ten years. Refer to Note 9 for further information.

Effective March 1, 2017, the Company acquired a payment portfolio in an asset acquisition. The acquisition was completed to expand the Company’s merchant base. Net purchase consideration was $80, which was funded with cash. The purchase consideration of the acquired assets was allocated based on fair values to the merchant relationships intangible asset. The acquired merchant relationships intangible asset has an estimated amortization period of five years.

Amortization expense for the seven months ended July 31, 2017 and the year ended December 31, 2016 amounted to $60 and $86, respectively.

F-70
NOTES TO FINANCIAL STATEMENTS

There were no participant contributions or benefits paid during the seven months ended July 31, 2017 and the year ended December 31, 2016.

The Defined Benefit Plan's estimated long-term rate of return on pension assets is driven primarily by historical asset-class returns, and an assessment of expected future performance. The Defined Benefit Plan portfolio return assumption is effectively 3.7% at July 31, 2017 and the year ended December 31, 2016. Other than use as discount rates, these rates were not used as assumptions for the Defined Benefit Plan's investment return.

The benefit obligation was calculated using the assumption of a lump sum distribution. The discount rate and mortality assumptions used to determine the Defined Benefit Plan obligations and expenses reflect IRS Sec. 417(e) Rates as of October 2017, except where overridden by Sec. 415. These rates are 2.1% for 5 years, 3.6% for periods from 5–20 years, and 4.3% for periods after 20 years.

The weighted average rate shown, 3.7%, does not reflect the impact of mandated 5.5% discount rates on maximum lump sum benefits, and thus the overall effective discount rate is somewhat higher than 3.7%.

The actuarial loss for the period July 31, 2017 can be attributed to the lessening impact of the Sec. 415 override on one participant's lump sum, as the maximum lump sum is impacted by changes in his age and the Statutory 415 maximum.

The following information represents the Defined Benefit Plan's assets measured at fair value Plan as of July 31, 2017 and December 31, 2016.

1. NATURE OF OPERATIONS
San Diego Cash Register Company, Inc., a California corporation (the "Company") was founded in 1984 with a focus on the sales and service of point of sale ("POS") hardware and software to customers. The Company predominantly resells NCR Corporation's ("NCR") POS hardware and software. The Company's headquarters are in San Diego, California, with operations throughout Southern California.

On October 31, 2017, i3 Verticals, LLC acquired all of the outstanding capital stock of the Company. Under the i3 Verticals, LLC ownership, the Company expects to continue to provide sales and service of POS hardware and software. Upon acquiring the capital stock of the Company, i3 Verticals, LLC assumed operational management of the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation
The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Company's fiscal year is the year ended October 31, 2017.

All dollar amounts are presented in thousands.

Use of Estimates
The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosure of assets and liabilities and timing of revenues and expenses at the date of the financial statements and the accompanying notes. Such estimates include, but are not limited to, revenue recognition for multiple element arrangements, assumptions used in the calculation of income taxes, and realization of deferred tax assets. Actual results could differ materially from those estimates.

Cash and Cash Equivalents
The Company considers cash on hand, checking accounts, and savings accounts to be cash and cash equivalents. Cash equivalents are defined as financial instruments readily transferrable into cash with an original maturity of 90 days or less.

Short-Term Investments
The Company has certificates of deposit with original maturities greater than three months and remaining maturities less than one year classified as short-term investments within the accompanying balance sheet.

Accounts Receivable, Net
Accounts receivable consist primarily of amounts due from the services and product sales of the Company's technology solutions to its customers. The carrying amount of accounts receivable is reduced by a valuation allowance, if necessary, which reflects management's best estimate of the amounts that will not be collected. The allowance is estimated based on management's knowledge of its customers, historical loss experience and existing economic conditions. Estimates for allowances for doubtful accounts are determined based on existing contractual obligations, historical payment patterns and individual customer circumstances. Bad debt expense is included in selling, general and administrative expenses. The Company's allowance for doubtful accounts was $16 as of October 31, 2017, however, actual write-offs may exceed estimated amounts. Bad debt expense was $9 during the year ended October 31, 2017.

Inventory
Inventory consists of point-of-sale equipment to be sold to customers and is stated at the lower of cost, determined on a weighted average basis or at actual cost, or net realizable value. Cost includes material, direct labor and production costs.
The Company periodically reviews its inventory for evidence of slow-moving or obsolete parts and determined that no allowance for inventory was necessary at October 31, 2017.

Property and Equipment

Property and equipment are stated at cost less depreciation calculated over the assets' estimated useful lives using the straight-line method. Leasehold improvements are depreciated over the shorter of the estimated useful lives of the assets or the remaining lease term.

Expenditures for maintenance and repairs are expensed when incurred. Management reviews long-lived assets for impairment when events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. The Company recognizes impairment when the sum of undiscounted estimated future cash flows expected to result from the use of the asset and its eventual disposition is less than the carrying value of the asset. There were no impairment charges during the year ended October 31, 2017.

Income Taxes

The Company records income taxes under Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 740, Income Taxes, which utilizes the asset and liability method of accounting for income taxes. Under the asset and liability method, deferred income taxes are recognized for the tax consequences of “temporary differences” by applying enacted statutory tax rates to future year’s difference between the financial statement carrying amounts and the tax bases of existing assets and liabilities. Under ASC Topic 740, the effect on deferred taxes of a change in tax rates is recognized in income in the period that includes the enactment date. Tax credits are recognized in the year they become available for tax purposes as a reduction in income taxes.

The amount provided for income taxes is based upon the amounts of current and deferred taxes payable or refundable at the date of the financial statements as a result of all events recognized in the financial statements as measured by the provisions of enacted tax laws.

Under GAAP, a tax position is recognized as a benefit only if it is “more likely than not” that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the “more likely than not” test, no tax benefit is recorded. The Company has no material uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

Revenue Recognition and Deferred Revenue

We generate revenue primarily from the sale and service of point of sale solutions, and related services. This includes hardware as well as software that is more than incidental to the underlying customer arrangement. We offer professional services such as initial training, installation, call center and field service contracts and repair services. Finally, the Company earns revenue from volume based payment processing fees.

Revenue is recognized when it is realized or realizable and earned, in accordance with ASC 605, Revenue Recognition (“ASC 605”). Recognition occurs when all of the following criteria are met: (1) persuasive evidence of an arrangement exists; (2) delivery has occurred or services have been performed; (3) the seller’s price to the buyer is fixed or determinable; and (4) collectability is reasonably assured.

The Company typically uses signed contractual agreements as persuasive evidence of a sales arrangement. We apply the provisions of the relevant FASB accounting pronouncements when making estimates or assumptions related to transactions involving the sale of software where the software deliverables are considered more than inconsequential to the other elements in the arrangement. For contracts that contain multiple deliverables, we analyze the revenue arrangements when making estimates or assumptions in accordance with the appropriate authoritative guidance, which provides criteria governing how to determine whether goods or services that are delivered separately in a bundled sales arrangement should be considered as separate units of
accounting for the purpose of revenue recognition. Deliverables are accounted for separately if they meet all of the following criteria: (a) the delivered item has value to the customer on a stand-alone basis; (b) there is objective and reliable evidence of the fair value of the undelivered items; and (c) if the arrangement includes a general right of return relative to the delivered items, the delivery or performance of the undelivered items is probable and substantially controlled by the Company.

If these criteria are not met, the arrangement is accounted for as a single unit of accounting, which would result in revenue being recognized ratably over the contract term or being deferred until the earlier of when such criteria are met or when the last undelivered element is delivered. If these criteria are met for each element, consideration is allocated to the deliverables based on its relative selling price. The hierarchy used to determine the selling price of a deliverable is: (1) vendor specific objective evidence (“VSOE”), (2) third-party evidence of selling price (“TPE”), and (3) best estimate of the selling price (“ESP”). In instances where the Company cannot establish VSOE, the Company establishes TPE by evaluating largely similar and interchangeable competitor products or services in stand-alone sales to similarly situated customers.

Revenues from sales of the Company's combined hardware and software element are recognized when they are realized or realizable and earned which has been determined to be upon the delivery of our product. All revenues on service contracts are recognized ratably over the contract term. The Company's training, installation, and repair services are billed and recognized as revenue as these services are performed.

Deferred revenue represents amounts billed to customers by the Company for services contracts. The initial prepaid contract agreement balance is deferred. The balance is then recognized as the services are provided over the contract term. Deferred revenue that is expected to be recognized as revenue within one year is recorded as short-term deferred revenue and the remaining portion is recorded as long-term deferred revenue.

Cost of Revenue
Cost of revenue includes costs directly attributable to our product sales and services. These costs primarily include product costs, salaries and wages, benefits, and other overhead costs.

Vendor allowances consist of volume rebates that are earned as a result of attaining certain purchase levels. Vendor rebates are accrued as earned, with those allowances received as a result of attaining certain purchase levels accrued over the incentive period based on estimates of purchases. Volume rebates earned by the Company are recorded as a reduction in cost of revenue and totaled $263 for the year ended October 31, 2017.

Shipping and Handling Costs
The Company records shipping and handling fees and costs per ASC 605-45-45-19 through 21. Amounts billed to a customer in a sale transaction related to shipping and handling, if any, are recorded as revenue. Additionally, the Company has adopted the policy that all shipping costs for product delivery to customers are recorded within cost of revenue within the accompanying statement of operations.

Advertising and Promotion Costs, Net
Advertising costs are expensed as incurred. The Company maintains a co-operative advertising and shared expense agreement with its largest vendor, NCR. Under the agreement the Company is reimbursed for shared expenses incurred while soliciting NCR products. Net advertising costs for the year ended October 31, 2017 were a credit of $77. For the year ended October 31, 2017, the amount reimbursed to the Company was $88 and included as an offset to advertising expense.

Fair Value Measurement
The Company follows FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, for its financial assets and liabilities. ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. As of October 31, 2017, the Company's financial instruments consist of cash and cash equivalents, certificate of deposit, accounts receivable, and accounts payable. The fair values of cash and cash
equivalents, certificate of deposit, accounts receivable, and accounts payable approximate their respective carrying values because of the short maturity of those instruments.

Subsequent Events
The Company has evaluated events through February 5, 2018, the date the consolidated financial statements were available to be issued. The Company concluded that there were no material subsequent events to disclose.

Recently Issued Accounting Pronouncements
In August 2016, the FASB issued ASU No. 2016-15, Statement of Cash Flows: Classification of Certain Cash Receipts and Cash Payments (Topic 230). The update clarifies how cash receipts and cash payments in certain transactions are presented and classified in the statement of cash flows. The update requires retrospective application to all periods presented but may be applied prospectively if retrospective application is impracticable. The Company is currently evaluating the impact of the adoption of this principle on the Company’s financial statements.

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842). This ASU amends the existing guidance by recognizing all leases, including operating leases, with a term longer than twelve months on the balance sheet and disclosing key information about the lease arrangements. The update requires modified retrospective transition, which requires application of the ASU at the beginning of the earliest comparative period presented in the year of adoption. The Company is currently evaluating the impact of the adoption of this principle on the Company’s financial statements.

In May 2014, the FASB issued ASU No. 2014-09, Revenue From Contracts With Customers (Topic 606). The ASU supersedes the revenue recognition requirements in ASC 605. The new standard provides a five-step analysis of transactions to determine when and how revenue is recognized, based upon the core principle that revenue is recognized to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The new standard also requires additional disclosures regarding the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. The standard, as amended, allows companies to use either a full retrospective or a modified retrospective approach to adopt this ASU. The Company is currently evaluating the impact of the adoption of this principle on the Company’s financial statements.

3. CREDIT RISK AND OTHER CONCENTRATIONS
Financial instruments, which potentially subject the Company to concentrations of credit risk, consist principally of cash and cash equivalents, certificate of deposit, accounts receivable, and accounts payable. The Company places its cash with high credit quality financial institutions which provide FDIC insurance, but at times the balances may exceed the federally insured limits. The Company performs periodic evaluations of the relative credit standing of these institutions and does not expect any losses related to such concentrations.

As of October 31, 2017, no single customer accounted for more than 5% of accounts receivable. For the year ended October 31, 2017, no single customer accounted for more than 2% of our revenue.

The Company has a concentration risk with its majority inventory supplier, NCR, given that the individual supplier accounted for approximately 85% of purchases. The Company currently purchases point-of-sale hardware and software from NCR. The Company has been purchasing and reselling NCR products to its customers for 18 years. The loss of this supplier relationships could adversely impact the Company’s operating results.

As of October 31, 2017, the Company has no accrued interest and/or penalties related to uncertain tax positions. It is the Company’s policy to recognize interest and/or penalties related to income tax matters in income tax expense.

Deferred income tax assets and liabilities are recorded for differences between the financial statement and tax basis of the assets and liabilities that will result in taxable or deductible amounts in the future based on enacted laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. The Company has evaluated the available evidence supporting the realization of its gross deferred tax assets, including the amount and timing of future taxable income, and has determined it is more likely than not.
that the assets will be realized. As a result, management has concluded that a valuation allowance against its deferred tax assets is not necessary at this time.

**Item 14. Indemnification of Directors and Officers**

Section 102 of the Delaware General Corporation Law (the “DGCL”) permits a corporation to eliminate the personal liability of directors of a corporation to the corporation or its stockholders for monetary damages for a breach of fiduciary duty as a director, except where the director breached his duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit. Our amended and restated certificate of incorporation will provide that none of our directors shall be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duty as a director, notwithstanding any provision of law imposing such liability, except to the extent that the DGCL prohibits the elimination or limitation of liability of directors for breaches of fiduciary duty.

Section 145 of the DGCL provides that a corporation has the power to indemnify a director, officer, employee, or agent of the corporation, or a person serving at the request of the corporation for another corporation, partnership, joint venture, trust or other enterprise in related capacities against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with an action, suit or proceeding to which he was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason of such position, if such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, in any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful, except that, in the case of actions brought by or in the right of the corporation, no indemnification shall be made with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or other adjudicating court determines that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.
Upon completion of this offering, our amended and restated certificate of incorporation and amended and restated bylaws will provide indemnification for our directors and officers to the fullest extent permitted by the DGCL. We will indemnify each person who was or is a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding (other than an action by or in the right of us) by reason of the fact that he or she is or was, or has agreed to become, a director or officer, or is or was serving, or has agreed to serve, at our request as a director, officer, partner, employee or trustee of, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise (all such persons being referred to as an “Indemnitee”), or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding and any appeal therefrom, if such Indemnitee acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, our best interests, and, with respect to any criminal action or proceeding, he or she had no reasonable cause to believe his or her conduct was unlawful. Our amended and restated certificate of incorporation and amended and restated bylaws will provide that we will indemnify any Indemnitee who was or is a party to an action or suit by or in the right of us to procure a judgment in our favor by reason of the fact that the Indemnitee is or was, or has agreed to become, a director or officer, or is or was serving, or has agreed to serve, at our request as a director, officer, partner, employee or trustee of, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys’ fees) and, to the extent permitted by law, amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding, and any appeal therefrom, if the Indemnitee acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, our best interests, except that no indemnification shall be made with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to us, unless a court determines that, despite such adjudication but in view of all of the circumstances, he or she is entitled to indemnification of such expenses. Notwithstanding the foregoing, to the extent that any Indemnitee has been successful, on the merits or otherwise, he or she will be indemnified by us against all expenses (including attorneys’ fees) actually and reasonably incurred in connection therewith. Expenses must be advanced to an Indemnitee under certain circumstances.

Prior to the completion of this offering, we intend to enter into separate indemnification agreements with each of our directors and executive officers. Each indemnification agreement will provide, among other things, for indemnification to the fullest extent permitted by law and our amended and restated certificate of incorporation and amended and restated bylaws against any and all expenses, judgments, fines, penalties and amounts paid in settlement of any claim. The indemnification agreements will provide for the advancement or payment of all expenses to the indemnitee and for the reimbursement to us if it is found that such indemnitee is not entitled to such indemnification under applicable law and our amended and restated certificate of incorporation and amended and restated bylaws.

We believe that the amended and restated certificate of incorporation and amended and restated bylaw provisions and indemnification agreements we will adopt will be necessary to attract and retain qualified persons as directors and officers. At present, there is no litigation or proceeding involving one of our directors or officers as to which indemnification is being sought, nor are we aware of any threatened litigation that may result in claims for indemnification by any officer or director.

We maintain standard policies of insurance that provide coverage (i) to our directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act and (ii) with respect to indemnification payments that we may make to such directors and officers.

In any underwriting agreement we enter into in connection with the sale of Class A common stock being registered hereby, the underwriters will agree to indemnify, under certain conditions, us, our directors, our officers and persons who control us within the meaning of the Securities Act of 1933, as amended (the “Securities Act”) against certain liabilities.

Item 15. Recent Sales of Unregistered Securities

On January 17, 2018, we issued 100 shares of common stock, par value $0.0001 per share, which will be redeemed upon the consummation of this offering, to one of our officers in exchange for $0.01. The issuance was
exempt from registration under Section 4(a)(2) of the Securities Act, as a transaction by an issuer not involving any public offering.

In connection with the recapitalization transactions described in the accompanying prospectus, i3 Verticals, Inc. will issue (i) shares of Class A common stock to the Former Equity Owners, as the case may be, in exchange for their ownership interests in common units of i3 Verticals, LLC and (ii) shares of Class B common stock to the Continuing Equity Owners, including certain funds affiliated with First Avenue Partners II, L.P., Capital Alignment Partners, HMP III Equity Holdings, LLC, certain current executive officers, employees and directors and their affiliates. The shares of Class A common stock and the shares of Class B common stock described above will be issued in reliance on the exemption contained in Section 4(a)(2) of the Securities Act on the basis that the transaction will not involve a public offering. No underwriters will be involved in the transaction.

Item 17. Undertakings

The undersigned registrant hereby undertakes to provide to the underwriters at the closing specified in the underwriting agreement certificates in such denominations and registered in such names as required by the underwriters to permit prompt delivery to each purchaser.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. If a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

All initial determinations regarding whether the targets set forth in Section 3.1 have been achieved shall be reasonably made by Buyer promptly after such determination is practicable. Within ten (10) Business Days following the final determination of the achievement of each milestone provided in this Section 3.1, Buyer shall pay
the applicable amount attributable to such milestone by wire transfer of immediately available funds to Seller.

(a) Definitions.

(i) “Acquired Business” shall mean the Company’s Business as operated by Buyer post-Closing.

(ii) “EBITDA” shall mean earnings before interest, taxes, depreciation and amortization. For the avoidance of doubt, EBITDA shall be calculated in the same manner as the Company’s 2017 adjusted EBITDA was calculated, and shall not take into account (x) any increases in merchant pricing above what was offered by the Company to Merchants in 2017 (except any merchant fee increases deemed to be industry standard, as determined by Buyer in its reasonable discretion), (y) acquisitions by the Company or (z) other revenue generated outside of the Company’s historic ordinary course of business.

(iii) “Measurement Period 1” means the period beginning November 1, 2017 and ending October 31, 2018.

(iv) “Measurement Period 2” means the period beginning November 1, 2018 and ending October 31, 2019.

(b) Seller will be entitled to the Contingent Consideration identified in clauses (i)-(ii) below for Measurement Period 1 and Measurement Period 2, as applicable, if the Acquired Business achieves the EBITDA levels identified in clauses (i)-(ii) below (the “EBITDA Measurement Targets”) with respect to the applicable Measurement Period.

(i) If, as of the last day of Measurement Period 1, the total EBITDA generated by Acquired Business during Measurement Period 1 is at least $4,960,000, Seller will be entitled to Contingent Consideration of $1,200,000.

(ii) If, as of the last day of Measurement Period 2, the total EBITDA generated by Acquired Business during Measurement Period 2 is at least $5,456,000, Seller will be entitled to Contingent Consideration of $1,200,000.

(c) For the sake of clarity, if the EBITDA Measurement Target for a particular Measurement Period is not achieved as of the end of such Measurement Period, Seller will not be entitled to any Contingent Consideration for such Measurement Period.

3.2 Arbitration.

(a) If Seller disputes Buyer’s determination with respect to the achievement of a milestone provided in Section 3.1, Seller shall notify Buyer in writing by delivery of a notice (an “Contingent Consideration Dispute Notice”), which Contingent Consideration Dispute Notice shall set forth in reasonable detail the basis for such dispute. In the event of such a dispute, Seller and Buyer shall work in good faith to resolve the dispute. If, after ten (10) Business Days, a dispute still exists, such dispute shall be submitted the Arbitrator. The Arbitrator shall make its determination regarding the disputed items as promptly as practicable, and such determination
shall be the final determination. The Arbitrator shall determine whether and to what extent, if any, Contingent Consideration has been earned. Any expenses relating to the engagement of the Arbitrator shall be borne by the Party whose determination of whether Contingent Consideration has been earned was incorrect. The Arbitrator shall be instructed to use every reasonable effort to perform its services within fifteen (15) Business Days of the Arbitrator’s engagement and, in any case, as soon as practicable after submission thereof. The Arbitrator’s decision shall be final and binding on the Parties. The Parties shall make available to the Arbitrator, as applicable, such books, records and other information as the Arbitrator may reasonably request. In the event such the Arbitrator providers an award hereunder, the Party owing such award shall pay all such award, by wire transfer of immediately available funds.

(b) In the event that actions are taken or decisions are made by Buyer or an affiliate of Buyer that adversely affect the achievement of any of the milestones relating to the Contingent Consideration that are set forth in Section 3.1, and such actions or such decisions are determined by the Arbitrator to have been made by Buyer or an affiliate of Buyer in bad faith and for the primary purpose of frustrating the achievement of the applicable milestones, then the Arbitrator shall determine what milestones would have been achieved but for such actions or decisions taken by Buyer and such milestones shall be deemed to have been achieved.

3.3 Nature of Contingent Consideration. The Seller acknowledges and agrees that:

(a) Buyer has the absolute right to operate the Acquired Business following the Closing in any manner as Buyer deems appropriate, in Buyer’s sole discretion, and while Buyer agrees that it will operate the Acquired Business, Buyer has no obligation to operate the Acquired Business in any manner to achieve or maximize Contingent Consideration, and in no event shall be required to operate the Acquired Business in violation of any Law. Each Seller Party further acknowledges that the absence of Matt Richardson’s involvement in the operation of the Acquired Business adds additional uncertainty to the Acquired Business’ ability to achieve the EBITDA Measurement Targets.

(b) any Contingent Consideration is speculative and is subject to numerous factors outside the control of Buyer; and

(c) the Parties intend that the express provisions of this Article III will solely govern their contractual relationship with respect to Contingent Consideration.

3.4 Result of Breach. Notwithstanding anything in this Article III to the contrary, no Contingent Consideration shall be due for so long as Seller is or remains in material breach of this Agreement or any of the Transaction Documents, or (ii) is terminated by the Buyer (or an affiliate thereof) for cause. This Section 3.4 is not subject to the provisions of Section 3.2.

5.25 Data Security.

(a) To the Knowledge of Company, no Person has gained unauthorized access to any computers, computer software, firmware, middleware, servers, workstations, routers, hubs, switches, data communications lines, or other information technology equipment, and associated documentation used by or on behalf of the Company or its affiliates or any Processor or service provider of the Company or its affiliates or any data stored thereon (including any Merchant data,
Personal Information, or cardholder data) (a “Data Breach”). None of the Company, its affiliates or, to the Knowledge of Company, any Processor or Merchant, has received a “common point of purchase”, “point of compromise” or similar notice, letter or inquiry relating to the Company’s Business.

(b) The Company is not required to be in compliance with the Payment Card Industry Data Security Standards because it does not store, transmit or process “cardholder data” or “sensitive authentication data” (as such terms are defined in the Payment Card Industry Data Security Standards).

(c) Each Company Product that is required to be validated under the Payment Application Data Security Standards is so validated.

5.26 Debt Collection. The Company does not provide, and has not provided or marketed, services to any Merchant that imposes convenience fees and/or similar fees where state law prohibits the collection of such convenience or similar fees. The Company does not provide, and has not provided or marketed, services to any Merchant involved in debt collection where any such Merchant imposes convenience fees where the agreement creating the applicable consumer debt does not expressly authorize the collection of such fees.

5.27 Solvency. Immediately after giving effect to the Closing and the Contemplated Transactions, Seller (a) will be able to pay its debts as they become due and shall own property that has a fair saleable value greater than the amounts required to pay its debts (including a reasonable estimate of the amount of all contingent Liabilities) and (b) shall have adequate capital to carry on its business. No transfer of property is being made and no obligations are being incurred in connection with the Contemplated Transactions with the intent to hinder, delay or defraud either present or future creditors of any Seller Party, the Company or any of its subsidiaries. Seller Parties acknowledge that the Shares are being transferred to Buyer or an affiliate of Buyer in exchange for reasonably “equivalent value,” as such term or similar terms are used in any potentially applicable fraudulent conveyance Laws.

5.28 Disclosure. Neither this Agreement, including all Exhibits and Schedules hereto, nor the other documents delivered in connection with the Contemplated Transactions, including the information provided in diligence, in each case except as disclosed to Buyer in writing, contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact required to be stated in order to make such statement, document or other instrument not misleading. No other documents or instruments heretofore or hereafter furnished by any Seller Party or the Company to Buyer, its affiliates or its agents in connection with transactions contemplated hereby contains or will contain any such untrue statement or omission of a material fact.

ARTICLE VI
REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer represents and warrants to Seller as of the Closing Date, as follows:

6.1 Corporate Status. Buyer (a) is a corporation duly organized, validly existing and in good standing under the Laws of the State of Delaware, and (b) has all requisite corporate power and authority to carry on its business as now and heretofore conducted and to own, operate and
lease its properties, and (c) is duly qualified or licensed to transact business in and in good standing as a foreign corporation in all jurisdictions where Buyer is required to be qualified or licensed to do business as a foreign corporation.

6.2 Corporate Authorization; Binding Effect. Buyer has full corporate power and authority to execute and deliver the Transaction Documents and to perform its obligations thereunder. The Transaction Documents and performance and consummation of the Contemplated Transactions are and have been approved by all requisite corporate action of Buyer. No other corporate or legal proceedings on the part of Buyer are necessary to approve or authorize the execution and delivery of the Transaction Documents and the consummation of the Contemplated Transactions. The Transaction Documents have been duly executed and delivered by Buyer and, assuming due authorization, execution and delivery of the Transaction Documents by each Seller Party, each Transaction Document is the valid and legally binding obligation of Buyer, enforceable in accordance with its terms, subject to applicable bankruptcy, reorganization, insolvency, moratorium and other laws affecting creditor’s rights generally from time to time in effect and limitations on enforcement of equitable remedies.

6.3 No Conflict. Buyer’s execution, delivery and performance of the Transaction Documents and consummation of the Contemplated Transactions and compliance with any of the provisions thereof will not (i) violate any Law to which Buyer may be subject, (ii) conflict with or result in a breach of any provision of the Certificate of Incorporation or Bylaws of Buyer, (iii) require any consent, approval or authorization of, or notice to, or declaration, filing or registration with, any Governmental Authority that is required by Law or the regulations of any Governmental Authority, (iv) violate any Order of any Governmental Authority to which Buyer may be subject, (v) violate, or conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice or lapse of time or both would constitute a default) under, or result in the termination or in a right of termination or cancellation of, or accelerate the performance required by, or result in the creation of any Lien upon any of the properties of Buyer or result in being declared void, voidable, without further binding effect, or subject to amendment or modification any of the terms, conditions or provisions of, any contract, license, franchise, permit, or other material instrument or commitment or obligation to which Buyer may be bound or affected.

6.4 Brokers and Finders. Neither Buyer nor its agents has engaged any finder or broker or incurred any obligation or liability, contingent or otherwise, for brokerage or finders’ fees or agents’ commissions in connection with this Agreement and the Contemplated Transactions.

ARTICLE VII
COVENANTS OF SELLER PARTIES

7.1 Notices and Consents. To the extent that Seller Parties have not obtained all necessary Licenses, consents, waivers or other authorizations or approvals or Required Consents (collectively, “consents”) from any Governmental Authority or any private third-party as of the Closing and the Parties nonetheless elect to close, then upon request by Buyer, Seller Parties shall use their commercially reasonable efforts to: (a) obtain such consents as soon as practicable post-Closing, (b) cooperate with Buyer in any reasonable and lawful arrangements under which Buyer would obtain the benefit of the matter concerned; and (c) enforce for the account of Buyer any rights of Seller Parties arising from the matter concerned. Each Seller Party shall be jointly and
severally liable for any costs incurred for obtaining such consents, including any payments required by consenting parties. If any consent cannot be obtained, Buyer and Seller Parties will reasonably cooperate in any legal and commercially reasonable arrangement to obviate the need for that consent.

7.2 Tax Matters.

(a) Seller shall be responsible for paying all capital gains, income, transfer, documentary, sales, use, stamp, registration and other such Taxes, and all conveyance fees, recording charges and other fees and charges (including any penalties and interest) incurred in connection with the sale of the Shares and the consummation of the transactions contemplated by this Agreement, and Seller shall be responsible for preparing and filing any Tax Returns in connection therewith.

(b) Seller shall be liable for and shall pay all Taxes in respect of or relating to the Company, the Shares, the Company’s assets or the Company’s Business for any Pre-Closing Period. Taxes with respect to any period that begins before and ends after the Closing Date shall be allocated to the Pre-Closing Period (i) on a per diem basis in the case of real and personal property Taxes and (ii) on the basis of an interim closing of the books at the end of the Closing Date in the case of all other Taxes.

(c) After the Closing, Seller and Buyer shall (and shall cause their respective affiliates to):

(i) Make available to the other and to any taxing authority, as reasonably requested, all information, records, and documents with respect to Taxes relating to the Company’s Business or the Company’s assets and preserve that information and those records and documents until the expiration of any applicable statute of limitations, including any extensions of that statute of limitations;

(ii) Provide timely notices to the other Party in writing of any pending or threatened Tax audits or assessments relating to the Company’s Business or the Company’s assets for taxable periods for which the other party may have a responsibility under this Section 7.2 or otherwise; and,

(iii) Furnish the other Parties with copies of all correspondence received from any taxing authority in connection with any Tax audit or information request with respect to any taxable period for which the other party may have a responsibility under this Section 7.2 or otherwise.

(d) Notwithstanding any other indemnification provision in this Agreement, Seller Parties agrees to, jointly and severally, indemnify, defend and hold harmless Buyer Indemnified Parties from and against any and all Damages that Buyer Indemnified Parties incur as a result of, or with respect to any (i) Taxes of or imposed on Seller; (ii) Taxes of or imposed upon the Company with respect to any Pre-Closing Period; (iii) Taxes imposed on the Company under Treasury Regulations Section 1.1502-6 (and corresponding provisions of state, local, or foreign Law) as a result of having been a member of any federal, state, local or foreign consolidated, unitary, combined or similar group for any taxable period ending on or before, or that includes,
the Closing Date, or as a transferee or successor by contract or arrangement or pursuant to Law, or otherwise; (iv) any breach by Seller of any of the covenants and obligations contained in Section 7.2 of this Agreement; and (v) the breach or inaccuracy of the representations and warranties set forth in Section 5.17 of this Agreement. Any indemnity payment under this Agreement shall be treated by Seller and Buyer as an adjustment to the Purchase Price for U.S. federal income tax purposes. Any indemnity payment required to be made pursuant to this Section 7.2(d) shall be paid within fifteen (15) days after the Indemnified Party makes written demand upon the Indemnifying Party and provides reasonable evidence in support of such claim for Damages. In no event shall the indemnities provided for in this Section 7.2(d) be subject to the provisions of Article IX of this Agreement.

(e) Notwithstanding anything to the contrary contained in this Agreement, each of the provisions set forth in this Section 7.2 shall survive until sixty (60) days after the expiration of the applicable statute of limitations (taking into account all valid extensions) for the applicable Taxes or Tax Return to which the provision relates; provided, however, in the event notice of any claim for indemnification under this Agreement shall have been given within the applicable survival period, the provisions that are the subject of the indemnification claim shall survive with respect to such claims until such time as such claim is finally resolved.

7.3 Noncompetition; Nonsolicitation.

(a) During the period beginning on the Closing Date and ending two (2) years from the later of (i) last date of employment of Ality Richardson and Ashley Richardson, as applicable, with Buyer or an affiliate of Buyer or (ii) the last date on which Contingent Consideration is paid, if any, none of the Seller Parties will, without the prior written consent of Buyer, work with, provide services to, or own an interest in any business that competes directly or indirectly with the Company’s Business, other than any such party’s capacity as an employee or equity holder of Buyer or its affiliates. The foregoing agreement shall not be deemed to restrict the ownership by any Seller Party of up to three percent (3%) of any class of the outstanding capital stock of any corporation conducting a business similar to the Company’s Business that is regularly traded on a national securities exchange. The consideration for this agreement is included in the Purchase Price.

(b) During the period beginning on the Closing Date and ending two (2) years from the later of (i) last date of employment of Ality Richardson and Ashley Richardson, as applicable, with Buyer or an affiliate of Buyer or (ii) the last date on which Contingent Consideration is paid, if any, none of the Seller Parties will, other than in furtherance of any such party’s employment with Buyer, without the prior written consent of Buyer:

(i) hire, attempt to hire, solicit, induce, or attempt to solicit or induce any employee or independent contractor of Buyer (including Referral Sources) to leave Buyer’s employment or to terminate his or her or its contractual and/or business relationship with the Company; provided, however, that general advertising not targeting Buyer’s employees shall not be a breach of this Section 7.3(b)(i);

(ii) Call on or communicate with (except if such contact is not to the
business detriment of Buyer), or divert or solicit, any of the Referral Sources or Merchants;

(iii) work with or provide services related to the Company’s Business to any Merchant or other customer of Buyer or any affiliate of Buyer; or

(iv) encourage or persuade any Merchant or other customer of Buyer or its affiliates not to enter into an agreement or to terminate an agreement with Buyer or its affiliates or to obtain similar services from a competitor of Buyer or its affiliates.

(c) The consideration for this Section 7.3 is included in the Purchase Price. The Parties specifically acknowledge and agree that the remedy at law for any breach of this Section 7.3 will be inadequate and that Buyer, in addition to any other relief available to it, may be entitled to temporary and permanent injunctive relief without the necessity of proving actual damage. In addition, notwithstanding the provisions of Article IX, Buyer may be entitled to recover, directly from any Seller Party, its actual damages as a result of a breach of Section 7.3. The rights and remedies of the Parties to this Agreement are cumulative and not alternative.

(d) During the period beginning on the Closing Date and ending two (2) years from the last date of employment of any Seller Party with Buyer or an affiliate of Buyer, neither Buyer nor any Seller Party will disparage another Party or any of its respective affiliates, members, directors, officers, employees or agents. For purposes of clarity, statements made by a Party in the context of a good-faith pursuant of a claim or action against the other Party in connection with this Agreement shall not give rise to a breach of this Section 7.3(d).

7.4 Post-Closing Financial Audit Cooperation. After the Closing, each Seller Party covenants and agrees to use its best efforts to assist and cooperate with Buyer and its accountants, independent auditors and other representatives (collectively the “Buyer Audit Representatives”) in the preparation of audited balance sheets, statements of income and cash flows, together with all footnotes and related disclosures (collectively, the “Audited Financial Statements”). The cooperation of Seller Parties pursuant to this Section shall include (i) providing access to and copies of the Company’s historic financial statements, records and any other information relevant to an audit of the Company and the Company’s Business, (ii) assisting the Buyer Audit Representatives in understanding the Company’s financial position as of and at the pre-Closing dates requested and the results of operations and cash flows for the pre-Closing periods specified by the Buyer Audit Representatives and (iii) making the Company’s management available to respond to requests from the Buyer Audit Representatives or render any management representations reasonably necessary or relevant to the preparation of the Audited Financial Statements. Each Seller Party acknowledges that a purpose of the covenant contained herein is so the Company’s financial statements might be consolidated with the financial statements of Buyer in conformity with United States generally accepted accounting principles and the SEC rules and guidance (including Regulation S-K) with respect to financial statements and financial reporting. As such, the Audited Financial Statements will be prepared in a form and substance suitable for inclusion on Form S-1 (or other eligible or successor form), and each Seller Party’s standard of cooperation pursuant to this Section shall reflect each Seller Party’s understanding of such purpose. For the avoidance of doubt, each Seller Party acknowledges and agrees that the Audited Financial Statements shall in no way affect, alter or be deemed to cure any inaccuracies in the representations and warranties of any Seller Party set forth in Articles IV and V. The Parties
acknowledge and agree that Buyer shall be liable for the out-of-pocket expenses incurred by Buyer in preparation of the Audited Financial Statements and will not seek reimbursement from Seller Parties for such expenses.

7.5 **Seller Parties’ Acknowledgement Regarding Calculation of Purchase Price.** Each Seller Party acknowledges, agrees and covenants that (a) Buyer has relied on Seller Parties’ representations regarding the current and future anticipated financial performance of the Company (including those representations set forth in Sections 5.5, 5.10, 5.21, and 5.24 (collectively, the “Financial Representations”); and (b) the Parties established the Purchase Price and the Contingent Consideration as a multiple of certain financial and performance metrics gleaned from the Financial Representations.

7.6 **Tail Insurance.** Seller Parties shall obtain, at their sole cost and expense, insurance for a period of five (5) years after the Closing Date (“Tail Insurance”), in form and substance substantially equivalent to the terms of the existing professional liability insurance policies of the Company, to insure against liabilities of the Company that arise prior to the Closing Date where claims are made after the Closing Date. Such Tail Insurance shall have the effect of providing “occurrence based” coverage rather than existing “claims made” coverage. Such Tail Insurance shall be retroactive such that it covers all periods from the retroactive date of the first policy which should be included on the current policies through the Closing Date. The minimum coverage for such Tail Insurance shall be agreed upon by the Parties. Buyer and i3 Verticals, LLC shall be included as additional named insured entities in such Tail Insurance.

**ARTICLE VIII**

**COVENANTS OF BUYER AND BOTH PARTIES**

8.1 **Confidentiality.** Seller Parties agree that the existence of this Agreement (including any reference to the transaction generally) and the terms and conditions hereof and the other Transaction Documents shall not be disclosed to any third party without prior written consent of the non-disclosing Party, and none of Seller Parties, nor any representative thereof shall distribute or provide access to this Agreement or the other Transaction Documents, or the contents or any part thereof, to any third party, except to a party’s legal and financial advisors, lenders and accountants and in any case as required by Law or accounting practice or to allow attorneys to enforce or interpret the Agreement.

8.2 **Post-Closing Access to Information.**

(a) Seller Parties and Buyer acknowledge that subsequent to Closing each Party may need access to information or documents in the control or possession of the other Party for the purposes of concluding the Contemplated Transactions, audits, compliance with Laws and governmental requirements, and the prosecution or defense of third-party claims. Accordingly, Seller Parties and Buyer agree that until the later of the four (4) year anniversary of the Closing Date or the expiration of any applicable statute of limitations pertaining to Tax matters, to the extent permitted by Law, each will make reasonably available to the other’s agents, independent auditors and/or governmental agencies upon written request and at the expense of the requesting Party such documents and information as may be available for periods prior and subsequent to Closing to the extent necessary to facilitate concluding the Contemplated Transactions, audits,
compliance with Laws and governmental requirements and regulations and the prosecution or defense of third-party claims. In addition, Seller Parties shall make available to Buyer, at Buyer’s cost and expense, upon reasonable notice and during normal business hours, the Company’s Books and Records to the extent not transferred to Buyer but necessary to Buyer in the preparation of Tax Returns.

(b) Upon request, each of the Parties shall cooperate with the other in good faith, at the requesting Party’s expense, in furnishing information, testimony and other assistance in connection with any actions, Proceedings, arrangements, or disputes involving any of the Parties (other than in a dispute among such parties or entities) and based upon contracts, arrangements or acts of the Company or any Party hereto which were in effect or occurred prior to the Closing. Buyer shall cause to be provided any information or documents reasonably requested by the Company in connection with Tax or other disputes, settlements, investigations, Proceedings or other matters in respect of any period ending at or prior to the Closing. The Party requesting documents or information pursuant to this Section 8.2 shall pay all fees and expenses paid to unaffiliated third parties by the Party providing such documents or information in connection with providing such information or document.

8.3 Further Assurances and Cooperation, Misdirected Payments.

(a) Seller Parties shall, at any time and from time to time at and after the Closing, upon the request of Buyer, take any and all steps reasonably necessary and under any Seller Parties’ control to place Buyer in possession and operating control of the Company and the Shares and will do, execute, acknowledge and deliver, or will cause to be done, executed, acknowledged and delivered, all such further acts, deeds, assignments, transfers, conveyances, powers of attorney and assurances as may be reasonably required to transfer and confirm more effectively to Buyer or to its successors or assigns, or to reduce to possession, any or all of such Shares and to carry out the purposes and intent of this Agreement. From and after the date of this Agreement, upon the request of any Party, the other Parties shall furnish such further information, execute and deliver such schedules, instruments, documents or other writings and take such actions as may be reasonably necessary or desirable to confirm and carry out and to fully effectuate the intent and purposes of this Agreement.

(b) After the Closing, if any Seller Party receives any payment, refund or other amount that is properly due and owing to Buyer, such Seller Party shall promptly remit or shall cause to be remitted, such amount to Buyer. After the Closing, if Buyer receives any amount properly due and owing to any Seller Party, Buyer shall promptly remit or shall cause to be remitted, such amount to such Seller Party.

ARTICLE IX
INDEMNIFICATION

9.1 Survival. The representations and warranties made by each Seller Party in this Agreement shall survive the Closing Date and shall continue in full force and effect for a period of twenty four (24) months thereafter; provided, however, (i) each of the representations and warranties set forth in Article IV, Section 5.1 (Status), Section 5.2 (Authorization; Binding Effect), and Section 5.4 (No Conflicts) shall survive indefinitely, (ii) each of the representations and
warranties set forth in Section 5.18 (Environmental Matters) Section 5.9 (Real Property and Personal Property), Section 5.11 (Intellectual Property; Computer Software), Section 5.12 (Title to and Sufficiency of Assets), Section 5.25 (Data Security) and Section 5.22 (Privacy) shall survive for five (5) years following the Closing Date; and (iii) each of the representations and warranties set forth in Section 5.15 (Employee Benefit Plans) and Section 5.17 (Taxes) shall survive until sixty (60) days after the last day upon which any claim could be made against Buyer or the Company or could be made that would affect Buyer or the Company relating to such matters (the representations and warranties referenced in Section 9.1(i), Section 9.1(ii), Section 9.1(iii) and the Financial Representations being the “Fundamental Representations”). The representations and warranties made by Buyer in this Agreement shall survive the Closing Date and continue in full force and effect for a period of twenty four (24) months thereafter; provided, however, the representations and warranties set forth in Section 6.1 (Status) and Section 6.2 (Authorization, Binding Effect) shall survive indefinitely. The covenants and agreements made by the Parties in this Agreement shall survive indefinitely or for the period stated therein. In each case, the period from the date hereof until the last date on which a representation, warranty, covenant or other obligation survives shall be known as the “Survival Period Indemnification by Seller Parties.” Subject to the provisions herein set forth, Seller Parties agree to, jointly and severally, indemnify, defend and hold harmless Buyer Indemnified Parties from and against and shall pay to Buyer Indemnified Parties the amount of, or reimburse Buyer Indemnified Parties for, any and all Damages that Buyer Indemnified Parties incur as a result of, or with respect to (except as caused by the acts or omissions of any Buyer Indemnified Party, and whether or not in connection with any third-party claim):

(a) the inaccuracy or breach of (i) any Fundamental Representation or (ii) any other representation or warranty contained in or made pursuant to this Agreement, including the Schedules, supplements to the Schedules, any Transaction Document or other certificate or document delivered by any Seller Party pursuant to this Agreement;

(b) the non-compliance with or failure to perform any agreement or covenant of any Seller Party contained in or made pursuant to this Agreement;

(c) the claims of any broker, finder or other Person engaged by any Seller Party or the Company;

(d) any Benefit Plan established or maintained by the Company prior to the Closing Date or any severance payments due to employees of the Company terminated prior to the Closing Date;

(e) any event, matter or circumstance occurring, existing or relating to the ownership, operation or maintenance of the Company or the Company’s Business prior to the Closing Date, including any Excluded Liabilities;

(f) any Closing Date Indebtedness that is not properly identified by Seller or that is not otherwise deducted from the Purchase Price at Closing and remains owing after the Closing;

(g) the failure to obtain any Required Consent;
any fraud, willful misconduct or criminal acts of any Seller Party, the Company, or any of such parties’ officers, directors, members, shareholders, employees, agents and independent contractors prior to the Closing Date; and

(i) any claim asserted by a third party relating to or resulting from any of the foregoing items (a) through (h).

9.3 Indemnification by Buyer. Subject to the conditions and provisions herein set forth, Buyer agrees to indemnify, defend and hold harmless Seller Indemnified Parties from and against and shall pay to Seller Indemnified Parties the amount of, or reimburse Seller Indemnified Parties for, any and all Damages that Seller Indemnified Parties incur as a result of, or with respect to (except as caused by the acts or omissions of any Seller Indemnified Party, and, except with respect to Section 9.3(d), whether or not in connection with any third-party claim):

(a) the inaccuracy or breach of any representation or warranty contained in or made pursuant to this Agreement, including the Schedules, supplements to the Schedules, any Transaction Document or any other certificate or document delivered by Buyer pursuant to this Agreement;

(b) the non-compliance with or failure to perform any agreement or covenant of Buyer contained in or made pursuant to this Agreement;

(c) the claims of any broker, finder or other Person engaged by Buyer; and

(d) any (i) third-party claim made in connection with an event, matter or circumstance occurring or related to the ownership, operation or maintenance of the Company or the Company’s Business or (ii) violation of Law resulting from a material deviation from the historic ordinary course operation of the Company or the Company’s Business, in the case of (i) or (ii) above following the Closing Date; except, that any event, matter or circumstance (x) that could reasonably be expected to give rise to a Buyer indemnity claim against any Seller Party under Section 9.2 or (y) resulting from any act or omission of any Seller Party shall not be an event, matter or circumstance giving rise to a claim for indemnity under this Section 9.3(d).

9.4 Limitations. Any claim for indemnification must be asserted before the expiration of the applicable Survival Period set forth in Section 9.1; provided, however, in the event notice of any claim for indemnification shall have been given within the applicable Survival Period, the provisions that are the subject of the indemnification claim shall survive with respect to such claims until such time as such claim is finally resolved.

9.5 Indemnification Procedures.

(a) Whenever any indemnification claim shall arise in favor of a Person entitled to indemnification under this Article IX (the “Indemnified Party”), including the assertion of any claim or liability against such Indemnified Party by a third party in writing that would give rise to a claim under this Article IX, the Indemnified Party shall notify the Person giving the indemnity (“Indemnifying Party”) in writing as soon as reasonably practicable but at least within thirty (30) days of (i) such Indemnified Party receiving actual knowledge of the facts constituting the basis for such indemnification claim, or, (ii) in the case of a third-party claim, receipt of a written third-
party assertion of a claim or liability. Failure to send such written notice shall not release the Indemnifying Party from liability hereunder, unless such failure materially prejudices the Indemnifying Party’s defense of the claims that are the subject of the written notice.

(b) The Indemnifying Party shall have the right to defend a third-party claim and control the defense, settlement and prosecution of any litigation. Each Indemnified Party shall reasonably cooperate with the Indemnifying Party in any such litigation defense, settlement or prosecution, and the Indemnifying Party shall reimburse each Indemnified Party for the actual out-of-pocket expenses incurred by the Indemnified Party as a result of such cooperation. The Indemnified Parties shall have the right to approve defense counsel selected by the Indemnifying Party, which approval shall not be unreasonably withheld. The Indemnifying Party shall be entitled to participate in the defense of such action, lawsuit, proceeding or claim, and employ separate counsel of its choice for such purpose, provided, however, that payment of the fees and expenses of such separate counsel shall be the responsibility of the Indemnified Party. If the Indemnifying Party, within ten (10) days after notice of such claim, fails to defend such claim, the Indemnified Party will (upon further notice to the Indemnifying Party) have the right to undertake the defense, compromise or settlement of such claim on behalf of, at the sole cost and expense of, and for the account and risk of the Indemnifying Party without impairing its right to indemnification hereunder. Anything in this Section 9.5 notwithstanding, (i) if there is a reasonable probability that a claim may materially and adversely affect the Indemnified Party other than as a result of money damages or other money payments, the Indemnified Party shall have the right, at its own cost and expense, to defend, compromise and settle such claim without impairing its right to indemnification hereunder, and (ii) the Indemnifying Party shall not, without the written consent of the Indemnified Party, which consent shall not be unreasonably withheld, settle or compromise any claim or consent to the entry of any judgment that (a) provides for relief other than the payment of monetary damages, (b) does not include as an unconditional term thereof the giving by the claimant to the Indemnified Party a release from all liability in respect to such claim, or (c) contains an admission of liability or violation of Law. All Parties agree to cooperate fully as necessary in the defense of such matters.

9.6 Disregarding Materiality Exceptions. For purposes of (i) calculating the dollar amount of Damages to which an Indemnified Party is entitled under this Article IX, (ii) determining whether a breach of any such representation or warranty has occurred, the terms “material,” “materiality,” and other qualifiers, modifiers or limitations shall be disregarded.

MISCELLANEOUS

11.1 Fees and Expenses. Except as otherwise expressly provided in this Agreement, each Party will pay its own costs and expenses incurred in connection with the negotiation, preparation and performance of this Agreement and the other Transaction Documents, including the fees and expenses of its counsel, accountants, brokers and financial advisors whether or not such transactions are consummated.

11.2 Public Announcement. No Party shall, prior to or after the Closing, without the approval of the other Parties, issue any press release or other public announcement concerning this Agreement or the Contemplated Transactions. Notwithstanding the foregoing, nothing contained in this Section 11.2 is deemed to prohibit, limit or restrict communications by either Party with Governmental Authorities, Buyer’s affiliates or lenders or Seller Parties’ respective affiliates, customers and suppliers or any party to obtain the Required Consents regarding the Contemplated Transactions.
11.3 Entire Agreement. This Agreement (together with the Schedules and the other Transaction Documents) contains the entire agreement and understanding of the Parties with respect to the subject matter hereof and supersedes all prior oral discussions and written agreements with respect thereto (including any term sheet or similar agreement or document relating to the Contemplated Transactions). There are no restrictions, agreements, promises, warranties, covenants or undertakings other than those expressly set forth herein and in the other Transaction Documents.

11.4 Right of Setoff. Upon prior written notice to Seller specifying in reasonable detail the basis therefor, Buyer shall have the right to withhold payment or offset (up to the amount of any good faith claim by Buyer) from any Contingent Consideration payable to Seller against any obligations and liabilities of any Seller Parties to Buyer under this Agreement; provided, however, that if it is ultimately determined by a court order or agreement of the Parties that the amount of Contingent Consideration withheld or offset exceeds the actual obligations and liabilities of the Seller Parties identified by Buyer in the written notice delivered in accordance herewith, then Buyer will promptly pay such excess amount to Seller, with interest calculated in accordance with Section 3.2(a).

11.5 Amendment and Waiver. This Agreement may be modified, supplemented or amended only by a written instrument duly executed by each of the Parties. Any term or condition of this Agreement may be waived at any time by the Party entitled to the benefit thereof. Any such waiver must be in writing and must be duly executed by such Party. All rights and remedies of the Parties to this Agreement are cumulative and not alternative. No failure or delay by any Party in exercising any right, power or privilege under this Agreement or the other Transaction Documents will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. A waiver on one occasion shall not be deemed to be a waiver of the same or any other breach, provision or requirement on any other occasion.

11.6 Counterparts; Electronic Signatures. This Agreement may be executed simultaneously in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Signatures on this Agreement by facsimile or other electronic imaging technology shall be deemed to be original signatures for all purposes.

11.7 Governing Law; Construction. 2.4 Cash True-Up and Settlement Statement.

(a) The Parties agree that the transactions described in this Agreement shall be effective as of the Effective Time. All Liabilities and expenses of the Company accruing after the Effective Time through the Closing Date relating to the Company's Business, other than Covered Liabilities, shall be deemed incurred for the benefit of Acquiror. All revenues of the Company accruing after the Effective Time through the Closing Date relating to the Company's Business shall be deemed earned for the benefit of Acquiror. All Liabilities and expenses of the Company accruing prior to the Effective Time shall be deemed incurred for the benefit of Transferor. All revenues of the Company accruing prior to the Effective Time relating to the Company's Business, including without limitation, residual payments under the SPS Referral Agreement, shall be deemed earned for the benefit of Transferor. (b) Beginning at least three (3) Business Days prior to the Closing, and continuing until no later than ninety (90) days following the Closing Date, Acquiror shall prepare in good faith and deliver to Transferor a statement (with reasonable detail and corroborating support attached or otherwise concurrently provided) which shall be substantially in the form attached hereto as Schedule 2.4(b) (the “Settlement Statement”) setting forth: (i) the sum of (A) all cash and cash equivalents of the Company as of the Effective Time, net of any distributions pursuant to Section 2.3, plus (B) all revenues of the Company that were received after the Effective Time, that were accrued or otherwise attributable to periods prior to the Effective Time (the “True-Up Liabilities”); and (ii) all Liabilities or expenses of the Company's Business that were paid by the Company after the Effective Time, that were accrued or otherwise attributable to periods prior to the Effective Time or otherwise constitute Covered Liabilities (the “True-Up Credits”). The amount, if any, by which (1) the True-Up Credits exceed the True-Up Liabilities is the “True-Up Surplus” and (2) the True-Up Liabilities exceed the True-Up Credits is the “True-Up Deficit”.

(c) Examination and Review.

(i) Examination. After receipt of the Settlement Statement, Transferor shall have thirty (30) days (the “Review Period”) to review the Settlement Statement. During the Review Period, Transferor and its accountants shall have full access to the Books and Records of the Company, the personnel of, and work papers prepared by, the Acquiror’s accountants to the extent that they relate to the Settlement Statement and to such historical financial information (to the extent in Transferor’s possession) relating to the Settlement Statement as Transferor may reasonably request for the purpose of reviewing the Settlement Statement and to prepare a
Statement of Objections (defined below), provided, that such access shall be in a manner that does not interfere with the normal business operations of the Parties.

(ii) **Objection.** On or prior to the last day of the Review Period, Transferor may object to the Settlement Statement by delivering to Acquiror a written statement setting forth Transferor’s objections in reasonable detail, indicating each disputed item or amount and the basis for Transferor’s disagreement therewith (the “Statement of Objections”). If Transferor fails to deliver the Statement of Objections before the expiration of the Review Period, the Settlement Statement and the True-Up Surplus or True-Up Deficit, as the case may be, reflected in the Settlement Statement shall be deemed to have been accepted by Transferor. If Transferor delivers the Statement of Objections before the expiration of the Review Period, Acquiror and Transferor shall negotiate in good faith to resolve such objections within thirty (30) days after the delivery of the Statement of Objections (the “Resolution Period”), and, if the same are so resolved within the Resolution Period, the True-Up Surplus or True-Up Deficit, as the case may be, and the Settlement Statement with such changes as may have been previously agreed in writing by Acquiror and Transferor shall be final and binding.

(iii) **Resolution of Disputes.** If Transferor and Acquiror fail to reach an agreement with respect to all of the matters set forth in the Statement of Objections before expiration of the Resolution Period, then any amounts remaining in dispute (“Disputed Amounts”) shall be submitted for resolution to an independent accountant reasonably acceptable to Transferor and Acquiror (the “Independent Accountants”) who, acting as experts and not arbitrators, shall resolve the Disputed Amounts only and make any adjustments to, the True-Up Surplus or True-Up Deficit, as the case may be, and the Settlement Statement. (iv) **Fees of the Independent Accountants.** The fees and expenses of the Independent Accountant shall be paid by Transferor, on the one hand, and by Acquiror, on the other hand, based upon the percentage that the amount actually contested but not awarded to Transferor or Acquiror, respectively, bears to the aggregate amount actually contested by Transferor and Acquiror.

There are no such claims, actions, Proceedings pending or, to the Knowledge of Transferor Parties, threatened, challenging the validity of the Contemplated Transactions. The Company is not now, and has not been, a party to any injunction, Order, or decree restricting the method of the Company’s conduct of the Company’s Business or servicing of the Merchants. Transferor Parties have provided to Acquiror copies of all notices from any Governmental Authority (i) received by Transferor Parties in writing or, (ii) to the Knowledge of Transferor Parties, received in writing by the Company’s Processors or sponsor banks since January 1, 2014.

4.15 Employee Benefit Plans.

(a) Schedule 4.15(a) sets forth a true, complete and correct list of all Benefit Plans (i) which are currently maintained or contributed to by the Company, or (ii) with respect to which the Company has any liability or obligations to any current or former officer, employee, or service provider of the Company, or the dependents of any thereof, regardless of whether funded. With respect to each Benefit Plan, the Company has made available to the Buyer true, accurate and complete copies of each of the following: (i) if the plan has been reduced to writing, the plan document together with all amendments thereto, (ii) if the plan has not been reduced to writing, a written summary of all material plan terms, (iii) if applicable, copies of any trust agreements, custodial agreements, insurance policies, administrative agreements and similar agreements, and investment management or investment advisory agreements, (iv) copies of any summary plan descriptions, employee handbooks or similar employee communications, (v) in the case of any plan that is intended to be qualified under Code Section 401(a), a copy of the most recent determination, notification, or opinion letter from the IRS and any related correspondence, and,
if applicable, a copy of any pending request for such determination, (vi) in the case of any funding arrangement intended to qualify as a VEBA under Code Section 501(c)(9), a copy of the IRS letter determining that it so qualifies, (vii) in the case of any plan for which Forms 5500 are required to be filed, a copy of the two most recently filed Forms 5500, with schedules attached, (viii) actuarial valuations and reports related to any Benefit Plans with respect to the most recently completed plan years; and (ix) the most recent nondiscrimination tests performed under the Code.

(b) Except as disclosed on Schedule 4.15(b), the Company has not been materially liable at any time in the past 6 years for contributions to a plan that is or has been, at any time in the past 6 years, subject to Section 412 of the Code, Section 302 of ERISA and/or Title IV of ERISA. There is no multiemployer plan (as defined in Section 3(37) or Section 4001(a)(3) of ERISA) under which the Company has any present or future liability. In the past 6 years the Company has not sponsored or contributed to or been required to contribute to a multiemployer plan or to a multiple employer welfare arrangement (as defined in Section 3(40) of ERISA).

(c) With respect to each of the Benefit Plans, neither the Company nor any ERISA Affiliate has (i) engaged in a prohibited transaction, (ii) breached any fiduciary duty or (iii) violated any Law applicable to the Benefit Plans and related funding arrangements, in each case as would reasonably be expected to have a Material Adverse Effect. Except as disclosed on Schedule 4.15(c), each Benefit Plan intended to be qualified under Section 401(a) of the Code has a current favorable determination letter as to its qualification or the sponsor of the Benefit Plan may rely on the IRS notification or advisory letter to the sponsor of any prototype plan or volume submitter used to document the terms of such Benefit Plan as to the tax-qualified status of such Benefit Plan, and no event has occurred which would reasonably be expected to cause any such Benefit Plan to become disqualified for purposes of Section 401(a) of the Code. Each Benefit Plan has been operated in compliance in all material respects with applicable Law, including the Code and ERISA, and in accordance with its terms. All benefits, contributions (including employee salary deferrals) and premium payments, required to be made under the terms of any of the Benefit Plans as of the date of this Agreement have been timely paid, accrued, or, if not yet due, have been (or will be) properly reflected on the Financial Statements.

(d) All required reports, Tax Returns, documents and plan descriptions of the Benefit Plans have been timely filed with the Internal Revenue Service and the U.S. Department of Labor and/or, as appropriate, provided to participants in the Benefit Plans. No Benefit Plan has within the three years prior to the date hereof been the subject of an examination or audit by a Governmental Authority or is currently the subject of an application or filing under, or is a participant in, an amnesty, voluntary compliance, self-correction, or similar program sponsored by any Governmental Authority that has not been resolved as of the date hereof. There are no material pending claims, lawsuits or actions relating to any Benefit Plan (other than ordinary course claims for benefits) and, to the Knowledge of Transferor Parties, none are threatened.

(e) The consummation of the Contemplated Transactions will not accelerate the time of vesting or payment, trigger any payment or funding, or increase the amount, of compensation or benefits to any employee, officer, former employee or former officer of the
Company or trigger any other material obligation pursuant to any Benefit Plan. No Benefit Plans or other Contracts or arrangements to which the Company is a party provide for payments that would be triggered by the consummation of the Contemplated Transactions that would subject any current or former employee or service provider of the Company to excise tax under Section 4999 of the Code, and the Company has not made any payments, is not obligated to make any payments and is not a party to any agreement that would reasonably be expected to obligate it to make any payments to any current or former employee or other service provider of the Company that will not be deductible under Section 280G of the Code.

(f) To the extent applicable, the Company has complied in all material respects with the continuation coverage provisions of COBRA and any applicable state statutes mandating health insurance continuation coverage for employees. Transferor Parties have provided to Buyer a list of all current and former employees of the Company and their beneficiaries who are eligible for and/or have elected continuation coverage under COBRA or have otherwise confirmed that there are no such eligible individuals. No Benefit Plan provides for, and no written or oral agreements have been entered into by the Company promising or guaranteeing, the continuation of medical, dental, vision, life or disability insurance coverage for any current or former employees of the Company or their beneficiaries for any period of time beyond the termination of employment (except to the extent of coverage required under COBRA). Except as set forth in Schedule 4.15(f) and other than as required under COBRA or other applicable Law, no Benefit Plan or other arrangement provides post-termination or retiree welfare benefits to any individual for any reason.

(g) Each Benefit Plan that is subject to Section 409A of the Code has been administered in material compliance with its terms and the operational and documentary requirements of Code Section 409A and all applicable regulatory guidance (including, notices, rulings and proposed and final regulations) thereunder. The Company does not have any obligation to gross up, indemnify or otherwise reimburse any individual for any excise taxes, interest or penalties incurred pursuant to Code Section 409A.

(h) There has been no amendment to, announcement by the Company relating to, or change in employee participation or coverage under, any Benefit Plan that would materially increase the annual expense of maintaining such plan above the level of the expense incurred for the most recently completed fiscal year with respect to any director, officer, employee, consultant or independent contractor of the Company, as applicable.

4.16 Employee Relations.

(a) Schedule 4.16(a) contains a list of all of the employees of the Company, their current salary or wage rates. Schedule 4.16(a) also indicates whether such employees are part-time or full-time. Company has, at all times, complied with all state and federal wage and hour Laws, including, but not limited to, properly classifying employees as exempt or non-exempt from overtime and minimum wage requirements and properly classifying workers as independent contractors rather than employees where applicable. All employees are employees at-will, unless otherwise specified on Schedule 4.16(a). The Company is not delinquent in payments to any of its employees for any wages, salaries, commissions, bonuses or other direct
compensation for any services performed for it or any other amounts required to be reimbursed to such employees (including accrued paid time off, accrued
vacation, accrued sick leave and other benefits) or in the payment to the appropriate Governmental Authority of all required Taxes, insurance, social
security and withholding thereon.

(b) No retention payments, severance payments, change in control payments or other similar compensation or benefits are due or will be
made to any employees, agencies or independent contractors of the Company in connection with the Contemplated Transactions. The Company has taken
no actions prior to the Closing related to the foregoing that will subject it or Acquiror to liability after the Closing.

4.17 Taxes.

(a) As of the Closing, Transferor is a small business corporation for which an election to be an “S corporation” within the meaning of
Section 1361(a)(1) of the Code for United States federal income tax purposes has, at all times from the formation of Transferor through the Closing, been in
effect. Transferor is not a “foreign person” as that term is used in Section 1.1445-2 of the Treasury Regulations.

(b) As of the Closing, the Company is wholly-owned by Transferor and is, and has been since the Conversion, a single member limited
liability company disregarded as an entity separate from Transferor for United States federal income tax purposes. Neither Transferor nor the Company has
taken any action or allowed any action that would cause or could cause the Company to not be disregarded as an entity separate from Transferor for United
States federal income tax purposes at any time from the date of the Conversion through the Closing.

(c) Prior to the Closing, the Company undertook the Conversion. Prior to the Conversion, 100% of the issued and outstanding capital stock
of Fairway Payments Incorporated was contributed to Transferor by Owner, Fairway 16 Trust and Fairway 26 Trust. Effective as of the date the stock of
Fairway Payments Incorporated was contributed to Transferor, Transferor properly elected to treat Fairway Payments Incorporated as a “qualified
subchapter S subsidiary” within the meaning of Code Section 1361(b)(3)(B). Prior to the contribution of the stock of Fairway Payments Incorporated to
Transferor, Fairway Payments Incorporated had been an “S corporation” within the meaning of Code Section 1361(a)(1) for United States federal income
tax purposes at all times from the formation of Fairway Payments Incorporated until the date of such contribution.

(d) Fairway Payments Incorporated, Transferor, and the Company have filed, on a timely basis, all Tax Returns required to be filed as of
the Closing Date. All such Tax Returns are true, correct and complete in all material respects. Fairway Payments Incorporated, Transferor, and the
Company have paid all Taxes due in connection with such Tax Returns and shall timely pay any Taxes that have or may become due under applicable Law
with respect to all Pre-Closing Periods (whether or not shown or required to be shown on any Tax Return). There are no Liens for Taxes (other than Taxes
not yet due and payable) upon any of the assets of Fairway Payments Incorporated, Transferor, or the Company. Fairway Payments Incorporated,
Transferor, and the Company have withheld or collected and paid over to the
appropriate Governmental Authorities (or is properly holding for such payment) all Taxes required by Law to be withheld or collected with respect to all of their respective operations, including withholdings on payments to Fairway Payments Incorporated, Transferor, or the Company for sales and use taxes. No claim has ever been made by any authority in a jurisdiction where Fairway Payments Incorporated, Transferor, or the Company do not file Tax Returns that any of them may be subject to taxation in that jurisdiction.

(e) No audit or other proceeding by any United States Federal, state or local or foreign court, governmental or regulatory authority, or similar Person is pending or, to the Knowledge of Transferor Parties, threatened with respect to any Taxes due from: (1) any of the Transferor Parties in connection with Fairway Payments Incorporated, Transferor, or the Company or any Tax Return filed or required to be filed by, relating to or including Transferor Parties, or (2) Fairway Payments Incorporated, Transferor, or the Company. There are no outstanding assessments or deficiencies for any Tax and, to the Knowledge of Transferor Parties, none are presently threatened against Transferor Parties or Fairway Payments Incorporated, Transferor, or the Company. There are no unexpired waivers of any statute of limitations with respect to any Taxes for which Transferor Parties or Fairway Payments Incorporated, Transferor, or the Company may be liable. Neither Fairway Payments Incorporated, Transferor, nor the Company has entered into any “reportable transaction” as defined in Treasury Regulation Section 1.6011-4(b). No federal income Tax Return that was filed by Fairway Payments Incorporated, Transferor, or the Company contains, or was required to contain (to avoid a penalty, and determined without regard to the effect of post-filing disclosure), a disclosure statement under Section 6662 of the Code.

(f) Neither Fairway Payments Incorporated, Transferor, nor the Company is a party to or bound by any tax allocation, tax indemnity or tax sharing agreement. Neither Fairway Payments Incorporated, Transferor, nor the Company has ever been a member of an affiliated group filing a consolidated federal income Tax Return or a member of a combined, consolidated or unitary group for state, local or foreign Tax purposes.

4.18 Environmental Matters.

(a) The Company is currently in compliance in all material respects with all Environmental Laws which compliance includes, but is not limited to, the possession by Company of all Licenses and other governmental authorization required under applicable Environmental Laws and in compliance in all material respects with the terms and conditions thereof to operate the Company’s Business as currently operated;

(b) There have been no actions, activities, circumstances, conditions, events or incidents that could form the basis of any material Environmental Claim against the Company, and the Transferor Parties have no Knowledge of any such actions, activities, circumstances, conditions, events or incidents prior to its ownership or leasing of the Real Property or assets.

4.19 Affiliate Transactions. Except as set forth on Schedule 4.19, neither the Company nor Owner has taken an action within the past twelve (12) months that would divert revenue under the SPS Referral Agreement away from the Company and direct such revenue to Owner or
an affiliate, and neither the Owner nor any of its affiliates own any asset, tangible or intangible, that is used in the Company’s Business. Except as set forth on Schedule 4.19, neither Transferor Parties nor any of their affiliates own, or in the last twelve (12) months has owned, of record or as a beneficial owner, an equity interest or any other financial or profit interest in any Person that has had business dealings or a material financial interest in any transaction with the Company.

4.20 Insurance. Schedule 4.20 includes a list of all insurance policies maintained by or for the benefit of the Company with respect to the Company’s Business. Schedule 4.20 sets forth each policy’s applicable deductibles, coverage limits and whether or not the insurance policies provide coverage on an occurrence basis. All of such policies are in full force and effect with no premium arrearage. The Company has timely given to its insurers all notices required to be given under such insurance policies with respect to all of the claims and actions conferred by insurance, and no insurer has denied coverage of any such claims or actions. Except as set forth on Schedule 4.20, the Company has not (a) received any written notice or other communication from any such insurance company cancelling or amending any of such insurance policies, and, to the Transferor Parties’ Knowledge, no such cancellation or amendment is threatened, or (b) failed to give any required notice or to present any claim which is still outstanding under any of such policies with respect to the Company’s Business.

4.21 Merchants and Products.
(a) Except as set forth on Schedule 4.21, the Company refers Merchants exclusively to SPS and no other party and only refers Merchants for processing services pursuant to the SPS Referral Agreement.
(b) Except as set forth on Schedule 4.21, the Company does not manufacture, distribute or sell any software, point-of-sale equipment or other tangible or intangible property in connection with the Company’s Business.

4.22 Privacy.
(a) The Company is and has been in compliance with: (i) all applicable Privacy Laws, (ii) all of the Company’s policies regarding privacy and data security and (iii) all contractual commitments that the Company has entered into with respect to Personal Information. Acquiror acknowledges and agrees that Company makes no representations or warranties regarding the compliance of any other Person with Privacy Laws.
(b) The Company has commercially reasonable safeguards in place to protect any Personal Information in its possession or control from unauthorized access, including by its employees, contractors and consultants.
(c) The Company has not made any illegal or unauthorized use of Personal Information that was collected by or on behalf of the Company.
(d) The transfer, if any, of Personal Information in connection with the transactions contemplated by this Agreement will not violate any Privacy Laws. The Company is not subject to any contractual requirements, privacy policies or other legal obligations that,
following the Closing, would prohibit the Company or Acquiror or any of its affiliates from receiving or using Personal Information in the manner in which the Company receives and uses such Personal Information prior to the Closing.

(e) The Company has not received any notice of any claims against the Company or been charged with the violation of any Privacy Laws. To the Knowledge of Transferor Parties, the Company has not been and is not under investigation with respect to any violation of any Privacy Laws or applicable privacy policies, and there are no facts or circumstances which could form the basis for any such violation.

(f) There have been no Data Breaches involving the Company and/or any Personal Information in the possession of the Company.

4.23 Referral Sources.

(a) Referral Source Contracts. Attached as Schedule 4.23(a) are true and correct copies of the currently effective agreements with each Referral Source.

(b) Referral Payments. Schedule 4.23(b) sets forth, for the years 2014, 2015, 2016 and 2017, the payments made from the Company to each Referral Source.

(c) Disputes. Except for as described on Schedule 4.23(c), there is no existing dispute between the Company and any Referral Source and, to the Knowledge of the Transferor Parties, no Referral Source intends to terminate its agreement with the Company or materially reduce its referral volume from current levels as a result of the consummation of the Contemplated Transactions or otherwise.

(a) To the actual knowledge of Transferor Parties, no Person has gained unauthorized access to any computers, computer software, firmware, middleware, servers, workstations, routers, hubs, switches, data communications lines, or other information technology equipment, and associated documentation used by or on behalf of the Company or its affiliates or any Processor or service provider of the Company or its affiliates or any data stored thereon for purposes of exploitation of such data (including any Merchant data, Personal Information, or cardholder data) (a “Data Breach”). None of the Company, its affiliates or, to the actual knowledge of Transferor Parties, any Processor or Merchant, has received a “common point of purchase”, “point of compromise” or similar notice, letter or inquiry relating to the Company’s Business.

(b) The Company is not required to be in compliance with the Payment Card Industry Data Security Standards because it does not store, transmit or process “cardholder data” or “sensitive authentication data” (as such terms are defined in the Payment Card Industry Data Security Standards).

4.25 Debt Collection. The Company does not provide, and has not provided or marketed, services to any Merchant that imposes convenience fees and/or similar fees where
state law prohibits the collection of such convenience or similar fees. The Company does not provide, and has not provided or marketed, services to any Merchant involved in debt collection where any such Merchant imposes convenience fees where the agreement creating the applicable consumer debt does not expressly authorize the collection of such fees.

4.26 Solvency. Immediately after giving effect to the Closing and the Contemplated Transactions, Transferor (a) will be able to pay its debts as they become due and shall own property that has a fair saleable value greater than the amounts required to pay its debts (including a reasonable estimate of the amount of all contingent Liabilities) and (b) shall have adequate capital to carry on its business. No transfer of property is being made and no obligations are being incurred in connection with the Contemplated Transactions with the intent to hinder, delay or defraud either present or future creditors of Transferor, the Company or any of its subsidiaries. Transferor Parties acknowledge that the Interests are being transferred to Acquiror or an affiliate of Acquiror in exchange for reasonably “equivalent value,” as such term or similar terms are used in any potentially applicable fraudulent conveyance Laws.

4.27 No Other Representations or Warranties. Except as specifically set forth in this Article IV (including the related portions of the Schedules), neither Transferor nor the Owner makes any representation or warranty in respect of this Agreement, the Interests or the Company’s Business.

ARTICLE V

Acquiror represents and warrants to Transferor Parties as of the Closing Date, as follows:

5.1 Limited Liability Company Status. Acquiror (a) is a limited liability company duly organized, validly existing and in good standing under the Laws of the State of Delaware, and (b) has all requisite limited liability company power and authority to carry on its business as now and heretofore conducted and to own, operate and lease its properties, and (c) is duly qualified or licensed to transact business in and is in good standing as a foreign limited liability company in all jurisdictions where Acquiror is required to be qualified or licensed to do business as a foreign limited liability company.

5.2 Limited Liability Company Authorization; Binding Effect. Acquiror has full limited liability company power and authority to execute and deliver the Transaction Documents and to perform its obligations thereunder. The Transaction Documents and performance and consummation of the Contemplated Transactions are and have been approved by all requisite limited liability company action of Acquiror. No other limited liability company or legal proceedings on the part of Acquiror are necessary to approve or authorize the execution and delivery of the Transaction Documents and the consummation of the Contemplated Transactions. The Transaction Documents have been duly executed and delivered by Acquiror and, assuming due authorization, execution and delivery of the Transaction Documents by Transferor Parties, each Transaction Document is the valid and legally binding obligation of Acquiror, enforceable in accordance with its terms, subject to applicable bankruptcy, reorganization, insolvency, moratorium and other laws affecting creditor’s rights generally from time to time in effect and
5.3 No Conflict. Acquiror’s execution, delivery and performance of the Transaction Documents and consummation of the Contemplated Transactions and compliance with any of the provisions thereof will not (i) violate any Law to which Acquiror may be subject, (ii) conflict with or result in a breach of any provision of the Certificate of Organization or Limited Liability Company Agreement of Acquiror, (iii) require any consent, approval or authorization of, or notice to, or declaration, filing or registration with, any Governmental Authority that is required by Law or the regulations of any Governmental Authority, (iv) violate any Order of any Governmental Authority to which Acquiror may be subject, (v) violate, or conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice or lapse of time or both would constitute a default) under, or result in the termination or in a right of termination or cancellation of, or accelerate the performance required by, or result in the creation of any Lien upon any of the properties of Acquiror or result in being declared void, voidable, without further binding effect, or subject to amendment or modification any of the terms, conditions or provisions of, any contract, license, franchise, permit, or other material instrument or commitment or obligation to which Acquiror may be bound or affected.

5.4 Brokers and Finders. Neither Acquiror nor its agents has engaged any finder or broker or incurred any obligation or liability, contingent or otherwise, for brokerage or finders’ fees or agents’ commissions in connection with this Agreement and the Contemplated Transactions.

5.5 No Other Representations or Warranties. Except as specifically set forth in this Article V (including the related portions of the Schedules), Acquiror does not make any representation or warranty in respect of Acquiror or this Agreement.

ARTICLE VI
COVENANTS OF TRANSFEROR PARTIES

6.1 Notices and Consents. To the extent that Transferor Parties have not obtained all necessary Licenses, consents, waivers or other authorizations or approvals or Required Consents (collectively, “consents”) from any Governmental Authority or any private third-party as of the Closing and the Parties nonetheless elect to close, then upon request by Acquiror, Transferor Parties shall use their commercially reasonable efforts to: (a) obtain such consents as soon as practicable post-Closing, (b) cooperate with Acquiror in any reasonable and lawful arrangements under which Acquiror would obtain the benefit of the matter concerned; and (c) enforce for the account of Acquiror any rights of Transferor Parties arising from the matter concerned. Transferor Parties shall be liable for any costs incurred for obtaining such consents, including any payments required by consenting parties. If any consent cannot be obtained, Acquiror and Transferor Parties will reasonably cooperate in any legal and commercially reasonable arrangement to obviate the need for that consent.

6.2 Tax Matters.
   (a) Transferor Parties shall be responsible for paying all capital gains, income,
Transfer, documentary, sales, use, stamp, registration and other such Taxes, and all conveyance fees, recording charges and other fees and charges (including any penalties and interest) incurred in connection with the sale of the Interests and the consummation of the transactions contemplated by this Agreement, and Transferor Parties shall be responsible for preparing and filing any Tax Returns in connection therewith.

(b) Transferor Parties shall be liable for and shall pay all Taxes in respect of or relating to the business, operations, or assets of Fairway Payments Incorporated, Transferor, or the Company for any period ending on or before the Effective Time. Taxes with respect to any period that begins before and ends after the Effective Time shall be allocated to the period ending on the Effective Time (i) on a per diem basis in the case of real and personal property Taxes and (ii) on the basis of an interim closing of the books at the Effective Time in the case of all other Taxes. Notwithstanding the foregoing, Transferor Parties shall also be liable for and shall pay all Taxes in respect of or relating to Fairway Payments Incorporated or the Company resulting from the Conversion the restructuring steps immediately preceding the Conversion (including any tax elections filed with the IRS) until the Closing Date.

(c) After the Closing, Transferor Parties and Acquiror shall (and shall cause their respective affiliates to):

(i) Make available to the other and to any taxing authority, as reasonably requested, all information, records, and documents with respect to Taxes relating to the business, operations, or assets of Fairway Payments Incorporated, Transferor, or the Company and preserve that information and those records and documents until the expiration of any applicable statute of limitations, including any extensions of that statute of limitations;

(ii) Provide timely notices to the other Party in writing of any pending or threatened Tax audits or assessments relating to the business, operations, or assets of Fairway Payments Incorporated, Transferor, or the Company for taxable periods for which the other party may have a responsibility under this Section 6.2 or otherwise; and,

(iii) Furnish the other Parties with copies of all correspondence received from any taxing authority in connection with any Tax audit or information request with respect to any taxable period for which the other party may have a responsibility under this Section 6.2 or otherwise.

(d) Notwithstanding any other indemnification provision in this Agreement, each of Transferor Parties agrees to jointly and severally indemnify, defend and hold harmless Acquiror Indemnified Parties from and against any and all Damages that Acquiror Indemnified Parties incur as a result of, or with respect to any (i) Taxes of or imposed on Transferor Parties; (ii) Taxes of or imposed upon Fairway Payments Incorporated, Transferor, or the Company with respect to any period ending on or before the Effective Time; (iii) Taxes imposed on Fairway Payments Incorporated, Transferor, or the Company under Treasury Regulations Section 1.1502-6 (and corresponding provisions of state, local, or foreign Law) as a result of having been a member of any federal, state, local or foreign consolidated, unitary, combined or similar group for any taxable period ending on or before, or that includes, the Closing Date, or as a transferee.
or successor by contract or arrangement or pursuant to Law, or otherwise; (iv) any breach by Transferor Parties of any of the covenants and obligations contained in this Section 6.2; and (v) the breach or inaccuracy of the representations and warranties set forth in Section 4.17 of this Agreement. Any indemnity payment under this Agreement shall be treated by Transferor Parties and Acquiror as an adjustment to the Consideration for U.S. federal income tax purposes. Any indemnity payment required to be made pursuant to this Section 6.2(d) shall be paid within five (5) days after the Indemnified Party makes written demand upon the Indemnifying Party and provides reasonable evidence in support of such claim for Damages. In no event shall the indemnities provided for in this Section 6.2(d) be subject to the provisions of Article VIII of this Agreement.

(e) Notwithstanding anything to the contrary contained in this Agreement, each of the provisions set forth in this Section 6.2 shall survive until sixty (60) days after the expiration of the applicable statute of limitations (taking into account all valid extensions) for the applicable Taxes or Tax Return to which the provision relates; provided, however, in the event notice of any claim for indemnification under this Agreement shall have been given within the applicable survival period, the provisions that are the subject of the indemnification claim shall survive with respect to such claims until such time as such claim is finally resolved.

6.3 Noncompetition; Nonsolicitation.

(a) During the period beginning on the Closing Date and ending two (2) years from the last date of employment of the Owner with Acquiror or an affiliate of Acquiror, Transferor Parties as applicable will not, without the prior written consent of Acquiror, work with, provide services to, or own an interest in any business that competes directly or indirectly with the Company’s Business, other than in Owner’s capacity as an employee or equity holder of Acquiror or its affiliates. The foregoing agreement shall not be deemed to restrict (A) the ownership, directly or indirectly (including by a trust formed at the direction of a Transferor Party), of Transferor Parties of (i) equity securities representing less than 50% of the voting stock of Cleargage, Inc. which company now conducts, and will in the future conduct, a business similar to the Company's Business, (ii) equity securities of The Shared Collective, LLC provided that such company does not provide merchant processing services or refer merchant processing services to a processor in return for compensation, or (iii) up to three percent (3%) of any class of the outstanding capital stock of any corporation conducting a business similar to the Company’s Business that is regularly traded on a national securities exchange; or (B) Owner from acting as a member of the board of directors of Cleargage, Inc. or a manager of The Shared Collective, LLC. The consideration for the foregoing agreement is included in the Consideration.

(b) During the period beginning on the Closing Date and ending two (2) years from the last date of employment of the Owner with Acquiror or an affiliate of Acquiror, Transferor Parties as applicable will not, other than in furtherance of the Owner’s employment with Acquiror, without the prior written consent of Acquiror:

(i) hire, attempt to hire, solicit, induce, or attempt to solicit or induce any employee or independent contractor of Acquiror (including Referral Sources) to leave Acquiror’s employment or to terminate his or her or its contractual and/or business relationship
with the Company; provided, however, that general advertising not targeting Acquiror’s employees shall not be a breach of this Section 6.3(b)(i):

(ii) Call on or communicate with (except if such contact is not to the business detriment of Acquiror), or divert or solicit, any of the Referral Sources or Merchants;

(iii) work with or provide services related to the Company’s Business to any Merchant or other customer of Acquiror or any affiliate of Acquiror; or

(iv) encourage or persuade any Merchant or other customer of Acquiror or its affiliates not to enter into an agreement or to terminate an agreement with Acquiror or its affiliates or to obtain similar services from a competitor of Acquiror or its affiliates.

(c) The consideration for this Section 6.3 is included in the Consideration. The Parties specifically acknowledge and agree that the remedy at law for any breach of this Section 6.3 will be inadequate and that Acquiror, in addition to any other relief available to it, may be entitled to temporary and permanent injunctive relief without the necessity of proving actual damage. In addition, notwithstanding the provisions of Article VIII, Acquiror may be entitled to recover, directly from Transferor Parties its actual damages as a result of a breach of Section 6.3. The rights and remedies of the Parties to this Agreement are cumulative and not alternative.

6.4 Post-Closing Financial Audit Cooperation. After the Closing, Transferor Parties covenant and agree to use their reasonable best efforts to assist and cooperate with Acquiror and its accountants, independent auditors and other representatives (collectively the “Acquiror Audit Representatives”) in the preparation of audited balance sheets, statements of income and cash flows, together with all footnotes and related disclosures (collectively, the “Audited Financial Statements”). The cooperation of Transferor Parties pursuant to this Section shall include (i) providing access to and copies of the Company’s historic financial statements, records and any other information relevant to an audit of the Company and the Company’s Business, (ii) assisting the Acquiror Audit Representatives in understanding the Company’s financial position as of and at the pre-Closing dates requested and the results of operations and cash flows for the pre-Closing periods specified by the Acquiror Audit Representatives and (iii) making the Company’s management available to respond to requests from the Acquiror Audit Representatives or render any management representations reasonably necessary or relevant to the preparation of the Audited Financial Statements. Transferor Parties acknowledge that a purpose of the covenant contained herein is so the Company’s financial statements might be consolidated with the financial statements of Acquiror in conformity with United States generally accepted accounting principles and the SEC rules and guidance (including Regulation S-K) with respect to financial statements and financial reporting. As such, the Audited Financial Statements will be prepared in a form and substance suitable for inclusion on Form S-1 (or other eligible or successor form), and Transferor Parties’ standard of cooperation pursuant to this Section shall reflect Transferor Parties’ understanding of such purpose. For the avoidance of doubt, the Parties acknowledge that (i) to the extent the Audited Financial Statements differ from the Financial Statements, this Section 6.4 alone shall not give rise to an indemnity claim of Acquiror Indemnified Parties under
Article VIII if such difference would not otherwise have constituted a breach of Section 4.5 and (ii) nothing in this Section 6.4 shall be deemed to bar any claim by any Acquiror Indemnified Parties under Article VIII for a breach of Section 4.5. The Parties acknowledge and agree that Acquiror shall be liable for all out-of-pocket expenses incurred by Acquiror or a Transferor Party in connection with the preparation of the Audited Financial Statements and Acquiror will promptly reimburse Transferor Parties for any such expenses.

6.5 Termination of Non-Continuing Employees. Prior to the Closing, Transferor Parties shall have caused the Company to terminate all its employees except for the Continuing Employees.

ARTICLE VII
COVENANTS OF ACQUIROR AND BOTH PARTIES

7.1 Confidentiality. The Parties agree that the existence of this Agreement (including any reference to the transaction generally) and the terms and conditions hereof and the other Transaction Documents (collectively, “Transaction Information”) shall not be disclosed to any third party without prior written consent of the non-disclosing Party, and none of Parties, nor any representative thereof shall distribute or provide access to this Agreement or the other Transaction Documents, or the contents or any part thereof, to any third party, except to a Party’s legal and financial advisors, lenders and accountants and in any case as required by Law or accounting practice or to allow attorneys to enforce or interpret the Agreement. Notwithstanding the foregoing, nothing in this Section 7.1 shall prohibit Acquiror or its affiliates from disclosing any Transaction Information in connection with any financing, business combination, public offering, or other similar transaction.

7.2 Post-Closing Access to Information.

(a) Transferor Parties and Acquiror acknowledge that subsequent to Closing each Party may need access to information or documents in the control or possession of the other Party for the purposes of concluding the Contemplated Transactions, audits, compliance with Laws and governmental requirements, and the prosecution or defense of third-party claims. Accordingly, Transferor Parties and Acquiror agree that until the later of the four (4) year anniversary of the Closing Date or the expiration of any applicable statute of limitations pertaining to Tax matters, to the extent permitted by Law, each will make reasonably available to the other’s agents, independent auditors and/or governmental agencies upon written request and at the expense of the requesting Party such documents and information as may be available for periods prior and subsequent to Closing to the extent necessary to facilitate concluding the Contemplated Transactions, audits, compliance with Laws and governmental requirements and regulations and the prosecution or defense of third-party claims. In addition, Transferor Parties shall make available to Acquiror, at Acquiror’s cost and expense, upon reasonable notice and during normal business hours, the Company’s Books and Records to the extent not transferred to Acquiror but necessary to Acquiror in the preparation of Tax Returns.

(b) Upon request, each of the Parties shall cooperate with the other in good faith, at the requesting Party’s expense, in furnishing information, testimony and other assistance.
in connection with any actions, Proceedings, arrangements, or disputes involving any of the Parties (other than in a dispute among such parties or entities) and based upon contracts, arrangements or acts of the Company or any Party hereto which were in effect or occurred prior to the Closing. Acquiror shall cause to be provided any information or documents reasonably requested by the Company in connection with Tax or other disputes, settlements, investigations, Proceedings or other matters in respect of any period ending at or prior to the Closing. The Party requesting documents or information pursuant to this Section 7.2 shall pay all fees and expenses paid to unaffiliated third parties by the Party providing such documents or information in connection with providing such information or document.

(c) As described on Schedule 2.3, all books, records and files of the Company, including electronic or email communications or files, relating to the negotiation and preparation of this Agreement or any Transfer Documents, have been distributed to Transferor. The Parties acknowledge that such books, records and files are not property of the Company and are confidential to Transferor and Transferor Parties and that Transferor Parties intend to preserve the attorney-client and work product privileges relating to such materials.

7.3 Further Assurances and Cooperation, Misdirected Payments. Transferor Parties shall, at any time and from time to time at and after the Closing, upon the request of Acquiror, take any and all steps reasonably necessary and within Transferor Parties’ control to place Acquiror in possession and operating control of the Company and the Interests and will do, execute, acknowledge and deliver, or will cause to be done, executed, acknowledged and delivered, all such further acts, deeds, assignments, transfers, conveyances, powers of attorney and assurances as may be reasonably required to transfer and confirm more effectively to Acquiror or to its successors or assigns, or to reduce to possession, any or all of such Interests and to carry out the purposes and intent of this Agreement. From and after the date of this Agreement, upon the request of any Party, the other Parties shall furnish such further information, execute and deliver such schedules, instruments, documents or other writings and take such actions as may be reasonably necessary or desirable to confirm and carry out and to fully effectuate the intent and purposes of this Agreement.

7.4 Nondisparagement. During the period beginning on the Closing Date and ending two (2) years from the last date of employment of the Owner with Acquiror or an affiliate of Acquiror, neither Acquiror nor Transferor Parties will disparage another Party or any of its respective affiliates, members, directors, officers, employees or agents. For purposes of clarity, statements made by a Party in the context of a good-faith pursuant of a claim or action against the other Party in connection with this Agreement shall not give rise to a breach of this Section 7.4.

ARTICLE VIII
INDEMNIFICATION

8.1 Survival. The representations and warranties made by Transferor Parties in this Agreement shall survive the Closing Date and shall continue in full force and effect for a period of seventeen (17) months thereafter; provided, however, (i) each of the representations and warranties set forth in Article III (Representations and Warranties of Transferor Parties),
Section 4.1 (Status), Section 4.2 (Authorization; Binding Effect), and the first two sentences of Section 4.12 (Title to and Sufficiency of Assets) shall survive indefinitely and (ii) each of the representations and warranties set forth in Section 4.15 (Employee Benefit Plans), Section 4.17 (Taxes) and Section 4.18 (Environmental Matters) shall survive until sixty (60) days after the last day upon which any claim could be made against Acquiror or the Company or could be made that would affect Acquiror or the Company relating to such matters (the representations and warranties referenced in Section 8.1(i) and Section 8.1 (ii) being the “Fundamental Representations”). The representations and warranties made by Acquiror in this Agreement shall survive the Closing Date and continue in full force and effect for a period of seventeen (17) months thereafter; provided, however, the representations and warranties set forth in Section 5.1 (Status) and Section 5.2 (Authorization, Binding Effect) shall survive indefinitely. The covenants and agreements made by the Parties in this Agreement shall survive the Closing Date indefinitely or for the period stated therein. In each case, the period from the date hereof until the last date on which a representation, warranty, covenant or other obligation survives shall be known as the “Survival Period.”

8.2 Indemnification by Transferor Parties. Subject to the provisions herein set forth, Transferor Parties agree to, jointly and severally, indemnify, defend and hold harmless Acquiror Indemnified Parties from and against and shall pay to Acquiror Indemnified Parties the amount of, or reimburse Acquiror Indemnified Parties for, any and all Damages that Acquiror Indemnified Parties incur as a result of, or with respect to (except as caused by the acts or omissions of any Acquiror Indemnified Party, and whether or not in connection with any third-party claim):

(a) the inaccuracy or breach of (i) any Fundamental Representation or (ii) any other representation or warranty contained in or made pursuant to this Agreement, including the Schedules, supplements to the Schedules, any Transaction Document or other certificate delivered by Transferor Parties pursuant to this Agreement;

(b) the non-compliance with or failure to perform any agreement or covenant of Transferor Parties contained in or made pursuant to this Agreement;

(c) the claims of any broker, finder or other Person engaged by Transferor;

(d) any Benefit Plan established or maintained by the Company prior to the Closing Date or any severance payments due to employees of the Company terminated prior to the Closing Date;

(e) Chargeback liability to SPS under Section 9(a) of the SPS Referral Agreement resulting from an action or omission of the Company prior to the Closing Date;

(f) any Covered Liabilities, provided, however, that for purposes of clarity, any pre-Closing Liabilities that are taken into account as True-Up Credits pursuant to Section 2.4 shall not be “Covered Liabilities” for purposes of this Section 8.2(f) to the extent classification of such Liabilities as Covered Liabilities would result in a duplicate recovery by any Acquiror.
Indemnified Party under Section 2.4 and this Section 8.2(f):

(g) any Closing Date Indebtedness that is not properly identified by Transferor Parties or that is not otherwise deducted from the Consideration at Closing and remains owing after the Closing;

(h) any fraud or criminal acts of any of Transferor Parties;

(i) the breach of or non-compliance with any Contract between (x) any potential third-party buyer of the Company or the Company’s assets and (y) any Transferor Parties or the Company, in each case with respect to a Pre-Closing Period; and

(j) any claim asserted by a third party relating to or resulting from any of the foregoing items (a) through (i).

8.3 Indemnification by Acquiror. Subject to the conditions and provisions herein set forth, Acquiror agrees to indemnify, defend and hold harmless Transferor Indemnified Parties from and against and shall pay to Transferor Indemnified Parties the amount of, or reimburse Transferor Indemnified Parties for, any and all Damages that Transferor Indemnified Parties incur as a result of, or with respect to (except as caused by the acts or omissions of any Transferor Indemnified Party, and whether or not in connection with any third-party claim):

(a) the inaccuracy or breach of any representation or warranty contained in or made pursuant to this Agreement, including the Schedules, supplements to the Schedules, any Transaction Document or any other certificate delivered by Acquiror pursuant to this Agreement;

(b) the non-compliance with or failure to perform any agreement or covenant of Acquiror contained in or made pursuant to this Agreement;

(c) Chargeback liability to SPS under Section 9(a) of the SPS Referral Agreement resulting from an action or omission of the Company or Acquiror after Closing; and

(d) the claims of any broker, finder or other Person engaged by Acquiror;

(e) any fraud or criminal acts of any of Acquiror; and

(f) any claim asserted by a third party relating to or resulting from any of the foregoing items (a) through (e).

8.4 Limitations. Any claim for indemnification must be asserted before the expiration of the applicable Survival Period set forth in Section 8.1; provided, however, in the event notice of any claim for indemnification shall have been given within the applicable Survival Period, the provisions that are the subject of the indemnification claim shall survive with respect to such claims until such time as such claim is finally resolved. Transferor, the Owner or Acquiror shall have no liability under Section 8.2(a)(ii) or Section 8.3(a), as applicable, until the total of all Damages incurred by the Acquiror Indemnified Parties or the Transferor Indemnified Parties, as applicable, with respect to such matters exceeds Two Hundred Fifty Thousand United States
Dollars ($250,000) (the “General Deductible”), in which event the applicable Indemnifying Party shall only be required to pay or be liable for all such Damages exceeding the General Deductible. Transferor Parties shall have no liability under Section 8.2(i) until the total of all Damages incurred by the Acquiror Indemnified Parties with respect to such matters exceeds One Hundred Thousand United States Dollars ($100,000) (the “Specific Deductible”), in which event the applicable Indemnifying Party shall only be required to pay or be liable for all such Damages exceeding the Specific Deductible. The aggregate amount of Damages that may be recoverable by Acquiror Indemnified Parties or Transferor Indemnified Parties pursuant to Section 8.2(a)(ii) or Section 8.3(a), as applicable, shall not exceed Three Million Nine Hundred Thousand United States Dollars ($3,900,000), except that, notwithstanding the foregoing, such amount recoverable shall not exceed Seven Million Eight Hundred Thousand United States Dollars ($7,800,000) for breaches of the representations and warranties set forth in Sections 4.5 (Financial Representations). Acquiror agrees that, absent fraud, from and after the Closing, and except as set forth in Section 6.2 and Section 10.12, the indemnification provided in this Article VIII is the exclusive remedy for a breach by Transferor or the Owner of any representation, warranty, agreement or covenant contained in this Agreement. The limitations set forth in this Section 8.4 shall not apply to fraud of any Indemnifying Party.

8.5 Indemnification Procedures.

(a) Whenever any indemnification claim shall arise in favor of a Person entitled to indemnification under this Article VIII (the “Indemnified Party”), including the assertion of any claim or liability against such Indemnified Party by a third party in writing that would give rise to a claim under this Article VIII, the Indemnified Party shall notify the Person giving the indemnity (“Indemnifying Party”) in writing as soon as reasonably practicable but at least within thirty (30) days of (i) such Indemnified Party receiving actual knowledge of the facts constituting the basis for such indemnification claim, or, (ii) in the case of a third-party claim, receipt of a written third-party assertion of a claim or liability. Failure to send such written notice shall not release the Indemnifying Party from liability hereunder, unless such failure materially prejudices the Indemnifying Party’s defense of the claims that are the subject of the written notice.

(b) The Indemnifying Party shall have the right to defend a third-party claim and control the defense, settlement and prosecution of any litigation. Each Indemnified Party shall reasonably cooperate with the Indemnifying Party in any such litigation defense, settlement or prosecution, and the Indemnifying Party shall reimburse each Indemnified Party for the actual out-of-pocket expenses incurred by the Indemnified Party as a result of such cooperation. The Indemnified Parties shall have the right to approve defense counsel selected by the Indemnifying Party, which approval shall not be unreasonably withheld. The Indemnified Party shall be entitled to participate in the defense of such action, lawsuit, proceeding or claim, and employ separate counsel of its choice for such purpose, provided, however, that payment of the fees and expenses of such separate counsel shall be the responsibility of the Indemnified Party. If the Indemnifying Party, within ten (10) days after notice of such claim, fails to defend such claim, the Indemnified Party will (upon further notice to the Indemnifying Party) have the right to undertake the defense, compromise or settlement of such claim on behalf of, at the sole cost and expense of, and for the account and risk of the Indemnifying Party without impairing its right to
indemnification hereunder. Anything in this Section 8.5 notwithstanding, (i) if there is a reasonable probability that a claim may materially and adversely affect the Indemnified Party other than as a result of money damages or other money payments, the Indemnified Party shall have the right, at its own cost and expense, to defend, compromise and settle such claim without impairing its right to indemnification hereunder, and (ii) the Indemnifying Party shall not, without the written consent of the Indemnified Party, which consent shall not be unreasonably withheld, settle or compromise any claim or consent to the entry of any judgment that (a) provides for relief other than the payment of monetary damages, (b) does not include as an unconditional term thereof the giving by the claimant to the Indemnified Party a release from all liability in respect to such claim, or (c) contains an admission of liability or violation of Law. All Parties agree to cooperate fully as necessary in the defense of such matters.

8.6 Disregarding Materiality Exceptions. For the sole purpose of calculating the dollar amount of Damages to which an Indemnified Party is entitled under this Article VIII (and not for purposes of determining whether or not an indemnity obligation exists under Section 8.2, Section 8.3 and Section 8.4 of this Agreement), the terms “material,” “materiality,” and other qualifiers, modifiers or limitations shall be disregarded.

8.7 Other Adjustments.

(a) In addition to, and not in limitation of, the foregoing, beginning on the last day of the month immediately following the month of the Closing Date and thereafter on or before the last day of each of the next eleven (11) calendar months, in the event any Merchant Chargeback Losses for which the Company or Acquiror are responsible under Section 8.3(c) or for which the Transferor Parties are responsible under Section 8.2(e) (as applicable, the “Incurring Party”), such Incurring Party shall prepare and deliver to the non-Incurring Party a statement (the “Merchant Chargeback Losses Statement”) setting forth (i) the calculation of Merchant Chargeback Losses incurred during the prior calendar month; and (ii) any resulting indemnification due to the non-Incurring Party, under this Article VIII (a “Chargeback Adjustment Amount”).

(b) The non-Incurring Party shall have fifteen (15) days after the delivery of the Merchant Chargeback Losses Statement during which to notify the Incurring Party in writing of any dispute with any item contained in the Merchant Chargeback Losses Statement, which notice (the “Merchant Chargeback Losses Statement Notice of Disagreement”) shall set forth in reasonable detail the basis for such dispute. During such fifteen (15) day period, the Incurring Party shall provide the non-Incurring Party and its agents with access upon prior written notice at reasonable times to the books, records and personnel of Incurring Party for purposes of reviewing the Merchant Chargeback Losses Statement, provided that such access does not unreasonably interfere with the personnel of Incurring Party in completing their responsibilities. If the non-Incurring Party fails to notify Incurring Party of any such dispute within such fifteen (15) day period, the Merchant Chargeback Losses Statement shall be the final Merchant Chargeback Losses Statement for such period. In the event that the non-Incurring Party provides the Merchant Chargeback Losses Statement Notice of Disagreement, Incurring Party, the non-Incurring Party and their respective agents shall cooperate in good faith to resolve such dispute as promptly as possible.
(c) If Incurring Party, the non-Incurring Party and their respective agents are unable to resolve any such dispute within ten (10) days after the non-Incurring Party’s delivery of the Merchant Chargeback Losses Statement Notice of Disagreement, such dispute shall be submitted to the Arbitrator. The Arbitrator shall make its determination regarding the disputed items as promptly as practicable, and such determination shall be the final Merchant Chargeback Losses Statement for such period. The Arbitrator shall determine whether and to what extent, if any, the Merchant Chargeback Losses Statement requires adjustment with respect to the matters specified in the Merchant Chargeback Losses Statement Notice of Disagreement. Any expenses relating to the engagement of the Arbitrator shall be borne by the Party whose calculation of the Chargeback Adjustment Amount is further from the applicable amount as finally determined by the Arbitrator. The Arbitrator shall be instructed to use every reasonable effort to perform its services within fifteen (15) days of the Arbitrator’s engagement and, in any case, as soon as practicable after submission thereof. The Merchant Chargeback Losses Statement, as modified by resolution of any disputes by Incurring Party and the non-Incurring or by the Arbitrator, shall be final and binding on the Parties. The Parties shall make available to the Arbitrator, as applicable, such books, records and other information as the Arbitrator may reasonably request to determine the Merchant Chargeback Losses Statement.

(d) If the Merchant Chargeback Losses Statement for any period, as finally determined pursuant to this Section 8.7, reflects a Chargeback Adjustment Amount, not later than five (5) Business Days after the date the Merchant Chargeback Losses Statement is finally determined for any given period, the non-Incurring Party shall have the obligation to pay to Incurring Party the Chargeback Adjustment Amount in cash or other immediately available funds. For the avoidance of doubt, if there is no dispute with any item contained in the Merchant Chargeback Losses Statement, then the non-Incurring Party shall pay to Incurring Party the Chargeback Adjustment Amount in cash or other immediately available funds within fifteen (15) calendar days of receipt of the Merchant Chargeback Losses Statement.

ARTICLE X
MISCELLANEOUS

10.1 Fees and Expenses. Except as otherwise expressly provided in this Agreement, each Party will pay its own costs and expenses incurred in connection with the negotiation, preparation and performance of this Agreement and the other Transaction Documents, including the fees and expenses of its counsel, accountants, brokers and financial advisors whether or not such transactions are consummated.

10.2 Public Announcement. No Party shall, prior to or after the Closing, without the approval of the other Parties, issue any press release or other public announcement concerning this Agreement or the Contemplated Transactions. Notwithstanding the foregoing, nothing contained in this Section 10.2 is deemed to prohibit, limit or restrict communications by either Party with Governmental Authorities, Acquiror’s affiliates or lenders or Transferor Parties’ affiliates, customers and suppliers or any party to obtain the Required Consents regarding the Contemplated Transactions.

10.3 Entire Agreement. This Agreement (together with the Schedules and the other Transaction Documents) contains the entire agreement and understanding of the Parties with respect to the subject matter hereof and supersedes all prior oral discussions and written
agreements with respect thereto (including any term sheet or similar agreement or document relating to the Contemplated Transactions). There are no restrictions, agreements, promises, warranties, covenants or undertakings other than those expressly set forth herein and in the other Transaction Documents.

10.4 Amendment and Waiver. This Agreement may be modified, supplemented or amended only by a written instrument duly executed by each of the Parties. Any term or condition of this Agreement may be waived at any time by the Party entitled to the benefit thereof. Any such waiver must be in writing and must be duly executed by such Party. All rights and remedies of the Parties to this Agreement are cumulative and not alternative. No failure or delay by any Party in exercising any right, power or privilege under this Agreement or the other Transaction Documents will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. A waiver on one occasion shall not be deemed to be a waiver of the same or any other breach, provision or requirement on any other occasion.

10.5 Counterparts; Electronic Signatures. This Agreement may be executed simultaneously in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Signatures on this Agreement by facsimile or other electronic imaging technology shall be deemed to be original signatures for all purposes.

10.6 Governing Law; Construction. This Agreement shall be governed by and interpreted, construed and enforced in accordance with the Laws of the State of Delaware applicable to a contract executed and performed in such state, excluding any conflicts of law, rule or principle that would refer the governance, interpretation, construction or enforcement of this Agreement to the Laws of another jurisdiction, and such application of Delaware law shall not be vitiated by any allegations of fraud. In as much as this Agreement is the result of negotiations between sophisticated parties of equal bargaining power represented by counsel, the Parties agree that no provisions of this Agreement or any related document shall be construed for or against or interpreted to the advantage or disadvantage of any Party hereto by any court or other Governmental Authority by reason of any Party’s having or being deemed to have structured or drafted such provision, each Party having participated equally in the structuring and drafting hereof.

10.7 Venue; Waiver of Jury Trial. To the fullest extent permitted by applicable Law, each Party hereto (a) agrees that any claim, action or Proceeding by such Party seeking any relief whatsoever arising out of, or in connection with, this Agreement or the Contemplated Transactions shall be brought only in (1) any State or Federal courts located in Davidson County, Tennessee, if such action is initiated by any Transferor Party or any Transferor Indemnified Party, or (2) any State or Federal courts located in Fairfax County, Virginia, if such action is initiated by Acquiror or any Acquiror Indemnified Party, and not in any other State or Federal court in the United States of America or any court in any other country, (b) agrees to submit to the exclusive jurisdiction of such courts for purposes of all legal Proceedings arising out of, or in connection with, this Agreement or the Contemplated Transactions, (c) waives and agrees not to
assert any objection that it may now or hereafter have to the laying of the venue of any such Proceeding brought in such a court or any claim that any such Proceeding brought in such a court has been brought in an inconvenient forum, and (d) agrees that a final judgment in any such action or Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law. Notwithstanding anything to the contrary contained in this Section 10.7, matters addressed in Section 8.7(c) shall be controlled by its arbitration procedures. EACH OF THE PARTIES IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHTS TO TRIAL BY JURY, FROM WHATEVER SOURCE ARISING, IN CONNECTION WITH ANY LITIGATION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

10.8 Binding Effect; No Assignment; No Third-Party Beneficiaries. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns, including successors by merger or otherwise. Neither this Agreement nor any right hereunder or part hereof may be assigned by any Party hereto without the prior written consent of the other Parties, except that Acquiror may assign this agreement and its rights hereunder to an affiliate of Acquiror or to a person or entity that acquires or otherwise succeeds to the Company’s Business (whether by sale of assets, equity, merger, or otherwise). The terms and provisions of this Agreement are intended solely for the benefit of Transferor Parties, Acquiror and their respective successors or permitted assigns, and it is not the intention of the Parties to confer third-party beneficiary rights upon any other Person.

10.9 Severability; Invalid Provisions. It is the intention of the Parties that the provisions of this Agreement shall be enforced to the fullest extent permissible under the Laws and public policies of each state and jurisdiction in which such enforcement is sought, and that the unenforceability (or the modification to conform with such Laws or public policies) of any provision hereof shall not render unenforceable or impair the remainder of this Agreement. Accordingly, if any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future Law, (a) such provisions will be fully severable; (b) this Agreement will be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof; (c) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom; and (d) in lieu of such illegal, invalid or unenforceable provision, there will be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms and effect to such illegal, invalid or unenforceable provision as may be possible (or, in the alternative, should any provision contained in this Agreement be reformed or rewritten by any Governmental Authority, such provision as so reformed shall be fully binding on the Parties as if originally a part hereof).

10.10 Interpretation. In this Agreement, unless the context otherwise requires:

(a) subject to the provisions of Section 10.8, references to any Party to this Agreement shall include references to its respective successors and permitted assigns;
the terms “hereof,” “herein,” “hereby,” and derivative or similar words will refer to this entire Agreement;

the gender of all words herein shall include the masculine, feminine and neuter, and the case of all words herein shall include the singular and plural;

references to any document (including this Agreement) are references to that document as amended, consolidated, supplemented, novated or replaced by the Parties from time to time;

the word “including” shall mean including without limitation; and

all schedules and exhibits referred to in or attached to this Agreement are integral parts of this Agreement as if fully set forth herein, and all statements appearing therein shall be deemed to be disclosed only in connection with the specific representation to which they are explicitly referenced and not in any event for all and general purposes under the Agreement.

10.11 **Time of Essence.** With regard to all dates and time periods set forth or referred to in this Agreement, time is of the essence.

10.12 **Specific Performance; Injunctive Relief.** Each Party shall have the right, in addition to any other rights and remedies existing in its favor, to enforce its rights and the obligations of the other Parties pursuant to this Agreement and the Transaction Documents not only by an action or actions for Damages, but also by an action or actions for specific performance, injunctive relief and/or other equitable relief, without posting any bond or other undertaking. The Parties acknowledge and agree that any breach or threatened breach of any post-Closing covenant by any Party will likely result in some irreparable injury.

10.13 **Collateral Security.** Acquiror may, without the written consent of the other Parties, assign its rights under this Agreement and the other Transaction Documents for collateral security purposes to any lender providing financing to Acquiror or any of its affiliates and any such lender may exercise all of the rights and remedies of Acquiror hereunder and thereunder.

(c) Ten million (10,000,000) shares of preferred stock, with a par value of $0.0001 per share (the “Preferred Stock”).

Section 4.2 Preferred Stock. The Board of Directors is authorized, subject to any limitations prescribed by law, to provide, out of the unissued shares of Preferred Stock, for the issuance of shares of Preferred Stock in one or more series, and by filing a certificate pursuant to the applicable law of the State of Delaware (such certificate being hereinafter referred to as a “Preferred Stock Designation”), to establish from time to time the number of shares to be included in each such series and to fix the powers, designations, preferences and rights, and qualifications, limitations or restrictions thereof, including, without limitation, the authority to fix or alter the dividend rights, dividend rates, conversion rights, exchange rights, voting rights, rights and terms of redemption (including sinking and purchase fund provisions), the redemption price or prices, restrictions on the issuance of shares of such series, the dissolution preferences and the rights in respect to any distribution of assets of any wholly unissued series of Preferred Stock and the number of shares constituting any such series, and the designation thereof, or any of them and to increase or decrease the number of shares of any series so created (except where otherwise provided in the Preferred Stock Designation), subsequent to the issue of that series but not below the number of shares of such series then outstanding. In case the number of shares of any series shall be so decreased, the shares constituting such decrease shall resume the status which they had prior to the adoption of the resolution originally fixing the number of shares of such series.

Section 4.3 Number of Authorized Shares. The number of authorized shares of any of the Class A Common Stock, Class B Common Stock or Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the voting power of all of the outstanding shares of stock of the Corporation entitled to vote thereon, without a separate vote of any holders of the Class A Common Stock, Class B Common Stock or Preferred Stock, or of any series thereof, unless a separate vote of any such holders of Preferred Stock, or of any series thereof, is required pursuant to the terms of any Preferred Stock Designation, irrespective of the provisions of Section 242(b)(2) of the DGCL.

Section 4.4 Common Stock. The powers, preferences and rights of the Class A Common Stock and the Class B Common Stock, and the qualifications, limitations or restrictions thereof are as follows:

(a) Voting Rights. Except as otherwise required by law,

(i) Each share of Class A Common Stock shall entitle the record holder thereof as of the applicable record date to one (1) vote in person or by proxy on all matters submitted to a vote of the holders of Class A Common Stock, whether voting separately as a class or otherwise.
(ii) Each share of Class B Common Stock shall entitle the record holder thereof as of the applicable record date to one (1) vote in person or by proxy on all matters submitted to a vote of the holders of Class B Common Stock, whether voting separately as a class or otherwise.

(iii) Except as otherwise required in this Amended and Restated Certificate of Incorporation or by applicable law, the holders of shares of Common Stock shall vote together as a single class (or, if any holders of shares of Preferred Stock are entitled to vote together with the holders of Common Stock, as a single class with such holders of Preferred Stock) on all matters submitted to a vote of the holders of Common Stock of the Corporation.

(b) Dividends and Distributions. Subject to applicable law and the rights, if any, of the holders of any outstanding series of Preferred Stock, dividends may be declared and paid on the Class A Common Stock to the extent not prohibited by law, at such times and in such amounts as the Board of Directors in its discretion shall determine. Dividends shall not be declared or paid on the Class B Common Stock, except that the Corporation may declare and pay a dividend to the holders of Class B Common Stock consisting of additional shares of Class B Common Stock (or rights to acquire Class B Common Stock) and cash payments in lieu of issuing fractional shares of Class B Common Stock.

(c) Liquidation Rights. Subject to applicable law and the rights, if any, of the holders of any outstanding series of Preferred Stock, in the event of liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, after payment or provision for payment of the debts and other liabilities of the Corporation and after making provisions for preferential and other amounts, if any, to which the holders of Preferred Stock shall be entitled, the remaining assets and funds of the Corporation available for distribution shall be divided among and paid ratably to the holders of all outstanding shares of Class A Common Stock and Class B Common Stock in proportion to the number of shares held by each such stockholder; provided, that the holders of shares of Class B Common Stock shall be entitled to receive $0.0001 per share, and upon receiving such amount, the holders of shares of Class B Common Stock, as such, shall not be entitled to receive any other assets or funds of the Corporation. A consolidation, reorganization or merger of the Corporation with any other Person or Persons (as defined below), or a sale of all or substantially all of the assets of the Corporation, shall not be considered to be a dissolution, liquidation or winding up of the Corporation within the meaning of this Section 4.4(c).

(d) Class B Common Stock.

(i) Shares of Class B Common Stock may be issued only to, and registered in the name of, the Existing Owners (as defined below), their respective successors and assigns as well as their respective transferees in accordance with Section 4.5 (including all subsequent successors, assigns and Permitted Transferees (as defined below)) (the Existing Owners together with such persons, collectively, the “Permitted Class B Owners”). As used in this Amended and Restated Certificate of Incorporation, “Existing Owner” means each of the holders of Common Units (as defined below) of i3 Verticals, LLC, or any successor entities thereto, as set forth on the records of i3 Verticals, LLC as of the effectiveness of the Amended and Restated Certificate of Incorporation, a copy of which shall be provided to any stockholder of the Corporation following a request therefor.
(ii) The Corporation shall, to the fullest extent permitted by law, undertake all necessary and appropriate action (including undertaking action within its power in its capacity as Manager (as defined in the LLC Agreement) of i3 Verticals, LLC) to ensure that the number of shares of Class B Common Stock issued by the Corporation at any time to any Permitted Class B Owner shall be equal to the aggregate number of Common Units (other than Common Units issuable upon the exercise of any options, warrants or rights) held of record by such Permitted Class B Owner in accordance with Article VI, as applicable. In furtherance of the foregoing, each Permitted Class B Owner shall have the right to acquire from the Corporation (for a purchase price equal to the aggregate par value thereof) a number of shares of Class B Common Stock equal to the number of Common Units then owned by such Permitted Class B Owner (excluding Common Units issuable upon the exercise of any options, warrants or rights). As used in this Amended and Restated Certificate of Incorporation, “Common Unit” means a membership interest in i3 Verticals, LLC, authorized and issued under the Limited Liability Company Agreement of i3 Verticals, LLC, dated as of the date hereof, as such agreement may be further amended, restated, amended and restated, supplemented or otherwise modified from time to time (the “LLC Agreement”), and constituting a “Common Unit” as defined in such LLC Agreement.

(iii) From and after the filing of this Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware (the “Effective Time”), additional shares of Class B Common Stock may be issued only to, and registered in the name of, the Permitted Class B Owners in accordance with Article VI and the aggregate number of shares of Class B Common Stock following any such issuance registered in the name of each such Permitted Class B Owner must be equal to the aggregate number of Common Units (other than Common Units issuable upon the exercise of any options, warrants or rights) held of record by such Permitted Class B Owner under the LLC Agreement as set forth in Section 4.4(d)(ii).

(iv) In the event that (1) the Corporation is a constituent entity to, or otherwise undergoes, a merger, consolidation or other business transaction in which shares of Common Stock are exchanged for or converted into other stock or securities, or the right to receive cash and/or any other property, other than a merger or consolidation that would result in the shares of Common Stock, Preferred Stock and/or any other class or classes of capital stock of the Corporation outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving or resulting entity) more than fifty percent (50%) of the combined voting power of the shares of capital stock of such surviving or resulting entity outstanding immediately after such merger or consolidation in substantially the same proportion as the ownership of voting securities immediately prior to such event, or (2) there is any tender or exchange offer by any third party to acquire shares of Class B Common Stock and holders of shares of Class B Common Stock tender or exchange any such shares of Class B Common Stock, then, in each case, immediately before the consummation of any such action or transaction, the Corporation shall redeem, to the fullest extent permitted by law, the Class B Common Stock for a per share cash amount equal to the par value of a share of Class B Common Stock.
Section 4.5 Transfer of Class B Common Stock.

(a) A holder of Class B Common Stock may surrender shares of Class B Common Stock to the Corporation for no consideration at any time. Following the surrender of any shares of Class B Common Stock to the Corporation, the Corporation will take all actions necessary to retire such shares and such shares shall not be re-issued by the Corporation (other than to a Permitted Class B Owner).

(b) Except as set forth in Section 4.5(a), a holder of Class B Common Stock may transfer or assign shares of Class B Common Stock (or any legal or beneficial interest in such shares) to any transferee or assignee only to the extent permitted by the LLC Agreement (a “Permitted Transfer” and a holder of Class B Common Stock pursuant to a Permitted Transfer, a “Permitted Transferee”) and only if such holder also simultaneously transfers an equal number of such holder’s Common Units to such transferee in compliance with the LLC Agreement. The transfer restrictions described in this Section 4.5(b) are referred to as the “Restrictions”.

(c) Any purported transfer of shares of Class B Common Stock in violation of the Restrictions shall be null and void. If, notwithstanding the Restrictions, a Person shall, voluntarily or involuntarily, purportedly become or attempt to become, the purported owner (“Purported Owner”) of shares of Class B Common Stock in violation of the Restrictions, then the Purported Owner shall not obtain any rights in and to such shares of Class B Common Stock (the “Restricted Shares”), and the purported transfer of the Restricted Shares to the Purported Owner shall not be recognized by the Corporation, the Corporation’s transfer agent (the “Transfer Agent”) or the Secretary of the Corporation, as determined by the Board of Directors and each Restricted Share shall, to the fullest extent permitted by law, automatically, without any further action on the part of the Corporation, the holder thereof, or any other party, lose all voting rights as set forth herein and become a non-voting share.

(d) Notwithstanding the foregoing Restrictions, in the event that any outstanding share of Class B Common Stock shall cease to be held by a holder of Common Units, such share shall automatically and without further action on the part of the Corporation or any holder of Class B Common Stock be transferred to the Corporation for no consideration, and the Corporation will take all actions necessary to retire such share and such share shall not be re-issued by the Corporation (other than to a Permitted Class B Owner). Notwithstanding the foregoing Restrictions, in the event that any holder of the Class B Common Stock no longer holds an interest in the Common Units, such shares of Class B Common Stock shall automatically and without further action on the part of the Corporation or any holder of Class B Common Stock be transferred to the Corporation for no consideration, and the Corporation will take all actions necessary to retire such shares and such shares shall not be re-issued by the Corporation (other than to a Permitted Class B Owner).

(e) Upon a determination by the Board of Directors that a Person has attempted or may attempt to transfer or to acquire Restricted Shares in violation of the Restrictions, the Board of Directors may take such action as it deems advisable to refuse to give effect to such transfer or acquisition on the books and records of the Corporation, including without limitation to cause the Transfer Agent or the Secretary of the Corporation, as applicable, to not record the Purported Owner.
as the record owner of the Restricted Shares, and to institute proceedings to enjoin or rescind any such transfer or acquisition.

(f) The Board of Directors may, to the extent permitted by law, from time to time establish, modify, amend or rescind, by bylaw or otherwise, regulations and procedures not inconsistent with the provisions of this Section 4.5 for determining whether any transfer or acquisition of shares of Class B Common Stock would violate the Restrictions and for the orderly application, administration and implementation of the provisions of this Section 4.5. Any such procedures and regulations shall be kept on file with the Secretary of the Corporation and with its Transfer Agent and shall be made available for inspection by any prospective transferee and, upon written request, shall be mailed to holders of shares of Class B Common Stock.

(g) The Board of Directors shall have all powers necessary to implement the Restrictions, including without limitation the power to waive such Restrictions or prohibit the transfer of any shares of Class B Common Stock on the books and records of the Corporation in violation thereof.

Section 4.6 Certificates. All certificates or book entries representing shares of Class B Common Stock shall bear a legend substantially in the following form (or in such other form as the Corporation may determine):

THE SECURITIES REPRESENTED BY THIS [CERTIFICATE][BOOK ENTRY] ARE SUBJECT TO THE RESTRICTIONS (INCLUDING RESTRICTIONS ON TRANSFER) SET FORTH IN THE AMENDED AND RESTATECertificate OF INCORPORATION OF THE CORPORATION (A COPY OF WHICH IS ON FILE WITH THE SECRETARY OF THE CORPORATION AND SHALL BE PROVIDED FREE OF CHARGE TO ANY STOCKHOLDER MAKING A REQUEST THEREFOR).

Section 4.7 Fractions. The Common Stock may be issued and transferred in fractions of a share which shall entitle the holder to exercise voting rights and to have the benefit of all other rights of holders of Common Stock. Subject to the Restrictions, holders of shares of Common Stock shall be entitled to transfer fractions thereof and the Corporation shall, and shall cause the Transfer Agent to, facilitate any such transfers, including by issuing certificates or making book entries representing any such fractional shares. For all purposes of this Amended and Restated Certificate of Incorporation, all references to Common Stock or any share thereof (whether in the singular or plural) shall be deemed to include references to any fraction of a share of Common Stock.

Section 4.8 Amendment. Except as otherwise required by law, holders of Common Stock shall not be entitled to vote on any amendment to this Amended and Restated Certificate of Incorporation (including any certificate of designation relating to any series of Preferred Stock) that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to this Amended and Restated Certificate of Incorporation (including any Preferred Stock Designation) or pursuant to the DGCL.
ARTICLE V.

The Corporation shall at all times reserve and keep available out of its authorized but unissued shares or other securities at least as many shares or other securities equal to the sum of (i) the number of Common Units held by the holders of Common Units (other than the Corporation and any direct or indirect majority-owned subsidiary of the Corporation) plus (ii) the number of Common Units issuable by i3 Verticals, LLC in connection with the exercise or conversion of any equity securities (including without limitation warrants, options and rights) issued by i3 Verticals, LLC that are convertible or exercisable or exchangeable for Common Units.

ARTICLE VI.

Section 6.1 Common Units and Common Stock Ratio. The Corporation shall, to the fullest extent permitted by law, undertake all actions, including, without limitation, a reclassification, dividend, division, subdivision, combination or recapitalization, with respect to:

(a) the shares of Class A Common Stock necessary to maintain at all times a one-to-one ratio between the number of Common Units owned by the Corporation and the number of outstanding shares of Class A Common Stock, disregarding, for purposes of maintaining the one-to-one ratio, (i) shares of Class A Common Stock issuable pursuant to awards granted under any stock incentive plan adopted by the Corporation from time to time that have not vested thereunder, (ii) treasury stock, or (iii) Preferred Stock or other debt or equity securities (including without limitation warrants, options and rights) issued by the Corporation that are convertible or exercisable or exchangeable for Class A Common Stock (except to the extent such securities have been converted, exercised or exchanged for Class A Common Stock and the net proceeds from such other securities, including without limitation any exercise or purchase price payable upon conversion, exercise or exchange thereof, has been contributed by the Corporation to the equity capital of i3 Verticals, LLC).

(b) the shares of Class B Common Stock necessary to maintain at all times a one-to-one ratio between the number of Common Units (other than Common Units issuable upon the exercise of any options, warrants or rights) owned by all Permitted Class B Owners and the number of outstanding shares of Class B Common Stock owned by all Permitted Class B Owners.

Section 6.2 Common Units and Common Stock Ratio upon a Stock Split. The Corporation shall not undertake or authorize any subdivision (by any stock split, stock dividend, reclassification, recapitalization or similar event) or combination (by reverse stock split, reclassification, recapitalization or similar event) of (i) the Class A Common Stock that is not accompanied by an identical subdivision or combination of the Common Units to maintain at all times a one-to-one ratio between the number of Common Units owned by the Corporation and the number of outstanding shares of Class A Common Stock; or (ii) the Class B Common Stock that is not accompanied by an identical subdivision or combination of the Common Units to maintain at all times, subject to the provisions of this Amended and Restated Certificate of Incorporation, a one-to-one ratio between the number of Common Units (other than Common Units issuable upon
the exercise of any options, warrants or rights) owned by all Permitted Class B Owners and the number of outstanding shares of Class B Common Stock owned by all Permitted Class B Owners, unless, such action is necessary to maintain at all times a one-to-one ratio between the number of Common Units owned by all Permitted Class B Owners and the number of outstanding shares of Class B Common Stock owned by all Permitted Class B Owners.

Section 6.3 Common Units and Class A Common Stock Ratio upon a Sale or Repurchase. The Corporation shall not issue, transfer or deliver from treasury stock or repurchase shares of Class A Common Stock unless in connection with any such issuance, transfer, delivery or repurchase the Corporation takes or authorizes all requisite action such that, after giving effect to all such issuances, transfers, deliveries or repurchases, the number of Common Units owned by the Corporation will equal on a one-for-one basis the number of outstanding shares of Class A Common Stock, disregarding, for purposes of maintaining the one-to-one ratio, (i) shares of Class A Common Stock issuable pursuant to awards granted under any stock incentive plan adopted by the Corporation from time to time that have not vested thereunder, (ii) treasury stock or (iii) Preferred Stock or other debt or equity securities (including without limitation warrants, options and rights) issued by the Corporation that are convertible or exercisable or exchangeable for Class A Common Stock (except to the extent such securities have been converted, exercised or exchanged for Class A Common Stock and the net proceeds from such other securities, including without limitation any exercise or purchase price payable upon conversion, exercise or exchange thereof, has been contributed by the Corporation to the equity capital of i3 Verticals, LLC). The Corporation shall not issue, transfer or deliver from treasury stock or repurchase or redeem shares of Preferred Stock unless in connection with any such issuance, transfer, delivery, repurchase or redemption the Corporation takes all requisite action such that, after giving effect to all such issuances, transfers, repurchases or redemptions, the Corporation holds (in the case of any issuance, transfer or delivery) or ceases to hold (in the case of any repurchase or redemption) equity interests in i3 Verticals, LLC which (in the good faith determination by the Board of Directors) are in the aggregate substantially equivalent in all respects to the outstanding Preferred Stock so issued, transferred, delivered, repurchased or redeemed.

Section 6.4 Common Units and Class A Common Stock Ratio upon a Merger. Unless otherwise consented to in writing by a majority of the Permitted Class B Owners and the holders of a majority of the voting power of the outstanding shares of Class A Common Stock voting as a separate class, the Corporation shall not consolidate, merge or combine, or consummate any other transaction, and shall take all actions within its power to prohibit i3 Verticals, LLC from entering into any consolidation, merger, combination or other transaction (in each case, other than an action or transaction for which an adjustment is provided in one of the preceding paragraphs of this Article VI or in Article IV) in which Common Units or shares of Class A Common Stock are exchanged for or converted into other stock or securities, or the right to receive cash and/or any other property (a “Transaction”), unless in connection with any such Transaction each share of Class A Common Stock and each Common Unit that is redeemable by the holder thereof pursuant to the terms of the LLC Agreement for, at the option of the Corporation, a share of Class A Common Stock or a cash payment, respectively, shall be entitled to be exchanged for or converted into (without duplication of any corresponding share of Class A Common Stock which the Corporation may elect to issue upon a redemption of such Common Unit by the holder thereof) the same kind and amount of stock
or securities, cash and/or any other property, as the case may be, into which or for which each Common Unit and each share of Class A Common Stock is exchanged or converted (such stock or securities, cash and/or property shall be referred to herein as the “Consideration”), to maintain at all times a one-to-one ratio between (x) the Consideration issuable in such Transaction in exchange for or conversion of one share of Class A Common Stock and (y) the Consideration issuable in such Transaction in exchange for or conversion of one Common Unit.

Any Director so chosen shall be appointed for a term expiring at the next election of Directors and shall remain in office until his successor shall be elected and qualified.

(C) any transaction which results in the issuance or transfer by the Corporation or by any direct or indirect majority-owned
subsidiary of the Corporation of any Stock of the Corporation or of such subsidiary to the Interested Stockholder, except: (1) pursuant to the exercise,
exchange or conversion of securities exercisable for, exchangeable for or convertible into Stock of the Corporation or any such subsidiary which securities
were outstanding prior to the time that the Interested Stockholder became such; (2) pursuant to a merger under Section 251(g), 253 or 267 of the DGCL; (3)
pursuant to a dividend or distribution paid or made, or the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible
into Stock of
the Corporation or any such subsidiary which security is distributed, pro rata to all holders of a class or series of Stock of the Corporation subsequent to the
time the Interested Stockholder became such; (4) pursuant to an exchange offer by the Corporation to purchase Stock made on the same terms to all holders
of such Stock; or (5) any issuance or transfer of Stock by the Corporation; provided however, that in no case under items (3) through (5) of this
subparagraph (c)(iii)(C) of Section 13.2 shall there be an increase in the Interested Stockholder’s proportionate share of the Stock of any class or series of
the Corporation or of the Voting Stock of the Corporation;

(D) any transaction involving the Corporation or any direct or indirect majority-owned subsidiary of the Corporation which
has the effect, directly or indirectly, of increasing the proportionate share of the Stock of any class or series, or securities convertible into the Stock of any
class or series, of the Corporation or of any such subsidiary which is owned by the Interested Stockholder, except as a result of immaterial changes due to
fractional share adjustments or as a result of any purchase or redemption of any shares of Stock not caused, directly or indirectly, by the Interested
Stockholder; or

(E) any receipt by the Interested Stockholder of the benefit, directly or indirectly (except proportionately as a stockholder of
the Corporation), of any loans, advances, guarantees, pledges or other financial benefits (other than those expressly permitted in subparagraphs (c)(iii)(A)
through (D) of Section 13.2) provided by or through the Corporation or any direct or indirect majority-owned subsidiary of the Corporation.

(iv) “Control”, including the terms “controlling”, “controlled by” and “under common control with”, means the possession, directly
or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of stock or other
equity interests, by contract or otherwise. A Person who is the owner of twenty percent (20%) or more of the outstanding Voting Stock of any corporation,
partnership, unincorporated association or other entity shall be presumed to have control of such entity, in the absence of proof by a preponderance of the
evidence to the contrary; notwithstanding the foregoing, a presumption of control shall not apply where such Person holds Voting Stock, in good faith and
not for the purpose of circumventing this Section 13.2, as an agent, bank, broker, nominee, custodian or trustee for one or more owners who do not
individually or as a group have control of such entity;

(v) “Interested Stockholder” means any Person (other than the Corporation and any direct or indirect majority-owned subsidiary of
the Corporation) that (A) is the owner of fifteen percent (15%) or more of the outstanding Voting Stock of the Corporation, or (B) is an Affiliate or
Associate of the Corporation and was the owner of fifteen percent (15%) or more of the outstanding Voting Stock of the Corporation at any time within the
three-year period immediately prior to the date on which it is sought to be determined whether such Person is an Interested Stockholder, and the Affiliates

Daily or any of his Affiliates or Associates or (y) any Person whose ownership of shares in excess of the fifteen percent (15%) limitation set forth herein is
the result of action taken solely by the Corporation, provided that, for purposes of this clause (y), such Person shall be an Interested Stockholder if
thereafter such Person acquires additional shares of Voting Stock of the Corporation,
except as a result of further action by the Corporation not caused, directly or indirectly, by such Person;

(vi) “Owner”, including the terms “own” and “owned”, when used with respect to any Stock, means a Person that individually or with or through any of its affiliates or associates beneficially owns such Stock, directly or indirectly; or has (A) the right to acquire such Stock (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding, or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise; provided, however, that a Person shall not be deemed the owner of Stock tendered pursuant to a tender or exchange offer made by such Person or any of such Person’s Affiliates or Associates until such tendered Stock is accepted for purchase or exchange; or (B) the right to vote such Stock pursuant to any agreement, arrangement or understanding; provided, however, that a Person shall not be deemed the owner of any Stock because of such Person’s right to vote such Stock if the agreement, arrangement or understanding to vote such Stock arises solely from a revocable proxy or consent given in response to a proxy or consent solicitation made to 10 or more Persons; or has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting (except voting pursuant to a revocable proxy or consent as described in (B) of this paragraph (c)(vi) of Section 13.2), or disposing of such Stock with any other Person that beneficially owns, or whose affiliates or associates beneficially own, directly or indirectly, such Stock; provided, that, for the purpose of determining whether a Person is an Interested Stockholder, the Voting Stock of the Corporation deemed to be outstanding shall include Stock deemed to be owned by the Person through application of this definition of “owned” but shall not include any other unissued Stock of the Corporation which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise;

(vii) “Person” means any individual, corporation, partnership, unincorporated association or other entity;

(viii) “Stock” means, with respect to any corporation, capital stock and, with respect to any other entity, any equity interest; and

ARTICLE I.
MEETINGS OF STOCKHOLDERS

Section 1.01  **Place of Meetings.** Meetings of stockholders of i3 Verticals, Inc., a Delaware corporation (the “Corporation”; and such stockholders, the “Stockholders”), may be held at any place, within or without the State of Delaware, as may be designated by the board of directors of the Corporation (the “Board of Directors”). In the absence of such designation, meetings of Stockholders shall be held at the principal executive office of the Corporation. The Board of Directors may, in its sole discretion, determine that a meeting of Stockholders shall not be held at any place, but may instead be held solely by means of remote communication authorized by and in accordance with Section 211(a) of the General Corporation Law of the State of Delaware (“DGCL”).

Section 1.02  **Annual Meetings.** The annual meeting of Stockholders shall be held for the election of directors at such date and time as may be designated by resolution of the Board of Directors from time to time. Any other business as may be properly brought before the annual meeting may be transacted at the annual meeting. The Board of Directors may postpone, reschedule or cancel any annual meeting of Stockholders previously scheduled by the Board of Directors.

Section 1.03  **Special Meetings.** Special meetings of Stockholders for any purpose or purposes may be called only by the chairperson of the Board of Directors (the “Chairperson”), a majority of the Board of Directors or the Chief Executive Officer. Special meetings validly called in accordance with this Section 1.03 of these amended and restated bylaws adopted by the Board of Directors as of [●] (as the same may be further amended, restated, amended and restated or otherwise modified from time to time, these “Bylaws”) may be held at such date and time as specified in the applicable notice. Business transacted at any special meeting of Stockholders shall be limited to the purposes stated in the notice. The Corporation may postpone, reschedule or cancel any special meeting of Stockholders previously scheduled by the Chairperson or Board of Directors.

Section 1.04  **Notice of Meetings.** Whenever Stockholders are required or permitted to take any action at a meeting, a notice of the meeting shall be given that shall state the place, if any, date and hour of the meeting, the means of remote communications, if any, by which Stockholders and proxy holders may be deemed to be present in person and vote at such meeting, the record date for determining the Stockholders entitled to vote at the meeting (if such date is different from the record date for Stockholders entitled to notice of the meeting) and, in the case of a special meeting, the purpose or purposes for which the meeting is called. Unless otherwise provided by law, the Amended and Restated Certificate of Incorporation of the Corporation effective as of [●] (as the same may be further amended, restated, amended and restated or otherwise modified from time to time, the “Certificate of Incorporation”) or these Bylaws, the notice of any meeting shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each Stockholder entitled to vote at the meeting as of the record date for determining the Stockholders entitled to notice of the meeting. If mailed, such notice shall be deemed to be given when deposited in the United States mail, postage prepaid, directed to the Stockholder at such Stockholder’s address as it appears on the records of the Corporation.

Section 1.05  **Adjournments.** Any meeting of Stockholders, annual or special, may be adjourned from time to time by the chairperson of the meeting (or by the Stockholders in accordance
Section 1.06  **Quorum.** Except as otherwise provided by law, the Certificate of Incorporation or these Bylaws, at each meeting of Stockholders the presence or participation in person or by remote communication, if applicable, or by proxy of the holders of a majority in voting power of the outstanding shares of Stock entitled to vote at the meeting shall be necessary and sufficient to constitute a quorum for the transaction of business. In the absence of a quorum, then either (i) the chairperson of the meeting or (ii) a majority in voting power of the Stockholders entitled to vote thereon, present in person, or by remote communication, if applicable, or represented by proxy, shall have the power to adjourn the meeting from time to time in the manner provided in Section 1.05 of these Bylaws until a quorum is present or represented. Shares of Stock belonging to the Corporation or to another corporation, if a majority of the shares entitled to vote in the election of directors of such other corporation is held, directly or indirectly, by the Corporation, shall neither be entitled to vote nor be counted for quorum purposes; provided, however, that the foregoing shall not limit the right of the Corporation or any subsidiary of the Corporation to vote shares of Stock held by it in a fiduciary capacity. Where a separate vote by a class or classes or series of capital stock is required by law or the Certificate of Incorporation, the holders of a majority in voting power of the shares of such class or classes or series of the capital stock of the Corporation issued and outstanding and entitled to vote on such matter, present in person, or by remote communication, if applicable, or represented by proxy, shall constitute a quorum entitled to take action with respect to the vote on such matter. A quorum, once established at a meeting, shall not be broken by the withdrawal of enough votes to leave less than a quorum.

Section 1.07  **Organization.** Meetings of Stockholders shall be presided over by the Chairperson or by such other officer or director of the Corporation as designated by the Board of Directors or the Chairperson. The Secretary shall act as secretary of the meeting, but in his or her absence the chairperson of the meeting may appoint any person to act as secretary of the meeting.

Section 1.08  **Voting; Proxies.** (a) Each Stockholder entitled to vote at any meeting of Stockholders shall be entitled to the number of votes, if any, for each share of Stock held of record by such Stockholder which has voting power upon the matter in question that is set forth in the Certificate of Incorporation or provided by law. Voting at meetings of Stockholders need not be by
written ballot. In all director elections, the nominee for election as director shall be elected by a plurality of the votes cast. Except as otherwise required by law, the Certificate of Incorporation (including any certificate of designation relating to any series of Preferred Stock), these Bylaws or any law, rule or regulation applicable to the Corporation or its securities, at each meeting of Stockholders at which a quorum is present, all other corporate actions to be taken by vote of the Stockholders shall be authorized by the affirmative vote of at least a majority of the voting power of the Stock present in person or represented by proxy and entitled to vote on the subject matter, and where a separate vote by a class or series is present, such act shall be authorized by the affirmative vote of at least a majority of the voting power of the Stock of such class or series or classes or series present in person or represented by proxy and entitled to vote on the subject matter.

(b) Each Stockholder entitled to vote at a meeting of Stockholders or express consent to corporate action in writing without a meeting (if not prohibited by the Certificate of Incorporation) may authorize another person or persons to act for such Stockholder by proxy, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. A proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A Stockholder may revoke any proxy which is not irrevocable by attending the meeting and voting in person (or by means of remote communication, if applicable) or by delivering to the Secretary a revocation of the proxy or a new proxy bearing a later date.

Section 1.09 Fixing Date for Determination of Stockholders of Record.

(a) In order that the Corporation may determine the Stockholders entitled to notice of any meeting of Stockholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall, unless otherwise required by law, not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If the Board of Directors so fixes a date, such date shall also be the record date for determining the Stockholders entitled to vote at such meeting unless the Board of Directors determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the date for making such determination. If no record date is fixed by the Board of Directors, the record date for determining Stockholders entitled to notice of or to vote at a meeting of Stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of Stockholders of record entitled to notice of or to vote at a meeting of Stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for determination of Stockholders entitled to vote at the adjourned meeting, and in such case shall also fix as the record date for Stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of Stockholders entitled to vote in accordance herewith at the adjourned meeting.

(b) In order that the Corporation may determine the Stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of Stock or for the purpose of
any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall not be more than sixty (60) days prior to such action. If no such record date is fixed, the record date for determining Stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

(c) Unless otherwise restricted by the Certificate of Incorporation, in order that the Corporation may determine the Stockholders entitled to express consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. If no record date for determining Stockholders entitled to express consent to corporate action in writing without a meeting is fixed by the Board of Directors, (i) when no prior action of the Board of Directors is required by law or the Certificate of Incorporation, the record date for such purpose shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation (or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of Stockholders are recorded) in accordance with applicable law, and (ii) if prior action by the Board of Directors is required by law or the Certificate of Incorporation, the record date for such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

Section 1.10  List of Stockholders Entitled to Vote. The Corporation shall prepare, at least ten (10) days before every meeting of Stockholders, a complete list of the Stockholders entitled to vote at the meeting (provided, however, if the record date for determining the Stockholders entitled to vote is less than ten (10) days before the date of the meeting, the list shall reflect the Stockholders entitled to vote as of the tenth (10th) day before the meeting date), arranged in alphabetical order, and showing the address of each Stockholder and the number of shares registered in the name of each Stockholder as of the record date (or such other date). Such list shall be open to the examination of any Stockholder, for any purpose germane to the meeting at least ten (10) days prior to the meeting (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of meeting or (ii) during ordinary business hours at the principal place of business of the Corporation. If the meeting is to be held at a place, then a list of Stockholders entitled to vote at the meeting shall be produced and kept at the time and place of the meeting during the whole time thereof and may be examined by any Stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any Stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting. Except as otherwise provided by law, the stock ledger shall be the only evidence as to who are the Stockholders entitled to examine the list of Stockholders required by this Section 1.10 or to vote in person or by proxy at any meeting of Stockholders.

Section 1.11  Inspectors of Election. The Corporation may, and shall if required by law, in advance of any meeting of Stockholders, appoint one or more inspectors of election, who may
be employees of the Corporation, to act at the meeting or any adjournment thereof and to make a written report thereof. The Corporation may designate one or more persons as alternate inspectors to replace any inspector who fails to act. In the event that no inspector so appointed or designated is able to act at a meeting of Stockholders, the person presiding at the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. The inspector or inspectors so appointed or designated shall (i) ascertain the number of shares of Stock outstanding and the voting power of each such share, (ii) determine the shares of Stock represented at the meeting and the validity of proxies and ballots, (iii) count all votes and ballots, (iv) determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors, and (v) certify their determination of the number of shares of Stock represented at the meeting and such inspectors’ count of all votes and ballots. Such certification and report shall specify such other information as may be required by law. In determining the validity and counting of proxies and ballots cast at any meeting of Stockholders, the inspectors may consider such information as is permitted by applicable law. No person who is a candidate for an office at an election may serve as an inspector at such election.

Section 1.12 Conduct of Meetings. The date and time of the opening and the closing of the polls for each matter upon which the Stockholders will vote at a meeting shall be announced at the meeting by the person presiding over the meeting designated in accordance with Section 1.07 of these Bylaws. After the polls close, no ballots, proxies or votes or any revocations or changes thereto may be accepted. The Board of Directors may adopt by resolution such rules and regulations for the conduct of the meeting of Stockholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted by the Board of Directors, the person presiding over any meeting of Stockholders shall have the right and authority to convene and (for any reason) to recess and/or adjourn the meeting, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such presiding person, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the presiding person of the meeting, may include, without limitation, the following: (i) the establishment of an agenda or order of business for the meeting; (ii) rules and procedures for maintaining order at the meeting and the safety of those present; (iii) limitations on attendance at or participation in the meeting to Stockholders entitled to vote at the meeting, their duly authorized and constituted proxies or such other persons as the presiding person of the meeting shall determine; (iv) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (v) limitations on the time allotted to questions or comments by participants. The presiding person at any meeting of Stockholders, in addition to making any other determinations that may be appropriate to the conduct of the meeting, shall, if the facts warrant, determine and declare to the meeting that a matter or business was not properly brought before the meeting and if such presiding person should so determine, such presiding person shall so declare to the meeting and any such matter or business not properly brought before the meeting shall not be transacted or considered. Unless and to the extent determined by the Board of Directors or the person presiding over the meeting, meetings of Stockholders shall not be required to be held in accordance with the rules of parliamentary procedure.
Section 1.13  Notice of Stockholder Business and Nominations.

(a)  Annual Meetings of Stockholders.

(i)  Nominations of persons for election to the Board of Directors and the proposal of other business to be considered by the Stockholders may be made at an annual meeting of Stockholders only (A) pursuant to the Corporation’s notice of meeting (or any supplement thereto), (B) by or at the direction of the Board of Directors or a majority of the independent directors thereof or (C) by any Stockholder who was a Stockholder of record at the time the notice provided for in this Section 1.13 is delivered to the Secretary, who is entitled to vote at the meeting and who complies with the notice procedures set forth in this Section 1.13.

(ii)  For any nominations or other business to be properly brought before an annual meeting by a Stockholder pursuant to Section 1.13(a)(i)(C) of these Bylaws, the Stockholder must have given timely notice thereof in writing to the Secretary and any such proposed business (other than the nominations of persons for election to the Board of Directors) must constitute a proper matter for Stockholder action. To be timely, a Stockholder’s notice shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the ninetieth (90th) day, nor earlier than the one hundred twentieth (120th) day, prior to the first anniversary of the preceding year’s annual meeting; provided, however, that in the event that the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, or if no annual meeting was held in the preceding year, in each case, notice by the Stockholder must be so delivered not earlier than the one hundred twentieth (120th) day prior to such annual meeting and not later than the later of the ninetieth (90th) day prior to such annual meeting or, if the first public announcement of the date of such annual meeting is less than 100 days prior to the date of such annual meeting, the 10th day following the day on which public announcement of the date of such meeting is first made by the Corporation. For purposes of the first annual meeting held following the closing of the Corporation’s initial public offering, the anniversary date shall be deemed to be [●]. In no event shall an adjournment, or postponement of an annual meeting for which notice has been given, commence a new time period (or extend any time period) for the giving of a Stockholder’s notice as described above. To be in proper form, such Stockholder’s notice must:

(A)  as to each person whom the Stockholder proposes to nominate for election as a director of the Corporation, set forth (I) such person’s name, age, business address and, if known, residence address, (2) such person’s principal occupation or employment, (3) the class and series and number of shares of stock of the Corporation that are, directly or indirectly, owned, beneficially or of record, by such person, (4) a description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships, between or among (x) the Stockholder, the beneficial owner, if any, on whose behalf the nomination is being made and the respective affiliates and associates of, or others acting in concert with, such Stockholder and such beneficial owner, on the one hand, and (y) each proposed nominee, and his or her respective affiliates and associates, or others acting in concert with such nominee(s), on the other hand, including all information that would be required to be disclosed pursuant to Item 404 of Regulation
S-K if the Stockholder making the nomination and any beneficial owner on whose behalf the nomination is made or any affiliate or associate thereof or person acting in concert therewith were the “registrant” for purposes of such Item and the proposed nominee were a director or executive officer of such registrant; (II) all other information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to and in accordance with Section 14(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations promulgated thereunder, and (III) such person’s written consent to serving as a director of the Corporation if elected;

(B) with respect to each nominee for election or reelection to the Board of Directors, include the completed and signed questionnaire, representation and agreement required by Section 1.14 of these Bylaws (which shall be provided to a Stockholder promptly following a request therefor);

(C) as to any other business that the Stockholder proposes to bring before the meeting, set forth a brief description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend these Bylaws, the language of the proposed amendment), the reasons for conducting such business at the meeting and any material interest in such business of such Stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and

The foregoing notice requirements of this Section 1.13(a) shall be deemed satisfied by a Stockholder with respect to business other than a nomination for election as a director of the Corporation if the Stockholder has notified the Corporation of his, her or its intention to present a proposal at an annual meeting in compliance with Rule 14a-8 promulgated under the Exchange Act and such Stockholder’s proposal has been included in a proxy statement that has been prepared by the Corporation to solicit proxies for such annual meeting. The Corporation may require any proposed nominee for election as a director of the Corporation to furnish such other information as the Corporation may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation. A Stockholder shall not have complied with this Section 1.13(a)(ii), and his or her nominees and business proposals shall be disregarded, if the Stockholder (or beneficial owner, if any, on whose behalf the nomination is made) solicits or does not solicit, as the case may be, proxies or votes in support of such Stockholder’s nominee or business proposal in contravention of the representations with respect thereto required by this Section 1.13(a)(ii).

(iii) Notwithstanding anything in the second sentence of Section 1.13(a)(ii) of these Bylaws to the contrary, in the event that the number of directors to be elected to the Board of Directors at the annual meeting is increased effective after the time period for which nominations would otherwise be due under Section 1.13(a)(ii) of these Bylaws and there is no public announcement by the Corporation naming the nominees for the additional directorships at least one hundred (100) days prior to the first anniversary of the preceding year’s annual meeting, a Stockholder’s notice required by this Section 1.13 shall also be considered timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the tenth (10th) day following the day on which such public announcement is first made by the Corporation.

(b) Special Meetings of Stockholders. Except to the extent required by law, special meetings of Stockholders may be called only in accordance with Section 1.03 of these Bylaws. Only such business shall be conducted at a special meeting of Stockholders as shall have been brought before the meeting pursuant to the Corporation’s notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of Stockholders at which directors are to be elected pursuant to the Corporation’s notice of meeting only (1) by or at the direction of the Board of Directors or a majority of the independent directors thereof or (2) provided that the Board of Directors has determined that directors shall be elected at such meeting, by any Stockholder who is a Stockholder of record at the time the notice provided for in this Section 1.13 is delivered to the Secretary, who is entitled to vote at the meeting and who complies with the notice procedures set forth in this Section 1.13. In the event the Corporation calls a special meeting of Stockholders for the purpose of electing one or more directors to the Board of Directors, any
such Stockholder entitled to vote in such election of directors may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Corporation’s notice of meeting, if the Stockholder delivers a notice that includes all of the information required by Section 1.13(a)(ii) of these Bylaws (including the completed and signed questionnaire, representation and agreement required by Section 1.14 of these Bylaws and any other information, documents, affidavits, or certifications required by the Corporation) to the Secretary at the principal executive offices of the Corporation not earlier than the one hundred twentieth (120th) day prior to such special meeting and not later than the later of the ninetieth (90th) day prior to such special meeting or the tenth (10th) day following the day on which notice of the date of the special meeting was mailed or public disclosure of the date of the special meeting was made, whichever first occurs. In no event shall an adjournment, or postponement for which notice has been given, of a special meeting commence a new time period (or extend any time period) for the giving of a Stockholder’s notice as described above.

(c) **General.**

(i) Only such persons who are nominated in accordance with the procedures set forth in this Section 1.13 shall be eligible to be elected at an annual or special meeting of Stockholders to serve as directors and only such business shall be conducted at a meeting of Stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 1.13. Except as otherwise provided by law, the chairperson of the meeting shall have the power and duty (A) to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 1.13 (including whether the Stockholder or beneficial owners, if any, on whose behalf the nomination or proposal is made or solicited (or is part of a group which solicited) or did not so solicit, as the case may be, proxies or votes in support of such Stockholder’s nominee or proposal in compliance with such Stockholder’s representation as required by Section 1.13(a)(ii)(D) (VI) of these Bylaws) and (B) if any proposed nomination or business was not made or proposed in compliance with this Section 1.13, to declare that such nomination shall be disregarded or that such proposed business shall not be transacted. Notwithstanding the foregoing provisions of this Section 1.13, unless otherwise required by law or except as otherwise determined by the chairperson of the meeting, if the Stockholder (or a qualified representative of the Stockholder) does not appear at the annual or special meeting of Stockholders to present a nomination or proposed business, such nomination shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Corporation. For purposes of this Section 1.13, to be considered a qualified representative of the Stockholder, a person must be a duly authorized officer, manager or partner of such Stockholder or must be authorized by a writing executed by such Stockholder or an electronic transmission delivered by such Stockholder to act for such Stockholder as proxy at the meeting of Stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of Stockholders.

(ii) For purposes of this Section 1.13, “**public announcement**” shall include disclosure in a press release reported by the Dow Jones News Service, Associated Press or other national news service or in a document publicly filed by the Corporation with the Securities
and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act and the rules and regulations promulgated thereunder.

(iii) Notwithstanding the foregoing provisions of this Section 1.13, a Stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations promulgated thereunder with respect to the matters set forth in this Section 1.13; provided, however, that any references in these Bylaws to the Exchange Act or the rules and regulations promulgated thereunder are not intended to and shall not limit any requirements applicable to nominations or proposals as to any other business to be considered pursuant to this Section 1.13 (including clause (a)(i)(C) hereof and clause (b) hereof), and compliance with clauses (a)(i)(C) and (b) of this Section 1.13 shall be the exclusive means for a Stockholder to make nominations or submit other business at a Stockholder meeting (other than business brought properly under and in compliance with Rule 14a-8 promulgated under the Exchange Act, as may be amended from time to time). Nothing in this Section 1.13 shall be deemed to affect any rights (x) of Stockholders to request inclusion of proposals in the Corporation’s proxy statement pursuant to applicable rules and regulations promulgated under the Exchange Act or (y) of the holders of any series of preferred stock of the Corporation (“Preferred Stock”) to elect directors pursuant to any applicable provisions of the Certificate of Incorporation. Except as otherwise required by law, nothing in this Section 1.13 shall obligate the Corporation or the Board of Directors to include in any proxy statement or other stockholder communication distributed on behalf of the Corporation or the Board of Directors information with respect to any nominee for director or any proposal submitted by a stockholder.

Section 1.14 Submission of Questionnaire, Representation and Agreement. To be eligible to be a nominee for election or reelection as a director of the Corporation, the candidate for nomination must have previously delivered (in accordance with the time periods prescribed for delivery of notice under Section 1.13 of these Bylaws), to the Secretary at the principal executive offices of the Corporation, (a) a completed written questionnaire (in a form provided by the Corporation) with respect to the background, qualifications, stock ownership and independence of such proposed nominee and (b) a written representation and agreement (in form provided by the Corporation) that such candidate for nomination (i) is not and, if elected as a director during his or her term of office, will not become a party to (A) any agreement, arrangement or understanding with, and has not given and will not give any commitment or assurance to, any person or entity as to how such proposed nominee, if elected as a director of the Corporation, will act or vote on any issue or question (a “Voting Commitment”) or (B) any Voting Commitment that could limit or interfere with such proposed nominee’s ability to comply, if elected as a director of the Corporation, with such proposed nominee’s fiduciary duties under applicable law, (ii) is not, and will not become a party to, any agreement, arrangement or understanding with any person or entity other than the Corporation with respect to any direct or indirect compensation or reimbursement for service as a director that has not been disclosed to the Corporation, (iii) will, if elected as a director of the Corporation, comply with all applicable corporate governance, conflict of interest, confidentiality, stock ownership and trading and other policies and guidelines of the Corporation applicable to directors and in effect during such person’s term in office as a director of the Corporation (and, if requested by any candidate for nomination, the Secretary shall provide to such candidate for
nomination all such policies and guidelines then in effect) and (iv) intends, if elected as a director of the Corporation, to serve the full term of the
directorship.

outstanding, unless the Board of Directors otherwise determines, newly created directorships resulting from any increase in the authorized number of
directors or any vacancies on the Board of Directors resulting from the death, resignation, retirement, disqualification, removal from office or other cause
shall be filled only by a majority in voting power of the directors then in office and entitled to vote thereon. Any director so chosen shall be appointed for a
term expiring at the next election of directors and shall remain in office until his successor shall be elected and qualified.

Section 2.03 Regular Meetings. Regular meetings of the Board of Directors may be held at such places, if any, within or without the State of

Section 2.07 Action by Unanimous Consent of Directors. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors, or of any committee thereof, may be taken without a meeting if all members of the Board of Directors or such committee, as the case may be, consent thereto in writing or by electronic transmission and the writing or writings or electronic transmissions are filed with the minutes of proceedings of the Board of Directors or such committee in accordance with applicable law. Any person (whether or not then a director) may provide, whether through instruction to an agent or otherwise, that a consent to action shall be effective at a future time (including a time determined upon the happening of an event), no later than 60 days after such instruction is given or such provision is made and such consent shall be deemed to have been given at such effective time so long as such person is then a director and did not revoke the consent prior to such time. Any such consent shall be revocable prior to its becoming effective.

Section 2.08 Compensation of Directors. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, the Board of Directors shall have the authority to fix the compensation of directors. The directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary or other compensation as a director. If successful in whole or in part in any such suit, or in a suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Covered Person shall be entitled to be paid the expense of prosecuting or defending such claim to the fullest extent permitted by law. In any such action, the Corporation shall have the burden of proving that the Covered Person is not entitled to the requested indemnification or advancement of expenses under applicable law. In (i) any suit brought by the Covered Person to enforce a right to indemnification hereunder (but not a suit brought by that Covered Person to enforce a right to an advancement of expenses) it shall be a defense that, and (ii) in any suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Corporation shall be entitled to recover such expenses upon a final adjudication that, the Covered Person has not met any applicable standard for indemnification set forth in the DGCL. Neither the failure of the Corporation (including its directors who are not parties to such action, a committee of such directors, independent legal counsel, or its Stockholders) to have made a determination prior to the commencement of such suit that indemnification of the Covered Person is proper in the circumstances because the Covered Person has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its directors who are not parties to such action, a committee of such directors, independent legal counsel, or its Stockholders) that the Covered Person has not met such applicable standard of conduct, shall create a presumption that the Covered Person has not met the applicable standard of conduct or, in the case of such a suit brought by the Covered Person, be a defense to such suit. In any suit brought by the Covered Person to enforce a right to indemnification or to an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the Covered Person is not entitled to be indemnified, or to such advancement of expenses, under this Article VI or otherwise shall be on the Corporation.

Section 6.04 **Non-exclusivity of Rights.** The rights conferred on any Covered Person by this Article VI shall not be exclusive of any other rights which such Covered Person may have or hereafter acquires under any statute, provision of the Certificate of Incorporation, these Bylaws, agreement, vote of Stockholders or disinterested directors or otherwise.

Section 6.05 **Amendment or Repeal.** Any right to indemnification or to advancement of expenses of any Covered Person arising hereunder shall not be eliminated or impaired by an amendment to or repeal of these Bylaws after the occurrence of the act or omission that is the subject of the proceeding for which indemnification or advancement of expenses is sought.
Section 6.06 **Other Indemnification and Advancement of Expenses.** This Article VI shall not limit the right of the Corporation, to the extent and in the manner permitted by law, to indemnify and to advance expenses to persons other than Covered Persons when and as authorized by appropriate corporate action.

Section 6.07 **Nature of Rights.** The rights conferred upon Covered Persons in this Article VI shall be contract rights and such rights shall continue as to a Covered Person who has ceased to be a director or executive officer and shall inure to the benefit of the Covered Person’s heirs, executors and administrators.

Section 6.08 **Insurance.** The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the DGCL.

**ARTICLE VII.**

**MISCELLANEOUS**

Section 7.01 **Fiscal Year.** The fiscal year of the Corporation shall be determined by resolution of the Board of Directors.

Section 7.02 **Seal.** The corporate seal shall have the name of the Corporation inscribed thereon and shall be in such form as may be approved from time to time by the Board of Directors.

Section 7.03 **Manner of Notice.**

(a) **Notice by Electronic Transmission.** Without limiting the manner by which notice otherwise may be given effectively to Stockholders pursuant to the DGCL, the Certificate of Incorporation or these Bylaws, any notice to Stockholders given by the Corporation under any provision of the DGCL, the Certificate of Incorporation or these Bylaws shall be effective if given by a form of electronic transmission consented to by the Stockholder to whom the notice is given. Any such consent shall be revocable by the Stockholder by written notice to the Corporation. Any such consent shall be deemed revoked if (1) the Corporation is unable to deliver by electronic transmission two consecutive notices given by the Corporation in accordance with such consent and (2) such inability becomes known to the Secretary or an Assistant Secretary of the Corporation or the transfer agent, or other person responsible for the giving of notice; provided, however, the inadvertent failure to treat such inability as a revocation shall not invalidate any meeting or other action.

Any notice given pursuant to the preceding paragraph shall be deemed given (a) if by facsimile telecommunication, when directed to a number at which the Stockholder has consented to receive notice; (b) if by electronic mail, when directed to an electronic mail address at which the Stockholder has consented to receive notice; (c) if by a posting on an electronic network together with separate notice to the Stockholder of such specific posting, upon the later of (i) such posting...
and (ii) the giving of such separate notice; and (d) if by any other form of electronic transmission, when directed to the Stockholder.

An affidavit of the Secretary or an Assistant Secretary of the Corporation or of the transfer agent or other agent of the Corporation that the notice has been given by a form of electronic transmission shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

For the purposes of these Bylaws, an “electronic transmission” means any form of communication, not directly involving the physical transmission of paper, including the use of, or participation in, 1 or more electronic networks or databases (including 1 or more distributed electronic networks or databases), that creates a record that may be retained, retrieved and reviewed by a recipient thereof, and that may be directly reproduced in paper form by such a recipient through an automated process.

(b) Notice to Stockholders Sharing an Address. Without limiting the manner by which notice otherwise may be given effectively to Stockholders, and except as prohibited by applicable law, any notice to Stockholders given by the Corporation under any provision of applicable law, the Certificate of Incorporation, or these Bylaws shall be effective if given by a single written notice to Stockholders who share an address if consented to by the Stockholders at that address to whom such notice is given. Any such consent shall be revocable by the Stockholder by written notice to the Corporation. Any Stockholder who fails to object in writing to the Corporation, within sixty (60) days of having been given written notice by the Corporation of its intention to send the single notice permitted under this Section 7.03, shall be deemed to have consented to receiving such single written notice.

Section 7.04 Waiver of Notice of Meetings of Stockholders, Directors and Committees. Whenever notice is required to be given under any provision of the DGCL or the Certificate of Incorporation or by these Bylaws, a written waiver, signed by the person entitled to notice, or a waiver by electronic transmission by the person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Stockholders, directors or members of a committee of directors need be specified in any written waiver of notice or any waiver by electronic transmission unless so required by the Certificate of Incorporation or these Bylaws.

Section 7.05 Form of Records. Without limiting the provisions of Section 224 of the DGCL, any records maintained by the Corporation in the regular course of its business, including its stock ledger, books of account, and minute books, may be kept on, or by means of, or be in the form of, any information storage device or method, provided that the records so kept can be converted into clearly legible paper form within a reasonable time.

Section 7.06 Amendment of Bylaws. These Bylaws may be altered, amended or repealed, and new bylaws made, only by the affirmative vote of (a) directors constituting a majority of the
total number of authorized directorships or (b) Stockholders representing at least a majority of the votes eligible to be cast by the Stockholders entitled to vote thereon.

“Valuation Assumptions” means, as of an Early Termination Effective Date, the assumptions that:

1. in each Taxable Year ending on or after such Early Termination Effective Date, the Corporation will have taxable income sufficient to fully use the deductions arising from the Basis Adjustments and the Imputed Interest during such Taxable Year or future Taxable Years (including, for the avoidance of doubt, Basis Adjustments and Imputed Interest that would result from future Tax Benefit Payments that would be paid in accordance with the Valuation Assumptions) in which such deductions would become available;

2. the U.S. federal income tax rates that will be in effect for each such Taxable Year will be those specified for each such Taxable Year by the Code and other law as in effect on the Early Termination Effective Date, except to the extent any change to such tax rates for such Taxable Year have already been enacted into law and the combined U.S. state and local income tax rates (but not, for the avoidance of doubt, federal income tax rates) for each such Taxable Year shall be the Assumed State and Local Tax Rate for the Taxable Year that includes the Early Termination Effective Date; and, for the avoidance of doubt, the applicable calculations shall take into account the federal benefit received by the Corporation with respect to state and local jurisdiction income taxes;

3. any loss carryovers or carrybacks generated by any Basis Adjustment or Imputed Interest (including such Basis Adjustment and Imputed Interest generated as a result of payments under this Agreement) and available as of the Early Termination Effective Date will be used by the Corporation on a pro rata basis from the date of the Early Termination Effective Date through the scheduled expiration date of such loss carryovers or carrybacks;

4. any non-amortizable assets (other than Subsidiary Stock) will be disposed of on the earlier of the fifteenth anniversary of (i) the applicable Basis Adjustment and (ii) the Early Termination Effective Date;

5. any Subsidiary Stock will be deemed never to be disposed of except if Subsidiary Stock is directly disposed of in the Change of Control;

6. if, on the Early Termination Effective Date, any Member has Units that have not been Exchanged, then such Units shall be deemed to be Exchanged for the Market Value that would be received by such Member if such Units had been Exchanged on the Early Termination Effective Date, and such Member shall be deemed to receive the amount of cash such Member would have been entitled to pursuant to Section 4.3(a) had such Units actually been Exchanged on the Early Termination Effective Date;

7. any payment obligations pursuant to this Agreement will be satisfied on the date that any Tax Return to which such payment obligation relates is required to be filed excluding any extensions.
ARTICLE II.
DETERMINATION OF REALIZED TAX BENEFIT

Section 2.1 Basis Adjustments; the LLC 754 Election.

(a) Basis Adjustments. The Parties acknowledge and agree that (A) the Purchase shall and each Direct Exchange shall give rise to Basis Adjustments and (B) each Redemption using cash or Class A Common Stock contributed to the LLC by the Corporation shall be treated as a direct purchase of Units by the Corporation from the applicable Member pursuant to Section 707(a)(2)(B) of the Code that shall give rise to Basis Adjustments. In connection with the Purchase, a Direct Exchange or a Redemption, the Parties acknowledge and agree that pursuant to applicable law the Corporation’s share of the basis in the Reference Assets shall be increased by the excess, if any, of (A) the sum of (x) the fair market value of Class A Common Stock or the cash transferred to a Member pursuant to an Exchange as payment for the Units, (y) the amount of payments made pursuant to this Agreement with respect to such Exchange and (z) the amount of liabilities allocated to the Units acquired pursuant to the Exchange, over (B) the Corporation’s proportionate share of the basis of the Reference Assets immediately after the Exchange attributable to the Units exchanged, determined as if each member of the LLC Group remains in existence as an entity for tax purposes and no member of the LLC Group made the election provided by Section 754 of the Code.

For the avoidance of doubt, payments made under this Agreement shall not be treated as resulting in a Basis Adjustment to the extent that such payments are treated as Imputed Interest or are Actual Interest Amounts or Default Rate Interest.

(b) Section 754 Election. In its capacity as the sole managing member of the LLC, the Corporation will ensure that, on and after the date hereof and continuing throughout the term of this Agreement, the LLC and each of its direct and indirect Subsidiaries that is treated as a partnership for U.S. federal income tax purposes will have in effect an election under Section 754 of the Code (and under any similar provisions of applicable U.S. state or local law).

Section 2.2 Basis Schedules. Within ninety (90) calendar days after the filing of the U.S. federal income Tax Return of the Corporation for each relevant Taxable Year, the Corporation shall deliver to the LLC and each Exchanging Member a schedule (the “Basis Schedule”) that shows, in reasonable detail as necessary in order to understand the calculations performed under this Agreement: (a) the Basis Adjustments with respect to the Reference Assets as a result of the relevant Exchanges effected in such Taxable Year and (b) the period (or periods) over which each Basis Adjustment is amortizable and/or depreciable. The Basis Schedule will become final and binding on the Parties pursuant to the procedures set forth in Section 2.4(a) and may be amended by the Parties pursuant to the procedures set forth in Section 2.4(b).

Section 2.3 Tax Benefit Schedules.

(a) Tax Benefit Schedule. Within ninety (90) calendar days after the filing of the U.S. federal income Tax Return of the Corporation for any Taxable Year in which there is a Realized Tax Benefit or Realized Tax Detriment, the Corporation shall provide to the LLC and each Exchanging Member a schedule showing, in reasonable detail, the calculation of the Realized Tax Benefit or Realized Tax Detriment for such Taxable Year (a “Tax Benefit Schedule”). The Tax Benefit Schedule will become final and binding on the Parties pursuant to the procedures set forth in Section 2.4(a), and may be amended by the Parties pursuant to the procedures set forth in Section 2.4(b).
Applicable Principles. Subject to the provisions of this Agreement, the Realized Tax Benefit or Realized Tax Detriment for each Taxable Year is intended to measure the decrease or increase in the actual liability of the Corporation for Covered Taxes for such Taxable Year attributable to the Basis Adjustments, Imputed Interest, Actual Interest Amounts, and Default Rate Interest as determined using a “with and without” methodology described in Section 2.4(a). Carryovers or carrybacks of any Tax item attributable to any Basis Adjustment, Imputed Interest, Actual Interest Amounts, and Default Rate Interest shall be considered to be subject to the rules of the Code and the Treasury Regulations or the appropriate provisions of U.S. state or local tax law, as applicable, governing the use, limitation and expiration of carryovers or carrybacks of the relevant type. If a carryover or carryback of any Tax item includes a portion that is attributable to a Basis Adjustment, Imputed Interest, Actual Interest Amounts, and Default Rate Interest (a “TRA Portion”) and another portion that is not (a “Non-TRA Portion”), such portions shall be considered to be used in accordance with the “with and without” methodology so that: (i) the amount of any Non-TRA Portion is deemed utilized first, followed by the amount of any TRA Portion (with the TRA Portion being applied on a proportionate basis consistent with the provisions of Section 3.3(a)); and (ii) in the case of a carryback of a Non-TRA Portion, such carryback shall not affect the original “with and without” calculation made in the prior Taxable Year. The Parties agree that (i) all Tax Benefit Payments (other than Imputed Interest, Actual Interest Amounts and Default Rate Interest) attributable to an Exchange will to the extent permitted by applicable law (A) be treated as subsequent upward purchase price adjustments that give rise to further Basis Adjustments for the Corporation and (B) have the effect of creating additional Basis Adjustments for the Corporation in the year of payment, and (ii) as a result, such additional Basis Adjustments will be incorporated into the current Taxable Year continuing until any incremental current Taxable Year benefits equal an immaterial amount.

Section 2.4 Procedures; Amendments.

(a) Procedures. Each time the Corporation delivers an applicable Schedule to the LLC and an Exchanging Member under this Agreement, including any Amended Schedule delivered pursuant to Section 2.4(b), but excluding any Early Termination Schedule or amended Early Termination Schedule delivered pursuant to the procedures set forth in Section 4.2, the Corporation shall also: (x) deliver supporting schedules and work papers, as reasonably determined by the Corporation or as reasonably requested by an Exchanging Member, that provide a reasonable level of detail regarding the data and calculations that were relevant for purposes of preparing the Schedule; and (y) allow the Exchanging Members and their advisors to have reasonable access to the appropriate representatives, as determined by the Corporation or as reasonably requested by the Exchanging Members at the Corporation in connection with a review of such Schedule. Without limiting the generality of the preceding sentence, the Corporation shall ensure that any Tax Benefit Schedule that is delivered to the LLC or the Exchanging Members along with any supporting schedules and work papers, provides a reasonably detailed presentation of the calculation of the actual liability of the Corporation for Covered Taxes (the “with” calculation) and the Hypothetical Tax Liability of the Corporation (the “without” calculation), and identifies any material assumptions or operating procedures or principles that were used for purposes of such calculations. An applicable Schedule or amendment thereto shall become final and binding on the Parties thirty (30) calendar days from the date on which any Exchanging Member first received the applicable Schedule or amendment thereto unless:

(i) an Exchanging Member, within thirty (30) calendar days after receiving the applicable Schedule or amendment thereto, provides the LLC and the Corporation with written notice of a material objection to such Schedule that is made in good faith and that sets forth in reasonable detail the Exchanging Member’s material objection (an “Objection Notice”) or
each of the Exchanging Members provides a written waiver of its right to deliver an Objection Notice within the time period described in clause (i) above, in which case such Schedule or amendment thereto becomes binding on the date the waiver from each Exchanging Member is received by the LLC or the Corporation.

In the event an Exchanging Member timely delivers an Objection Notice pursuant to clause (i) above, and if such Exchanging Member, the LLC and the Corporation, for any reason, are unable to successfully resolve the issues raised in the Objection Notice within thirty (30) calendar days after receipt by the Corporation of the Objection Notice, the Corporation, the LLC and the Exchanging Members shall employ the reconciliation procedures as described in Section 7.9 of this Agreement (the “Reconciliation Procedures”). In the event the resolution of the issues raised in an Objection Notice similarly impact Exchanging Members who did not timely deliver an Objection Notice, the Schedule as it applies to such other Exchanging Members shall be appropriately adjusted.

(b) **Amended Schedule.** The applicable Schedule for any Taxable Year may be amended from time to time by the Corporation: (i) in connection with a Determination affecting such Schedule; (ii) to correct inaccuracies in the Schedule identified as a result of the receipt of additional factual information relating to a Taxable Year after the date the Schedule was originally provided to the LLC or the Exchanging Members; (iii) to comply with an Expert’s determination under the Reconciliation Procedures applicable to this Agreement; (iv) to reflect a change in the Realized Tax Benefit or Realized Tax Detriment for such Taxable Year attributable to a carryback or carryforward of a loss or other Tax item to such Taxable Year; (v) to reflect a change in the Realized Tax Benefit or Realized Tax Detriment for such Taxable Year attributable to an amended Tax Return filed for such Taxable Year; or (vi) to adjust a Basis Schedule to take into account any Tax Benefit Payments made pursuant to this Agreement (any such Schedule, an “Amended Schedule”).

**ARTICLE III. TAX BENEFIT PAYMENTS**

Section 3.1 **Timing and Amount of Tax Benefit Payments.**

(a) **Timing of Payments.** Subject to Sections 3.2 and 3.3, within three (3) Business Days following the date on which each Tax Benefit Schedule that is required to be delivered by the Corporation to the LLC and the Exchanging Members pursuant to Section 2.3(a) of this Agreement becomes final in accordance with Section 2.4(a) of this Agreement, the LLC shall pay to each relevant Member the Tax Benefit Payment as determined pursuant to Section 3.1(b); provided, that if the Corporation effected a Direct Exchange with an Exchanging Member with respect to any Exchanged Units or any Purchase, any payments to which such Exchanging Member is entitled under this Agreement shall be made directly by the Corporation, and the LLC shall have no liability with respect thereto. Each such Tax Benefit Payment shall be made by wire transfer of immediately available funds to the bank account previously designated by such Members. For the avoidance of doubt, neither the Members nor the LLC shall be required under any circumstances to return any portion of any Tax Benefit Payment previously paid by the LLC or the Corporation (including any portion of any Early Termination Payment).
(b) **Amount of Payments.** For purposes of this Agreement, a “Tax Benefit Payment” with respect to any Member means an amount, not less than zero, equal to the sum of: (x) the portion of the Net Tax Benefit that is Attributable to such Member (including Imputed Interest calculated in respect of such amount); and (y) the Actual Interest Amount with respect to the Net Tax Benefit described in (x).

(i) **Attributable.** A Net Tax Benefit is “Attributable” to a Member to the extent that it is derived from any Basis Adjustment, Imputed Interest, or Actual Interest Amount that is attributable to an Exchange undertaken by or with respect to such Member.

(ii) **Net Tax Benefit.** The “Net Tax Benefit” for a Taxable Year equals the amount of the excess, if any, of (x) 85% of the Cumulative Net Realized Tax Benefit as of the end of such Taxable Year over (y) the aggregate amount of all Tax Benefit Payments previously made under this Section 3.1. For the avoidance of doubt, if the Cumulative Net Realized Tax Benefit as of the end of any Taxable Year is less than the aggregate amount of all Tax Benefit Payments previously made, no Member shall be required to return any portion of any Tax Benefit Payment previously made by the Corporation or the LLC to such Member (and the LLC shall have no such liability to the Corporation).

(iii) **Cumulative Net Realized Tax Benefit.** The “Cumulative Net Realized Tax Benefit” for a Taxable Year equals the cumulative amount of Realized Tax Benefits for all Taxable Years of the Corporation, up to and including such Taxable Year, net of the cumulative amount of Realized Tax Detriments for the same period. The Realized Tax Benefit and Realized Tax Detriment for each Taxable Year shall be determined based on the most recent Tax Benefit Schedule or Amended Schedule, if any, in existence at the time of such determination.

(iv) **Realized Tax Benefit.** The “Realized Tax Benefit” for a Taxable Year equals the excess, if any, of the Hypothetical Tax Liability over the actual liability of the Corporation for Covered Taxes; provided, that for purposes of determining the Hypothetical Tax Liability and actual liability of the Corporation for Covered Taxes, the Corporation shall use the Assumed State and Local Tax Rate for purposes of determining such liabilities for all state and local Covered Taxes. For the avoidance of doubt, the calculation of the Hypothetical Tax Liability and the actual liability of the Corporation for Covered Taxes shall take into account the federal benefit received by the Corporation with respect to state and local jurisdiction income taxes (with such benefit taking into account the Corporation’s marginal U.S. federal income tax rate for the relevant Taxable Year, the Assumed State and Local Tax Rate, and the deductibility, if any, of state and local jurisdiction income taxes). If all or a portion of the actual liability for such Covered Taxes for the Taxable Year arises as a result of an audit by a Taxing Authority of any Taxable Year, such liability shall not be included in determining the Realized Tax Benefit unless and until there has been a Determination.

(v) **Realized Tax Detriment.** The “Realized Tax Detriment” for a Taxable Year equals the excess, if any, of the actual liability of the Corporation for Covered Taxes over the Hypothetical Tax Liability for such Taxable Year; provided, that for purposes of determining the Hypothetical Tax Liability and actual liability of the Corporation for Covered Taxes, the Corporation shall use the Assumed State and Local Tax Rate for purposes of determining such liabilities for all state and local Covered Taxes. For the avoidance of doubt, the calculation of the Hypothetical Tax Liability and the actual liability of the Corporation for Covered Taxes shall take into account the federal benefit received by the Corporation with respect to state and local jurisdiction income taxes (with such benefit taking into account the Corporation’s marginal U.S.
federal income tax rate for the relevant Taxable Year, the Assumed State and Local Tax Rate, and the deductibility, if any, of state and local jurisdiction income taxes). If all or a portion of the actual liability for such Covered Taxes for the Taxable Year arises as a result of an audit by a Taxing Authority of any Taxable Year, such liability shall not be included in determining the Realized Tax Detriment unless and until there has been a Determination.

(vi) **Imputed Interest.** The parties acknowledge that the principles of Sections 1272, 1274, or 483 of the Code, as applicable, and the principles of any similar provision of U.S. state and local law, will, as applicable, apply to cause a portion of any Net Tax Benefit payable by the Corporation or the LLC to a Member under this Agreement to be treated as imputed interest (“**Imputed Interest**”). For the avoidance of doubt, the deduction for the amount of Imputed Interest as determined with respect to any Net Tax Benefit payable to a Member shall be excluded in determining the Hypothetical Tax Liability of the Corporation for purposes of calculating Realized Tax Benefits and Realized Tax Detriments pursuant to this Agreement.

(vii) **Actual Interest Amount.** The “**Actual Interest Amount**” calculated in respect of the Net Tax Benefit for a Taxable Year will equal the amount of any Extension Rate Interest. For the avoidance of doubt, any deduction for any Actual Interest Amount as determined with respect to any Net Tax Benefit payable by the Corporation or the LLC to a Member shall be excluded in determining the Hypothetical Tax Liability of the Corporation for purposes of calculating Realized Tax Benefits and Realized Tax Detriments pursuant to this Agreement.

(viii) **Extension Rate Interest.** The amount of “**Extension Rate Interest**” calculated in respect of the Net Tax Benefit (including previously accrued Imputed Interest) for a Taxable Year will equal interest calculated at the Agreed Rate from the due date (without extensions) for filing the U.S. federal income Tax Return of the Corporation for such Taxable Year until the date on which the Corporation or the LLC makes a timely Tax Benefit Payment to the Member on or before the Final Payment Date as determined pursuant to Section 3.1(a).

(ix) **Default Rate Interest.** In the event that the Corporation or the LLC does not make timely payment of all or any portion of a Tax Benefit Payment to a Member on or before the Final Payment Date as determined pursuant to Section 3.1(a), the amount of “**Default Rate Interest**” calculated in respect of the Net Tax Benefit (including previously accrued Imputed Interest and Extension Rate Interest) for a Taxable Year will equal interest calculated at the Default Rate from the Final Payment Date for a Tax Benefit Payment as determined pursuant to Section 3.1(a) until the date on which the LLC or the Corporation makes such Tax Benefit Payment to such Member. For the avoidance of doubt, any deduction for any Default Rate Interest with respect to any Net Tax Benefit payable by the Corporation or the LLC to a Member shall be excluded in determining the Hypothetical Tax Liability of the Corporation for purposes of calculating Realized Tax Benefits and Realized Tax Detriments pursuant to this Agreement.

(x) The Corporation, the LLC and the Members hereby acknowledge and agree that, as of the date of this Agreement and as of the date of any future Exchange that may be subject to this Agreement, the aggregate value of the Tax Benefit Payments cannot be reasonably ascertained for U.S. federal income or other applicable tax purposes.
Interest. The provisions of Section 3.1(b) are intended to operate so that interest will effectively accrue in respect of the Net Tax Benefit for any Taxable Year as follows:

(i) first, at the applicable rate used to determine the amount of Imputed Interest under the Code (from the relevant Exchange Date until the due date (without extensions) for filing the U.S. federal income Tax Return of the Corporation for such Taxable Year and, if required under applicable law, through the Final Payment Date for a Tax Benefit Payment as determined pursuant to Section 3.1(a));

(ii) second, at the Agreed Rate in respect of any Extension Rate Interest (from the due date (without extensions) for filing the U.S. federal income Tax Return of the Corporation for such Taxable Year until the Final Payment Date for a Tax Benefit Payment as determined pursuant to Section 3.1(a)); and

(iii) third, at the Default Rate in respect of any Default Rate Interest (from the Final Payment Date for a Tax Benefit Payment as determined pursuant to Section 3.1(a) until the date on which the Corporation or the LLC makes the relevant Tax Benefit Payment to a Member).

Section 3.2 No Duplicative Payments. It is intended that the provisions of this Agreement will not result in the duplicative payment of any amount (including interest) that may be required under this Agreement, and the provisions of this Agreement shall be consistently interpreted and applied in accordance with that intent. For purposes of this Agreement, and also for the avoidance of doubt, no Tax Benefit Payment shall be required to be calculated or made in respect of any estimated tax payments, including, without limitation, any estimated U.S. federal income tax payments.

Section 3.3 Pro-Ration of Payments as Between the Members.

(a) Insufficient Taxable Income. Notwithstanding anything in Section 3.1(b) to the contrary, if the aggregate potential depreciation, amortization or other similar deductions in respect of the Basis Adjustments, Imputed Interest, Actual Interest Amounts, and Default Rate Interest for purposes of determining the Corporation’s liability for Covered Taxes (the “Covered Tax Benefit”) is limited in a particular Taxable Year because the Corporation does not have sufficient actual taxable income, then the available Covered Tax Benefit for the Corporation shall be allocated among the Members in proportion to the respective Tax Benefit Payment that would have been payable if the Corporation had in fact had sufficient taxable income so that there had been no such limitation. As an illustration of the intended operation of this Section 3.3(a), if the Corporation had $200 of aggregate potential Covered Tax Benefits in a particular Taxable Year (with $50 of such Covered Tax Benefits being attributable to Member 1 and $150 of such Covered Tax Benefits being attributable to Member 2), such that Member 1 would have potentially been entitled to a Tax Benefit Payment of $42.50 and Member 2 would have been entitled to a Tax Benefit Payment of $127.50 if the Corporation had $200 of actual taxable income, and if at the same time the Corporation only had $100 of actual taxable income in such Taxable Year, then $25 of the aggregate $100 actual Covered Tax Benefit for the Corporation for such Taxable Year would be allocated to Member 1 and $75 of the aggregate $100 actual Covered Tax benefit for the Corporation would be allocated to Member 2, such that Member 1 would receive a Tax Benefit Payment of $21.25 and Member 2 would receive a Tax Benefit Payment of $63.75.

(b) Late Payments. If for any reason the Corporation or the LLC is not able to timely and fully satisfy its payment obligations under this Agreement in respect of a particular Taxable Year, then Default Rate Interest will begin to accrue pursuant to Section 5.2 and the Corporation and other Parties agree that (i) the Corporation or the LLC shall pay the Tax Benefit Payments due in respect of such
Taxable Year to each Member pro rata in proportion to the amount of such Tax Benefit Payments, without favoring one obligation over the other, and (ii) no Tax Benefit Payment shall be made in respect of any Taxable Year until all Tax Benefit Payments to all Members in respect of all prior Taxable Years have been made in full.

**ARTICLE IV. TERMINATION**

Section 4.1 Early Termination of Agreement: Breach of Agreement.

(a) Corporation's Early Termination Right. With the written approval of a majority of the Independent Directors, the Corporation may completely terminate this Agreement, as and to the extent provided herein, with respect to all amounts payable to the Members pursuant to this Agreement by paying to the LLC or the Members, as the case may be, the Early Termination Payment; provided, that the LLC shall immediately pay any Early Termination Payment it receives pursuant to this Article IV to the Members; and provided further, that Early Termination Payments may be made pursuant to this Section 4.1(a) only if made with respect to all Members that are entitled to such a payment simultaneously; and provided further, that the Corporation may withdraw any notice to execute its termination rights under this Section 4.1(a) prior to the time at which any Early Termination Payment has been paid. Upon the Corporation's payment of the Early Termination Payment (and, if applicable, the LLC’s payment of the Early Termination Payment to the Members), neither the Corporation nor the LLC shall have any further payment obligations under this Agreement, other than with respect to any: (i) prior Tax Benefit Payments that are due and payable under this Agreement but that still remain unpaid as of the date of the Early Termination Notice; and (ii) current Tax Benefit Payment due for the Taxable Year ending on or including the date of the Early Termination Notice (except to the extent that the amount described in clause (ii) is included in the calculation of the Early Termination Payment). If an Exchange subsequently occurs with respect to Units for which the Corporation has exercised its termination rights under this Section 4.1(a), neither the Corporation nor the LLC shall have any obligations under this Agreement with respect to such Exchange.

(b) Acceleration Upon Change of Control. In the event of a Change of Control, all obligations hereunder shall be accelerated and such obligations shall be calculated pursuant to this Article IV as if an Early Termination Notice had been delivered on the closing date of the Change of Control and utilizing the Valuation Assumptions by substituting the phrase “the closing date of a Change of Control” in each place where the phrase “Early Termination Effective Date” appears. Such obligations shall include, but not be limited to, (1) the Early Termination Payment calculated as if an Early Termination Notice had been delivered on the closing date of the Change of Control, (2) any Tax Benefit Payments agreed to by the Corporation, the LLC and the Members as due and payable but unpaid as of the Early Termination Notice and (3) any Tax Benefit Payments due for any Taxable Year ending prior to, with or including the closing date of a Change of Control (except to the extent that any amounts described in clauses (2) or (3) are included in the Early Termination Payment). For the avoidance of doubt, Sections 4.2 and 4.3 shall apply to a Change of Control, mutadis mutandi.

(c) Acceleration Upon Breach of Agreement. In the event that the Corporation or the LLC fails to make any payment pursuant to this Agreement when due (after a reasonable opportunity to cure), or in the event of the rejection of this Agreement in a case commenced under the Bankruptcy Code or otherwise, then all obligations hereunder shall be accelerated and become immediately due and payable upon notice of acceleration from a Member (provided that in the case of any proceeding under the Bankruptcy Code or other insolvency statute, such acceleration shall be automatic without any such
notice), and such obligations shall be calculated as if an Early Termination Notice had been delivered on the date of such notice of acceleration (or, in the case of any proceeding under the Bankruptcy Code or other insolvency statute, on the date of such breach) and shall include, but not be limited to: (i) the Early Termination Payment calculated as if an Early Termination Notice had been delivered on the date of such acceleration; (ii) any prior Tax Benefit Payments that are due and payable under this Agreement but that still remain unpaid as of the date of such acceleration; and (iii) any current Tax Benefit Payment due for the Taxable Year ending with or including the date of such acceleration (except to the extent included in the Early Termination Payment). Notwithstanding the foregoing, in the event that the Corporation or the LLC breaches this Agreement and such breach is not a material breach of a material obligation, a Member (or the LLC, if applicable) shall still be entitled to enforce all of its rights otherwise available under this Agreement, excluding, for the avoidance of doubt, seeking an acceleration of amounts payable under this Agreement. For purposes of this Section 4.1(c), and subject to the following sentence, the Parties agree that the failure to make any payment due pursuant to this Agreement within sixty (60) days of the relevant Final Payment Date shall be deemed to be a material breach of a material obligation under this Agreement for all purposes of this Agreement, and that it will not be considered to be a material breach of a material obligation under this Agreement to make a payment due pursuant to this Agreement within sixty (60) days of the relevant Final Payment Date. Notwithstanding anything in this Agreement to the contrary, it shall not be a material breach of a material obligation of this Agreement if the Corporation or the LLC fails to make any Tax Benefit Payment within sixty (60) days of the relevant Final Payment Date to the extent that the Corporation or the LLC has insufficient funds or cannot make such payment as a result of obligations imposed in connection with the Senior Obligations or under applicable law, and cannot obtain sufficient funds to make such payments by taking commercially reasonable actions; provided that the interest provisions of Section 5.2 shall apply to such late payment (unless the Corporation does not have sufficient funds to make such payment as a result of limitations imposed by any Senior Obligations, in which case Section 5.2 shall apply, but the Default Rate shall be replaced by the Agreed Rate); and further provided that such payment obligation shall nonetheless accrue for the benefit of the Members or the LLC and the Corporation shall make such payment at the first opportunity that it has sufficient funds and is otherwise able to make such payment.

Section 4.2 Early Termination Notice. If the Corporation chooses to exercise its right of early termination under Section 4.1 above, the Corporation shall deliver to the LLC and the Members a notice of the Corporation’s decision to exercise such right (an “Early Termination Notice”) and a schedule (the “Early Termination Schedule”) showing in reasonable detail the calculation of the Early Termination Payment. The Corporation shall also (x) deliver to the Members supporting schedules and work papers, as determined by the Corporation or as reasonably requested by a Member, that provide a reasonable level of detail regarding the data and calculations that were relevant for purposes of preparing the Early Termination Schedule; and (y) allow the Members and their advisors to have reasonable access to the appropriate representatives, as determined by the Corporation or as reasonably requested by a Member, at the Corporation in connection with a review of such Early Termination Schedule. The Early Termination Schedule shall become final and binding on each Party thirty (30) calendar days from the first date on which the Members received such Early Termination Schedule unless:

(i) a Member within thirty (30) calendar days after receiving the Early Termination Schedule, provides the LLC and the Corporation with notice of a material objection to such Early Termination Schedule made in good faith and setting forth in reasonable detail the Member’s material objection (a “Termination Objection Notice”); or

(ii) each Member provides a written waiver of such right of a Termination Objection Notice within the period described in clause (i) above, in which case such Early Termination
Schedule becomes binding on the date the waiver from all Members is received by the LLC or the Corporation.

In the event that a Member timely delivers a Termination Objection Notice pursuant to clause (i) above, and if such Member, the LLC and the Corporation, for any reason, are unable to successfully resolve the issues raised in the Termination Objection Notice within thirty (30) calendar days after receipt by the Corporation of the Termination Objection Notice, the Corporation and such Member shall employ the Reconciliation Procedures. The date on which the Early Termination Schedule becomes final in accordance with this Section 4.2 shall be the “Early Termination Reference Date.” The Early Termination Schedule shall be amended consistent with the resolution of the issues set forth in the Termination Objection Notice with respect to any Member whose Early Termination Payments would be adjusted as a result of the application of such resolution to such other Member’s Early Termination Payments.

Section 4.3 Payment Upon Early Termination.

(a) Timing of Payment. Within three (3) Business Days after the Early Termination Reference Date, the Corporation shall pay to the LLC and each Member an aggregate amount equal to the Early Termination Payment for such Member (for the avoidance of doubt, the sum of the payments made to a Member directly and to the LLC attributable to such Member shall not exceed the Early Termination Payment owed with respect to such Member, and LLC shall immediately pay any Early Termination Payment it receives pursuant to this Article IV to the Members); provided, that at the election of the LLC, the Corporation shall make the entire Early Termination Payment owed to a Member directly to such Member. Such Early Termination Payment shall be made by the Corporation by wire transfer of immediately available funds to a bank account or accounts designated by the Members, the LLC or as otherwise agreed by the Corporation, the LLC and the Members.

(b) Amount of Payment. The “Early Termination Payment” payable to a Member pursuant to Section 4.3(a) shall equal the present value, discounted at the Early Termination Rate as determined as of the Early Termination Reference Date, of all Tax Benefit Payments that would be required to be paid pursuant to this Agreement to such Member, whether payable with respect to Units that were Exchanged prior to the Early Termination Effective Date or on or after the Early Termination Effective Date, beginning from the Early Termination Effective Date and using the Valuation Assumptions.

ARTICLE V.
SUBORDINATION AND LATE PAYMENTS

Section 5.1 Subordination. Notwithstanding any other provision of this Agreement to the contrary, any Tax Benefit Payment or Early Termination Payment required to be made by the LLC to the Members, or by the Corporation to the LLC or the Members under this Agreement shall rank subordinate and junior in right of payment to any principal, interest, or other amounts due and payable in respect of any obligations owed in respect of secured or unsecured indebtedness for borrowed money of the Corporation and its Subsidiaries ("Senior Obligations") and shall rank pari passu in right of payment with all current or future unsecured obligations of the Corporation and its Subsidiaries that are not Senior Obligations. To the extent that any payment under this Agreement is not permitted to be made at the time payment is due as a result of this Section 5.1 and the terms of the agreements governing Senior Obligations, such payment obligation nevertheless shall accrue for the benefit of the Members (or the LLC, if applicable) and the Corporation or the LLC shall make such payments at the first opportunity that such payments are permitted to be made in accordance with the terms of the Senior Obligations.
Section 5.2 Late Payments by the Corporation. Except as otherwise provided in this Agreement, the amount of all or any portion of any Tax Benefit Payment or Early Termination Payment not made to the Members when due under the terms of this Agreement, whether as a result of Section 5.1 and the terms of the Senior Obligations or otherwise, shall be payable together with any interest thereon, computed at the Default Rate and commencing from the Final Payment Date on which such Tax Benefit Payment or Early Termination Payment was first due and payable to the date of actual payment.

ARTICLE VI. TAX MATTERS; CONSISTENCY; COOPERATION

Section 6.1 Participation in the Corporation’s and the LLC’s Tax Matters. Except as otherwise provided herein, the Corporation shall have full responsibility for, and sole discretion over, all tax matters concerning the Corporation and the LLC, including without limitation the preparation, filing or amending of any Tax Return and defending, contesting or settling any issue pertaining to taxes. Notwithstanding the foregoing, the Corporation shall notify the Members with respect to, the portion of any tax audit of the Corporation or the LLC, or any of the LLC’s Subsidiaries, but only to the extent the outcome of which is reasonably expected to materially and adversely affect the Tax Benefit Payments payable to such Members under this Agreement.

Section 6.2 Consistency. Except as otherwise required by law, all calculations and determinations made hereunder, including, without limitation, any Basis Adjustments, the Schedules and the determination of any Realized Tax Benefits or Realized Tax Detriments, shall be made in accordance with the elections, methodologies or positions taken by the Corporation and the LLC on their respective Tax Returns. Section 7.2 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

Section 7.3 Entire Agreement; No Third Party Beneficiaries. This Agreement constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the Parties with respect to the subject matter hereof. This Agreement shall be binding upon and inure
solely to the benefit of each Party hereto and their respective successors and permitted assigns, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 7.4 Governing Law. This Agreement shall be governed by, and construed in accordance with, the law of the State of Delaware, without regard to the conflicts of laws principles thereof that would mandate the application of the laws of another jurisdiction.

Section 7.5 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

Section 7.6 Assignments; Amendments; Successors; No Waiver.

(a) Assignment. No Member may assign, sell, pledge, or otherwise alienate or transfer any interest in this Agreement, including the right to receive any Tax Benefit Payments under this Agreement, to any Person (other than a Permitted Transferee) without (i) the prior written consent of the LLC and the Corporation (such consent not to be unreasonably withheld, conditioned or delayed) and (ii) such Person (including a Permitted Transferee) executing and delivering a Joinder agreeing to succeed to the applicable portion of such Member's interest in this Agreement and to become a Party for all purposes of this Agreement (the “Joinder Requirement”). For the avoidance of doubt, if a Member transfers Units in accordance with the terms of the LLC Agreement but does not assign to the transferee of such Units its rights under this Agreement with respect to such transferred Units, such Member shall continue to be entitled to receive the Tax Benefit Payments arising in respect of a subsequent Exchange of such Units (and any such transferred Units shall be separately identified, so as to facilitate the determination of Tax Benefit Payments hereunder). Neither the Corporation nor the LLC may assign any of its rights or obligations under this Agreement to any Person (other than any direct or indirect successor (whether by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Corporation) without Supermajority Member Approval (and any purported assignment without such consent shall be null and void); provided, that in the event the Corporation acquires any Exchanged Units from a Member pursuant to a Direct Exchange or Purchase, any obligations of the LLC to the Exchanging Member pursuant to this Agreement with respect to both the Exchanged Units and any other Units retained by such Member shall be deemed fully assigned to the Corporation at the time of the Purchase or Direct Exchange and the LLC shall have no further liability under this Agreement to such Member with respect thereto.

(b) Amendments. No provision of this Agreement may be amended unless such amendment is approved in writing by each of the Corporation, the LLC and the Members who would be entitled to receive more than fifty percent (50%) of the aggregate amount of the Early Termination Payments payable to all Members hereunder if the Corporation had exercised its right of early termination on the date of the most recent Exchange prior to such amendment (excluding, for purposes of this sentence, all payments made to any Member pursuant to this Agreement since the date of such most recent Exchange); provided, however, that no such amendment shall be effective if such amendment would have a disproportionate effect on the payments certain Members will or may receive under this Agreement unless
all such disproportionately affected Members consent in writing to such amendment. No provision of this Agreement may be waived unless such waiver is in writing and signed by the party against whom the waiver is to be effective.

(c) **Successors.** Except as provided in Section 7.6(a), all of the terms and provisions of this Agreement shall be binding upon, and shall inure to the benefit of and be enforceable by, the Parties hereto and their respective successors, assigns, heirs, executors, administrators and legal representatives. The Corporation and the LLC shall require and cause any direct or indirect successor (whether by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of such Party, by written agreement, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that such Party would be required to perform if no such succession had taken place.

(d) **Waiver.** No failure by any Party to insist upon the strict performance of any covenant, duty, agreement, or condition of this Agreement, or to exercise any right or remedy consequent upon a breach thereof, shall constitute a waiver of any such breach or any other covenant, duty, agreement, or condition.

Section 7.7 **Titles and Subtitles.** The titles of the sections and subsections of this Agreement are for convenience of reference only and are not to be considered in construing this Agreement.

Section 7.8 **Resolution of Disputes.**

(a) Except for Reconciliation Disputes subject to Section 7.9, any and all disputes which cannot be settled amicably, including any ancillary claims of any Party, arising out of, relating to or in connection with the validity, negotiation, execution, interpretation, performance or non-performance of this Agreement (including the validity, scope and enforceability of this arbitration provision) (each a “Dispute”) shall be finally resolved by confidential arbitration in accordance with the International Institute for Conflict Prevention and Resolution Rules for Non-administered Arbitration (the “Rules”) by three arbitrators, of which the Corporation (or the LLC, if the dispute is with the LLC, and all references to the Corporation in this Section 7.8 shall include the LLC in the case of such a dispute) shall appoint one arbitrator and the Members party to such Dispute shall appoint one arbitrator in accordance with the “screened” appointment procedure provided in Rule 5.4. The arbitration shall be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1 et seq., and judgment upon the award rendered by the arbitrators may be entered by any court having jurisdiction thereof. The place of the arbitration shall be Nashville, Tennessee.

(b) Notwithstanding the provisions of paragraph (a), any Party may bring an action or special proceeding in any court of competent jurisdiction for the purpose of compelling another Party to arbitrate, seeking temporary or preliminary relief in aid of an arbitration hereunder, and/or enforcing an arbitration award and, for the purposes of this paragraph (b), each Party (i) expressly consents to the application of paragraph (c) of this Section 7.8 to any such action or proceeding, and (ii) agrees that proof shall not be required that monetary damages for breach of the provisions of this Agreement would be difficult to calculate and that remedies at law would be inadequate. For the avoidance of doubt, this Section 7.8 shall not apply to Reconciliation Disputes to be settled in accordance with the procedures set forth in Section 7.9.

(c) Each Party irrevocably consents to service of process by means of notice in the manner provided for in Section 7.1. Nothing in this Agreement shall affect the right of any Party to serve process in any other manner permitted by law.
WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).

In the event the parties are unable to agree whether a dispute between them is a Reconciliation Dispute subject to the dispute resolution procedure set forth in Section 7.9 or a Dispute subject to the dispute resolution procedure set forth in this Section 7.8, such disagreement shall be decided and resolved in accordance with the procedure set forth in this Section 7.8.

Section 7.9 Reconciliation. In the event that the Corporation (or the LLC, if the disagreement is with the LLC alone or in conjunction with the Corporation, in which case all references to the Corporation in this Section 7.8 shall include the LLC with respect to such a dispute) and any Member are unable to resolve a disagreement with respect to a Schedule (other than an Early Termination Schedule) prepared in accordance with the procedures set forth in Section 2.4, or with respect to an Early Termination Schedule prepared in accordance with the procedures set forth in Section 4.2, within the relevant time period designated in this Agreement (a “Reconciliation Dispute”), the Reconciliation Dispute shall be submitted for determination to a nationally recognized expert (the “Expert”) in the particular area of disagreement mutually acceptable to both parties. The Expert shall be a partner or principal in a nationally recognized accounting firm, and unless the Corporation and such Member agree otherwise, the Expert shall not, and the firm that employs the Expert shall not, have any material relationship with the Corporation or such Member or other actual or potential conflict of interest. The Expert shall resolve any matter relating to the Basis Schedule or an amendment thereto or the Early Termination Schedule or an amendment thereto within thirty (30) calendar days and shall resolve any matter relating to a Tax Benefit Schedule or an amendment thereto within fifteen (15) calendar days or as soon thereafter as is reasonably practicable, in each case after the matter has been submitted to the Expert for resolution. Notwithstanding the preceding sentence, if the matter is not resolved before any payment that is the subject of a disagreement would be due (in the absence of such disagreement) or any Tax Return reflecting the subject of a disagreement would be due (in the absence of such disagreement) or any Tax Return reflecting the subject of a disagreement would be due (in the absence of such disagreement), the undisputed amount shall be paid on the date prescribed by this Agreement and such Tax Return may be filed as provided in the next sentence. The Corporation and the Members shall bear their own costs and expenses of such proceeding, unless (i) the Expert adopts the Member’s position, in which case the Corporation shall reimburse the Member for any reasonable and documented out-of-pocket costs and expenses in such proceeding (including for the avoidance of doubt any costs and expenses incurred by the Member relating to the engagement of the Expert or amending any applicable Tax Return), or (ii) the Expert adopts the Corporation’s position, in which case the Member shall reimburse the Corporation for any reasonable and documented out-of-pocket costs and expenses in such proceeding (including for the avoidance of doubt costs and expenses incurred by the Corporation relating to the engagement of the Expert or amending any applicable Tax Return). The Expert shall finally determine any Reconciliation Dispute and the determinations of the Expert pursuant to this Section 7.9 shall be final, binding and non-appealable on the Corporation and the Members and may be entered and enforced in any court having competent jurisdiction.

Section 7.10 Withholding. The Corporation and its Affiliates and representatives shall be entitled to deduct and withhold from any payment that is payable to any Member pursuant to this...
Agreement such amounts as the Corporation or such Affiliate is required to deduct and withhold with respect to the making of such payment under the Code or any provision of U.S. state, local or foreign tax law. To the extent that amounts are so withheld and paid over to the appropriate Taxing Authority, such withheld amounts shall be treated for all purposes of this Agreement as having been paid by the Corporation or its Affiliate to the relevant Member. Each Member shall promptly provide the Corporation or its Affiliate with any applicable tax forms and certifications reasonably requested by the Corporation or the Affiliate in connection with determining whether any such deductions and withholdings are required under the Code or any provision of U.S. state, local or foreign tax law.

Section 7.11 Admission of the Corporation into a Consolidated Group; Transfers of Corporate Assets.

(a) If the Corporation is or becomes a member of an affiliated or consolidated group of corporations that files a consolidated income Tax Return pursuant to Section 1501 or other applicable Sections of the Code governing affiliated or consolidated groups, or any corresponding provisions of U.S. state or local law, then: (i) the provisions of this Agreement shall be applied with respect to the group as a whole; and (ii) Tax Benefit Payments, Early Termination Payments, and other applicable items hereunder shall be computed with reference to the consolidated taxable income of the group as a whole.

(b) If the Corporation, its successor in interest or any member of a group described in Section 7.11(a) transfers one or more assets to a corporation (or a Person classified as a corporation for U.S. income tax purposes) with which such entity does not file a consolidated Tax Return pursuant to Section 1501 of the Code, such entity, for purposes of calculating the amount of any Tax Benefit Payment or Early Termination Payment due hereunder, shall be treated as having disposed of such asset in a fully taxable transaction on the date of such transfer. The consideration deemed to be received by such entity shall be equal to the fair market value of the contributed asset by the Corporation in good faith or, if requested by an Exchanging Member, a valuation expert selected by the Corporation. For purposes of this Section 7.11, a transfer of a partnership interest shall be treated as a transfer of the transferring partner’s share of each of the assets and liabilities of that partnership. Notwithstanding anything to the contrary set forth herein, if the Corporation, its successor in interest or any member of a group described in Section 7.11(a), transfers its assets pursuant to a transaction that qualifies as a “reorganization” (within the meaning of Section 368(a) of the Code) in which such entity does not survive or pursuant to any other transaction to which Section 381(a) of the Code applies (other than any such reorganization or any such other transaction, in each case, pursuant to which such entity transfers assets to a corporation with which the Corporation, its successor in interest or any member of the group described in Section 7.11(a) (other than any such member being transferred in such reorganization or other transaction) does not file a consolidated Tax Return pursuant to Section 1501 of the Code), the transfer will not cause such entity to be treated as having transferred any assets to a corporation (or a Person classified as a corporation for U.S. income tax purposes) pursuant to this Section 7.11(b).

Section 7.12 Confidentiality. Each Member and its assignees acknowledges and agrees that the information of the Corporation and its Affiliates is confidential and, except in the course of performing any duties as necessary for the Corporation and its Affiliates, as required by law or legal process or to enforce the terms of this Agreement, such Person shall keep and retain in the strictest confidence and not disclose to any Person any confidential matters, acquired pursuant to this Agreement, of the Corporation and its Affiliates and successors, learned by any Member heretofore or hereafter. This Section 7.12 shall not apply to (i) any information that has been made publicly available by the Corporation or any of its Affiliates, becomes public knowledge (except as a result of an act of any Member in violation of this Agreement) or is generally known to the business community, (ii) the disclosure of information to the
extent necessary for a Member to prosecute or defend claims arising under or relating to this Agreement, and (iii) the disclosure of information to the extent necessary for a Member to prepare and file its Tax Returns, to respond to any inquiries regarding the same from any Taxing Authority or to prosecute or defend any action, proceeding or audit by any Taxing Authority with respect to such Tax Returns. If a Member or an assignee commits a breach, or threatens to commit a breach, of any of the provisions of this Section 7.12, the Corporation shall have the right and remedy to have the provisions of this Section 7.12 specifically enforced by injunctive relief or otherwise by any court of competent jurisdiction without the need to post any bond or other security, it being acknowledged and agreed that any such breach or threatened breach shall cause irreparable injury to the Corporation or any of its Subsidiaries and that money damages alone shall not provide an adequate remedy to such Persons. Such rights and remedies shall be in addition to, and not in lieu of, any other rights and remedies available at law or in equity.

Section 7.13 Change in Law. Notwithstanding anything herein to the contrary, if, as a result of or, in connection with an actual or proposed change in law, a Member reasonably believes that the existence of this Agreement could cause income (other than income arising from receipt of a payment under this Agreement) recognized by such Member (or direct or indirect equity holders in such Member) in connection with any Exchange to be treated as ordinary income rather than capital gain (or otherwise taxed at ordinary income rates) for U.S. federal income tax purposes or would have other material adverse tax consequences to such Member or any direct or indirect owner of such Member, then at the written election of such Member in its sole discretion (in an instrument signed by such Member and delivered to the LLC and the Corporation) and to the extent specified therein by such Member, this Agreement shall cease to have further effect and shall not apply to an Exchange with respect to such Member occurring after a date specified by such Member, or may be amended by in a manner reasonably determined by such Member, provided that such amendment shall not result in an increase in any payments owed by the Corporation or the LLC under this Agreement at any time as compared to the amounts and times of payments that would have been due in the absence of such amendment.

Section 7.14 Interest Rate Limitation. Notwithstanding anything to the contrary contained herein, the interest paid or agreed to be paid hereunder with respect to amounts due to any Member hereunder shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the “Maximum Rate”). If any Member shall receive interest in an amount that exceeds the Maximum Rate, the excess shall be applied to the Tax Benefit Payment or Early Termination Payment, as applicable (but in each case exclusive of any component thereof comprising interest) or, if it exceeds such unpaid non-interest amount, refunded to the Corporation. In determining whether the interest contracted for, charged, or received by any Member exceeds the Maximum Rate, such Member may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the payment obligations owed by the Corporation to such Member hereunder. Notwithstanding the foregoing, it is the intention of the Parties to conform strictly to any applicable usury laws.

Section 7.15 Independent Nature of Rights and Obligations. The rights and obligations of each Member hereunder are several and not joint with the rights and obligations of any other Person. A Member shall not be responsible in any way for the performance of the obligations of any other Person hereunder, nor shall a Member have the right to enforce the rights or obligations of any other Person hereunder (other than the Corporation). Except as otherwise provided by Section 7.6(a), the obligations of a Member hereunder are solely for the benefit of, and shall be enforceable solely by, the LLC and the Corporation. Nothing contained herein or in any other agreement or document delivered at any closing,
and no action taken by any Member pursuant hereto or thereto, shall be deemed to constitute the Members acting as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Members are in any way acting in concert or as a group with respect to such rights or obligations or the transactions contemplated hereby, and the Corporation acknowledges that the Members are not acting in concert or as a group and will not assert any such claim with respect to such rights or obligations or the transactions contemplated hereby.

Section 7.16 LLC Agreement. This Agreement shall be treated as part of the LLC Agreement as described in Section 761(c) of the Code and Sections 1.704-1(b)(2)(ii)(h) and 1.761-1(c) of the Treasury Regulations.

Section 7.17 Rules of Construction. Unless otherwise specified herein:

(b) For purposes of interpretation of this Agreement:

(i) The words “herein,” “hereof,” “hereunder” and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision thereof.

(d) Section headings herein are included for convenience of reference only and shall not affect the interpretation of this Agreement.

(e) Unless otherwise expressly provided herein, (i) references to organization documents (including the LLC Agreement), agreements (including this Agreement) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are permitted hereby; and (ii) references to any law (including the Code and the Treasury Regulations) shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such law.

Section 1.2 Requested Registration.

(a) Request for Registration. Subject to the provisions of Section 1.2(b) below, if at any time after six (6) months after the effective date of the first registration statement for a public offering of securities of the Corporation, the Corporation shall receive from Initiating Holders a written request that the Corporation effect any registration with respect to any of their Registrable Securities in which the anticipated aggregate price to the public is at least $15,000,000 the Corporation will:

   (i) Within ten (10) days after the date such report is given, give written notice of the proposed registration to all other Holders; and
as soon as practicable, and in any event within sixty (60) days after the date such request is given by the Initiating Holders, effect such registration (including, without limitation, appropriate qualification under applicable blue sky or other state securities laws and appropriate compliance with applicable regulations issued under the Securities Act and any other governmental requirements or regulations) as may be so requested and as would permit or facilitate the sale and distribution of all or such portion of such Registrable Securities as are specified in such request, together with all or such portion of the Registrable Securities of any Holder or Holders joining in such request as are specified in a written request received by the Corporation within twenty (20) days after receipt of such written notice from the Corporation; provided, however, that the Corporation shall not be obligated to take any action to effect any such registration, qualification or compliance pursuant to this Section 1.2:

(A) Within ninety (90) days of the effective date of any registration statement pertaining to securities of the Corporation (other than a registration of securities in a Rule 145 transaction or with respect to an employee benefit plan), provided that the Corporation is actively employing in good faith all reasonable efforts to cause such registration statement to become effective;

(B) After the Corporation has effected two (2) such registrations pursuant to this Section 1.2, and such registrations have been declared effective under the Securities Act; provided, however, that a registration pursuant to this Section 1.2 shall not be considered a registration for purposes of this Section 1.2, (i) unless and until such registration shall have become effective and (x) in the case of a registration on Form S-1 (or any successor form), until 180 days after the effective date thereof, and (y) in the case of a registration on Form S-3, until all Registrable Securities included in such registration shall have been actually sold, (ii) if the Holders withdraw their request at any time because such Holders (A) reasonably believed that the registration statement contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements made therein (in light of the circumstances under which they were made) not misleading, (B) notified the Corporation of such fact and requested that the Corporation correct such alleged misstatement or omission, and (C) the Corporation has refused to correct such alleged misstatement or omission, or (iii) at least 50% of the Registrable Securities requested to be registered by the Holders are not included in a registration pursuant to this Section 1.2; or

(C) If the Corporation shall furnish to such Initiating Holders a certificate, signed by the President and Chief Executive Officer of the Corporation, stating that in the good faith judgment of the Corporation’s Board of Directors it would be materially detrimental to the Corporation and its owners for a registration statement to be filed in the near future because such action would (i) materially interfere with a significant acquisition, corporate reorganization, or other similar significant transaction involving the Corporation, (ii) require premature disclosure of material information that the Corporation has a bona fide business purpose for preserving as confidential, or (iii) render the Corporation unable to comply with requirements under the Securities Act or Exchange Act, then in each such case the Corporation’s obligation to register, qualify or comply under this Section 1.2 shall be deferred for a period not to exceed ninety (90) days from
the date of receipt of the written request from the Initiating Holders; provided, however, that the Corporation may not utilize this right more than once in any twelve (12) month period.

Subject to the foregoing clauses (A) through (C), the Corporation shall file a registration statement covering the Registrable Securities so requested to be registered as soon as practicable after receipt of the request or requests of the Initiating Holders.

(b) Underwriting. In the event that a registration pursuant to this Section 1.2 is for a registered public offering involving an underwriting, the Corporation shall so advise the Holders as part of the notice given pursuant to Section 1.2(a)(i). In such event, the right of any Holder to participate in such registration shall be conditioned upon such Holder’s participation in the underwriting arrangements required by this Section 1.2(b), and the inclusion of such Holder’s Registrable Securities in the underwriting to the extent requested shall be limited to the extent provided herein.

The Corporation shall (together with all Holders proposing to distribute their securities through such underwriting) enter into an underwriting agreement in customary form with the managing underwriter approved by the Corporation’s Board of Directors. Notwithstanding any other provision of this Section 1.2, if the managing underwriter determines, and provides written notice, that marketing factors require limitation of the number of shares to be underwritten, the managing underwriter may limit the Registrable Securities to be included in such registration. The Corporation shall so advise all Holders distributing their securities through such underwriting and the number of shares of securities that may be included in the registration and underwriting (other than on behalf of the Corporation) shall be allocated among all Holders in proportion, as nearly as practicable, to the respective amounts of Registrable Securities owned by such Holders or in such other proportion as shall mutually be agreed to by all such selling Holders; provided, however, that the number of Registrable Securities to be included in such underwriting shall not be reduced unless all other securities are first entirely excluded from the underwriting. To facilitate the allocation of shares in accordance with the above provisions, the Corporation or the managing underwriter may round the number of shares allocated to any Holder to the nearest one hundred (100) shares.

Section 1.3 Corporation Registration.

(a) Notice of Registration. If at any time or from time to time the Corporation shall determine to register any of its securities, either for its own account or the account of a security holder or holders, other than (i) the initial public offering of such securities, unless consented to by the Corporation’s Board of Directors, (ii) a registration relating solely to employee benefit plans, (iii) a registration relating solely to a SEC Rule 145 transaction, (iv) a registration on any registration form that does not permit secondary sales or does not include substantially the same information as would be required to be included in a registration statement covering the sale of Registrable Securities or (v) a registration undertaken in connection with a reorganization of the Corporation, the Corporation will:

(i) promptly give to each Holder written notice thereof; and
(ii) include in such registration (and any related qualification under blue sky laws or other compliance requirements), and in any underwriting involved therein, all the Registrable Securities specified in a written request or requests, made within twenty (20) days after receipt of such written notice from the Corporation, by any Holder.

(b) **Underwriting.** If the registration of which the Corporation gives notice is for a registered public offering involving an underwriting, the Corporation shall so advise the Holders as a part of the written notice given pursuant to Section 1.3(a) above. In such event, the right of any Holder to participate in such registration shall be conditioned upon such Holder’s participation in such underwriting to the extent provided herein. All Holders proposing to distribute their securities through such underwriting shall (together with the Corporation and any other holders distributing their securities through such underwriting) enter into an underwriting agreement in customary form with the managing underwriter selected for such underwriting by the Corporation and approved by the Corporation’s Board of Directors. Notwithstanding any other provision of this Section 1.3, if the managing underwriter determines, and provides written notice, that marketing factors require limitation of the number of shares to be underwritten, the managing underwriter may limit the Registrable Securities to be included in such registration. The Corporation shall so advise all Holders and other holders distributing their securities through such underwriting and the number of shares of securities that may be included in the registration and underwriting (other than on behalf of the Corporation) shall be allocated among all Holders and such other holders (provided that such other holders have contractual rights to participate in such registration which are not subordinate to the Holders) in proportion, as nearly as practicable, to the respective amounts of Registrable Securities or other securities owned by such Holders and such other holders, or in such other proportion as shall mutually be agreed to by the selling Holders only; provided, however, that the number of Registrable Securities to be included in such underwriting shall not be reduced unless all other securities (other than securities to be sold by the Corporation) are first entirely excluded from the underwriting. To facilitate the allocation of shares in accordance with the above provisions, the Corporation may round the number of shares allocated to any Holder or holder to the nearest one hundred (100) shares.

Section 1.4 **Registration on Form S-3.**

(a) If Holders of at least twenty-five percent (25%) of the Registrable Securities request that the Corporation file a registration statement on Form S-3 (or any successor form to Form S-3) for a public offering of (i) the Registrable Securities, and (ii) any securities of the Corporation other than Registrable Securities to be sold by shareholders in such public offering, the anticipated aggregate price to the public of (i) and (ii) is at least $15,000,000, and the Corporation is a registrant entitled to use Form S-3 to register the Registrable Securities for such an offering, the Corporation shall, as soon as practicable and in any event within forty-five (45) days after the date such request is given by the Holders, cause such Registrable Securities to be registered for the offering on such form and to cause such Registrable Securities to be qualified in such jurisdictions as the Holders may reasonably request. The substantive provisions of Section 1.2(b) shall be applicable to each registration initiated under this Section 1.4.
(b) Notwithstanding the foregoing, the Corporation shall not be obligated to take any action pursuant to this Section 1.4 (i) if the Holders of the Registrable Securities request that the Corporation file more than two registration statements on Form S-3 during any twelve-month period, and (ii) if the Corporation shall furnish to such Holders a certificate, signed by the President and Chief Executive Officer of the Corporation, stating that in the good faith judgment of the Corporation’s Board of Directors it would be materially detrimental to the Corporation and its owners for a registration statement to be filed in the near future because such action would (x) materially interfere with a significant acquisition, corporate reorganization, or other similar transaction involving the Corporation, (y) require premature disclosure of material information that the Corporation has a bona fide business purpose for preserving as confidential, or (z) render the Corporation unable to comply with requirements under the Securities Act or Exchange Act, in each such case the Corporation’s obligation to register, qualify or comply under this Section 1.4 shall be deferred for a period not to exceed ninety (90) days from the date of receipt of the written request from the Holder or Holders; provided, however, that the Corporation may not utilize this right more than once in any twelve (12) month period.

Section 1.5 Limitation on Subsequent Registration Rights. From and after the date hereof, without the written approval of the Holders of a majority of the Registrable Securities, the Corporation shall not enter into any agreement granting any holder or prospective holder of any securities of the Corporation registration rights equal to or superior to those of the Holders. Nothing in this Section 1.5 shall be deemed to restrict the Corporation’s right to grant registration rights to other purchasers of the Corporation’s securities that are inferior to, and in no way interfere with, those registration rights granted to the Holders.

Section 1.6 Expenses of Registration. Except as otherwise provided herein, all Registration Expenses incurred in connection with all registrations pursuant to Section 1.2, Section 1.3 and Section 1.4 shall be borne by the Corporation. Unless otherwise stated, all Selling Expenses relating to securities registered on behalf of the Holders shall be borne by the Holders of such securities pro rata on the basis of the number of Registrable Securities registered on their behalf.

Section 1.7 Registration Procedures. In the case of each registration, qualification or compliance effected by the Corporation pursuant to this Agreement, the Corporation will keep each Holder advised in writing as to the initiation of each registration and as to the completion thereof. At its expense, the Corporation shall:

(a) Prepare and file with the SEC a registration statement with respect to such Registrable Securities and use its best efforts to cause such registration statement to become effective, and, upon the request of the Holders of a majority of the Registrable Securities registered thereunder, keep such registration statement effective for the earlier of one hundred eighty (180) days or until the distribution described in the registration statement has been completed; provided, however, that (i) such 180-day period shall be extended for a period of time equal to the period the Holder refrains from selling any securities included in such registration at the request of an underwriter of securities of the Corporation; and (ii) in the case of any registration of Registrable Securities on Form S-3 which are intended to be offered on a continuous or delayed basis, such 180-day period shall be extended, if necessary, to keep the registration statement effective until all
such Registrable Securities are sold, provided that Rule 415, or any successor rule under the Securities Act, permits an offering on a continuous or delayed basis, and provided further that applicable rules under the Securities Act governing the obligation to file a post-effective amendment permit, in lieu of filing a post-effective amendment which (A) includes any prospectus required by Section 10(a)(3) of the Securities Act or (B) reflects facts or events representing a material or fundamental change in the information set forth in the registration statement, the incorporation by reference of information required to be included in (A) and (B) above to be contained in periodic reports filed pursuant to Section 13 or 15(d) of the Exchange Act in the registration statement.

(b) Prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement.

(c) Furnish to the Holders, as expeditiously as reasonable, such numbers of copies of the registration statement, each amendment and supplement thereto, the prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned by them.

(d) Use its best efforts to register and qualify the securities covered by such registration statement under such other securities or blue sky laws of such jurisdictions as shall be reasonably requested by the Holders; provided that the Corporation shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions, unless the Corporation is already subject to service in such jurisdiction and except as may be required by the Securities Act.

(e) In the event of any underwritten public offering, enter into and perform its obligations under an underwriting agreement and any other agreements, in usual and customary form, with the underwriters of such offering and take all such actions requested to expedite or facilitate the disposition of shares. Each Holder participating in such underwriting shall also enter into and perform its obligations under such an agreement.

(f) Notify each Holder covered by such registration statement at any time when (1) a prospectus relating thereto is required to be delivered under the Securities Act of the happening of any event as a result of which the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing, (2) when the registration statement, the prospectus or any prospectus supplement or post-effective amendment has been filed, and with respect to the registration statement or any post-effective amendment, when the same has become effective, and (3) the Corporation receives any material comments from the SEC with respect to a registration statement or any request by the SEC for amendments or supplements to the registration statement or the prospectus or for additional information.
(g) Cause all such Registrable Securities to be listed, prior to the date of the first sale of such Registrable Securities pursuant to such registration, on each securities exchange or national market system on which similar securities issued by the Corporation are then listed and, if not so listed, to be listed on a securities exchange or national market system.

(h) Provide a transfer agent and registrar for all such Registrable Securities and a CUSIP number for all such Registrable Securities, in each case not later than the effective date of such registration statement.

(i) Promptly make available for inspection on a confidential basis by any participating Holder, any underwriter participating in any disposition pursuant to such registration statement, and the counsel, accountant or other agent retained by any such underwriter or selected by the participating Holders (whose expenses are being paid pursuant to Section 1.6 hereof), all financial and other records, pertinent corporate documents and properties of the Corporation, and cause the Corporation’s officers, directors, employees, independent accountants and other advisors to supply on a confidential basis all information reasonably requested by any such participating Holder, underwriter or attorney in connection with such registration statement.

(j) Permit any participating Holder that, in its reasonable judgment, might be deemed to be an underwriter or a controlling Person of the Corporation within the meaning of Section 15 of the Securities Act, to participate in the preparation of such registration or comparable statement and to permit the insertion therein of material, furnished to the Corporation in writing, which in the reasonable judgment of such participating Holder and its counsel should be included, provided that such material shall be furnished under such circumstances as shall cause it to be subject to the indemnification provisions provided pursuant to Section 1.8 hereof.

(k) In the event of the issuance of any stop order suspending the effectiveness of a registration statement, or of any order suspending or preventing the use of any related prospectus or suspending the qualification of any Registrable Securities included in such registration statement for sale in any jurisdiction, the Corporation will use its best efforts promptly to obtain the withdrawal of such order.

(l) Cooperate with the participating Holders and the managing underwriter or underwriters, if any, to facilitate the timely preparation and delivery of certificates (not bearing any restrictive legends) representing Registrable Securities to be sold under such registration, and enable such Registrable Securities to be in such denominations and registered in such names as the managing underwriter or underwriters, if any, or such participating Holders may request.

(m) Furnish, at the request of any Holder requesting registration of Registrable Securities pursuant to this Agreement, on the date that such Registrable Securities are delivered to the underwriters for sale in connection with a registration pursuant to this Agreement, if such securities are being sold through underwriters, or, if such securities are not being sold through underwriters, on the date that the registration statement with respect to such securities becomes effective, (i) an opinion, dated such date, of the counsel representing the Corporation for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering, addressed to the underwriters, if any, and to the Holders requesting registration of
Registrable Securities, and (ii) a letter, dated such date, from the independent certified public accountants of the Corporation, in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering, addressed to the underwriters, if any, and to the Holders requesting registration of Registrable Securities.

(n) Otherwise comply with all applicable rules and regulations of the SEC, and make generally available to its security holders (as contemplated by Section 11(a) under the Securities Act) an earnings statement satisfying the provisions of Rule 158 under the Securities Act as soon as reasonably practicable after the end of the twelve month period beginning with the first month of the Corporation’s first fiscal quarter commencing after the effective date of the registration statement, which statement shall cover said twelve month period.

Section 1.8 Indemnification.

(a) To the extent permitted by law, the Corporation will indemnify and hold harmless each Holder, each of its officers, directors, members, shareholders and partners, and each Person controlling such Person within the meaning of Section 15 of the Securities Act, with respect to which registration, qualification or compliance has been effected pursuant to this Agreement, and each underwriter, if any, and each Person who controls any underwriter within the meaning of Section 15 of the Securities Act, against all expenses, claims, losses, damages or liabilities (or actions in respect thereof), including any of the foregoing incurred in settlement of any litigation, commenced or threatened, arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus, offering circular or other document, or any amendment or supplement thereto, incident to any such registration, qualification or compliance, or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, or any violation (or alleged violation) by the Corporation of the Securities Act, the Exchange Act, any state securities law or any rule or regulation promulgated under the Securities Act, the Exchange Act or any state securities law applicable to the Corporation in connection with any such registration, qualification or compliance, and the Corporation will reimburse each such Holder, each of its officers, directors, members, shareholders and partners, and each Person controlling such Person, each such underwriter and each Person who controls any such underwriter, as incurred, for any legal and any other expenses reasonably incurred in connection with investigating, preparing or defending any such claim, loss, damage, liability or action; provided, however, that the indemnity agreement contained in this Section 1.8(a) shall not apply to amounts paid in settlement of any such claim, loss, damage, liability or action if such settlement is effected without the consent of the Corporation (which consent shall not be unreasonably withheld), nor shall the Corporation be liable to any such Holder in any such case to the extent that any such claim, loss, damage, liability or action arises out of or is based on (i) any untrue statement or omission (or alleged untrue statement or omission) made in reliance upon and in conformity with written information furnished to the Corporation or any underwriter by such Holder, underwriter, controlling Person or other aforementioned Person and stated to be specifically for use therein or the preparation thereof or (ii) use or delivery by such Holder or controlling Person of such Holder of a prospectus other than the most current prospectus made available to such Holder or controlling Person of such Holder by the Corporation.
To the extent permitted by law, each Holder, severally and not jointly, will, if Registrable Securities held by such Holder are included in the securities as to which such registration, qualification or compliance is being effected, indemnify the Corporation, each of its directors and officers, each underwriter, if any, of the Corporation’s securities covered by such a registration statement, each Person who controls the Corporation or such underwriter within the meaning of Section 15 of the Securities Act, and each other such Holder, each of its officers, directors, members, shareholders and partners and each Person controlling such other Holder within the meaning of Section 15 of the Securities Act, against all expenses, claims, losses, damages and liabilities (or actions in respect thereof), including any of the foregoing incurred in settlement of any litigation, commenced or threatened, arising out of or based on (i) any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus, offering circular or other document, or any amendment or supplement thereto, incident to any such registration, qualification or compliance, or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or (ii) use or delivery by such Holder of a prospectus other than the most current prospectus made available to such Holder by the Corporation, and will reimburse the Corporation, such Holder, each of its directors, officers, partners, and each Person controlling such Holder or the Corporation, each such underwriter and each Person who controls any such underwriter for any legal and any other expenses reasonably incurred in connection with investigating, preparing or defending any such claim, loss, damage, liability or action, in the case of clause (i) above to the extent, but only to the extent, that such untrue statement (or alleged untrue statement) or omission (or alleged omission) is made in such registration statement, prospectus, offering circular, other document, amendment or supplement in reliance upon and in conformity with written information furnished to the Corporation by such Holder and stated to be specifically for use therein or the preparation thereof; provided, however, that indemnity agreement contained in this Section 1.8(b) shall not apply to amounts paid in settlement of any such claim, loss, damage, liability or action if such settlement is effected without the consent of the Holder (which consent shall not be unreasonably withheld), nor shall the Holders be liable to the Corporation in any such case to the extent that any such claim, loss, damage, liability or action arises out of or is based on (i) any untrue statement or omission (or alleged untrue statement or omission), made in reliance upon and in conformity with written information furnished to the Holders by the Corporation, any of its officers, directors and partners, controlling Person of the Corporation, underwriter or controlling Person of such underwriter and stated to be specifically for use therein or the preparation thereby or (ii) use or delivery by the Corporation, controlling Person or underwriter of a prospectus other than the most current prospectus. Notwithstanding anything to the contrary contained in this subsection (b), the liability of each Holder under this subsection (b) shall be limited to an amount equal to the aggregate net proceeds received by such Holder from the shares sold by such Holder in the offering in question, unless such liability arises out of, or is based on willful misconduct by, such Holder.

(c) Each party entitled to indemnification under this Section 1.8 (the “Indemnified Party”) shall give notice to the party required to provide indemnification (the “Indemnifying Party”) promptly after such Indemnified Party has actual knowledge of any claim as to which indemnity may be sought, and shall permit the Indemnifying Party to assume the defense of any such claim or any litigation resulting therefrom, provided that counsel for the Indemnifying Party, who shall conduct the defense of such claim or litigation, shall be approved by the Indemnified
Party (whose approval shall not be withheld unreasonably), and the Indemnified Party may participate in such defense at such party’s expense; provided, however, that the Indemnified Party shall have the right to retain its own counsel, with fees and expenses to be paid by the Indemnifying Party, if representation of such Indemnified Party by the counsel retained by the Indemnifying Party would not be appropriate due to actual or potential differing interests between such Indemnified Party and any other party represented by such counsel in such proceeding; provided, further, that the failure of any Indemnified Party to give notice as provided herein shall relieve the Indemnifying Party of its obligations under this Section 1.8 to the extent (but only to the extent) that the failure to give such notice is materially prejudicial to an Indemnifying Party’s ability to defend such action; and provided, further, that the Indemnifying Party shall not assume the defense for matters as to which there is a conflict of interest or material separate and different defenses. No Indemnifying Party, in the defense of any such claim or litigation, shall, except with the consent of each Indemnified Party, consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release from all liability in respect to such claim or litigation.

(d) If the indemnification provided for in this Section 1.8 is held by a court of competent jurisdiction to be unavailable to an Indemnified Party with respect to any loss, liability, claim, damage or expense referred to herein, then the Indemnifying Party, in lieu of indemnifying such Indemnified Party hereunder, shall contribute to the amount paid or payable by such Indemnified Party as a result of such loss, liability, claim, damage or expense in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party on the one hand and of the Indemnified Party on the other hand in connection with the statements or omissions that resulted in such loss, liability, claim, damage or expense as well as any other relevant equitable considerations. The relative fault of the Indemnifying Party and of the Indemnified Party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the Indemnifying Party or by the Indemnified Party and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; provided, however, that, in any such case, (x) no Holder will be required to contribute any amount in excess of the public offering price of all such Registrable Securities offered and sold by such Holder pursuant to such registration statement, and (y) no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation; and provided further that in no event shall a Holder’s liability pursuant to this Section 1.8(d), when combined with the amounts paid or payable by such Holder pursuant to Section 1.8(b), exceed the proceeds from the offering received by such Holder (net of any Selling Expenses paid by such Holder), except in the case of willful misconduct by such Holder.

(e) The obligations of the Corporation and Holders under this Section 1.8 shall survive the completion of any offering of Registrable Securities pursuant to a registration statement under this Agreement, and otherwise shall survive termination of this Agreement.

Section 1.9 Information by Holder. The Holders of securities included in any registration shall furnish to the Corporation such information regarding such Holders, the Registrable Securities
Section 1.10  Rule 144 Reporting. With a view to making available the benefits of SEC Rule 144 and any other rules and regulations of the SEC which may at any time permit the sale of the Registrable Securities to the public without registration, after such time as a public market exists for the securities of the Corporation, the Corporation agrees to use its best efforts to:

(a) Make and keep available adequate current public information, as those terms are understood and defined in Rule 144 under the Securities Act, at all times after the effective date that the Corporation becomes subject to the reporting requirements of the Securities Act or the Exchange Act;

(b) File with the SEC in a timely manner all reports and other documents required of the Corporation under the Securities Act and the Exchange Act (at any time after it has become subject to such reporting requirements);

(c) Take such action, including the voluntary registration of its common stock under Section 12 of the Exchange Act, as is necessary to enable the Holders to utilize Form S-3 for the sale of their Registrable Securities, such action to be taken as soon as practicable after the end of the fiscal year in which the first registration statement filed by the Corporation for the offering of its securities to the general public is declared effective;

(d) So long as a Holder owns any Registrable Securities, furnish to the Holder forthwith upon request (i) to the extent accurate, a written statement by the Corporation as to its compliance with the reporting requirements of said Rule 144 (at any time after ninety (90) days after the effective date of the first registration statement filed by the Corporation for an offering of its securities to the general public), and of the Securities Act and the Exchange Act (at any time after it has become subject to such reporting requirements), or that it qualifies as a registrant whose securities may be resold pursuant to Form S-3 (at any time after the Corporation so qualifies), (ii) a copy of the most recent annual or quarterly report of the Corporation, and (iii) such other reports and documents of the Corporation and other information in the possession of or reasonably obtainable by the Corporation as the Holder may reasonably request in availing itself of any rule or regulation of the SEC allowing the Holder to sell any such securities without registration (or any time after the Corporation has become subject to the reporting requirements under the Exchange Act) or pursuant to Form S-3 (at any time after the Corporation so qualifies to use such form).

Section 1.11  Transfer of Registration Rights. Subject to compliance with the transfer restrictions set forth in the LLC Agreement, the rights to cause the Corporation to register securities granted to the Holders under Section 1.2, Section 1.3 and Section 1.4 may be assigned to a Permitted Transferee or any other transferee or assignee reasonably acceptable to the Corporation in connection with any transfer or assignment of Registrable Securities by the Holder provided that the transferor provides the Corporation with written notice of the proposed transfer, and the transferee agrees in writing to be bound by the provisions of this Agreement.
Section 1.12 Termination. No Holder shall be entitled to exercise any right provided for in this Agreement after the earlier of (i) the date that all of the Registrable Securities requested to be registered by such Holder could be sold in any ninety (90) day period pursuant to Rule 144, or (ii) as to any Holder, all of the Registrable Securities held by such Holder have been sold pursuant to registration under the Securities Act or an exemption therefrom.

Section 1.13 Amendments and Waivers. Except as otherwise provided herein, the provisions of this Agreement may be amended, modified, terminated or waived only with the prior written consent of the Corporation and Holders holding a majority of the Registrable Securities. The failure or delay of any Person to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of such provisions and shall not affect the right of such Person thereafter to enforce each and every provision of this Agreement in accordance with its terms. A consent to, or waiver of, any breach or default by any Person in the performance by that Person of his, her or its obligations under this Agreement shall not be deemed to be a consent to, or waiver of, any other breach or default in the performance by that Person of the same or any other obligations of that Person under this Agreement.

Section 1.14 Remedies. The parties to this Agreement shall be entitled to enforce their rights under this Agreement specifically (without posting a bond or other security), to recover damages caused by reason of any breach of any provision of this Agreement and to exercise all other rights existing in their favor. The parties hereto agree and acknowledge that a breach of this Agreement would cause irreparable harm and money damages would not be an adequate remedy for any such breach and that, in addition to any other rights and remedies existing hereunder, any party shall be entitled to specific performance and/or other injunctive relief from any court of law or equity of competent jurisdiction (without posting any bond or other security) in order to enforce or prevent violation of the provisions of this Agreement.

Section 1.15 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such a manner to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited, invalid, illegal or unenforceable in any respect under any applicable law or regulation in any jurisdiction, such prohibition, invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of any other provision of this Agreement in such jurisdiction or in any other jurisdiction, but this Agreement shall be reformed, construed and enforced in such jurisdiction as if such prohibited, invalid, illegal or unenforceable provision had never been contained herein.

Section 1.16 Entire Agreement. Except as otherwise provided herein, this Agreement contains the complete agreement and understanding among the parties hereto with respect to the subject matter hereof and supersedes and preempts any prior understandings, agreements or representations by or among the parties hereto, written or oral, which may have related to the subject matter hereof in any way.

Section 1.17 Successors and Assigns. This Agreement shall bind and inure to the benefit and be enforceable by the Corporation and its successors and assigns and the Holders and their respective successors and assigns (whether so expressed or not). In addition, whether or not any
express assignment has been made, the provisions of this Agreement which are for the benefit of Holders are also for the benefit of, and enforceable by, any subsequent or successor Holder.

Section 1.18 Notices. (B) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless all the Lenders that have Revolving Commitments have approved such expiry date.

(iii) The L/C Issuer shall not be under any obligation to issue any Letter of Credit if:
any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the L/C Issuer from issuing such Letter of Credit, or any Law applicable to the L/C Issuer or any request or directive (whether or not having the force of Law) from any Governmental Authority with jurisdiction over the L/C Issuer shall prohibit, or request that the L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the L/C Issuer in good faith deems material to it;

(B) the issuance of such Letter of Credit would violate one or more policies of the L/C Issuer applicable to letters of credit generally;

(C) except as otherwise agreed by the Administrative Agent and the L/C Issuer, such Letter of Credit is in an initial stated amount less than $250,000;

(D) such Letter of Credit is to be denominated in a currency other than Dollars;

(E) any Lender is at that time a Defaulting Lender, unless the L/C Issuer has entered into arrangements, including the delivery of Cash Collateral, satisfactory to the L/C Issuer (in its sole discretion) with the Borrower or such Defaulting Lender to eliminate the L/C Issuer’s actual or potential Fronting Exposure (after giving effect to Section 2.15(b)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which the L/C Issuer has actual or potential Fronting Exposure, as it may elect in its sole discretion; or

(F) such Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder.

(iv) The L/C Issuer shall not amend any Letter of Credit if the L/C Issuer would not be permitted at such time to issue the Letter of Credit in its amended form under the terms hereof.

(v) The L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) the L/C Issuer would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of the Letter of Credit does not accept the proposed amendment to the Letter of Credit.

(vi) The L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and the L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article IX with respect to any acts taken or omissions suffered by the L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term “Administrative Agent” as used in Article IX included the L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to the L/C Issuer.
Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to the L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application may be sent by fax transmission, by United States mail, by overnight courier, by electronic transmission using the system provided by the L/C Issuer, by personal delivery or by any other means acceptable to the L/C Issuer. Such Letter of Credit Application must be received by the L/C Issuer and the Administrative Agent not later than 11:00 a.m. at least two (2) Business Days (or such later date and time as the Administrative Agent and the L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to the L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the purpose and nature of the requested Letter of Credit; and (H) such other matters as the L/C Issuer may require. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to the L/C Issuer: (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; and (D) such other matters as the L/C Issuer may require. Additionally, the Borrower shall furnish to the L/C Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the L/C Issuer or the Administrative Agent may require.

Promptly after receipt of any Letter of Credit Application, the L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, the L/C Issuer will provide the Administrative Agent with a copy thereof. Unless the L/C Issuer has received written notice from any Lender, the Administrative Agent or any Loan Party, at least one Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Article IV shall not then be satisfied, then, subject to the terms and conditions hereof, the L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower or the applicable Subsidiary or enter into the applicable amendment, as the case may be, in each case in accordance with the L/C Issuer’s usual and customary business practices. Immediately upon the issuance of each Letter of Credit, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lender’s Applicable Percentage times the amount of such Letter of Credit.

If the Borrower so requests in any applicable Letter of Credit Application, the L/C Issuer may, in its sole discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an “Auto-Extension Letter of Credit”);
provided that any such Auto-Extension Letter of Credit must permit the L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the L/C Issuer, the Borrower shall not be required to make a specific request to the L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided, however, that the L/C Issuer shall not permit any such extension if (A) the L/C Issuer has determined that it would not be permitted, or would have no obligation, at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of clause (ii) or (iii) of Section 2.03(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Required Lenders have elected not to permit such extension or (2) from the Administrative Agent, any Lender or the Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, and in each case directing the L/C Issuer not to permit such extension.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the L/C Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of drawing under such Letter of Credit, the L/C Issuer shall notify the Borrower and the Administrative Agent thereof. Not later than 11:00 a.m. on the date of any payment by the L/C Issuer under a Letter of Credit (each such date, an "Honor Date"), the Borrower shall reimburse the L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing. If the Borrower fails to so reimburse the L/C Issuer by such time, the Administrative Agent shall promptly notify each Lender of the Honor Date, the amount of the unreimbursed drawing (the "Unreimbursed Amount"), and the amount of such Lender’s Applicable Percentage thereof. In such event, the Borrower shall be deemed to have requested a Borrowing of Revolving Loans that are Base Rate Loans to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans, but subject to the unutilized portion of the Aggregate Revolving Commitments and the conditions set forth in Section 4.02 (other than the delivery of a Loan Notice). Any notice given by the L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Lender shall upon any notice pursuant to Section 2.03(c)(i) make funds available (and the Administrative Agent may apply Cash Collateral provided for this purpose) for the account of the L/C Issuer at the Administrative Agent’s Office in an amount equal to its Applicable Percentage of the Unreimbursed Amount not later than
1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(c)(iii), each Lender that so makes funds available shall be deemed to have made a Revolving Loan that is a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the L/C Issuer.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Borrowing of Revolving Loans that are Base Rate Loans because the conditions set forth in Section 2.03 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Lender’s payment to the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Lender funds its Revolving Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender’s Applicable Percentage of such amount shall be solely for the account of the L/C Issuer.

(v) Each Lender’s obligation to make Revolving Loans or L/C Advances to reimburse the L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the L/C Issuer, the Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender’s obligation to make Revolving Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the L/C Issuer for the amount of any payment made by the L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Lender fails to make available to the Administrative Agent for the account of the L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), then, without limiting the other provisions of this Agreement, the L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the L/C Issuer at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by the L/C Issuer in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender’s Revolving Loan included in the relevant Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the L/C Issuer submitted to any Lender.
(through the Administrative Agent) with respect to any amounts owing under this clause (vi) shall be conclusive absent manifest error.

(d) **Repayment of Participations.**

(i) At any time after the L/C Issuer has made a payment under any Letter of Credit and has received from any Lender such Lender’s L/C Advance in respect of such payment in accordance with Section 2.03(c), if the Administrative Agent receives for the account of the L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Applicable Percentage thereof in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by the L/C Issuer in its discretion), each Lender shall pay to the Administrative Agent for the account of the L/C Issuer its Applicable Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) **Obligations Absolute.** The obligation of the Borrower to reimburse the L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement or any other Loan Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) waiver by the L/C Issuer of any requirement that exists for the L/C Issuer’s protection and not the protection of the Borrower or any waiver by the L/C Issuer which does not in fact materially prejudice the Borrower;

(v) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;
(vi) any payment made by the L/C Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable;

(vii) any payment by the L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law; or

(viii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any Subsidiary.

The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower’s instructions or other irregularity, the Borrower will immediately notify the L/C Issuer. The Borrower shall be conclusively deemed to have waived any such claim against the L/C Issuer and its correspondents unless such notice is given as aforesaid.

(f) Role of L/C Issuer. Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the L/C Issuer shall not have any responsibility to obtain any document (other than any sight or time draft, certificates and documents expressly required by such Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable or responsible for any of the matters described in Section 2.03(e); provided, however, that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against the L/C Issuer, and the L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves, as determined by a final nonappealable judgment of a court of competent jurisdiction, were caused by the L/C Issuer’s willful misconduct or gross negligence or the L/C Issuer’s willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight or time draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the L/C Issuer shall not be responsible for the

43
validity or sufficiency of any instrument transferring, endorsing or assigning or purporting to transfer, endorse or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason. The L/C Issuer may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication ("SWIFT") message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary.

(g) **Applicability of ISP; Limitation of Liability.** Unless otherwise expressly agreed by the L/C Issuer and the Borrower when a Letter of Credit is issued, the rules of the ISP shall apply to each Letter of Credit. Notwithstanding the foregoing, the L/C Issuer shall not be responsible to the Borrower for, and the L/C Issuer’s rights and remedies against the Borrower shall not be impaired by, any action or inaction of the L/C Issuer required or permitted under any Law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Law or any order of a jurisdiction where the L/C Issuer or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such Law or practice.

(h) **Letter of Credit Fees.** The Borrower shall pay to the Administrative Agent for the account of each Lender in accordance, subject to Section 2.15, with its Applicable Percentage a Letter of Credit fee (the “Letter of Credit Fee”) for each Letter of Credit equal to the Applicable Rate times the daily amount available to be drawn under such Letter of Credit. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.06. Letter of Credit Fees shall be (i) due and payable on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand and (ii) computed on a quarterly basis in arrears. If there is any change in the Applicable Rate during any quarter, the daily amount available to be drawn under each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect. Notwithstanding anything to the contrary contained herein, upon the request of the Required Lenders, while any Event of Default exists, all Letter of Credit Fees shall accrue at the Default Rate.

(i) **Fronting Fee and Documentary and Processing Charges Payable to L/C Issuer.** The Borrower shall pay directly to the L/C Issuer for its own account a fronting fee with respect to each Letter of Credit, at the rate per annum specified in the Fee Letter, computed on the daily amount available to be drawn under such Letter of Credit on a quarterly basis in arrears. Such fronting fee shall be due and payable on the tenth Business Day after the end of each March, June, September and December in respect of the most recently-ended quarterly period (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.06. In addition, the Borrower shall pay directly to the L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of the L/C Issuer relating to letters of credit as from time to time in effect. Such
customary fees and standard costs and charges are due and payable on demand and are nonrefundable.

(j) **Conflict with Issuer Documents.** In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(k) **Letters of Credit Issued for Subsidiaries.** Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Borrower shall be obligated to reimburse the L/C Issuer hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of the Borrower, and that the Borrower’s business derives substantial benefits from the businesses of such Subsidiaries.

2.04 **Swingline Loans.**

(a) **Swingline Facility.** Subject to the terms and conditions set forth herein, the Swingline Lender, in reliance upon the agreements of the other Lenders set forth in this Section 2.04, may in its sole discretion make loans (each such loan, a “Swingline Loan”) to the Borrower in Dollars from time to time on any Business Day during the Availability Period in an aggregate amount not to exceed at any time outstanding the amount of the Swingline Sublimit, notwithstanding the fact that such Swingline Loans, when aggregated with the Applicable Percentage of the Outstanding Amount of Revolving Loans and L/C Obligations of the Lender acting as Swingline Lender, may exceed the amount of such Lender’s Revolving Commitment; provided, however, that (i) after giving effect to any Swingline Loan, (A) the Total Revolving Outstandings shall not exceed the Aggregate Revolving Commitments and (B) the Revolving Credit Exposure of any Lender shall not exceed such Lender’s Revolving Commitment, (ii) the Borrower shall not use the proceeds of any Swingline Loan to refinance any outstanding Swingline Loan and (iii) the Swingline Lender shall not be under any obligation to make any Swingline Loan if it shall determine (which determination shall be conclusive and binding absent manifest error) that it has, or by such Credit Extension may have, Fronting Exposure. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swingline Loan shall be a Base Rate Loan. Immediately upon the making of a Swingline Loan, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swingline Lender a risk participation in such Swingline Loan in an amount equal to the product of such Lender’s Applicable Percentage times the amount of such Swingline Loan.

(b) **Borrowing Procedures.** Each Borrowing of Swingline Loans shall be made upon the Borrower’s irrevocable notice to the Swingline Lender and the Administrative Agent, which may be given by (A) telephone or (B) by a Swingline Loan Notice; provided that any telephonic notice must be confirmed promptly by delivery to the Swingline Lender and the Administrative Agent of a Swingline Loan Notice. Each such Swingline Loan Notice must be received by the Swingline Lender and the Administrative Agent not later than 1:00 p.m. on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum principal amount of $100,000, and (ii) the requested borrowing date, which shall be a Business Day. Promptly after receipt by the Swingline Lender of any Swingline Loan Notice, the Swingline Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swingline Loan Notice and, if not, the Swingline Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swingline Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Lender) prior to 2:00 p.m. on the date of
the proposed Borrowing of Swingline Loans (A) directing the Swingline Lender not to make such Swingline Loan as a result of the limitations set forth in
the first proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Article IV is not then satisfied, then, subject
to the terms and conditions hereof, the Swingline Lender will, not later than 3:00 p.m. on the borrowing date specified in such Swingline Loan Notice, make the
amount of its Swingline Loan available to the Borrower.

(c) Refinancing of Swingline Loans.

(i) The Swingline Lender at any time in its sole discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes
the Swingline Lender to so request on its behalf), that each Lender make a Revolving Loan that is a Base Rate Loan in an amount equal to such Lender’s
Applicable Percentage of the amount of Swingline Loans then outstanding. Such request shall be made in writing (which written request shall be deemed
to be a Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified
therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the Aggregate Revolving Commitments and the conditions
set forth in Section 4.02. The Swingline Lender shall furnish the Borrower with a copy of the applicable Loan Notice promptly after delivering such
notice to the Administrative Agent. Each Lender shall make an amount equal to its Applicable Percentage of the amount specified in such Loan Notice
available to the Administrative Agent in immediately available funds (and the Administrative Agent may apply Cash Collateral available with respect to
the applicable Swingline Loan) for the account of the Swingline Lender at the Administrative Agent’s Office not later than 1:00 p.m. on the day specified
in such Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Lender that so makes funds available shall be deemed to have made a Revolving
Loan that is a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swingline Lender.

(ii) If for any reason any Swingline Loan cannot be refinanced by such a Borrowing of Revolving Loans in accordance with Section
2.04(c)(i), the request for Revolving Loans that are Base Rate Loans submitted by the Swingline Lender as set forth herein shall be deemed to be a
request by the Swingline Lender that each of the Lenders fund its risk participation in the relevant Swingline Loan and each Lender’s payment to the
Administrative Agent for the account of the Swingline Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Lender fails to make available to the Administrative Agent for the account of the Swingline Lender any amount required to be
paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swingline Lender shall be
entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the
date such payment is required to the date on which such payment is immediately available to the Swingline Lender at a rate per annum equal to the
greater of the Federal Funds Rate and a rate determined by the Swingline Lender in accordance with banking industry rules on interbank compensation,
plus any administrative, processing or similar fees customarily charged by the Swingline Lender in connection with the foregoing. If such Lender pays
such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender’s Revolving Loan included in the relevant Borrowing
or funded participation in the relevant Swingline Loans.
Loan, as the case may be. A certificate of the Swingline Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Lender’s obligation to make Revolving Loans or to purchase and fund risk participations in Swingline Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right that such Lender may have against the Swingline Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender’s obligation to make Revolving Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Loan Notice). No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay Swingline Loans, together with interest as provided herein.

(d) Repayment of Participations.

(i) At any time after any Lender has purchased and funded a risk participation in a Swingline Loan, if the Swingline Lender receives any payment on account of such Swingline Loan, the Swingline Lender will distribute to such Lender its Applicable Percentage thereof in the same funds as those received by the Swingline Lender.

(ii) If any payment received by the Swingline Lender in respect of principal or interest on any Swingline Loan is required to be returned by the Swingline Lender under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by the Swingline Lender in its discretion), each Lender shall pay to the Swingline Lender its Applicable Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Rate. The Administrative Agent will make such demand upon the request of the Swingline Lender. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Interest for Account of Swingline Lender. The Swingline Lender shall be responsible for invoicing the Borrower for interest on the Swingline Loans. Until each Lender funds its Revolving Loans that are Base Rate Loans or risk participation pursuant to this Section 2.04 to refinance such Lender’s Applicable Percentage of any Swingline Loan, interest in respect of such Applicable Percentage shall be solely for the account of the Swingline Lender.

(f) Payments Directly to Swingline Lender. The Borrower shall make all payments of principal and interest in respect of the Swingline Loans directly to the Swingline Lender.

2.05 Prepayments.

(a) Voluntary Prepayments of Loans.

(i) Revolving Loans and Term Loan. The Borrower may, upon delivery of a Notice of Loan Prepayment to the Administrative Agent, at any time or from time to time
time voluntarily prepay Revolving Loans and the Term Loan in whole or in part without premium or penalty; provided that, unless otherwise agreed by the Administrative Agent, (A) such notice must be received by the Administrative Agent not later than 11:00 a.m. (1) three Business Days prior to any date of prepayment of Eurodollar Rate Loans and (2) on the date of prepayment of Base Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $100,000 in excess thereof (or, if less, the entire principal amount thereof then outstanding); (C) any prepayment of Base Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $100,000 in excess thereof (or, if less, the entire principal amount thereof then outstanding); and (D) any prepayment of the Term Loan shall be applied to the remaining principal amortization payments in inverse order of maturity. Each such notice shall specify the date and amount of such prepayment and the Type(s) of Loans to be prepaid and, if Eurodollar Rate Loans are to be prepaid, the Interest Period(s) of such Loans. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender’s Applicable Percentage of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurodollar Rate Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05. Subject to Section 2.15, each such prepayment shall be applied to the Loans of the applicable Lenders in accordance with their respective Applicable Percentages.

(ii) Swingline Loans. The Borrower may, upon notice to the Swingline Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swingline Loans in whole or in part without premium or penalty; provided that, unless otherwise agreed by the Swingline Lender, (i) such notice must be received by the Swingline Lender and the Administrative Agent not later than 1:00 p.m. on the date of the prepayment, and (ii) any such prepayment shall be in a minimum principal amount of $100,000 or a whole multiple of $100,000 in excess thereof (or, if less, the entire principal thereof then outstanding). Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Swingline Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05.

(b) Mandatory Prepayments of Loans.

(i) Revolving Commitments. If for any reason the Total Revolving Outstandings at any time exceed the Aggregate Revolving Commitments then in effect, the Borrower shall immediately prepay Revolving Loans and/or Swingline Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; provided, however, that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(b)(i) unless after the prepayment in full of the Revolving Loans and Swingline Loans the Total Revolving Outstandings exceed the Aggregate Revolving Commitments then in effect.

(ii) Dispositions and Recovery Events. The Borrower shall prepay the Loans and/or Cash Collateralize the L/C Obligations as hereafter provided in an aggregate amount equal to 100% of the Net Cash Proceeds received by any Loan Party.
or any Subsidiary from all Dispositions (other than Permitted Transfers) and Recovery Events to the extent such Net Cash Proceeds are not reinvested in assets (excluding current assets as classified by GAAP) that are useful in the business of the Borrower and its Subsidiaries within 365 days of the date of such Disposition or Recovery Event (it being understood that such prepayment shall be due immediately upon the expiration of such reinvestment period to the extent not reinvested).

(iii) **Debt Issuances.** Immediately upon receipt by any Loan Party or any Subsidiary of the Net Cash Proceeds of any Debt Issuance, the Borrower shall prepay the Loans and/or Cash Collateralize the L/C Obligations as hereafter provided in an aggregate amount equal to 100% of such Net Cash Proceeds.

(iv) **Equity Issuances.** Immediately upon the receipt by any Loan Party or any Subsidiary of the Net Cash Proceeds of any Equity Issuance, the Borrower shall prepay the Existing Subordinated Debt, Existing Mezzanine Debt, Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to 50% of such Net Cash Proceeds; provided that, in the case of the Qualifying IPO, the Loan Parties may prepay the Existing Subordinated Debt and the Existing Mezzanine Debt in an amount in excess of 50% of such Net Cash Proceeds to the extent necessary to repay in full the Existing Subordinated Debt and the Existing Mezzanine Debt.

(v) **Extraordinary Receipts.** Immediately upon the receipt by any Loan Party or any Subsidiary of any Extraordinary Receipts, the Borrower shall prepay the Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to 100% of such Extraordinary Receipts.

(vi) **Application of Mandatory Prepayments.** All amounts required to be paid pursuant to this Section 2.05(b) shall be applied as follows:

(A) with respect to all amounts prepaid pursuant to Section 2.05(b)(i), first, ratably to the L/C Borrowings and the Swingline Loans, second, to the outstanding Revolving Loans, and, third, to Cash Collateralize the remaining L/C Obligations;

(B) with respect to all amounts prepaid pursuant to Sections 2.05(b)(ii), (iii), and (v), first to the Term Loan (to the remaining principal amortization payments in inverse order of maturity including the final principal repayment installment on the Maturity Date), second, ratably to the L/C Borrowings and the Swingline Loans, third, to the outstanding Revolving Loans, and, fourth, to Cash Collateralize the remaining L/C Obligations (with a corresponding reduction in the Aggregate Revolving Commitments in the cases of clauses second through fourth); and

(C) with respect to all amounts prepaid pursuant to Section 2.05(b)(iv), first to the Existing Subordinated Debt, second, to the Existing Mezzanine Debt, third, to the Term Loan (to the remaining principal amortization payments in inverse order of maturity including the final principal repayment installment on the Maturity Date), fourth, ratably to the L/C Borrowings and the Swingline Loans, fifth, to the outstanding Revolving Loans, and, sixth, to Cash Collateralize the remaining L/C Obligations (with a corresponding reduction in
the Aggregate Revolving Commitments in the cases of clauses fourth through sixth).

Within the parameters of the applications set forth above, prepayments shall be applied first to Base Rate Loans and then to Eurodollar Rate Loans in direct order of Interest Period maturities. All prepayments under this Section 2.05(b) shall be subject to Section 3.05, but otherwise without premium or penalty, and shall be accompanied by interest on the principal amount prepaid through the date of prepayment.

2.06 Termination or Reduction of Aggregate Revolving Commitments.

The Borrower may, upon notice to the Administrative Agent, terminate the Aggregate Revolving Commitments, the Letter of Credit Sublimit or the Swingline Sublimit, or from time to time permanently reduce the Aggregate Revolving Commitments, the Letter of Credit Sublimit or the Swingline Sublimit; provided that (i) any such notice shall be received by the Administrative Agent not later than 11:00 a.m. five Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of $5,000,000 or any whole multiple of $1,000,000 in excess thereof, (iii) the Borrower shall not terminate or reduce the Aggregate Revolving Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the Total Revolving Outstandings would exceed the Aggregate Revolving Commitments, (iv) the Borrower shall not terminate or reduce the Letter of Credit Sublimit if, after giving effect thereto and to any concurrent prepayments hereunder, the Outstanding Amount of the L/C Obligations would exceed the Letter of Credit Sublimit, (v) the Borrower shall not terminate or reduce the Swingline Sublimit if, after giving effect thereto and to any concurrent prepayments hereunder, the Outstanding Amount of Swingline Loans would exceed the Swingline Sublimit and (vi) if, after giving effect to any reduction of the Aggregate Revolving Commitments, the Letter of Credit Sublimit or the Swingline Sublimit exceeds the amount of the Aggregate Revolving Commitments, such sublimit shall be automatically reduced by the amount of such excess. The Administrative Agent will promptly notify the Lenders of any such notice of termination or reduction. Any reduction of the Aggregate Revolving Commitments shall be applied to the Revolving Commitment of each Lender according to its Applicable Percentage. All fees accrued until the effective date of any termination of the Aggregate Revolving Commitments shall be paid on the effective date of such termination.

2.07 Repayment of Loans.

(a) Revolving Loans. The Borrower shall repay to the Lenders on the Maturity Date the aggregate principal amount of all Revolving Loans outstanding on such date.

(b) Swingline Loans. The Borrower shall repay each Swingline Loan on the earlier to occur of (i) the date ten Business Days after such Swingline Loan is made and (ii) the Maturity Date.

(c) Term Loan. The Borrower shall repay the outstanding principal amount of the Term Loan in quarterly installments on the last day of each fiscal quarter, commencing on December 31, 2017, in an amount equal to $1,250,000 (as such installments may hereafter be adjusted as a result of prepayments made pursuant to Section 2.05 and increased with respect to any increase to the Term Loan pursuant to Section 2.16), unless accelerated sooner pursuant to Section 8.02; provided, however, that (i) if any principal repayment installment to be made by the Borrower (other than principal repayment installments on Eurodollar Rate Loans) shall come due on a day other than a Business Day, such principal repayment installment shall be due on the next succeeding Business Day, and such extension of time shall be reflected in computing interest or
fees, as the case may be and (ii) if any principal repayment installment to be made by the Borrower on a Eurodollar Rate Loan shall come due on a day other than a Business Day, such principal repayment installment shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such principal repayment installment into another calendar month, in which event such principal repayment installment shall be due on the immediately preceding Business Day. On the Maturity Date the Borrower shall repay the outstanding principal amount of the Term Loan in full.

2.08 Interest.

(a) Subject to the provisions of subsection (b) below, (i) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the sum of the Eurodollar Rate for such Interest Period plus the Applicable Rate; (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the sum of the Base Rate plus the Applicable Rate; and (iii) each Swingline Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the sum of the Base Rate plus the Applicable Rate. To the extent that any calculation of interest or any fee required to be paid under this Agreement shall be based on (or result in) a calculation that is less than zero, such calculation shall be deemed zero for purposes of this Agreement.

(b) (i) If any amount of principal of any Loan is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(ii) If any amount (other than principal of any Loan) payable by the Borrower under any Loan Document is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, then upon the request of the Required Lenders, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(iii) Upon the request of the Required Lenders, while any Event of Default exists (other than as set forth in clauses (b)(i) and (b)(ii) above), the Borrower shall pay interest on the principal amount of all outstanding Obligations hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(iv) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.09 Fees.

In addition to certain fees described in subsections (h) and (i) of Section 2.03:
(a) **Commitment Fee.** The Borrower shall pay to the Administrative Agent, for the account of each Lender in accordance with its Applicable Percentage, a commitment fee equal to the product of (i) the Applicable Rate times (ii) the actual daily amount by which the Aggregate Revolving Commitments exceed the sum of (y) the Outstanding Amount of Revolving Loans and (z) the Outstanding Amount of L/C Obligations, subject to adjustment as provided in Section 2.15. For the avoidance of doubt, the Outstanding Amount of Swingline Loans shall not be counted towards or considered usage of the Aggregate Revolving Commitments for purposes of determining the commitment fee. The commitment fee shall accrue at all times during the Availability Period, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Closing Date, and on the last day of the Availability Period. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Rate during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(b) **Other Fees.**

(i) The Borrower shall pay to the Arranger and the Administrative Agent for their own respective accounts fees in the amounts and at the times specified in the Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(ii) The Borrower shall pay to the Lenders such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

2.10 **Computation of Interest and Fees; Retroactive Adjustments of Applicable Rate.**

(a) All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to the Eurodollar Rate) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) If, as a result of any restatement of or other adjustment to the financial statements of the Borrower or for any other reason, the Borrower or the Lenders determine that (i) the Consolidated Senior Leverage Ratio as calculated by the Borrower as of any applicable date was inaccurate and (ii) a proper calculation of the Consolidated Senior Leverage Ratio would have resulted in higher pricing for such period, the Borrower shall immediately and retroactively be obligated to pay to the Administrative Agent for the account of the applicable Lenders or the L/C Issuer, as the case may be, promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code of the United States, automatically and without further action by the Administrative Agent, any Lender or the L/C Issuer), an amount equal to the excess of the
amount of interest and fees that should have been paid for such period over the amount of interest and fees actually paid for such period. This paragraph shall not limit the rights of the Administrative Agent, any Lender or the L/C Issuer, as the case may be, under this Agreement to the payment of any Obligations hereunder at the Default Rate or under Article VIII. The Borrower’s obligations under this paragraph shall survive the termination of the Aggregate Revolving Commitments and the repayment of all other Obligations hereunder.

2.11 Evidence of Debt.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a promissory note, which shall evidence such Lender’s Loans in addition to such accounts or records. Each such promissory note shall be in the form of Exhibit 2.11(a) (a “Note”). Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in subsection (a) above, each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swingline Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

2.12 Payments Generally; Administrative Agent’s Clawback.

(a) General. All payments to be made by the Borrower shall be made free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent’s Office in Dollars and in immediately available funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender’s Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. Subject to Section 2.07(b) and as otherwise specifically provided for in this Agreement, if any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.
(b) (i) **Funding by Lenders; Presumption by Administrative Agent.** Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurodollar Rate Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender’s share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or, in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender’s Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) **Payments by Borrower; Presumptions by Administrative Agent.** Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the L/C Issuer hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the L/C Issuer, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the L/C Issuer, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or the L/C Issuer, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) **Failure to Satisfy Conditions Precedent.** If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing, provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative
Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) **Obligations of Lenders Several.** The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 11.04(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 11.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 11.04(c).

(e) **Funding Source.** Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

2.13 **Sharing of Payments by Lenders.**

If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Loans made by it, or the participations in L/C Obligations or in Swingline Loans held by it resulting in such Lender’s receiving payment of a proportion of the aggregate amount of such Loans or participations and accrued interest thereon greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and subparticipations in L/C Obligations and Swingline Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, provided that:

(i) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section shall not be construed to apply to (A) any payment made by or on behalf of the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (B) the application of Cash Collateral provided for in Section 2.14, or (C) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or subparticipations in L/C Obligations or Swingline Loans to any assignee or participant, other than an assignment to any Loan Party or any Subsidiary (as to which the provisions of this Section shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation.

2.14 **Cash Collateral.**
(a) Certain Credit Support Events. If (i) the L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an L/C Borrowing, (ii) as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, (iii) the Borrower shall be required to provide Cash Collateral pursuant to Section 2.05 or 8.02(c) or (iv) there shall exist a Defaulting Lender, the Borrower shall immediately (in the case of clause (iii) above) or within one Business Day (in all other cases) following any request by the Administrative Agent or the L/C Issuer provide Cash Collateral in an amount not less than the applicable Minimum Collateral Amount (determined in the case of Cash Collateral provided pursuant to clause (iv) above, after giving effect to Section 2.15(b) and any Cash Collateral provided by the Defaulting Lender).

(b) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to (and subjects to the control of) the Administrative Agent, for the benefit of the Administrative Agent, the L/C Issuer and the Lenders, and agrees to maintain, a first priority security interest in all such cash, deposit accounts and all balances therein, and all other property so provided as collateral pursuant hereto, and in all proceeds of the foregoing, all as security for the obligations to which such Cash Collateral may be applied pursuant to Section 2.14(c). If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent or the L/C Issuer as herein provided (other than Liens permitted under Section 7.01(m)), or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, the Borrower will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency. All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in blocked, non-interest bearing deposit accounts at Bank of America. The Borrower shall pay on demand therefor from time to time all customary account opening, activity and other administrative fees and charges in connection with the maintenance and disbursement of Cash Collateral.

(c) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this Section 2.14 or Sections 2.03, 2.05, 2.15 or 8.02 in respect of Letters of Credit shall be held and applied to the satisfaction of the specific L/C Obligations, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(d) Release. Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or to secure other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 11.06(b)(vi))) or (ii) the determination by the Administrative Agent and the L/C Issuer that there exists excess Cash Collateral; provided, however, (x) any such release shall be without prejudice to, and any disbursement or other transfer of Cash Collateral shall be and remain subject to, any other Lien conferred under the Loan Documents and the other applicable provisions of the Loan Documents, and (y) the Person providing Cash Collateral and the L/C Issuer may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations.
(a) **Adjustments.** Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) **Waivers and Amendments.** Such Defaulting Lender’s right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of “Required Lenders” and Section 11.01.

(ii) **Defaulting Lender Waterfall.** Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 11.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the L/C Issuer or Swingline Lender hereunder; third, to Cash Collateralize the L/C Issuer’s Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.14; fourth, as the Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender’s potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the L/C Issuer’s future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.14; sixth, to the payment of any amounts owing to the Lenders, the L/C Issuer or Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the L/C Issuer or the Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender’s breach of its obligations under this Agreement; seventh, so long as no Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender’s breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise may be required under the Loan Documents in connection with any Lien conferred thereunder or directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Obligations owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations and Swingline Loans are held by the Lenders pro rata in accordance with the Commitments hereunder without giving effect to Section 2.15(b). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.15(a)(i) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.
Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee payable under Section 2.09(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive Letter of Credit Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Applicable Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.14.

(C) With respect to any Letter of Credit Fee not required to be paid to any Defaulting Lender pursuant to clause (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender’s participation in L/C Obligations that has been reallocated to such Non-Defaulting Lender pursuant to clause (b) below, (y) pay to the L/C Issuer the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such L/C Issuer’s Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(b) Reallocation of Applicable Percentages to Reduce Fronting Exposure. All or any part of such Defaulting Lender’s participation in L/C Obligations and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Percentages (calculated without regard to such Defaulting Lender’s Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender’s Commitment. Subject to Section 11.20, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender’s increased exposure following such reallocation.

(c) Cash Collateral, Repayment of Swingline Loans. If the reallocation described in clause (b) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under applicable Law, (x) first, prepay Swingline Loans in an amount equal to the Swingline Lenders’ Fronting Exposure and (y) second, Cash Collateralize the L/C Issuer’s Fronting Exposure in accordance with the procedures set forth in Section 2.14.

(d) Defaulting Lender Cure. If the Borrower, the Administrative Agent, the Swingline Lender and the L/C Issuer agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to Section 2.15(b)), whereupon such Lender will cease to be a Defaulting Lender; provided that no
adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender’s having been a Defaulting Lender.

2.16 **Incremental Facility Loans.**

Subject to the terms and conditions set forth herein, the Borrower shall have the right, from time to time and upon at least ten Business Days’ prior written notice to the Administrative Agent (an “Incremental Request”), to request to incur additional term loans under a then existing tranche and/or add one or more additional tranches of term loans (“Other Term Loans” and, together with any additional term loans under a then existing tranche incurred pursuant to this Section 2.16, the “Incremental Term Loans”); and any credit facility for providing for any Incremental Term Loans being referred to as an “Incremental Term Facility”) and/or increase the Aggregate Revolving Commitments (the “Incremental Revolving Commitments”; and revolving loans made thereunder the “Incremental Revolving Loans”); the Incremental Revolving Loans, together with the Incremental Term Loans are referred to herein as the “Incremental Facility Loans” subject, however, in any such case, to satisfaction of the following conditions precedent:

(a) the aggregate amount of all Incremental Revolving Commitments and Incremental Term Loans effected pursuant to this Section 2.16 shall not exceed $20,000,000;

(b) on the date on which any Incremental Facility Amendment is to become effective, both immediately prior to and immediately after giving effect to the incurrence of such Incremental Facility Loans (assuming that the full amount of the Incremental Facility Loans shall have been funded on such date) and any related transactions, no Default shall have occurred and be continuing;

(c) after giving effect to the incurrence of such Incremental Facility Loans (assuming the full amount of the Incremental Facility Loans have been funded) and any related transactions, on a Pro Forma Basis, the Loan Parties shall be in compliance with the financial covenants set forth in Section 7.11;

(d) the representations and warranties set forth in Article V shall be true and correct in all material respects (or if such representation and warranty is qualified by materiality or Material Adverse Effect, it shall be true and correct) on and as of the date on which such Incremental Facility Amendment is to become effective, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects (or if such representation and warranty is qualified by materiality or Material Adverse Effect, it shall be true and correct) as of such earlier date;

(e) such Incremental Facility Loans shall be in a minimum amount of $5,000,000 and in integral multiples of $1,000,000 in excess thereof (or such lesser amounts as agreed by the Administrative Agent);

(f) any Incremental Revolving Commitments shall be made on the same terms and provisions (other than upfront fees) as apply to the existing Revolving Commitments, including with respect to maturity date, interest rate and prepayment provisions, and shall not constitute a credit facility separate and apart from the existing revolving credit facility set forth in Section 2.01(a).
any Incremental Term Loans that constitute additional term loans under a then existing tranche of term loans shall be made on the same terms and provisions (other than upfront fees) as apply to such outstanding term loans, including with respect to maturity date, interest rate and prepayment provisions, and shall not constitute a credit facility separate and apart from such term loans;

in the case of any Other Term Loans, such Other Term Loans shall: (A) rank pari passu in right of payment priority with the existing term loans, (B) share ratably in rights in the Collateral and the Guaranty, (C) have a maturity date that is no earlier than the Maturity Date for the Term Loan, (D) have a Weighted Average Life to Maturity that is no shorter than the Weighted Average Life to Maturity of the Term Loan (it being understood that, subject to the foregoing, the amortization schedule applicable to such Incremental Term Loans shall be determined by the Borrower and the Lenders of such Incremental Term Loans) and (E) otherwise be on terms reasonably satisfactory to the Administrative Agent, provided that, such terms and documentation relating to such Other Term Loans shall be on terms not materially more onerous, taken as a whole, to the Borrower than the existing Term Loan (except to the extent permitted above with respect to the maturity date, amortization and interest rate and other than terms which are applicable only after the Maturity Date of the Term Loan);

the Administrative Agent shall have received additional commitments in a corresponding amount of such requested Incremental Facility Loans from either existing Lenders and/or one or more other institutions that qualify as Eligible Assignees (it being understood and agreed that no existing Lender shall be required to provide an additional commitment); and

the Administrative Agent shall have received customary closing certificates and legal opinions and all other documents (including resolutions of the board of directors of the Loan Parties) it may reasonably request relating to the corporate or other necessary authority for such Incremental Facility Loans and the validity of such Incremental Facility Loans, and any other matters relevant thereto, all in form and substance reasonably satisfactory to the Administrative Agent.

Each Incremental Term Facility and any Incremental Revolving Commitments shall be evidenced by an amendment (an “Incremental Facility Amendment”) to this Agreement, giving effect to the modifications permitted by this Section 2.16 (and subject to the limitations set forth in the immediately preceding paragraph), executed by the Loan Parties, the Administrative Agent and each Lender providing a portion of the Incremental Term Facility and/or Incremental Revolving Commitments, as applicable; which such amendment, when so executed, shall amend this Agreement as provided therein. Each Incremental Facility Amendment shall also require such amendments to the Loan Documents, and such other new Loan Documents, as the Administrative Agent reasonably deems necessary or appropriate to effect the modifications and credit extensions permitted by this Section 2.16. Neither any Incremental Facility Amendment, nor any such amendments to the other Loan Documents or such other new Loan Documents, shall be required to be executed or approved by any Lender, other than the Lenders providing such Incremental Term Loans and/or Incremental Revolving Commitments, as applicable, and the Administrative Agent, in order to be effective. The effectiveness of any Incremental Facility Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth above and as such other conditions as requested by the Lenders under the Incremental Facility established in connection therewith.

ARTICLE III
TAXES, YIELD PROTECTION AND ILLEGALITY

60
Taxes

(a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.

(i) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the Administrative Agent) require the deduction or withholding of any Tax from any such payment by the Administrative Agent or a Loan Party, then the Administrative Agent or such Loan Party shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If any Loan Party or the Administrative Agent shall be required by the Internal Revenue Code to withhold or deduct any Taxes, including both United States Federal backup withholding and withholding taxes, from any payment, then (A) the Administrative Agent shall withhold or make such deductions as are determined by the Administrative Agent to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Administrative Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the Internal Revenue Code, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Loan Party shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(iii) If any Loan Party or the Administrative Agent shall be required by any applicable Laws other than the Internal Revenue Code to withhold or deduct any Taxes from any payment, then (A) such Loan Party or the Administrative Agent, as required by such Laws, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) such Loan Party or the Administrative Agent, to the extent required by such Laws, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such Laws, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Loan Party shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) Payment of Other Taxes by the Loan Parties. Without limiting the provisions of subsection (a) above, the Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable Laws, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Tax Indemnifications. (i) Each of the Loan Parties shall, and does hereby, jointly and severally indemnify each Recipient, and shall make payment in respect thereof within ten days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified

Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01 payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or the L/C Issuer (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender or the L/C Issuer, shall be conclusive absent manifest error. Each of the Loan Parties shall, and does hereby, jointly and severally indemnify the Administrative Agent, and shall make payment in respect thereof within ten days after demand therefor, for any amount which a Lender or the L/C Issuer for any reason fails to pay indefeasibly to the Administrative Agent as required pursuant to Section 3.01(c)(ii) below.

(ii) Each Lender and the L/C Issuer shall, and does hereby, severally indemnify, and shall make payment in respect thereof within 10 days after demand therefor, (x) the Administrative Agent against any Indemnified Taxes attributable to such Lender or the L/C Issuer (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (y) the Administrative Agent and the Loan Parties, as applicable, against any Taxes attributable to such Lender’s failure to comply with the provisions of Section 11.06(d) relating to the maintenance of a Participant Register and (z) the Administrative Agent and the Loan Parties, as applicable, against any Excluded Taxes attributable to such Lender or the L/C Issuer, in each case, that are payable or paid by the Administrative Agent or a Loan Party in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender and the L/C Issuer hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender or the L/C Issuer, as the case may be, under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this clause (ii).

(d) Evidence of Payments. As soon as practicable, after any payment of Taxes by any Loan Party to a Governmental Authority as provided in this Section 3.01, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders; Tax Documentation.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is
subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(e)(ii)(A), 3.01(e)(ii)(B) and 3.01(e)(ii)(D) below) shall not be required if in the Lender’s reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a certificate substantially in the form of Exhibit 3.01-A to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Internal Revenue Code (a “U.S. Tax Compliance Certificate”) and (y) executed copies of IRS Form W-8BEN-E (or W-8BEN, as applicable); or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS
Form W-8BEN-E (or W-8BEN, as applicable), a U.S. Tax Compliance Certificate substantially in the form of Exhibit 3.01-B or Exhibit 3.01-C, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit 3.01-D on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies (or originals, as required) of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the Closing Date.

(iii) Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 3.01 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) Treatment of Certain Refunds. Unless required by applicable Laws, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender or the L/C Issuer, or have any obligation to pay to any Lender or the L/C Issuer, any refund of Taxes withheld or deducted from funds paid for the account of such Lender or the L/C Issuer, as the case may be. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this
Section 3.01, it shall pay to the Loan Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by a Loan Party under this Section 3.01 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Loan Party, upon the request of the Recipient, agrees to repay the amount paid over to the Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to the Loan Party pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Loan Party or any other Person.

(g) Survival. Each party’s obligations under this Section 3.01 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender or the L/C Issuer, the termination of the Aggregate Revolving Commitments and the repayment, satisfaction or discharge of all other Obligations.

3.02 Illegality.

If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its Lending Office to perform any of its obligations hereunder or to make, maintain or fund or charge interest with respect to any Credit Extension or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to issue, make, maintain, fund or charge interest with respect to any such Credit Extension or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurodollar Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurodollar Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurodollar Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.
3.03 Inability to Determine Rates.

(a) If in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof, (i) the Administrative Agent determines that (A) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan, or (B) adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or in connection with an existing or proposed Base Rate Loan (in each case with respect to clause (i), “Impacted Loans”), or (ii) the Administrative Agent or the Required Lenders determine that for any reason the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Eurodollar Rate Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended (to the extent of the affected Eurodollar Rate Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the Eurodollar Rate component of the Base Rate, the utilization of the Eurodollar Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans (to the extent of the affected Eurodollar Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(b) Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (a)(i) of this Section, the Administrative Agent, in consultation with the Borrower and the affected Lenders, may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (a)(i) of this Section, (2) the Administrative Agent or the Required Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (3) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower written notice thereof.

3.04 Increased Costs; Reserves on Eurodollar Rate Loans.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement contemplated by Section 3.04(c)) or the L/C Issuer;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit,
commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the L/C Issuer or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Rate Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender or the L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or the L/C Issuer hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or the L/C Issuer, the Borrower will pay to such Lender or the L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or the L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or the L/C Issuer determines that any Change in Law affecting such Lender or the L/C Issuer or any Lending Office of such Lender or such Lender’s or the L/C Issuer’s holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender’s or the L/C Issuer’s capital or on the capital of such Lender’s or the L/C Issuer’s holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by the L/C Issuer, to a level below that which such Lender or the L/C Issuer or such Lender’s or the L/C Issuer’s holding company could have achieved but for such Change in Law (taking into consideration such Lender’s or the L/C Issuer’s policies and the policies of such Lender’s or the L/C Issuer’s holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender or the L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or the L/C Issuer or such Lender’s or the L/C Issuer’s holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or the L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or the L/C Issuer or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender or the L/C Issuer, as the case may be, the amount shown as due on any such certificate within ten days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or the L/C Issuer to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Lender’s or the L/C Issuer’s right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender or the L/C Issuer pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender or the L/C Issuer, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender’s or the L/C Issuer’s intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof).

67
(e) **Reserves on Eurodollar Rate Loans.** The Borrower shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including eurocurrency funds or deposits (currently known as “Eurocurrency liabilities”), additional interest on the unpaid principal amount of each Eurodollar Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive), which shall be due and payable on each date on which interest is payable on such Loan, provided the Borrower shall have received at least ten (10) days’ prior notice (with a copy to the Administrative Agent) of such additional interest or costs from such Lender. If a Lender fails to give notice ten (10) days prior to the relevant Interest Payment Date, such additional interest shall be due and payable ten (10) days from receipt of such notice.

3.05 **Compensation for Losses.**

Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurodollar Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurodollar Rate Loan on the date or in the amount notified by the Borrower; or

(c) any assignment of a Eurodollar Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 11.13;

including any loss of anticipated profits and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. The Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Eurodollar Rate Loan made by it at the Eurodollar Rate used in determining the Eurodollar Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurodollar Rate Loan was in fact so funded.

3.06 **Mitigation Obligations; Replacement of Lenders.**

(a) **Designation of a Different Lending Office.** If any Lender requests compensation under Section 3.04, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender, the L/C Issuer, or any Governmental Authority for the account of any Lender or the L/C Issuer pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then at the request of the Borrower such Lender or the L/C Issuer, as applicable, shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender or the L/C Issuer, as applicable, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the
case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender or the L/C Issuer, as the case may be, to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender or the L/C Issuer, as the case may be. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender or the L/C Issuer in connection with any such designation or assignment.

(b) **Replacement of Lenders.** If any Lender requests compensation under Section 3.04, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 3.06(a), the Borrower may replace such Lender in accordance with Section 3.06.

3.07 **Survival.**

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;

(c) require that the Borrower Cash Collateralize the L/C Obligations (in an amount equal to the Minimum Collateral Amount with respect thereto); and

(d) exercise on behalf of itself, the Lenders and the L/C Issuer all rights and remedies available to it, the Lenders and the L/C Issuer under the Loan Documents or applicable Law or at equity;

provided, however, that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code of the United States, the obligation of each Lender to make Loans and any obligation of the L/C Issuer to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

8.03 Application of Funds.

After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), any amounts received on account of the Obligations shall, subject to the provisions of Sections 2.14 and 2.15, be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Administrative Agent and amounts payable under Article III) payable to the Administrative Agent in its capacity as such;
Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal, interest and Letter of Credit Fees) payable to the Lenders and the L/C Issuer (including fees, charges and disbursements of counsel to the respective Lenders and the L/C Issuer and amounts payable under Article III), ratably among them in proportion to the respective amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid Letter of Credit Fees and interest on the Loans and L/C Borrowings, ratably among the Lenders and the L/C Issuer in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to (a) payment of that portion of the Obligations constituting unpaid principal of the Loans and L/C Borrowings, (b) payment of Obligations then owing under any Secured Hedge Agreements, (c) payment of Obligations then owing under any Secured Cash Management Agreements and (d) Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit, ratably among the Lenders, the L/C Issuer, the Hedge Banks and the Cash Management Banks in proportion to the respective amounts described in this clause Fourth payable to them; and

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by Law.

Subject to Sections 2.03(c) and 2.14, amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fourth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above. Excluded Swap Obligations with respect to any Guarantor shall not be paid with amounts received from such Guarantor or such Guarantor’s assets, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to Obligations otherwise set forth above in this Section.

Notwithstanding the foregoing, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements shall be excluded from the application described above if the Administrative Agent has not received a Secured Party Designation Notice, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be (unless such Cash Management Bank or Hedge Bank is the Administrative Agent or an Affiliate thereof). Each Cash Management Bank or Hedge Bank not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of Article IX for itself and its Affiliates as if a “Lender” party hereto.

ARTICLE IX
ADMINISTRATIVE AGENT

9.01 Appointment and Authority.

Each of the Lenders and the L/C Issuer hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the L/C Issuer, and no Loan Party shall have rights as a third party
beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (in its capacities as a Lender, Swingline Lender (if applicable), potential Hedge Banks and potential Cash Management Banks) and the L/C Issuer hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender and the L/C Issuer for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article IX and Article XI (including Section 11.04(c), as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto.

9.02 Rights as a Lender.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders or to provide notice to or consent of the Lenders with respect thereto.

9.03 Exculpatory Provisions.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent and its Related Parties:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and
shall not, except as expressly set forth herein and in the other Loan Documents, have any duty or responsibility to disclose, and shall not be liable for the failure to disclose, any information relating to any Loan Party or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or prospective Lender is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Institution.

Neither the Administrative Agent nor any of its Related Parties shall be liable for any action taken or not taken by the Administrative Agent under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby or thereby (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given in writing to the Administrative Agent by the Borrower, a Lender or the L/C Issuer.

Neither the Administrative Agent nor any of its Related Parties have any duty or obligation to any Lender or participant or any other Person to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Reliance by Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall be fully protected in relying and shall not incur any liability for relying upon, any notice, request, certificate, communication, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall be fully protected in relying and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the L/C Issuer, the Administrative Agent may presume that such condition is satisfactory to such Lender or the L/C Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or the L/C Issuer prior to the making of such Loan or the issuance, extension, renewal or increase of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the
9.05 Delegation of Duties.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub agents appointed by the Administrative Agent. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub agent and to the Related Parties of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

9.06 Resignation of Administrative Agent.

(a) The Administrative Agent may at any time give notice of its resignation to the Lenders, the L/C Issuer and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, subject to the approval of the Borrower unless an Event of Default has occurred and is continuing (such approval not to be unreasonably withheld or delayed), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the “Resignation Effective Date”), then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Lenders and the L/C Issuer, appoint a successor Administrative Agent meeting the qualifications set forth above, provided that in no event shall any such successor Administrative Agent be a Defaulting Lender. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by applicable Law, by notice in writing to the Borrower and such Person remove such Person as Administrative Agent and, subject to the approval of the Borrower unless an Event of Default has occurred and is continuing (such approval not to be unreasonably withheld or delayed), appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty days (or such earlier day as shall be agreed by the Required Lenders) (the “Removal Effective Date”), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (ii) except for any indemnity payments or other amounts then owed to the retiring
or removed Administrative Agent, all payments, communications and determinations provided to be made by, or through the Administrative Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than as provided in Section 3.01(g) and other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent’s resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 11.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them (i) while the retiring or removed Administrative Agent was acting as Administrative Agent and (ii) after such resignation or removal for as long as any of them continues to act in any capacity hereunder or under the other Loan Documents, including (A) acting as collateral agent or otherwise holding any collateral security on behalf of any of the Lenders and (B) in respect of any actions taken in connection with transferring the agency to any successor Administrative Agent.

(d) Any resignation by or removal of Bank of America as Administrative Agent pursuant to this Section shall also constitute its resignation as L/C Issuer and Swingline Lender. If Bank of America resigns as an L/C Issuer, it shall retain all the rights, powers, privileges and duties of the L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto, including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c). If Bank of America resigns as Swingline Lender, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swingline Loans pursuant to Section 2.04(c). Upon the appointment by the Borrower of a successor L/C Issuer or Swingline Lender hereunder (which successor shall in all cases be a Lender other than a Defaulting Lender), (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swingline Lender, as applicable, (ii) the retiring L/C Issuer and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents and (iii) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America to effectively assume the obligations of Bank of America with respect to such Letters of Credit.

9.07 Non-Reliance on Administrative Agent and Other Lenders.

Each Lender and the L/C Issuer acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and the L/C Issuer also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties
and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or
based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

9.08 **No Other Duties; Etc.**

Anything herein to the contrary notwithstanding, none of the bookrunners, arrangers, syndication agents, documentation agents or co-agents shall have any
powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or
the L/C Issuer hereunder.

9.09 **Administrative Agent May File Proofs of Claim; Credit Bidding.**

In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent
(irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of
whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all
other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C
Issuer and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuer
and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuer and the Administrative Agent under
Sections 2.03(h), 2.03(i), 2.09 and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the
L/C Issuer to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to
the Lenders and the L/C Issuer, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the
Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 11.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the L/C
Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or the L/C Issuer to authorize the
Administrative Agent to vote in respect of the claim of any Lender or the L/C Issuer in any such proceeding.

The holders of the Obligations hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of
the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise)
and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the
provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy
Code of the United States, or any similar Laws in any other jurisdictions to which a Loan Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the holders thereof shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(vi) of Section 11.01, and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Lender or any acquisition vehicle to take any further action.

9.10 Collateral and Guaranty Matters.

Without limiting the provisions of Section 9.09, each of the Lenders (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) and the L/C Issuer irrevocably authorize the Administrative Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon the Facility Termination Date, (ii) that is sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted hereunder or under any other Loan Document or any Recovery Event, or (iii) as approved in accordance with Section 11.01;

(b) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(i); and

(c) to release any Guarantor from its obligations under the Guaranty if such Person ceases to be a Subsidiary as a result of a transaction permitted under the Loan Documents.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty, pursuant to this Section 9.10.

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent’s Lien thereon, or any certificate prepared by
any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

9.11 **Secured Cash Management Agreements and Secured Hedge Agreements.**

Except as otherwise expressly set forth herein, no Cash Management Bank or Hedge Bank that obtains the benefit of Section 8.03, the Guaranty or any Collateral by virtue of the provisions hereof or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) (or to notice of or to consent to any amendment, waiver or modification of the provisions hereof or of the Guaranty or any Collateral Document) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements except to the extent expressly provided herein and unless the Administrative Agent has received a Secured Party Designation Notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. The Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements in the case of the Facility Termination Date.

ARTICLE X
GUARANTY

10.01 The Guaranty.

Each of the Guarantors hereby jointly and severally guarantees to each Lender, the L/C Issuer and each other holder of Obligations as hereinafter provided, as primary obligor and not as surety, the prompt payment of the Obligations in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) strictly in accordance with the terms thereof. The Guarantors hereby further agree that if any of the Obligations are not paid in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise), the Guarantors will, jointly and severally, promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Obligations, the same will be promptly paid in full when due (whether at extended maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) in accordance with the terms of such extension or renewal.

Notwithstanding any provision to the contrary contained herein or in any other of the Loan Documents or the other documents relating to the Obligations, the obligations of each Guarantor under this Agreement and the other Loan Documents shall not exceed an aggregate amount equal to the largest amount that would not render such obligations subject to avoidance under applicable Debtor Relief Laws.

10.02 Obligations Unconditional.

The obligations of the Guarantors under Section 10.01 are joint and several, absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Loan Documents or other documents relating to the Obligations, or any substitution, release, impairment or exchange of any other guarantee of or security for any of the Obligations, and, to the fullest extent permitted by applicable Law, irrespective of any other circumstance whatsoever which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 10.02 that the obligations of the Guarantors hereunder shall be absolute and unconditional under any and all circumstances. Each Guarantor agrees that such Guarantor shall have no right of subrogation, indemnity, reimbursement or contribution against the Borrower or any other Loan Party for amounts paid under this Article X until such time as the Obligations have been paid in full and the Commitments have expired or terminated. Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by Law, the occurrence of any one or more of the following shall not alter or impair the liability of any Guarantor hereunder, which shall remain absolute and unconditional as described above:

(a) at any time or from time to time, without notice to any Guarantor, the time for any performance of or compliance with any of the Obligations shall be extended, or such performance or compliance shall be waived;
any of the acts mentioned in any of the provisions of any of the Loan Documents or other documents relating to the Obligations shall be done or omitted;  

the maturity of any of the Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Loan Documents or other documents relating to the Obligations shall be waived or any other guarantee of any of the Obligations or any security therefor shall be released, impaired or exchanged in whole or in part or otherwise dealt with;  

d) any Lien granted to, or in favor of, the Administrative Agent or any other holder of the Obligations as security for any of the Obligations shall fail to attach or be perfected; or  

(e) any of the Obligations shall be determined to be void or voidable (including for the benefit of any creditor of any Guarantor) or shall be subordinated to the claims of any Person (including any creditor of any Guarantor).

With respect to its obligations hereunder, each Guarantor hereby expressly waives diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Administrative Agent or any other holder of the Obligations exhaust any right, power or remedy or proceed against any Person under any of the Loan Documents or any other document relating to the Obligations, or against any other Person under any other guarantee of, or security for, any of the Obligations.

10.03 Reinstatement.

The obligations of each Guarantor under this Article X shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Person in respect of the Obligations is rescinded or must be otherwise restored by any holder of any of the Obligations, whether as a result of any Debtor Relief Law or otherwise, and each Guarantor agrees that it will indemnify the Administrative Agent and each other holder of the Obligations on demand for all reasonable costs and expenses (including the fees, charges and disbursements of counsel) incurred by the Administrative Agent or such holder of the Obligations in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any Debtor Relief Law.

10.04 Certain Additional Waivers.

Each Guarantor agrees that such Guarantor shall have no right of recourse to security for the Obligations, except through the exercise of rights of subrogation pursuant to Section 10.02 and through the exercise of rights of contribution pursuant to Section 10.06.

10.05 Remedies.

The Guarantors agree that, to the fullest extent permitted by Law, as between the Guarantors, on the one hand, and the Administrative Agent and the other holders of the Obligations, on the other hand, the Obligations may be declared to be forthwith due and payable as specified in Section 8.02 (and shall be deemed to have become automatically due and payable in the circumstances specified in Section 8.02) for purposes of Section 10.01 notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Obligations from becoming automatically due and payable) as against any other Person and that, in the event of such declaration (or the Obligations being deemed to have become automatically due and payable), the Obligations (whether or not due and payable by any other Person)
shall forthwith become due and payable by the Guarantors for purposes of Section 10.01. The Guarantors acknowledge and agree that their obligations hereunder are secured in accordance with the terms of the Collateral Documents and that the holders of the Obligations may exercise their remedies thereunder in accordance with the terms thereof.

10.06 Rights of Contribution.

The Guarantors hereby agree as among themselves that, if any Guarantor shall make an Excess Payment (as defined below), such Guarantor shall have a right of contribution from each other Guarantor in an amount equal to such other Guarantor’s Contribution Share (as defined below) of such Excess Payment. The payment obligations of any Guarantor under this Section 10.06 shall be subordinate and subject in right of payment to the Obligations until such time as the Obligations have been paid-in-full and the Commitments have terminated, and none of the Guarantors shall exercise any right or remedy under this Section 10.06 against any other Guarantor until such Obligations have been paid-in-full and the Commitments have terminated. For purposes of this Section 10.06, (a) “Excess Payment” shall mean the amount paid by any Guarantor in excess of its Ratable Share of any Obligations; (b) “Ratable Share” shall mean, for any Guarantor in respect of any payment of Obligations, the ratio (expressed as a percentage) as of the date of such payment of Obligations of (i) the amount by which the aggregate present fair salable value of all of its assets and properties exceeds the amount of all debts and liabilities of such Guarantor (including contingent, subordinated, unmatured, and unliquidated liabilities, but excluding the obligations of such Guarantor hereunder) to (ii) the amount by which the aggregate present fair salable value of all assets and other properties of all of the Loan Parties exceeds the amount of all of the debts and liabilities (including contingent, subordinated, unmatured, and unliquidated liabilities, but excluding the obligations of the Loan Parties hereunder) of the Loan Parties; provided, however, that, for purposes of calculating the Ratable Shares of the Guarantors in respect of any payment of Obligations, any Guarantor that became a Guarantor subsequent to the date of any such payment shall be deemed to have been a Guarantor on the date of such payment and the financial information for such Guarantor as of the date such Guarantor became a Guarantor shall be utilized for such Guarantor in connection with such payment; and (c) “Contribution Share” shall mean, for any Guarantor in respect of any Excess Payment made by any other Guarantor, the ratio (expressed as a percentage) as of the date of such Excess Payment of (i) the amount by which the aggregate present fair salable value of all of its assets and properties exceeds the amount of all debts and liabilities of such Guarantor (including contingent, subordinated, unmatured, and unliquidated liabilities, but excluding the obligations of such Guarantor hereunder) to (ii) the amount by which the aggregate present fair salable value of all assets and other properties of the Loan Parties other than the maker of such Excess Payment exceeds the amount of all of the debts and liabilities (including contingent, subordinated, unmatured, and unliquidated liabilities, but excluding the obligations of the Loan Parties) of the Loan Parties other than the maker of such Excess Payment; provided, however, that, for purposes of calculating the Contribution Shares of the Guarantors in respect of any Excess Payment, any Guarantor that became a Guarantor subsequent to the date of any such Excess Payment shall be deemed to have been a Guarantor on the date of such Excess Payment and the financial information for such Guarantor as of the date such Guarantor became a Guarantor shall be utilized for such Guarantor in connection with such Excess Payment. This Section 10.06 shall not be deemed to affect any right of subrogation, indemnity, reimbursement or contribution that any Guarantor may have under Law against the Borrower in respect of any payment of Obligations.

10.07 Guarantee of Payment; Continuing Guarantee.

The guarantee in this Article X is a guaranty of payment and not of collection, is a continuing guarantee, and shall apply to the Obligations whenever arising.

10.08 Keepwell.
Each Loan Party that is a Qualified ECP Guarantor at the time the Guaranty in this Article X by any Loan Party that is not then an “eligible contract participant” under the Commodity Exchange Act (a “Specified Loan Party”) or the grant of a security interest under the Loan Documents by any such Specified Loan Party, in either case, becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Loan Party with respect to such Swap Obligation as may be needed by such Specified Loan Party from time to time to honor all of its obligations under the Loan Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor’s obligations and undertakings under this Article X voidable under applicable Debtor Relief Laws, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section shall remain in full force and effect until the Obligations have been indefeasibly paid and performed in full. Each Loan Party intends this Section to constitute, and this Section shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each Specified Loan Party for all purposes of the Commodity Exchange Act.

ARTICLE XI

11.01 Amendments, Etc.

Except as provided in Section 2.16 with respect to an Incremental Facility Amendment, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (or by the Administrative Agent with the consent of the Required Lenders) and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that

(a) no such amendment, waiver or consent shall:

(i) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 8.02) without the written consent of such Lender (it being understood and agreed that a waiver of any condition precedent set forth in Section 4.02 or of any Default or a mandatory reduction in Commitments is not considered an extension or increase in Commitments of any Lender);

(ii) postpone any date fixed by this Agreement or any other Loan Document for any payment (excluding mandatory prepayments) of principal, interest, fees or other amounts due to the Lenders (or any of them) or any scheduled reduction of the Commitments hereunder or under any other Loan Document without the written consent of each Lender entitled to receive such payment or whose Commitments are to be reduced;

(iii) reduce the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (i) of the final proviso to this Section 11.01) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender entitled to receive such amount; provided, however, that (A) only the consent of the Required Lenders shall be necessary to amend the definition of “Default Rate” or to waive any obligation of the Borrower to pay

110
interest or Letter of Credit Fees at the Default Rate and (B) an amendment to any financial covenant hereunder (or any defined term used therein) even if
the effect of such amendment would be to reduce the rate of interest on any Loan or L/C Borrowing or to reduce any fee payable hereunder shall not be
deemed to be a reduction of the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or any fees or other amounts payable
hereunder or under any other Loan Document;

(iv) change Section 8.03 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of
each Lender directly and adversely affected thereby;

(v) change any provision of this Section 11.01(a) or the definition of “Required Lenders” without the written consent of each Lender
directly and adversely affected thereby;

(vi) release all or substantially all of the Collateral without the written consent of each Lender whose Obligations are secured by such
Collateral;

(vii) release the Borrower without the consent of each Lender, or, except in connection with a transaction permitted under Section 7.04 or

except to the extent such release is permitted pursuant to Section 9.10 (in which case such release may be made by the Administrative Agent acting
alone); or

(b) unless also signed by the L/C Issuer, no amendment, waiver or consent shall affect the rights or duties of the L/C Issuer under this Agreement
or any Issuer Document relating to any Letter of Credit issued or to be issued by it;

(c) unless also signed by the Swingline Lender, no amendment, waiver or consent shall affect the rights or duties of the Swingline Lender under
this Agreement; and

(d) unless also signed by the Administrative Agent, no amendment, waiver or consent shall affect the rights or duties of the Administrative Agent
under this Agreement or any other Loan Document;

provided further, that notwithstanding anything to the contrary herein, (i) the Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed
only by the parties thereto, (ii) each Lender is entitled to vote as such Lender sees fit on any bankruptcy reorganization plan that affects the Loans, and each Lender
acknowledges that the provisions of Section 1126(c) of the Bankruptcy Code of the United States supersedes the unanimous consent provisions set forth herein, (iii) the
Required Lenders shall determine whether or not to allow a Loan Party to use cash collateral in the context of a bankruptcy or insolvency proceeding and such
determination shall be binding on all of the Lenders, (iv) Incremental Facility Amendments may be effected in accordance with Section 2.16 and (v) ministerial
amendments as are necessary to add HoldCo as a Guarantor may be effected in accordance with the definition of Up-C Restructuring.

No Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its
terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that
(x) the Commitment of such Defaulting Lender may not be increased or extended
without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects such Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

Notwithstanding anything to the contrary herein, this Agreement may be amended and restated without the consent of any Lender (but with the consent of the Borrower and the Administrative Agent) if, upon giving effect to such amendment and restatement, such Lender shall no longer be a party to this Agreement (as so amended and restated), the Commitments of such Lender shall have terminated, such Lender shall have no other commitment or other obligation hereunder and shall have been paid in full all principal, interest and other amounts owing to it or accrued for its account under this Agreement.

Notwithstanding any provision herein to the contrary the Administrative Agent and the Borrower may amend, modify or supplement this Agreement or any other Loan Document to cure or correct administrative errors or omissions, any ambiguity, omission, defect or inconsistency or to effect administrative changes, and such amendment shall become effective without any further consent of any other party to such Loan Document so long as (i) such amendment, modification or supplement does not adversely affect the rights of any Lender or other holder of Obligations in any material respect and (ii) the Lenders shall have received at least five Business Days’ prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment.

11.02 Notices; Effectiveness; Electronic Communications.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to any Loan Party, the Administrative Agent, the L/C Issuer or the Swingline Lender, to the address, facsimile number, e-mail address or telephone number specified for such Person on Schedule 11.02; and

(ii) if to any other Lender, to the address, facsimile number, e-mail address or telephone number specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to the Borrower).

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the L/C Issuer hereunder may be delivered or furnished by electronic communication
(including e mail, FpML messaging, and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender or the L/C Issuer pursuant to Article II if such Lender or the L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent, the Swingline Lender, the L/C Issuer or the Borrower may each, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender’s receipt of an acknowledgement from the intended recipient (such as by the “return receipt requested” function, as available, return e-mail or other written acknowledgement) and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii), if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) The Platform. THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to the Borrower, any Lender, the L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of any Loan Party’s or the Administrative Agent’s transmission of Borrower Materials or notices through the Platform, any other electronic platform or electronic messaging service, or through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses (x) are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party or (y) result from a claim brought by any Loan Party against such Agent Party for breach in bad faith of such Agent Party’s obligations hereunder or under any other Loan Document, if such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction; provided, however, that in no event shall any Agent Party have any liability to any Loan Party, any Lender, the L/C Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Borrower, the Administrative Agent, the L/C Issuer and the Swingline Lender may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, the L/C Issuer and the Swingline Lender. In addition, each Lender agrees to notify the Administrative Agent.
from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and e-mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities Laws.

(e) Reliance by Administrative Agent, L/C Issuer and Lenders. The Administrative Agent, the L/C Issuer and the Lenders shall be entitled to rely and act upon any notices (including telephonic or electronic notices, Loan Notices, Letter of Credit Applications and Swingline Loan Notices) purportedly given by or on behalf of any Loan Party even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Loan Parties shall indemnify the Administrative Agent, the L/C Issuer, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of a Loan Party. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

11.03 No Waiver; Cumulative Remedies; Enforcement.

No failure by any Lender, the L/C Issuer or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under any other Loan Document (including the imposition of the Default Rate) preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders and the L/C Issuer; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) the L/C Issuer or the Swingline Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as L/C Issuer or Swingline Lender, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 11.08 (subject to the terms of Section 2.13), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section...
8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

11.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Loan Parties shall pay (i) all reasonable and documented out of pocket expenses incurred by the Administrative Agent and its Affiliates (including the reasonable fees, charges and disbursements of one primary outside counsel for the Administrative Agent and of one special or one local counsel in each relevant jurisdiction for the Administrative Agent to the extent such special or local counsel is reasonably necessary) in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out of pocket expenses incurred by the L/C Issuer in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable and documented out of pocket expenses incurred by the Administrative Agent, any Lender or the L/C Issuer (including the fees, charges and disbursements of outside counsel for the Administrative Agent, any Lender or the L/C Issuer) in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section, or (B) in connection with the Loans made or Letters of Credit issued hereunder, including all such out of pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) Indemnification by the Loan Parties. The Loan Parties shall indemnify the Administrative Agent (and any sub-agent thereof), each Lender and the L/C Issuer, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the reasonable and documented fees, charges and disbursements of outside counsel for any Indemnitee), incurred by any Indemnitee or asserted against any Indemnitee by any Person (including any Loan Party) arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or, in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents (including in respect of any matters addressed in Section 3.01), (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by a Loan Party or any of its Subsidiaries, or any Environmental Liability related in any way to a Loan Party or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Loan Party, and regardless of whether any Indemnitee is a party thereto, IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF THE INDEMNITEE; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims,
damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee, (y) result from a claim brought by any Loan Party against an Indemnitee for breach in bad faith of such Indemnitee’s obligations hereunder or under any other Loan Document, if such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction, or (z) any dispute solely among the Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as Administrative Agent, L/C Issuer, Arranger or any similar role under this Agreement or any other Loan Document and other than any claims arising out of any act or omission of the Borrower or any of its Affiliates. Without limiting the provisions of Section 3.01(c), this Section 11.04(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) Reimbursement by Lenders. To the extent that the Loan Parties for any reason fail to indefeasibly pay any amount required under subsection (a) or (b) of this Section to be paid by them to the Administrative Agent (or any sub-agent thereof), the L/C Issuer, the Swingline Lender or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), the L/C Issuer, the Swingline Lender or such Related Party, as the case may be, such Lender’s pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought based on each Lender’s share of the Total Credit Exposures of all Lenders at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender), such payment to be made severally among them based on such Lenders’ Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought), provided, further, that, the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), the L/C Issuer or the Swingline Lender in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), the L/C Issuer or the Swingline Lender in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.12(d).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable Law, no Loan Party shall assert, and each Loan Party hereby waives, and acknowledges that no other Person shall have, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from (x) the gross negligence or willful misconduct of such Indemnitee as determined by a final and nonappealable judgment of a court of competent jurisdiction or (y) a claim brought by any Loan Party against such Indemnitee for breach in bad faith of such Indemnitee’s obligations hereunder or under any other Loan Document, if such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction.

(e) Payments. All amounts due under this Section shall be payable not later than ten Business Days after demand therefor.
f). **Survival.** The agreements in this Section and the indemnity provisions of Section 11.02(e) shall survive the resignation of the Administrative Agent, the L/C Issuer and the Swingline Lender, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations.

11.05 **Payments Set Aside.**

To the extent that any payment by or on behalf of any Loan Party is made to the Administrative Agent, the L/C Issuer or any Lender, or the Administrative Agent, the L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, the L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and the L/C Issuer severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders and the L/C Issuer under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

11.06 **Successors and Assigns.**

(a) **Successors and Assigns Generally.** The provisions of this Agreement and the other Loan Documents shall be binding upon and inure to the benefit of the parties hereto and thereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder or thereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of subsection (b) of this Section, (ii) by way of participation in accordance with the provisions of subsection (d) of this Section or (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (e) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the L/C Issuer and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) **Assignments by Lenders.** Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including all or a portion of its Commitment and the Loans (including for purposes of this subsection (b), participations in L/C Obligations and in Swingline Loans) at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) **Minimum Amounts.**

(A) in the case of an assignment of the entire remaining amount of the assigning Lender’s Commitment and the related Loans at the time owing to it or contemporaneous assignments to related Approved Funds (determined after
giving effect to such assignments) that equal at least the amount specified in subsection (b)(i)(B) of this Section in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if “Trade Date” is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than $5,000,000 in the case of any assignment in respect of a Revolving Commitment (and the related Revolving Loans thereunder) and $1,000,000 in the case of any assignment in respect of the Term Loan unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender’s Loans and Commitments, and rights and obligations with respect thereto, assigned, except that this clause (ii) shall not (A) apply to the Swingline Lender’s rights and obligations in respect of Swingline Loans or (B) prohibit any Lender from assigning all or a portion of its rights and obligations in respect of its Revolving Commitment (and the related Revolving Loans thereunder) and its outstanding Term Loans on a non-pro rata basis;

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of (1) any unfunded Term Loan Commitment or any Revolving Commitment if such assignment is to a Person that is not a Lender with a Commitment in respect of the applicable facility subject to such assignment, an Affiliate of such Lender or an Approved Fund with respect to such Lender or (2) any Term Loan to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) the consent of the L/C Issuer and the Swingline Lender shall be required for any assignment in respect of Revolving Loans and Revolving Commitments.
Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of $3,500; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

No Assignment to Certain Persons. No such assignment shall be made to (A) the Borrower or any of the Borrower’s Affiliates or Subsidiaries, (B) any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B), or (C) a natural Person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural Person).

Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, the L/C Issuer or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05 and 11.04 with respect to facts and circumstances occurring prior to the effective date of such assignment); provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender’s having been a Defaulting Lender. Upon request, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section.
Register. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower (and such agency being solely for tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it (or the equivalent thereof in electronic form) and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural Person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural Person), a Defaulting Lender or the Borrower or any of the Borrower’s Affiliates or Subsidiaries) (each, a “Participant”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender’s participations in L/C Obligations and/or Swingline Loans) owing to it); provided that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent, the Lenders and the L/C Issuer shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 11.04(c) without regard to the existence of any participation.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in Section 11.01(g) that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section (it being understood that the documentation required under Section 3.01(e) shall be delivered to the Lender who sells the participation) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 3.06 and 11.13 as if it were an assignee under paragraph (b) of this Section and (B) shall not be entitled to receive any greater payment under Sections 3.01 or 3.04, with respect to any participation, than the Lender from whom it acquired the applicable participation would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower’s request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 3.06 with respect to any Participant. To the extent permitted by Law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under the Loan Documents (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any
Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) Resignation as L/C Issuer or Swingline Lender after Assignment. Notwithstanding anything to the contrary contained herein, if at any time Bank of America assigns all of its Revolving Commitment and Revolving Loans pursuant to subsection (b) above, Bank of America may, (i) upon thirty days’ notice to the Borrower and the Lenders, resign as L/C Issuer and/or (ii) upon thirty days’ notice to the Borrower, resign as Swingline Lender. In the event of any such resignation as L/C Issuer or Swingline Lender, the Borrower shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swingline Lender hereunder; provided, however, that no failure by the Borrower to appoint any such successor shall affect the resignation of Bank of America as L/C Issuer or Swingline Lender hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If Bank of America resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of the L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If Bank of America resigns as Swingline Lender, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swingline Loans pursuant to Section 2.04(c). Upon the appointment of a successor L/C Issuer and/or Swingline Lender, (1) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swingline Lender, as the case may be, and (2) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America to effectively assume the obligations of Bank of America with respect to such Letters of Credit.

(g) Disqualified Institutions

(i) No assignment shall be made to any Person that was a Disqualified Institution as of the date (the “Trade Date”) on which the applicable Lender entered into a binding agreement to sell and assign all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower has consented to such assignment as otherwise contemplated by this Section 11.06, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment). For the avoidance of doubt, with respect to any assignee that becomes a Disqualified Institution.
after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of “Disqualified Institution”), such assignee shall not retroactively be considered a Disqualified Institution. Any assignment in violation of this clause (g)(i) shall not be void, but the other provisions of this clause (g) shall apply.

(ii) If any assignment is made to any Disqualified Institution without the Borrower’s prior consent in violation of clause (i) above, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) terminate any Revolving Commitment of such Disqualified Institution and repay all obligations of the Borrower owing to such Disqualified Institution in connection with such Revolving Commitment, (B) in the case of outstanding Term Loans held by Disqualified Institutions, prepay such Term Loans by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and under the other Loan Documents and/or (C) require such Disqualified Institution to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 11.06), all of its interest, rights and obligations under this Agreement and the Loan Documents to an Eligible Assignee that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and other the other Loan Documents; provided, that, (i) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 11.06(b), (ii) such assignment does not conflict with applicable Laws and (iii) in the case of clause (B), the Borrower shall not use the proceeds from any Loans to prepay Term Loans held by Disqualified Institutions.

(iii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Institutions (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter, and (y) for purposes of voting on any plan of reorganization or plan of liquidation pursuant to any Debtor Relief Laws (“Plan of Reorganization”), each Disqualified Institution party hereto hereby agrees (1) not to vote on such Plan of Reorganization, (2) if such Disqualified Institution does vote on such Plan of Reorganization notwithstanding the restrictions in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be “designated” pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan of Reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3)
not to contest any request by any party for a determination by the Bankruptcy court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(iv) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (A) post Schedule 1.01 and any updates thereto from time to time (collectively, the “DQ List”) on the Platform, including that portion of the Platform that is designated for “public side” Lenders or (B) provide the DQ List to each Lender requesting the same.

11.07 Treatment of Certain Information; Confidentiality.

Each of the Administrative Agent, the Lenders and the L/C Issuer agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates, its auditors and to its Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights and obligations under this Agreement or any Eligible Assignee invited to become a Lender pursuant to Section 2.16 or (ii) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder, (g) on a confidential basis to (i) any rating agency in connection with rating any Loan Party or any Subsidiaries or the credit facilities provided hereunder or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers or other market identifiers with respect to the credit facilities provided hereunder, (h) with the consent of the Borrower or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Lender, the L/C Issuer or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Agents and the Lenders in connection with the administration of this Agreement, the other Loan Documents, and the Commitments.

For purposes of this Section, “Information” means all information received from a Loan Party or any Subsidiary relating to the Loan Parties or any Subsidiary or any of their respective businesses, other than any such information that is available to the Administrative Agent, any Lender or the L/C Issuer on a nonconfidential basis prior to disclosure by such Loan Party or any Subsidiary, provided that, in the case of information received from a Loan Party or any Subsidiary after the Closing Date, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent, the Lenders and the L/C Issuer acknowledges that (a) the Information may include material non-public information concerning a Loan Party or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public.
information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

The Loan Parties and their Affiliates agree that they will not in the future issue any press releases or other public disclosure using the name of the Administrative Agent or any Lender or their respective Affiliates or referring to this Agreement or any of the Loan Documents without the prior written consent of the Administrative Agent, unless (and only to the extent that) the Loan Parties or such Affiliate is required to do so under law and then, in any event the Loan Parties or such Affiliate will consult with such Person before issuing such press release or other public disclosure.

The Loan Parties consent to the publication by the Administrative Agent or any Lender of customary advertising material relating to the transactions contemplated hereby using the name, product photographs, logo or trademark of the Loan Parties.

11.08 Rights of Setoff.

If an Event of Default shall have occurred and be continuing, each Lender, the L/C Issuer and each of their respective Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, the L/C Issuer or any such Affiliate to or for the credit or the account of any Loan Party against any and all of the obligations of such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender or the L/C Issuer or their respective Affiliates, irrespective of whether or not such Lender, the L/C Issuer or such Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of such Loan Party may be contingent or unmatured or are owed to a branch or office or Affiliate of such Lender or the L/C Issuer different from the branch or office or Affiliate holding such deposit or obligated on such indebtedness; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.15 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the L/C Issuer and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, the L/C Issuer and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, the L/C Issuer or their respective Affiliates may have. Each Lender and the L/C Issuer agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

11.09 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “Maximum Rate”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary
prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

11.10 Counterparts; Integration; Effectiveness.

This Agreement and each of the other Loan Documents may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the L/C Issuer constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement or any other Loan Document, or any certificate delivered thereunder, by fax transmission or e-mail transmission (e.g., “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart of this Agreement or any other Loan Document or certificate. Without limiting the foregoing, to the extent a manually executed counterpart is not specifically required to be delivered under the terms of any Loan Document, upon the request of any party, such fax transmission or e-mail transmission shall be promptly followed by such manually executed counterpart.

11.11 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

11.12 Severability.

If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 11.12, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, the L/C Issuer or the Swingline Lender, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

11.13 Replacement of Lenders.

If the Borrower is entitled to replace a Lender pursuant to the provisions of Section 3.06, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Borrower may, at its sole expense
and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.06), all of its interests, rights (other than its existing rights to payments pursuant to Sections 3.01 and 3.04) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Borrower or Lender accepting such assignment shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 11.06(b);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and L/C Advances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(d) such assignment does not conflict with applicable Laws; and

(e) in the case of an assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

11.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (EXCEPT, AS TO ANY OTHER LOAN DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (EXCEPT, AS TO ANY OTHER LOAN DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. EACH LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT IT WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST THE ADMINISTRATIVE AGENT, ANY LENDER, THE L/C ISSUER, OR ANY RELATED PARTY OF THE FOREGOING IN ANY WAY RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN ANY FORUM OTHER THAN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT
COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A final JUDGMENT IN ANY SUCH ACTION, LITIGATION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, ANY LENDER OR THE L/C ISSUER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

11.15 Waiver of Jury Trial.

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

11.16 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the
Loan Parties acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent and the Arranger, and the Lenders are arm's-length commercial transactions between the Loan Parties and their respective Affiliates, on the one hand, and the Administrative Agent, the Arranger, and the Lenders, on the other hand, (B) each of the Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of the Loan Parties is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, the Arranger and the Lenders each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Loan Parties or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent, the Arranger, nor any Lender has any obligation to the Loan Parties or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Arranger, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and neither the Administrative Agent, the Arranger, nor any Lender has any obligation to disclose any of such interests to the Loan Parties and their respective Affiliates. To the fullest extent permitted by Law, each of the Loan Parties hereby waives and releases any claims that it may have against the Administrative Agent, the Arranger, or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

11.17 Electronic Execution of Assignments and Certain Other Documents.

The words “execute,” “execution,” “signed,” “signature,” and words of like import in any Loan Document or any other document to be signed in connection with this Agreement, any other document executed in connection herewith and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; provided further without limiting the foregoing, upon the request of the Administrative Agent, any electronic signature shall be promptly followed by such manually executed counterpart.

11.18 USA PATRIOT Act Notice.

Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”), it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Loan Parties in accordance with the Act. The Loan Parties shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to
comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the Act.

11.19 **Subordination of Intercompany Indebtedness.**

Each Loan Party (a “Subordinating Loan Party”) agrees that the payment of all obligations and indebtedness, whether principal, interest, fees and other amounts and whether now owing or hereafter arising, owing to such Subordinating Loan Party by any other Loan Party is expressly subordinated to the payment in full in cash of the Obligations. If the Administrative Agent so requests, any such obligation or indebtedness shall be enforced and performance received by the Subordinating Loan Party as trustee for the holders of the Obligations and the proceeds thereof shall be paid over to the holders of the Obligations on account of the Obligations, but without reducing or affecting in any manner the liability of the Subordinating Loan Party under this Agreement or any other Loan Document. Without limitation of the foregoing, so long as no Default has occurred and is continuing, the Loan Parties may make and receive payments with respect to any such obligations and indebtedness, provided, that in the event that any Loan Party receives any payment of any such obligations and indebtedness at a time when such payment is prohibited by this Section, such payment shall be held by such Loan Party, in trust for the benefit of, and shall be paid forthwith over and delivered, upon written request, to the Administrative Agent.

11.20 **Acknowledgement and Consent to Bail-In of EEA Financial Institutions.**

Solely to the extent any Lender or L/C Issuer that is an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or L/C Issuer that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or L/C Issuer that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

The Administrative Agent may make any payment hereby authorized in accordance with any bill, statement or estimate procured from the appropriate public office or holder of the claim to be discharged without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax assessment, sale, forfeiture, tax lien, title or claim except to the extent such payment is being contested in good faith by an Obligor in appropriate proceedings and against which adequate reserves are being maintained in accordance with GAAP.

7. Remedies.

(a) General Remedies. Upon the occurrence of an Event of Default and during continuation thereof, the Administrative Agent shall have, in addition to the rights and remedies provided herein, in the Loan Documents, in any other documents relating to the Secured Obligations, or by Law (including, but not limited to, levy of attachment, garnishment and the rights and remedies set forth in the UCC of the jurisdiction applicable to the affected Collateral), the rights and remedies of a secured party under the UCC (regardless of whether the UCC is the law of the jurisdiction where the rights and remedies are asserted and regardless of whether the UCC applies to the affected Collateral), and further, the Administrative Agent may, with or without judicial process or the aid and assistance of others, (i) enter on any premises on which any of the Collateral may be located and, without resistance or interference by the Obligors, take possession of the Collateral, (ii) dispose of any Collateral on any such premises, (iii) require the Obligors to assemble and make available to the Administrative Agent at the expense of the Obligors any Collateral at any place and time designated by the Administrative Agent which is reasonably convenient to both parties, (iv) remove any Collateral from any such premises for the purpose of effecting sale or other disposition thereof, and/or (v) without demand and without advertisement, notice, hearing or process of law, all of which each of the Obligors hereby waives to the fullest extent permitted by Law, at any place and time or times, sell and deliver any or all Collateral held by or for it at public or private sale (which in the case of a private sale of Pledged Equity, shall be to a restricted group of purchasers who will be obligated to agree, among other things, to acquire such securities for their own account, for investment and not with a view to the distribution or resale thereof), at any exchange or broker's board or elsewhere, by one or more contracts, in one or more parcels, for Money, upon credit or otherwise, at such prices and upon such terms as the Administrative Agent deems advisable, in its sole discretion (subject to any and all mandatory legal requirements). Each Obligor acknowledges that any such private sale may be at prices and on terms less favorable to the seller than the prices and other terms which might have been obtained at a public sale and, notwithstanding the foregoing, agrees that such private sale shall be deemed to have been made in a commercially reasonable manner and, in the case of a sale of Pledged Equity, that the Administrative Agent shall have no obligation to delay sale of any such securities for the period of time necessary to permit the issuer of such securities to register such securities for public sale under the Securities Act of 1933. Neither the Administrative Agent's compliance with applicable Law nor its disclaimer of warranties relating to the Collateral shall be considered to adversely affect the commercial reasonableness of any sale. To the extent the rights of notice cannot be legally waived hereunder, each Obligor agrees that any requirement of reasonable notice shall be met if such notice, specifying the place of any public sale or the time after which any private sale is to be made, is personally served on or mailed, postage prepaid, to the Borrower in accordance with the notice provisions of Section 11.02 of the Credit Agreement at least 10 days before the time of sale or other event giving rise to the requirement of such notice. The Administrative Agent may adjourn any public or
private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Obligor further acknowledges and agrees that any offer to sell any Pledged Equity which has been (i) publicly advertised on a bona fide basis in a newspaper or other publication of general circulation in the financial community of New York, New York (to the extent that such offer may be advertised without prior registration under the Securities Act of 1933), or (ii) made privately in the manner described above shall be deemed to involve a "public sale" under the UCC, notwithstanding that such sale may not constitute a "public offering" under the Securities Act of 1933, and the Administrative Agent may, in such event, bid for the purchase of such securities. The Administrative Agent shall not be obligated to make any sale or other disposition of the Collateral regardless of notice having been given. To the extent permitted by applicable Law, any holder of Secured Obligations may be a purchaser at any such sale. To the extent permitted by applicable Law, each of the Obligors hereby waives all of its rights of redemption with respect to any such sale. Subject to the provisions of applicable Law, the Administrative Agent may postpone or cause the postponement of the sale of all or any portion of the Collateral at the time and place of such sale, and such sale may, without further notice, to the extent permitted by Law, be made at the time and place to which the sale was postponed, or the Administrative Agent may further postpone such sale by announcement made at such time and place.

(b) Remedies relating to Accounts. During the continuation of an Event of Default, whether or not the Administrative Agent has exercised any or all of its rights and remedies hereunder, (i) each Obligor will promptly upon request of the Administrative Agent instruct all account debtors to remit all payments in respect of Accounts to a mailing location selected by the Administrative Agent and (ii) the Administrative Agent shall have the right to enforce any Obligor's rights against its customers and account debtors, and the Administrative Agent or its designee may notify any Obligor's customers and account debtors that the Accounts of such Obligor have been assigned to the Administrative Agent or of the Administrative Agent's security interest therein, and may (either in its own name or in the name of an Obligor or both) demand, collect (including without limitation by way of a lockbox arrangement), receive, take receipt for, sell, sue for, compound, settle, compromise and give acquittance for any and all amounts due or to become due on any Account, and, in the Administrative Agent's discretion, file any claim or take any other action or proceeding to protect and realize upon the security interest of the holders of the Secured Obligations in the Accounts. Each Obligor acknowledges and agrees that the Proceeds of its Accounts remitted to or on behalf of the Administrative Agent in accordance with the provisions hereof shall be solely for the Administrative Agent's own convenience and that such Obligor shall not have any right, title or interest in such Accounts or in any such other amounts except as expressly provided herein. Neither the Administrative Agent nor the holders of the Secured Obligations shall have any liability or responsibility to any Obligor for acceptance of a check, draft or other order for payment of money bearing the legend "payment in full" or words of similar import or any other restrictive legend or endorsement or be responsible for determining the correctness of any remittance. Furthermore, during the continuation of an Event of Default, (i) the Administrative Agent shall have the right, but not the obligation, to make test verifications of the Accounts in any manner and through any medium that it reasonably considers advisable, and the Obligors shall furnish all such assistance and information as the Administrative Agent may require in connection with such test verifications, (ii) upon the Administrative Agent's request and at the expense of the Obligors, the Obligors shall cause independent public accountants or others satisfactory to the Administrative Agent to furnish to the Administrative Agent reports showing reconciliations, aging and test verifications of, and trial balances for, the Accounts and (iii) the Administrative Agent in its own name or in the name of others may communicate with account debtors on the Accounts to verify with them to the Administrative Agent's satisfaction the existence, amount and terms of any Accounts.
Deposit Accounts. Upon the occurrence of an Event of Default and during continuation thereof, the Administrative Agent may prevent withdrawals or other dispositions of funds in Deposit Accounts maintained with the Administrative Agent.

Access. In addition to the rights and remedies hereunder, upon the occurrence of an Event of Default and during the continuance thereof, the Administrative Agent shall have the right to enter and remain upon the various premises of the Obligors without cost or charge to the Administrative Agent, and use the same, together with materials, supplies, books and records of the Obligors for the purpose of collecting and liquidating the Collateral, or for preparing for sale and conducting the sale of the Collateral, whether by foreclosure, auction or otherwise. In addition, the Administrative Agent may remove Collateral, or any part thereof, from such premises and/or any records with respect thereto, in order to effectively collect or liquidate such Collateral.

Nonexclusive Nature of Remedies. Failure by the Administrative Agent or the holders of the Secured Obligations to exercise any right, remedy or option under this Agreement, any other Loan Document, any other document relating to the Secured Obligations, or as provided by Law, or any delay by the Administrative Agent or the holders of the Secured Obligations in exercising the same, shall not operate as a waiver of any such right, remedy or option. No waiver hereunder shall be effective unless it is in writing, signed by the party against whom such waiver is sought to be enforced and then only to the extent specifically stated, which in the case of the Administrative Agent or the holders of the Secured Obligations shall only be granted as provided herein. To the extent permitted by Law, neither the Administrative Agent, the holders of the Secured Obligations, nor any party acting as attorney for the Administrative Agent or the holders of the Secured Obligations, shall be liable hereunder for any acts or omissions or for any error of judgment or mistake of fact or law other than their gross negligence or willful misconduct hereunder. The rights and remedies of the Administrative Agent and the holders of the Secured Obligations under this Agreement shall be cumulative and not exclusive of any other right or remedy which the Administrative Agent or the holders of the Secured Obligations may have.

Retention of Collateral. In addition to the rights and remedies hereunder, the Administrative Agent may, in compliance with Sections 9-620 and 9-621 of the UCC or otherwise complying with the requirements of applicable Law of the relevant jurisdiction, accept or retain the Collateral in satisfaction of the Secured Obligations. Unless and until the Administrative Agent shall have provided such notices, however, the Administrative Agent shall not be deemed to have retained any Collateral in satisfaction of any Secured Obligations for any reason.

Deficiency. In the event that the proceeds of any sale, collection or realization are insufficient to pay all amounts to which the Administrative Agent or the holders of the Secured Obligations are legally entitled, the Obligors shall be jointly and severally liable for the deficiency, together with interest thereon at the Default Rate, together with the costs of collection and the fees, charges and disbursements of counsel. Any surplus remaining after the full payment and satisfaction of the Secured Obligations shall be returned to the Obligors or to whomsoever a court of competent jurisdiction shall determine to be entitled thereto.

Rights of the Administrative Agent.

In addition to other powers of attorney contained herein, each Obligor hereby designates and appoints the Administrative Agent, on behalf of the holders of the Secured Obligations, and each of its designees or agents, as attorney-in-fact of such Obligor, irrevocably and with power of substitution, with authority to take any or all of the following actions upon the occurrence and during the continuance of an Event of Default:

accords its own property, which shall be no less than the treatment employed by a reasonable and prudent agent in the industry, it being understood that the
Administrative Agent shall not have responsibility for taking any necessary steps to preserve rights against any parties with respect to any of the Collateral. In the
event of a public or private sale of Collateral pursuant to Section 7 hereof, the Administrative Agent shall have no responsibility for (i) ascertaining or taking

(ii) During the continuance of an Event of Default, after delivery of written notice thereof from the Administrative Agent to such Obligor, (A) all rights of an Obligor to exercise the voting and other consensual rights which it would otherwise be entitled to exercise pursuant to clause (i)(A) above shall cease and all such rights shall thereupon become vested in the Administrative Agent which shall then have the sole right to exercise such voting and other consensual rights, (B) all rights of an Obligor to receive the dividends, principal and interest payments which it would otherwise be authorized to receive and retain pursuant to clause (i)(B) above shall cease and all such rights shall thereupon be vested in the Administrative Agent which shall then have the sole right to receive and hold as Collateral such dividends, principal and interest payments, and (C) all dividends, principal and interest payments which are received by an Obligor contrary to the provisions of clause (ii)(B) above shall be received in trust for the benefit of the Administrative Agent, shall be segregated from other property or funds of such Obligor, and shall be forthwith paid over to the Administrative Agent as Collateral in the exact form received, to be held by the Administrative Agent as Collateral and as further collateral security for the Secured Obligations.

(i) If any Collateral shall be sold, transferred or otherwise disposed of by any Obligor in a transaction permitted by the Credit Agreement, then the Administrative Agent, at the request and sole expense of such Obligor, shall promptly execute and deliver to such Obligor all releases and other documents, and take such other action, reasonably necessary for the release of the Liens created hereby or by any other Collateral Document on such Collateral. (ii) The Administrative Agent may release any of the Pledged Equity from this Agreement or may substitute any of the Pledged Equity for other Pledged Equity without altering, varying or diminishing in any way the force, effect, lien, pledge or security interest of this Agreement as to any Pledged Equity not expressly released or substituted, and this Agreement shall continue as a first priority lien on all Pledged Equity not expressly released or substituted.

9. Application of Proceeds. Upon the acceleration of the Obligations pursuant to Section 8.02 of the Credit Agreement, any payments in respect of the Secured Obligations and any proceeds of the Collateral, when received by the Administrative Agent or any holder of the Secured Obligations in Money,

   (b) This Agreement shall continue to be effective or be automatically reinstated, as the case may be, if at any time payment, in whole or in part, of any of the Secured Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent or any holder of the Secured Obligations as a preference, fraudulent conveyance or otherwise under any Debtor Relief Law, all as though such payment had not been made; provided that in the event payment of all or any part of the Secured Obligations is rescinded or must be restored or returned, all reasonable costs and expenses (including without limitation any reasonable legal fees and disbursements) incurred by the Administrative Agent or any holder of the Secured Obligations in defending and enforcing such reinstatement shall be deemed to be included as a part of the Secured Obligations.

11. **Amendments; Waivers; Modifications, etc.** This Agreement and the provisions hereof may not be amended, waived, modified, changed, discharged or terminated except as set forth in Section 11.01 of the Credit Agreement; provided that any update or revision to Schedule 2(c) hereof delivered by any Obligor shall not constitute an amendment for purposes of this Section 11 or Section 11.01 of the Credit Agreement.

12. **Successors in Interest.** This Agreement shall be binding upon each Obligor, its successors and assigns and shall inure, together with the rights and remedies of the Administrative Agent and the holders of the Secured Obligations hereunder, to the benefit of the Administrative Agent and the holders of the Secured Obligations and their successors and permitted assigns.

13. **Notices.** All notices required or permitted to be given under this Agreement shall be in conformance with Section 11.02 of the Credit Agreement.

14. **Counterparts.** This Agreement may be executed in any number of counterparts, each of which where so executed and delivered shall be an original, but all of which shall constitute one and the same instrument. It shall not be necessary in making proof of this Agreement to produce or account for more than one such counterpart. Delivery of executed counterparts of this Agreement by facsimile or other electronic means shall be effective as an original.

15. **Headings.** The headings of the sections hereof are provided for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

16. **Governing Law; Submission to Jurisdiction; Venue; WAIVER OF JURY TRIAL.** The terms of Sections 11.14 and 11.15 of the Credit Agreement with respect to governing law, submission to jurisdiction, venue and waiver of jury trial are incorporated herein by reference, mutatis mutandis, and the parties hereto agree to such terms.
17. **Severability.** If any provision of this Agreement is determined to be illegal, invalid or unenforceable, such provision shall be fully severable and the remaining provisions shall remain in full force and effect and shall be construed without giving effect to the illegal, invalid or unenforceable provisions.

18. **Entirety.** This Agreement, the other Loan Documents and the other documents relating to the Secured Obligations represent the entire agreement of the parties hereto and thereto, and supersedes all prior agreements and understandings, oral or written, if any, including any commitment letters or correspondence relating to the Loan Documents, any other documents relating to the Secured Obligations, or the transactions contemplated herein and therein.

19. **Other Security.** To the extent that any of the Secured Obligations are now or hereafter secured by property other than the Collateral (including, without limitation, real property and securities owned by an Obligor), or by a guarantee, endorsement or property of any other Person, then the Administrative Agent shall have the right to proceed against such other property, guarantee or endorsement upon the occurrence of any Event of Default, and the Administrative Agent shall have the right, in its sole discretion, to determine which rights, security, liens, security interests or remedies the Administrative Agent shall at any time pursue, relinquish, subordinate, modify or take with respect thereto, without in any way modifying or affecting any of them or the Secured Obligations or any of the rights of the Administrative Agent or the holders of the Secured Obligations under this Agreement, under any other of the Loan Documents or under any other document relating to the Secured Obligations.

20. **Joinder.** At any time after the date of this Agreement, one or more additional Persons may become party hereto by executing and delivering to the Administrative Agent a Joinder Agreement. Immediately upon such execution and delivery of such Joinder Agreement (and without any further action), each such additional Person will become a party to this Agreement as an “Obligor” and have all of the rights and obligations of an Obligor hereunder and this Agreement and the schedules hereto shall be deemed amended by such Joinder Agreement.

Borrowers shall (i) employ in connection with their operations, commercially reasonable technology and compliance procedures to maintain compliance with any applicable Environmental Laws, the violation of which could have a Material Adverse Effect, (ii) obtain and maintain any and all material Permits required by applicable Environmental Laws in connection with their operations, excepting only such Permits which could not by their absence cause a Material Adverse Effect, and (iii) dispose of any and all Hazardous Substances in accordance with Environmental Laws. Borrowers shall obtain all certificates required by law to be obtained by them from all contractors employed by them in connection with the transport or disposal of any Hazardous Substances.

(b) Remedial Work. If any investigation, site monitoring, containment, clean-up, removal, restoration, or other remedial work of any kind or nature with respect to Borrowers' Properties is required to be performed by a Borrower under any applicable Law or Order or by any non-governmental Person because of, or in connection with, the current or future presence, suspected presence, release, or suspected release of a Hazardous Substance in or into the air, soil, groundwater, surface water, or soil vapor at, on, about, under, or within any Borrower's Property (or any portion thereof), Borrowers shall with reasonable promptness commence and pursue completion of such remedial work in compliance with applicable Laws.

(c) Indemnification of Lenders. Borrowers jointly and severally agree to indemnify, defend (with counsel reasonably satisfactory to Lenders), and hold harmless Lenders and Collateral Agent against any loss, liability, claim, or expense, including reasonable attorneys' fees, that Lenders or Collateral Agent may incur as a result of the violation or alleged violation of any Environmental Law by a Borrower or with respect to any other violation of Environmental Laws with respect to any of Borrowers' Properties, except for any such losses, liabilities, claims or expenses resulting from the gross negligence or willful misconduct of any such Lender or Collateral Agent as determined by a court of competent jurisdiction. This covenant shall survive the repayment of the Term Loans and Lenders' assignment of the Term Loans.

6.10 Maintenance of Tangible Property. Borrowers shall maintain their tangible Property (and any Property leased by Borrowers) in good and workable condition (normal wear and tear excepted) at all times, subject to normal discards and replacements due to functional and useful-life obsolescence and Permitted Dispositions, and shall make all commercially reasonable repairs, replacements, additions, and improvements to their tangible Property to ensure that the business carried on in connection with their Property may be conducted in all material respects in the ordinary course of business.

6.11 Maintenance of IP. Borrowers shall maintain in effect and defend against infringement all IP that is material to Borrowers' business.

6.12 Banking Relationships. Borrowers shall maintain their deposit accounts only with FDIC-insured depositary institutions with which Collateral Agent has entered into Control Agreements. If a depository bank or other Person provides lockbox services for the physical handling
of deposited items, Collateral Agent shall have the right to obtain control of the lockbox items as well as any account(s) to which the items are deposited.

6.13 Landlord Waivers. Prior to leasing any real property from any Person other than another Borrower, Borrowers shall first obtain from the intended landlord an agreement approved by Lenders pursuant to which the landlord waives or subordinates any right to any Encumbrance of the Collateral and otherwise provides Lenders with customary assurances as to access to the Collateral, the ongoing good standing of the lease, and related matters.

6.14 Insurance Requirements.

(a) Types of Coverage. Borrowers shall at all times maintain property insurance covering the Collateral provided by Borrowers for all risks of physical loss, liability insurance covering all of Borrowers' activities, fidelity insurance covering all of Borrowers' employees, officers, and directors, business interruption insurance covering Borrowers' continuity of operations, workers' compensation insurance, and such other types of coverage as Lenders may reasonably require, consistent with the types and amounts of coverage customary among well-capitalized participants in Borrowers' industry.

(b) Terms of Coverage. All insurance policies shall be issued by insurers of such financial standing, in such amounts, with such deductibles, and on other terms and conditions as Lenders may reasonably require, consistent with the types and amounts of coverage customary among well-capitalized participants in Borrowers' industry. All such policies of insurance shall name each Lender and/or Collateral Agent, as applicable, as insured mortgagee, lender/loss payee, additional insured, or similar insured status and shall provide for not less than thirty (30) days’ prior written notice to Lenders of intended cancellation or reduction in coverage. Borrowers shall furnish Lenders with certificates of insurance, copies of policies, or other evidence of compliance with the foregoing insurance provisions as Lenders may require. If Borrowers fail to maintain such insurance, Lenders and Collateral Agent shall have the right (but shall be under no obligation) to pay any of the premiums reasonably necessary to maintain or acquire such insurance and all such payments shall become part of the Obligations and be considered an advance at the highest rate of interest provided for in the Loan Documents. Borrowers expressly authorize their insurance carriers to pay proceeds of all insurance policies directly to Lenders and Collateral Agent, as applicable, and authorize Lenders and Collateral Agent, as applicable, as their attorney-in-fact to obtain, receive, indorse, deposit, and otherwise deal with claims under such policies and payments made pursuant thereto.

(c) Application of Proceeds. Absent the occurrence and continuation of an Event of Default, Lenders and Collateral Agent shall allow Borrowers the use of proceeds of insurance for claims of no more than $100,000 per occurrence, (i) toward the repair or resolution of the matter giving rise to the claim, or (ii) toward the payment of the Term Loans.

6.15 Right of Inspection. Borrowers shall permit any officer, employee, agent, or consultant of any Lender or Collateral Agent to visit and inspect any of their Property, to examine their books of record and accounts and corporate records, to take copies and extracts from such
books of record and accounts, and to discuss their affairs, finances, and accounts with their directors, managers, officers, accountants, and auditors, all at such reasonable times and upon reasonable advance written notice as often as they may reasonably desire (but, absent an Event of Default, no more frequently than two times each quarter). Without limiting Lenders' and Collateral Agent's right to obtain equitable relief as to any other appropriate right in this Agreement or in other Loan Documents, Borrowers agree that if Borrowers fail to allow such an inspection within five (5) Business Days in the absence of a Default or an Event of Default and within two (2) Business Days in the presence of a Default or Event of Default, the rights in this Section may be enforced by affirmative injunction and, to the extent the right to review records may be denied, the right may be enforced by a restraining order prohibiting the interference by Borrowers with any Lender's or Collateral Agent's exercise of their rights to review the records. All reasonable expenses of such inspections, including reasonable travel and lodging expenses, shall be paid by Borrowers (i) upon the occurrence and continuation of an Event of Default, in all cases, and (ii) otherwise, for one inspection by each of the respective Lenders per Fiscal Year.

6.16 Further Assurances. Borrowers shall promptly cure any manifest defects in the creation, issuance, or delivery of the Loan Documents. Upon request, Borrowers at their expense agree (i) to execute (or cause to be executed) and deliver to Lenders and/or Collateral Agent all such other and further documents, agreements, and instruments in compliance with the covenants and agreements applicable to them in the Loan Documents, (ii) to correct any manifest omissions in the Loan Documents, (iii) to state more fully the Obligations and agreements set out in any of the Loan Documents, (iv) to make any recordings, (v) to file any notices, or (vi) to obtain any consents, all as may be reasonably necessary or appropriate, in connection therewith; in each case, provided, however, no such actions shall increase Borrowers' Obligations or diminish Borrowers' rights under the Loan Documents.

6.17 Indemnity; Expenses.

(a) Indemnity Against Claims. Borrowers agree to indemnify, defend (with counsel satisfactory to the indemnified party), and hold Lenders, Collateral Agent, and their Affiliates, employees, consultants, agents, and attorneys (the "Indemnitees") harmless from and against any and all Claims that may be imposed on, incurred by, or asserted against the Indemnitee as a result of Lenders or Collateral Agent being parties to this Agreement or the transactions consummated pursuant to this Agreement or the Loan Documents; provided, however, that Borrowers shall have no obligation to an Indemnitee hereunder with respect to Claims to the extent resulting from the gross negligence or willful misconduct of that Indemnitee as finally determined by a court of competent jurisdiction.

(b) Payment of Expenses. Upon written demand by a Lender, Borrowers shall reimburse Lenders and Collateral Agent for the following expenses:

(i) all taxes that they may be required to pay because of the execution, delivery, filing, performance or enforcement of the Loan Documents or the Obligations, excepting taxes based upon the income of Lenders or franchise, excise, excess profits or similar tax on Lenders;
(ii) all reasonable costs of the preparation of this Agreement and any other related documents and the administration of the Obligations (except for Lenders' usual overhead incurred in the acceptance and processing of payments, the routine review of financial statements, review of certifications, and reports);

(iii) all reasonable costs of preserving, insuring, preparing for sale (whether by improvement, repair, or otherwise), or selling any Collateral securing the Obligations;

(iv) the reasonable cost of the assessment of any Event of Default, the taking of any action in the enforcement of rights under the Loan Documents (whether or not involving litigation), and all court costs and other reasonable costs of collecting any of the Obligations;

(v) all reasonable costs arising from any other litigation, investigation, or administrative proceeding (whether or not Lenders or Collateral Agent are parties thereto) that Lenders or Collateral Agent may incur as a result of the Obligations or as a result of their association with a Borrower, including, without limitation, expenses incurred in connection with a case or proceeding involving a Borrower under any Debtor Relief Laws; and

(vi) with respect to any of the foregoing matters, the reasonable fees and expenses of Lenders' and Collateral Agent's attorneys.

(c) **Interest.** If Lenders or Collateral Agent pay any of the foregoing expenses described above in this Section and such expenses are not reimbursed by Borrowers as required herein, such expenses shall become a part of the Obligations and after demand therefor shall bear interest at the highest applicable rate then accruing on the outstanding balance of any portion of the Term Loans.

(d) **Survival.** This Section shall remain in full effect regardless of the full payment of the Obligations, the purported termination of this Agreement, the delivery of the executed original of this Agreement to Borrowers, the assignment of a Lender's rights under this Agreement, or the content or accuracy of any representation made by Borrowers to Lenders or Collateral Agent; provided, however, Lenders may terminate this Section by executing and delivering to Borrowers a written instrument of termination specifically referring to this Section.

**6.18 Estoppel Letters.** Borrowers covenant to provide Lenders or Collateral Agent, within ten (10) Business Days after written request, an estoppel letter stating (i) the balance of the Obligations, (ii) whether to Borrowers' Knowledge they have any defenses to payment of the Obligations, and (iii) the nature of any such defenses to payment of the Obligations. Such balance as presented for confirmation and the nonexistence of defenses shall be presumed if Borrowers fail to respond to such a written request within the required period.
6.19 Board Rights.

(a) Governing Body Communications. Borrowers shall deliver to Lenders copies of all material notices and other material written information delivered to members of the Governing Body of a Borrower in their capacities as such. This obligation shall be deemed satisfied as to a Lender if a representative of such Lender is a member of the Governing Body of a Borrower and receives such information in that capacity.

(b) Observation Right. The Required Lenders shall be entitled to designate in writing from time to time a representative who may attend, in an observation capacity, all meetings of each Borrower’s Board of Directors, Managers, or other Governing Body and all committees thereof. Each Borrower shall (i) provide each such observer the same notice of any meeting to which a director or other member of the Board of Directors or other Governing Body would be entitled, (ii) give each such observer at least the same prior written notice of any action proposed to be taken upon written consent by such body as would be due to notice a meeting thereof (and shall convene a meeting to discuss any such action if an observer so requests in writing prior to the written action becoming effective), and (iii) pay for reasonable travel and other expenses of each such observer. Additionally, if at any time no Lender has also designated a member of the Governing Body of i3 Verticals pursuant to the Warrants, the Required Lenders may appoint a second observer pursuant to this Section (the initial designee to the Governing Body of i3 Verticals is John C. Harrison and the initial observer is R. Burton Harvey).

(c) Active Board. The Governing Body of i3 Verticals shall meet at least quarterly with an agenda covering all topics customary for meetings of corporate boards of directors of privately held corporations whose Equity Interests are owned by parties with differing interests.

6.20 Additional Subsidiaries and Collateral.

(a) Additional Subsidiaries. In the event that, subsequent to the Closing Date, any Person becomes a Subsidiary, whether pursuant to formation, acquisition or otherwise, (x) Borrowers shall promptly notify Collateral Agent and Lenders thereof and (y) within 30 days (or such longer time as the Required Lenders may permit) after such Person becomes a Subsidiary, Borrowers shall cause such Subsidiary (i) to become a Borrower and to grant liens in favor of the Collateral Agent in all of its personal property by executing and delivering to Collateral Agent a supplement or amendment to the Security Agreement in form and substance reasonably satisfactory to the Collateral Agent, and authorizing and delivering, at the request of Collateral Agent, such UCC financing statements or similar instruments required by Collateral Agent to perfect the liens in favor of Collateral Agent and granted under any of the Loan Documents, and (ii) to deliver all such other documentation (including, without limitation, certified organizational documents, resolutions, lien searches and legal opinions) and to take all such other actions as such Subsidiary would have been required to deliver and take pursuant to Section 4.1 if such Subsidiary had been a Borrower on the Closing Date; provided, however, that in the case of a Permitted Acquisition, the requirements set forth in this Section 6.20(a) shall be satisfied at the time of the closing of any such Permitted Acquisition (or such longer time as the Required Lenders may permit). In addition, within 30 days (or such longer time as the Required Lenders may permit) after the date any Person becomes
a Subsidiary, Borrowers shall (i) pledge all of the Equity Interests of such Subsidiary to Collateral Agent as security for the Obligations by executing and delivering applicable documents in form and substance satisfactory to Collateral Agent, and (ii) deliver any original certificates evidencing such pledged Equity Interests to Collateral Agent, together with appropriate powers executed in blank; provided, however, that in the case of any Permitted Acquisition, the requirements set forth in this sentence shall be satisfied at the time of the closing of any such Permitted Acquisition (or such longer time as the Required Lenders may permit).

(b) **Collateral.** Borrowers agree that, following the delivery of any collateral documents required to be executed and delivered by this Section, Collateral Agent shall have a valid and enforceable, perfected lien on the property required to be pledged pursuant to subsection (a) of this Section (to the extent that such lien can be perfected by execution, delivery and/or recording of the collateral documents or UCC financing statements, or possession of such collateral), free and clear of all Encumbrances other than Permitted Encumbrances. All actions to be taken pursuant to this Section shall be at the expense of Borrowers and shall be taken to the reasonable satisfaction of Collateral Agent.

### 6.21 Accrual of Dividends and Distributions

(2) At least two (2) Business Days prior to issuing any Permitted Tax Distribution, the applicable Borrower shall deliver to Lenders a written notice of intended distribution and information sufficient that Lenders may review the amount and basis of any proposed distribution before it is paid. In the absence of an objection that such distribution is not a Permitted Tax Distribution from Lenders by the proposed payment date, the distribution may be paid as proposed.

(3) No distribution will be a Permitted Tax Distribution at any time that a Default or an Event of Default exists or the payment of any such distribution would cause a Default or an Event of Default.

(4) If the financial results of a Borrower are retroactively revised such that the Permitted Tax Distributions made with respect to a previous Fiscal Year exceeded that which should have been paid if the accurate results had then been applied, Lenders may require that the excess distributions be withheld from subsequent Permitted Tax Distributions for such Borrower.

7.4 Sales and Leasebacks. Borrowers shall not enter into any arrangement with any Person by which a Borrower would sell or transfer any of its Property, whether now owned or hereafter acquired, and by which a Borrower shall then or thereafter rent or lease as lessee such Property or any part thereof or other Property that it intends to use for substantially the same purpose or purposes as the Property sold or transferred.

(c) **Representations and Warranties.** The making of any representation or warranty by a Borrower or any other party in any Loan Document that was or is incorrect in any material respect as of the date thereof.

(d) **Negative Covenants.** The failure of any Borrower to comply with any of the requirements of Article 8 hereof; provided, however, as to any such failure that did not arise from an intentional act by any Borrower or any Borrower's Affiliate and which is reasonably susceptible to being cured, the occurrence of such breach shall not constitute an Event of Default hereunder if such breach is fully cured within thirty (30) days (or ten (10) days, if such breach may be cured by the payment of a specific sum of money) after the earlier of any Borrower's Knowledge of the facts giving rise thereto or Collateral Agent's written notice thereof to Borrowers given in accordance with the provisions hereof.
(e) **Financial Covenants.** The failure of a Borrower to comply with any of the requirements of Article 8.

(f) **Reporting Requirements.** The failure of a Borrower or any other party to timely perform any covenant in the Loan Documents requiring the furnishing of notices, financial reports, or other information to Lenders.

(g) **Other Covenants.** The failure of a Borrower or any other party to observe or perform any covenant contained in any Loan Document, which covenant is not subject to any specific provision in this Article 9; provided, however, as to any such breach that is reasonably susceptible to being cured, the occurrence of such breach shall not constitute an Event of Default hereunder if such breach is fully cured within thirty (30) days (or ten (10) days, if such breach may be cured by the payment of a specific sum of money) after the earlier of a Borrower's Knowledge of the facts giving rise thereto or Lenders' written notice thereof to Borrowers given in accordance with the provisions of this Agreement.

(h) **Voluntary Insolvency Proceedings.** The commencement of an Insolvency Proceeding by or with the consent of a Borrower.

(i) **Involuntary Insolvency Proceedings.** The commencement of an Insolvency Proceeding against a Borrower or a Borrower's Property by any Person other than a Borrower or an Affiliate of Borrower, if not dismissed within sixty (60) days.

(j) **Discontinuance of Business.** A Borrower's dissolution or discontinuance of its usual business.

(k) **Senior Loan Default.** The occurrence of an "Event of Default" under a Senior Loan.

(l) **Default on Other Indebtedness.** A Borrower's failure to make any payment when due (after the expiration of any applicable notice and cure periods) on any Debt not otherwise specified in this Article 9, or the lawful acceleration of any such other Debt, but only as to Debt in excess of $50,000 in the aggregate.

(m) **Undischarged Judgments.** Existence of a judgment or judgments (i) for the payment of money in excess of $50,000 in the aggregate awarded by any Governmental Authority against a Borrower or against a Borrower's Property which is not paid, discharged, or bonded within thirty (30) days after entry or, if later, when stipulated for payment, or (ii) awarding equitable relief likely to have a Material Adverse Effect.

(n) **Insolvency.** Borrowers are no longer Solvent on a consolidated basis.

(o) **Attachment.** The issuance of an attachment or other process against any material portion of the Property of a Borrower, unless removed (by bond or otherwise) within twenty (20) days.
(o) **Insurance.** A Borrower's failure to maintain any insurance required in any Loan Document.

(p) **Contest.** A Borrower's challenge or contest of the validity or enforceability of any Loan Document or the validity, priority, or perfection of any Encumbrance arising under any Loan Document in any action, suit, or proceeding.

(r) **Change of Control.** The occurrence of a Change of Control.

(s) **Material Adverse Change.** The occurrence of a Material Adverse Change.

9.2 **Remedies.** Upon the occurrence and continuation of an Event of Default, Lenders and Collateral Agent, may exercise the following remedies:

(a) **Default Rate.** Unless affirmatively waived in writing by Lenders, Interest shall accrue on the Obligations at the Default Rate, whether or not Collateral Agent or any Lender issues a notice of such escalation.

(b) **Acceleration.** Collateral Agent may declare the entire principal amount of all Obligations then outstanding, including interest accrued thereon, to be immediately due and payable without presentment, demand, protest, notice of protest or dishonor, or other notice of default of any kind, all of which are hereby expressly waived.

(c) **Receivership.** Collateral Agent may apply for and have a receiver appointed by a state or federal court of competent jurisdiction to manage, operate, protect and/or preserve any of Borrowers' business or assets, to sell or dispose of any of the Borrowers' business or assets, and/or to collect all revenues and profits thereof, and apply the same as required in this Agreement. Borrowers hereby irrevocably consent to and waive any right to object to or otherwise contest the appointment of a receiver as provided above. Borrowers (i) grant such waiver and consent knowingly after having discussed the implications thereof with counsel, (ii) acknowledge that (A) the uncontested right to have a receiver appointed for the foregoing purposes is considered essential by Collateral Agent in connection with the enforcement of its rights and remedies hereunder and under the other Loan Documents and (B) the availability of such appointment as a remedy under the foregoing circumstances was a material factor in inducing Lenders to extend the Loans, and (iii) agree to enter into any and all stipulations in any legal actions, or agreements or other instruments in connection with the foregoing, and to cooperate fully with Lenders in connection with the assumption and exercise of control by any receiver.

(d) **Collateral.** Collateral Agent may exercise any remedy regarding its security interest or lien in Collateral securing the Obligations.

(e) **Other Remedies.** Lenders and Collateral Agent shall be free to exercise any other remedy that may be available to them under the Loan Documents or applicable Law. No right, power, or remedy conferred upon or reserved to Collateral Agent or Lenders by this Agreement or any of the other Loan Documents is intended to be exclusive of any other right, power, or remedy, but each and every such right, power, and remedy shall be cumulative and concurrent and shall be in addition to any
other right, power, and remedy given hereunder, under any of the other Loan Documents or now or hereafter existing at law, in equity, or by statute.

(f) **No Waivers.** No delay or omission by Collateral Agent or any Lender to exercise any right, power, or remedy accruing upon the occurrence of any Event of Default shall exhaust or impair any such right, power, or remedy or shall be construed to be a waiver of any such Event of Default or an acquiescence therein, and every right, power, and remedy given by this Agreement and the other Loan Documents to Collateral Agent and Lenders may be exercised from time to time and as often as may be deemed expedient by Collateral Agent and Lenders.

(g) **Application of Proceeds.** All proceeds from the exercise of remedies shall be applied first to expenses due to Collateral Agent and Lenders (pro rata among them based on the amounts of such expenses); second, to interest include in the Obligations (allocated Pro Rata); third, to principal of the Obligations (allocated Pro Rata); and fourth, to Borrowers or such other Person who is lawfully entitled thereto.

**ARTICLE 10.**
**COLLATERAL AGENT AND OTHER INTER-LENDER MATTERS**

10.1 **Appointment and Authority.** Each Lender hereby irrevocably appoints CCSD I to act on its behalf as Collateral Agent hereunder and under the other Loan Documents and authorizes Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of Collateral Agent and Lenders, and no Borrower shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

10.2 **Rights as a Lender.** The Person serving as Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not Collateral Agent, and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with any Borrower or any Affiliate thereof as if such Person were not Collateral Agent hereunder and without any duty to account therefor to Lenders, provided that the activity is not otherwise prohibited by the Loan Documents.

10.3 **Exculpatory Provisions.**
(a) **No Implied Duties.** Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, Collateral Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that Collateral Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose Collateral Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law; and

(iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to a Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as Collateral Agent or any of its Affiliates in any capacity.

(b) **Standard of Care.** Collateral Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of Lenders as shall be necessary, or as Collateral Agent shall believe in good faith shall be necessary) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. Collateral Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until notice describing such Default or Event of Default is given to Collateral Agent in writing by a Borrower or a Lender.

(c) **No Duty of Inquiry.** Collateral Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty, or representation made in or in connection with this Agreement or any other Loan Document; (ii) the contents of any certificate, report, or other document delivered hereunder or thereunder or in connection herewith or therewith; (iii) the performance or observance of any of the covenants, agreements, or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default; (iv) the validity, enforceability, effectiveness, or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document; or (v) the satisfaction of any condition set forth in any Loan Document, other than to, upon request, confirm receipt of items expressly required to be delivered to Collateral Agent.
10.4 **Reliance by Collateral Agent.** Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document, or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent, or otherwise authenticated by the proper Person. Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, Collateral Agent may presume that such condition is satisfactory to such Lender, unless Collateral Agent shall have received notice to the contrary from such Lender or prior to the making of such Loan. Collateral Agent may consult with legal counsel (who may be counsel for a Borrower), independent accountants, and other experts selected by it and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants, or experts.

10.5 **Delegation of Duties.** Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by Collateral Agent. Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective employees and agents. The exculpatory provisions of this Article shall apply to any such sub-agent and to the employees and agents of Collateral Agent and any such sub-agent. Collateral Agent shall not be responsible for the negligence or misconduct of any sub-agents, except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that Collateral Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

10.6 **Resignation of Collateral Agent.**

(a) **Resignation.** Collateral Agent may at any time give notice of its resignation to Lenders and Borrowers. Upon receipt of any such notice of resignation, the Required Lenders (determined for this purpose only without including Collateral Agent as a Lender) shall have the right to appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Collateral Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders as so determined), then the retiring Collateral Agent may (but shall not be obligated to), on behalf of Lenders, appoint a successor Collateral Agent that is a national bank with offices in Nashville, Tennessee. Such resignation shall become effective upon the appointment of, and acceptance of appointment by, a successor Collateral Agent.

(b) **Continued Indemnity.** After the retiring or removed Collateral Agent's resignation, the provisions of this Article and the indemnity provisions of this Agreement and other Loan Documents shall continue in effect for the benefit of such retiring or removed Collateral Agent, its sub-agents, and their respective employees and agents respecting any actions taken or omitted to be taken by any of them while the retiring or removed Collateral Agent was acting as Collateral Agent.
10.7 Replacement of Collateral Agent in Certain Circumstances. If (i) CCSD I or CCSD II assigns or sells a participation interest (except to the other) in any of the Term Loan held by it as of the Closing Date, and (ii) Harbert has not, as of the time of such assignment or sale, assigned or sold a participation interest in the Term Loan held by it as of the Closing Date, then Harbert may within thirty (30) days by notice to CCSD I and CCSD II and Borrowers remove CCSD I as Collateral Agent and substitute Harbert as Collateral Agent. As the former Collateral Agent, CCSD I would continue to have the residual rights of indemnity that it would have had if it had resigned.

10.8 Non-Reliance on Collateral Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon Collateral Agent or any other Lender or any of their Affiliates and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon Collateral Agent or any other Lender or any of their Affiliates and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

10.9 Collateral Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law, Collateral Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Collateral Agent shall have made any demand on Borrowers) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of Lenders and Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of Lenders and Collateral Agent and their respective agents and counsel and all other amounts due Lenders and Collateral Agent under the Loan Documents that are allowed in such judicial proceeding); and

(ii) to collect and receive any monies or other Property payable or deliverable on any such claims and to distribute the same; and

any custodian, receiver, assignee, trustee, liquidator, sequestrator, or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to Collateral Agent and, in the event that Collateral Agent shall consent to the making of such payments directly to Lenders, to pay to Collateral Agent any amount due for the reasonable compensation, expenses, disbursements, and advances of Collateral Agent and its agents and counsel, and any other amounts due Collateral Agent under the Loan Documents.

10.10 Exercise of Remedies. Collateral Agent shall proceed as set forth in this Section regarding the exercise of remedies upon an Event of Default.
(a) **Unanimous Approval Absent Change.** If, at the time of determination, Harbert and CCSD I/CCSD II are equal owners of the entire legal and beneficial interests in the Term Loans, Collateral Agent shall exercise no remedy under any Loan Document without the prior approval of the Required Lenders.

(b) **Collateral Agent Judgment if Change.** If, at the time of determination, Harbert and CCSD I/CCSD II are not equal owners of the entire legal and beneficial interests in the Term Loans, Collateral Agent shall exercise such remedies and refrain from the exercise of such remedies as it may deem appropriate, and may seek the approval of Lenders on such matters as Collateral Agent may determine.

(c) **Reasonable Advice to Lenders.** Collateral Agent shall in all cases keep Lenders reasonably apprised of Collateral Agent's actions in the enforcement of remedies and, to the extent circumstances reasonably permit, shall consult with Lenders regarding such enforcement.

10.11 **Administrative Collateral Matters.**

(a) **Authority to Release.** Lenders irrevocably authorize Collateral Agent, at its option and in its discretion:

(i) to release any Encumbrance on any Property granted to or held by Collateral Agent under any Loan Document (x) upon termination of all commitments and payment in full of all Obligations (other than contingent indemnification obligations), (y) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted under the Loan Documents, or (z) if approved, authorized, or ratified in writing by the Required Lenders;

(ii) to subordinate any Encumbrance on any Property granted to or held by Collateral Agent under any Loan Document to the holder of any Encumbrance on such Property that is permitted by this Agreement; and

(iii) to release a Borrower from its liability for the Obligations if such Person ceases to be an Affiliate of the remaining Borrower(s) as a result of a transaction permitted under the Loan Documents.

(b) **Confirmations.** Upon request by Collateral Agent at any time, the Required Lenders will confirm in writing Collateral Agent's authority to release or subordinate its interest in particular types or items of Property.

10.12 **No Duty to Monitor Collateral.** Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value, or collectability of the Collateral, the existence, priority, or perfection of Collateral Agent's Encumbrance thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall Collateral Agent be responsible or liable to Lenders for any failure to monitor or maintain any portion of the Collateral.
10.13 Sharing Among Lenders.

(a) **Settling Adjustments.** If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (i) notify Collateral Agent of such fact and (ii) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this paragraph shall not be construed to apply to (x) any payment made by Borrowers pursuant to and in accordance with the express terms of this Agreement, or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, other than to Borrowers (as to which the provisions of this paragraph shall apply).

(b) **Borrowers’ Agreement.** Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against Borrowers rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of Borrowers in the amount of such participation.

**ARTICLE 11. GENERAL PROVISIONS**

11.1 **Usury Savings Provision.** It is the intention of the parties that all consideration under or in connection with this Agreement, the other Loan Documents, and the Obligations, however denominated, and including (without limitation) all interest; commitment, transaction, or processing fees; late charges; loan charges; and other such charges shall be limited to the maximum lawful amount permitted under applicable state law or, if higher, applicable federal law (the "Maximum Lawful Amount"). Such consideration shall be characterized and all provisions of the Loan Documents shall be construed so as to uphold the validity of charges provided for therein and any rates shall be calculated based upon the scheduled maturity of the Obligations and not based upon any prepayment or early maturity by acceleration. If for any reason, any interest and/or other charges paid or contracted to be paid in respect of the Term Loans shall exceed the Maximum...
Lawful Amount, then, **ipso jacto**, the obligation to pay such interest and/or other charges shall be reduced to the Maximum Lawful Amount in effect from time to time, and any amounts collected by Lenders that exceed the Maximum Lawful Amount shall be applied to the reduction of the principal balance of the Term Loans and/or refunded to Borrowers so that at no time shall the interest or loan charges paid or payable in respect of the Term Loans exceed the Maximum Lawful Amount. This provision shall control every other provision herein and in any and all other agreements and instruments now existing or hereafter arising between Borrowers and Lender with respect to the Term Loan.

11.2 **Publicity.** Borrowers shall not issue any press release, notice, disclosure, or other such publicity regarding the Term Loans or their relationship with Lenders without the prior written consent of Lenders.

11.3 **No Reliance on Lender’s Analysis.** Borrowers acknowledge and represent that, in connection with the Obligations, they have not relied upon any financial projection, budget, assessment, or other analysis by Lenders or upon any representation by Lenders as to the risks, benefits, or prospects of their business activities or present or future capital needs incidental thereto, all such considerations having been examined fully and independently by Borrowers.

11.4 **No Marshaling of Assets.** Lenders may proceed against any collateral securing the Obligations or other obligations to Lenders and against parties liable therefor in such order as it may elect, and neither a Borrower nor any surety or guarantor for a Borrower nor any creditor of a Borrower shall be entitled to require Lenders to marshal assets. Borrowers hereby expressly waive the benefit of any rule of law or equity to the contrary.

11.5 **Business Days.** If any payment date under the Obligations falls on a day that is not a Business Day, or if the last day of any notice period falls on such a day, the payment shall be due and the notice period shall end on the next following Business Day.

11.6 **Limitations of Damages.** In no event shall Lenders ever be liable to Borrowers for (i) special, consequential, incidental, or other such damages arising from or related to the Term Loans or any of the Loan Documents, or (ii) punitive, exemplary, or other such damages arising from or related to the Term Loans or any of the Loan Documents.

11.7 **Notices.** All notices and communications relating to this Agreement shall be effective only when made in writing and actually delivered by mail, overnight courier, special courier, telex, or otherwise to the addresses set forth below (or to such other address as a party may direct by a notice that complies with this Section), provided that (i) facsimile transmissions shall be effective only when confirmation of is received from the intended recipient's facsimile machine and, (ii) due to uncertainties caused by email volumes, spam filters, and other technical and practical matters, email transmissions shall be effective as notice only when and if receipt thereof is actually confirmed by the intended recipient.

If to CCSD I (as Lender or as Collateral Agent):
11.8 Not Fiduciary; No Third Party Beneficiaries. Neither Lenders nor Collateral Agent is a fiduciary of a Borrower under any agreement or for any purpose. This Agreement has been executed for the sole benefit of the parties hereto, and no third party is authorized to rely upon Lenders' or Collateral Agent's rights or duties hereunder.

11.9 Incorporation of Schedules. All Schedules and Exhibits referred to in this Agreement are incorporated herein by this reference.

11.10 Indulgence Not Waiver. Any party's indulgence in a departure from the terms of this Agreement shall not prejudice the party's right to demand strict compliance with this Agreement, absent a written waiver or amendment that would be binding under the terms of this Agreement.

11.11 Assignment. This Agreement shall be binding upon and inure to the benefit of the respective successors and assigns of the parties, except that (i) Borrowers may not assign any rights or delegate any obligations arising hereunder without the prior written consent of Lenders, and (ii) Lenders may assign their rights only as permitted in this Section. Any attempted assignment or delegation by Borrowers without the required prior written consent shall be void. Lenders may freely assign the Term Loans or grant participation interests in the Term Loans, in each case in whole or in part; provided, however, (i) no such assignment or participation interest in a Term Loan shall be effective unless and until notice thereof is given to Lenders, Borrowers, and Collateral Agent; (ii) absent the consent of Lenders, Borrowers, and Collateral Agent, no assignment or participation interest may be transferred to a Person whose foreign status would impose any duty of withholding or other burden or restriction upon any of Lenders, Borrowers, or Collateral Agent; and (iii) absent the occurrence and continuation of an Event of Default, Lenders may not, without the written consent of Borrowers (which shall not be unreasonably withheld, delayed, or conditioned), assign a Term Loan or grant a participation interest therein to any Person except to (A) a Lender or an Affiliate of a Lender, or (B) an investment fund or other institutional investor that acquires a major part of a Lender's investment portfolio and which is not (either directly or through an Affiliate) engaged in Borrowers' Line of Business. To avoid doubt, upon and during the
continuation of an Event of Default, Lenders may freely assign the Term Loans or grant participation interests in the Term Loans without Borrowers’ consent.

11.12 Entire Agreement. This Agreement and the other written agreements executed by the parties represent the entire agreement of the parties concerning the subject matter hereof, and all oral discussions and prior agreements are merged herein; provided, however, if there is a conflict between this Agreement and any other document executed contemporaneously herewith with respect to the Obligations, the provisions of this Agreement shall control.

11.13 Construction. This Agreement has been actively negotiated by the parties with full benefit of counsel and shall not be construed against either party as author. This Agreement shall not be deemed as amended, modified, or waived or construed to vary from its express terms by any course of performance, course of dealing, or usage of trade.

11.14 Requirements of Writing. When this Agreement requires that information be delivered in writing, or when it requires the delivery of information but is silent on the form of a delivery, it means that the required information must be delivered either in written language on paper or delivered as an electronic record in a generally accepted means of storage (e.g., a .pdf file, email text in format accepted by Microsoft Outlook, or faxed image). Oral statements shall not in any event suffice as writings, even if recorded, and regardless of their content.

11.15 Amendments, Waivers, and Consents.

(a) Procedural Requirements. No provision of this Agreement or the other Loan Documents shall be amended, modified, or waived, and no related consent, approval, or additional agreement shall be binding, except as evidenced by a written document signed in hand by the party against whom such undertaking is to be enforced. Without limiting the foregoing, oral discussions (even if recorded), voice mail messages, and the text of ordinary electronic mail correspondence (that is, email correspondence that lacks a representation of a handwritten signature) shall not be binding, regardless of their content, its being the agreement of the parties that absent a handwritten signature all such communications should be conclusively regarded as nonbinding. A document signed in hand may be effectively evidenced by an electronic record that qualifies as a writing under this Agreement.

(b) Approval of Amendments and Waivers. This Agreement and the other Loan Documents may be amended, and provisions thereof waived, only upon the written agreement of Borrowers and Collateral Agent (except that the agreement of Borrowers shall not be required as to Article 10, except for Section 10.13(b)); provided, however, that no such agreement shall (i) increase the commitment of a Lender to extend any credit to any Borrower, without the written consent of such Lender, (ii) reduce the principal amount of any of the Term Loans or reduce the rate of interest thereon, or reduce fees payable thereunder, without the written consent of each Lender affected thereby, (iii) postpone the scheduled date of payment of the principal amount of any of the Term Loans, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, without the written consent of each Lender adversely affected.
thereby, (iv) change Section 2.11, any provision of Article 10, or this Section 11.15(b), without the written consent of all Lenders.

(c) Lender Consent in Other Capacities. To avoid doubt, no action taken by a Lender designee on the Governing Body of a Borrower shall constitute a waiver or amendment of any provision of the Loan Documents. To the extent that any such action requires a waiver, consent, or amendment under the Loan Documents, Borrowers shall be responsible to raise the issue and propose or request a formal written waiver, consent, or amendment.

11.16 Time of Essence. Time is of the essence of this Agreement, and all dates and time periods specified herein shall be strictly observed.

11.17 Gender and Number. Words used herein indicating gender or number shall be read as context may require.

11.18 Captions Not Controlling. Captions and headings have been included in this Agreement for the convenience of the parties, and shall not be construed as affecting the content of the respective Sections.

11.19 Counterparts. This Agreement may be executed in counterparts with all signatures or by counterpart signature pages, and it shall not be necessary that the signatures of all parties be contained on anyone document. Each counterpart shall be deemed an original, but all of them together shall constitute one and the same instrument.

11.20 Compliance with Anti-Terrorism Laws. Borrowers, each holder of equity of Borrower, and all Beneficial Owners and Affiliates of Borrowers and each such owner of equity are and shall at all times remain in compliance with (i) the requirements of Executive Order No. 13224, 66 Fed. Reg. 49079 (Sept. 25, 2001) and other similar requirements contained in the rules and regulations of the Office of Foreign Assets Control, Department of the Treasury, the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Pub. L. No. 107-65; and (ii) other Laws as may be enacted now or in the future relating to anti-terrorism measures.

11.21 Applicable Law. The laws of the State of Tennessee (without giving effect to its conflicts of law principles) and applicable federal law shall govern all matters arising from or related to this Agreement and all other Loan Documents, including the validity, interpretation, construction, performance, and enforcement thereof; provided, however, pursuant to TCA §47-14-119, the substantive laws of the State of Alabama shall govern this Agreement and the other Loan Documents regarding interest, loan charges, commitment fees, brokerage commissions, and other consideration charged by Harbert, except to the extent that federal law upholding such charges may otherwise apply. The parties acknowledge that Harbert's principal office is located in Alabama and that such contacts are sufficient to support the election of Alabama law to the extent stated above.

-59-
11.22  Consent to Jurisdiction; Exclusive Venue. Each party to this Agreement irrevocably consents to the jurisdiction of the United States District Court for the Middle District of Tennessee and of all Tennessee state courts sitting in Davidson County, Tennessee, for the purpose of any litigation to which any Lender may be a party and which arises from or is related to this Agreement or to any other Loan Document that does not expressly provide to the contrary. It is further agreed that venue for any such action shall lie exclusively with such courts, unless (i) Lenders and Collateral Agent agree to the contrary in writing, or (ii) Lenders or Collateral Agent initiate litigation in another court that has personal jurisdiction over the parties to that action or has in rem jurisdiction over Property relevant to the action. The parties waive any right to assert that the elected forum is not convenient and any right to raise any other objection to this election of exclusive venue.

11.23  Waiver of Jury Trial. Each party to this Agreement hereby knowingly, voluntarily, and with full benefit of counsel, irrevocably waives any right to obtain a trial by jury in any litigation arising from or related to this Agreement or to any other Loan Document that does not expressly provide to the contrary. It is further agreed that venue for any such action shall lie exclusively with such courts, unless (i) Lenders and Collateral Agent agree to the contrary in writing, or (ii) Lenders or Collateral Agent initiate litigation in another court that has personal jurisdiction over the parties to that action or has in rem jurisdiction over Property relevant to the action. The parties waive any right to assert that the elected forum is not convenient and any right to raise any other objection to this election of exclusive venue.

11.24  Amended and Restated Agreement. This Agreement is an amendment to and restatement of, and not an extinguishment of, the obligations of the Borrowers under the Existing Borrowers Loan Agreement. All guaranty agreements, liens, assignments, and security interests securing the Obligations and the Loan Documents are hereby ratified, confirmed, renewed, extended, and brought forward as security for the Obligations described in this Agreement, in addition to and cumulative of all other security.

11.25  Joinder of i3 Management and i3-RS. i3 Management and i3-RS each hereby joins in this Agreement and the other Loan Documents to which the other Existing Borrowers are a party, including joining in (i) the Term Loan Notes as a "Maker," and (ii) the Security Agreement as a "Debtor," and all such documents are hereby amended to include each of i3 Management and i3-RS as a party thereto. i3 Management and i3-RS each further (i) agrees to make all of the representations and warranties set forth in this Agreement and the other Loan Documents which it is joined as of the date hereof; (ii) grants to Collateral Agent, for the benefit of Lenders, pursuant to the terms and provisions of the Loan Agreement and the Security Agreement, a valid and enforceable security interest in and to all of its assets constituting Collateral (as defined in the Security Agreement), free and clear of all Encumbrances except as otherwise provided in the Loan Agreement; and (iii) agrees that it hereby assumes, and is a direct obligor primarily liable for, all of the Obligations, whether now or hereafter arising. Without limiting the foregoing, i3 Management and i3-RS each agrees that it shall be jointly and severally liable with Existing Borrowers and any other Borrower for all liabilities and obligations of each such Borrower to Collateral Agent and Lenders irrespective of when such liabilities or obligations first arose under this Agreement or the other Loan Documents. In furtherance of the foregoing, i3 Management and i3-RS each agrees to execute and/or deliver to Collateral Agent such additional loan documents, security instruments, UCC financing statements, and other documents, instruments, certificates, or agreements as
Collateral Agent may reasonably request to give effect to this joinder of i3 Management and i3-RS.

11.26 Affirmation; Collateral; Consent; Waivers regarding Warrants and Leases.

(a) **Affirmation of Loan Documents.** Borrowers acknowledge, warrant, and represent that (i) pursuant to the Loan Documents, their obligations to repay the Obligations are absolute and unconditional, and there exists no right of deduction, setoff, recoupment, counterclaim or defense of any nature whatsoever to payment of the Obligations, (ii) the Loan Documents are valid and enforceable against Borrowers in accordance with their terms (subject to principles of equity and laws applicable to the rights of creditors generally, including bankruptcy laws) and grant valid and perfected security interests and liens in the collateral described therein with the priority required by the Loan Documents, and (iii) no Default or Event of Default presently exists under the Loan Documents. Borrowers hereby release Lenders and Collateral Agent from any claim, defense, or right of setoff, known or unknown, that any Borrower may have against any of them as of the execution of this Agreement; provided, however, to avoid doubt, Lenders and Collateral Agent are not released from their future obligations under the Loan Documents.

(b) **Collateral.** Each Borrower acknowledges and agrees that it previously has granted, or contemporaneously herewith is granting, to Collateral Agent a continuing security interest in substantially all of its Property pursuant to the Security Agreement. Each Borrower hereby (i) affirms its grant of a security interest in the Collateral (as defined in the Security Agreement) to secure the Obligations, and (ii) acknowledges that Secured Party shall have all rights and remedies of a secured party provided by the UCC.

(c) **Approval of Increase to Senior Debt.** Lenders (i) consent to Borrowers’ incurring of Debt pursuant to the Senior Loan Agreement, (ii) agree that such Debt shall be treated as a Senior Loan under this Agreement, and (iii) agree that First Bank shall be treated as the Administrative Agent under the Loan Agreement.

(d) **Waiver of Certain Matters Regarding Issuance of Equity.** Lenders agree that i3 Verticals may issue 120,000 Class P non-voting units of i3 Verticals to Ian Halpern, Chris Toppino, and Henry Lau pursuant to the Asset Purchase Agreement dated as of December 31, 2014, between RentShare, Inc., certain “Owners” thereof, and i3-RS without making any adjustment to the Warrants pursuant to Section 8 thereof.

(e) **Certain Matters Regarding Leases.**

(i) Lenders hereby waive the requirements of Section 6.13 of this Agreement with respect to (i) the lease by i3-RS of office space located at 115 East 23rd St., Unit 325, New York, New York, (ii) the lease by CP-USDC of office space located at 2761 E. Skelly Drive, Suite 105, Tulsa, Oklahoma, and (iii) the lease by i3 Verticals of office space located at 40 Burton Hills Blvd., Suite 200, Nashville, Tennessee, so long as Borrowers vacate such space on or before April 1, 2015.
(ii) Lenders hereby agree that the time for delivering applicable landlord agreements pursuant to Section 6.13 of this Agreement is hereby extended to (i) on or before February 9, 2015, with respect to the lease by i3 Verticals of office space located at 2500 Cumberland Parkway, Atlanta, GA 30339, and (ii) on or before the date of occupancy with respect to the lease by i3 Verticals of office space located at 40 Burton Hills Blvd., Suite 415, Nashville, Tennessee.

("Harbert"), a Delaware limited partnership (together with CCSD I and CCSD II, collectively "Lenders"); and CCSD I, in its capacity as Collateral Agent for Lenders, as provided in the Loan Agreement described below ("Collateral Agent").

RECITALS:

A. Lenders, Collateral Agent, and the Existing Borrowers previously executed that First Amended and Restated Loan Agreement dated as of January 9, 2015 (as amended, the "Loan Agreement"); and

B. i3-EZ has recently been formed as a wholly-owned subsidiary of i3 and wishes to join the Loan Agreement and certain other Loan Documents (as defined in the Loan Agreement) as an additional Borrower or other appropriate party; and

C. Lenders are the holders of the Warrants (as defined in the Loan Agreement); and

D. The parties hereto wish to amend the Loan Agreement and other Loan Documents and to waive certain rights under the Warrants;

NOW, THEREFORE, in consideration of the mutual agreements set forth herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Definitions and Rules of Construction. As used in this Amendment, capitalized terms not otherwise defined herein shall have the meanings set forth in the Loan Agreement, and the rules of construction applicable to the Loan Agreement shall apply to this Amendment.

2. Joinder of i3-EZ. i3-EZ hereby joins in (i) the Loan Agreement as a "Borrower," (ii) the Term Loan Notes as a "Maker," (iii) that Security Agreement dated as of August 14, 2013, by and among Existing Borrowers and Collateral Agent (the "Security Agreement") as a "Debtor," and all such documents are hereby amended to include i3-EZ as a party thereto. i3-EZ further (i) agrees to make all of the representations and warranties set forth in the Loan Agreement and the other Loan Documents to which it is joined as of the date hereof; (ii) grants to Collateral Agent, for the benefit of Lenders, pursuant to the terms and provisions of the Loan Agreement and the Security Agreement, a valid and enforceable security interest in and to all of its assets constituting Collateral (as defined in the Security Agreement), free and clear of all Encumbrances except as otherwise provided in the Loan Agreement; and (iii) agrees that it hereby assumes, and is a direct obligor primarily liable for, all of the Obligations, whether now or hereafter arising. Without limiting the foregoing, i3-EZ agrees that it shall be jointly and severally liable with Existing Borrowers and any other Borrower for all liabilities and obligations of each such Borrower to Collateral Agent and Lenders irrespective of when such liabilities or obligations first arose under the Loan Agreement or the other Loan Documents. In furtherance of the foregoing, i3-EZ agrees to execute and/or deliver to Collateral Agent such additional loan documents, security instruments, UCC financing statements, and other documents, instruments, certificates or agreements as Collateral Agent may reasonably request to give effect to this joinder of i3-EZ.
3. **i3-EZ Acquisition.** Borrowers represent, warrant, and agree that (i) the acquisition of i3-EZ pursuant to that certain Asset Purchase Agreement (the "i3-EZ Acquisition Agreement") dated as of April 23, 2015 by and among i3-EZ, Information Design, Inc., David Geers and the Robert David Geers Revocable Trust dated May 19, 2006 qualifies as and constitutes a Permitted Acquisition, and all of the conditions set forth in the definition of Permitted Acquisition have been satisfied within the time periods specified therein (or within such shorter time periods as Lenders have permitted), (ii) all contingent consideration payable under the i3-EZ Acquisition Agreement, including under Section 2.6 thereof, constitutes Contingent Consideration under the Loan Agreement, and (iii) no Borrower is issuing a Seller Note in connection with such acquisition. The Lenders hereby agree that such acquisition shall be treated as a Permitted Acquisition under the Loan Agreement.

Borrowers represent and warrant that all indebtedness of Information Design, Inc. owed to Fifth Third Bank has been paid in full, and Information Design, Inc. has no further outstanding obligations owed Fifth Third Bank. Certain UCC-1 financing statements relating to the indebtedness formerly owed to Fifth Third Bank remain of record. Borrowers covenant and agree that all such UCC-1 financing statements relating to such indebtedness shall be terminated on or prior to April 30, 2015, and evidence of such terminations shall be provided to Collateral Agent. In the event that such UCC-1 financing statements are not terminated by April 30, 2015, an Event of Default shall exist under the Loan Agreement.

Lenders further acknowledge that i3-EZ intends to assume a processing agreement with Sage Payment Solutions, Inc. ("Sage") in connection with such acquisition and that such processing agreement includes the grant of a security interest in favor of Sage in i3-EZ's deposit accounts that does not constitute a Permitted Encumbrance. Notwithstanding any provision of the Loan Documents to the contrary, the Lenders hereby (i) consent to such security interest, (ii) waive any Defaults or Events of Default that exist or may arise on account of the granting or existence of such security interest, and (iii) waive any notices to Collateral Agent or Lenders that are required under the Loan Documents on account of the granting or existence of such security interest.

4. **Amendment of Loan Agreement Regarding Certain Definitions.** Section 1.1 of the Loan Agreement is hereby amended by deleting subparagraph (xi) of the definition of "Permitted Encumbrances" in its entirety and substituting the following replacement in lieu thereof:

(xi) Encumbrances granted to any settlement bank, sponsor bank and/or processor in (i) funds, instruments or deposit accounts held by such entities or any other direct or indirect subsidiary or affiliate of such entities and/or any other deposit accounts into which funds are deposited by any settlement bank, sponsor bank and/or processor pursuant to or in connection with any sponsorship or processing agreement to which any Borrower is a party (provided that (x) the applicable Borrower has not opened or maintained any deposit account with any such entity or its direct or indirect subsidiaries or affiliates other than solely in connection with a sponsorship or processing agreement, and (y) no funds other than those paid pursuant to or in connection with such sponsorship or processing agreement are deposited therein), or (ii) in all of any Borrower's rights relating to any such sponsorship or processing agreement with such entities and in all related future sales transactions, but only so long as (i) such Encumbrances are granted in the ordinary course of business under the terms of a sponsorship or processing agreement to which the applicable Borrower is a party, and (ii) such Encumbrances secure only (x) ordinary course liabilities arising under any such sponsorship or processing agreement and (y) any other obligations and liabilities of the applicable Borrower arising under any other agreement between such Borrower and such entities (provided that such Borrower has incurred no obligations or liabilities to any such entity other than those arising under a sponsorship or processing agreement with such entity) and (iii) any such Encumbrance does not extend to any Property of any applicable Borrower other than that described in this subparagraph (xi) and the amount secured by such Encumbrance shall not exceed the amount owed by the applicable Borrower under any such agreement.

5. **Waiver of Certain Matters Regarding Issuance of Equity.** Lenders agree that i3 may issue 45,000 Class P non-voting units of i3 to David Geers pursuant to the i3-EZ Acquisition Agreement without making any adjustment to the Warrants pursuant to Section 8 thereof.

-2-
6. **Updating of Schedules.** Borrowers hereby reaffirm the warranties and representations made in Article 5 of the Loan Agreement as true and correct given as of the date hereof, subject to (i) matters therein that were expressly disclosed as of a particular date other than the Closing Date, and (ii) the matters disclosed in the updated complete set of Schedules to the Loan Agreement attached hereto as Exhibit A.

7. **Borrowers’ Release.** Borrowers hereby release Lenders and Collateral Agent from any claim, defense, or right of setoff, known or unknown, that any Borrower may have against any of them as of the execution of this Amendment; provided, however, to avoid doubt, Lenders and Collateral Agent are not released from their future obligations under the Loan Documents.

8. **Borrowers’ Affirmations.** Borrowers acknowledge, warrant, and represent that (i) pursuant to the Loan Documents, their obligations to repay the Obligations are absolute and unconditional, and there exists no right of deduction, setoff, recoupment, counterclaim or defense of any nature whatsoever to payment of the Obligations, (ii) the Loan Documents are valid and enforceable against Borrowers in accordance with their terms (subject to principles of equity and laws applicable to the rights of creditors generally, including bankruptcy laws) and grant valid and perfected security interests and liens in the collateral described therein with the priority required by the Loan Documents, and (iii) no Default or Event of Default presently exists under the Loan Documents.

9. **Expenses.** Borrowers agree to pay any and all costs and expenses (including, without limitation, reasonable attorneys’ fees and recording fees) incurred by Lenders and arising out of or relating to the preparation and negotiation of this Amendment and the matters contemplated hereby.

10. **Construction of Agreement.** Except as expressly provided herein, the Loan Documents remain in full force and effect in accordance with their respective terms, and this Amendment shall not be construed to (i) impair the validity, perfection, or priority of any security interest granted therein, or (ii) waive or impair any rights, powers, or remedies of Lenders or Collateral Agent under the Loan Documents.

11. **Assignment.** This Amendment shall be binding upon and inure to the benefit of the respective heirs, successors and assigns of Borrowers and Lenders, except that Borrowers may not assign any rights or delegate any obligations arising hereunder without the prior written consent of Lenders. Any attempted assignment or delegation without the required prior consent shall be void.

12. **Entire Agreement.** This Amendment and the other written agreements among the parties represent the entire agreement of the parties concerning the subject matter hereof, and all oral discussions and prior inconsistent agreements are merged herein. In the event of an inconsistency between this Amendment and the provisions of the other Loan Documents, the provisions of this Amendment shall control.

13. **Applicable Law.** This Amendment shall be governed by the substantive laws (excluding conflicts principles) of the State of Tennessee.

14. **Jurisdiction; Venue; Waiver of Jury Trial; Etc.** All matters of jurisdiction, venue, waiver of jury trial, and other general matters shall be determined as provided in the Loan Agreement.

15. **Counterparts.** This Amendment may be executed in multiple counterparts, each of which shall constitute an original, and may be delivered electronically by facsimile or .pdf image.

RECITALS:

A. Lenders, Collateral Agent, and the Existing Borrowers previously executed that First Amended and Restated Loan Agreement dated as of January 9, 2015, as amended by that First Amendment to First Amended and Restated Loan Agreement and Omnibus Amendment to Loan Documents dated as of April 23, 2015, as further amended by that Second Amendment to First Amended and Restated Loan Agreement and Omnibus Amendment to Loan Documents dated as of June 25, 2015, as further amended by that Third Amendment to First Amended and Restated Loan Agreement and Omnibus Amendment to Loan Documents dated as of August 11, 2015, as further amended by that Fourth Amendment to First Amended and Restated Loan Agreement and Omnibus Amendment to Loan Documents dated as of November 11, 2016, as further amended by that Fifth Amendment to First Amended and Restated Loan Agreement and Omnibus Amendment to Loan Documents dated as of April 29, 2016, as further amended by that Sixth Amendment to First Amended and Restated Loan Agreement and Omnibus Amendment to Loan Documents dated as of May 12, 2016, and as further amended by that Seventh Amendment to First Amended and Restated Loan Agreement and Omnibus Amendment to Loan Documents dated as of June 30, 2016 (as amended, the "Loan Agreement"); and

B. i3-CSC has recently been formed as a wholly-owned subsidiary of i3 and wishes to join the Loan Agreement and certain other Loan Documents (as defined in the Loan Agreement) as an additional Borrower or other appropriate party; and

C. Lenders are the holders of the Warrants (as defined in the Loan Agreement); and

D. The parties hereto wish to amend the Loan Agreement and other Loan Documents and to waive certain rights under the Warrants;

NOW, THEREFORE, in consideration of the mutual agreements set forth herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Definitions and Rules of Construction. As used in this Amendment, capitalized terms not otherwise defined herein shall have the meanings set forth in the Loan Agreement, and the rules of construction applicable to the Loan Agreement shall apply to this Amendment.
2. **Joiner of i3-CSC.** i3-CSC hereby joins in (i) the Loan Agreement as a "Borrower," (ii) the Term Loan Notes as a "Maker," (iii) that Security Agreement dated as of August 21, 2013, by and among Existing Borrowers and Collateral Agent (the "Security Agreement") as a "Debtor," and all such documents are hereby amended to include i3-CSC as a party thereto. i3-CSC further (i) agrees to make all of the representations and warranties set forth in the Loan Agreement and the other Loan Documents to which it is joined as of the date hereof; (ii) grants to Collateral Agent, for the benefit of Lenders, pursuant to the terms and provisions of the Loan Agreement and the Security Agreement, a valid and enforceable security interest in and to all of its assets constituting Collateral (as defined in the Security Agreement), free and clear of all Encumbrances except as otherwise provided in the Loan Agreement; and (iii) agrees that it hereby assumes, and is a direct obligor primarily liable for, all of the Obligations, whether now or hereafter arising. Without limiting the foregoing, i3-CSC agrees that it shall be jointly and severally liable with Existing Borrowers and any other Borrower for all liabilities and obligations of each such Borrower to Collateral Agent and Lenders irrespective of when such liabilities or obligations first arose under the Loan Agreement or the other Loan Documents. In furtherance of the foregoing, i3-CSC agrees to execute and/or deliver to Collateral Agent such additional loan documents, security instruments, UCC financing statements, and other documents, instruments, certificates or agreements as Collateral Agent may reasonably request to give effect to this joinder of i3-CSC.

3. **i3-CSC Acquisition.** Borrowers represent, warrant, and agree that (i) the acquisition by i3-CSC of assets pursuant to that certain Asset Purchase Agreement (the "i3-CSC Acquisition Agreement") dated as of December 14, 2016, by and among i3-CSC, CSC Links LLC, and Chase J. Myers (and consented to by Angela Myers) qualifies as and constitutes a Permitted Acquisition, and all of the conditions set forth in the definition of Permitted Acquisition have been satisfied within the time periods specified therein (or within such shorter time periods as Lenders have permitted), (ii) all contingent consideration payable under the i3-CSC Acquisition Agreement, including under Article III thereof, constitutes Contingent Consideration under the Loan Agreement, and (iii) no Borrower is issuing a Seller Note in connection with such acquisition.

4. **Waiver of Certain Matters Regarding Issuance of Equity.** Lenders agree that i3 may issue up to 175,000 Class P non-voting units of i3 pursuant to the i3-CSC Acquisition Agreement without making any adjustment to the Warrants pursuant to Section 8 thereof.

5. **Updating of Schedules.** Borrowers hereby reaffirm the warranties and representations made in Article 5 of the Loan Agreement as true and correct given as of the date hereof, subject to (i) matters therein that were expressly disclosed as of a particular date other than the Closing Date, and (ii) the matters disclosed in the updated complete set of Schedules to the Loan Agreement attached hereto as Exhibit A.

6. **Consent to Subsidiary Consolidation.** Borrower has informed Lenders that CP-APS, CP-USDC and CP-TOPS desire to consolidate, rollup, and merge with or into i3 (the "Subsidiary Consolidation"), which if done without Collateral Agent's and Lenders' consent, would be a violation of Sections 7.8 and 7.11 of the Loan Agreement. At the request of and as an accommodation to Borrowers, Collateral Agent and Lenders hereby consent to the consummation of the Subsidiary Consolidation and agree that the consummation of the Subsidiary Consolidation shall not constitute a Default or Event of Default under the Loan Agreement, subject to satisfaction of the following conditions precedent: (i) the Subsidiary Consolidation shall occur on or before December 31, 2016, (ii) i3 assumes all liabilities of CP-APS, CP-USDC, and CP-TOPS as part of the Subsidiary Consolidation, and (iii) Collateral Agent and Lenders have reviewed and approved all documents relating to the Subsidiary Consolidation to their reasonable satisfaction.

7. **Borrowers' Release.** Borrowers hereby release Lenders and Collateral Agent from any claim, defense, or right of setoff, known or unknown, that any Borrower may have against any of them as of the execution of this Amendment; provided, however, to avoid doubt, Lenders and Collateral Agent are not released from their future obligations under the Loan Documents.

8. **Borrowers' Affirmations.** Borrowers acknowledge, warrant, and represent that (i) pursuant to the Loan Documents, their obligations to repay the Obligations are absolute and unconditional, and there exists no right of deduction, setoff, recoupment, counterclaim or defense of any nature whatsoever to payment of the Obligations, (ii) the Loan Documents are valid and enforceable against Borrowers in accordance with their terms (subject to principles of equity and laws applicable to the rights of creditors generally, including bankruptcy laws) and grant valid and perfected
security interests and liens in the collateral described therein with the priority required by the Loan Documents, and (iii) no Default or Event of Default presently exists under the Loan Documents.

9. Expenses. Borrowers agree to pay any and all costs and expenses (including, without limitation, reasonable attorneys' fees and recording fees) incurred by Collateral Agent and Lenders arising out of or relating to the preparation and negotiation of this Amendment and the matters contemplated hereby.

10. Construction of Agreement. Except as expressly provided herein, the Loan Documents remain in full force and effect in accordance with their respective terms, and this Amendment shall not be construed to (i) impair the validity, perfection, or priority of any security interest granted therein, or (ii) waive or impair any rights, powers, or remedies of Lenders or Collateral Agent under the Loan Documents.

11. Assignment. This Amendment shall be binding upon and inure to the benefit of the respective heirs, successors and assigns of Borrowers, Collateral Agent, and Lenders, except that Borrowers may not assign any rights or delegate any obligations arising hereunder without the prior written consent of Lenders. Any attempted assignment or delegation without the required prior consent shall be void.

12. Entire Agreement. This Amendment and the other written agreements among the parties represent the entire agreement of the parties concerning the subject matter hereof, and all oral discussions and prior inconsistent agreements are merged herein. In the event of an inconsistency between this Amendment and the provisions of the other Loan Documents, the provisions of this Amendment shall control.

D. The parties hereto wish to amend the Loan Agreement and other Loan Documents and to waive certain rights under the Warrants;

NOW, THEREFORE, in consideration of the mutual agreements set forth herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

-1-
1. Definitions and Rules of Construction. As used in this Amendment, capitalized terms not otherwise defined herein shall have the meanings set forth in the Loan Agreement, and the rules of construction applicable to the Loan Agreement shall apply to this Amendment.

2. Joinder of Fairway. Fairway hereby joins in (i) the Loan Agreement as a "Borrower;" (ii) the Term Loan Notes as a "Maker," (iii) that Security Agreement dated as of August 21, 2013, by and among Existing Borrowers and Collateral Agent (the "Security Agreement") as a "Debtor," and all such documents are hereby amended to include Fairway as a party thereto. Fairway further (i) agrees to make all of the representations and warranties set forth in the Loan Agreement and the other Loan Documents to which it is joined as of the date hereof; (ii) grants to Collateral Agent, for the benefit of Lenders, pursuant to the terms and provisions of the Loan Agreement and the Security Agreement, a valid and enforceable security interest in and to all of its assets constituting Collateral (as defined in the Security Agreement), free and clear of all Encumbrances except as otherwise provided in the Loan Agreement; and (iii) agrees that it hereby assumes, and is a direct obligor primarily liable for, all of the Obligations, whether now or hereafter arising. Without limiting the foregoing, Fairway agrees that it shall be jointly and severally liable with Existing Borrowers and any other Borrower for all liabilities and obligations of each such Borrower to Collateral Agent and Lenders irrespective of when such liabilities or obligations first arose under the Loan Agreement or the other Loan Documents. In furtherance of the foregoing, Fairway agrees to execute and/or deliver to Collateral Agent such additional loan documents, security instruments, UCC financing statements, and other documents, instruments, certificates or agreements as Collateral Agent may reasonably request to give effect to this joinder of Fairway.

3. Fairway Acquisition.

(a) Subject to the condition set forth below in this paragraph, the Collateral Agent and Lenders consent to the acquisition of all of the outstanding common stock of Fairway by i3 (the "Fairway Acquisition") pursuant to that certain Membership Interest Purchase and Contribution Agreement (the "Fairway Acquisition Agreement") dated as of the date hereof, by and among i3, FPI Holdings, Inc., and Craig Shapero. Borrowers represent, warrant, and agree that (i) the Fairway Acquisition qualifies as and constitutes a Permitted Acquisition (excluding the size of the purchase consideration thereof), and all of the conditions set forth in the definition of Permitted Acquisition (excluding the size of the purchase consideration thereof) have been or will be satisfied within the time periods specified therein (or within such shorter time periods as Lenders have permitted), (ii) there is no contingent consideration payable under the Fairway Acquisition Agreement, and (iii) no Borrower is issuing a Seller Note in connection with such acquisition.

(b) i3 represents and warrants that the Fairway Acquisition has closed in accordance with the terms of the Fairway Acquisition Agreement. The cash proceeds of such equity offering, in a minimum amount of $11,500,000.00, shall be applied to reduce outstanding principal amounts under the "Revolving Loans" under the Senior Loan Agreement. An additional $1,000,000.00 of cash proceeds of such equity offering shall be made available to Borrowers or before August 31, 2017. Failure of Borrowers to provide such evidence on or before August 31, 2017, shall constitute an Event of Default.

(c) Borrowers represent and warrant that all documentation relating to the equity offering described in the preceding paragraph has been provided to the Collateral Agent. 3.1 Joint and Several Liability. Borrowers are interdependent for their operational and financial needs, and they, Lenders, and Collateral Agent intend that each Borrower be jointly and severally liable for each monetary obligation, warranty, and covenant obligation arising under this Agreement. This Agreement is fair to all Borrowers, and the delivery of funds to a Borrower under this Agreement shall constitute valuable consideration and reasonably equivalent value to all Borrowers for the purpose of jointly and severally binding them and their assets to secure the Obligations. Lenders and Collateral Agent may enforce this Agreement against a Borrower without first making demand upon or instituting collection proceedings against any other Borrower.

3.2 Funding Requests and Administration. A Borrower may act on behalf of all Borrowers for the purpose of giving and receiving notices and otherwise acting in the administration of this Agreement. Any dealing of a Borrower with Lenders or Collateral Agent under this Agreement or any other Loan Document shall be deemed for the benefit of, and on behalf of, all Borrowers.

3.3 Unconditional Obligation. The unconditional liability of each Borrower for the entire amount of the Obligations shall not be impaired by any event whatsoever (other than the discharge of such Borrower by indefeasible payment in cash), including, without limitation, the merger, consolidation, dissolution, cessation of business, or liquidation of any other Borrower; the financial decline or bankruptcy of any other Borrower; the failure of any other party to guarantee the Obligations or to provide collateral therefor; Collateral Agent’s or any Lender’s compromise or settlement with or without release of any other Borrower, with or without reservation of rights; Collateral Agent’s or any Lender’s release of any collateral for the Obligations, with or without notice to a Borrower; Collateral Agent’s or any Lender’s forbearance in the exercise of any available remedies, including the failure to file suit against any other Borrower; Collateral Agent’s or any Lender’s failure to give a Borrower notice of default; the unenforceability of the Obligations against any other Borrower due to bankruptcy discharge, affirmative defense, counterclaim, or for any other reason; Collateral Agent’s or any Lender’s acceleration of the Obligations; the extension, modification, or renewal of the Obligations; Collateral Agent’s or any Lender’s failure to undertake or exercise diligence in collection efforts against any party or Property; the termination of any relationship of a Borrower with any other Borrower, including, without limitation, any relationship of commerce or ownership; a Borrower’s change of name or use of any name other than the name used to identify such Borrower in this Agreement; or a Borrower’s use of the credit extended by Lenders for any purpose whatsoever.
3.4 **Subrogation Rights.** Borrowers’ respective Subrogation Rights with respect to the Obligations are not impaired by this Agreement and are appropriately taken into account in determining that each Borrower is Solvent. Settlement responsibilities for the Obligations among Borrowers shall be allocated in the application of Subrogation Rights as to best uphold the validity of this Agreement and to give effect to Section 3.5; provided, however, each Borrower agrees not to make any claim against or seek any payment directly or indirectly from another Borrower with respect to any Subrogation Right until the Obligations have been indefeasibly paid in full.

3.5 **Savings Provision.** If, notwithstanding the contrary agreement and intention of the parties hereto, the liability of a Borrower hereunder for the entire amount of the Obligations shall be subject to avoidance, reduction, or limitation under any state or federal fraudulent conveyance law or other Law that may be determined to be applicable, the liability of such Borrower shall be limited to the maximum amount for which such Borrower may be liable without legal impairment.

3.6 **Independent Existence.** The joint and several liability of Borrowers for the Obligations does not impair their separate legal existence, and Borrowers warrant and represent that they do, and agree that they shall continue to, conduct their affairs so as to maintain their separate legal existence.

**ARTICLE 4.**

Except for Permitted Tax Distributions, Borrowers shall not, directly or indirectly, make or declare any distribution (in cash, securities, or any other form of Property) on, or other payment or distribution on account of, or set aside assets for a sinking or other similar fund for the purchase of, or redeem, purchase, retire, or otherwise acquire, any Equity Interests in a Borrower.

In the absence of an objection that such distribution is not a Permitted Tax Distribution from Lenders by the proposed payment date, the distribution may be paid as proposed.

3. No distribution will be a Permitted Tax Distribution at any time that a Default or an Event of Default exists or the payment of any such distribution would cause a Default or an Event of Default.

4. If the financial results of a Borrower are retroactively revised such that the Permitted Tax Distributions made with respect to a previous Fiscal Year exceeded that which
should have been paid if the accurate results had then been applied, Lenders may require that the excess distributions be withheld from subsequent Permitted Tax Distributions for such Borrower.

“Acquisition EBITDA” shall mean EBITDA, with respect to any Permitted Acquisition, calculated as follows: (i) for the Fiscal Quarter in which the Permitted Acquisition occurs, an agreed upon pro forma annual EBITDA between Borrowers and Lenders, (ii) for the first full Fiscal Quarter after any Permitted Acquisition is consummated, actual EBITDA of the acquired entity times 4, (iii) for the second full Fiscal Quarter after any Permitted Acquisition is consummated, actual EBITDA of the acquired entity times 2, (iii) for the third full Fiscal Quarter after any Permitted Acquisition is consummated, actual EBITDA of the acquired entity times 1.33, and (iv) for each quarter thereafter, actual trailing twelve month EBITDA of the acquired entity.

“Adjusted EBITDA” shall mean the sum of EBITDA plus Acquisition EBITDA, less any actual EBITDA of a Permitted Acquisition from the close of Acquisition through the end of the next four (4) Fiscal Quarters reflected in Borrowers’ financial statements, minus EBITDA of any business, property or asset sold, transferred or otherwise disposed of during such period, plus or minus any adjustments mutually agreed upon by Borrowers, Lenders, and the Senior Lender.

“Capital Expenditures” means, for any period, the aggregate cost of all capital assets acquired by any Borrower during such period (including gross leases to be capitalized under GAAP and leasehold improvements, but excluding costs of any capital assets acquired as a part of a Permitted Acquisition), as otherwise determined in accordance with GAAP.

“EBITDA” means, for any period of determination and without duplication, the sum of, for the Borrowers and their Subsidiaries on a consolidated basis, an amount equal to (a) consolidated net income for such period plus (b) the following to the extent deducted in calculating such consolidated net income of Borrowers for such period (computed without regard to any extraordinary items of gain or loss), plus to the extent included in the calculation of: (i) consolidated net income interest charges for such period, (ii) the sum of (A) interest expense, (B) income tax expense determined in accordance with GAAP, (C) depreciation and amortization determined in accordance with GAAP, (D) all other non cash charges determined in accordance with GAAP acceptable to the Lenders, (E) other one time provision for federal, state, local, foreign income, franchise, value added, sales or other taxes payable for such period, (iii) depreciation and amortization expense for such period, (iv) to the extent not capitalized, non- recurring transaction expenses incurred after the Eleventh Amendment Closing Date in connection with the consummation of Permitted Acquisitions.
whether or not consummated, in an aggregate amount not to exceed 5% of EBITDA (determined without giving effect to this add back) for such period, (v)
to the extent not capitalized, M&A advisor fees and broker’s fees, in each case, incurred in connection with Permitted Acquisitions, (vi) legal expenses incurred in connection with assessing claims related to Acquisitions that closed prior to the Eleventh Amendment Closing Date and amounts incurred in connection with the settlement of such claims; provided, that the aggregate amount added back pursuant to this clause (vi) during the term of this Agreement shall not exceed $1,000,000, (vii) the Expert Auto Repair Amount; provided that the Expert Auto Repair Amount shall only be added back in the one Fiscal Quarter in which the Expert Auto Repair Amount is recognized on the Borrower’s financial statements, (viii) to the extent not capitalized, non-recurring transaction fees and expenses paid during such period (including Contingent Consideration), but only to the extent approved by the Lenders in writing, and (F) other adjustments to EBITDA mutually agreed to by Lenders, the Senior Lender and Borrowers. EBITDA shall be calculated for any Fiscal Quarter, based on the trailing 12 month period incurred after the Eleventh Amendment Closing Date in connection with a Qualifying IPO, (ix) all financial advisory fees, accounting fees, legal fees and other similar advisory and consulting fees and related out of pocket expenses incurred as a result of the entering into and funding of the Senior Loans on the Eleventh Amendment Closing Date, (x) any expense to the extent that a corresponding amount is received during such period in cash by the Borrowers or their Subsidiaries under any agreement providing for indemnification or reimbursement of such expenses, (xii) any expense with respect to liability or casualty events or business interruption to the extent reimbursed or advanced to the Borrowers or their Subsidiaries during such period by third party insurance, (xii) pro forma “run rate” cost savings, operating expense reductions and synergies related to Permitted Acquisitions, Dispositions and other specified transactions, restructurings, cost savings initiatives and other initiatives that are reasonably identified and projected by the Borrowers to result from actions that have been taken or with respect to which substantial steps have been taken (in the good faith determination of the Borrowers) within 12 months after the relevant transaction; provided that the aggregate amount added back pursuant to this clause (xii) shall not exceed 5% of EBITDA (determined without giving effect to this add back).

Borrowers, Collateral Agent, and Lenders agree that, for the Fiscal Quarter, if any, in which the Expert Auto Repair Amount (as defined below) is recognized by Borrowers in their relevant financial statements, the Expert Auto Repair Amount shall be added back to all calculations of EBITDA. For purposes of this Section, the “Expert Auto Repair Amount” is defined as the amount, which shall not exceed $1,000,000.00, which is utilized by Borrowers in connection with the settlement of that certain class action lawsuit styled “Expert Auto Repair, Inc. et al. vs. Merchant Processing Solutions, LLC, et al.” The add back for calculating EBITDA described in this Section shall be applicable only for the quarter in which the Expert Auto Repair Amount is recognized in Borrowers’ financial statements.

“Fixed Charge Coverage Ratio” shall mean the ratio at any time of determination and for any period, (i) the sum of (A) Adjusted EBITDA for the twelve (12) month period then ended, minus (B) all unfinanced Capital Expenditures computed on a trailing twelve-month basis, minus (C) dividends or distributions accrued for income tax expenses for such period, minus (D) income tax expenses for such period (including Permitted Tax Distributions), divided by (ii) the sum of (A) actual cash interest payments paid in such period and (B) the current portion of all scheduled principal
payments on Funded Debt coming due in the twelve (12) fiscal months immediately following the end of such period. The amount of income tax expense, all dividends or distributions accrued for income tax expense, and cash interest payments will be computed on a trailing twelve-month basis.

“Funded Debt” means all Debt outstanding under the Senior Loan, together with any outstanding amounts under all Seller Notes.

“Total Funded Debt” means at any time of determination with duplication, all debt obligations of Borrowers including senior debt, subordinated debt, and Seller Notes, but excluding any debt obligations related to or included in Contingent Consideration.

“Total Leverage Ratio” means the ratio determined as of the end of any Fiscal Quarter of (i) all Total Funded Debt, to (ii) Adjusted EBITDA.

(c) **Receivership.** Collateral Agent may apply for and have a receiver appointed by a state or federal court of competent jurisdiction to manage, operate, protect and/or preserve any of Borrowers’ business or assets, to sell or dispose of any of the Borrowers’ business or assets, and/or to collect all revenues and profits thereof, and apply the same as required in this Agreement. Borrowers hereby irrevocably consent to and waive any right to object to or otherwise contest the appointment of a receiver as provided above. Borrowers (i) grant such waiver and consent knowingly after having discussed the implications thereof with counsel, (ii) acknowledge that (A) the uncontested right to have a receiver appointed for the foregoing purposes is considered essential by Collateral Agent in connection with the enforcement of its rights and remedies hereunder and under the other Loan Documents and (B) the availability of such appointment as a remedy under the foregoing circumstances was a material factor in inducing Lenders to extend the Loans, and (iii) agree to enter into any and all stipulations in any legal actions, or agreements or other instruments
in connection with the foregoing, and to cooperate fully with Lenders in connection with the assumption and exercise of control by any receiver.

(d) **Collateral.** Collateral Agent may exercise any remedy regarding its security interest or lien in Collateral securing the Obligations.

(e) **Other Remedies.** Lenders and Collateral Agent shall be free to exercise any other remedy that may be available to them under the Loan Documents or applicable Law. No right, power, or remedy conferred upon or reserved to Collateral Agent or Lenders by this Agreement or any of the other Loan Documents is intended to be exclusive of any other right, power, or remedy, but each and every such right, power, and remedy shall be cumulative and concurrent and shall be in addition to any other right, power, and remedy given hereunder, under any of the other Loan Documents or now or hereafter existing at law, in equity, or by statute.

(f) **No Waivers.** No delay or omission by Collateral Agent or any Lender to exercise any right, power, or remedy accruing upon the occurrence of any Event of Default shall exhaust or impair any such right, power, or remedy or shall be construed to be a waiver of any such Event of Default or an acquiescence therein, and every right, power, and remedy given by this Agreement and the other Loan Documents to Collateral Agent and Lenders may be exercised from time to time and as often as may be deemed expedient by Collateral Agent and Lenders.

(g) **Application of Proceeds.** All proceeds from the exercise of remedies shall be applied first to expenses due to Collateral Agent and Lenders (pro rata among them based on the amounts of such expenses); second, to interest include in the Obligations (allocated Pro Rata); third, to principal of the Obligations (allocated Pro Rata); and fourth, to Borrowers or such other Person who is lawfully entitled thereto.

**ARTICLE 10. COLLATERAL AGENT AND OTHER INTER-LENDER MATTERS**

10.1 **Appointment and Authority.** Each Lender hereby irrevocably appoints CCSD I to act on its behalf as Collateral Agent hereunder and under the other Loan Documents and authorizes Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of Collateral Agent and Lenders, and no Borrower shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

10.2 **Rights as a Lender.** The Person serving as Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not Collateral Agent, and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with any Borrower or any Affiliate thereof.
as if such Person were not Collateral Agent hereunder and without any duty to account therefor to Lenders, provided that the activity is not otherwise prohibited by the Loan Documents.

10.3 Exculpatory Provisions.

(a) No Implied Duties. Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, Collateral Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that Collateral Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose Collateral Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law; and

(iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to a Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as Collateral Agent or any of its Affiliates in any capacity.

(b) Standard of Care. Collateral Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of Lenders as shall be necessary, or as Collateral Agent shall believe in good faith shall be necessary) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. Collateral Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until notice describing such Default or Event of Default is given to Collateral Agent in writing by a Borrower or a Lender.

(c) No Duty of Inquiry. Collateral Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty, or representation made in or in connection with this Agreement or any other Loan Document; (ii) the contents of any certificate, report, or other document delivered hereunder or thereunder or in connection herewith or therewith; (iii) the performance or observance of any of the covenants, agreements, or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default; (iv) the validity, enforceability, effectiveness, or genuineness of this Agreement, any other Loan Document or any
other agreement, instrument or document; or (v) the satisfaction of any condition set forth in any Loan Document, other than as to, upon request, confirm receipt of items expressly required to be delivered to Collateral Agent.

10.4 Reliance by Collateral Agent. Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document, or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent, or otherwise authenticated by the proper Person. Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, Collateral Agent may presume that such condition is satisfactory to such Lender, unless Collateral Agent shall have received notice to the contrary from such Lender or prior to the making of such Loan. Collateral Agent may consult with legal counsel (who may be counsel for a Borrower), independent accountants, and other experts selected by it and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants, or experts.

10.5 Delegation of Duties. Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by Collateral Agent. Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective employees and agents. The exculpatory provisions of this Article shall apply to any such sub-agent and to the employees and agents of Collateral Agent and any such sub-agent. Collateral Agent shall not be responsible for the negligence or misconduct of any sub-agents, except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that Collateral Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

10.6 Resignation of Collateral Agent.

(a) Resignation. Collateral Agent may at any time give notice of its resignation to Lenders and Borrowers. Upon receipt of any such notice of resignation, the Required Lenders (determined for this purpose only without including Collateral Agent as a Lender) shall have the right to appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Collateral Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders as so determined), then the retiring Collateral Agent may (but shall not be obligated to), on behalf of Lenders, appoint a successor Collateral Agent that is a national bank with offices in Nashville, Tennessee. Such resignation shall become effective upon the appointment of, and acceptance of appointment by, a successor Collateral Agent.

(b) Continued Indemnity. After the retiring or removed Collateral Agent's resignation, the provisions of this Article and the indemnity provisions of this Agreement and other Loan Documents shall continue to effect for the benefit of such retiring or removed Collateral Agent, its sub-agents, and their respective employees and agents respecting any actions taken or omitted.
10.7 Replacement of Collateral Agent in Certain Circumstances. If (i) CCSD I or CCSD II assigns or sells a participation interest (except to the other) in any of the Term Loan held by it as of the Closing Date, and (ii) Harbert has not, as of the time of such assignment or sale, assigned or sold a participation interest in the Term Loan held by it as of the Closing Date, then Harbert may within thirty (30) days by notice to CCSD I and CCSD II and Borrowers remove CCSD I as Collateral Agent and substitute Harbert as Collateral Agent. As the former Collateral Agent, CCSD I would continue to have the residual rights of indemnity that it would have had if it had resigned.

10.8 Non-Reliance on Collateral Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon Collateral Agent or any other Lender or any of their Affiliates and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon Collateral Agent or any other Lender or any of their Affiliates and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

10.9 Collateral Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law, Collateral Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Collateral Agent shall have made any demand on Borrowers) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

   (i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of Lenders and Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of Lenders and Collateral Agent and their respective agents and counsel and all other amounts due Lenders and Collateral Agent under the Loan Documents that are allowed in such judicial proceeding); and

   (ii) to collect and receive any monies or other Property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator, or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to Collateral Agent and, in the event that Collateral Agent shall consent to the making of such payments directly to Lenders, to pay to Collateral Agent
Agent any amount due for the reasonable compensation, expenses, disbursements, and advances of Collateral Agent and its agents and counsel, and any other amounts due Collateral Agent under the Loan Documents.

10.10 Exercise of Remedies. Collateral Agent shall proceed as set forth in this Section regarding the exercise of remedies upon an Event of Default.

(a) Unanimous Approval Absent Change. If, at the time of determination, Harbert and CCSD I/CCSD II are equal owners of the entire legal and beneficial interests in the Term Loans, Collateral Agent shall exercise no remedy under any Loan Document without the prior approval of the Required Lenders.

(b) Collateral Agent Judgment if Change. If, at the time of determination, Harbert and CCSD I/CCSD II are not equal owners of the entire legal and beneficial interests in the Term Loans, Collateral Agent shall exercise such remedies and refrain from the exercise of such remedies as it may deem appropriate, and may seek the approval of Lenders on such matters as Collateral Agent may determine.

(c) Reasonable Advice to Lenders. Collateral Agent shall in all cases keep Lenders reasonably apprised of Collateral Agent’s actions in the enforcement of remedies and, to the extent circumstances reasonably permit, shall consult with Lenders regarding such enforcement.

10.11 Administrative Collateral Matters.

(a) Authority to Release. Lenders irrevocably authorize Collateral Agent, at its option and in its discretion:

(i) to release any Encumbrance on any Property granted to or held by Collateral Agent under any Loan Document (x) upon termination of all commitments and payment in full of all Obligations (other than contingent indemnification obligations), (y) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted under the Loan Documents, or (z) if approved, authorized, or ratified in writing by the Required Lenders;

(ii) to subordinate any Encumbrance on any Property granted to or held by Collateral Agent under any Loan Document to the holder of any Encumbrance on such Property that is permitted by this Agreement; and

(iii) to release a Borrower from its liability for the Obligations if such Person ceases to be an Affiliate of the remaining Borrower(s) as a result of a transaction permitted under the Loan Documents.

(b) Confirmations. Upon request by Collateral Agent at any time, the Required Lenders will confirm in writing Collateral Agent’s authority to release or subordinate its interest in particular types or items of Property.
10.12 **No Duty to Monitor Collateral.** Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value, or collectability of the Collateral, the existence, priority, or perfection of Collateral Agent’s Encumbrance thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall Collateral Agent be responsible or liable to Lenders for any failure to monitor or maintain any portion of the Collateral.

10.13 **Sharing Among Lenders.**

(a) **Settling Adjustments.** If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (i) notify Collateral Agent of such fact and (ii) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this paragraph shall not be construed to apply to (x) any payment made by Borrowers pursuant to and in accordance with the express terms of this Agreement, or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, other than to Borrowers (as to which the provisions of this paragraph shall apply).

(b) **Borrowers’ Agreement.** Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against Borrowers rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of Borrowers in the amount of such participation.

**ARTICLE 11. GENERAL PROVISIONS**

11.1 **Usury Savings Provision.** It is the intention of the parties that all consideration under or in connection with this Agreement, the other Loan Documents, and the Obligations, however denominated, and including (without limitation) all interest; commitment, transaction, or
processing fees; late charges; loan charges; and other such charges shall be limited to the maximum lawful amount permitted under applicable state law or, if higher, applicable federal law (the "Maximum Lawful Amount"). Such consideration shall be characterized and all provisions of the Loan Documents shall be construed so as to uphold the validity of charges provided for therein and any rates shall be calculated based upon the scheduled maturity of the Obligations and not based upon any prepayment or early maturity by acceleration. If for any reason, any interest and/or other charges paid or contracted to be paid in respect of the Term Loans shall exceed the Maximum Lawful Amount, then, ipso facto, the obligation to pay such interest and/or other charges shall be reduced to the Maximum Lawful Amount in effect from time to time, and any amounts collected by Lenders that exceed the Maximum Lawful Amount shall be applied to the reduction of the principal balance of the Term Loans and/or refunded to Borrowers so that at no time shall the interest or loan charges paid or payable in respect of the Term Loans exceed the Maximum Lawful Amount. This provision shall control every other provision herein and in any and all other agreements and instruments now existing or hereafter arising between Borrowers and Lender with respect to the Term Loan.

11.2 Publicity. Borrowers shall not issue any press release, notice, disclosure, or other such publicity regarding the Term Loans or their relationship with Lenders without the prior written consent of Lenders.

11.3 No Reliance on Lender’s Analysis. Borrowers acknowledge and represent that, in connection with the Obligations, they have not relied upon any financial projection, budget, assessment, or other analysis by Lenders or upon any representation by Lenders as to the risks, benefits, or prospects of their business activities or present or future capital needs incidental thereto, all such considerations having been examined fully and independently by Borrowers.

11.4 No Marshaling of Assets. Lenders may proceed against any collateral securing the Obligations or other obligations to Lenders and against parties liable therefor in such order as it may elect, and neither a Borrower nor any surety or guarantor for a Borrower nor any creditor of a Borrower shall be entitled to require Lenders to marshal assets. Borrowers hereby expressly waive the benefit of any rule of law or equity to the contrary.

11.5 Business Days. If any payment date under the Obligations falls on a day that is not a Business Day, or if the last day of any notice period falls on such a day, the payment shall be due and the notice period shall end on the next following Business Day.

11.6 Limitations of Damages. In no event shall Lenders ever be liable to Borrowers for (i) special, consequential, incidental, or other such damages arising from or related to the Term Loans or any of the Loan Documents, or (ii) punitive, exemplary, or other such damages arising from or related to the Term Loans or any of the Loan Documents.

11.7 Notices. All notices and communications relating to this Agreement shall be effective only when made in writing and actually delivered by mail, overnight courier, special courier, telex, or otherwise to the addresses set forth below (or to such other address as a party may direct by a notice that complies with this Section), provided that (i) facsimile transmissions shall be effective only when confirmation of is received from the intended recipient’s facsimile
machine and, (ii) due to uncertainties caused by email volumes, spam filters, and other technical and practical matters, email transmissions shall be effective as notice only when and if receipt thereof is actually confirmed by the intended recipient:

11.8 Not Fiduciary; No Third Party Beneficiaries. Neither Lenders nor Collateral Agent is a fiduciary of a Borrower under any agreement or for any purpose. This Agreement has been executed for the sole benefit of the parties hereto, and no third party is authorized to rely upon Lenders’ or Collateral Agent’ rights or duties hereunder.

11.9 Incorporation of Schedules. All Schedules and Exhibits referred to in this Agreement are incorporated herein by this reference.

11.10 Indulgence Not Waiver. Any party’s indulgence in a departure from the terms of this Agreement shall not prejudice the party’s right to demand strict compliance with this Agreement, absent a written waiver or amendment that would be binding under the terms of this Agreement.

11.11 Assignment. This Agreement shall be binding upon and inure to the benefit of the respective successors and assigns of the parties, except that (i) Borrowers may not assign any rights or delegate any obligations arising hereunder without the prior written consent of Lenders, and (ii) Lenders may assign their rights only as permitted in this Section. Any attempted assignment or delegation by Borrowers without the required prior written consent shall be void. Lenders may freely assign the Term Loans or grant participation interests in the Term Loans, in each case in whole or in part; provided, however, (i) no such assignment or participation interest in a Term Loan shall be effective unless and until notice thereof is given to Lenders, Borrowers, and Collateral Agent; (ii) absent the consent of Lenders, Borrowers, and Collateral Agent, no assignment or participation interest may be transferred to a Person whose foreign status would impose any duty of withholding or other burden or restriction upon any of Lenders, Borrowers, or Collateral Agent; and (iii) absent the occurrence and continuation of an Event of Default, Lenders may not, without the written consent of Borrowers (which shall not be unreasonably withheld, delayed, or conditioned), assign a Term Loan or grant a participation interest therein to any Person except to (A) a Lender or an Affiliate of a Lender, or (B) an investment fund or other institutional investor that acquires a major part of a Lender’s investment portfolio and which is not (either directly or through an Affiliate) engaged in Borrowers’ Line of Business. To avoid doubt, upon and during the

- 66 -
continuation of an Event of Default, Lenders may freely assign the Term Loans or grant participation interests in the Term Loans without Borrowers’ consent.

11.12 Entire Agreement. This Agreement and the other written agreements executed by the parties represent the entire agreement of the parties concerning the subject matter hereof, and all oral discussions and prior agreements are merged herein; provided, however, if there is a conflict between this Agreement and any other document executed contemporaneously herewith with respect to the Obligations, the provisions of this Agreement shall control.

11.13 Construction. This Agreement has been actively negotiated by the parties with full benefit of counsel and shall not be construed against either party as author. This Agreement shall not be deemed as amended, modified, or waived or construed to vary from its express terms by any course of performance, course of dealing, or usage of trade.

11.14 Requirements of Writing. When this Agreement requires that information be delivered in writing, or when it requires the delivery of information but is silent on the form of a delivery, it means that the required information must be delivered either in written language on paper or delivered as an electronic record in a generally accepted means of storage (e.g., a .pdf file, email text in format accepted by Microsoft Outlook, or faxed image). Oral statements shall not in any event suffice as writings, even if recorded, and regardless of their content.

11.15 Amendments, Waivers, and Consents.

(a) Procedural Requirements. No provision of this Agreement or the other Loan Documents shall be amended, modified, or waived, and no related consent, approval, or additional agreement shall be binding, except as evidenced by a written document signed in hand by the party against whom such undertaking is to be enforced. Without limiting the foregoing, oral discussions (even if recorded), voice mail messages, and the text of ordinary electronic mail correspondence (that is, email correspondence that lacks a representation of a handwritten signature) shall not be binding, regardless of their content, its being the agreement of the parties that absent a handwritten signature all such communications should be conclusively regarded as nonbinding. A document signed in hand may be effectively evidenced by an electronic record that qualifies as a writing under this Agreement.

(b) Approval of Amendments and Waivers. This Agreement and the other Loan Documents may be amended, and provisions thereof waived, only upon the written agreement of Borrowers and Collateral Agent (except that the agreement of Borrowers shall not be required as to Article 10, except for Section 10.13(b)); provided, however, that no such agreement shall (i) increase the commitment of a Lender to extend any credit to any Borrower, without the written consent of such Lender, (ii) reduce the principal amount of any of the Term Loans or reduce the rate of interest thereon, or reduce fees payable thereunder, without the written consent of each Lender affected thereby, (iii) postpone the scheduled date of payment of the principal amount of any of the Term Loans, or any interest thereon, or any fees payable thereunder, or reduce the amount of, waive or excuse any such payment, without the written consent of each Lender adversely affected.

- 67 -
thereby, (iv) change Section 2.11, any provision of Article 10 Article 10, or this Section 11.15(b), without the written consent of all Lenders.

(c) Lender Consent in Other Capacities. To avoid doubt, no action taken by a Lender designee on the Governing Body of a Borrower shall constitute a waiver or amendment of any provision of the Loan Documents. To the extent that any such action requires a waiver, consent, or amendment under the Loan Documents, Borrowers shall be responsible to raise the issue and propose or request a formal written waiver, consent, or amendment.

11.16 Time of Essence. Time is of the essence of this Agreement, and all dates and time periods specified herein shall be strictly observed.

11.17 Gender and Number. Words used herein indicating gender or number shall be read as context may require.

11.18 Captions Not Controlling. Captions and headings have been included in this Agreement for the convenience of the parties, and shall not be construed as affecting the content of the respective Sections.

11.19 Counterparts. This Agreement may be executed in counterparts with all signatures or by counterpart signature pages, and it shall not be necessary that the signatures of all parties be contained on any one document. Each counterpart shall be deemed an original, but all of them together shall constitute one and the same instrument.

11.20 Compliance with Anti-Terrorism Laws. Borrowers, each holder of equity of Borrower, and all Beneficial Owners and Affiliates of Borrowers and each such owner of equity are and shall at all times remain in compliance with (i) the requirements of Executive Order No. 13224, 66 Fed. Reg. 49079 (Sept. 25, 2001) and other similar requirements contained in the rules and regulations of the Office of Foreign Assets Control, Department of the Treasury, the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Pub. L. No. 107-65; and (ii) other Laws as may be enacted now or in the future relating to anti-terrorism measures.

11.21 Applicable Law. The laws of the State of Tennessee (without giving effect to its conflicts of law principles) and applicable federal law shall govern all matters arising from or related to this Agreement and all other Loan Documents, including the validity, interpretation, construction, performance, and enforcement thereof; provided, however, pursuant to TCA §47-14-119, the substantive laws of the State of Alabama shall govern this Agreement and the other Loan Documents regarding interest, loan charges, commitment fees, brokerage commissions, and other consideration charged by Harbert, except to the extent that federal law upholding such charges may otherwise apply. The parties acknowledge that Harbert’s principal office is located in Alabama and that such contacts are sufficient to support the election of Alabama law to the extent stated above.

11.22 Consent to Jurisdiction; Exclusive Venue. Each party to this Agreement irrevocably consents to the jurisdiction of the United States District Court for the Middle
11.23 Waiver of Jury Trial. Each party to this Agreement hereby knowingly, voluntarily, and with full benefit of counsel, irrevocably waives any right to obtain a trial by jury in any litigation arising from or related to this Agreement or to any other Loan Document and confirms that the effect of this waiver is that all issues of fact and law in any such litigation shall be determined by a judge acting without a jury. This waiver is a material inducement to the execution of this Agreement and is intended to apply whether such litigation is based upon contract, tort, statute, or any other authority.

11.24 Amended and Restated Agreement. This Agreement is an amendment to and restatement of, and not an extinguishment of, the obligations of the Borrowers under the Existing Borrowers Loan Agreement. All guaranty agreements, liens, assignments and security interests securing the Obligations and the Loan Documents are hereby ratified, confirmed, renewed, extended and brought forward as security for the Obligations described in this Agreement, in addition to and cumulative of all other security.

11.25 Joinder of i3 Management and i3-RS. i3 Management and i3-RS each hereby joins in this Agreement and the other Loan Documents to which the other Existing Borrowers are a party, including joining in (ii) the Term Loan Notes as a “Maker,” and (iii) the Security Agreement as a “Debtor,” and all such documents are hereby amended to include each of i3 Management and i3-RS as a party thereto. i3 Management and i3-RS each further (i) agrees to make all of the representations and warranties set forth in this Agreement and the other Loan Documents to which it is joined as of the date hereof; (ii) grants to Collateral Agent, for the benefit of Lenders, pursuant to the terms and provisions of the Loan Agreement and the Security Agreement, a valid and enforceable security interest in and to all of its assets constituting Collateral (as defined in the Security Agreement), free and clear of all Encumbrances except as otherwise provided in the Loan Agreement; and (iii) agrees that it hereby assumes, and is a direct obligor primarily liable for, all of the Obligations, whether now or hereafter arising. Without limiting the foregoing, i3 Management and i3-RS each agrees that it shall be jointly and severally liable with Existing Borrowers and any other Borrower for all liabilities and obligations of each such Borrower to Collateral Agent and Lenders irrespective of when such liabilities or obligations first arose under this Agreement or the other Loan Documents. In furtherance of the foregoing, i3 Management and i3-RS each agrees to execute and/or deliver to Collateral Agent such additional loan documents, security instruments, UCC financing statements, and other documents, instruments, certificates or agreements as Collateral Agent may reasonably request to give effect to this joinder of i3 Management and i3-RS.
11.26 Affirmation; Collateral; Consent; Waivers regarding Warrants and Leases.

(a) Affirmation of Loan Documents. Borrowers acknowledge, warrant, and represent that (i) pursuant to the Loan Documents, their obligations to repay the Obligations are absolute and unconditional, and there exists no right of deduction, setoff, recoupment, counterclaim or defense of any nature whatsoever to payment of the Obligations, (ii) the Loan Documents are valid and enforceable against Borrowers in accordance with their terms (subject to principles of equity and laws applicable to the rights of creditors generally, including bankruptcy laws) and grant valid and perfected security interests and liens in the collateral described therein with the priority required by the Loan Documents, and (iii) no Default or Event of Default presently exists under the Loan Documents. Borrowers hereby release Lenders and Collateral Agent from any claim, defense, or right of setoff, known or unknown, that any Borrower may have against any of them as of the execution of this Agreement; provided, however, to avoid doubt, Lenders and Collateral Agent are not released from their future obligations under the Loan Documents.

(b) Collateral. Each Borrower acknowledges and agrees that it previously has granted, or contemporaneously herewith is granting, to Collateral Agent a continuing security interest in substantially all of its Property pursuant to the Security Agreement. Each Borrower hereby (i) affirms its grant of a security interest in the Collateral (as defined in the Security Agreement) to secure the Obligations, and (ii) acknowledges that Secured Party shall have all rights and remedies of a secured party provided by the UCC.

(c) Approval of Increase to Senior Debt. Lenders (i) consent to Borrowers’ incurring of Debt pursuant to the Senior Loan Agreement, (ii) agree that such Debt shall be treated as a Senior Loan under this Agreement, and (iii) agree that First Bank of America, N.A. shall be treated as the Administrative Agent under the Senior Loan Agreement.

(d) Waiver of Certain Matters Regarding Issuance of Equity.

   (1) Lenders agree that i3 Verticals may issue 120,000 Class P non-voting units of i3 Verticals to Ian Halpern, Chris Toppino, and Henry Lau pursuant to that Asset Purchase Agreement dated as of December 31, 2014, between RentShare, Inc., certain “Owners” thereof, and i3-RS without making any adjustment to the Warrants pursuant to Section 8 thereof.

(e) Certain Matters Regarding Leases.

   (1) Lenders hereby waive the requirements of Section 6.13 of this Agreement with respect to (i) the lease by i3-RS of office space located at 115 East 23rd St., Unit 325, New York, New York, (ii) the lease by CP-USDC of office space located at 2761 E. Skelly Drive, Suite 105, Tulsa, Oklahoma, and (iii) the lease by i3 Verticals of office space located at 40 Burton Hills Blvd., Suite 200, Nashville, Tennessee, so long as Borrowers vacate such space on or before April 1, 2015.

   (2) Lenders hereby agree that the time for delivering applicable landlord agreements pursuant to Section 6.13 of this Agreement is hereby extended to (i) on or before February
9, 2015, with respect to the lease by i3 Verticals of office space located at 2500 Cumberland Parkway, Atlanta, GA 30339, and (ii) on or before the date of occupancy with respect to the lease by i3 Verticals of office space located at 40 Burton Hills Blvd., Suite 415, Nashville, Tennessee.

(3) Lenders hereby waive the requirements of Section 6.13 of the Loan Agreement with respect to the lease by i3-PBS of office space located at 2859 N. Susquehanna Trail, Shamokin Dam, PA 17876.

(4) Reference is made to that Office Lease Agreement dated January 19, 2011 (the “Fairways Lease”) between Fairway and Domar Properties, LLC for the premises located at 300 N. Lee Street, Suite 500, Alexandria, VA, 22314 (the “Lee Premises”), which Lease contains the grant of a security interest which is not a Permitted Encumbrance. Collateral Agent and Lenders hereby consent to such security interest and waive any Defaults or Events of Default that exist or may arise on account of the granting or existence of such security interest. Borrowers obtained a landlord waiver from the landlord of the Lee Premises, but such waiver is not in form acceptable to Collateral Agent and Lenders in all respects. Borrowers’ failure to obtain an acceptable landlord waiver shall not constitute a Default or Event of Default under the Credit Agreement; provided, however, that until Borrowers obtain a landlord waiver acceptable to Collateral Agent and Lenders in all respects, in their reasonable discretion, Borrowers covenant and agree that the value of all assets of Borrowers located on the Lee Premises shall not at any time exceed $50,000.00.

-1-
1. **Definitions and Rules of Construction.** As used in this Amendment, capitalized terms not otherwise defined herein shall have the meanings set forth in the Loan Agreement, and the rules of construction applicable to the Loan Agreement shall apply to this Amendment.

2. **Joinder of i3-SDCR and SDCR.** i3-SDCR and SDCR each hereby join in (i) the Loan Agreement as a "Borrower," (ii) the Term Loan Notes as a "Maker," (iii) that Security Agreement dated as of August 21, 2013, by and among Existing Borrowers and Collateral Agent (the "Security Agreement") as a "Debtor," and all such documents are hereby amended to include both i3-SDCR and SDCR as parties thereto. i3-SDCR and SDCR both further (i) agree to make all of the representations and warranties set forth in the Loan Agreement and the other Loan Documents to which they are joined as of the date hereof; (ii) grant to Collateral Agent, for the benefit of Lenders, pursuant to the terms and provisions of the Loan Agreement and the Security Agreement, a valid and enforceable security interest in and to all of their assets constituting Collateral (as defined in the Security Agreement), free and clear of all Encumbrances except as otherwise provided in the Loan Agreement; and (iii) agree that they hereby assume, and are direct obligors primarily liable for, all of the Obligations, whether now or hereafter arising. Without limiting the foregoing, i3-SDCR and SDCR agree that they shall be jointly and severally liable with Existing Borrowers, each other, and any other Borrower for all liabilities and obligations of each such Borrower to Collateral Agent and Lenders irrespective of when such liabilities or obligations first arose under the Loan Agreement or the other Loan Documents. In furtherance of the foregoing, i3-SDCR and SDCR each agree to execute and/or deliver to Collateral Agent such additional loan documents, security instruments, UCC financing statements, and other documents, instruments, certificates or agreements as Collateral Agent may reasonably request to give effect to this joinder of i3-SDCR and SDCR.

4. **Waiver of Certain Matters Regarding Issuance of Equity.** Lenders agree that i3 may issue up to 200,000 Common Units of i3 and 200,000 Class P Units of i3 pursuant to the SDCR Acquisition Agreement without making any adjustment to the Warrants pursuant to Section 8 thereof.

6. **Borrowers' Release.** Borrowers hereby release Lenders and Collateral Agent from any claim, defense, or right of setoff, known or unknown, that any Borrower may have against any of them as of the execution of this Amendment; provided, however, to avoid doubt, Lenders and Collateral Agent are not released from their future obligations under the Loan Documents.

7. **Borrowers' Affirmations.** Borrowers acknowledge, warrant, and represent that (i) pursuant to the Loan Documents, their obligations to repay the Obligations are absolute and unconditional, and there exists no right of deduction, setoff, recoupment, counterclaim or defense of any nature whatsoever to payment of the Obligations, (ii) the Loan Documents are valid and enforceable against Borrowers in accordance with their terms (subject to principles of equity and laws applicable to the rights of creditors generally, including bankruptcy laws) and grant valid and perfected security interests and liens in the collateral described therein with the priority required by the Loan Documents, and (iii) no Default or Event of Default presently exists under the Loan Documents.

Except as expressly provided herein, the Loan Documents remain in full force and effect in accordance with their respective terms, and this Amendment shall not be construed to (i) impair the validity, perfection, or priority of any security interest granted therein, or (ii) waive or impair any rights, powers, or remedies of Lenders or Collateral Agent under the Loan Documents.

10. Assignment. This Amendment shall be binding upon and inure to the benefit of the respective heirs, successors and assigns of Borrowers, Collateral Agent, and Lenders, except that Borrowers may not assign any rights or delegate any obligations arising hereunder without the prior written consent of Lenders. Any attempted assignment or delegation without the required prior consent shall be void.

11. Entire Agreement. This Amendment and the other written agreements among the parties represent the entire agreement of the parties concerning the subject matter hereof, and all oral discussions and prior inconsistent agreements are merged herein. In the event of an inconsistency between this Amendment and the provisions of the other Loan Documents, the provisions of this Amendment shall control.

12. Notices. Any communications concerning this Agreement or the Obligations shall be addressed as provided in the Loan Documents.

13. Applicable Law. This Amendment shall be governed by the substantive laws (excluding conflicts principles) of the State of Tennessee.

AMENDED & RESTATED EQUITY INCENTIVE PLAN

Effective November 29, 2016

1. Establishment and Purpose

i3 Verticals, LLC, a Delaware limited liability company (the “Company”), hereby establishes the i3 Verticals, LLC Equity Incentive Plan (the “Plan”). The purpose of the Plan is to promote the profitability and growth of the Company by providing equity-based incentives to encourage certain key management and other service providers to the Company to contribute to the Company’s growth and financial success. The Company has reserved a pool of Class P Units through the Plan to be awarded from time to time by the compensation committee of the Company’s board of directors. The Company also contemplates that, in certain circumstances, Class P Units may be issued directly by the Company to individuals who are not described as eligible to receive awards under this Plan.

2. Definitions

Any terms used herein shall have the meanings set forth below or, if not defined herein, as defined in the LLC Agreement, except where the context otherwise indicates:

(a) “Award” means an award of a Class P Unit in the Company.

(b) “Class P Unit” means a Class P Unit in the Company representing a profits interest in the Company as more fully described in Section 3.10 of the LLC Agreement.

(c) “Class P Unit Agreement” means a written document memorializing the Award granted to the Participant pursuant to the Plan.

(d) “Committee” means the “compensation committee” that is appointed by the Board to administer the Plan.

(e) “LLC Agreement” means the Third Amended and Restated Limited Liability Agreement of i3 Verticals, LLC, effective January 15, 2014, and as amended from time to time.

(f) “Management Pool” means the maximum number of Awards set forth in Section 4(a), which number shall not include grants of Class P Units to (1) the Company’s Chief Executive Officer, (2) members of the Company’s Board of Directors, or (3) owners of companies acquired by the Company, in connection with such acquisitions.

(g) “Participant” means an individual granted an Award under the Plan.
3. Administration

(a) Administration of the Plan. The Plan shall be administered by the Committee, which shall have all authorities specified in the Plan and a Class P Unit Agreement, including but not limited to the following authorities:

(i) Plan Participation. The Committee shall have absolute discretion to grant Awards under the Plan and prescribe the form of Class P Unit Agreements evidencing such Awards. The Committee in its discretion may grant Awards to employees, consultants and directors of the Company or an Affiliate of the Company. The Committee may also grant Awards to prospective employees, consultants or directors in connection with hiring, retention or otherwise, provided that vesting of Class P Units may not occur until the Award recipient has commenced providing services to the Company or an Affiliate. An individual who receives an Award under the Plan will be designated a Participant.

(ii) Terms of Awards. The Committee is authorized to: (A) determine the eligible persons to whom, and the time or times at which, Awards shall be granted; (B) determine the number of Class P Units to be covered by each Award; (C) impose such terms, limitations, restrictions and conditions upon any such Award as the Committee shall deem appropriate, including, but not limited to, those relating to the vesting of Awards, if any; and (D) modify or amend outstanding Awards.

(iii) Plan and Award Interpretation. The Committee shall have full power and authority, in its sole and absolute discretion, to administer, construe and interpret the Plan, Class P Unit Agreements and all other documents relevant to the Plan and Awards issued thereunder, to establish, amend, rescind and interpret such rules, regulations, agreements, guidelines and instruments for the administration of the Plan and for the conduct of its business as the Committee deems necessary or advisable, and to correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any Award in the manner and to the extent the Committee shall deem it desirable to carry it into effect.

(b) Non-Uniform Determinations. The Committee’s determinations under the Plan (including, without limitation, determinations of the persons to receive Awards, the form, amount and timing of such Awards, the terms and provisions of such Awards and the Class P Unit Agreements evidencing such Awards) need not be uniform and may be made by the Committee selectively among persons who receive, or are eligible to receive, Awards under the Plan, whether or not such persons are similarly situated.

(c) Limited Liability. To the maximum extent permitted by law, the Committee (or any Committee member) shall not be liable for any action taken or decision made in good faith relating to the Plan or any Award thereunder.

(d) Indemnification. To the maximum extent permitted by law and under the LLC Agreement, the Committee (and any member of the Board) shall be indemnified by the Company in respect of all their activities under the Plan.
(e) **Effect of Committee’s Decision.** All actions taken and decisions and determinations made by the Committee on all matters relating to the Plan pursuant to the powers vested in it hereunder shall be in the Committee’s sole and absolute discretion and shall be conclusive and binding on all parties concerned.

4. **Awards**

(a) **Reservation of Units.** The maximum aggregate number of Class P Units that may be issued pursuant to the Plan is 3,283,808 (the “Management Pool”). This number of Class P Units shall automatically increase at the time that the Company engages in a capital transaction that increases the number of outstanding Units. The Committee will calculate the increase as (i) a number of Class P Units that, when added to the then maximum aggregate number of Class P Units that may be issued pursuant to the Plan, is equal to 12.5% the total number of shares of Units outstanding (as further defined below), on an as converted and fully diluted basis, immediately following such capital transaction, or (ii) such lesser number as determined by the Committee. In no event shall such annual increase exceed 2,500,000 Units. For purposes of this Section, in order to determine the increased Management Pool size, the Company shall take the total number of Units that are issued and outstanding, plus all securities or debt convertible into Units, plus all warrants and any other securities, minus all existing Class P Units that have been granted and remain outstanding under the Management Pool, and divide such number by 0.875. The product shall then be multiplied by 12.5%. This final number shall then be approved by the Committee as the automatic increase to the Class P Units subject to the Plan. The Committee shall also take appropriate action to reflect this increase on the books and records of the Company under Section 3.2 of the LLC Agreement.

(b) **Adjustments for Recapitalization, Etc.** The number of Class P Units reserved in Section 4(a) for issuance under the Plan shall be adjusted by the Committee by way of increase or decrease, as the Committee deems appropriate, in the event of a recapitalization, split, consolidation or similar transaction involving the equity of the Company.

(c) **Determination of Units Awarded Under Plan.** An Award of Class P Units to a Participant will count against the number of Units reserved in Section 4(a) hereunder, except in the following circumstances: (i) Class P Units awarded to individuals who are founders of the Company or who provide their services as members of the Board; (ii) Class P Units awarded under the terms of a definitive acquisition agreement entered into by the Company or an Affiliate; or (iii) an issuance of Class P Units under the terms of the LLC Agreement that is not intended to reduce the number of Class P Units reserved hereunder. Certain Class P Units that are issued prior to the date of adoption of the Plan shall be counted against the number of Units reserved in Section 4(a), as indicated on Schedule A attached hereto.

(d) **Reissuance of Units.** Class P Units that are forfeited for any reason or repurchased by the Company under the terms of a Class P Unit Agreement will again be available for issuance under an Award.

(e) **Terms of LLC Agreement.** Awards are subject to a Participation Threshold, as defined in the LLC Agreement, which shall be stated in the Class P Unit Agreement, and to the further
terms and conditions provided in the Plan and the Class P Unit Agreement, By accepting an Award under the Plan, a Participant is deemed to have consented to the applicable terms of the LLC Agreement.

(f) **Tax Election.** Unless stated otherwise in Class P Unit Agreement, Participants shall be directed to make an effective protective election with the Internal Revenue Service under Section 83(b) of the Internal Revenue Code and the regulations promulgated thereunder within 30 days of the grant of an Award. A form of the 83(b) form of election may be provided by the Company.

5. **Termination, Amendment and Modification of the Plan.**

The Plan will continue indefinitely until terminated by the Committee or the Board. The Committee may terminate, amend or modify the Plan or any portion thereof at any time, provided that an amendment that diminishes the rights of a Participant will not be effective with respect to such Participant until executed in writing by the Participant.

6. **Miscellaneous**

(a) **Non-Guarantee of Employment or Service.** Nothing in the Plan or a Class P Unit Agreement shall confer any right on a Participant to continue in the service of the Company or any of its Affiliates or shall interfere in any way with the right of the Company or any such Affiliate to terminate such service at any time with or without cause or notice and whether or not such termination results in: (i) the failure of any Award to vest; (ii) the forfeiture of any unvested portion of any Award; or (iii) any other adverse effect on a Service Provider’s interests under the Plan.

(b) **Compliance with Securities Laws.** If at any time the Committee determines that the delivery of a Class P Unit under the Plan is or may be unlawful under the laws of any applicable jurisdiction, or federal, state or foreign securities laws, the right to receive Class P Units or a payment pursuant to an Award shall be suspended until the Committee determines that such delivery or payment is lawful. The Company shall have no obligation to effect any registration or qualification of the Class P Units under federal, state or foreign laws.

(c) **No Trust or Fund Created.** Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other person. To the extent that any Participant or other person acquires a right to receive payments from the Company pursuant to an Award, such right shall be no greater than the right set forth for a person holding Class P Units in the LLC Agreement.

(d) **Governing Law.** The validity, construction and effect of the Plan, a Class P Unit Agreement entered into pursuant to the Plan, and any rules, regulations, determinations or decisions made by the Committee relating to the Plan or such Class P Unit Agreement, and the rights any and all persons having or claiming to have any interest therein or thereunder, shall be determined exclusively in accordance with applicable federal laws and the laws of the State.
of Tennessee, without regard to any conflict of laws principles that would result in the application of the laws of any other jurisdiction.

(e) **Inconsistencies.** This Plan, the Class P Unit Agreements and the LLC Agreement are intended to be complementary and shall be interpreted in a manner that construes such instruments as consistent with each other. However, in the event of any inconsistencies between the Plan, a Class P Unit Agreement and the LLC Agreement, the LLC Agreement shall in all cases govern.

(f) **No Transfers.** No Participant shall transfer any Class P Unit, in whole or in part, or any of its rights under this Plan, except for transfers that are permitted in the LLC Agreement.

(g) **Further Assurances.** The Committee shall take such further actions as are reasonably deemed by it to be necessary or desirable in order to effectively carry out the intent and purpose of this Plan and the transactions and agreements contemplated hereby.

(h) **Non-Waiver; Separability of Provisions.** Each provision of this Plan shall be considered separable; and if, for any reason, any provision or provisions herein are determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those portions of this Plan which are valid.

(i) **Successors and Assigns.** Subject to the restrictions on transfer of Class P Units set forth herein, this Plan shall be binding upon and shall inure to the benefit of the Company and the Participants and their respective successors and permitted assigns.

(j) **Rights under the LLC Agreement.** Notwithstanding anything herein or in the LLC Agreement to the contrary, Participants shall not be entitled to any information rights (including financials) or access to books and records accorded to the Members of the Company, in each case, with respect to the Company, except to the extent required by law.

**IN WITNESS WHEREOF,** the undersigned has executed this instrument on this the 29th day of November, 2016.

Any determination of Cause for purposes of the Plan or any Award shall be made by the Company in its sole discretion. Any such determination shall be final and binding on a Participant.

(B) “Change in Control” means the occurrence of any of the following:

1. an acquisition (other than directly from the Corporation) of any voting securities of the Corporation (the “Voting Securities”) by any “Person” (as the term Person is used for purposes of Section 13(d) or 14(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) immediately after which such Person has “Beneficial Ownership” (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of thirty-five percent (35%) or more of the combined voting power of the then outstanding Voting Securities; provided, however, that in determining whether a Change in Control has occurred, Voting Securities which are acquired in a Non-Control Acquisition (as hereinafter defined) shall not constitute an acquisition which would cause a Change in Control. A “Non-Control Acquisition” shall mean an acquisition by (i) an employee benefit plan (or a trust forming a part thereof)
(2) during any period of twelve (12) consecutive months, a majority of the members of the Board or other equivalent governing body of the Corporation cease to be composed of individuals (i) who were members of the Board or equivalent governing body on the first day of such period, (ii) whose election or nomination to the Board or equivalent governing body was approved by individuals referred to in clause (i) above constituting at the time of such election or nomination at least a majority of the Board or equivalent governing body, or (iii) whose election or nomination to the Board or other equivalent governing body was approved by individuals referred to in clauses (i) and (ii) above constituting at the time of such election or nomination at least a majority of the Board or equivalent governing body; or consummation of: (A) a merger, consolidation or reorganization involving the Corporation, unless (1) the stockholders of the Corporation, immediately before such merger, consolidation or reorganization, own, directly or indirectly immediately following such merger, consolidation or reorganization, more than fifty percent (50%) of the combined voting power of the outstanding Voting Securities of the surviving entity or parent (the “Surviving Company”) in substantially the same proportion as their ownership of the Voting Securities immediately before such merger, consolidation or reorganization; and (2) the individuals who were members of the incumbent Board immediately prior to the execution of the definitive agreement providing for such merger, consolidation or reorganization constitute more than fifty percent (50%) of the members of the board of directors of the Surviving Company; and (B) no Person (other than the Corporation, any Subsidiary, any employee benefit plan (or any trust forming a part thereof) maintained by the Corporation, the Surviving Company or any Subsidiary, or any Person who, immediately prior to such merger, consolidation or reorganization, had beneficial ownership of thirty-five percent (35%) or more of the then outstanding Voting Securities unless, as a result of such merger, consolidation or reorganization, such Person acquired or would acquire additional voting securities of the Surviving Company representing additional voting power) has beneficial ownership of thirty-five percent (35%) or more of the combined voting power of the Surviving Company’s then outstanding Voting Securities; (B) a complete liquidation or dissolution of the Corporation; or (C) the sale of all or substantially all of the assets of the Corporation to any Person (other than a transfer to an affiliate).
Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because any Person (the “Subject Person”) acquired beneficial ownership of more than the permitted amount of the outstanding Voting Securities as a result of the acquisition of Voting Securities by the Corporation which, by reducing the number of Voting Securities outstanding, increased the proportional number of shares beneficially owned by the Subject Person; provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of Voting Securities by the Corporation, and after such share acquisition by the Corporation, the Subject Person becomes the beneficial owner of any additional Voting Securities beneficially owned by the Subject Person, then a Change in Control shall occur.

Notwithstanding the foregoing, no acquisition of Company securities by the Corporation shall constitute a “Change in Control” unless the Corporation itself undergoes a “Change in Control” in the same transaction or series of transactions.

(C) “Disability” means that Participant is permanently unable to perform the essential duties of Participant’s occupation.

(D) “Good Reason” means, unless otherwise provided in an applicable Award Agreement or other contractual agreement between the Participant and the Company, (1) a material reduction in Participant’s title, authority, reporting status or responsibilities, which is not cured within ten (10) days after written notice thereof to the Company or its affiliates (or their successor), (2) any reduction in Participant’s annual base salary or bonus opportunity as in effect immediately prior to a Change in Control; or (3) the relocation of the office at which Participant is to perform the majority of Participant’s duties following a Change in Control to a location more than fifty (50) miles from the office at which Participant worked immediately prior to the Change in Control.

4. On and after the Effective Date, the vesting conditions or related terms of any Award of Class P Units, pursuant to a Class P Unit Agreement or otherwise, that previously attached to Class P Units immediately prior to any amendment to the Company’s limited liability company agreement or any Change in Control, including without limitation any merger between the Company, Holdings, or any affiliate of the Company or Holdings, and taking into account the modifications pursuant to this Second Amendment, shall continue in effect with respect to any equity or other consideration issued to such Participant as a result of such amendment to the Company’s limited liability company agreement or such merger.

5. This Second Amendment shall be effective on and following the date that the Corporation’s registration statement on Form S-1 (the “Registration Statement”) is declared effective (the “Effective Date”) by the Securities and Exchange Commission (the “SEC”). If the Registration Statement is not declared effective by the SEC, this Second Amendment shall be void ab initio.

6. All other terms and conditions of the Plan or any outstanding Class P Unit Agreement shall be unchanged and remain in full force and effect, except to the extent modified by the foregoing.

2018 EQUITY INCENTIVE PLAN
Section 1. Purpose.

This plan shall be known as the i3 Verticals, Inc. 2018 Equity Incentive Plan (the “Plan”). The purpose of the Plan is to promote the interests of i3 Verticals, Inc., a Delaware corporation (the “Company”), its Subsidiaries and its stockholders by (i) attracting and retaining key officers, employees, and directors of, and consultants to, the Company and its Subsidiaries and Affiliates; (ii) motivating such individuals by means of performance-related incentives to achieve long-range performance goals; (iii) enabling such individuals to participate in the long-term growth and financial success of the Company; (iv) encouraging ownership of stock in the Company by such individuals; and (v) linking their compensation to the long-term interests of the Company and its stockholders.

Section 2. Definitions.

As used in the Plan, the following terms shall have the meanings set forth below:

(a) “Affiliate” means (i) any entity that, directly or indirectly, is controlled by the Company, (ii) any entity in which the Company has a significant equity interest, (iii) an affiliate of the Company, as defined in Rule 12b-2 promulgated under Section 12 of the Exchange Act, and (iv) any entity in which the Company has at least fifty percent (50%) of the combined voting power of the entity’s outstanding voting securities, in each case as designated by the Board as being a participating employer in the Plan.

(b) “Award” means any Option, Stock Appreciation Right, Restricted Share Award, Restricted Stock Unit, Performance Award, Other Stock-Based Award or other award granted under the Plan, whether singly, in combination or in tandem, to a Participant by the Committee (or the Board) pursuant to such terms, conditions, restrictions and/or limitations, if any, as the Committee (or the Board) may establish or which are required by applicable legal requirements.

(c) “Award Agreement” means any written agreement, contract or other instrument or document evidencing any Award.

(d) “Board” means the Board of Directors of the Company.

(e) “Cause” means, unless otherwise defined in an applicable Award Agreement, (i) the engaging by the Participant in willful misconduct that is injurious to the Company or its Subsidiaries or Affiliates, or (ii) the embezzlement or misappropriation of funds or property of the Company or its Subsidiaries or Affiliates by the Participant. For purposes of this paragraph, no act, or failure to act, on the Participant’s part shall be considered “willful” unless done, or omitted to be done, by the Participant not in good faith and without reasonable belief that the Participant’s action or omission was in the best interest of the Company. Any determination of Cause for purposes of the Plan or any Award shall be made by the Committee in its sole discretion. Any such determination shall be final and binding on a Participant.
“Change in Control” means any of the following events:

(i) an acquisition (other than directly from the Company) of any voting securities of the Company (the “Voting Securities”) by any “Person” (as the term Person is used for purposes of Section 13(d) or 14(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) immediately after which such Person has “Beneficial Ownership” (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of thirty-five percent (35%) or more of the combined voting power of the then outstanding Voting Securities; provided, however, that in determining whether a Change in Control has occurred, Voting Securities which are acquired in a “Non-Control Acquisition” (as hereinafter defined) shall not constitute an acquisition which would cause a Change in Control. A “Non-Control Acquisition” means an acquisition by (i) an employee benefit plan (or a trust forming a part thereof) maintained by (A) the Company or (B) any Subsidiary, or (ii) the Company or any Subsidiary;

(ii) during any period of twelve (12) consecutive months, a majority of the members of the Board or other equivalent governing body of the Company cease to be composed of individuals (A) who were members of the Board or equivalent governing body on the first day of such period, (B) whose election or nomination to the Board or equivalent governing body was approved by individuals referred to in clause (A) above constituting at the time of such election or nomination at least a majority of the Board or equivalent governing body, or (C) whose election or nomination to the Board or other equivalent governing body was approved by individuals referred to in clauses (A) and (B) above constituting at the time of such election or nomination at least a majority of the Board or equivalent governing body; or

(iii) consummation of:

(A) A merger, consolidation or reorganization involving the Company, unless,

(1) The stockholders of the Company, immediately before such merger, consolidation or reorganization, own, directly or indirectly immediately following such merger, consolidation or reorganization, more than fifty percent (50%) of the combined voting power of the outstanding Voting Securities of the surviving entity or parent (the “Surviving Corporation”) in substantially the same proportion as their ownership of the Voting Securities immediately before such merger, consolidation or reorganization; and

(2) The individuals who were members of the incumbent Board immediately prior to the execution of the definitive agreement providing for such merger, consolidation or reorganization constitute more than fifty percent (50%) of the members of the board of directors of the Surviving Corporation; and
(3) No Person (other than the Company, any Subsidiary, any employee benefit plan (or any trust forming a part thereof) maintained by the Company, the Surviving Corporation or any Subsidiary, or any Person who, immediately prior to such merger, consolidation or reorganization, had Beneficial Ownership of thirty-five percent (35%) or more of the then outstanding Voting Securities unless, as a result of such merger, consolidation or reorganization, such Person acquired or would acquire additional voting securities of the Surviving Corporation representing additional voting power) has Beneficial Ownership of thirty-five percent (35%) or more of the combined voting power of the Surviving Corporation’s then outstanding Voting Securities.

(B) A complete liquidation or dissolution of the Company; or

(C) The sale of all or substantially all of the assets of the Company to any Person (other than a transfer to a Subsidiary).

Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because any Person (the “Subject Person”) acquired Beneficial Ownership of more than the permitted amount of the outstanding Voting Securities as a result of the acquisition of Voting Securities by the Company which, by reducing the number of Voting Securities outstanding, increased the proportional number of shares Beneficially Owned by the Subject Person, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of Voting Securities by the Company, and after such share acquisition by the Company, the Subject Person becomes the Beneficial Owner of any additional Voting Securities Beneficially Owned by the Subject Person, then a Change in Control shall occur.

Unless otherwise provided in an applicable Award Agreement, solely for the purpose of determining the timing of any payments pursuant to any Award constituting a “deferral of compensation” subject to Section 409A of the Code, a Change in Control shall be limited to a “change in the ownership of the Company,” a “change in the effective control of the Company,” or a “change in the ownership of a substantial portion of the assets of the Company” as such terms are defined in Section 1.409A-3(i)(5) of the U.S. Treasury Regulations. No Award Agreement shall define a Change in Control in such a manner that a Change in Control would be deemed to occur prior to the actual consummation of the event or transaction that results in a change of control of the Company (e.g., upon the announcement, commencement, or stockholder approval of any event or transaction that, if completed, would result in a change in control of the Company).

(q) “Good Reason” means, unless otherwise provided in an applicable Award Agreement or other contractual agreement between the Participant and the Company, (1) a material reduction in Participant’s title, authority, reporting status or responsibilities, which is not cured within ten (10) days after written notice thereof to the Company or its affiliates (or their successor), (2) any reduction in Participant’s annual base salary or bonus opportunity as in effect immediately prior to a Change in Control; or (3) the relocation of the office at which Participant is to perform the majority of Participant’s duties following a Change in Control to a location more than fifty (50) miles from the office at which Participant worked immediately prior to the Change in Control.

Section 3. Administration.

3.1 Authority of Committee. The Plan shall be administered by the Committee, which shall be appointed by and serve at the pleasure of the Board; provided, however, with respect to Awards to Non-Employee Directors, all references in the Plan to the Committee shall be deemed to be references to the Board. Subject to the terms of the Plan and applicable law, and in addition to other express powers and authorizations conferred on the Committee by the Plan, the Committee shall have full power and authority in its discretion to: (i) designate Participants; (ii) determine the type or types of Awards to be granted to a Participant; (iii) determine the number of Shares to be covered by, or with respect to which payments, rights or other matters are to be calculated in connection with Awards; (iv) determine the timing, terms, and conditions of any Award; (v) accelerate the time at which all or any part of an Award may be settled or exercised; (vi) determine whether, to what extent, and under what circumstances Awards may be settled or exercised in cash, Shares, other securities, other Awards or other property, or canceled, forfeited or suspended and the method or methods by which Awards may be settled, exercised, canceled, forfeited or suspended; (vii) determine whether, to what extent, and under what circumstances cash, Shares, other securities, other Awards, other property, and other amounts payable with respect to an Award shall be deferred either automatically or at the election of the holder thereof or of the Committee; (viii) interpret and administer the Plan and any instrument or agreement relating to, or Award made under, the Plan; (ix) except to the extent prohibited by Section 6.2 or any other provision of the Plan, amend or modify the terms of any Award at or after grant with or without the consent of the holder of the Award; (x) establish, amend, suspend or waive such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan; and (xi) make any other determination and take any other action that the Committee deems necessary or desirable for the
administration of the Plan, subject to the exclusive authority of the Board under Section 14 hereunder to amend or terminate the Plan.

3.2 Committee Discretion Binding. Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions under or with respect to the Plan or any Award shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive, and binding upon all Persons, including the Company, any Subsidiary or Affiliate, any Participant and any holder or beneficiary of any Award.

3.3 Action by the Committee. The exercise of an Option or receipt of an Award shall be effective only if an Award Agreement shall have been duly executed and delivered on behalf of the Company following the grant of the Option or other Award by the Committee. Subject to the Charter of the Committee and applicable legal requirements (including the rules and regulations of the Nasdaq Global Select Market), the Committee may make such rules and regulations for the conduct of its business as it shall deem advisable.

3.4 Delegation. Subject to the terms of the Plan and applicable law, the Committee may delegate to one or more officers or managers of the Company or of any Subsidiary or Affiliate, or to a Committee of such officers or managers, the authority, subject to such terms and limitations as the Committee shall determine, to grant Awards to or to cancel, modify or waive rights with respect to, or to alter, discontinue, suspend or terminate Awards held by Participants who are not officers or directors of the Company for purposes of Section 16 or who are otherwise not subject to such Section.

3.5 No Liability. No member of the Board or Committee shall be liable for any action taken or determination made in good faith with respect to the Plan or any Award granted hereunder.

4. Shares Available for Awards.

4.1 Shares Available. Subject to the remaining provisions of this Section 4.1 and Section 4.2 hereof, the maximum number of Shares with respect to which Awards may be granted under the Plan (the “Share Reserve”) shall be [__________], of which [__________] shall be available for grant as Incentive Stock Options. (a) Subject to the provisions of Section 4.2 hereof, the number of Shares available for issuance under the Plan will automatically be increased on the first trading day of January each calendar year during the term of the Plan, beginning with calendar year 2019, in an amount equal to four percent (4%) of the outstanding shares of all classes of the Company’s common stock (including both Class A common stock and Class B common stock) on the last trading day in December of the immediately preceding calendar year, determines that the increase shall be less than four percent (4%). For the avoidance of doubt, the number of Shares available for grant as Incentive Stock Options shall not be increased pursuant to this Section 4.1(a).

(b) For purposes of this limitation, the Shares underlying any Awards that are forfeited, canceled, held back upon exercise of an Option or settlement of an Award to cover the
exercise price or tax withholding, reacquired by the Company prior to vesting, satisfied without the issuance of Shares or otherwise terminated (other than by exercise) under the Plan shall be added back to the Share Reserve for issuance under the Plan.

4.2 Adjustments. In the event that any unusual or non-recurring transactions, including an unusual or non-recurring dividend or other distribution (whether in the form of an extraordinary cash dividend or a dividend of Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event affects the Shares, then the Committee shall in an equitable and proportionate manner (and, as applicable, in such equitable and proportionate manner as is consistent with Sections 422 and 409A of the Code and the regulations thereunder) either: (i) adjust any or all of (1) the aggregate number of Shares or other securities of the Company (or number and kind of other securities or property) with respect to which Awards may be granted under the Plan; (2) the number of Shares or other securities of the Company (or number and kind of other securities or property) subject to outstanding Awards under the Plan, provided that the number of shares subject to any Award shall always be a whole number; and (3) the grant or exercise price with respect to any Award under the Plan; (ii) provide for an equivalent award in respect of securities of the surviving entity of any merger, consolidation or other transaction or event having a similar effect; or (iii) make provision for a cash payment to the holder of an outstanding Award.

4.3 Substitute Awards. Any Shares issued by the Company as Substitute Awards in connection with the assumption or substitution of outstanding grants from any acquired company shall not reduce the Share Reserve.

4.4 Sources of Shares Deliverable Under Awards. Any Shares delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares or of issued Shares which have been reacquired by the Company.

Section 5. Eligibility.

Any Employee, Director or Consultant shall be eligible to be designated a Participant; provided, however, that Non-Employee Directors shall only be eligible to receive Awards granted consistent with Section 10.

Section 6. Stock Options and Stock Appreciation Rights.

6.1 Grant. Subject to Section 6.2, other applicable provisions of the Plan and other applicable legal requirements, the Committee shall have sole and complete authority to determine the Participants to whom Options and SARs shall be granted, the number of Shares subject to each such Award, the Exercise Price and the conditions and limitations applicable to the exercise of each Option and SAR. An Option may be granted with or without a related SAR. A SAR may be granted with or without a related Option. The grant of an Option or SAR shall occur when the Committee by resolution, written consent or other appropriate action determines to grant such Option or SAR for a particular number of Shares to a particular Participant at a particular Exercise Price, or such
later date as the Committee shall specify in such resolution, written consent or other appropriate action. The Committee shall have the authority to grant Incentive Stock Options, or to grant Non-Qualified Stock Options, or to grant both types of Options. In the case of Incentive Stock Options, the terms and conditions of such grants shall be subject to and comply with Section 422 of the Code, as from time to time amended, and any regulations implementing such statute. To the extent that any Option does not qualify as an Incentive Stock Option, it shall be deemed a Non-Qualified Stock Option.

6.2 Price. The Committee in its sole discretion shall establish the Exercise Price at the time each Option or SAR is granted. Except in the case of Substitute Awards, the Exercise Price of an Option or SAR may not be less than one hundred percent (100%) of the Fair Market Value of the Shares with respect to which the Option or SAR is granted on the date of grant of such Option or SAR. Notwithstanding the foregoing and except as permitted by the provisions of Section 4.2 hereof, the Committee shall not have the power to (i) amend the terms of previously granted Options or SARs to reduce the Exercise Price thereof, (ii) cancel such Options or SARs in exchange for cash or a grant of either substitute Options or SARs with a lower Exercise Price than the cancelled Award, or any other Award, (iii) take any other action with respect to an Option or SAR that would be treated as a repricing under the rules and regulations of the Nasdaq Global Select Market or such other principal securities exchange on which the Shares are traded, in each case without the approval of the Company’s shareholders.

6.3 Term. Subject to the Committee’s authority under Section 3.1 and the provisions of Section 6.5, each Option and SAR and all rights and obligations thereunder shall expire on the date determined by the Committee and specified in the Award Agreement. The Committee shall be under no duty to provide terms of like duration for Options or SARs granted under the Plan. Notwithstanding the foregoing and except as provided in Section 6.4(a) hereof, no Option or SAR shall be exercisable after the expiration of ten (10) years from the date such Option or SAR was granted.

6.4 Exercise.

(a) Each Option and SAR shall be exercisable at such times and subject to such terms and conditions as the Committee may, in its sole discretion, specify in the applicable Award Agreement or thereafter. The Committee shall have full and complete authority to determine whether an Option or SAR will be exercisable in full at any time or from time to time during the term of the Option or SAR, or to provide for the exercise thereof in such installments, upon the occurrence of such events and at such times during the term of the Option or SAR as the Committee may determine. The Committee may provide, at or after grant, that the period of time over which an Option, other than an Incentive Stock Option, or SAR may be exercised shall be automatically extended if on the scheduled expiration of such Award, the Participant's exercise of such Award would violate applicable securities law; provided, however, that during the extended exercise period the Option or SAR may only be exercised to the extent such Award was exercisable in accordance with its terms immediately prior to such scheduled expiration date; provided further, however, that such extended exercise period shall end not later than thirty (30) days after the exercise of such Option or SAR first would no longer violate such laws.
(b) The Committee may impose such conditions with respect to the exercise of Options or SARs, including without limitation, any relating to the application of federal, state or foreign securities laws or the Code, as it may deem necessary or advisable. The exercise of any Option granted hereunder shall be effective only at such time as the sale of Shares pursuant to such exercise will not violate any state or federal securities or other laws.

(c) An Option or SAR may be exercised in whole or in part at any time, with respect to whole Shares only, within the period permitted thereunder for the exercise thereof, and shall be exercised by written notice of intent to exercise the Option or SAR, delivered to the Company at its principal office, and payment in full to the Company at the direction of the Committee of the amount of the Exercise Price for the number of Shares with respect to which the Option is then being exercised.

(d) Payment of the Exercise Price shall be made (i) in cash or cash equivalents, (ii) at the discretion of the Committee, by transfer, either actually or by attestation, to the Company of unencumbered Shares previously acquired by the Participant valued at the Fair Market Value of such Shares on the date of exercise (or next succeeding trading date, if the date of exercise is not a trading date), together with any applicable withholding taxes, such transfer to be upon such terms and conditions as determined by the Committee, (iii) by a combination of such cash (or cash equivalents) and such Shares, or (iv) at the discretion of the Committee and subject to applicable securities laws, by (A) delivering a notice of exercise of the Option and simultaneously selling the Shares thereby acquired, pursuant to a brokerage or similar agreement approved in advance by proper officers of the Company, using the proceeds of such sale as payment of the Exercise Price, together with any applicable withholding taxes or (B) withholding Shares otherwise deliverable to the Participant pursuant to the Option having an aggregate Fair Market Value at the time of exercise equal to the total Exercise Price together with any applicable withholding taxes. Until the optionee has been issued the Shares subject to such exercise, he or she shall possess no rights as a stockholder with respect to such Shares.

(e) Payment instruments will be received subject to collection. The transfer to the optionee on the records of the Company or of the transfer agent of the Shares to be purchased pursuant to the exercise of an Option will be contingent upon receipt from the optionee (or a purchaser acting in his stead in accordance with the provisions of the Award Agreement) by the Company of the full purchase price for such shares and the fulfillment of any other requirements contained in the Award Agreement or applicable provisions of laws (including the satisfaction of any withholding taxes that the Company is obligated to withhold with respect to the optionee). In the event an optionee chooses to pay the purchase price by previously-owned Shares through the attestation method, the number of Shares transferred to the optionee upon the exercise of the Option shall be net of the number of attested Shares. In the event that the Company establishes, for itself or using the services of a third party, an automated system for the exercise of Options, such as a system using an internet website or interactive voice response, then the paperless exercise of Options may be permitted through the use of such an automated system.
(f) At the Committee’s discretion, the amount payable as a result of the exercise of a SAR may be settled in cash, Shares or a combination of cash and Shares. A fractional Share shall not be deliverable upon the exercise of a SAR but a cash payment will be made in lieu thereof.

6.5 Ten Percent Stock Rule. Notwithstanding any other provisions in the Plan, if at the time an Option is otherwise to be granted pursuant to the Plan, the optionee or rights holder owns directly or indirectly (within the meaning of Section 424(d) of the Code) Shares of the Company possessing more than ten percent (10%) of the total combined voting power of all classes of Stock of the Company or its parent or Subsidiary or Affiliate corporations (within the meaning of Section 422(b)(6) of the Code), then any Incentive Stock Option to be granted to such optionee or rights holder pursuant to the Plan shall satisfy the requirement of Section 422(c)(5) of the Code, and the Exercise Price shall be not less than one hundred ten percent (110%) of the Fair Market Value of the Shares of the Company, and such Option by its terms shall not be exercisable after the expiration of five (5) years from the date such Option is granted.

Section 7. Restricted Stock and Restricted Stock Units.

7.1 General. The Committee may grant Restricted Stock, or the right to purchase Restricted Stock, to any Participant, subject to the Company’s right to repurchase all or part of such shares at their issue price or other stated or formula price from the Participant (or to require forfeiture of such shares) if conditions the Committee specifies in the Award Agreement are not satisfied before the end of the applicable restriction period or periods that the Committee establishes for such Award. In addition, the Committee may grant to Participants Restricted Stock Units, which may be subject to vesting and forfeiture conditions during the applicable restriction period or periods, as set forth in an Award Agreement. The Committee will determine and set forth in the Award Agreement the terms and conditions for each Restricted Stock and Restricted Stock Unit Award, subject to the conditions and limitations contained in the Plan.

7.2 Restricted Stock.

(a) Voting Rights; Dividends. Participants holding shares of Restricted Stock will be entitled to all voting rights to which holders of unrestricted Shares are entitled and all ordinary cash dividends paid with respect to such Shares, unless the Committee provides otherwise in the Award Agreement. In addition, unless the Committee provides otherwise, if any dividends or distributions are paid in Shares, or consist of a dividend or distribution to holders of Common Stock of property other than an ordinary cash dividend, the Shares or other property will be subject to the same restrictions on transferability and forfeitability as the shares of Restricted Stock with respect to which they were paid.

(b) Stock Certificates/Book Entry. At the time of a Restricted Share Award, a certificate representing the number of Shares awarded thereunder shall be registered in the name of the grantee. Such certificate shall be held by the Company or any custodian appointed by the Company for the account of the grantee subject to the terms and conditions of the Plan, and shall bear such a legend setting forth the restrictions imposed thereon as the Committee, in its discretion, may determine. The foregoing to the contrary notwithstanding, the Committee may, in its discretion, provide that a Participant’s ownership of Restricted Stock prior to the lapse of any transfer restrictions.
or any other applicable restrictions shall, in lieu of such certificates, be evidenced by a “book entry” (i.e., a computerized or manual entry) in the records of the Company or its designated agent in the name of the Participant who has received such Award, and confirmation and account statements sent to the Participant with respect to such book-entry Shares may bear the restrictive legend referenced in the preceding sentence. Such records of the Company or such agent shall, absent manifest error, be binding on all Participants who receive Restricted Share Awards evidenced in such manner. The holding of Restricted Stock by the Company or such agent, or the use of book entries to evidence the ownership of Restricted Stock, in accordance with this Section 7.2(g), shall not affect the rights of Participants as owners of the Restricted Stock awarded to them, nor affect the restrictions applicable to such shares under the Award Agreement or the Plan, including the transfer restrictions.

7.3 Restricted Stock Units.
   (a) Settlement. The Committee may provide that settlement of Restricted Stock Units will occur upon or as soon as reasonably practicable after the Restricted Stock Units vest or will instead be deferred, on a mandatory basis or at the Participant’s election, in a manner intended to comply with Section 409A.
   
   (b) Stockholder Rights. A Participant will have no rights of a stockholder with respect to Shares subject to any Restricted Stock Unit unless and until the Shares are delivered in settlement of the Restricted Stock Unit.
   
   (c) Dividend Equivalents. If the Committee provides, a grant of Restricted Stock Units may provide a Participant with the right to receive Dividend Equivalents. Dividend Equivalents may be paid currently or credited to an account for the Participant, settled in cash or Shares and subject to the same restrictions on transferability and forfeitability as the Restricted Stock Units with respect to which the Dividend Equivalents are granted and subject to other terms and conditions as set forth in the Award Agreement.

Section 8. Performance Awards.

8.1 Grant. The Committee shall have sole and complete authority to determine the Participants who shall receive a Performance Award, which shall consist of a right that is (i) denominated in cash or Shares (including but not limited to Restricted Stock and Restricted Stock Units), (ii) valued, as determined by the Committee, in accordance with the achievement of such performance goals during such performance periods as the Committee shall establish, and (iii) payable at such time and in such form as the Committee shall determine.

8.2 Terms and Conditions. Subject to the terms of the Plan and any applicable Award Agreement, the Committee shall determine the performance goals to be achieved during any performance period, the length of any performance period, the amount of any Performance Award and the amount and kind of any payment or transfer to be made pursuant to any Performance Award, and may amend specific provisions of the Performance Award; provided, however, that such amendment may not adversely affect existing Performance Awards made within a performance...
period commencing prior to implementation of the amendment without the consent of the affected Participants. No Performance Award shall have a term in excess of ten (10) years.

8.3 Payment of Performance Awards. Performance Awards may be paid in a lump sum or in installments following the close of the performance period or, in accordance with the procedures established by the Committee, on a deferred basis. Notwithstanding the foregoing, the Committee may, in its discretion, waive any performance goals and/or other terms and conditions relating to a Performance Award. A Participant’s rights to any Performance Award may not be sold, assigned, transferred, pledged, hypothecated or otherwise encumbered or disposed of in any manner, except by will or the laws of descent and distribution, and/or except as the Committee may determine at or after grant, but no transfers for consideration shall be permitted.

8.4 Performance Criteria. The Committee may grant Performance Awards to Participants based solely upon the attainment of performance targets related to one or more performance goals selected by the Committee from among the goals specified below.

(a) earnings before interest, taxes, depreciation and/or amortization (EBITDA) or adjusted EBITDA;
(b) operating income or profit;
(c) operating efficiencies;
(d) return on equity, assets, capital, capital employed or investment;
(e) after tax operating income;
(f) net income;
(g) earnings or book value per Share;
(h) cash flow(s), funds from operations and adjusted funds from operations (as described from time to time in the Company’s financial statements);
(i) total sales or revenues or sales or revenues per employee;
(j) production (separate work units or SWUs);
(k) stock price or total shareholder return;
(l) dividends;
(m) debt reduction;
(n) strategic business objectives, consisting of one or more objectives based on meeting specified cost targets, business expansion goals and goals relating to acquisitions or divestitures; or
Any combination thereof.

Each goal may be expressed on an absolute and/or relative basis, may be based on or otherwise employ comparisons based on internal targets, the past performance of the Company or any Subsidiary, operating unit, business segment or division of the Company and/or the past or current performance of other companies, and in the case of earnings-based measures, may use or employ comparisons relating to capital, shareholders’ equity and/or Shares outstanding, or to assets or net assets. The Committee may appropriately adjust any evaluation of performance under criteria set forth in this Section 8.4 to exclude any of the following events that occur during a performance period: (i) asset impairments or write-downs, (ii) litigation or claim judgments or settlements, (iii) the effect of changes in tax law, accounting principles or other such laws or provisions affecting reported results, (iv) accruals for reorganization and restructuring programs, (v) any items that are “unusual in nature” or “infrequently occurring” within the meaning of generally accepted accounting principles or other extraordinary items that are included within management’s discussion and analysis of financial condition and results of operations appearing in the Company’s annual report to stockholders for the applicable year, (vi) the effect of adverse governmental or regulatory action, or delays in governmental or regulatory action; (vii) any other event either not directly related to the operations of the Company or not within the reasonable control of the Company’s management; and (viii) any other similar item or event selected by the Committee in its sole discretion. Adjustments made pursuant to this Section 8.4 shall not be considered an amendment for purposes of Section 8.2 or Section 13.2.

Section 9. Other Stock-Based Awards.

The Committee shall have the authority to determine the Participants who shall receive an Other Stock-Based Award, which shall consist of any right that is (i) not an Award described in Sections 6 or 7 above and (ii) an Award of Shares or an Award denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares), as deemed by the Committee to be consistent with the purposes of the Plan. Subject to the terms of the Plan and any applicable Award Agreement, the Committee shall determine the terms and conditions of any such Other Stock-Based Award. No Other Stock-Based Award shall have a term in excess of ten (10) years.

Section 10. Non-Employee Director Awards.

10.1 Awards Generally. The Board may provide that all or a portion of a Non-Employee Director’s annual retainer, meeting fees and/or other awards or compensation as determined by the Board, be payable (either automatically or at the election of a Non-Employee Director) in the form of Non-Qualified Stock Options, SARs, Restricted Stock, Restricted Stock Units and/or Other Stock-Based Awards, including unrestricted Shares. The Board shall determine the terms and conditions of any such Awards, including the terms and conditions which shall apply upon a termination of the Non-Employee Director’s Service Relationship, and shall have full power and authority in its discretion to administer such Awards, subject to the terms of the Plan and applicable law. With respect to such Awards, all references in the Plan to the Committee shall be deemed to be references to the Board.
10.2 Non-Employee Director Limits. Notwithstanding anything herein to the contrary, the aggregate value of all compensation paid or granted, as applicable, to any individual for service as a Non-Employee Director with respect to any calendar year, including equity Awards granted and cash fees paid by the Company to such Non-Employee Director, shall not exceed seven hundred thousand dollars ($700,000) in value, calculating the value of any equity Awards granted during such calendar year based on the grant date fair value of such Awards for financial reporting purposes. The Board may make exceptions to the applicable limit in this Section 10.3 for individual Non-Employee Directors in extraordinary circumstances, such as where any such individual Non-Employee Directors are serving on a special litigation or transactions committee of the Board, as the Board may determine in its discretion, provided that the Non-Employee Director receiving such additional compensation may not participate in the decision to award such compensation involving such Non-Employee Director.

Section 11. Termination of Employment.

The Committee shall have the full power and authority to determine the terms and conditions that shall apply to any Award upon a termination of employment or other Service Relationship with the Company, its Subsidiaries and Affiliates, including a termination by the Company with or without Cause, by a Participant voluntarily, or by reason of death, Disability or Retirement, and may provide such terms and conditions in the Award Agreement or in such rules and regulations as it may prescribe.

Section 12. Change in Control.

12.1 Assumption or Replacement of Awards by Successor. Except as otherwise provided in an Award Agreement or other contractual agreement between the Company (or an Affiliate) and the applicable Participant, in the event that the Company is subject to a Change in Control, outstanding Awards acquired under the Plan shall be subject to the agreement evidencing the Change in Control, which need not treat all outstanding Awards in an identical manner. Such agreement, without the Participant’s consent, shall provide for one or more of the following with respect to all outstanding Awards as of the effective date of such Change in Control:

(a) the continuation or assumption of an outstanding Award by the successor or acquiring entity (if any) of such Change in Control (or by its parents, if any), which continuation or assumption, will be binding on all selected Participants; provided that the exercise price and the number and nature of shares issuable upon exercise of any such Option or SAR, or any Award that is subject to Section 409A of the Code, will be adjusted appropriately pursuant to Section 424(a) of the Code and/or Section 409A of the Code, as applicable; provided further, that, if, within twelve months after the Company obtains actual knowledge that a Change in Control has occurred, a Participant’s Service Relationship is terminated by the Company or an Affiliate (or any of their successors) without Cause or by the Participant for Good Reason, all continued or assumed Awards of such Participant shall vest, become immediately exercisable and payable and have all restrictions lifted;

(b) the substitution by the successor or acquiring entity in such Change in Control (or by its parents, if any) of equivalent awards with substantially the same terms for such outstanding Awards (except that the exercise price and the number and nature of shares issuable upon exercise
of any such Option or SAR, or any Award that is subject to Section 409A of the Code, will be adjusted appropriately pursuant to Section 424(a) of the Code and/or Section 409A of the Code, as applicable); provided that if, within twelve months after the Company obtains actual knowledge that a Change in Control has occurred, a Participant’s Service Relationship is terminated by the Company or an Affiliate (or any of their successors) without Cause or by the Participant for Good Reason, all substituted Awards of such Participant shall vest, become immediately exercisable and payable and have all restrictions lifted;

(c) the full or partial acceleration of exercisability or vesting and accelerated expiration of an outstanding Award and lapse of the Company’s right to repurchase or re-acquire shares acquired under an Award or lapse of forfeiture rights with respect to shares acquired under an Award; and

(d) the settlement of the full value of such outstanding Award (whether or not then vested or exercisable) in cash, cash equivalents, or securities of the successor entity (or its parent, if any) with a Fair Market Value equal to the required amount, followed by the cancellation of such Awards; provided however, that such Award may be cancelled if such Award has no value, as determined by the Committee, in its discretion. Subject to Section 409A of the Code, such payment may be made in installments and may be deferred until the date or dates the Award would have become exercisable or vested. Such payment may be subject to vesting based on the Participant’s continued service, provided that the vesting schedule shall not be less favorable to the Participant than the schedule under which the Award would have become vested or exercisable. For purposes of this Section 12.1(e), the Fair Market Value of any security shall be determined without regard to any vesting conditions that may apply to such security.

The Board shall have full power and authority to assign the Company’s right to repurchase or re-acquire or forfeiture rights to such successor or acquiring corporation. In addition, in the event such successor or acquiring corporation (if any) refuses to assume, convert, replace or substitute Awards, as provided above, pursuant to a Change in Control, the Committee will notify the Participant in writing or electronically that such Award will be exercisable for a period of time determined by the Committee in its sole discretion, and such Award will terminate upon the expiration of such period. Awards need not be treated similarly in a Change in Control.

12.2 Assumption of Awards by the Company. The Company, from time to time, also may substitute or assume outstanding awards granted by another company, whether in connection with an acquisition of such other company or otherwise, by either; (a) granting an Award under this Plan in substitution of such other company’s award; or (b) assuming such award as if it had been granted under this Plan if the terms of such assumed award could be applied to an Award granted under this Plan. Such substitution or assumption will be permissible if the holder of the substituted or assumed award would have been eligible to be granted an Award under this Plan if the other company had applied the rules of this Plan to such grant. In the event the Company assumes an award granted by another company, the terms and conditions of such award will remain unchanged (except that the purchase price or the Exercise Price, as the case may be, and the number and nature of Shares issuable upon exercise or settlement of any such Award will be adjusted appropriately pursuant to Section 424(a) and/or Section 409A of the Code). In the event the Company elects to grant a new
Option in substitution rather than assuming an existing option, such new Option may be granted with a similarly adjusted Exercise Price.

12.3 Non-Employee Directors’ Awards. Notwithstanding any provision to the contrary herein, in the event of a Change in Control, the vesting of all Awards granted to Non-Employee Directors will accelerate and such Awards will become exercisable (as applicable) in full prior to the consummation of such event at such times and on such conditions as the Committee determines.

Section 13. Amendment and Termination.

13.1 Amendments to the Plan. The Board may amend, alter, suspend, discontinue or terminate the Plan or any portion thereof at any time (and in accordance with Section 409A of the Code with regard to Awards subject thereto); provided that no such amendment, alteration, suspension, discontinuation or termination shall be made without stockholder approval if such approval is necessary to comply with any tax or regulatory requirement (including the rules and regulations of the principal securities market or exchange on which the Shares are traded) for which or with which the Board deems it necessary or desirable to comply.

13.2 Amendments to Awards. Subject to the restrictions of Section 6.2, the Committee may waive any conditions or rights under, amend any terms of or alter, suspend, discontinue, cancel or terminate, any Award theretofore granted, prospectively or retroactively (and in accordance with Section 409A of the Code with regard to Awards subject thereto); provided that any such waiver, amendment, alteration, suspension, discontinuation, cancellation or termination that would materially and adversely affect the rights of any Participant or any holder or beneficiary of any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary.

13.4 Recoupment of Awards. Any Award granted pursuant to this Plan shall be subject to mandatory repayment by the Participant to the Company (i) to the extent set forth in any Award Agreement, (ii) to the extent that such Participant is, or in the future becomes, subject to (a) any “clawback” or recoupment policy adopted by the Company or any Affiliate thereof to comply with the requirements of any applicable laws, rules or regulations, including pursuant to final rules adopted by the SEC pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, or otherwise, or (b) any applicable laws which impose mandatory recoupment, under circumstances set forth in such applicable laws, including the Sarbanes-Oxley Act of 2002.

14.1 Limited Transferability of Awards. No Award shall be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant, except by will or the laws of descent and distribution and/or, in the case of Non-Qualified Stock Options or SARs only, as may be provided by the Committee in its discretion at or after grant in the Award Agreement, but in no event shall an Award be transferred to a third party for consideration. No transfer of an Award by will or by laws of descent and distribution shall be effective to bind the Company unless the Company shall have been furnished with written notice thereof and an authenticated copy of the
will and/or such other evidence as the Committee may deem necessary or appropriate to establish the validity of the transfer.

14.2 Dividend Equivalents. Subject to Section 4.2, no dividend equivalent rights shall be granted with respect to Options or SARs, but in the sole and complete discretion of the Committee, any other Award may provide the Participant with dividends or dividend equivalents, payable in cash, Shares, other securities or other property on a current or deferred basis. All dividend or dividend equivalents which are not paid currently may, at the Committee’s discretion, accrue interest, be reinvested into additional Shares, or, in the case of dividends or dividend equivalents credited in connection with Performance Awards, be credited as additional Performance Awards and paid to the Participant if and when, and to the extent that, payment is made pursuant to such Award.

14.3. Compliance with Section 409A of the Code. No Award (or modification thereof) shall provide for deferral of compensation that does not comply with Section 409A of the Code unless the Committee, at the time of grant, specifically provides that the Award is not intended to comply with Section 409A of the Code. Notwithstanding any provision of this Plan to the contrary, if one or more of the payments or benefits received or to be received by a Participant pursuant to an Award would cause the Participant to incur any additional tax or interest under Section 409A of the Code, the Committee may reform such provision to maintain to the maximum extent practicable the original intent of the applicable provision without violating the provisions of section 409A of the Code. In the event that it is reasonably determined by the Board or Committee that, as a result of Section 409A of the Code, payments in respect of any Award under the Plan may not be made at the time contemplated by the terms of the Plan or the relevant Award agreement, as the case may be, without causing the Participant holding such Award to be subject to taxation under Section 409A of the Code, the Company will make such payment on the first day that would not result in the Participant incurring any tax liability under Section 409A of the Code; which, if the Participant is a “specified employee” within the meaning of the Section 409A, shall be the first day following the six-month period beginning on the date of Participant’s termination of employment. Unless otherwise provided in an Award Agreement or other document governing the issuance of such Award, payment of any Performance Award intended to qualify as a “short term deferral” within the meaning of Section 1.409A-1(b)(4)(i) of the U.S. Treasury Regulations shall be made between the first day following the close of the applicable Performance Period and the last day of the “applicable 2 ½ month period” as defined therein. Notwithstanding the foregoing, each Participant is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on him or her, or in respect of any payment or benefit delivered in connection with the Plan (including any taxes and penalties under Section 409A of the Code), and the Corporation shall not have any obligation to indemnify or otherwise hold any Participant harmless from any of such taxes or penalties.

14.4 No Rights to Awards. No Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards need not be the same with respect to each Participant.

14.5 Share Certificates. All certificates for Shares or other securities of the Company or any Subsidiary or Affiliate delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem...
advisable under the Plan or the rules, regulations and other requirements of the SEC or any state securities commission or regulatory authority, any stock exchange or other market upon which such Shares or other securities are then listed, and any applicable Federal or state laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

14.6 Withholding. A Participant may be required to pay to the Company or any Subsidiary or Affiliate and the Company or any Subsidiary or Affiliate shall have the right and is hereby authorized to withhold from any Award, from any payment due or transfer made under any Award or under the Plan, or from any compensation or other amount owing to a Participant, the amount (in cash, Shares, other securities, other Awards or other property) of any applicable withholding or other tax-related obligations in respect of an Award, its exercise or any other transaction involving an Award, or any payment or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such taxes. Without limiting the generality of the foregoing, the Committee may in its discretion permit a Participant to satisfy or arrange to satisfy, in whole or in part, the tax obligations incident to an Award by: (a) electing to have the Company withhold Shares or other property otherwise deliverable to such Participant pursuant to the Award (provided, however, that the amount of any Shares so withheld shall not exceed the amount necessary to satisfy required federal, state local and foreign withholding obligations using the maximum or other applicable statutory withholding rates for federal, state, local and/or foreign tax purposes, including payroll taxes, that are applicable to supplemental taxable income) and/or (b) tendering to the Company Shares owned by such Participant (or by such Participant and his or her spouse jointly) and purchased or held for the requisite period of time, in each case (x) as may be required to avoid the Company’s or the Affiliates’ or Subsidiaries’ incurring an adverse accounting charge and (y) based on the Fair Market Value of the Shares on the wage payment date as determined by the Committee. All such elections shall be irrevocable, made in writing, signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

14.7 Award Agreements. Each Award hereunder shall be evidenced by an Award Agreement that shall be delivered to the Participant and may specify the terms and conditions of the Award and any rules applicable thereto. In the event of a conflict between the terms of the Plan and any Award Agreement, the terms of the Plan shall prevail. The Committee shall, subject to applicable law, determine the date an Award is deemed to be granted. The Committee or, except to the extent prohibited under applicable law, its delegate(s) may establish the terms of agreements or other documents evidencing Awards under this Plan and may, but need not, require as a condition to any such agreement’s or document’s effectiveness that such agreement or document be executed by the Participant, including by electronic signature or other electronic indication of acceptance, and that such Participant agree to such further terms and conditions as specified in such agreement or document. The grant of an Award under this Plan shall not confer any rights upon the Participant holding such Award other than such terms, and subject to such conditions, as are specified in this Plan as being applicable to such type of Award (or to all Awards) or as are expressly set forth in the agreement or other document evidencing such Award.
14.8 No Limit on Other Compensation Arrangements. Nothing contained in the Plan shall prevent the Company or any Subsidiary or Affiliate from adopting or continuing in effect other compensation arrangements, which may, but need not, provide for the grant of Options, SARs, Restricted Stock, Restricted Stock Units, Other Stock-Based Awards or other types of Awards provided for hereunder.

14.9 No Right to Employment. The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of the Company or any Subsidiary or Affiliate. Further, the Company or a Subsidiary or Affiliate may at any time dismiss a Participant from employment, free from any liability or any claim under the Plan, unless otherwise expressly provided in an Award Agreement.

14.10 No Rights as Stockholder. Subject to the provisions of the Plan and the applicable Award Agreement, no Participant or holder or beneficiary of any Award shall have any rights as a stockholder with respect to any Shares to be distributed under the Plan until such person has become a holder of such Shares. Notwithstanding the foregoing, in connection with each grant of Restricted Stock hereunder, the applicable Award Agreement shall specify if and to what extent the Participant shall not be entitled to the rights of a stockholder in respect of such Restricted Stock.

14.11 Data Privacy. As a condition for receiving any Award, each Participant explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of personal data as described in this section by and among the Company and its Subsidiaries and affiliates exclusively for implementing, administering and managing the Participant’s participation in the Plan. The Company and its Subsidiaries and affiliates may hold certain personal information about a Participant, including the Participant’s name, address and telephone number; birthdate; social security, insurance number or other identification number; salary; nationality; job title(s); any Shares held in the Company or its Subsidiaries and affiliates; and Award details, to implement, administer and manage the Plan and Awards (the “Data”). The Company and its Subsidiaries and affiliates may transfer the Data amongst themselves as necessary to implement, administer and manage a Participant’s participation in the Plan, and the Company and its Subsidiaries and affiliates may transfer the Data to third parties assisting the Company with Plan implementation, administration and management. These recipients may be located in the Participant’s country, or elsewhere, and the Participant’s country may have different data privacy laws and protections than the recipients’ country. By accepting an Award, each Participant authorizes such recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, to implement, administer and manage the Participant’s participation in the Plan, including any required Data transfer to a broker or other third party with whom the Company or the Participant may elect to deposit any Shares. The Data related to a Participant will be held only as long as necessary to implement, administer, and manage the Participant’s participation in the Plan. A Participant may, at any time, view the Data that the Company holds regarding such Participant, request additional information about the storage and processing of the Data regarding such Participant, recommend any necessary corrections to the Data regarding the Participant or refuse or withdraw the consents in this Section 14.11 in writing, without cost, by contacting the local human resources representative. The Company may cancel Participant’s ability to participate in the Plan and, in the Committee’s discretion, the Participant may forfeit any outstanding Awards if the Participant refuses or withdraws the consents in this Section 14.11. For
14.12 **Governing Law.** The validity, construction and effect of the Plan and any rules and regulations relating to the Plan and any Award Agreement shall be determined in accordance with the laws of the State of Delaware without giving effect to conflicts of laws principles.

14.13 **Severability.** If any provision of the Plan or any Award is, or becomes, or is deemed to be invalid, illegal or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

14.14 **Other Laws.** The Committee may refuse to issue or transfer any Shares or other consideration under an Award if, acting in its sole discretion, it determines that the issuance or transfer of such Shares or such other consideration might violate any applicable law or regulation (including applicable non-U.S. laws or regulations) or entitle the Company to recover the same under Exchange Act Section 16(b), and any payment tendered to the Company by a Participant, other holder or beneficiary in connection with the exercise of such Award shall be promptly refunded to the relevant Participant, holder or beneficiary.

14.15 **No Trust or Fund Created.** Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Subsidiary or Affiliate and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Subsidiary or Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Subsidiary or Affiliate.

14.16 **No Fractional Shares.** No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities or other property shall be paid or transferred in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

14.17 **Headings.** Headings are given to the sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

**Section 15. Term of the Plan.**

15.1 **Effective Date.** The Plan shall be effective as of _______________, 2018 (the “Effective Date”), provided it has been approved by the Company’s shareholders.

15.2 **Expiration Date.** No new Awards shall be granted under the Plan after the tenth (10th) anniversary of the Effective Date. Unless otherwise expressly provided in the Plan or in an applicable
Award Agreement, any Award granted hereunder may, and the authority of the Board or the Committee to amend, alter, adjust, suspend, discontinue or terminate any such Award or to waive any conditions or rights under any such Award shall, continue after the tenth (10th) anniversary of the Effective Date.
Exhibit 10.25

RESTRICTED STOCK AWARD AGREEMENT
(Officers and Employees)

Capitalized terms not otherwise defined herein shall have the meaning ascribed to such terms in the I3 Verticals Inc. 2018 Equity Incentive Plan (the “Plan”).

WHEREAS, the Company has adopted the Plan, which permits the issuance of Restricted Stock of the Company’s Class A common stock, par value $0.0001 per share (the “Common Stock”); and

WHEREAS, pursuant to the Plan, the Committee responsible for administering the Plan has granted an award of Restricted Stock to the Grantee as provided herein.

1. Grant of Restricted Stock.
   (a) The Company hereby grants to the Grantee an award (the “Award”) of _______________ shares of Common Stock of the Company (the “Shares” or the “Restricted Stock”) on the terms and conditions set forth in this Agreement and as otherwise provided in the Plan.
   (b) The Grantee’s rights with respect to the Award shall remain forfeitable at all times prior to the dates on which the restrictions shall lapse in accordance with Sections 2 and 3 hereof.

2. Terms and Rights as a Stockholder.
   (a) Except as provided herein and subject to such other exceptions as may be determined by the Committee in its discretion, the “Restricted Period” shall expire with respect to ____________ percent (___%) of the Shares granted herein on each of the first ____ anniversaries of the Grant Date.
   (b) The Grantee shall have all rights of a stockholder with respect to the Restricted Stock, including the right to receive dividends and the right to vote such Shares, subject to the following restrictions:
      (i) the Grantee shall not be entitled to the removal of the restricted legends or restricted account notices or to delivery of the stock certificate (if any) for any Shares until the expiration of the Restricted Period as to such Shares and the fulfillment of any other restrictive conditions set forth herein;

1
none of the shares of Restricted Stock may be sold, assigned, transferred, pledged, hypothecated or otherwise encumbered or disposed of during the Restricted Period as to such Shares and until the fulfillment of any other restrictive conditions set forth herein; and

except as otherwise determined by the Committee at or after the grant of the Award, any shares of Restricted Stock as to which the applicable “Restricted Period” has not expired (or other restrictive conditions have not been met) shall be forfeited, and all rights of the Grantee to such Shares shall terminate, without further obligation or action on the part of the Company, upon the termination of the Grantee’s Service Relationship with the Company prior to the end of the Restricted Period applicable to such Shares.

(c) Notwithstanding the foregoing, the Restricted Period shall automatically terminate as to all shares of Restricted Stock awarded hereunder (as to which such Restricted Period has not previously terminated), and such Shares shall vest and become subject to Section 3 hereof, in the following circumstances:

(i) upon the termination of the Grantee’s Service Relationship with the Company which results from the Grantee’s death or Disability;

(ii) upon the termination of the Grantee’s Service Relationship with the Company (or its successor) within one year following a Change in Control, if the Grantee’s Service Relationship with the Company (or its successor) is terminated by (A) the Grantee for Good Reason, or (B) the Company (or its successor) for any reason other than for Cause; provided, that in the event this Award is not assumed by the Acquiror under the terms set forth in Section 12.1 of the Plan, the Restricted Period shall automatically terminate as to all shares of Restricted Stock awarded hereunder (to the extent not previously terminated or forfeited).

Any Shares, any other securities of the Company and any other property (except for cash dividends) distributed with respect to the Shares of Restricted Stock shall be subject to the same restrictions, terms and conditions as such of Restricted Stock.

3. Termination of Restrictions. Following the termination of the Restricted Period, and provided that all other restrictive conditions set forth herein have been met, all restrictions set forth in this Agreement or in the Plan relating to such portion or all, as applicable, of the shares of Restricted Stock shall lapse as to such portion or all, as applicable, of the Shares, and a stock certificate for the appropriate number of Shares, free of the restrictions and restrictive stock legend, shall, upon request, be delivered to the Grantee or Grantee’s beneficiary or estate, as the case may be, pursuant to the terms of this Agreement (or, in the case of book-entry Shares, such restrictions and restricted stock legend shall be removed from the confirmation and account statements delivered to the Grantee in book-entry form).

4. Delivery of Shares.

(a) As of the date hereof, certificates representing the Restricted Stock may be registered in the name of the Grantee and held by the Company or transferred to a custodian appointed by the Company for the account of the Grantee subject to the terms and conditions of the Plan and shall remain in the custody of the Company or such custodian until their delivery to the Grantee or
Grantee’s beneficiary or estate as set forth in Sections 4(b) and (c) hereof or their forfeiture or reversion to the Company as set forth in Section 2(b) hereof. The Committee may, in its discretion, provide that the Grantee’s ownership of the Restricted Stock prior to the lapse of any transfer restrictions or any other applicable restrictions shall, in lieu of such certificates, be evidenced by a “book entry” (i.e. a computerized or manual entry) in the records of the Company or its designated agent in accordance with and subject to the applicable provisions of the Plan.

(b) If certificates shall have been issued as permitted in Section 4(a) above, certificates representing shares of Restricted Stock in respect of which the Restricted Period has lapsed pursuant to this Agreement shall be delivered to the Grantee upon request following the date on which the restrictions on such Shares lapse.

(c) If certificates shall have been issued as permitted in Section 4(a) above, certificates representing Shares in respect of which the Restricted Period lapsed upon the Grantee’s death shall be delivered to the executors or administrators of the Grantee’s estate as soon as practicable following the receipt of proof of the Grantee’s death satisfactory to the Company.

(d) Any certificate representing shares of Restricted Stock shall bear (and confirmation and account statements sent to the Grantee with respect to book-entry Shares may bear) a legend in substantially the following form or substance:

THE SHARES OF STOCK REPRESENTED BY THIS CERTIFICATE MAY NOT BE SOLD, TRANSFERRED, PLEDGED OR OTHERWISE DISPOSED OF WITHOUT REGISTRATION UNDER THE SECURITIES ACT OF 1933 AND UNDER APPLICABLE BLUE SKY LAW OR UNLESS SUCH SALE, TRANSFER, PLEDGE OR OTHER DISPOSITION IS EXEMPT FROM REGISTRATION THEREUNDER.

5. Effect of Lapse of Restrictions. To the extent that the Restricted Period applicable to any shares of Restricted Stock shall have lapsed, the Grantee may receive, hold, sell or otherwise dispose of such Shares free and clear of the restrictions imposed under the Plan and this Agreement upon compliance with applicable legal requirements.
6. **No Right to Continued Employment.** This Agreement shall not be construed as giving the Grantee the right to be retained in the employ of the Company, and subject to any other written contractual arrangement between the Company and the Grantee, the Company may at any time dismiss the Grantee from employment, free from any liability or any claim under the Plan.

7. **Adjustments.** The Committee may make equitable and proportionate adjustments in the terms and conditions of, and the criteria included in, this Award in recognition of unusual or nonrecurring events (and shall make adjustments for the events described in Section 4.2 of the Plan) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles in accordance with the Plan whenever the Committee determines that such events affect the Shares. Any such adjustments shall be effected in a manner that precludes the material enlargement of rights and benefits under this Award.

8. **Amendment to Award.** Subject to the restrictions contained in the Plan, the Committee may waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate the Award, prospectively or retroactively; provided that any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely affect the rights of the Grantee or any holder or beneficiary of the Award shall not to that extent be effective without the consent of the Grantee, holder or beneficiary affected.

9. **Withholding of Taxes.** If the Grantee makes an election under Section 83(b) of the Code with respect to the Award, the Award made pursuant to this Agreement shall be conditioned upon the prompt payment to the Company of any applicable withholding obligations or withholding taxes by the Grantee (“Withholding Taxes”). Failure by the Grantee to pay such Withholding Taxes will render this Agreement and the Award granted hereunder null and void ab initio and the Restricted Stock granted hereunder will be immediately cancelled. If the Grantee does not make an election under Section 83(b) of the Code with respect to the Award, upon the lapse of the Restricted Period with respect to any portion of Restricted Stock (or property distributed with respect thereto), the Company may satisfy the required Withholding Taxes as set forth by Internal Revenue Service guidelines for the employer’s statutory withholding with respect to the Grantee and issue vested shares to the Grantee without restriction. The Company may satisfy the required Withholding Taxes by withholding from the Shares included in the Award that number of whole shares necessary to satisfy such taxes as of the date the restrictions lapse with respect to such Shares based on the Fair Market Value of the Shares, or by requiring the Grantee to remit to the Company the proper Withholding Taxes in cash.

10. **Plan Governs.** The Grantee hereby acknowledges receipt of a copy of (or electronic link to) the Plan and agrees to be bound by all the terms and provisions thereof. The terms of this Agreement are governed by the terms of the Plan, and in the case of any inconsistency between the terms of this Agreement and the terms of the Plan, the terms of the Plan shall govern.

11. **Severability.** If any provision of this Agreement is, or becomes, or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any Person or the Award, or would disqualify the Plan or Award under any laws deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent.
of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award, and the remainder of the Plan and Award shall remain in full force and effect.

12. **Notices.** All notices required to be given under this Award shall be deemed to be received if delivered or mailed as provided for herein, to the parties at the following addresses, or to such other address as either party may provide in writing from time to time.

   **To the Company:**

   **To the Grantee:** The address then maintained with respect to the Grantee in the Company’s records.

13. **Governing Law.** The validity, construction and effect of this Agreement shall be determined in accordance with the laws of the State of Delaware without giving effect to conflicts of laws principles.

14. **Successors in Interest.** This Agreement shall inure to the benefit of and be binding upon any successor to the Company. This Agreement shall inure to the benefit of the Grantee’s legal representatives. All obligations imposed upon the Grantee and all rights granted to the Company under this Agreement shall be binding upon the Grantee’s heirs, executors, administrators and successors.

15. **Resolution of Disputes.** Any dispute or disagreement which may arise under, or as a result of, or in any way related to, the interpretation, construction or application of this Agreement shall be determined by the Committee. Any determination made hereunder shall be final, binding and conclusive on the Grantee and the Company for all purposes.
IN WITNESS WHEREOF, the parties have caused this Restricted Stock Award Agreement to be duly executed effective as of the day and year first above written.

EXHIBIT A

i3 VERTICALS, INC.
STOCK OPTION AWARD AGREEMENT

Unless otherwise defined in this Stock Option Award Agreement (this “Agreement”), any capitalized terms used herein will have the meaning ascribed to them in the i3 Verticals, Inc. 2018 Equity Incentive Plan, as amended from time to time (the “Plan”). Participant has been granted an option to purchase Shares (the “Option”) of i3 Verticals, Inc. (the “Company”), subject to the terms, restrictions and conditions of the Plan, the Notice of Stock Option Grant (the “Notice”) and this Agreement.

ARTICLE I
GENERAL

The Option is subject to the terms and conditions set forth in this Agreement and in the Grant Notice and the Plan, which are incorporated herein by reference. In the event of any inconsistency between the Plan and this Agreement, the terms of the Plan shall control.

ARTICLE II
GRANT OF OPTION

2.1 Grant of Option. In consideration of Participant’s past and/or continued employment with or service to the Company or a Subsidiary and for other good and valuable consideration, effective as of the grant date set forth in the Grant Notice (the “Grant Date”), the Company has granted to Participant the Option to purchase any part or all of an aggregate of the number of Shares set forth in the Grant Notice, upon the terms and conditions set forth in the Grant Notice, the Plan and this Agreement, subject to adjustments as provided in Section 4.2 of the Plan. If the Grant Notice indicates that the Option is intended to qualify as an “incentive stock option”, the provisions of the plan applicable to Incentive Stock Options shall apply.

2.2 Exercise Price. The Exercise Price shall be as set forth in the Grant Notice.

2.3 Consideration to the Company. In consideration of the grant of the Option by the Company, Participant agrees to render faithful and efficient services to the Company or any Subsidiary. Nothing in the Plan, the Grant Notice or this Agreement shall confer upon Participant any right to continue in the employ or service of the Company or any Subsidiary or shall interfere with or restrict in any way the rights of the Company and its Subsidiaries, which rights are hereby expressly reserved, to discharge or terminate the services of Participant at any time for any reason whatsoever, with or without cause, except to the extent expressly provided otherwise in a written agreement between the Company or a Subsidiary and Participant.
ARTICLE III
PERIOD OF EXERCISABILITY

3.1 Commencement of Exercisability. Subject to the provisions of Article III, the Option shall become vested and exercisable in such amounts and at such times as are set forth in the Grant Notice. The Option shall not be exercisable prior to the applicable vesting date.

(a) Participant acknowledges that the vesting of the Option pursuant to this Agreement and the Grant Notice is subject to Participant’s continuing Service Relationship. Except as otherwise provided in this Section 3.1, Participant’s right to vest in the Option will terminate as of the date on which Participant’s Service Relationship is terminated.

(b) Notwithstanding Section 3.1(a), upon the termination of the Participant’s Service Relationship with the Company on account of the Participant’s death or Disability, one hundred percent (100%) of the Option that has not yet vested shall vest and be exercisable at such time as set forth in the Grant Notice and this Article III.

(c) Notwithstanding anything contained herein to the contrary, upon the occurrence of a Change in Control in which this Option is not continued or assumed, or with respect to which a substituted award is not issued to the Participant, in each case under the terms and conditions set forth in Section 12.1(a) or (b) of the Plan, this Option shall become vested with respect to one hundred percent of the Shares covered hereby (to the extent not previously forfeited or canceled) and to the extent not exercised prior to the effective time of the Change in Control transaction, shall be canceled in exchange for a payment with respect to each Share covered by this Option in (i) cash, (ii) stock of the Company or of a corporation or other business entity a party to the Change in Control, or (iii) other property which, in any such case, shall be in an amount having a Fair Market Value equal to the Fair Market Value of the consideration to be paid per Share in the Change in Control, reduced by the exercise price per Share covered by this Option (which payment may, for the avoidance of doubt, be $0, in the event the per share exercise price of the Option is greater than the per share consideration in connection with the Change in Control). The Committee may provide that Options whose vesting will be accelerated pursuant to this Section 3.1(c) may be exercisable for a period of time determined by the Committee prior to the effective time of the Change in Control.

3.2 Duration of Exercisability. The Option shall remain vested and exercisable until it becomes unexercisable under Section 3.3 hereof. Participant is responsible for keeping track of these exercise periods following Participant’s termination of its Service Relationship for any reason. The Company will not provide further notice of such periods.

3.3 Expiration of Option. The Option may not be exercised to any extent by anyone after the first to occur of the following events:

(a) The expiration date set forth in the Grant Notice;
Except as the Committee may otherwise approve, in the event the Participant’s Service Relationship is terminated other than for Cause or by reason of Participant’s death or Disability, the expiration of three (3) months from the date of the termination of the Participant’s Service Relationship;

Except as the Committee may otherwise approve, the expiration of one (1) year from the date of the termination of the Participant’s Service Relationship by reason of Participant’s death or Disability; or

Except as the Committee may otherwise approve, on the date of the termination of the Participant’s Service Relationship by the Company for Cause, or if earlier, the date on which the basis for a termination for Cause existed; or

The Option is cancelled pursuant to Section 3.1(c).

In the case of (a) or (b) above, the period of time over which this Option may be exercised shall be automatically extended if on the scheduled expiration of the Option, the Participant’s exercise of such Option would violate applicable securities law; provided, however, that during the extended exercise period the Option may only be exercised to the extent the Option was exercisable in accordance with its terms immediately prior to such scheduled expiration date; and provided further, that such extended exercise period shall end not later than thirty (30) days after the exercise of such Option first would no longer violate such laws.

ARTICLE IV
EXERCISE OF OPTION

4.1 Person Eligible to Exercise. Unless otherwise provided by the Committee in its sole discretion, during the lifetime of Participant, only Participant may exercise the Option or any portion thereof. After the death of Participant, the Option may, prior to the time when the Option becomes unexercisable under Section 3.3 hereof, be exercised by Participant’s personal representative or by any person empowered to do so under the deceased Participant’s will or under the then applicable laws of descent and distribution.

4.2 Manner of Exercise. The Option may be exercised, in whole or in part, at the times set forth in Article III solely by delivery to the Secretary of the Company (or any other person or entity designated by the Company), during regular business hours in person, by mail, via electronic mail or facsimile or by other authorized method of all of the following prior to the time when the Option or such portion thereof becomes unexercisable under Section 3.3 hereof:

(a) An exercise notice in a form specified by the Committee, stating that the Option or portion thereof is thereby exercised and complying with all applicable rules established by the Committee;
(b) The receipt by the Company of full payment for the Shares with respect to which the Option or portion thereof is exercised, in such form of consideration permitted under Section 4.3 hereof that is acceptable to the Committee;

(c) The payment of any applicable withholding tax in accordance with Section 4.4;

(d) Any other written representations or documents as may be required in the Committee’s sole discretion to effect compliance with applicable law; and

(e) In the event the Option or portion thereof shall be exercised pursuant to Section 4.1 hereof by any person or persons other than Participant, appropriate proof of the right of such person or persons to exercise the Option. Notwithstanding any of the foregoing, the Committee shall have the right to specify all conditions of the manner of exercise, which conditions may vary by Participant and which may be subject to change from time to time.

4.3 Method of Payment. Payment of the exercise price shall be by any of the following, or a combination thereof:

(a) Cash or check;

(b) With the consent of the Committee, surrender of Shares (including, without limitation, Shares otherwise issuable upon exercise of the Option that are withheld by the Company) held for such period of time as may be required by the Committee in order to avoid adverse accounting consequences and having a Fair Market Value on the date of delivery equal to the aggregate exercise price of the Option or exercised portion thereof;

(c) With the consent of the Committee and subject to Section 5.17, through the delivery of a notice that Participant has placed a market sell order with a broker designated by the Company with respect to the Shares then issuable upon exercise of the Option, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to the Company in satisfaction of the Option Exercise Price; provided that payment of such proceeds is then made to the Company at such time as may be required by the Committee, but in any event not later than the settlement of such sale; or

(d) Any other form of legal consideration acceptable to the Committee.

4.4 Tax Withholding. Notwithstanding any other provision of this Agreement:

(a) The Company and its Subsidiaries have the authority to deduct or withhold, or require Participant to remit to the Company or the applicable Subsidiary, an amount sufficient to satisfy applicable federal, state, local and foreign taxes (including the employee portion of any FICA obligation) required by law to be withheld with respect to any taxable event arising pursuant to this Agreement. The Company and its Subsidiaries may withhold or Participant may make such payment in one or more of the forms specified below:
(i) by cash or check made payable to the Company or the Subsidiary with respect to which the withholding obligation arises;

(ii) by the deduction of such amount from other cash compensation payable to Participant;

(iii) with the consent of the Committee, by requesting that the Company withhold a net number of Shares issuable upon the exercise of the Option having a then current Fair Market Value not exceeding the amount necessary to satisfy the withholding obligation of the Company and its Subsidiaries based on a rate not to exceed the maximum applicable statutory withholding rates for federal, state, local and foreign income tax and payroll tax purposes;

(iv) with the consent of the Committee, by tendering to the Company Shares having a then current Fair Market Value not exceeding the amount necessary to satisfy the withholding obligation of the Company and its Subsidiaries due upon the exercise of the Option based on a rate not to exceed the maximum applicable statutory withholding rates for federal, state, local and foreign income tax and payroll tax purposes;

(v) with the consent of the Committee, through the delivery of a notice that Participant has placed a market sell order with a broker designated by the Company with respect to Shares then issuable upon exercise of the Option, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to the Company or the Subsidiary with respect to which the withholding obligation arises in satisfaction of such withholding taxes; provided that payment of such proceeds is then made to the Company or the applicable Subsidiary at such time as may be required by the Committee, but in any event not later than the settlement of such sale; or

(vi) in any combination of the foregoing.

(b) With respect to any withholding taxes arising in connection with the Option, in the event Participant fails to provide timely payment of all sums required pursuant to Section 4.4(a), the Company shall have the right and option, but not the obligation, to treat such failure as an election by Participant to satisfy all or any portion of Participant’s required payment obligation pursuant to Section 4.4(a)(ii) or Section 4.4(a)(iii) above, or any combination of the foregoing as the Company may determine to be appropriate. The Company shall not be obligated to deliver any certificate representing Shares issuable with respect to the exercise of the Option to Participant or his or her legal representative unless and until Participant or his or her legal representative shall have paid or otherwise satisfied in full the amount of all federal, state, local and foreign taxes applicable with respect to the taxable income of Participant resulting from the exercise of the Option or any other taxable event related to the Option.

(c) Participant is ultimately liable and responsible for all taxes owed in connection with the Option, regardless of any action the Company or any Subsidiary takes with respect to any tax withholding obligations that arise in connection with the Option. Neither the
Company nor any Subsidiary makes any representation or undertaking regarding the treatment of any tax withholding in connection with the awarding, vesting or exercise of the Option or the subsequent sale of Shares. The Company and the Subsidiaries do not commit, and are under no obligation, to structure the Option to reduce or eliminate Participant’s tax liability.

4.5 **Conditions to Issuance of Stock.** The Company shall not be required to issue or deliver any Shares purchased upon the exercise of the Option or portion thereof prior to fulfillment of all of the following conditions: (A) the admission of such Shares to listing on all stock exchanges on which such Shares are then listed, (B) the completion of any registration or other qualification of such Shares under any state or federal law or under rulings or regulations of the Securities and Exchange Commission or other governmental regulatory body, that the Committee shall, in its absolute discretion, deem necessary or advisable, (C) the obtaining of any approval or other clearance from any state or federal governmental agency that the Committee shall, in its absolute discretion, determine to be necessary or advisable, (D) the receipt by the Company of full payment for such shares of Stock, which may be in one or more of the forms of consideration permitted under Section 4.3 hereof, and (E) the receipt of full payment of any applicable withholding tax in accordance with Section 4.4 by the Company or its Subsidiary with respect to which the applicable withholding obligation arises.

4.6 **Rights as Stockholder.** Neither Participant nor any person claiming under or through Participant will have any of the rights or privileges of a stockholder of the Company in respect of any shares of Stock purchasable upon the exercise of any part of the Option unless and until certificates representing such shares of Stock (which may be in book-entry form) will have been issued and recorded on the records of the Company or its transfer agents or registrars and delivered to Participant (including through electronic delivery to a brokerage account). No adjustment will be made for a dividend or other right for which the record date is prior to the date of such issuance, recordation and delivery, except as provided in Section 4.2 of the Plan.

**ARTICLE V**

**OTHER PROVISIONS**

5.1 **Administration.** The Committee shall have the power to interpret the Plan, the Grant Notice and this Agreement and to adopt such rules for the administration, interpretation and application of the Plan, the Grant Notice and this Agreement as are consistent therewith and to interpret, amend or revoke any such rules. All actions taken and all interpretations and determinations made by the Committee will be final and binding upon Participant, the Company and all other interested persons. To the extent allowable pursuant to applicable law, no member of the Committee or the Board will be personally liable for any action, determination or interpretation made with respect to the Plan, the Grant Notice or this Agreement.

5.2 **Whole Shares.** The Option may be exercised only for whole shares of Stock.

5.3 **Option Not Transferable.** Subject to Section 4.1 hereof, the Option may not be sold, pledged, assigned or transferred in any manner other than by will or the laws of descent and
distribution, unless and until the shares of Stock underlying the Option have been issued, and all restrictions applicable to such shares of Stock have lapsed. Neither the Option nor any interest or right therein or part thereof shall be liable for the debts, contracts or engagements of Participant or his or her successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect, except to the extent that such disposition is permitted by the preceding sentence.

5.4 Adjustments. Upon the occurrence of certain events relating to the Shares contemplated by Section 4.2 of the Plan (including, without limitation, an extraordinary cash dividend on such Shares), the Committee shall make such adjustments as the Committee deems appropriate in the number of Shares subject to the Option, the exercise price of the Option and the kind of securities that may be issued upon exercise of the Option. Participant acknowledges that the Option is subject to adjustment, modification and termination in certain events as provided in this Agreement and Section 4.2 of the Plan.

5.5 Notices. Any notice to be given under the terms of this Agreement to the Company shall be addressed to the Company in care of the Secretary of the Company at the Company’s principal office, and any notice to be given to Participant shall be addressed to Participant at Participant’s last address reflected on the Company’s records. By a notice given pursuant to this Section 5.5, either party may hereafter designate a different address for notices to be given to that party. Any notice that is required to be given to Participant shall, if Participant is then deceased, be given to the person entitled to exercise the Option pursuant to Section 4.1 hereof by written notice under this Section 5.5. Any notice shall be deemed duly given when sent via email or when sent by certified mail (return receipt requested) and deposited (with postage prepaid) in a post office or branch post office regularly maintained by the United States Postal Service.

5.6 Titles. Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of this Agreement.

5.7 Governing Law. The laws of the State of Delaware shall govern the interpretation, validity, administration, enforcement and performance of the terms of this Agreement regardless of the law that might be applied under principles of conflicts of laws.

5.8 Conformity to Securities Laws. Participant acknowledges that the Plan, the Grant Notice and this Agreement are intended to conform to the extent necessary with all applicable laws, including, without limitation, the provisions of the Securities Act and the Exchange Act and any and all regulations and rules promulgated thereunder by the Securities and Exchange Commission and state securities laws and regulations. Notwithstanding anything herein to the contrary, the Plan shall be administered, and the Option is granted and may be exercised, only in such a manner as to conform to applicable law. To the extent permitted by applicable law, the Plan and this Agreement shall be deemed amended to the extent necessary to conform to applicable law.
5.9 Amendment, Suspension and Termination. To the extent permitted by the Plan, this Agreement may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Committee or the Board, provided that, except as may otherwise be provided by the Plan, no amendment, modification, suspension or termination of this Agreement shall adversely affect the Option in any material way without the prior written consent of Participant.

5.10 Successors and Assigns. The Company may assign any of its rights under this Agreement to single or multiple assignees, and this Agreement shall inure to the benefit of the successors and assigns of the Company. Subject to the restrictions on transfer set forth in Section 5.3 and the Plan, this Agreement shall be binding upon and inure to the benefit of the heirs, legatees, legal representatives, successors and assigns of the parties hereto.

5.11 Limitations Applicable to Section 16 Persons. Notwithstanding any other provision of the Plan or this Agreement, if Participant is subject to Section 16 of the Exchange Act, the Plan, the Option, the Grant Notice and this Agreement shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, this Agreement shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

5.12 Entire Agreement. The Plan, the Grant Notice and this Agreement (including any exhibit hereto) constitute the entire agreement of the parties and supersede in their entirety all prior undertakings and agreements of the Company and Participant with respect to the subject matter hereof.

5.13 Section 409A. This Award is not intended to constitute “deferred compensation” within the meaning of Section 409A of the Code (together with any Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the date hereof, “Section 409A”). However, notwithstanding any other provision of the Plan, the Grant Notice or this Agreement, if at any time the Committee determines that this Award (or any portion thereof) may be subject to Section 409A, the Committee shall have the right in its sole discretion (without any obligation to do so or to indemnify Participant or any other person for failure to do so) to adopt such amendments to the Plan, the Grant Notice or this Agreement, or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, as the Committee determines are necessary or appropriate for this Award either to be exempt from the application of Section 409A or to comply with the requirements of Section 409A. Nothing in the Plan or this Agreement shall be construed to make the Company liable to Participant for any tax, interest, or penalties that Participant might owe as a result of the grant, holding, vesting, exercise, or payment of this Option or any Stock related thereto.

5.14 Agreement Severable. In the event that any provision of the Grant Notice or this Agreement is held invalid or unenforceable, such provision will be severable from, and such invalidity or unenforceability will not be construed to have any effect on, the remaining provisions of the Grant Notice or this Agreement.
Limitation on Participant’s Rights. Participation in the Plan confers no rights or interests other than as herein provided. This Agreement creates only a contractual obligation on the part of the Company as to amounts payable and shall not be construed as creating a trust. Neither the Plan nor any underlying program, in and of itself, has any assets. Participant shall have only the rights of a general unsecured creditor of the Company with respect to amounts credited and benefits payable, if any, with respect to the Option, and rights no greater than the right to receive the Stock as a general unsecured creditor with respect to options, as and when exercised pursuant to the terms hereof.

Employee accepts employment upon the terms set forth in this Agreement and will perform such duties diligently to the best of his abilities in a manner that promotes the interests and goodwill of the Company. Employee will faithfully devote his best efforts and his working time to and for the benefit of the Company; provided, however, that Employee may, at his option, devote reasonable time and attention to civic, charitable, business or social organizations or speaking engagements as he deems appropriate and that does not reasonably interfere with the performance of his duties hereunder. Nothing in this Agreement shall be construed to prohibit Employee from investing in other businesses, so long as such investment activity is passive, is consistent with Employee's duties hereunder and is permissible under Section 4.1. Employee is currently a member of the Company's Board, and the Company will take all reasonable efforts to ensure that Employee is annually elected to the Company's Board.

ARTICLE II. COMPENSATION

Section 2.1 GENERAL TERMS.

(a) Base compensation. For the twelve-month period beginning May 5, 2014, the Company shall provide basic compensation to the Employee at the rate of $200,000 payable in accordance with the Company's ordinary payroll policies. Thereafter, base compensation shall be continued for the term of Employee's employment, but the rate thereof shall be reviewed annually by the board of directors of
the Company (the "Board") or the compensation committee of the Board. Any increases that are memorialized in the minutes of the Board shall be incorporated herein by reference without further action by the Employee or Company.

(b) Bonus. Employee shall be paid each year a bonus of 50% of the amount specified in Section 2.1(a), provided that Employee has satisfactorily achieved the objective performance criteria that is established for Employee for each fiscal year of the Company. The Board shall reasonably determine whether Employee has achieved such performance objectives, and the Company shall pay the bonus not later than two and a half months following the end of the fiscal year for which the bonus applies or, if later, upon the determination by the Company that the performance criteria has been satisfied. The Board may, in its sole discretion, authorize payment of a pro rata bonus for performance which is greater or lesser than the performance objectives that had been prescribed for any year, considering the actual performance of Employee, the business and financial condition of the Company and the operating results achieved. Upon the occurrence of a Change in Control (as defined in Section 7.2), however, the bonus amount paid for each fiscal year of the Company shall in all events be at least the amount of highest bonus that had been determined by the Board (whether or not paid to Employee prior to the Change in Control) during any of the three fiscal years that precede the Change in Control.

Section 2.2 REIMBURSEMENT. It is acknowledged by the parties that Employee, in connection with the services to be performed by him pursuant to the terms of this Agreement, will be required to make payments for travel, communications, entertainment of business associates and similar expenses. Employee will comply with such budget limitations and approval and reporting requirements with respect to expenses as the Company may establish from time to time.

(a) General. During the term of this Agreement, Company shall provide Employee with employee and fringe benefits under any and all employee benefit plans and programs which are from time to time generally made available to the executive employees of the Company, including, without limitation, health and disability benefits. Provided, however, that nothing in this Agreement shall require the Company to maintain such plans or programs nor prohibit the Company from terminating, amending or modifying such plans and programs, as the Company, in its sole discretion, may deem advisable. In all events, including but not limited to, the funding, operation, management, participation, vesting, termination, amendment or modification of such plans and programs, the rights and benefits of Employee shall be governed solely by the terms of the plans and programs, as provided in such plans, programs or any contract or agreement related thereto. Nothing in this Agreement shall be deemed to amend or modify any such plan or program.

To the extent required by any plan, Employee's participation in the plan or its benefits may be contingent upon an employee contribution or salary reduction agreement. Failure of Employee to make such required contribution or execute a salary reduction agreement will result in Employee not participating or benefiting under said plan for the applicable plan year. Any employee contribution, through a salary reduction agreement or otherwise, which Employee is required or permitted to make shall be paid out of Employee's salary or if the plan so permits, his bonus, if any.
(b) **Death Benefits.** In the event of Employee's death during the term of this Agreement, the Company shall provide to Employee's spouse and dependent children, at the expense of the Company and for a period of 12 months after Employee's death, medical and dental benefits comparable to those provided by the terms and conditions of the Company's then existing medical and dental benefit plans, if any. Thereafter, the Company will extend continuation coverage benefits to Employee's spouse and dependent children, as required under federal or state law (i.e., COBRA) upon the loss of coverage occurring at the expiration of the 12 month term.

(c) **Vacation Leave.** The Company and Employee acknowledge and agree that Employee shall be entitled to receive five weeks paid vacation time during each calendar year for the term of this Agreement. The Company and Employee further acknowledge and agree that subsequent vacation levels may be modified by the mutual agreement of the parties to this Agreement.

**Section 2.4 EQUITY GRANTS.** As partial compensation for Employee's service as a Director of the Company, the Company has previously granted Employee 83,722 Class P Units (the "Director Units") of the Company, pursuant to the terms of that certain Class P Unit Agreement, dated January 14, 2014 (the "Director Unit Agreement"), with such Director Units to be subject at all times to the terms of the Director Unit Agreement and the Operating Agreement. In addition, as partial compensation for Employee's service as Chief Financial Officer and Treasurer of the Company, the Company has granted Employee 334,887 Class P Units (the "CFO Units") of the Company, pursuant to the terms of that certain Class P Unit Agreement, dated January 14, 2014 (the "CFO Unit Agreement"), with such CFO Units to be subject at all times to the terms and conditions of the CFO Unit Agreement and Operating Agreement.

**ARTICLE III. NONDISCLOSURE OF CONFIDENTIAL INFORMATION**

**Section 3.1 DEFINITIONS.** For purposes of this Agreement, "Confidential Information" is any data or information that is unique to the Company, proprietary, competitively sensitive, and not generally known by the public, including, but not limited to, the Company's business plan, customers, prospective customers ("prospective customers" is understood to mean those potential customers with whom or with which the Company is engaged in active discussion about a business relationship), training manuals, product development plans, bidding and pricing procedures, market plans and strategies, business plans and projections, internal performance statistics, financial data, confidential information concerning employees of the Company, operational or administrative plans, policy manuals, terms and conditions of contracts and agreements, and all similar information related to the business of the Company's customers or potential customers or suppliers, other than information that is publicly available. The term "Confidential Information" shall not apply to information which is (i) already in Employee's possession (unless such information was obtained by Employee from the Company in the course of Employee's employment by the Company); (ii) received by Employee from a third party with no restriction on disclosure or (iii) required to be disclosed by any applicable law or by an order of a court of competent jurisdiction.

**Section 3.2 USE AND DISCLOSURE.** Employee recognizes and acknowledges that the Confidential Information constitutes valuable, special and unique assets of the Company and its affiliates. Except as required to perform Employee's duties as an employee of the Company, and during the period that Employee is employed by the Company, or until such sooner time that any item described in Section
3.1 ceases to be Confidential Information through no act of Employee in violation of this Agreement, Employee will not use or disclose any Confidential Information of the Company.

ARTICLE IV. NONCOMPETITION

Section 4.1 RESTRICTION. In consideration for the benefits Employee is receiving hereunder, Employee hereby acknowledges, and for other good and valuable consideration, agrees that during the period beginning on the date hereof and ending one (1) year after the termination of Employee's employment with the Company for any reason, Employee, directly or indirectly, shall not (i) compete with the Company to provide merchant credit card authorization processing and settlement services, Automated Teller Machines, debit services, check guarantee services, payroll processing services, payment systems and related commerce, or gift and loyalty card processing, for any company that provides as its principle business electronic payment processing equipment to any of the customers or clients of the Company wherever located who are either customers or clients of the Company or who have been identified as potential customers or clients of the Company as of the termination of Employee's employment; (ii) solicit or hire any employee of the Company; or (iii) interfere with, disrupt or attempt to disrupt any present or prospective business relationship, contractual or otherwise, related to or arising from any merchant account or any agreement, relationship or contractual arrangement between the Company and any merchant; provided, however, nothing herein shall prevent Employee from contracting with any such merchant in a manner that does not interfere with, disrupt or attempt to disrupt any contractual relationship between such person and the Company; and further provided that such restrictions shall not prohibit Employee from investing in any business (including any business meeting the description in (i) above), so long as such investment activity is passive and consistent with Employee's duties as an officer and director of the Company and his duties hereunder, including, without limitation, Employee's current, passive investment in edo Interactive, Inc. (including the future exercise of any options and/or warrants or conversion of any securities into common stock).

Section 4.2 REMEDIES. Employee agrees and acknowledges that the violation of the covenants in Section 4.1 would cause irreparable injury to the Company and that the remedy at law for any violation or threatened violation would be inadequate and that the Company shall be entitled to temporary and permanent injunctive relief or other equitable relief without the necessity of proving actual damages. Employee represents that enforcement of a remedy by way of injunction will not prevent him from earning a livelihood. Employee further represents and admits that time periods contained in Section 4.1 are reasonably necessary to protect the interests of the Company and would not unfairly or unreasonably restrict Employee. Such relief shall be in addition to any other remedies available to Company, including specifically without intending any limitation, the recovery of damages.

Section 4.3 REFORMATION AND SEVERANCE. If a judicial determination is made that any of the provisions of Section 4.1 constitutes an unreasonable or otherwise unenforceable restriction against Employee, it shall be rendered void only to the extent that such judicial determination finds such provisions to be unreasonable or otherwise unenforceable. In this regard, the parties hereby agree that any judicial authority construing this Agreement shall be empowered to sever any portion of the prohibited business activity from the coverage of this restriction and to apply the restriction to the remaining portion of the business activities not so severed by such judicial authority.

ARTICLE V. TERM OF AGREEMENT
This Agreement shall continue in full force and effect for a period of one (1) year commencing on the Effective Date. At the beginning of each month after the Effective Date, the term of this Agreement shall automatically be extended for an additional month so that the term of the Agreement on such date is a period of 12 months.

ARTICLE VI. TERMINATION

Section 6.1 TERMINATION. Employee’s employment hereunder will terminate prior to the time set forth in Article V hereof upon the occurrence of the following events:

(a) By Company Without Cause. The Company may terminate this Agreement at any time without “Cause”, as defined in Section 6.1(c) below, upon written notice to Employee. At the time of such termination, Company will both (i) pay to Employee the amount of compensation then in effect under Section 2.1, and (ii) continue to provide Employee with the benefits described in Section 2.3(a) for the term of the Agreement, as determined under Article V, provided that any partial month remaining in the term of the Agreement shall be treated as a full month. In addition, Employee shall receive any bonuses that have been earned under Section 2.1(b) but have not been paid. Employee also shall be entitled to receive expense reimbursements under Section 2.2 hereof for expenses incurred in the performance of his duties prior to termination. A termination of this Agreement without Cause will be deemed to have occurred if the Company provides written notice of such to the Employee, or otherwise prevents the Employee from performing his duties hereunder, unless termination of this Agreement is due to the circumstances described in any of paragraphs Section 6.1(b), (c), (d) or (e).

(b) By Employee Without Cause. Employee may terminate this Agreement at any time for any reason upon written notice. At the time of such termination, Company will pay to Employee the amount of compensation determined under Section 2.1, such amounts to be adjusted pro rata for the portion of the term of the Agreement completed on the date of termination. Employee shall also be entitled to reimbursement pursuant to Section 2.2 for expenses incurred in the performance of his duties hereunder prior to termination.

(c) By Company With Cause. This Agreement may be terminated by Company at any time upon written notice for any of the following reasons (collectively, such reasons to be defined as “Cause”):

I. conviction of the Employee for a felony which in the reasonable judgment of the Board materially affects Employee’s ability to perform his duties pursuant to this Agreement;

II. commission by Employee of an act of fraud, embezzlement, or material dishonesty against the Company or its affiliates;

III. intentional neglect of or material inattention to Employee’s duties, which neglect or inattention remains uncorrected for more than fifteen days following written notice from the Board detailing the Board’s concern; or

IV. the Employee taking any actions which would have a material detrimental effect on the Company or its affiliates or in any way materially harm the reputation of the
At the time of such termination, Company will pay to Employee the amount of compensation determined under Section 2.1(a), such amounts to be adjusted pro rata for the portion of the term of the Agreement completed on the date of termination; provided, however, that if such termination occurs after a Change in Control (as defined in Section 7.2), then Employee will receive the amounts specified in Section 7.1. Employee shall also be entitled to reimbursement pursuant to Section 2.2 for expenses incurred in the performance of his duties hereunder prior to termination.

(d) **Termination on Death.** In the event of Employee's death, this Agreement will be deemed to have terminated on the date of his death. At the time of such termination, Company will pay to the testamentary trusts created by Employee's will, or if there are no such trusts, to his estate, the amount of compensation determined under Section 2.1 that is in effect at the time of termination, such amount to be adjusted pro rata for the portion of the term of the Agreement completed on the date of termination. Company will additionally make a one-time payment in an amount equal to 50% of the annual amount payable under Section 2.1(a) at the time of Employee's death. Company shall also pay to such testamentary trusts or Employee's estate reimbursement pursuant to Section 2.2 for expenses incurred in the performance of his duties hereunder prior to termination.

(e) **Termination on Disability.** This Agreement will terminate immediately in the event Employee becomes physically or mentally disabled. Employee will be deemed disabled if, as a result of Employee's incapacity due to physical or mental illness, Employee shall have been absent from his duties with the Company on a full-time basis for 120 consecutive business days. At the time of such termination, Company will pay to Employee the amount of compensation determined under Section 2.1 that is in effect at the time of termination, such amount to be adjusted pro rata for the portion of the term of the Agreement completed on the date of termination. In addition, Employee shall, on the date of such termination, be entitled to receive a one-time payment in an amount equal to 50% of the annual amount payable under Section 2.1(a) at the time of termination. Employee shall also be entitled to reimbursement pursuant to Section 2.2 for expenses incurred in the performance of his duties hereunder prior to termination.

(f) **By Employee for Good Reason.** Employee may upon 10 days prior written notice terminate this Agreement for "Good Reason", as defined below. At the time of such termination, Company shall continue to pay salary to Employee at the periodic rate that is in effect at the time of notice pursuant to Section 2.1 for the term of the Agreement until the effective date of termination. In addition, Company will provide Employee with each of the severance benefits described in Section 6.1 (a) and all expense reimbursements under Section 2.2 for expenses incurred in the performance of his duties prior to and contemporaneously with termination. Termination for "Good Reason" for purposes of this Section 6.1(f), is a termination of employment either before or after a Change in Control (defined in Section 7.2) under any of the following circumstances:

I. A material diminution in Employee's position, responsibilities or status from that which was previously in effect;
II. A reduction in Employee's compensation that is payable pursuant to Section 2.1 or a substantial reduction in benefits provided to Employee that are described in Section 2.3, as such amounts were previously in effect.

III. Relocation of Employee to a location that is more than 35 miles from the location of the Company's headquarters on the date this Agreement is executed.

Section 6.2 INTERNAL REVENUE CODE SECTION 409A.

(a) The Company and Employee intend that the payments and benefits provided for in this Agreement either be exempt from Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), or be provided in a manner that complies with Section 409A of the Code, and any ambiguity herein shall be interpreted so as to be consistent with the intent of this Section 6.2. In the event taxes, penalties or interest are imposed on Employee pursuant to Code Section 409A (collectively, "409A Payments"), then the Company shall fully indemnify Employee for or with respect to such 409A Payments, plus such additional "gross up" amount as may be necessary to make Employee whole for any taxes payable with respect to the amounts paid pursuant to such indemnification.

(b) Notwithstanding anything contained herein to the contrary, all severance or similar payments and benefits hereunder, other than any amounts payable by reason of Employee's death or disability, shall be paid or provided only if termination of Employee's employment constitutes a "separation from service" from the Company within the meaning of Section 409A of the Code and the regulations and guidance promulgated thereunder (determined after applying the presumptions set forth in Treas. Reg. § 1.409A-1(h)(1)). The Company and Employee further intend that all severance or similar payments and benefits under this Agreement shall satisfy, to the greatest extent possible, the exemptions from the application of Section 409A of the Code, including those provided under Treas. Reg. §§ 1.409A-1(b)(4) (regarding short-term deferrals), 1.409A-1(b)(9)(iii) (regarding certain separation pay plans), and 1.409A-1(b)(9)(v) (regarding reimbursements and certain other separation payments). Each payment or installment of severance or similar payments provided under this Agreement will be treated as a separate "payment" for purposes of Code Section 409A.

(c) If, upon the termination of Employee's employment with the Company, (i) Employee is a Specified Employee (as defined herein) of a public company (as defined for purposes of Code Section 409(a)(2)(B)(i)) and (ii) any severance or similar payments or benefits provided in this Agreement constitute nonqualified deferred compensation under Code Section 409A because they do not qualify for any available exemptions, then the amount of such nonqualified deferred compensation that would otherwise be paid within the first six months following such termination of employment shall instead be withheld and paid in a single lump sum payment on the first regularly scheduled payroll date immediately following the date that is six months after the date of such termination, without adjustment for the delay in payment. For purposes of this Agreement, a "Specified Employee" means a "specified employee" as defined for purposes of Code Section 409A(a)(2)(B)(i), as amended from time to time. The foregoing shall not apply with respect to any amounts payable hereunder by reason of Employee's death or disability.

(d) Notwithstanding anything to the contrary in this Agreement: (a) in-kind benefits and reimbursements provided under this Agreement during any calendar year shall not affect in kind benefits
or reimbursements to be provided in any other calendar year, other than an arrangement providing for the reimbursement of medical expenses referred to in Section 105(b) of the Code, and are not subject to liquidation or exchange for another benefit; (b) reimbursement requests must be timely submitted by Employee and, if timely submitted, reimbursement payments shall be promptly made to Employee following such submission, but in no event later than December 31st of the calendar year following the calendar year in which the expense was incurred; and (c) in no event shall Employee be entitled to any reimbursement payments after December 31st of the calendar year following the calendar year in which the expense was incurred. The preceding sentence shall only apply to in-kind benefits and reimbursements that would result in taxable compensation income to Employee.

(e) In the event that following the date hereof the Company or Employee reasonably determines that any compensation or benefits payable under this Agreement may be subject to Section 409A of the Code, the Company and Employee shall work together to adopt such amendments to this Agreement or adopt other policies or procedures (including amendments, policies and procedures with retroactive effect), or take any other commercially reasonable actions necessary or appropriate to (i) exempt the compensation and benefits payable under this Agreement from Section 409A of the Code and/or preserve the intended tax treatment of the compensation and benefits provided with respect to this Agreement or (ii) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance.

ARTICLE VII. CHANGE IN CONTROL TERMINATION PAYMENT

Section 7.1 TERMINATION PAYMENT.

(a) Amount. Notwithstanding anything to the contrary contained in Article VI hereof, if within the 6 month period following a Change in Control (as defined in Section 7.2), Employee's employment with the Company terminates for any reason, then the Company will pay Employee a lump sum payment (the "Termination Payment") which is the sum of the following:

I. One times Employee's annual base compensation determined by reference to his base salary in effect at the time of Change In Control.
II. One times the annual bonus described in Section 2.1(b).
III. Continuation of benefits described in Section 2.3 for a period of one year following termination of employment.

(b) Time for Payment; Interest. The Termination Payment made under this Section 7.1 shall be paid to Employee in a single lump sum within ten days following the date of termination. The Company's obligation to pay to Employee any amounts under this Section 7.1, including without limitation the Termination Payment will bear interest at the prime rate as quoted in The Wall Street Journal plus 2%, and all accrued and unpaid interest will bear interest at the same rate, all of which interest will be compounded annually.

(c) Golden Parachute Tax. In the event it shall be reasonably determined in good faith by Employer that any payment or distribution by Employer to or for the benefit of Employee (whether paid
or payable or distributed or distributable pursuant to the terms of this Agreement or otherwise) (a "Payment") would be subject to the excise tax imposed by Section 4999 of the Code (such excise tax, the "Excise Tax"). and such Payment can be rendered exempt from the Excise Tax pursuant to the stockholder approval provisions of Section 280G(b)(5) of the Code and the Treasury Regulations promulgated thereunder, then Employer and Employee shall fully cooperate and together take all steps reasonably necessary in compliance with Section 280G(b)(5) of the Code and the Treasury Regulations promulgated thereunder, including providing adequate disclosure to the stockholders of Employer (within the meaning of Section 280G(b)(5)(B)(ii) of the Code and the Treasury Regulations promulgated thereunder) and conducting a vote of all the stockholders of Employer (within the meaning of Treasury Regulation Section 1.2800-1, Q/A-7(b)) so that in the event the stockholder approval requirements of Section 280G(b)(5)(B)(i) of the Code are met in connection with such stockholder vote, no Payment would be subject to the Excise Tax, without regard to whether or not such stockholder approval requirements are actually met in connection with such stockholder vote.

Section 7.2 CHANGE IN CONTROL. A Change In Control will be deemed to have occurred for purposes hereof, if:

(a) any "person" as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended, other than a trustee or other fiduciary holding securities under an employee benefit plan of Company or a corporation controlling the Company or owned directly or indirectly by the stockholders of Company in substantially the same proportions as their ownership of Company stock, becomes the "beneficial owner" (as defined in SEC Rule 13d-3), directly or indirectly, of securities of Company representing more than 40% of the total voting power represented by Company's then outstanding Voting Securities (as defined below), or

(b) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board and any new director whose election by the Board was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute a majority thereof, or

(c) the members of the Company approve a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the Voting Securities outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into Voting Securities) more than 65% of the total voting power represented by the Voting Securities outstanding immediately after such merger or consolidation, or the members of the Company approve a plan of complete liquidation of the Company or an agreement for the sale or disposition by Company of all or substantially all of its assets. For purposes of this section "Voting Securities" shall mean any securities of Company or its survivor which vote generally in the election of its directors.

Section 7.3 NO RIGHT TO CONTINUED EMPLOYMENT. This Article VII will not give Employee any right of continued employment or any right to compensation or benefits from the Company except the rights specifically stated herein.
ARTICLE VIII. ARBITRATION

Section 8.1 SCOPE. The Company and Employee acknowledge and agree that any claim or controversy arising out of or relating to Article VII of this Agreement shall be settled by non-binding arbitration in Nashville, Tennessee, in accordance with the National Rules of the American Arbitration Association for the Resolution of Employment Disputes in effect on the date of the event giving rise to the claim or controversy. The Company and Employee further acknowledge and agree that either party must request arbitration of any claim or controversy within 60 days of the date of the event giving rise to the claim or controversy by giving written notice of the party's request for arbitration. Failure to give notice of any claim of controversy within 60 days of the event giving rise to the claim or controversy shall constitute waiver of the claim or controversy.

Section 8.2 PROCEDURES. All claims or controversies subject to arbitration shall be submitted to arbitration within six months from the date that a written notice of request for arbitration is effective. All claims or controversies shall be resolved by a panel of three arbitrators who are licensed to practice law in the State of Tennessee and who are experienced in the arbitration of labor and employment disputes. The arbitrators shall issue a written decision with respect to all claims or controversies within 30 days from the date the claims or controversies are submitted to arbitration. The parties shall be entitled to be represented by legal counsel at any arbitration proceedings. Employee and the Company acknowledge and agree that the Company will bear the cost of the arbitration proceeding, including any stenographic recording, and each party shall be responsible for paying its own attorneys' fees, if any, unless the arbitrators determine otherwise.

Section 8.3 ENFORCEMENT. The Company and Employee acknowledge and agree that the arbitration provisions in this Agreement may be specifically enforced by either party, and that submission to arbitration proceedings may be compelled by any court of competent jurisdiction. The Company and Employee further acknowledge and agree that the decision of the arbitrators may be specifically enforced by either party in any court of competent jurisdiction.

Section 8.4 LIMITATIONS. Notwithstanding the arbitration provisions set forth herein, Employee and the Company acknowledge and agree that nothing in this Agreement shall be construed to require the arbitration of any claim or controversy arising under Articles III or IV of this Agreement. These provisions shall be enforceable by any court of competent jurisdiction and shall not be subject to arbitration except by mutual written consent of the parties signed after the dispute arises, any such consent, and the terms and conditions thereof, then becoming binding on the parties. Employee and the Company further acknowledge and agree that nothing in this Agreement shall be construed to require arbitration of any claim for workers' compensation or unemployment compensation.

Company agrees to reimburse Employee for any legal fees incurred by Employee as a result of the preparation, review and negotiation of this Agreement, up to a maximum of $10,000.00.

Section 9.6 CHOICE OF LAW. This Agreement and the performance hereof will be construed and governed in accordance with the laws of the State of Tennessee, without regard to its choice of law principles.
Section 9.7 SUCCESSORS AND ASSIGNS. The obligations, duties and responsibilities of Employee under this Agreement are personal and shall not be assignable. In the event of Employee's death or disability, this Agreement shall be enforceable by Employee's estate, executors or legal representatives.

Section 9.8 WAIVER OF PROVISIONS. Any waiver of any terms and conditions hereof must be in writing and signed by the parties hereto. The waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any subsequent breach of the same or any other terms and conditions hereof.

Section 9.9 SEVERABILITY. The provisions of this Agreement shall be deemed severable, and if any portion shall be held invalid, illegal or enforceable for any reason, the remainder of this Agreement shall be effective and binding upon the parties provided that the substance of the economic relationship created by this Agreement remains materially unchanged.

Section 9.10 REMEDIES. The parties hereto acknowledge and agree that upon any breach by Employee of his obligations under either of Articles III and IV hereof, the Company will have no adequate remedy at law, and accordingly will be entitled to specific performance and other appropriate injunctive and equitable relief. No remedy set forth in this Agreement or otherwise conferred upon or reserved to any party shall be considered exclusive of any other remedy available to any party, but the same shall be distinct, separate and cumulative and may be exercised from time to time as often as occasion may arise or as may be deemed expedient.

Section 9.11 COUNTERPARTS. This Agreement may be executed in multiple counterparts, each of which will be deemed an original, and all of which together will constitute one and the same instrument. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or PDF format shall be as effective as the delivery of a manually executed counterpart of this Agreement.

This CHANGE IN CONTROL AGREEMENT ("Agreement") is entered into as of May 10, 2017 by and between i3 Verticals, LLC, a Delaware limited liability Company (the "Company"), and Paul Maple, a resident of the State of Tennessee ("Employee") to be effective as of the employment commencement date of Employee, which is anticipated to be June 5, 2017 (the "Effective Date").

WITNESSETH:

WHEREAS, the Company has extended an offer of employment to Employee to become the general counsel of the Company, with such employment to be at-will and subject to restrictive covenants executed by the Employee upon commencement of such employment;

WHEREAS, the Company desires to provide Employee with certain financial protections in the event the Company undergoes a change in control;

NOW, THEREFORE, based upon the premises set forth herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

ARTICLE I. DEFINITIONS

The capitalized terms as used in this Agreement shall have the definitions described in this Article I.

Section 1.1 Cause. Termination for "Cause" shall occur upon a termination employment by Company at any time upon written notice for any of the following reasons:

I. conviction of the Employee for a felony which in the reasonable judgment of the Board materially affects Employee's ability to perform his duties pursuant to this Agreement;

II. commission by Employee of an act of fraud, embezzlement, or material dishonesty against the Company or its affiliates;

III. intentional neglect of or material inattention to Employee's duties, which neglect or inattention remains uncorrected for more than fifteen days following written notice from the Board detailing the Board's concern; or

IV. the Employee taking any actions which would have a material detrimental effect on the Company or its affiliates or in any way materially harm the reputation of the Company or its affiliates, and such actions are not cured within fifteen days of the Employee receiving written notification thereof.

Section 1.2 Change in Control. A Change in Control will be deemed to have occurred for purposes hereof, if:

1
(a) any "person" as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended, other than a trustee or other fiduciary
holding securities under an employee benefit plan of Company or a company controlling the Company or owned directly or indirectly by the equity holders of the
Company in substantially the same proportions as their ownership of Company securities, becomes the "beneficial owner" (as defined in SEC Rule 13d-3), directly or
indirectly, of securities of Company representing more than 40% of the total voting power represented by Company's then outstanding Voting Securities (as defined
below), or
(b) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board and any new director whose election
by the Board was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election or
nomination for election was previously so approved, cease for any reason to constitute a majority thereof, or
(c) the members of the Company approve a merger or consolidation of the Company with any other company, other than a merger or consolidation which
would result in the Voting Securities outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into Voting
Securities) more than 65% of the total voting power represented by the Voting Securities outstanding immediately after such merger or consolidation, or the members of
the Company approve a plan of complete liquidation of the Company or an agreement for the sale or disposition by Company of all or substantially all of its assets, For
purposes of this section "Voting Securities" shall mean any securities of Company or its survivor which vote generally in the election of its directors,
(d) Notwithstanding the foregoing, a Change in Control shall not occur as a result of an underwritten offering of the securities of the Company to the
public, or an offering of securities to the existing equity holders of the Company,

Section 1.3 Company. The term Company shall mean i3 Verticals, LLC and any affiliate or other entity in which the Company owns, directly or indirectly,
more than a 50% interest, or any successor to its business and/or assets that assumes this Agreement by operation of law or otherwise.

Section 1.4 Good Reason. Termination of employment for "Good Reason" is a termination of employment by Employee under any of the following
circumstances:
I. A material diminution in Employee's position, responsibilities or status from that which was previously in effect;
II. A reduction in Employee's base compensation and bonus opportunity or a substantial reduction in benefits provided by the Company to Employee, other
than for a proportional reduction that is applied to all similarly situated employees of the Company; or
III. Relocation of Employee to a location that is more than 35 miles from the location of the Company's headquarters on the date this Agreement is executed.
IV. Upon the occurrence of a Change in Control, the acquiror fails or refuses to assume the obligations of the Company under this Agreement.

Section 1.5 Specified Employee. A “Specified Employee” is an employee defined as a "specified employee" in Code Section 409A(a)(2)(B)(i), as amended from time to time.

ARTICLE II. CHANGE IN CONTROL PAYMENT

Section 2.1 Termination Payment.

(a) **Amount.** In the event that the employment of Employee is terminated within twelve months following a Change in Control either by the Company without Cause or by Employee with Good Reason, then the Company will provide Employee with the following:

I. One times Employee's annual base compensation determined by reference to his base salary in effect at the time of Change In Control paid in a single sum.

II. One times the target annual bonus for the Employee at the time of the Change in Control paid in a single sum.

III. Continuation of Company provided health benefits, which may be through continuation coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985, for a period of one year following termination of employment; provided that Employee's cost for participation will be no greater that the cost of coverage under the Company's health plan for similarly situated active employees.

(b) **Time for Payment.** The cash payments due under this Agreement shall be paid to Employee in a single lump sum within ten days following the date of termination.

Section 2.2 Golden Parachute Tax. In the event it shall be reasonably determined in good faith by the Company that any payment or distribution by the Company to or for the benefit of Employee (whether paid or payable or distributed or distributable pursuant to the terms of this Agreement or otherwise) (a "Payment") would be subject to the excise tax imposed by Section 4999 of the Code (such excise tax, the "Excise Tax"), and such Payment can be rendered exempt from the Excise Tax pursuant to the stockholder approval provisions of Section 280G(b)(5) of the Code and the Treasury Regulations promulgated thereunder, then the Company and Employee shall fully cooperate and together take all steps reasonably necessary in compliance with Section 280G(b)(5) of the Code and the Treasury Regulations promulgated thereunder, including providing adequate disclosure to the stockholders of Company (within the meaning of Section 280G(b)(5)(B)(ii) of the Code and the Treasury Regulations promulgated thereunder) and conducting a vote of all the stockholders of the Company (within the meaning of Treasury Regulation Section 1.280G-I, Q/A-7(b)) so that in the event the stockholder approval requirements of Section 280G(b)(5)(B)(i) of the Code are met in connection with such stockholder vote, no Payment would be subject to the Excise Tax, without regard to whether or not such stockholder approval requirements are actually met in connection with such stockholder vote.
ARTICLE III. GENERAL TERMS

Section 3.1 No Right To Continued Employment. This Agreement will not give Employee any right of continued employment or any right to compensation or benefits from the Company except the rights specifically stated herein.

Section 3.2 Internal Revenue Code Section 409A Restrictions.

(a) The Company and Employee intend that the payments and benefits provided for in this Agreement either be exempt from Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), or be provided in a manner that complies with Section 409A of the Code, and any ambiguity herein shall be interpreted so as to be consistent with the intent of this Section 3.2.

(b) Notwithstanding anything contained herein to the contrary, all severance or similar payments and benefits hereunder, other than any amounts payable by reason of Employee's death or disability, shall be paid or provided only if termination of Employee's employment constitutes a "separation from service" from the Company within the meaning of Section 409A of the Code and the regulations and guidance promulgated thereunder (determined after applying the presumptions set forth in Treas. Reg. § 1.409A-1 (b)(1)). The Company and Employee further intend that all severance or similar payments and benefits under this Agreement shall satisfy, to the greatest extent possible, the exemptions from the application of Section 409A of the Code, including those provided under Treas. Reg. §§ 1A09A-1(b)(4) (regarding short-term deferrals), 1.409A-1(b)(9)(iii) (regarding certain separation pay plans), and 1.409A-1(b)(9)(v) (regarding reimbursements and certain other separation payments). Each payment or installment of severance or similar payments provided under this Agreement will be treated as a separate "payment" for purposes of Code Section 409A.

(c) If, upon the termination of Employee's employment with the Company, (i) Employee is a Specified Employee (as defined herein) of a public company (as defined for purposes of Code Section 409(a)(2)(B)(i)) and (ii) any severance or similar payments or benefits provided in this Agreement constitute nonqualified deferred compensation under Code Section 409A because they do not qualify for any available exemptions, then the amount of such non qualified deferred compensation that otherwise would be paid within the first six months following such termination of employment shall instead be withheld and paid in a single lump sum payment on the first regularly scheduled payroll date immediately following the date that is six months after the date of such termination, without adjustment for the delay in payment. The foregoing shall not apply with respect to any amounts payable hereunder by reason of Employee's death or disability.

(d) Notwithstanding anything to the contrary in this Agreement: (a) in-kind benefits and reimbursements provided under this Agreement during any calendar year shall not affect in-kind benefits or reimbursements to be provided in any other calendar year, other than an arrangement providing for the reimbursement of medical expenses referred to in Section 105(b) of the Code, and are not subject to liquidation or exchange for another benefit; (b) reimbursement requests must be timely submitted by Employee and, if timely submitted, reimbursement payments shall be promptly made to Employee following such submission, but in
no event later than December 31st of the calendar year following the calendar year in which the expense was incurred; and (c) in no event shall Employee be entitled to any reimbursement payments after December 31st of the calendar year following the calendar year in which the expense was incurred. The preceding sentence shall only apply to in-kind benefits and reimbursements that would result in taxable compensation income to Employee.

(e) In the event that following the date hereof the Company or Employee reasonably determines that any compensation or benefits payable under this Agreement may be subject to Section 409A of the Code, the Company and Employee shall work together to adopt such amendments to this Agreement or adopt other policies or procedures (including amendments, policies and procedures with retroactive effect), or take any other commercially reasonable actions necessary or appropriate to (i) exempt the compensation and benefits payable under this Agreement from Section 409A of the Code and/or preserve the intended tax treatment of the compensation and benefits provided with respect to this Agreement or (ii) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance.

Section 3.3 Notices. All notices and other communications hereunder will be in writing or by written telecommunication, and will be deemed to have been duly given if delivered personally or if sent by overnight courier, by written telecommunication, or by electronic communication to the relevant address set forth below, or to such other address as the recipient of such notice or communication will have specified to the other party hereto in accordance with this Section:

Attn: Clay Whitson

No payment under this Agreement will be subject to offset or reduction attributable to any amount Employee may owe to the Company or any other person, except as required by law.

Section 3.5 Entire Agreement. This Agreement constitutes the complete and entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements between the parties. The parties have executed this Agreement based upon the express terms and provisions set forth herein and have not relied on any communications or representations, oral or written, which are not set forth in this Agreement.

Section 3.6 Amendment. The covenants or provisions of this Agreement may not be modified by an subsequent agreement unless the modifying agreement: (i) is in writing; (ii) contains an express provision referencing this Agreement; (iii) is signed and executed on behalf

Section 3.8 Choice Of Law. This Agreement and the performance hereof will be construed and governed in accordance with the laws of the State of Tennessee, without regard to its choice of law principles.

Section 3.9 Successors and Assigns. The obligations, duties and responsibilities of Employee under this Agreement are personal and shall not be assignable. In the event of Employee's death or disability, this Agreement shall be enforceable by Employee's estate, executors or legal representatives. The Company will require any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business and or assets of the Company to assume expressly and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform.

Section 3.10 Waiver Of Provisions. Any waiver of any terms and conditions hereof must be in writing and signed by the parties hereto. The waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any subsequent breach of the same or any other terms and conditions hereof.

Section 3.11 Severability. The provisions of this Agreement shall be deemed severable, and if any portion shall be held invalid, illegal or enforceable for any reason, the remainder of this Agreement shall be effective and binding upon the parties provided that the substance of the economic relationship created by this Agreement remains materially unchanged.

Section 3.12 Counterparts. This Agreement may be executed in multiple counterparts, each of which will be deemed an original, and all of which together will constitute one and the same instrument. INDEMNIFICATION AGREEMENT

INDEMNIFICATION AGREEMENT, dated as of [●], 2018, by and among i3 Verticals, Inc., a Delaware corporation (the “Company”), and the director and/or officer of the Company whose name appears on the signature page of this Agreement (“Indemnitee”).

RECITALS

A. Highly competent persons are becoming more reluctant to serve publicly-held corporations as directors or officers or in other capacities unless they are provided with reasonable protection through insurance or indemnification against risks of claims and actions against them arising out of their service to and activities on behalf of the corporations.

B. The Board of Directors of the Company (the “Board”) has determined that the Company should act to assure its directors and officers that there will be increased certainty of such protection in the future.

C. It is reasonable, prudent and necessary for the Company contractually to oblige itself to indemnify such persons to the fullest extent permitted by applicable law so that they will serve or continue to serve the Company free from undue concern that they will not be so indemnified.

D. Indemnitee is willing to serve, to continue to serve and to take on additional service for or on behalf of the Company on the condition that Indemnitee be so indemnified.

E. In consideration of the benefits received and to be received by the Company in connection with actions taken and to be taken by the Board and by the officers of the Company, the Company has determined that it is in the best interest of the Company for the reasons set forth above to be a party to this Agreement and to provide indemnification to the directors and officers of the Company in connection with their service to and activities on behalf of the Company and its respective subsidiaries.

F. The Company acknowledges that for purposes of this Agreement the directors and officers of the Company who enter into this Agreement are serving in such capacities at the request of the Company.

G. The Company further acknowledges that such directors and officers are willing to serve, to continue to serve and to take on additional service for or on behalf of the Company, thereby benefiting the Company and its subsidiaries, on the condition that the Company enter into, and provide indemnification pursuant to, this Agreement.

AGREEMENT

In consideration of the premises and the covenants contained herein, the Company and Indemnitee do hereby covenant and agree as follows:

-1-
1. **DEFINITIONS.**

   (a) For purposes of this Agreement:

      (i) “Affiliate” shall mean any corporation, partnership, joint venture, trust or other entity in respect of which Indemnitee is or was or will be serving as a director or officer directly or indirectly at the request of the Company, and including, but not limited to, service with respect to an employee benefit plan.

      (ii) “Disinterested Director” shall mean a director of the Company who is not or was not a party to the Proceeding in respect of which indemnification is being sought by Indemnitee.

      (iii) “Expenses” shall include all attorneys’ fees and costs, retainers, court costs, transcripts, fees of experts, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees and all other disbursements or expenses incurred in connection with asserting or defending claims.

      (iv) “fines” shall include any excise taxes assessed on Indemnitee with respect to any employee benefit plan.

      (v) “Independent Counsel” shall mean a law firm or lawyer that neither is presently nor in the past year has been retained to represent: (i) the Company or Indemnitee in any matter material to any such party or (ii) any other party to the Proceeding giving rise to a claim for indemnification hereunder in any matter material to such other party. Notwithstanding the foregoing, the term “Independent Counsel” shall not include any firm or person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing the Company or Indemnitee in an action to determine Indemnitee’s right to indemnification under this Agreement. All Expenses of the Independent Counsel incurred in connection with acting pursuant to this Agreement shall be borne by the Company.

      (vi) “Losses” shall mean all expenses, liabilities, losses and claims (including attorneys’ fees, judgments, fines, excise taxes under the Employee Retirement Income Security Act of 1974, as amended from time to time, penalties and amounts to be paid in settlement) incurred in connection with any Proceeding.

      (vii) “Proceeding” shall include any threatened, pending or completed action, suit, arbitration, alternate dispute resolution mechanism, investigation, administrative hearing or any other proceeding, whether civil, criminal, administrative or investigative.

   (b) For purposes of this Agreement, a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner “not opposed to the best interests of the Company” as referred to in this Agreement; the term “serving at the request of the Company” shall include any service as a director, officer, employee or agent of the corporation.
which imposes duties on, or involves services by, such director, officer, employee or agent with respect to an employee benefit plan, its participants or beneficiaries; and references to the “Company” shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify Indemnitee in its capacity as a director, officer, employee or agent, so that Indemnitee shall stand in the same position under this Agreement with respect to the resulting or surviving corporation as Indemnitee would have with respect to such constituent corporation if its separate existence had continued.

2. SERVICE BY INDEMNITEE. Indemnitee agrees to begin or continue to serve the Company or any Affiliate as a director and/or officer. Notwithstanding anything contained herein, this Agreement shall not create a contract of employment between the Company and Indemnitee, and the termination of Indemnitee’s relationship with the Company or an Affiliate by either party hereto shall not be restricted by this Agreement.

3. INDEMNIFICATION. The Company agrees to indemnify Indemnitee for, and hold Indemnitee harmless from and against, any Losses or Expenses at any time incurred by or assessed against Indemnitee arising out of or in connection with the service of Indemnitee as a director or officer of the Company or of an Affiliate (collectively referred to as an “Officer or Director of the Company”) to the fullest extent permitted by the laws of the State of Delaware in effect on the date hereof or as such laws may from time to time hereafter be amended to increase the scope of such permitted indemnification. Without diminishing the scope of the indemnification provided by this Section, the rights of indemnification of Indemnitee provided hereunder shall include but shall not be limited to those rights set forth hereinafter.

4. ACTION OR PROCEEDING OTHER THAN AN ACTION BY OR IN THE RIGHT OF THE COMPANY. Indemnitee shall be entitled to the indemnification rights provided herein if Indemnitee is a person who was or is made a party or is threatened to be made a party to or is involved (including, without limitation, as a witness) in any Proceeding (other than an action by or in the right of the Indemnitee (unless approved in advance in writing by the Board) or the Company) by reason of (a) the fact that Indemnitee is or was an Officer or Director of the Company or any other entity which Indemnitee is or was or will be serving at the request of the Company, or (b) anything done or not done by Indemnitee in any such capacity.

5. ACTIONS BY OR IN THE RIGHT OF THE COMPANY. Indemnitee shall be entitled to the indemnification rights provided herein if Indemnitee is a person who was or is a party or is threatened to be made a party to or is involved (including, without limitation, as a witness) in any Proceeding brought by or in the right of the Company to procure a judgment in its favor by reason of (a) the fact that Indemnitee is or was an Officer or Director of the Company or any Affiliate, or (b) anything done or not done by Indemnitee in any such capacity. Pursuant to this Section, Indemnitee shall be indemnified against Losses or Expenses incurred or suffered by Indemnitee or on Indemnitee’s behalf in connection with the defense or settlement of any Proceeding if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company. Notwithstanding the foregoing provisions of this Section, no such indemnification shall be made in respect of any claim, issue or matter as to which Delaware law
expressly prohibits such indemnification by reason of an adjudication of liability of Indemnitee to the Company unless and only to the extent that the Court of Chancery of the State of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, Indemnitee is fairly and reasonably entitled to indemnity for such Losses and Expenses which the Court of Chancery or such other court shall deem proper.

6. INDEMNIFICATION FOR LOSSES AND EXPENSES OF PARTY WHO IS WHOLLY OR PARTLY SUCCESSFUL. Notwithstanding any other provision of this Agreement, to the extent that Indemnitee has been wholly successful on the merits or otherwise in any Proceeding referred to in Sections 3, 4 or 5 hereof on any claim, issue or matter therein, Indemnitee shall be indemnified against all Losses and Expenses incurred by Indemnitee or on Indemnitee’s behalf in connection therewith. If Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company agrees to indemnify Indemnitee to the maximum extent permitted by law against all Losses and Expenses incurred by Indemnitee in connection with each successfully resolved claim, issue or matter. In any review or Proceeding to determine the extent of indemnification, the Company shall bear the burden of proving any lack of success and which amounts sought in indemnity are allocable to claims, issues or matters which were not successfully resolved. For purposes of this Section and without limitation, the termination of any such claim, issue or matter by dismissal with or without prejudice shall be deemed to be a successful resolution as to such claim, issue or matter.

7. PAYMENT FOR EXPENSES OF A WITNESS. Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of the fact that Indemnitee is or was an Officer or Director of the Company or any Affiliate, as the case may be, a witness in any Proceeding, the Company agrees to pay to Indemnitee all Expenses actually and reasonably incurred by Indemnitee or on Indemnitee’s behalf in connection therewith.

8. ADVANCEMENT OF EXPENSES AND COSTS. All Expenses incurred by or on behalf of Indemnitee (or reasonably expected by Indemnitee to be incurred by Indemnitee within three months) in connection with any Proceeding shall be paid by the Company in advance of the final disposition of such Proceeding within twenty (20) days after the receipt by the Company of a statement or statements from Indemnitee requesting from time to time such advance or advances, whether or not a determination to indemnify has been made under Section 9. Indemnitee’s entitlement to such advancement of Expenses shall include those incurred in connection with any Proceeding by Indemnitee seeking an adjudication or award in arbitration pursuant to this Agreement. The financial ability of Indemnitee to repay an advance shall not be a prerequisite to the making of such advance. Such statement or statements shall reasonably evidence such Expenses incurred (or reasonably expected to be incurred) by Indemnitee in connection therewith and shall include or be accompanied by a written undertaking by or on behalf of Indemnitee to repay such amount if it shall ultimately be determined that Indemnitee is not entitled to be indemnified therefor pursuant to the terms of this Agreement.
9. PROCEDURE FOR DETERMINATION OF ENTITLEMENT TO INDEMNIFICATION.

(a) When seeking indemnification under this Agreement (which shall not include in any case the right of Indemnitee to receive payments pursuant to Section 7 and Section 8 hereof, which shall not be subject to this Section 9), Indemnitee shall submit a written request for indemnification to the Company. Determination of Indemnitee’s entitlement to indemnification shall be made promptly, but in no event later than sixty (60) days after receipt by the Company of Indemnitee’s written request for indemnification. The Secretary of the Company shall, promptly upon receipt of Indemnitee’s request for indemnification, advise the Board that Indemnitee has made such request for indemnification.

(b) The entitlement of Indemnentee to indemnification under this Agreement shall be determined, with respect to a person who is a director or officer at the time of such determination, in the specific case (1) by the Board by a majority vote of the Disinterested Directors, even though less than a quorum, or (2) by a committee of the Disinterested Directors designated by majority vote of the Disinterested Directors, even though less than a quorum, or (3) if there are no Disinterested Directors, or if such Disinterested Directors so direct, by Independent Counsel, or (4) by the stockholders. The entitlement of the Indemnitee to indemnification shall be determined with respect to any person who is not a director or officer at the time of such determination by any means reasonably determined by the Company.

(c) In the event the determination of entitlement is to be made by Independent Counsel, such Independent Counsel shall be selected by the Board and approved by Indemnitee. Upon failure of the Board to so select such Independent Counsel or upon failure of Indemnitee to so approve, such Independent Counsel shall be selected by the American Arbitration Association of New York, New York or such other person as such Association shall designate to make such selection.

(d) If a determination is made pursuant to Section 9(b) that Indemnitee is not entitled to indemnification to the full extent of Indemnitee’s request, Indemnitee shall have the right to seek entitlement to indemnification in accordance with the procedures set forth in Section 10 hereof.

(e) If a determination with respect to entitlement to indemnification shall not have been made within sixty (60) days after receipt by the Company of such request, the requisite determination of entitlement to indemnification shall be deemed to have been made and Indemnitee shall be absolutely entitled to such indemnification, absent (i) misrepresentation by Indemnitee of a material fact in the request for indemnification or (ii) a final judicial determination that all or any part of such indemnification is expressly prohibited by law.

(f) The termination of any Proceeding by judgment, order, settlement or conviction, or upon a plea of NOLO CONTENDERE or its equivalent, shall not, of itself, adversely affect the rights of Indemnitee to indemnification hereunder except as may be specifically provided.
herein, or create a presumption that Indemnitee did not act in good faith and in a manner which Indemnitee reasonably believed to be in or not opposed to the best interests of the Company, or create a presumption that (with respect to any criminal action or proceeding) Indemnitee had reasonable cause to believe that Indemnitee’s conduct was unlawful.

(g) For purposes of any determination of good faith hereunder, Indemnitee shall be deemed to have acted in good faith if in taking such action Indemnitee relied on the records or books of account of the Company or an Affiliate, including financial statements, or on information supplied to Indemnitee by the officers of the Company or an Affiliate in the course of their duties, or on the advice of legal counsel for the Company or an Affiliate or on information or records given or reports made to the Company or an Affiliate by an independent certified public accountant or by an appraiser or other expert selected with reasonable care to the Company or an Affiliate. The Company shall have the burden of establishing the absence of good faith. The provisions of this Section 9(g) shall not be deemed to be exclusive or to limit in any way the other circumstances in which Indemnitee may be deemed to have met the applicable standard of conduct set forth in this Agreement.

(h) The knowledge and/or actions, or failure to act, of any other director, officer, agent or employee of the Company or an Affiliate shall not be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement.

10. REMEDIES IN CASES OF DETERMINATION NOT TO INDEMNIFY OR TO ADVANCE EXPENSES.

(a) In the event that (i) a determination is made that Indemnitee is not entitled to indemnification hereunder, (ii) advances are not made pursuant to Section 8 hereof or (iii) payment has not been timely made following a determination of entitlement to indemnification pursuant to Section 9 hereof, Indemnitee shall be entitled to seek a final adjudication either through an arbitration proceeding or in an appropriate court of the State of Delaware or any other court of competent jurisdiction of Indemnitee’s entitlement to such indemnification or advance.

(b) In the event a determination has been made in accordance with the procedures set forth in Section 9 hereof, in whole or in part, that Indemnitee is not entitled to indemnification, any judicial proceeding or arbitration referred to in Section 10(a) shall be DE NOVO and Indemnitee shall not be prejudiced by reason of any such prior determination that Indemnitee is not entitled to indemnification, and the Company shall bear the burdens of proof specified in Sections 6 and 9 hereof in such proceeding.

(c) If a determination is made or deemed to have been made pursuant to the terms of Section 9 or 10 hereof that Indemnitee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding or arbitration in the absence of (i) a misrepresentation of a material fact by Indemnitee or (ii) a final judicial determination that all or any part of such indemnification is expressly prohibited by law.
To the extent deemed appropriate by the court, interest shall be paid by the Company to Indemnitee at a reasonable interest rate for amounts which the Company indemnifies or is obliged to indemnify Indemnitee for the period commencing with the date on which Indemnitee requested indemnification (or reimbursement or advancement of any Expenses) and ending with the date on which such payment is made to Indemnitee by the Company.

11. EXPENSES INCURRED BY INDEMNITEE TO ENFORCE THIS AGREEMENT. All Expenses incurred by Indemnitee in connection with the preparation and submission of Indemnitee’s request for indemnification hereunder shall be borne by the Company. In the event that Indemnitee is a party to or intervenes in any proceeding in which the validity or enforceability of this Agreement is at issue or seeks an adjudication to enforce Indemnitee’s rights under, or to recover damages for breach of, this Agreement, Indemnitee, if Indemnitee prevails in whole in such action, shall be entitled to recover from the Company, and shall be indemnified by the Company against, any Expenses incurred by Indemnitee. If it is determined that Indemnitee is entitled to indemnification for part (but not all) of the indemnification so requested, Expenses incurred in seeking enforcement of such partial indemnification shall be reasonably prorated among the claims, issues or matters for which Indemnitee is entitled to indemnification and for claims, issues or matters for which Indemnitee is not so entitled.

12. NON-EXCLUSIVITY. The rights of indemnification and to receive advances as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under any law, certificate of incorporation, by-law, other agreement, vote of stockholders or resolution of directors or otherwise, both as to action in Indemnitee’s official capacity and as to action in another capacity while holding such office. To the extent Indemnitee would be prejudiced thereby, no amendment, alteration, rescission or replacement of this Agreement or any provision hereof shall be effective as to Indemnitee with respect to any action taken or omitted by such Indemnitee in Indemnitee’s position with the Company or an Affiliate or any other entity which Indemnitee is or was serving at the request of the Company prior to such amendment, alteration, rescission or replacement.

13. DURATION OF AGREEMENT. This Agreement shall apply to any claim asserted and any Losses and Expenses incurred in connection with any claim asserted on or after the effective date of this Agreement and shall continue until and terminate upon the later of: (a) ten years after Indemnitee has ceased to occupy any of the positions or have any of the relationships described in Section 3, 4 or 5 hereof; or (b) one year after the final termination of all pending or threatened Proceedings of the kind described herein with respect to Indemnitee. This Agreement shall be binding upon the Company and its respective successors and assigns and shall inure to the benefit of Indemnitee and Indemnitee’s spouse, assigns, heirs, devisee, executors, administrators or other legal representatives.

14. MAINTENANCE OF D&O INSURANCE.

(a) The Company hereby covenants and agrees with Indemnitee that, so long as Indemnitee shall continue to serve as an Officer or Director of the Company, and for a reasonable period of time thereafter, the Company shall use commercially reasonable efforts to maintain in full
force and effect (taking into account the scope and amount of coverage available relative to the cost thereof) directors’ and officers’ liability insurance, issued by one or more reputable insurers, providing coverage for officers and directors of the Company or any of its subsidiaries, that is substantially comparable in scope and amount to the coverage available for any other director or officer of the Company (collectively, “D&O Insurance”).

(b) In all policies of D&O Insurance, Indemnitee shall be named as an insured in such a manner as to provide Indemnitee the same rights and benefits, subject to the same limitations, as are accorded to the Company’s directors or officers most favorably insured by such policy.

(c) Notwithstanding anything to the contrary set forth in (a) above, the Company shall have no obligation to maintain D&O Insurance if the Company determines in good faith that such insurance is not reasonably available, the premium cost for such insurance is disproportionate to the amount of coverage provided or the coverage provided by such insurance is limited by exclusions so as to provide an insufficient benefit.

15. SEVERABILITY. Should any part, term or condition hereof be declared illegal or unenforceable or in conflict with any other law, the validity of the remaining portions or provisions hereof shall not be affected thereby, and the illegal or unenforceable portions hereof shall be and hereby are redrafted to conform with applicable law, while leaving the remaining portions hereof intact.

16. COUNTERPARTS. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document.

17. HEADINGS. Section headings are for convenience only and do not control or affect meaning or interpretation of any terms or provisions hereof.

18. MODIFICATION AND WAIVER. No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by each of the parties hereto.

19. NO DUPLICATIVE PAYMENT. The Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder if and to the extent that Indemnitee has otherwise actually received such payment (net of Expenses incurred in collecting such payment) under any insurance policy, contract, agreement or otherwise.

20. NOTICES. All notices, requests, demands and other communications provided for by this Agreement shall be in writing and shall be deemed to have been given at the time when mailed, enclosed in a registered or certified postpaid envelope, in any general or branch office of the United States Postal Service, or sent by Federal Express or other similar overnight courier service, addressed to the address of the parties stated below or to such changed address as such party may have fixed by notice.
21. GOVERNING LAW. The parties agree that this Agreement shall be governed by, and construed and enforced in accordance with, the internal laws of the State of Delaware without regard to its conflicts of law rules.

22. ENTIRE AGREEMENT. Subject to the provisions of Section 12 hereof, this Agreement constitutes the entire understanding between the parties and supersedes all proposals, commitments, writings, negotiations and understandings, oral and written, and all other communications between the parties relating to the subject matter hereof. This Agreement may not be amended or otherwise modified except in writing duly executed by all of the parties. A waiver by any party of any breach or violation of this Agreement shall not be deemed or construed as a waiver of any subsequent breach or violation thereof.
IN WITNESS WHEREOF, the parties hereto have executed this Agreement effective as of the date first above written.
